ORDER No. G. 5917—MED. 154-34-4, DATED BANGALORE,
THE 13—17TH DECEMBER 1934.

Government are pleased to sanction the reconstitution of the Board of Visitors for the Victoria Hospital and Minto Ophthalmic Hospital for a period of two years with the personnel as detailed below:—

1. *Rajasabhabhushana* K. R. Sreenivasa Iyengar, Esq., M.A., Convener.
2. Lady Raman.
3. Rao Sahib H. Channiah, Esq.
4. B. K. Garudachar, Esq., President, City Municipal Council, Bangalore.
5. J. R. Isaac, Esq., B.A., M.B.E.
6. B. Oosman Khan, Esq., Merchant, Oosmania Buildings, Narasimharaja Roa Bangalore City.

S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Reviews the Administration Report of the Sericultural Department for the year 1933-34.

READ—

Report on the working of the Sericultural Department during the year 1933-34, received with letter No. D. 4-137-34, dated 13th September 1934, from the Director of Industries and Commerce.

ORDER No. D. 4158-166—SERI. 49-34-2, DATED BANGALORE,
THE 22ND DECEMBER 1934.

Recorded.

2. The report of the Tariff Board was published during the year and th Government of India have levied safeguarding duties from 1st May 1934, current fo a period of five years. The measure of relief afforded falls short of what the industr considered adequate and is even less than what the Tariff Board recommended Moreover, simultaneously with the increased duties, there has been a more tha corresponding fall in the price of imported competing goods so much so that th sericulture industry in India continues to suffer from outside competition. This i evidenced, in Mysore, by a further fall of about 3,500 acres in the area under Mul- cultivation.

. There is a growing demand for cross-breed layings on account of the r yield and special attention was paid during the year to increase the supply umber of these layings prepared during the year amounted to about 1,225,00 740,000 during the previous year. About 2,500 saplings and 24 ca erry cuttings were distributed free of cost for planting mulberry to

4. The Director has submitted recommendations in regard to the action to be taken by the Department calculated to reduce the cost of production of silk and enable the sericulturist to meet in time the foreign competition. The proposals involve a heavy outlay and in the present condition of the finances, Government regret they cannot all be taken up immediately. Government however note that the improvement of mulberry cultivation and the increase in the supply of disease-free eggs and cross-breed layings are the most urgent measures calculated to effect large savings in the cost of manufacture, and have decided to sanction a sum of Rs 30,000 during the year to increase the facilities in these directions. In order to co-ordinate the various activities and to secure the maximum benefit to the sericulturist, Government have since constituted a Board of Sericulture consisting of officials and non-officials who are interested in the industry.

5. There were only 13 active aided grainages at the end of the year and these prepared altogether 1,406,292 disease-free layings and supplied 1,384,703 layings as against 1,663,754 disease-free layings prepared and 1,642,565 disease-free layings distributed during 1932-33. The work in some of the aided grainages was reduced as the sericulturists were unable to pay high rates for disease-free layings.

6. The Government Filature worked throughout the year, but on account of the poor demand for raw silk at remunerative rates, the number of basins was reduced from 38 to 24. There was no demand for silk waste during the year. A small quantity of Filature waste was got spun into yarn in one of the Factories in Bombay, and the question of encouraging a private company to manufacture spun silk is under active consideration.

7. Ten additional looms were installed in the Government Silk Weaving Factory at Mysore. The fabrics of the Government Silk Factory were displayed at the various Exhibitions during the year, and their quality and finish were greatly appreciated by the public.

8. Experiments in mulberry cultivation, silk worm rearing, etc., were conducted in Mysore and Channapatna Farms, and some simple experiments in Mulberry cultivation and utilization of seed cocoons of different localities were undertaken in the Government Farms at Kolar, Sidlaghatta and Kunigal.

9. Government are glad to note that the Department continued to do good work during the year, in spite of the depression in trade, and that their active help is appreciated by the sericulturists.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Statement of Cattle Mortality in the State for the year ending 30th June 1934.

READ—

Letter No. Per. 22—34-35, dated the 2nd November 1934, from the Director of Agriculture in Mysore, forwarding the return of cattle mortality in the Mysore State for the year ending 30th June 1934, together with his review thereon. (The Director's review and statements are printed as annexures.)

ORDER NO. D. 4073-82—STCS. 16-33-6, DATED BANGALORE,
THE 20TH DECEMBER 1934.

Recorded.

2. As compared with the previous year, the total cattle mortality shows an increase of 2,276. The mortality under contagious diseases fell from 16,053 to 15,203, while that under non-contagious diseases increased from 55,952 to 59,078.

3. Mortality under rinderpest showed a further decline during the year, being only 976 against 1,065 of the year previous. The other serious diseases like anthrax, black-quarter, and foot and mouth disease also showed a material reduction. The figures for Hæmorrhagic Septicæmia have however shown an increase particularly in the Kolar and Chitaldrug Districts. The Director of Agriculture is

requested to take immediate action to post more men to the Districts from the Mobile Corps and take every possible action to check the disease more effectively.

4. The Director of Agriculture again observes that there is little improvement in the receipt of cattle mortality returns from the Taluks. The Revenue Commissioner has issued special instructions in this connection to the subordinate officers. Government trust that the instructions will be strictly observed and there will be improvement in the submission of these returns in the current year.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

REVIEW ON THE CATTLE MORTALITY IN THE STATE FOR THE YEAR ENDING 30th JUNE 1934.

The total mortality from non-contagious diseases is somewhat higher than last year, while that from contagious diseases has been much lower.

The mortality from rinderpest, our most serious cattle disease, again shows a considerable reduction being only 976 against 1,065 of the last year. Likewise, under other serious diseases like anthrax, black-quarter and foot and mouth disease, the return shows a material reduction, being 2,292, 4,286 and 1,341 against 2,705, 4,517 and 1,611 respectively of the previous year.

The figures for Hæmorrhagic Septicæmia, show a slight increase of about five per cent over last year's figures, but the fact that the mortality has been rising for some years has to be taken serious note of and preventive inoculation pursued more vigorously, as pointed out in my last year's review. The highest mortality continues to be shown in the Kolar and Chitaldrug Districts. It should be possible for the Department to post more men in these Districts from the Mobile Corps and keep down the mortality.

The progress in inoculation by the Goat Virus method against Rinderpest is noteworthy and the results have been satisfactory.

The mortality among sheep and goats has been greatly reduced in the year, reduction being over 20 per cent of last year's figures and the lowest for the last three years.

As usual, there has been little improvement in the receipt of cattle mortality returns from the Taluks. The Superintendent reports that special instructions have been issued by the Revenue Commissioner, which may be expected to bring about some improvement.

A. K. YEGNANARAYANA IYER,
Director of Agriculture.

K. KRISHNA IYENGAR,
Superintendent, Civil Veterinary Department.

Directs that the work relating to Publication of Advertisements on behalf of Government be transferred from the Publicity Office to the Office of the Director of Industries and Commerce.

READ—

Government Order No. G. 6470-524—G. M. 1-23-69, dated 18th February 1925, sanctioning the publication of Government Advertisements in news-papers in and outside the State, through the Publicity Office.

2. Government Order No. G. 312-66—G. M. 10-34-1, dated 11th June 1934, sanctioning certain arrangements for the publication of Government advertisements in certain news-papers in the State for a further period of one year from 1st July 1934.

3. Confidential letter No. G. 367—G. M. 10-34-2, dated 11th June 1934, from the Chief Secretary to the Government to the Comptroller indicating the space reserved in the several news-papers referred to in the Government Order read above and the amount allotted in the case of each of the news-papers.

4. Government Order No. D. 314-15—I. & C. 154-33-9, dated 14th July 1934, sanctioning a sum of Rs. 3,500 in addition to the grant of Rs. 30,000 sanctioned in Government Order No. D. 3152-3—I. & C. 154-33-2, dated 3rd January 1934, for the advertisement of the products of the Government Soap Factory as also other Government Industrial concerns and fixing the allocation of the total grant of Rs. 33,500 for the calendar year 1934, as indicated in the statement appended to the Government Order and stating that separate orders would be issued regarding advertisements in the "Hindu" "The Madras Mail" and the "Times of India."

5. Unofficial Note dated 21st November 1934 from the Director of Industries and Commerce in the matter.

6. Further correspondence ending with Unofficial Note dated 12th December 1934 from the Comptroller furnishing his views on the Director's proposals.

ORDER No. G. 6047-103—G. M. 72-34-1, DATED BANGALORE, THE 19TH—21ST DECEMBER 1934.

At present, the work relating to the publication of advertisements on behalf of Government Departments is attended to by the Publicity Office, and those relating to the Government Soap Factory and the Industrial concerns by the Government Soap Factory and the Department of Industries and Commerce respectively. Government consider it necessary to systematise this work and to centralise it in one agency, especially in view of the need for organising advertisements relating to Mysore and Mysore products on a systematic scale. With this object, the Government are pleased to pass the following orders:—

(1) The Director of Industries and Commerce will organise a Publicity Branch in his Department to work as part of the Government Soap Factory for purposes of accounting for advertisement charges. The work of this Branch should be got done by a suitable re-adjustment of work among the existing staff; and all work relating to the reservation of space, the carrying on of negotiations with the papers regarding the terms, the final fixing of terms, entering into contracts with the several news-papers, the passing of bills, etc., will be attended to by this section of the Director's Office under the orders of the Director. Such work as relates to this portion which is now being done in the Publicity Office will be transferred to the Office of the Director of Industries and Commerce.

(2) The Director of Industries and Commerce will handle the advertisements on behalf of all Government Departments.

(3) The Publicity Officer to Government will continue to be responsible for all other work that he is now doing and will also be responsible for sending in advertisement matter of general character to the Director of Industries and Commerce.

(4) The advertisement charges will be debited to the several departments or institutions in proportion to the space utilised by them during the year, in each of the news-papers and in the case of general advertisements sent by the Publicity Office, the proportionate cost will be debited to the Publicity Office and will be met by a suitable provision in the Budget of that office.

(5) All payments for advertisements will, in the first instance, be made out of the Soap Factory Bank Account, the amounts due from other concerns and departments for advertisements being recovered from them and credited to the

Soap Factory Bank Account. This arrangement is sanctioned tentatively for a period of one year in the first instance.

As regards the accounts to be maintained or the statements to be furnished, etc., the Director is requested to settle this in consultation with the Comptroller to Government.

These revised arrangements will take effect from 1st January 1935.

R. RANGA RAO,
Chief Secretary to Government.

RAILWAY SECRETARIAT

Reviews the Administration Report of the Railway Department for the year 1933-34.

READ—

Letter No. 328, dated 26th October 1934, from the Agent, Mysore Railways, submitting the Administration Report of the Railway Department for the year 1933-34.

ORDER NO. R. S. 1341-68—Ry. F. 34/G. 34-35, DATED BANGALORE, THE 21ST DECEMBER 1934.

Recorded.

2. *Administrative Changes.—Khan Bahadur* A. A. Khan, M.Inst.T., remained in charge of the Department as Agent and Traffic Manager. On reversion to British service on the 6th June 1934, he was succeeded by Mr. H. D. Sinclair, V.D. Mr. Khan was also the Secretary to Government for Railways till end of April 1934, when the office of the Railway Secretary was separated and placed in charge of the Secretary to Government, Public Works Department, so as to enable the Agent to devote greater personal attention to the expanding activities of the Railway Department.

Mr. A. C. Rendell, Loco. and Carriage Superintendent, retired from service on the 1st April 1934, and Mr. M. Venkatesh, District Loco. Superintendent was appointed Acting Loco. and Carriage Superintendent.

3. *Open Lines.*—The length of the total Open Lines worked both by the State and the Madras and Southern Mahratta Railway Company was 731·62 miles, inclusive of 9·33 miles opened during the year from Arasalu to Anandapuram among the lines worked by the State.

4. *Lines worked by the Madras and Southern Mahratta Railway Company.*—There was no change in the mileage worked by the Madras and Southern Mahratta Railway Company.

The gross earnings during the year amounted to Rs. 37·41 lakhs and after deducting therefrom the working expenses, guaranteed interest, etc., the net receipts were Rs. 8·98 lakhs against Rs. 10·92 lakhs during the previous year. The heavy decline, as compared to last year of Rs. 4·62 lakhs, during the year in the gross revenue, was partly due to book adjustment effected for obtaining agreement with the State books and partly due to the fall in the revenue to the extent of Rs. 1·37 lakhs, of which Rs. 1·22 lakhs was under Goods due to less number of despatches of food grains, cotton, etc.

5. *Lines worked by the State.*—The length of the lines worked by the State was 460·06, inclusive of 9·33 miles opened during the year from Arasalu-Anandapuram. The gross earnings during the year amounted to Rs. 32·59 lakhs as against Rs. 31·49 lakhs during the previous year. Payment of arrears due by the Iron Works accounts largely for the increase of cash revenue during the year which increase appears under the Head "Suspense," *viz.*, Rs. 2·10 lakhs. The traffic receipts of the year show also an increase of Rs. 1·1 lakhs. The net cash position

for the year as compared with that of the year 1932-33, shows an increase of Rs. 1·87 lakhs, due to more payments received from the Iron Works.

The ordinary working expenses during the year amounted to Rs. 22·34 lakhs against Rs. 21·35 lakhs during 1932-33, showing an increase of Rs. 99,000. Although the net result of working during 1933-34, was a revenue of Rs. 5·71 lakhs against Rs. 3·84 lakhs during 1932-33, showing an increase of Rs. 1·87 lakhs, the percentage of working expenses during last year has increased to 68·24 against 67·79 during 1932-33. Government consider that the working expenses are high and there should be scope for considerable reduction and direct that every endeavour should be made to reduce this percentage as far as possible.

6. *Stores.*—The year opened with a balance of Rs. 4·16 lakhs and the issues during the year inclusive of sales amounted to Rs. 10·02 lakhs, leaving a balance of Rs. 4·09 lakhs at the end of the year.

7. *Accidents.*—The number of persons killed during the year was 21 and the number seriously injured was 16, which was mainly due to the most regrettable accident that occurred at Tarikere Railway Station on the 12th July 1933. There were 37 engine failures during the year.

8. *General.*—No new constructions or surveys were undertaken during the year.

The remodelling of the workshops has made good progress.

To prevent frequent engine failures, works for the easing of heavy grades on the Bangalore-Mysore section are being taken up, improvements were also made in the standard of the Permanent Way.

The Mysore Railways, continued their membership in the Indian State Railways, Central Publicity Bureau, who have an effective machinery for advertising India in foreign countries for attracting traffic.

The Local Advisory Committee met four times during the year and showed considerable interest in the proceedings.

9. Government are pleased to place on record their high appreciation of the good work done by *Khan Bahadur* A. A. Khan, during the period he was in charge of the Department.

10. The work of the Department during the year under report continued to be satisfactory.

N. N. AYYANGAR,
Secretary for Railways
Government of Mysore.

BANGALORE, THURSDAY, JANUARY 10, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Report on the Mysore State Forces for the year 1933-34.

READ—

Report of the Mysore State Forces for the year 1933-34, received with letter No. C. 49—34-35, dated 16th November 1934, from the Chief Commandant, Mysore State Troops.

ORDER No. G. 6275—MILY. 102-34-6, DATED BANGALORE,
THE 29TH DECEMBER 1934—2nd JANUARY 1935.

Recorded.

2. Lt.-Col. B. P. Krishne Urs Bahadur, O.B.I., M.C., I.D.S.M., who was appointed Officiating Chief Commandant during the absence of Col. J. C. Loch, C.B.E., with effect from 7th June 1933, continued as Officiating Chief Commandant until 25th November 1933, when Col. Loch returned from leave and resumed charge.

3. The composition of the Mysore State Forces remained the same as in the previous year, *viz.*, two Cavalry Units, the Mysore Lancers stationed at Bangalore and Mysore Horse (one squadron) stationed in Mysore, three Battalions of Infantry and a Mechanical Transport Corps. Two Infantry Battalions, *viz.*, the First or the Active Battalion and the Second or Training Battalion and the Mechanical Transport Corps are also stationed at Bangalore. The Third or the Garrison Duty Battalion is stationed at Mysore with detachments at Shimoga and Kolar.

4. The two Cavalry Units and the First Battalion, Mysore Infantry are "A" Class Units and trained for Active Service. The Cavalry Units are armed with modern weapons but the First Battalion is only partially so armed. The completion of equipment of horses to the Cavalry and Arms, etc., to the Infantry is under the consideration of Government.

5. Several Officers and Non-Commissioned Officers of the Cavalry and Infantry Regiments were deputed for training in the Instructional Courses such as Signalling, Education, Equitation, Small Arms, etc., in the Army Schools of British India. The courses of individual and collective training were carried out satisfactorily.

6. The discipline of the Army was good and the health and sanitation of the Units were satisfactory.

7. Thirty-two Remounts were purchased during the year and casualties by death, destruction, and transfers, etc., amounted to 51. The total strength of horses at the close of the year in the Cavalry Regiments was 391.

8. The total expenditure under the head "Army" during the year amounted to Rs. 13,93,535 as against Rs. 13,95,344 in the previous year. Of this, a sum of Rs. 66,058 was spent on Military works against Rs. 31,511 spent in the previous year. The old British Range area and camping ground at Hebbal were handed over to the State Military Department, the buildings in the camp area were repaired and made fit to accommodate the Second Battalion, Mysore Infantry and arrangements were made for adequate water supply to the Mysore Lancers and Mysore Infantry Lines.

9. The Military Adviser-in-Chief of the Indian States Forces visited the Mysore Lancers on the 29th and 30th November 1933 and was much pleased with the field firing, turn out, etc., of the Regiment.

His Highness the Maharaja was graciously pleased to visit the Lines and inspect the Remounts on 9th May 1934.

The administration of the Department during the year continued to be satisfactory.

R. RANGA RAO,
Chief Secretary to Government.

Reviews the Administration Report of the Muzrai Department for the year 1933-34.

READ—

Letter No. Per A. 24—345, dated 13th October 1934, from the Muzrai Commissioner in Mysore submitting the report on the administration of the Muzrai Department for the year 1933-34.

ORDER NO. 925-36—MUZ. 85-34-3, DATED BANGALORE,
THE 20TH—31ST DECEMBER 1934.

Recorded.

2. The following are a few of the important measures undertaken or sanctioned during the year.

(1) Rules under the Mysore Ancient Monuments Preservation Regulation IX of 1925 were published in February 1934.

(2) Rules to regulate the conduct of sales in respect of properties yielding revenue to Muzrai Institutions in the State were approved in March 1934.

(3) In modification of the Rules issued in April 1932, Sub-Division Officers were empowered to conduct sales of temple jewels found unfit for use, in the Sub-Division Headquarters where the estimated value of the articles did not exceed Rs. 200.

(4) Revised Rules for regulating free water-supply to public, charitable and religious institutions in Mysore City were issued in October 1933.

(5) The special rate of 5 per cent interest on charitable deposits was ordered to be reduced to 4½ per cent per annum.

(6) Government directed that in all Vaidyasalas and Davakhanas maintained partly or wholly by local bodies, only men regularly trained in a recognised Ayurvedic College should be employed.

(7) All Cattle Shows and Fairs including those held in connection with Muzrai Institutions were ordered to be conducted in future by District Boards and Municipalities, subject to certain conditions in respect of the latter.

(8) The Revised Muzrai Manual was published as also the Manual of the Sri Kalaseswaraswami Temple at Kalasa.

The draft Manual of the Sri Narayanaswami and other temples at Melkote which has been finally revised and submitted for approval is under scrutiny by Government.

(9) Supply of water by means of pipes to the jatra grounds of the Sri Subramanyaswami Temple at Ghati, Dodballapur Taluk, at a cost of Rs. 16,000 and supply of water to Malekal Tirupathi by means of a bore-well were sanctioned.

(10) A scheme for the future management of the S. L. N. Charities and the proposals for reconstituting the Committee of Management of the same were approved by Government.

3. As regards the question of resuming inam grants to private chattrams which was under consideration last year, Government accepted the views of the Muzrai Commissioner that " beyond taking systematic action to assure that the conditions of the grants were being fulfilled and dealing with cases of mismanagement, it is not possible to interfere with these Dharmadaya Inams and resume them merely on the ground that the institutions to which they are attached are not so useful to the travelling public as they were in former times."

Orders were recently issued in G. O. No. 566-75—Muz. 306-33-2, dated 11—13th October 1934, systematising the payment of Nehimi allowances, resulting in a saving of Rs. 2,555-12-0 per year and the question of disposal of the amount saved is under the consideration of Government.

4. *Educational Institutions under Muzrai Management.*—The administration of the Educational Institutions, *viz.*, the Ayurvedic and Unani College and Hospitals at Mysore, the Sanskrit College at Melkote, the Sri Chamarajendra Veda Mahapatasala at Bangalore, the Agama classes in the Maharaja's Sanskrit College, Mysore, and other Veda Patasalas under the control of the Department continued to be satisfactory. Some of the proposals made for improving the efficiency of the Ayurvedic and Unani College and Hospitals in Mysore have been sanctioned by Government.

5. *Investigation of Inams of Defunct Muzrai Institutions.*—Out of the 199 cases that came up for disposal during the year including those pending at the beginning of the current year, 63 were disposed of and an aggregate sum of Rs. 5,708-11-5 being the balance at their credit was credited to the General Muzrai Fund. Government note that the Deputy Commissioners have been requested to see to the early disposal of the pending cases, and that circular instructions were also issued to them to have Demand, Collection and Balance accounts maintained in the Taluk Offices with a view to watch the recoveries of the income of resumed inam lands. One institution in the Shimoga District was revived and action was taken to revive five defunct institutions in the Chitaldrug District.

6. *Income and Expenditure of the Department.*—The Muzrai Institutions opened with a balance of Rs. 9,32,613-15-9 as against Rs. 8,04,308 in the previous year. The receipts during the year amounted to Rs. 7,26,540-6-2 as against Rs. 7,56,892 in the previous year making a total of Rs. 16,59,154-5-11 as against Rs. 15,61,200 in the previous year. The expenditure during the year was Rs. 6,62,930-2-10 as against Rs. 6,37,971 in the previous year, resulting in a balance of Rs. 9,96,224-3-1 at the close of the year against Rs. 9,23,229 in the previous year. The difference between the closing balance of the previous year and the opening balance of the year under review is explained as due to the adoption of the Comptroller's verified figures. The decrease in the income of the institutions during the year under review is explained to be due to decline in the income from rent in respect of inam and other lands owing to the continued economic depression.

7. *Inspection.*—Government note that only the Deputy Commissioners of Mysore, Chitaldrug, Shimoga and Kadur Districts are reported to have inspected the Muzrai Institutions, etc., in their Districts, while no mention is made in respect of other Districts. The desirability of undertaking annual inspections has therefore to be impressed on the Deputy Commissioners of Districts. Government hope that the inspection work will be more satisfactory in future.

8. *General.*—His Highness the Maharaja of Mysore was graciously pleased to be present on the occasion of the Vairamudi Utsava at Melkote and the Maharathothsava of Sri Srikanteswaraswami at Nanjangud and also to visit the latter

temple on two occasions in May and June 1934. Her Highness the Yuvarani and Prince Jaya Chamarajendra Wodeyar paid a visit to the Sri Someswaraswami temple at Sompura in the Tarikere Taluk in April 1934. His Highness the Maharaja of Cochin visited the Gumbaz at Seringapatam and the temple of Sri Harihareswaraswami at Harihar. The Hon'ble Mrs. Greville visited the Gumbaz at Seringapatam and Colonel Weddington of Jodhpur visited Sri Channakesavaswami Temple at Belur. The Dewan, in addition to visiting certain temples in the Bangalore and Shimoga Districts and the Masjids at Sagar, Mallur and Bhadravati, was pleased to perform the opening ceremony of the New Tirupaliah's Chattram at Shimoga and the Jumma Masjid at Honnali.

9. The administration of the Muzrai Department continued to be efficient during the year under review.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Reviews the Administration Report of the Excise Department for the year 1933-34.

READ—

Letter No. B3—Per. 50-1—1933-34, dated 11—18th October 1934, from the Excise Commissioner in Mysore, submitting the report on the Administration of the Excise Department for 1933-34.

ORDER NO. FL. 5351-61—EX. 32-34-3, DATED BANGALORE,
THE 2ND JANUARY 1935.

Recorded.

2. *Important changes.*—(1) A separate wholetime District Excise Officer for Bangalore District was sanctioned.

(2) Duty at Rs. 10 and at Rs. 17-8-0 per proof gallon was ordered to be levied with effect from 1st December 1933 on spirits contained in medicinal preparations and in culinary ærated water or other flavouring essences, etc., respectively.

(3) The Distillery at Bangalore was ordered to be shifted to Mandya and the contract for the manufacture of liquors was decided to be given to the Mysore Sugar Company.

3. *Country Spirits.*—The manufacturing contract of Hajee Sir Ismail Sait continued during the year. The total quantity of spirits manufactured decreased from 230,847 gallons in 1932-33 to 203,203 gallons during the year under review. The quantity issued to depots and institutions, etc., in the State amounted to 166,296 gallons as against 183,558 gallons in the previous year while that issued to the Civil and Military Station was 39,487 gallons as against 39,667 gallons in 1932-33.

4. *Carriage of Liquor.*—The transport of liquor and ganja continued to be under the supervision of the Department.

5. *Arrack.*—The molasses arrack consumed in the State during the year amounted to 158,620 gallons as against 173,397 gallons in the previous year showing a further fall by 14,777 gallons which is attributable to general trade depression and the low economic condition of the drinking classes. The prevalence of illicit distillation in several parts of the State is also stated to be somewhat responsible for the decline in consumption. The incidence of consumption per head of population was 1·2 drams as against 1·4 drams in the preceding year.

6. *Shops.*—There were 528 arrack, 1,959 toddy (date), 248 ganja and 88 opium shops during the year as against 536, 2,001, 247 and 88 shops, respectively during 1932-33.

There was one arrack shop for every 55·8 as against 55·0 square miles in the year previous and each shop served, on an average, 12,165 persons as against 11,984 in the preceding year.

7. *Toddy.*—The trees tapped for toddy during the year decreased to 232,846 from 2,52,568 in 1932-33, while the total revenue derived under this head amounted to Rs. 32,43,051 as against Rs. 32,56,206 in the previous year.

8. *Ganja.*—An area of 20 acres was under ganja cultivation as against 25 acres in the year previous, the average yield per acre being only 9·7 maunds as against 17·7 maunds in the preceding year. Though the quality is reported to have improved from that of the previous years, it has not been explained, why the yield was so poor in the year under review. The Excise Commissioner is requested to investigate the matter further. The total revenue from this source amounted to Rs. 4,19,330 as against Rs. 4,04,813 in the previous year.

9. *Excise Offences.*—The excise offences reported during the year showed an increase to 4,328 from 3,695 cases in the previous year. Seven hundred and eighty-three were heinous offences as against 737 in the preceding year. As regards liquor offences, 551 cases as against 571 related to illicit distillation and other illicit practices. Government regret to observe again that Shimoga District was responsible for as many as 252 such cases.

10. *Inspections.*—Government agree with the Excise Commissioner that grove inspection should receive more attention at the hands of Sub-Division Officers in charge of Excise work and District Excise Officers.

11. *Financial Results.*—Inclusive of the opening balance of Rs. 1,19,729, the total demand for the year amounted to Rs. 59,86,124 as against Rs. 61,19,679 in the previous year, out of which Rs. 58,49,743 were collected, Rs. 16,436 remitted, leaving a balance of Rs. 1,19,945 at the close of the year.

12. *Excise Licensing Boards.*—Government regret to observe, that, as in last year, these Boards, in some places, *viz.*, (1) Magadi, (2) Closepet, (3) Seringapatam, (4) Malvalli, (5) Kolar Gold Field, (6) Shimoga, (7) Sagar, (8) Shikarpur, (9) Tumkur, (10) Madhugiri, (11) Sira, (12) Chitaldrug, and (13) Kolar, are reported to have not met at all, the first five for want of subjects.

13. Government are glad to observe, that the administration of the Department during the year was, on the whole, satisfactory.

S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Reviews the Administration Report on the working of the Stores Purchase Committee for the year 1933-34.

READ—

The annual Administration Report on the working of the Stores Purchase Committee for the year 1933-34, received with letter No. 7512, dated 19th October 1934, from the Secretary of the Committee.

ORDER No. G. 6301-56—G. M. 78-34-3, DATED BANGALORE,
THE 29TH DECEMBER 1934—3RD JANUARY 1935.

Rajamantrapravina S. P. Rajagopalachari, Second Member of Council, continued to be the President of the Committee till the 31st of August 1933 when *Rajamantrapravina Diwan Bahadur* K. Matthan, First Member of Council, became the President. *Rao Bahadur* B. K. Garudachar and *Rao Saheb* A. M. Thangavelu Mudaliar were nominated as non-official members of the Committee for a period of one year from 1st December 1933.

2. The Committee met three times during the year and the subjects considered related to acceptance of tenders, disposal of questions arising out of contracts let and the consideration of arrangements for ensuring satisfactory supplies and securing favourable prices and terms.

3. The services of Messrs. Rendel Palmer and Tritton were confined to the purchases of the Railway Department. Their relations with the Trade Commissioner and the Stores Purchase Committee were satisfactory. The period of agency of Messrs. Best & Co., Ltd., as clearing agents at Madras expired on the 31st of December 1933 and was extended for a further period of one year. Their relations with the Committee were very cordial.

4. The total value of orders placed with firms in India as well as abroad amounted to Rs 34,08,797 against Rs. 29,20,421 during the previous year. Of this, Rs. 18,05,810 represents the value of articles made in India.

5. The advantages that might have been derived by the withdrawal of the United States Government from the Gold Standard in respect of purchases in America were more than set off by the rise in commodity prices of American goods as a result of the measures adopted by the United States Government. There was no change in the currencies of other countries and generally speaking the prices were stationary.

6. The Director of Industries and Commerce has undertaken to arrange for the inspection during and after manufacture of furniture, paints, leather goods, steel racks and similar articles of local fabrication ordered by the Stores Purchase Committee.

7. The incidence of the cost of the Stores Purchase Committee and allied organisations for the purchase of stores was 1·20 per cent as against 1·40 per cent during the year 1932-33.

8. The work of the Committee continued to be satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

FINANCIAL SECRETARIAT.

Authorises the acceptance of Mysore Government Savings Bank Seven-year Fixed Deposits carrying interest at Five and a half per cent per annum for conversion into the Four per cent 1953-63 Loan.

READ—

Government Notification No. Fl. 3233—G. F. 139-34-1, dated 2nd October 1934, announcing the issue of a new series of the 4% 1953-63 Loan in exchange for (*i*) Mysore Government 5½% Bonds 1938, (*ii*) Mysore Government 6¼% Loan 1940, and (*iii*) Mysore Government 6½% Loan 1941-51, under certain conditions.

2. Unofficial Note No. 1678—S. L., dated 30th November 1934, from the Comptroller, regarding the issue of the new series of the 4% 1953-63 loan in exchange for the Mysore Government Savings Bank Seven-year Fixed Deposits carrying interest at 5½% per annum.

ORDER NO. FL. 5370-430—G. F. 139-34-3, DATED BANGALORE, THE 29TH DECEMBER 1934—3RD JANUARY 1935.

Government direct that Mysore Government Savings Bank Seven-year Fixed Deposits carrying interest at 5½% per annum be accepted for conversion into the 4% 1953-63 Loan, in accordance with the conditions laid down in the annexure to Government Notification No. Fl. 3233—G. F. 139-34-1, dated 2nd October 1934.

S. SHAMANNA,
Financial Secretary to Government.

Reviews the report on the working of the Government Savings Banks for the year ending 30th June 1934.

READ—

Letter No. S. B. 276, dated 10th November 1934, from the Comptroller to Government, submitting the report on the working of the Government Savings Banks for the year ending 30th June 1934.

ORDER NO. FL. 5485-95—G. F. 178-34-3, DATED BANGALORE, THE 5TH JANUARY 1935.

Recorded.

2. During the year, the rate of interest on fixed deposits was continuously reduced from 4½ per cent to 4 per cent in July 1933, to 3¾ per cent in October 1933

and to 3½ per cent in February 1934 consequent on the general fall in rates of interest. The amounts of fixed deposits bearing different rates of interest which were converted into the 4 per cent 1953-63 Loan which was kept open from 1st October 1933 to 15th March 1934 and the balance of such deposits outstanding at the close of the year were as follows :—

	Amount converted into the 4 per cent loan	Outstanding balance on 30th June 1934
	Rs.	Rs.
5½ per cent Seven-year Fixed Deposits... ...	16,82,300	28,68,400
5 „ Five-year Fixed Deposits	9,05,675	46,89,922
4½ „ do	55,300	24,69,700
4 „ do	30,800	28,50,850
3¾ „ do	1,02,53,500	7,00,400

3. The total number of Savings Bank accounts, current and dead, at the close of the year under review stood at 65,923 as against 64,086 at the end of the previous year. The aggregate amount at credit of both current and dead accounts was Rs. 1,92,06,777 or Rs. 2,677 less than in the previous year.

4. The enhanced rate of interest of 4 per cent allowed on ordinary Savings Bank accounts for full year deposits was abolished from 1st July 1933 and the ordinary rate of interest was reduced from 3⅛ per cent to 2¾ per cent on amounts up to Rs. 10,000 and to 2 per cent on amounts over Rs. 10,000 from 1st November 1933.

PART I

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Orders that the terms of Section 7 of the Village Offices Regulation are peremptory and require that the officer who takes action under that section shall hold the enquiry himself.

REVENUE APPEAL No. 41 OF 1933-34.

Mayi Gowda, son of Kale Gowda, Patel of Doddarasinakere Village, Maddur Taluk (formerly Malavalli Taluk) ... ... *Appellant.*

SUBJECT.

Appeal against the order of the Revenue Commissioner in Appeal No. 433 of 1928-29, dated the 24th July 1933, *re* the dismissal of the appellant from the Pateli Office of Doddarasinakere Village in Maddur Taluk.

The appellant was the Patel of Doddarasinakere Village in Maddur Taluk. Konde Gowda and other raiyats of the village submitted several petitions to the Dewan, Revenue Commissioner and the Deputy Commissioner, Mysore District, alleging that the appellant had collected several sums of money from the raiyats during the years 1918-1922 and misappropriated the same and that coercive steps were being taken against them although they had paid up their dues in respect of their lands in the village. The petitions were sent to the Sub-Division Officer, French-Rocks, for investigation on the revenue side. The appellant and the complainants were examined by the Amildar. That officer reported on the 26th January 1923 that the explanation of the Patel—that certain receipts produced by the complainants were not genuine—was unsatisfactory and recommended that the appellant might be kept under suspension and that Shanbhog Venkatasubbiah might be punished suitably.

The Sub-Division Officer in his general report, dated the 10th May 1926, stated that the accounts then available were the khate and khirdi of 1919-20 and the khate of 1918-19, while the kandayam receipts produced by the complainants related to four years from 1918-19 to 1921-22 (inclusive) that in the absence of the other accounts, it was very difficult to verify the allegations against the appellant, that between the Shanbhog Venkatasubbiah and the appellant (Patel) they had wilfully concealed the records so that their guilt might not be brought to light, that they had subsequently fallen out and exposed each other's irregularities that there was sufficient evidence on record to dismiss both of them and recommended that they may be replaced by more desirable persons. The Sub-Division Officer submitted also separate reports regarding eleven specific allegations of misappropriation against the appellant.

On this report of the Sub-Division Officer, the Deputy Commissioner observed on the 4th January 1928, that it was only in respect of 1919-20 that the available receipts and pattas could be compared with the khate and khirdi and that the misappropriation was brought home in 5 out of the 11 cases launched against the appellant. He ordered that the appellant should be kept under suspension and prosecuted for criminal misappropriation of Government money. Against this order of suspension, the appellant preferred an appeal to the Revenue Commissioner who rejected the same on the 6th March 1928. With regard to the remaining six cases, the Deputy Commissioner ordered on the 28th December 1928, that the appellant should be dismissed finally as there were sufficient grounds in two of the cases to distrust the appellant's conduct.

On appeal, the Revenue Commissioner observed that the records disclosed that the appellant's conduct was exceedingly suspicious in many instances and that the Deputy Commissioner had rightly dismissed him from the Pateli Office. He therefore rejected the appeal on the 30th June 1933. This order is appealed against.

On the judicial side of the case, the High Court (in their judgment, dated the 26th February 1932, in Criminal Appeal No. 63 of 1929-30) observed that, under the peculiar circumstances of the case, the accused (Appellant before Government) deserved to be given the benefit of doubt. They accordingly set aside the conviction and sentence passed by the First Class Magistrate of Mysore under Section 409 of the Indian Penal Code.

The case came on for final hearing on the 24th February 1934 when the appellant and his counsel Mr. D. Shama Rao, were present and heard.

ORDER THEREON No. R. 3217-25—L. R. 137-33-4, DATED BANGALORE, THE 2ND—4TH JANUARY 1935.

This is an appeal against the order of the Revenue Commissioner who rejected the appeal against the order of the Deputy Commissioner, Mysore, dismissing Mayi Gowda, the appellant from the Pateli Office of Doddarasinakere Village in Maddur Taluk. The main point at issue in the appeal is whether the order of the Deputy Commissioner, directing the dismissal of the appellant on the strength of the report submitted by the Sub-Division Officer is correct or not.

Under Section 7 of the Village Offices Regulation, the officer taking action against a Village Officer shall hold the enquiry himself. The terms of the section are peremptory and require that the officer who takes action under that section shall hold the enquiry himself.

Government therefore hold that the order passed in this case by the Deputy Commissioner is illegal and should be set aside and they are pleased to order accordingly. The Deputy Commissioner will deal with the case in accordance with law.

S. ABDUL WAJID,
Secretary to Government,
General Department.

Passes orders *re* the holding of the Eighth Quinquennial Census of Agricultural Stock in Mysore in February 1935.

READ—

Correspondence ending with Unofficial Note No. C. 2783—34-35, dated 5th January 1935, from the Revenue Commissioner in Mysore, submitting proposals in regard to the holding of the Eighth Quinquennial Census of Agricultural Stock in the State about the same time as that proposed to be held in British India.

ORDER No. R. 3432-91—R. M. 71-33-7, DATED BANGALORE, THE 16TH JANUARY 1935.

Government are pleased to direct that the Eighth Quinquennial Census of Agricultural Stock in Mysore, be taken up between the 10th and 17th February 1935.

2. The Superintendent, Government Printing, is requested to print and stock tentatively the undermentioned quantities of Schedule, Instructions and Special Khaneshumari Forms as per samples to be forwarded by the Revenue Commissioner, on the lines of the revised forms to be furnished by the Director-General of Commercial Intelligence and Statistics, Calcutta, for being supplied to the Deputy Commissioners of Districts as per indents to be received from them. If additional quantities are required over and above those allowed, the Deputy Commissioners should intimate their requirements before copies are struck off in the Press :—

		Quantity.	*Size.*
1.	Schedules Forms ...	80,000	25″ × 40″ Census Badami in Diglot (English and Kannada).
2.	Instruction Forms ...	40,000	Foolscap size in Diglot (English and Kannada).
3.	Special Khaneshumari ...	40,000	15″ × 20″ Census Badami in Diglot (English and Kannada).

3. The Comptroller is authorised to place a sum of Rs. 8,000 at the disposal of the Revenue Commissioner for the following items of expenditure, the cost being met by reappropriation of the sanctioned grants of the Revenue Department :—

(1) Cost of paper required for printing the requisite forms;
(2) Cost of petty stationery to be supplied to Enumerators and Supervisors;
(3) Cost of prizes to be awarded to the best of schedules in each Taluk, Sub-Taluk and Municipal area; and
(4) Other contingent charges.

4. The instructions issued in connection with the Cattle Census of 1930, will be adopted on the present occasion also. They are printed as an accompaniment to this order and the Superintendent, Government Printing, is requested to print copies of these instructions both in English and Kannada and supply the same to the Deputy Commissioners immediately.

CHIEF SECRETARIAT

Approves of the Forest Settlement of the Varuna Forest Block in the Mysore Taluk.

READ—

Government Notification No. G. 576—Ft. 278-31-2, dated 20th July 1932, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Varuna Forest Block in the Mysore Taluk.

2. Memo No. C. 1963—34-35, dated the 26th November 1934, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G. 6907-10—Ft. 67-34-5, DATED BANGALORE,
THE 21ST JANUARY 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests is approved. The Notification under Section 17 of the Forest Regulation constituting the Block a State Forest with effect from 1st March 1935 will be published in the Gazette.

2. The Deputy Commissioner, Mysore District, is requested to duly promulgate the boundaries of the block in the village concerned.

R. RANGA RAO,
Chief Secretary to Government.

District Forest Officer,
Mysore District

Directs that the Meetings of Standing Committees of the Representative Assembly and the Legislative Council be held four to six times a year.

READ—

1. Paragraph 54 of the Government Order No. 1367-1426—C. B. 100-23-1, dated 27th October 1923, constituting the three Standing Committees, one in connection with the Railway, Electrical and Public Works Departments, one in connection with Local Self-Government and the Departments of Medicine, Sanitation and Public Health, and the third in connection with Finance and Taxation.

2. Paragraph 5 of Notification No. P. 6526—R. A. 41-23-1, dated 28th May 1924, as amended by Notification No. Rl. 67—R. A. 5-26-1, dated 14th September 1926, specifying certain subjects to be placed before the Standing Committees except when, on account of urgency or some other reason, a reference to the Committee has been dispensed with by Government.

3. Circular No. Rl. 316-23—R. A. 31-30-1, dated 4th April 1931, addressed to the Secretaries to Government, directing among other things, that the meetings of the Standing Committees should be held at least once in every half-year and oftener if business requires.

ORDER NO. RL. 195-201—R. A. 21-34-1, DATED BANGALORE, THE 18TH JANUARY 1935.

Government observe that the Standing Committees do not meet sufficiently frequently and that it would be advantageous to have more frequent meetings. Government are therefore pleased to direct that the meetings of the three Standing Committees should be held four to six times a year.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Passes orders in the matter of the revision of the Rules relating to the inspection, maintenance and repair of boundary marks.

READ —

Letter No. 71, dated 3rd January 1934 and No. 138, dated 31st May 1934, from the Director of Land Records, submitting proposals for a revision of the Rules relating to the inspection, maintenance, and repair of Boundary Marks contained in Rules 76 to 85 of the Rules under the Land Revenue Code.

2. Correspondence ending with Unofficial Note No. C. 2751—33-34, dated 15th August 1934 of the Revenue Commissioner furnishing his views in the matter.

ORDER NO. R. 3420-30—L. S. 55-33-5, DATED BANGALORE, THE 16TH JANUARY 1935.

The changes proposed by the Director of Land Records in the existing system of Boundary Marks fall under the following main heads :—

(1) Bandhs or mounds of earth to be replaced by dressed stones or other permanent marks, such as, pillars, cairns, etc. ;

(2) Maintenance and supervision of Boundary Marks to be transferred from the Revenue Department to the Department of Land Records;

(3) Responsibility of the several landholders for attending to the repair of Boundary Marks on a common boundary to be fixed up more clearly ;

(4) Rules for the inspection of Boundary Marks to be amplified so as to fix the responsibility of each grade of officers.

(5) Minimum width of ridges to be left unploughed to be reduced ;

(6) In what cases and to what extent Boundary Marks in disrepair should be repaired at Government cost to be clearly defined ;

(7) Revenue Inspectors to be empowered to issue notices for replacing missing Boundary Marks ; and

(8) Occupants of lands in taluks in which Hissa Survey operations are to be undertaken to be notified to put their Boundary Marks in order before the Field Season commences and if they are found to be still in disrepair during Hissa Survey operations, the Department of Land Records to have them repaired by Government agency and recover the cost from them as a revenue demand.

2. So far as the first proposal referred to above is concerned, there is already an order of Government passed on 3rd December 1923 directing that the suggestion that earthen bandhs be substituted by stones of one foot square be given effect to in cases in which the landholders are willing to pay for the stones and where the stones of the required size are readily available. As these conditions do not always exist, Government do not think that any useful purpose would be served by extending the range of choice to a variety of new and more expensive types of Boundary Marks, such as pillars, cairns, etc., as suggested by the Director of Land Records.

3. The second proposal relates to the transfer of supervision of Boundary Marks to the Department of Land Records. This duty is now entrusted to Amildars and Sub-Division Officers and Government do not think that it would be a change for the better if it is transferred to the officers of the Land Records Department and the latter allowed to deal directly with the Revenue Inspectors as that would lead to duality of control and weaken the sense of responsibility of Revenue Officers.

4. The same purpose is likely to be better served by enlisting the co-operation of the officers of the Department of Land Records with those of the Revenue Department. The District Land Records Officer who is also an Assistant to the Deputy Commissioner might, with advantage, be required to help the Revenue Department.

(1) by seeing that the programme of test inspections of Boundary Marks is prepared judiciously and punctually in every taluk ;

(2) by obtaining monthly reports and reviewing the same under the instructions of the Deputy Commissioner ; and

(3) by conducting test inspections in select villages and communicating his observations and suggestions to the Deputy Commissioner or Sub-Division Officer as the case may be.

5. With these modifications, Government are pleased to approve of the proposals put forward by the Director of Land Records regarding the revision of Rules relating to Boundary Marks. The existing Rules as well as the Rules as revised are printed in the Statement appended*.

6. A separate Notification will issue amending the Rules under the Mysore Land Revenue Code as above.

*Appendices (*Vide* Notification).

S. ABDUL WAJID,
Secretary to Government,
General Department.

NOTIFICATION.

No. R. 3431—L. S. 55-33-6, dated 16th January 1935.

In exercise of the powers conferred on them by Section 233 of the Mysore Land Revenue Code, Government are pleased to issue the following revised Rules in place of Rules 78 to 85 of the Rules issued under the said Code :—

Existing Rules.	*Revised Rules.*
Repair of Boundary Marks in unoccupied lands not assigned as free pasturage. **78.** Repairs to Boundary Marks in Government unoccupied lands, except free pasturage assigned to village communities, are to be made by Taluk Officers at the expense of Government. The purchasers of the pasturage of Government waste land shall not be liable for the repairs of Boundary Marks thereon.	Responsibility for repair of Boundary Marks. **78.** (1) The responsibility of the several landholders for the maintenance and repair of Boundary Marks on a common boundary lies on the holder of the Survey Number which is numerically lowest. (2) This is subject to the proviso that, when any Survey Number is unoccupied or assigned for the public or Government purposes, the responsibility for the repair of the marks on its periphery shall pass to the landholder on the other side of the boundary. Repairs will be made at Government expense only when the marks in disrepair lie between Survey numbers each of which has no holder except Government. (3) Within each Survey Number, the holder or holders of each sub-division shall be responsible for the marks, if any, prescribed on the periphery of that sub-division to the same extent as they would be if "sub-division" were read instead of "Survey Number" in Sub-Rules (1) and (2).
Village Community when to repair Boundary Marks. **79.** The village community shall be held responsible for the due maintenance and repair of all the marks demarcating the boundaries of the free grazing lands and other lands assigned for communal purposes assigned to their village and for any charges reasonably incurred on account of the same by the Revenue Officers, in cases of their alteration, removal or disrepair.	**79.** A mark which is on common boundary of two or more villages shall be repaired by the holder of the land in the village which is under restoration when the marks are found out of repair.
Funds for repair of Boundary Marks in Government unoccupied lands. **80.** To provide funds for the repair of boundary marks in Government unoccupied lands as above, the Deputy Commissioner is authorised to disburse from the Treasury annually a sum not exceeding Rs. 5 for every 1,000 acres of Government unoccupied land, or five per cent of the total amount realized and credited to Government from the grazing of such lands, whichever may be the larger amount, and utilize it for the repair of the Boundary Marks.	Funds for repair of Boundary Marks to be maintained at Government expense. **80.** The Deputy Commissioner shall provide funds for the repairs of Boundary Marks, which are to be maintained at Government expense under Sub-Rule (2) of Rule 78.
81. In Taluks where Boundary Marks in Government unoccupied land are very numerous or when for any reason the allowance of a larger sum than Rs. 5 for each 1,000 acres of waste land may appear	**81.** The Amildar shall be responsible for the repairs of the Boundary Marks for which funds are provided under the above Rule.

necessary, the Deputy Commissioner may, with the sanction of Government, disburse the sum of Rs. 10 for every 1,000 acres of Government unoccupied land, or 10 per cent of the amount realized from the grazing of such lands whichever may be the larger amount.

82. The amount allowed for the repair of Boundary Marks in Government unoccupied land will be paid on the 1st January of each year, or on whatever other date may be ordered, to the Patel of the village, who will be held responsible for the maintenance in due order of the Boundary Marks.

Prevention of injury to Boundary Marks.

83. The digging of earth close around an earthen mound boundary mark is prohibited. A space of 2 cubits in breadth all round such mark is to be left untouched, so as to prevent injury to the mark.

84. No cultivation shall be allowed along the boundaries of Survey Numbers, where a strip of land is required to be left unploughed to the width of from 2 to 3 cubits in the case of dry lands, and of about one cubit in the case of wet lands where no well-defined boundary exists.

Inspection and maintenance of Boundary Marks.

85. The following Rules for the proper maintenance and examination of field Boundary Marks are prescribed.

(*a*) The Shanbhog and the Patel shall examine all the Boundary Marks in their respective villages at the time of the field inspection and the Shanbhog shall record in the Pahani Register, Village Form No. 7, the condition in which the Boundary Marks are found.

82. The amount allowed for the repair of Boundary Marks to be maintained at Government expense will be paid on the 1st January of each year, or on such other date as may be ordered, to the Patel of the village who will be held responsible for the maintenance in due order of the Boundary Marks.

Prevention of injury to Boundary Marks.

83. The digging of earth close around an earthen mound Boundary Mark is prohibited. A space of 2 feet in breadth all round each such mark shall be left untouched, so as to prevent injury to the mark.

84. (*a*) Boundary strips or ridges shall not be ploughed up or otherwise injured by cultivation.

(*b*) The minimum width of boundary strips shall be—

1. In dry lands .... 1½ ft.
2. In wet and garden lands, 9 inches.

provided that—

(i) Where the boundaries of such lands are well defined by banks, hedges or the like, the actual width of the strip covered by such bank, hedge or the like shall be sufficient for the purpose of this Rule;

(ii) Where the boundary of the Survey Number also forms the boundary of British India, the minimum width prescribed above shall be maintained for the portion of the boundary strip on the Mysore side;

(iii) Where village boundaries have been defined at the time of Survey, such strips shall be maintained as so defined.

(*c*) Any boundary strip or ridge which has been ploughed up or otherwise obliterated or the dimensions of which are less than those prescribed above shall be restored by landholder concerned.

Inspection and maintenance of Boundary Marks.

85. The following Rules for the proper maintenance and examination of field Boundary Marks are prescribed.

(*a*) The Shanbhog and the Patel shall examine all the Boundary Marks in their respective villages at the time of the field inspection and the Shanbhog shall record in the Pahani Register, Village Form No. 7, the condition in which the Boundary Marks are found.

(*b*) After the preparation of the Pahani Register as per Rule (*a*), the Amildar or Deputy Amildar shall, upon the application of the Shanbhog and the Patel, give due notice under Section 130 to the Khatedars of lands whose Boundary Marks are out of repair to get the said marks repaired within a reasonable time, after the lapse of which there shall be a second inspection of those marks by the Shanbhog and the Patel, and should any repairs remain unexecuted, the omission should forthwith be reported to the Amildar or Deputy Amildar, with a view to the responsibility of the defaulting landholders being duly enforced as provided for in para 2 of Section 130. The expenditure in this connection will be met out of the single consolidated imprest of Rs. 100 and Rs. 50 placed at the disposal of each Amildar and Deputy Amildar respectively.

(*c*) A further test inspection of Boundary Marks shall be made annually in each village by the Revenue Inspector and one or two Taluk officials deputed for the purpose. The inspection shall be made in the presence of the Village Officers and of such of the landholders as may attend and the result recorded in column "Remarks and signature of Testing Officers" of the Village Form No. 7.

(*d*) For the purpose of test inspection mentioned above, the number of villages in a Revenue Inspector's charge shall be distributed among the Revenue Inspector and the Taluk officials as the case may be, who shall each attend to a fair number of fields in each year. The number of fields in each village shall be divided into four sections one of which shall be completely inspected once in four years by the official deputed for the purpose.

(*e*) The division of the Boundary Marks of a village into sections as well as the distribution of the villages in a Revenue Inspector's charge among the officials told off for test inspection should be made by the Amildar and lists thereof placed in the Records of the Taluk Cutchery, copies being given to the Revenue Inspector or other officials concerned.

(*f*) The Amildar or the Deputy Amildar shall supervise the work done by the Revenue Inspector or Taluk Official and send a monthly report of the number of villages visited, the number of bandhs found to be out of order and the number

(*b*) After the preparation of the Pahani Register as per Rule (*a*), the Revenue Inspector shall, upon the application of the Shanbhog and the Patel, give due notice under Section 130 to the occupants of lands whose Boundary Marks are out of repair to get the said marks repaired within a specified time after the lapse of which there shall be a second inspection of these marks by the Shanbhog and the Patel; and should any repairs remain unexecuted, the omission shall forthwith be reported to the Revenue Inspector with a view to the responsibility of the defaulting landholders being duly enforced as provided for in para 2 of Section 130. On receipt of the report, the Revenue Inspector shall issue a notice to the landholder intimating that, if the landholder fails to replace or repair the Boundary Marks within a fortnight, the same will be replaced or repaired by Government agency and the cost thereof recovered under Section 130 without further notice to the landholder.

(*c*) A further test inspection of Boundary Marks shall be made in each village by the Revenue Inspector or other official deputed for the purpose. The inspection shall be made in the presence of the Village Officers and such of the landholders as may attend and the result recorded in column "Remarks and signature of the Testing Officer" of the Village Form No. 7.

(*d*) The Revenue Inspector shall at the time of his test inspections certify the number of Boundary Marks missing or in disrepair in each Survey Number and take steps to replace such as are either missing or are in disrepair. If the landholders fail to replace or repair the Boundary Marks within the specified time, he shall proceed to recover the cost of replacing or repairing the marks from the landholders as a revenue demand.

(*e*) The inspections by the Revenue Inspector shall be carried out in accordance with the programme prepared by the Amildar with the previous approval of the Sub-Division Officer.

(*f*) The Amildar or the Deputy Amildar shall supervise the work done by the Revenue Inspector and send a monthly report of the number of villages visited, the number of Boundary Marks found to be out of order and the number set right, set right, to the Deputy Commissioner, Sub-Division Officer or to the Assistant Commissioner in charge of the Taluk.

(*g*) Amildars, Deputy Amildars, Assistant Commissioners in charge of Taluks, Jamabandi Officers, Sub-Division Officers and Deputy Commissioners shall personally examine the Boundary Marks of some of the lands in a few villages in every taluk as soon as possible after the completion of the 2nd inspection required by Rule (*b*). In the case of Taluks under the immediate charge of the Deputy Commissioner, that officer shall mark off a few Survey Numbers in the Village Registers, in view to their examination by the Sheristedar or other high official of his Establishment.

(*h*) The results of inspection under Rule (*g*) shall be recorded in the same way as in the case of inspections under under Rule (*c*).

(*i*) In the annual Administration Report submitted by the Deputy Commissioners, a para should be specially devoted to the subject of bandhs, giving full information as to their inspection, number inspected, officers who inspected and tested them and such other particulars, as are required in the Form attached hereto :—

Taluk	Number of villages in which bandh pahani was made, Rule (*g*)	A ggregate number of Survey Numbers of which bandh pahani was made, Rule (*g*)	Total number of bandhs inspected	Number of bandhs found in disrepair and stones missing	Steps taken to get them repaired and punishment awarded	Number of bandhs brought to standard and stones replaced	Name and designation of Inspecting Officer	Remarks

to the Sub-Division Officer or to the Assistant Commissioner in charge of the Taluk.

(*g*) Amildars, Deputy Amildars, Assistant Commissioners in charge of Taluks, Jamabandi Officers and Deputy Commissioners shall personally examine the Boundary Marks of some of the lands in a few villages in every Taluk as soon as possible after the completion of the second inspection required by Rule (*b*).

(*h*) The results of inspection under Rule (*g*) shall be recorded in the same way as in the case of inspections under Rule (*c*).

(*i*) In the annual Administration Report submitted by the Deputy Commissioners, a para should be specially devoted to the subject of Boundary Marks giving full information as to their inspection, number inspected, officers who inspected and tested them and such other particulars as are required in the Form attached hereto :—

Taluk	Number of villages in which bandh pahani was made, Rule (*g*)	Aggregate number of Survey Numbers of which bandh pahani was made, Rule (*g*)	Total number of Boundary Marks inspected.	Number of Boundary Marks found in disrepair and stones missing	Steps taken to get them repaired and punishment awarded	Number of Boundary Marks brought to standard and stones replaced	Name and designation of Inspecting Officer	Remarks

(*i*) The District Land Record Officer being an Assistant to the Deputy Commissioner should help the latter.—

(1) by seeing that the programme of test inspections contemplated in sub-rules (*d*) and (*e*) is prepared judiciously and punctually in every Taluk;

(2) by obtaining the monthly reports laid down in sub-rule (*f*) and reviewing the same under the instructions of the Deputy Commissioner; and

(3) by conducting test inspections in selected villages and communicating his observations and suggestions to the Deputy Commissioner or the Sub-Division Officer as the case may be.

By Order,

S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT.

Appoints Non-official Members of the Stores Purchase Committee for one year from 1st December 1934.

READ—

Government Order No. G. 3734-43—G. M. 94-33-2, dated 30th November 1933, nominating Messrs. B. K. Garudachar and *Rao Sahib* A. M. Thangavelu Mudaliar as Non-official Members of the Stores Purchase Committee.

ORDER No. G. 6919-27—G. M. 108-34-2, DATED BANGALORE, THE 21ST JANUARY 1935.

Government are pleased to re-nominate Messrs. *Rao Bahadur* B. K. Garudachar and *Rao Sahib* A. M. Thangavelu Mudaliar as Non-official Members of the Stores Purchase Committee for a further period of one year from 1st December 1934.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

FINANCIAL SECRETARIAT.

Reviews the report on the working of the Insurance Scheme for the year 1933-34.

READ—

Letter No. 11380, dated 30th November 1934, from the Secretary, Mysore State Life Insurance Committee, submitting the Annual Report on the working of the Insurance Scheme for the year 1933-34 together with the Auditor's Report.

ORDER No. FL. 5690-750—G. F. 217-34-3, DATED BANGALORE, THE 9—16TH JANUARY 1935.

Recorded.

2. *Official Branch.*—The total number of proposals dealt with during the year under report was 1,949 as against 2,319 in the previous year, of which 1,563 were accepted, 1,406 resulted in policies for an assurance of Rs. 11,03,402 bringing a monthly premium of Rs. 3,853 as against 1,809 policies assuring Rs. 12,13,148 for a monthly premium of Rs. 4,161 in the previous year. Of the remaining 386 proposals, 265 cases were rejected and 121 cases were pending disposal at the close of the year.

3. Exclusive of interest on monthly balances and the investments amounting to Rs. 5,13,257, the receipts during the year on account of premia, etc., amounted to Rs. 9,97,351. The balance at the credit of the fund on 30th June 1934, stood at Rs. 84,20,759 exclusive of State Loan Bonds and other securities of the value of Rs. 36,02,857.

4. The percentage of the cost of management to the premium income of the year was 5·54 as against 5·02 in the year previous and the percentage of the year's total payments to the closing balance was 6·97 as against 6·59. The slight increase is due to the valuation fees to the actuary and incidental expenses arising out of the issue of Reversionary Bonus Certificates.

5. The number of policies current on 30th June 1934, was 28,772 assuring Rs. 2,43,93,754 for a monthly premium of Rs. 82,881, the corresponding figures for the previous year being 28,484, Rs. 2,39,54,803 and Rs. 81,709, respectively.

6. At the close of the year under review, there remained for settlement 127 death claims involving Rs. 1,46,913 including bonus.

7. The percentage of the balance at the credit of the fund after deducting outstanding claims to the total liability was 42·106 as against 43·40 in the previous year.

8. *Public Branch.*—During the year, 4,546 proposals were received and the total number dealt with including 135 cases pending on 1st July 1933 was 4,681 assuring Rs. 40,96,600 as against 4,318 assuring 34,83,300 in the previous year. Of these, 4,132 proposals for Rs. 36,39,400 were accepted, 215 cases for Rs. 1,72,400 were pending at the close of the year, and the remaining 334 cases were either withdrawn, rejected or cancelled.

9. The receipts during the year amounted to Rs. 10,66,629 inclusive of Rs. 1,68,106 being the interest on monthly balances. The closing balance at the credit of the fund was Rs. 41,47,774 exclusive of State Loan Bonds of the value of Rs. 12,500 held on behalf of the insured. The number of policies in force on 30th June 1934, was 18,410 assuring a sum of Rs. 1,82,19,600 and realising an annual premium of Rs. 9,80,548.

10. The percentage of cost of management to the premium income of the year was 10·61 as against 10·68 in the previous year and the percentages of the year's total payments and the cost of management to the closing balance were 10·77 and 2·57 respectively as against 7·53 and 2·22 during the previous year.

11. *General.*—During the year, a sum of Rs. 19,120 was spent towards the construction of the office building and the tiffin rooms bringing the total outlay to Rs. 1,57,853.

12. During the year, the valuation of the funds of the official and public branches for the quinquennium ending 30th June 1933 was completed and a compound reversionary bonus of 1·8 per cent. per annum on endowment policies and 2 per cent per annum on whole life policies in the official branch and a simple reversionary bonus of 2 per cent per annum in the public branch was sanctioned and declared.

13. Government are pleased to note that the administration of the Insurance Office was satisfactory during the year under review.

BANGALORE, THURSDAY, JANUARY 31, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions the revival of the Sagar Forest Division.

READ —

Government Order No. G. 6886-7—Ft. 301-30-20, dated the 20th February 1932, directing the abolition of the Sagar Forest Division, as a measure of economy and its amalgamation with the Shimoga Division.

2. Government Order No. G. 5487-8—Ft. 30-34-4, dated the 30th November 1934, directing among other things, that the post of Sub-Assistant Conservator employed as Assistant to the District Forest Officer, Shimoga, be made permanent.

3. Correspondence ending with U. O. Note No. 11. E. 290-1180-33, dated the 15th September 1934, from the Chief Conservator of Forests, submitting proposals for the revival of the Sagar Forest Division.

ORDER No. G. 6984-7—Ft. 306-33-2, DATED BANGALORE,
THE 20TH—23RD JANUARY 1935.

On the recommendation of the Retrenchment Committee, the Sagar Forest Division was, as a measure of economy, abolished in March 1932. It has been now reported to Government that the combined Shimoga and Sagar Division consisting of 623 square miles of State Forests and 76 square miles of reserved lands, is an unwieldy charge for one District Forest Officer and that he cannot exercise effective control over the ordinary routine forest operations and other administrative matters and pay sufficient attention to the works of a special nature, such as supply of ballagi poles to the Electrical Department, fuel to the Bhadravati Iron Works and timber to the Kolar Gold Field which form an important part of the District Forest Officer's duties. The Chief Conservator of Forests recommends the revival of the Sagar Forest Division in the interests of efficiency and the development of the resources of the Ghat Forests round about Nagar and Sagar and proposes that an establishment consisting of one accountant, five clerks and four peons may be drafted from the existing staff to the New Sagar Division and that the post of the Gazetted Assistant to the District Forest Officer, Shimoga Division, which is of the grade of Sub-Assistant Conservator, may be converted into an Assistant Conservator's post and this Officer placed in charge of the new Sagar Division, the extra cost on this account being only Rs. 2,340 per annum, which represents the difference between the average pay of an Assistant Conservator and that of a Sub-Assistant Conservator of Forests.

Government agree with the Chief Conservator of Forests and are pleased to sanction his proposals. They direct that the existing staff be redistributed between the Shimoga and the Sagar Divisions as per Statements I and II appended, which also show the distribution of jurisdiction of each Division, and that the extra cost during the current year be met by reappropriation of the sanctioned grants in the Forest Budget of 1934-35.

R. RANGA RAO,
Chief Secretary to Government.

ANNEXURE.

STATEMENT I.

Details of Staff sanctioned for Sagar Division	Extra cost per annum	
(1) One Assistant Conservator of Forests on Rs. 250—40/2—450.	(1) An Assistant Conservator is sanctioned to be in charge of the Division. ...	Rs. 2,340
(2) One Accountant on Rs. 50—4—90 ...	(2) Since one of the Accountants is ordered to be spared from the existing staff of Accountants, the extra cost is nil. ...	...
(3) Five Clerks on Rs. 25—2—45 ...	(3) Out of the five clerks required, three are to be found by redistribution from the existing staff of clerks and the remaining two by the conversion of two Forester's places into clerk's appointments, which does not involve any extra cost.	...
(4) Four Peons—one on Rs. 13, one on Rs. 12; and two on Rs. 11 each.	(4) The Menial staff does not also result in any extra cost, since the required number of guard's appointments are to be converted into as many peons' appointments.	...
	Total ...	2,340

STATEMENT II.

As existing at present	As sanctioned	
Shimoga Division	Shimoga Division	Sagar Division
1. *Kumsi Sub Division* with Headquarters at Ayanur comprising the following Ranges :— (1) Ayanur, (2) Ripponpet (3) Karadibetta, and (4) Shikarpur.	(1) Kumsi Sub-Division with Headquarters at Ayanur under a Sub-Division Officer comprising the following Ranges :— (1) Ayanur (2) Ripponpet, (3) Hanagere, and (4) Shankar	(1) Shikarpur Sub-Division with Headquarters at Shikarpur under a Sub-Division Officer comprising the following Ranges :— (1) Shikarpur, (2) Karadibetta, and (3) Sorab.
2. *Sagar Sub-Division* with Headquarters at Sagar, comprising the following Ranges :— (1) Sagar, (2) Sorab, and (3) Nagar.	(2) Ranges under the direct charge of the District Forest Officer, Shimoga Division :— (1) Sacrebyle, and (2) Agumbe.	(2) Ranges under the direct charge of the District Forest Officer, Sagar Division. (1) Sagar, and (2) Nagar.
3. Ranges under the direct charge of the District Forest Officer, Shimoga :— (1) Shankar, (2) Hanagere, (3) Sacrebyle, and (4) Agumbe.		

GENERAL SECRETARIAT

Reviews the report on the working of Treasuries in the State for the year 1933-34.

READ—

Letter No. C. Per. A. 7—34-35, dated 7th December 1934, from the Revenue Commissioner in Mysore, forwarding with his own remarks a report received from the Comptroller to Government on the working of Treasuries in the State for the year 1933-34.

ORDER No. R. 3618-28—R. M. 45-34-2, DATED BANGALORE, THE 24TH JANUARY 1935.

Monthly Accounts and Annual Returns.—Delay in the submission of these accounts and returns on the part of some Treasury or another has been common in spite of repeated instructions. Government trust that the officers concerned will make it a point to see that such delays are strictly avoided in future.

2. *Classification of Receipts and Payments.*—Instances of misclassification have increased from 130 to 139. Some of these are said to be due to the Treasuries not insisting on full particulars being furnished in the chellans before receiving payment; while in other cases amounts have been credited to wrong heads even though the correct head of classification is noted in the chellan. Due notice should be taken of the conduct of Treasury Officials who betray want of care in these directions.

3. *Objection slips.*—The number of retrenchment slips issued to treasuries has increased from 1,373 to 1,777 the amount held under objection being Rs. 6,907-15-6 as against Rs. 6,826-5-10 in the previous year.

4. *Irregularities in payment.*—Several instances of excess, short and double payments, payments in utter disregard of specific instructions, payments without proper or sufficient authority and payments on defective documents are given in the body of the report, while minor irregularities relating to cashing of cheques, etc., after the expiry of their currency, unauthorised issue of Remittance Transfer Receipts and Payments made without the signature of the Drawing Officer or Treasury Officer or without stamped acknowledgments from the payee are given in statements D and F. The Officers concerned should be directed to exercise greater care in such matters in future.

5. *Inspections.*—Four District and 11 Taluk Treasuries were inspected by the officers of the Accounts Department. All the District Treasuries except those at Hassan and Shimoga were inspected by the respective Deputy Commissioners who also inspected some of the Taluk Treasuries in their Districts.

6. *Conclusion.*—The working of the Treasuries during the year was on the whole satisfactory. Only one of the Head Accountants of District Treasuries is reported to have undergone training in the Comptroller's Office and another is said to be under training. The scheme of training sanctioned by Government should be given effect to in the case of other Head Accountants also as early as possible.

S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Directs that the Deputy Director of Industries and Commerce will be an *ex-officio* member of the Board of Industries and Commerce in place of the Industrial Chemist.

READ—

Government Order No. D. 1843-911—I. & C. 47-34-1, dated 10th September 1934, directing the revival of the Board of Industries and Commerce and appointing among others, the Industrial Chemist as one of the *ex-officio* members of the Board.

2. Government Order No. 1224-83—C. B. 107-34-2, dated 18th December 1934, directing among other things, the appointment of Mr. S. G. Sastri as Deputy Director of Industries and Commerce.

3. Letter No. 134, dated 11th January 1935, from the Secretary, Board of Industries and Commerce, requesting that the Deputy Director of Industries and Commerce may be appointed as an *ex-officio* member of the Board in place of the Industrial Chemist.

ORDER No. D. 4697-749—I. & C. 47-34-15, DATED BANGALORE, THE 24TH JANUARY 1935.

The Deputy Director of Industries and Commerce will be an *ex-officio* member of the Industries and Commerce Board in place of the Industrial Chemist.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Administration Report of the Live Stock Section for the year 1933-34.

READ—

Letter No. R. O. C. 203 of 34-35, dated the 1st October 1934, from the Director of Agriculture in Mysore, forwarding the Administration Report of the Live Stock Section for the year 1933-34 with his review thereon.

ORDER No. D. 4355-4435—L. & A. 15-34-3, DATED BANGALORE, THE 10TH JANUARY 1935.

Recorded.

2. Lieutenant A. A. Monteiro continued to be in charge of the Live Stock Section during the year under report.

3. One more Amrit Mahal herd was disbanded and the abolition of the Tiptur Range was completed during the year. Since the amalgamation of the Amrit Mahal Department with the Live Stock Section, the number of herds was reduced from 19 to 10 and the number of ranges from five to three, resulting in a reduction of expenditure to the extent of Rs. 8,700 per annum. The releasing of Karadigere Kaval in Gubbi Taluk has since been sanctioned and this is expected to result in a further reduction in expenditure to the extent of Rs. 430 a year. Sufficient grazing was available in the maidan kavals of all the ranges. The strength of animals at the commencement of the year was 3,321. A stock of 277 cattle which was under the management of the Forest Department as an experimental measure, was re-transferred to the Live Stock Section in July 1933 and the total strength of the Departmental herds was 3,364 at the close of the year. The value of animals sold in the year was Rs. 12,501. The number of breeding bulls sold to Village Panchayets was only 22 which is not satisfactory. Every effort should be made to popularise the use of these bulls in rural areas and increase the sales in the coming years. A recommendation has been received for reducing the price of these bulls and is under consideration.

4. *Demand, Collection and Balance.*—The total demand for the year including the balance of Rs. 48,278-9-5 at the beginning of the year, amounted to Rs. 84,209-7-5, out of which a sum of Rs. 34,582-9-0 was collected leaving a balance of Rs. 46,626-14-5 still to be recovered. All possible efforts should be made to collect these heavy arrears. A sum of Rs. 5,000 is said to be due from some of the District Boards and another sum of Rs. 1,035 is said to be pending adjustment from the Assistant Director of Agriculture of the Mandya Circle. Both these should be adjusted at once.

5. *Contagious Diseases.*—The mortality from contagious diseases during the year is reported to be the lowest on record. The total number of deaths from all diseases was 324 against 392 in the previous year. The death-rate was 9·3 against 10 per cent in the previous year. There was an outbreak of Foot and Mouth disease in two herds at Holalkere and Hassan Ranges and one animal died of the disease in each of the two herds. Six hundred and forty-three head of cattle that were born in the herds subsequent to the protection of the herds by the serum simultaneous method of inoculation in previous years, were protected with goat virus inoculation

and 120 head of cattle were protected against the black-quarter. The condition of the animals is said to be quite normal and healthy after the virus tests.

6. *Surrender of Kaval Lands.*—The total area of Amrit Mahal Kaval lands that was surrendered to the Revenue Department during the year was 1,993 acres and 7 guntas and about 539 acres and 2 guntas were re-surrendered to the section. An extent of 2,809 acres and 29 guntas of kaval land was leased out for temporary cultivation during the year against 3,207 acres and 30 guntas in the previous year; the decrease being due to the surrender of kavals to the Revenue Department and the leasing of land under the Aided Cattle Breeding Scheme.

7. *Aided Cattle Breeding.*—The total strength of cattle with the eight breeders was 1,060 at the beginning of the year. There were 311 births in their herds and 134 deaths. The birth and death-rates were 41·5 per cent and 11·1 per cent, respectively. The strength of all the eight herds at the close of the year was 1,202, which are reported to have been inspected and mustered during the year and found to be in good condition. One hundred and thirty-four animals of the aided cattle breeders were inoculated against black-quarter and 78 with goat virus.

8. *Cattle Breeding Station.*—The total strength of the cattle at the main and sub-stations at the end of the year was 1,137 against 873 at the commencement. The birth-rate of calves in the stations was 66 per cent against 52·6 in the previous year. It is reported that there has been a steady rise in the percentage of births during the past four years, which is due to the management under domesticated conditions on the Farm and to the culling of uneconomical cows. Ninety-three out of 211 calves born during the year are reported to be the progeny of Hallikar bulls and they are said to be decidedly superior in shape, facial expression and fineness of coat when compared to the progeny of the Amrit Mahal bulls. Twenty-two pairs of bullocks valued at Rs. 2,520 were transferred from the Cattle Breeding Station to the various Government Farms.

9. *Hebbal Dairy.*—The Hebbal Dairy continued to work as an annexure to the Agricultural School for purposes of instruction in Dairying. The strength of the Dairy at the close of the year was 44 against 37 at the commencement. The average number of milking cows was 7·08 or 16·1 per cent of the total herd against 18·65 per cent of the total herd in the previous year. The total milk yield for the year was 16,826 lbs. against 17,568 lbs. in the previous year, the decrease being mainly due to Foot and Mouth disease. The average milk yield per head per day was 3·84 lbs. against 4·37 lbs. in the previous year. The maximum yield of Hallikar and Amrit Mahal cows per lactation was 3,117 lbs. and 1,694 lbs. respectively. The longest lactation period among the Hallikar cows was 274 days and that among the Amrit Mahal cows was 258 days. The breeding bulls attached to the Dairy were made available for service to the cows of the neighbouring villages and 88 such cows were served during the year.

10. *Sheep Farms.*—Three Merino rams and three Merino ewes were imported during the year and all the three rams functioned. Attempts were made to adopt artificial means of insemination for making better use of the Merino rams and part of the necessary outfit for the purpose was got out from London after the close of the year and the methods are expected to be tried in the current year. The results of the experiment will be awaited with interest. In spite of all that is being done for the improvement of stock by the introduction of the Merino rams, it is felt that the progress achieved so far is not commensurate with the trouble and expense involved. Government have therefore requested the Director of Agriculture to study the whole question and submit a detailed report as to what steps should be taken to improve the local breed of sheep so as to yield the best possible results and his report is awaited.

11. *Kolar Sheep Breeders' Association.*—The total strength of the Association at the close of the year was 203 against 192 in the previous year. Fifteen cross bred rams and seven cross bred ewes were distributed by the Association during the year. Ninethousand six hundred and six sheep were machine-shorn during the year against 7,479 in the previous year. Shearing demonstrations were held in some of the villages of the Sira Taluk. The rates for wool of all grades continued to be low. The Association sold 733 pounds of cross bred wool, 1,700 pounds of local white wool, and 1,719 pounds of local mixed wool during the year. Some of the cross bred and local wool was used for the manufacture of blankets, coatings, rugs,

carpets and other miscellaneous articles numbering 100 in all. They are exhibited at the All-India Industrial and Agricultural Exhibition held at Mysore where the Association was awarded a gold medal for the articles. The District Board, Kolar, granted a subvention of Rs. 300 to the Association and a portion of this sum was utilised for constructing dipping tanks in four centres.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

FINANCIAL SECRETARIAT

Prescribes the Budget Calendar for 1935-36.

ORDER NO. FL. 5871-930—G. F. 237-34-1, DATED BANGALORE,
23RD JANUARY 1935.

The attached Calendar for regulating the Budget Work for 1935-36 is approved. The object with which an interval of fourteen and twenty-nine days is allowed for items Nos. 3 and 14, respectively, in the Calendar is to secure an even flow of work in the Comptroller's Office and in the Secretariat and to avoid rush of work at the last moment. All officers handling budget papers are requested not to take up the entire interval but to strictly adhere to the dates fixed.

All estimates require to be framed with the greatest possible care. Those relating to revenue receipt heads should aim at producing the best result and at forecasting the realizable result as closely as possible; and those relating to expenditure heads, revenue and capital should be limited to absolutely minimum requirements.

3. *No new charge of any kind and no provision for unsanctioned items should be proposed for inclusion in the expenditure estimates.* The attention of all Heads of Departments is invited to this instruction with a view to its being strictly followed in the preparation and submission of their budget proposals.

4. Sanctions which have not been communicated to the Audit Office on or before the 31st January 1935 need not be taken into account in framing expenditure estimates.

5. The Chief Engineer and Muzrai Commissioner are requested to take timely action to have the detailed estimates of the Irrigation Cess Fund and General Muzrai Fund (respectively) sanctioned and transmitted as indicated in item 21 of the Calendar to the Superintendent, Government Printing, for being printed and supplied to the Members of the Representative Assembly and Legislative Council.

6. The Agent and the Secretary, Mysore Railways, are requested to have the Authorization Rolls and the Capital Budget Estimates sent through the Comptroller to the Financial Department with the remarks of the Auditor for being dealt with in the same manner as the estimates of other Departments.

7. The Superintendent, Government Printing, is requested to treat all budget work as urgent and co-operate with the Comptroller in arranging for the issue of the different editions of the Budget on the due dates.

8. As provided in item 24 of the Calendar, action will be taken by the Finance Department to communicate informally to the Departments concerned their Budget allotments as soon as they are provisionally fixed with a view to enable the Departments to draw up without delay a suitable programme of work for the coming year and systematise their departmental operations.

S. SHAMANNA,
Financial Secretary to Government.

CALENDAR FOR BUDGET WORK, 1935-36.

PART I.

By 15th February 1935.

Preparation by Heads of Departments of Appendices B, C and D—Details of Estimates of Expenditure on Salaries, Establishments and Allowances (Appendix B), Grants-in-aid (Appendix C) and Scholarships (Appendix D).

15th February to 1st March 1935.

2. Preparation of above Appendices by Comptroller and their transmission to Departmental Officers.

20th February to 5th March 1935.

3. Return of above Appendices by Departmental Officers to Comptroller with remarks regarding changes, if any, required according to current sanctions, copies of statements of alterations proposed being sent simultaneously to Government in the respective Secretariats.

23rd February to 7th March 1935.

4. Submission of above Appendices to Government by Comptroller with notes indicating points, if any, for orders.

NOTE.—The above Appendices relating to the Electrical and Education Departments will be submitted after verification by the Financial Assistants to Government through the Comptroller.

27th February to 12th March 1935.

5. Communication by Government of Orders on points referred to under item No. 4.

By 13th March 1935.

6. Submission by Departmental Officers to Comptroller and to Administrative Departments of Government of detailed estimates under all Heads of Revenue with reference to eight months' actuals with Statements of D. C.B. in Form—Appendix A in the case of Land Revenue, Excise and Income-tax.

NOTE.—The estimates of gross revenue under the following heads will be dealt with at this stage:—

II. Forest.—I. Sandal Oil.
XXV. Krishnarajasagara Hydro-Electric and Irrigation Works.
XXIV. Railways.
XXVIII. Kolar Gold Fields Water Works.
XXX. Sri Chamarajendra Water Works.

For XXVII. Iron Works and XXIX Industrial Works, however, total estimates working from Opening Balance to Closing Balance will be required.

15th to 28th March 1935.

7. Submission to Government by Comptroller with Budget Notes of above Revenue Estimates as also the Estimates under IX. Interest and XI. Pensions and Allowances.

18th March to 2nd April 1935.

8. Return to Comptroller of Revenue Estimates by Government with orders.

By 28th March 1935.

9. Completion by Heads of Departments of Estimates of Expenditure other than Appendices, B, C and D.

1st to 30th April 1935.

10. Preparation by Comptroller of Expenditure Estimates (including Advances and Loans) other than Appendices B, C and D based on eight months' actuals and their transmission to Departmental Officers.

2nd April 1935.

11. Receipt from Subordinate Departmental Officers by :—

(1) The Chief Engineer, of expenditure estimates other than for Establishments.

(2) The Chief Electrical Engineer, of estimates of Revenue expenditure other than Establishments, of Capital (including Stores) and of Depreciation Fund Works ; and

(3) The Chief Engineer, Krishnarajasagara, of estimates chargeable to Revenue (other than Establishments) and to Capital.

3rd April 1935.

12. Transmission to Comptroller of Public Works and Electrical Works Estimates for items other than Establishments, by Chief Engineer, Chief Electrical Engineer and Chief Engineer, Krishnarajasagara and the Director of Health.

3rd April 1935.

13. Transmission to Comptroller by :—

(1) The Agent, Mysore Railways, of Authorization Rolls and estimates of works chargeable to Capital (including Stores) and Depreciation Fund. (Through Auditor.)

NOTES.—The Authorization Rolls to be verified by the Auditor and sanction of Government in the Finance Department, obtained for all items disallowed as uncovered by sanctions.

(2) The Railway Secretary, of Capital and Revenue Expenditure Estimates of the Railways worked by M. and S. M. Railway Company. (Through Auditor.)

(3) The General Manager, Iron Works, of estimates of Capital Works.

(4) The Director, Sandal Oil Factory, of estimates of Capital and Depreciation Fund Works.

(5) The Director, Industries and Commerce, of estimates of Capital Works of concerns worked by the Department.

(6) The Director of Health, of estimates of Capital and Depreciation Fund Works of the Kolar Gold Fields Water Works.

5th April to 3rd May 1935.

14. Return with remarks by Departmental Officers of Comptroller's Budget Estimates of Expenditure other than charges included in the Appendices B, C and D, copies of statements of alterations proposed being sent simultaneously to Government in the respective Secretariats. The Departmental Officers should use only the forms supplied by the Comptroller for proposing alterations required.

10th April to 8th May 1935.

15. Transmission to Financial Secretariat, of statements of alterations (with reasons) proposed by the respective Secretariats with reference to estimates referred to under item No. 14.

8th April to 7th May 1935.

16. Submission by Comptroller to Finance Department, of Expenditure estimates other than Appendices B, C and D, revised with reference to remarks of Departmental Officers, with Budget Notes and statements of points for orders.

11th April to 10th May 1935.

17. Return of above by Government to Comptroller with provisional orders and communication of such orders to respective Secretariats.

14th May 1935.

18 Submission of Group and Major Head abstracts by Comptroller to Government.

17th May 1935.

19. Submission by Comptroller, of Group and Major Head Abstracts incorporating orders under item No. 17 with a General Note and Ways and Means estimate.

21st May 1935.

20. Communication to Comptroller, of orders on consolidated Budget Estimates.

28th May 1935.

21. Transmission to the Superintendent, Government Printing, Bangalore, by:—

(2) The Chief Engineer, of the copies of the Budget Estimate of Irrigation Cess Fund sanctioned by Government (English and Kannada).

(2) The Muzrai Commissioner, of the copies of the Budget Estimate of the General Muzrai Fund sanctioned by Government (English and Kannada).

(3) The Agent, Mysore Railways, of the Authorization Rolls and Detailed Capital Budget Estimates (including Stores) of the Railway Department (English and Kannada).

29th May 1935.

22. Despatch of copies of Provisional Budget Estimates with Explanatory memorandum to Members of Finance and Taxation Committee and Heads of Departments.

1st June 1935.

23. Despatch of copies of Provisional Budget Estimates (together with the Budget Estimates of Irrigation Cess Fund, General Muzrai Fund), Railway Authorization Rolls and Detailed Capital Budget Estimates of the Railway Department (English and Kannada) to Members of the Representative Assembly and the Legislative Council.

3rd June 1935.

24. Communication by Financial Department to Heads of Departments provisional sanctions of their Budget allotments.

5th and 6th June 1935.

25. Meeting of the Finance and Taxation Committee.

13th June 1935.

26. Commencement of the Representative Assembly.

14th to 17th June 1935.

27. Discussion of Budget and resolutions on Budget by Representative Assembly.

24th to 29th June 1935.

28. Budget discussion and voting of grants by Legislative Council.

29th June 1935.

29. Final orders by Government, communicating grants (voted) as passed, by Legislative Council with restorations, if any, and grants (non-voted) sanctioned by Government.

Reviews the report of the Comptroller on the operations of the three and a half per cent 1951-58 Loan.

READ—

Government Notification No. Fl. 3395—G. F. 144-34-2, dated 10th October 1934, inviting subscriptions for a three and a half per cent cash loan of rupees fifty lakhs issued at par.

2. Letter No. 1898—S. L., dated 20th December 1934, from the Comptroller to Government, submitting his final report on the operations of the above loan.

ORDER NO. FL. 6129-88—G. F. 114-34-8, DATED BANGALORE, THE 28TH JANUARY 1935.

Recorded.

2. This loan was raised with a view to provide the funds required for the discharge of the Four Per Cent Mysore Railway Sterling Debenture Loan of £1,200,000 in excess of the value of investments held in the Sinking Fund formed for the purpose. The employees of Government were allowed to subscribe to the loan under an Advance Scheme.

3. The loan has been a great success. The subscriptions on the opening day itself, *viz.*, 15th October 1934, having come to about Rs. 138 lakhs, the loan list was closed that day and partial allotment was arranged for, limiting the total subscriptions to Rs. 50 lakhs. There were in all 207 applications, of which 27 applications for Rs. 21,700 were from Government servants under the Advance Scheme. The latter were accepted in full.

4. Government note that all the operations connected with the loan was conducted satisfactorily in the Comptroller's Office, Government Press and the Treasuries and that the Bank of Mysore and the Imperial Bank readily co-operated with the Comptroller in the several stages of work.

S. SHAMANNA,
Financial Secretary to Government.

PUBLIC WORKS SECRETARIAT

Passes orders regarding the supply of water under the Vani Vilas Sagara during the summer of 1935.

(1) G. O. No. 1261-66—S., dated the 8th January 1934, passing orders on the regulation of water-supply under the Vani Vilas Sagara.

(2) Letter No. C. 2198—34-35, dated the 4th January 1935, from the Revenue Commissioner in Mysore, stating that the supply of water during the summer of 1935 for the Vaisakhi paddy may be llowed.

ORDER NO. 1384-91—S., DATED BANGALORE, THE 24TH ANUARY 1935.

The recommendation of the Revenue Commissioner to give continuous summer supply under the Vani Vilas Sagara is approved under the special circumstances of this year, the extra rate of assessment of Re. 1 per acre being levied on the lands on which Vaisakhi paddy is raised.

2. The Chief Engineer is requested to examine the question whether the grant of continuous supply every year for paddy cultivation during summer will not seriously affect the storage in the reservoir and prove harmful to the growth of garden crops, and submit a report for the orders of Government.

N. N. AYYANGAR,
Secretary to Government,
Public Works Department.

BANGALORE, THURSDAY, FEBRUARY 7, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the administration of Civil Justice during the year 1933-34.

READ —

Report on the administration of Civil Justice in Mysore, for the year 1933-34, received from the Registrar, High Court, with his letter dated 13th October 1934.

ORDER NO. P. 3939—CTS. 74-34-3, DATED BANGALORE,
THE 2ND—4TH FEBRUARY 1935.

Recorded.

2. *Number of Courts.*—The total number of Courts on the last day of the year under review was 39 as against 37 in the previous year. The temporary Additional District Judge's Court, Bangalore, has been continued till the commencement of the summer vacation of 1935. The First Class Magistrates at Kolar, Chitaldrug and Hassan continue to be Additional Subordinate Judges and they were empowered during the year to entertain Civil appeals direct.

The Special First Class Magistrate, Closepet, has been appointed from 15th March 1934 as Additional Munsiff in order to give relief to the Munsiff, Closepet. A temporary Additional Munsiff was appointed in Shimoga for one year from 1st December 1933 to relieve the congestion in the Shimoga Court and his term has since been continued for another year.

Original Work.—The total number of suits instituted in the State during the year was 37,780 suits as against 43,783 in the year 1932-33. The decrease in institutions is partly due to the general depression in trade, and possibly also to the extension of the Agriculturists' Relief Regulation during the course of the year to the whole State. The institutions work out to one suit for every 170 persons. The average value of each suit was slightly greater in the year under review, being Rs. 218 as against Rs. 212 in the previous year. Out of the total number of 58,812 suits pending disposal, 41,755 were disposed of as against 44,984 in the previous year. Though the disposals have exceeded the institutions by 3,975 suits for all courts, the disposals are less than in the previous year, and nearly half the number of ordinary suits left pending at the end of the year in the District Courts and the Subordinate Judge's Courts are of more than two years in duration. It is hoped that greater attention will be paid to the early disposal of the old suits. Out of the ordinary suits and small causes disposed of, 37·01 per cent and 17·7 per cent respectively, were disposed of after contest.

There has been an improvement in the disposals of old suits, 57 per cent as against 50·2 of ordinary suits, and 86·7 per cent as against 82·6 of small causes having been disposed of. But there are still 2,407 ordinary suits and 102 small causes of the years 1931-32 and previous years remaining undisposed of. Government trust that every effort will be made to dispose of the long pending cases.

The average duration of suits disposed of was 225 days as against 174 in the previous year, that in the case of contested disposals being 481 days. The existence of long pending cases awaiting disposal is responsible for the high average duration and with continued efforts that are being made towards their disposal, the average duration will, it is hoped, be brought to a normal position.

Pendency of suits has decreased from 20,224 to 17,057 and the reduction has been general in all classes of courts. Pendency is high in the Munsiffs' Courts of Nanjangud, Tumkur, Madhugiri and Sagar.

Appellate Work of Subordinate Courts.—The total number of regular appeals filed during the year including those re-filed was 1,023. Out of a total number of 2,660 appeals for disposal, 1,326 appeals as against 1,064 in the previous year were disposed of, leaving 1,334 appeals pending at the close of the year as against 1,595 at the end of the previous year. While it is gratifying to note that the disposals have been higher than in the previous year with a consequent decrease in the pendency, the pending file is still heavy especially in the Bangalore Division. It is hoped that every effort will be made to reduce the pendency and attention given to the disposal of appeals pending for long.

High Court.—The number of first appeals and of second appeals filed in the High Court during the year was 74 and 236, respectively. The total number for disposal was 301 first appeals, and 651 second appeals. Of these, 67 first appeals and 163 second appeals were disposed of. The disposals of first and second appeals have been less than in 1932-33, and pendency has increased. The disposals under miscellaneous appeals, civil revision petitions and civil petitions have been greater than in the previous year. The average duration of first and second appeals disposed of was 997·3 days and 536·29 days, respectively. Seventy-one per cent out of the first appeals and 68 per cent of second appeals disposed of were over one year old. Ninety-four first appeals and 166 second appeals on the pending file relate to the years 1931-32 and earlier.

Inspections.—The Chief Justice inspected the Courts in the Mysore Division except the Munsiffs' Courts at Hassan and Hole-Narsipur. The District Judges inspected all the other courts in their respective jurisdictions excepting the Small Cause Court, Bangalore.

The Government note that the High Court is taking special measures to expedite the disposal of suits.

R. RANGA RAO,
Chief Secretary to Government.

Reviews the administration of Criminal Justice during the year 1933-34.

READ—

Report on the Administration of Criminal Justice in Mysore, during the year 1933-34, received from the Registrar, High Court, with his letter No. P. 38—33-34, dated 13th November 1934.

ORDER No. P. 3940-48—CTS. 89-34-3, DATED BANGALORE, THE 1ST—4TH FEBRUARY 1935.

Recorded.

2. *Number of Courts.*—Excluding the Courts of *ex-officio* Magistrates, the number of courts exercising original jurisdiction on the last day of the year under review was 67 against 72 in the previous year. Four Bench Courts were abolished. A Second City Magistrate's Court was established at Bangalore temporarily for one year from 2nd January 1934 to deal with the cases arising in the Bangalore City under the Municipal Regulation and also to give relief to the City Magistrate, Bangalore. The continuance of this Court for another year has been sanctioned. The Special Second Class Magistrate's Court, Saklespur, was abolished and its work transferred to the Sub-Division Officer and *ex-officio* Magistrate, Saklespur. The temporary Additional District and Sessions Court, Bangalore, was continued for another year.

3. *Offences Reported.*—The total number of offences reported was 24,270 as against 27,096 in the previous year. The number of offences returned as true was 23,362 as against 21,126 last year. Including 10,460 persons awaiting trial at the end of the previous year, the total number of persons brought to trial was 42,875 against 46,291 in the previous year. Of these, the cases of 34,297 as against those of 33,823 in the previous year were disposed of, the percentage of disposals being 79·9 against 77·3. But the number of cases disposed of was less than that in the previous year, *viz.*, 21,570 against 22,288. 44·8 per cent of the persons whose cases were disposed of were convicted and 51·3 acquitted or discharged. The number of cases disposed of by the District Magistrates and Stipendiary Magistrates was more than in the previous year while that disposed of by the Bench Courts was less owing to the decrease in the number of Bench Courts working in the State. At the end of the year, 3,591 cases involving 8,518 persons were pending as against 4,576 cases involving 10,417 persons at the end of the previous year. While it is satisfactory to note that the pendency has decreased, it is not satisfactory that so many as 522 cases should be pending for over six months in the courts of Special Magistrates. Government would like to impress upon the District Magistrates the importance of their exercising closer supervision over the work of the Special Magistrates so as to ensure promptness in disposal. They must see that no case is allowed to drag on for over six months unless it be for unavoidable causes. The average duration of criminal cases disposed of in the Courts of District Magistrates, Stipendiary Magistrates and Bench Magistrates are respectively 49·3 days, 53·6 days and 39·7 days against 66·7, 52·6 and 66·1 in the previous year. Two persons were sentenced to death in one of which the sentence was commuted by the High Court to transportation for life. Eighty-two per cent of the persons imprisoned were sentenced to six months and under, of which the number sentenced to 15 days and under was 624. The number of persons dealt with under Section 562, Criminal Procedure Code was less during the year than in the previous year.

84·9 per cent of the witnesses who appeared before the Courts of Magistrates were examined and no witness was detained for more than three days in any of the Courts.

The scheme of itineration of Magistrates is reported by a large majority of District Magistrates to be working satisfactorily.

Sessions Work.—Including 17 Sessions cases pending from the previous year, there were for disposal 137 cases involving 381 persons against 111 cases involving 229 persons in the previous year. Of these, 113 cases involving 322 persons were disposed of against 94 cases involving 186 persons in the previous year. The number of cases tried by Jury was 18 and that of cases tried with the aid of Assessors

78. The average duration of cases disposed of increased from 40·3 days to 49·5 days, that in the Mysore Division having appreciably increased from 39·5 to 55·9.

Appeals.—The Appellate Courts subordinate to the High Court had to deal with 819 regular appeals of 1,747 persons against 739 appeals of 1,155 persons in the previous year. Of these, 218 appeals were before Magistrates and 601 before Sessions Judges. The number of appeals disposed of by Sessions Judges was 465 involving 695 persons and that by Magistrates 191 involving 365 persons. In spite of increased disposal by Sessions Judges, the pending file of appeals has increased. The average duration of appeals disposed of decreased from 75·7 days to 69·1 in the Sessions Courts and from 37·7 days to 30·5 days in the Magistrates' Courts.

High Court.—There was an increase in the number of appeals filed in the High Court from 56 to 76. Out of 119 appeals for disposal, 70 were disposed of leaving 49 pending at the end of the year. Out of the appeals of 98 convicted persons, the convictions of 68 persons were upheld and in the case of 24 persons, the sentences were reduced or altered. In the case of 5 persons, the convictions were reversed. The average duration of appeals disposed of rose from 149·83 days to 192·98. Besides these appeals, there were for disposal 80 revision cases and 591 revision petitions of which 58 cases and 319 petitions were disposed of.

Inspections.—All the Courts of Special Magistrates were inspected by the District Magistrates concerned. The Chief Justice inspected the Courts of the District Magistrate, City Magistrate and Special First Class Magistrate of Mysore, and the Courts of the First Class Magistrates at Nanjangud, French-Rocks and Mandya.

Government note that the High Court is taking special measures to expedite the disposal of Criminal Cases.

R. RANGA RAO,
Chief Secretary to Government.

Reviews the report on the Administration of the Police Department for the year 1933-34.

READ—

Letter No. C2. 3—34-35, dated 13th October 1934, from the Officiating Inspector-General of Police, forwarding the report on the Administration of the Police Department for the year 1933-34.

ORDER NO. P. 3895-906—POL. 61-34-3, DATED BANGALORE,
THE 30TH JANUARY—2ND FEBRUARY 1935.

Mr. F. A. Hamilton, C.I.E., continued to be in charge of the Department till the 19th June 1934, when he proceeded on four months leave. From that date to the end of the year, Mr. K. V. Anantaraman was in charge.

A batch of ten probationers for the Sub-Inspector's Cadre was recruited during the year. Government are glad to note that on account of the improvement recently effected in the prospects of the police force, the constabulary is attracting a better type of men. It is reported that out of 334 men recruited, 1 was a graduate, 2 had passed the Intermediate Examination, 26 were holders of the Secondary School Leaving Certificate, 77 had passed the Lower Secondary Examination and that all the rest were literate enough to maintain note books.

2. *Cognizable offences.*—The number of cases of cognizable crime which rose from 10,578 in 1931-32 to 14,376 in 1932-33 increased further to 15,417. Grave crime under all classes also showed an increase. The causes that contributed to show this increase of crime were, as in the last year, better reporting and registration of crime and the general economic depression. The number of true cases showed a corresponding increase from 12,504 to 13,140. The number of cases dealt with, including those pending at the beginning of the year rose from 17,985 to 19,642. The number of cases in which investigation was refused was 703, that

of those which were either false or due to mistake of law or non-cognizable was 1,329, not detected 1,285, struck off on "A" form 233, withdrawn 159, transferred 89, and compounded 104. Of the remaining 15,740 cases, 9,618 cases ended in conviction and 1,553 cases in acquittal or discharge, leaving 4,589 cases pending at the end of year as against 4,225 cases pending at the end of the year 1932-33. The percentage of cases in which investigation was refused to the number of cases reported was 4·5 as against 4·8 and the percentage of convictions (9,618) to cases decided (11,271) was 85 as against 87 in the year 1932-33.

3. *Offences against the State, Public Tranquillity, etc.*—The total number of these cases was 179 including those pending with the police as against 184 in 1932-33. Of these, 150 were found to be true cases. The number of cases that ended in conviction was 96. Under rioting or unlawful assembly, the number of cases reported decreased from 98 to 85. Cases reported under offences relating to coins and currency showed a tendency to increase, being ten as against six in the year 1932-33 and those ending in conviction were three. There was no disturbance of a serious character anywhere in the State.

4. *Serious offences against persons.*—The number of such cases dealt with including those pending at the beginning of the year rose from 1,160 in the year 1932-33 to 1,274, of which 249 cases ended in conviction. The percentage of conviction to true cases (524) was 47·5 as compared with 39·11 in the year before. Under murder, culpable homicide and attempt at murder the number of cases reported during the year increased from 101 to 120, the percentage of convictions to true cases (90) being 51 as against 44·68.

5. *Kidnapping, abduction, selling for prostitution, etc.*—The number of such offences reported rose from 56 to 102. This large increase requires explanation.

6. *Dacoity, robbery, house-breaking and theft.*—Cases reported under these heads also showed an increase. Under dacoity, the number rose from 22 to 29, the percentage of convictions to true cases, being 21·5 as against 40. Cases of robbery also showed a rise being 100 as against 62, the percentage of convictions to true cases being 39·5 as against 34·3. Under theft the number of cases reported rose from 2,723 to 3,169, the percentage of convictions to true cases being 40·9 as against 40·7. Cases of house-breaking also showed an increase to 1,651 from 1,597, the percentage of convictions to true cases being 25 against 28·6.

7. *Recovery of stolen property.*—Property of the value of Rs. 2,68,975-12-10 was lost in 3,811 cases during the year under review against Rs. 2,51,487-8-5 in the year 1932-33. Property of the value of Rs. 1,21,552-4-1 was recovered in 2,228 cases as against Rs. 97,961-8-5 in 1,725 cases. The percentage of property recovered to that lost was 45·1 as against 38·9.

8. *Preventive action under Section 565 of the Criminal Procedure Code.*—The number of persons ordered to notify their residence under Section 565 of the Criminal Procedure Code was 56 as against 44 in 1932-33.

9. *Infant Marriage Prevention Regulation.*—Two cases were reported and were under investigation as against three in 1932-33.

10. *Juvenile smoking.*—The number of cases detected was 344 as against 291 in 1932-33. Only four cases were put up under the Regulation and all of them ended in conviction. In the remaining cases, steps were taken to warn the parents concerned.

11. *Criminal Tribes Regulation.*—During the year under review, the prosecutions under this Regulation decreased to 221 (involving 152 persons) from 267 cases (involving 184 persons). The number of cases ending in conviction was 125 against 164; 6 cases (involving 5 persons) ended in discharge or acquittal against 6 cases (involving 8 persons). The lists of members of criminal tribes were revised in the light of the present activities, habits and propensities of each individual and 832 members were eliminated from the register.

12. *Motor Vehicles Regulation.*—There was a rise in the number of motor buses plying for hire in the mofussil, being 947 as against 637 in the previous year. The number of vehicles registered during the year increased from 637 to 1,034. While accidents caused by motor vehicles numbered 117 as against 99, the number of those attended by loss of life decreased to 13 from 30. The number of convictions for rash and negligent driving was 10, for driving without license 71, for

driving at high speed nil, for infringement of conditions of permit 463 and for miscellaneous violation of rules 144, against 29, 57, 30, 236 and 468, respectively.

13. *Cinematograph Regulation.*—There were 16 Cinema Theatres as against 18 and 859 certificates were issued by the Boards, the fee realised being Rs. 3,907 against Rs. 5,596 in the previous year.

14. *Inspections.*—The inspection work of the officers of the Department was satisfactory.

15. *Cost of the Department.*—The strength of the permanent force on the last day of the year was 954 officers and 5,485 men and the cost of the Department was Rs. 18,61,998-7-10 as against Rs. 18,13,057-5-4.

16. *Recruitment and Training.*—Recruitment of men continued to be easy throughout the State. Training was given in the Police Training School to 34 officers and 320 men during the year, and out of them 81 men were under training at the close of the year.

17. The number of cases referred by Magistrates to the Police under Section 202, Cr. P. C. was 220, being the same as in the previous year. It has been brought to notice that the number of cases referred to the Police under Section 156, Cr. P. C. was on the increase again. The District Magistrates should take necessary steps to discourage this practice.

18. The number of cases pending on Magistrates' files has further increased from 2,546 to 2,650. It has to be reiterated that such delays are detrimental to public interests and police work.

Government are glad to note that the administration of the Department was satisfactory.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Eighth Quinquennial Census of Agricultural Stock in Mysore.

READ—

Government Order No. R. 3432-91—R. M. 71-33-7, dated the 16th January 1935, directing that the eighth Quinquennial Census of Agricultural Stock in Mysore be taken up between the 10th and 17th February 1935.

2. Letter No. C. 2783 of 1934-35, dated the 28th January 1935, from the Revenue Commissioner, recommending that the above census may be permitted to be taken between the 22nd and 25th February 1935, in the Taluks of Kortagere, Madhugiri, Tumkur and Gubbi, as it would be inconvenient to take it on the dates notified on account of the Jatra at Kyamenahalli in Kortagere Taluk from the 8th to 20th idem.

ORDER NO. R. 3769-72—R. M. 71-33-17, DATED BANGALORE,
THE 31ST JANUARY 1935.

The recommendation of the Revenue Commissioner is approved.

S. ABDUL WAJID,
Secretary to Government,

Sanctions the proposals of the Officiating Revenue Commissioner regarding Urgent Measures of Relief in certain villages of Bagepalli and Goribidnur Taluks and Gudibanda Sub-Taluk.

READ—

Letter No. C. 1026—34-35, dated 29th January 1935, from the Officiating Revenue Commissioner in Mysore, submitting a report on the seasonal conditions prevailing in the Bagepalli and Goribidnur Taluks and the Gudibanda Sub-Taluk with proposals for certain relief measures to be undertaken in connection with the same.

ORDER NO. R. 13809-12—L. R. 231-34-2, DATED BANGALORE, THE 6TH FEBRUARY 1935.

The Officiating Revenue Commissioner reports that the agricultural conditions and prospects of 70 villages in Bagepalli Taluk, 22 villages in Gudibanda Sub-Taluk, and a few villages in Goribidnur Taluk are unsatisfactory and recommends the following urgent measures of relief:—

(1) *Loans.*—The Revenue Commissioner states that, out of the allotment at his disposal, a sum of Rs. 5,000 has been placed at the disposal of the Deputy Commissioner of Kolar, for the grant of Takavi loans for fodder and subsistence in the parts affected. He requests that sanction may be accorded for the utilisation of Rs. 3,000 out of this sum for the grant of subsistence loans at the rate of Rs. 3 a month for at least four months to village servants like Thotis, Talaris and Nirgantis in the affected area. Government approve of this proposal and are pleased to direct that these subsistence loans be granted in cases where there is absolute necessity for the same.

(2) *Advance for Tank Maintenance Works.*—The Revenue Commissioner suggests the grant of an additional allotment of Rs. 10,000 to be given as advance for the execution of tank maintenance works. He also recommends that such advance may be recovered in ten annual instalments, and that the execution of the works may be entrusted to the village officers or other raiyats in the villages concerned instead of to professional contractors subject to the condition that they should employ local labour as far as possible. The grant recommended is sanctioned and the Chief Engineer is requested to issue instructions to the subordinate engineering staff on the lines indicated by the Revenue Commissioner.

(3) *Suspension of Miscellaneous Demands.*—The Revenue Commissioner recommends that the recovery of the marginally noted miscellaneous demands in Bagepalli Taluk, aggregating Rs. 93,361 be suspended during the current year. Sanction is accorded to this recommendation.

		Rs.
1.	Loans, Takavi	3,576
2.	Land Improvement	5,146
3.	30(b) Tank Restoration Contributions ...	18,279
4.	22(e) Tank Maintenance Advances	3,032
5.	Record of Rights	46,754
6.	Village Panchayets	16,574
	Total ...	93,361

(4) *Road Works to Provide Labour.*—It is proposed that in order to provide labour to people in the affected tracts in the Bagepalli Taluk, the marginally noted road works suggested by the Deputy Commissioner may be taken up and that they may be financed out of panchayet funds supplemented by grants-in-aid from Government. It is also suggested that, in cases in which the panchayets are not able to find their share, the required amount may be given to them as a loan and requests that a sum of Rs. 10,000 may be sanctioned for granting loans to such panchayets and another sum of Rs. 10,000 for giving grants-in-aid. Government are pleased to sanction these grants. The works should be got executed by the Village Panchayets under the supervision of the Sub-Overseer now working under the Amildar. If necessary, an additional Sub-Overseer may be employed for the purpose.

1. Improvement of the cart-track from Gulur to Margankunte, and on to Kothakote and Krishnapur up to the boundary.
2. Gulur-Thimmapalli-Maddepalli-Tholapalli and on to Pathapalya.
3. Pathapalya-Billur-Tasecheruvu-Chakavel-Puligal and on to Chelur.
4. Pathapalya, Naremuddepalli and Puligal.
5. The improvement of the road from Bagepalli to Gudibanda *via* Kadenahalli, Nuligumba, Yerrahatti, Gyadralahalli and Garakapalli.

The other proposals of the Revenue Commissioner are reserved for separate consideration and orders.

A demand for the additional grants sanctioned above will be placed before the Legislative Council at its next session.

S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT.

Reviews the Administration Report of the Department of Mines and Explosives in Mysore for the year 1933-34.

READ—

Letter No. 520, dated the 15th September 1934, from the Chief Inspector of Mines and Explosives in Mysore, forwarding the Administration Report of the Department of Mines and Explosives for the year 1933-34.

ORDER NO. D. 4834-46—GEOL. 32-34-3, DATED BANGALORE, THE 29TH JANUARY 1935.

Recorded.

2. Mr. C. E. Suryanarayana Rao continued to be in charge of the Department during the year under review. The administration of the Mysore Petroleum Regulation and the Rules thereunder which vested in the Director of Industries and Commerce since 1924-25, was re-transferred to the Chief Inspector of Mines and his designation was changed to "Chief Inspector of Mines and Explosives in Mysore" in view of the combined duties devolving on him.

3. *Gold Mining.*—Mining operations were carried on by four Companies on the Kolar Gold Field, *viz.*, Mysore, Champion Reef, Oorgaum and Nandydroog, as in the previous year. No prospecting or mining work for gold was done outside the Kolar Gold Field area.

The total nominal and paid-up capital during the calendar year continued to be £1,563,000 and £1,513,772, respectively. The total quantity of fine gold and silver produced during the year was 335,773·929 ozs. and 26,172·050 ozs., respectively against 329,574·899 ozs. and 27,781·139 ozs. in the previous year. The total value of fine gold and silver produced was £2,086,002-2-11 against £1,926,505-0-8 (revised), the increase in value being due to increased production of gold and the continuance of the high premium on gold. The total amount paid in dividends during the year was £492,338-12-0 against £412,865-14-6 in the previous year and the royalty payable to Government, on gold and silver won and dividends paid amounted to £116,117-3-10 against £105,775-10-6 (revised), showing an increase of £10,341-13-4. The total demand for the year under royalty on gold and silver (including the previous year's balance of Rs. 3,31,547-12-0) was Rs. 18,60,854-10-0 and the collection amounted to Rs. 15,13,670-4-0 leaving a balance of Rs. 3,47,184-6-0 to be collected. The total quantity of ore crushed during 1933 amounted to 659,769 tons as compared with 620,835 tons during 1932. The gold produced during the year 1933 was all sold in India in the Bombay market and the monthly average prices obtained varied from 119·42 sh. per fine oz. to 131·17 sh. The price had reached 137·085 sh. at the end of June 1934.

4. *Renewal of Leases.*—Negotiations for the renewal of gold mining leases on the Kolar Gold Field for a further period of 30 years from the year 1940 have recently been concluded. The royalties payable under the existing leases are 5 per cent on the net sale value of gold produced and 2½ per cent on the dividends declared. According to the new terms, the basic royalty is continued at 5 per cent on the net sale value of all gold produced, but the royalty based on profits varies with the rate of dividend paid according to a sliding scale from 2½ per cent to 40 per cent and will be levied either on the Adjusted Profits or on the amount of dividends paid whichever is greater.

In substitution for the 2½ per cent royalty on dividends payable under the existing leases, the companies will pay, during the remaining currency of the existing leases, royalty on profits at the rate of two-thirds of the scale of royalty fixed for the new leases.

5. *Position of the Mines.*—The estimated total ore reserves of all the mines at the end of the year 1933 was 1,344,225 tons showing a decrease of 5,625 tons

against an increase of 152,078 tons at the end of the previous year. Two of the mines have reached a vertical depth of over 7,400 feet and every endeavour is being made to maintain an adequate supply of fresh air at the bottom of these mines. Satisfactory arrangements have been made for rescue work in case of fire accidents and training is given in first aid to a number of workmen and booklets printed in vernaculars explaining the "safety first" principles with pictures illustrating avoidable accidents are freely circulated among them. Every assistance is being given to make the workmen more efficient, self-reliant and resourceful.

6. *Inspection of Mines.*—A systematic inspection of all the mines on the Kolar Gold Field was carried out during the year and no serious defects or lapses of the mining rules were noticed. Some mining blocks outside the Kolar Gold Field were also inspected. The annual inspection of accounts of one of the companies, *viz.*, the Mysore Gold Mining Co., was conducted by the Comptroller to Government in association with the Chief Inspector of Mines and Explosives.

7. *Mining Labour.*—The total number of persons employed in all the mining industries of the State in 1933 was 21,340 against 19,623 in the previous year. Out of these, 20,263 persons were employed in gold mining against 18,816 in 1932.

The supply of labour is said to be more than adequate. It has come to the notice of Government recently that there was a large influx of labour from outside places to the Kolar Gold Field in excess of requirements but the situation has improved as a result of the north-east monsoon being more satisfactory. Government desire that necessary action should be taken in association with the mining and police authorities to regulate in future large influx of labour.

8. *Welfare Work.*—Welfare work was continued on all the four mines as heretofore on a well-organised scale and Government are glad to note that several amenities have been provided for the comfort and convenience of the labour population on the Mines. Chief among these amenities may be mentioned, the provision of additional kitchen rooms to almost all the coolies' residential quarters, shower baths on important shaft-heads, bathing tanks and washing places in the lines, day and night schools for children and adults, parks and recreation grounds and Badminton, Foot-ball and Cricket Clubs.

9. *Accidents.*—The total number of accidents reported during the year 1933 was 284 against 217 in the previous year. Out of this, 36 were fatal, 239 serious, and 9 non-mining. Excluding the non-mining accidents, the total number of fatal and serious accidents would come to 275 which works out at 12·89 per 1,000 persons employed. Out of the 275 accidents, 26 were due to negligence, 13 due to recklessness, and 236 classed as unavoidable against 22, 18 and 173, respectively in the previous year. The death rate in the gold mines was 2·67 per 1,000 persons against 3·93 per 1,000 in 1932. Of the 36 fatal accidents, 25 were unavoidable, 3 due to recklessness, and 8 due to negligence. There were 6 individual accidents resulting in the death of 24 persons against 10 and 29 respectively in 1932. Out of 36 fatal accidents, 15 were due to rock-bursts involving the death of 28 persons compared with 14 and 34 respectively in the previous year. The report of the Special Committee appointed to go into the question of adopting suitable measures for the prevention of rock-bursts has not yet been submitted. But it is stated that the new system of supporting excavations with rigid packs of granite, arching the levels with concrete or brick, substituting steel sets in place of timber sets and lining of all shafts and winzes in concrete or brick have largely contributed to minimise the disastrous effects of this phenomenon though it has not been possible to completely overcome it.

10. *Compensation for Accidents.*—During the year, 115 claims for compensation comprising 51 fatal, 2 permanent total disablement and 62 permanent partial disablement, arose from mining accidents and the compensation granted under all the above heads amounted to Rs. 56,892-12-0 against Rs. 56,334-11-0 paid in the previous year. Besides the above, compensation amounting to Rs. 22,562-0-0 was paid in cases of temporary disablement as against Rs. 15,566-1-0 in the previous year.

11. *Prosecutions.*—There were 44 prosecutions during 1933 in respect of theft and illegal possession of mining materials involving 69 persons, of whom 56 were

convicted against 56, 76 and 60 respectively in the previous year. Twenty prosecutions were also launched for breaches of the Mysore Mines Regulation. Eight persons were prosecuted in connection with accidents during the year, 5 of whom were convicted.

12. *Explosives.*—During the year 1933, 612 explosives licenses (8 by Government and 604 by District Magistrates) were issued against 731 licenses during 1932. All the magazines included in the licenses granted by Government were inspected during the year by the officers of the department and the lightning conductors attached thereto tested. The magazines are said to be in good order. Government magazines in charge of civil officers (Public Works and Electrical) were also inspected and the defects noticed arranged to be remedied. The total number of inspections of explosives premises carried out during the year by the Magisterial and Police Officers, was 487 against 580 during the previous year, showing a decrease of 93 inspections. Government notice that there has been some slackness in the inspection work of the explosives premises and wish, therefore, to reiterate that systematic and regular inspection of the premises should be enforced to see that licensees follow the rules strictly. There were 19 prosecutions under the Mysore Explosives Regulation and Rules framed thereunder during the year for unlicensed manufacture of, or dealing in, explosives, resulting in the conviction of 20 persons. There were 35 accidents due to explosives resulting in the death of 13 persons and serious injuries to 49 others against 44, 25 and 48 respectively during 1932.

13. *Petroleum.*—The administrative work of the Mysore Petroleum Regulation and the Rules framed thereunder was re-transferred from the Director of Industries and Commerce to the Chief Inspector of Mines and Explosives during the year. The number of licenses issued under this Regulation was 151, of which 126 were for the storage of dangerous petroleum and 25 for non-dangerous petroleum. The total amount of license fees realised during the year was Rs. 3,160. Some petroleum installations in the districts of Bangalore, Mysore, Kolar and Tumkur, were inspected by the Department during the year. Only one accident from petroleum was reported during the year. The total quantities of dangerous and non-dangerous petroleum imported into the State during the calendar year 1933 were 1,541,712 and 4,137,703 gallons, respectively.

14. *Carbide of Calcium Rules.*—Rules for the possession and transport of carbide of calcium in the State were brought into force during the year.

15. *Conclusion.*—Government are glad to note that the working of the Department during the year under review continued to be satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

BANGALORE, THURSDAY, FEBRUARY 14, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT.

Approves of the Forest Settlement of the Gullahalli Blocks I, II and III in the Hosakote Taluk.

READ—

Government Notification No. G. 4619—Ft. 116-28-2, dated 9th October 1928, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Gullahalli Forest Blocks I, II and III in the Hosakote Taluk.

2. Memo No. C. 2017—34-35, dated the 26th November 1934, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the blocks and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G., 7478-81—FT. 167-34-2, DATED BANGALORE,
THE 6TH FEBRUARY 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests is approved. The Notification under Section 17 of the Forest Regulation constituting the blocks a State Forest with effect from 1st March 1935 will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the blocks in the villages concerned.

R. RANGA RAO,
Chief Secretary to Government.

NOTIFICATION.

No. G. 7482—Ft. 167-34-3, dated 6th February 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Mysore Forest Regulation, that, from 1st March 1935, the area, the boundaries of which are set forth in the schedule annexed, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
R. RANGA RAO,
Chief Secretary to Government.

To—The Compiler, *Mysore Gazette.*

SCHEDULE

District	Taluk	Hobli	Names of villages	Approximate Area	Name of Block	Situation
Bangalore	Hosakote	Sulibele	(1) Thammanaikanhalli, (2) Doddaralagere, (3) Bhuvanahalli, (4) Sathyavara, (5) Bagalur, (6) Muthagadahalli, (7) Gullahalli, (8) Chikkoliga, (9) Nagarenahalli, (10) Venkatesapura.	A. G. 1,598 3 or 2½ square miles.	Gullahalli Blocks I, II and III.	This block is situated about six miles to the north-east of Hosakote and east of Hosakote-Sidlaghatta Road on one side (west) and to the west of Hosakote-Kadapa High Road (east) on the other.

BOUNDARIES.—*Block No. 1.*

North.—The line starts from the south-west corner of Survey No. 25 of Thammarasanahalli village and runs north-east along the southern side of survey numbers 25 and 23 of the said village and 46 of Doddaralagere till it meets the south-east corner of the latter survey number; then proceeds in the south-eastern direction in a slightly inclining position to a distance of about 123½ chains through survey number 45 of Doddaralagere village and joins the trijunction bandhs of the latter survey number, south-west corner of S. No. 29 of Seshimakanahalli and western corner of Jodi Pulmachi; then turns to the south and proceeds along the western boundary of the latter Jodi village till it meets the south-west corner of the same Jodi village; then turns south-east and runs along the southern boundary of the said Jodi Pulmachi till it meets the south-east corner of the same Jodi village; then turns north and runs along the east side of Jodi Pulmachi till it meets the gadi bandhs of Jodi Pulmachi, Jodi Thammarayasandra and south-west corner of survey number 45 of Bhuvanahalli; then runs in a south-east direction along the southern boundary of survey number 45 of Bhuvanahalli and meets its south-east corner, then runs in the same direction along the western boundary of Survey No. 96 of Satyavara till it meets its south-west corner; then turns east and runs along the southern boundary of the same survey number and meets the north-west corner of survey number 88.

East.—From the said point, the line turns to the south and west and runs along the west side of survey number 88 of Satyavara and south side of survey numbers 88, 89 and 90 and meets the south-east corner of the last named survey number; then turns south-east and runs along the left side of the halla to a distance of about 13 chains and crosses the halla and meets its right bank at the south-west corner of survey number 18 of the said village, then runs along the southern sides of survey numbers 18, 19 and 21 of the said village and meets the Bangalore-Kadapa Road at the south-east corner of survey number 21 of the said village, then turns south and runs along the left side of the said road till it meets the limit of Survey No. 2 of Settihalli; then turns west and runs along the northern boundary of survey number 2 of Settihalli till it meets the north-west corner of the said number; then turns south-west and runs along the western boundary of the said survey number and meets the south-west corner of the said survey number.

South.—From the said point, the line runs in the north-west direction along the northern boundary of survey number 32 of Bagalur village and meets the north-west corner of the said survey number (*i.e.*, north east corner of survey number 31 of Bagalur), then turns west and runs along the northern boundary of survey number 31 of Bagalur and reaches its north-west corner; then turns north-west and runs along the eastern boundary of survey numbers 14 and 12 of Gullahalli till it meets the north-west corner of the latter survey number, then turns south-west and runs along the western boundary of the said survey number and meets the north-west corner of survey number 29 (*i.e.*, north-east corner of survey number 30) of the said village, thence turns west and runs along the northern boundaries of survey numbers 30, 31 and 37 of Gullahalli and meets the north-west corner of svrvey number 37 of of the said village, then turns north-west and runs along the eastern boundary of survey number 8 of the said village to its north-east corner; thence turns north and runs along the eastern boundary of survey numbers 9, 10, 3 and 2 of the said village and meets the north-east corner of the last-named survey number, then turns west and runs along the northern boundary of survey number 2 and meets its north-west corner, from thence the line runs in the south-west direction through survey number 1 of Gullahalli to a distance of about 91½ chains till it meets the north-east corner of survey number 87 of the said village, then runs due west along the northern boundary of the said survey number 87 and meets its north-west corner and then runs in the same direction through survey number 1 of Gullahalli for a distance of about 15 chains and meets a point on the eastern boundary of Jodi Vanamanahalli about 14 chains north-east from the south-east corner of the said Jodi village boundary.

West.—From the said point, the line turns north and runs along the eastern boundary of Jodi Vanamanahalli till it meets its north-east corner; then turns west and runs along the northern boundary of the said Jodi village till it meets the Hosakote-Jangamkote High Road, then turns north and runs along the east side of the road till it meets the starting point.

Remarks.—The kunte in survey number 45 of Dodaralagere is reserved for cattle and a passage of 60 chains in length and one chain in breadth from the halla which cuts the northern boundary line of the State Forest is reserved for the use of the public. (*N.B.*—One chain is equal to 33 feet.) The right of taking cattle to Kunte in survey number 87 of Satyavara is admitted.

Block No. 2.

North.—The line starts from the south-west corner of survey number 14 of Gullahalli (*i.e.*, north-east corner of survey number 41 of Doddakolliga) and runs north-east along the southern boundary of survey number 14 of Gullahalli and meets the south-east corner of the said survey number.

East.—From the said point the line runs south-west along the western boundary of survey number 31 of Bagalur and meets the north-east corner of survey number 39 of the same village.

South.—From the said point the line turns west and runs along the northern boundary of survey numbers 39, 29, 28 and 27 of Bagalur and meets the north-west corner of the last mentioned survey number, then proceeds in the same direction till it meets the western side of Bagalur village, then turns south and runs to a distance of about 24½ chains along the western boundary of survey snumber 30 of Bagalur and meets the north-west corner of survey number 22 of Bagalur; then runs south along the western boundary of the said survey number 22. Then turns west and runs to a distance of about three chains through survey number 18 of Muthogadahalli and meets the north-east corner of survey number 19 of the said village; then runs along the northern boundary of the said survey number to its north-west corner; thence it proceeds through survey number 18 to a distance of about three chains and reaches a point on the eastern boundary of survey number 20 of the said village at a distance of about three chains south from the north-east corner of the said survey number.

West.—From the said point the line turns north and runs along the eastern boundary of survey number 20 of Muthagadahalli and meets the north-east corner of the said survey number, then along the eastern and northern boundaries of survey number 21 of the said village and reaches its north-west corner, then turns north and proceeds along the eastern boundary of survey number 22 and meets its north-east corner, then crosses the halla, turns west and runs along the bank of the halla to the north of survey number 23 and joins the eastern boundary of survey number 16 near the cart track. Then the line turns north and runs along the east sides of survey numbers 16 and 17 and reaches the north-east corner of the latter survey number then turns west and runs along the northern boundary of the said survey number and reaches its north-west corner; thence it runs in the north-west direction along the eastern boundary of survey number 42 of Dodkolliga and reaches the starting point.

Remarks.—A cart-track that runs north in continuation of the one in the village site to survey number 14 of Gullahalli is reserved for the people along with a Gokatte in the south-west corner of survey number 18 and two acres of land all round is also reserved for the cattle. The cart-track that runs from the west to east in the northern portion of survey number 30 of Bagalur is also reserved for the use of the people.

Block No. 3.

North.—Starting from the south-west corner of survey number 1 of Venkatesapura, the line runs east and reaches the south-east corner of the said survery number, thence turns south and runs along the western boundary of survey number 6 of the said village and reaches its south-west corner, then turns east and runs along the southern boundaries of survey numbers 6, 7, 8, 9, 10 and 19 of Venkatesapura and reaches the south-east corner of the last named survey number.

East.—From the said point the line turns south-west and runs for a distance of 49 chains along the western boundary of survey number 67 of Nagarenahalli, then turns south-east and runs through survey number 67 for a distance of about 52 chains and reaches the Sidlaghatta-Hoskote Road at a point about 42 chains south from the south-east corner of survey number 65 of Chavadasandra; then runs along the road-side and meets the boundary of Kayamgutta Yekarajapura.

South.—From the said point the line runs in the north-west direction along the northern boundary of Kayamgutta Yekarajapura, and runs along the northern boundary of survey number 79 of Muthsandra till it meets the Gadi bandhs of Venkatesapura, Nagarenhalli and Muthsandra; then runs in the south-west direction along the northern side of survey number 79 of Muthsandra and reaches its north-west corner.

West.—From the said point, the line runs north along the eastern boundary of survey numbers 38 and 36 of Giddappanahalli and also for a distance of two chains along the east side of survey number 35 of the said village and joins the starting point.

Remarks.—The kunte situated in the centre of the boundary between Venkatesapura and Nagarenhalli near the "Hotte Bandhs" is reserved for the use of men and cattle together with a passage one and half furlongs long and one chain broad. This passage cuts the newly settled boundary line about three-fourths of a furlong from Venkatesapura limit.

STATEMENT B.

Register of claims to lands, rights to forest produce or easements in the proposed State Forest.

Number	Name of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement	Remarks
1	2	3	4	5	6	7	8	9
					BLOCK I.			
1	Villagers of Thammanaikanahalli.	9th June 1931.	No Petitions and no Takrars.	...	The whole of gomal was taken away for forest. Hence 60 acres of land has been granted to the villagers for grazing cattle.	No concessions are granted. Their objection is genuine and the forest line is therefore altered leaving the villagers, an extent of 61 acres and 17 guntas of gomal for grazing purposes and flinging the State Forests boundary at a convenient distant from the village site.	...	
2	The villagers of Dodarulagere.		(1) The objection of the villagers is against taking the forest line as originally proposed along the boundary of the village site which will deprive them of free grazing gomal land and which will also lead to frequent friction between them in the Forest Department.	...	...	...	...	
			(2) The reservation of a Kunte in the southern portion of Survey No. 45.	...	...	(2) They are given a passage of 60 chains in length and 1 chain in width of 30 feet each from the Halla.		
3	Villagers of Gullahalli.	3rd June 1931.	(1) Their objection is that the forest line should not be brought in close proximity to the village site.	...	(1) The proposed 'D' line has gone in front of the village site and the cultivated area and this may be shifted.	(1) Prayer reasonable, and about 76 acres and 5 guntas out of Survey No. 1 is left for free grazing.	...	
			(2) For the reservation of Survey No. 11 for them and to take the boundary line absolutely free.			(2) This need not be left. (3) The Gokatte in Survey No. 1 of Gullahalli with extent of 11 acres of land all round it is also reserved for use of cattle.		
			(3) The Gokatte in Survey No. 1 of Gollahalli with an extent of 4 acres of land all round it is to be reserved.	...	(3) A right of foot-path may be granted for the cattle to go to Gokatte.	(4) The existing cart-track leading to the Kunte is necessary hence the right of way to it is granted. (5) The foot-path in Survey No. 13 running north-east together with the Gokatte in Survey No. 13 is also reserved.		
4	Villagers of Bhuvanhalli.	3rd June 1931.	No Petitions and no Takrars.	...	...	...	...	
5	Villagers of Sathnoor.		A Gokatte in the northern portion in Survey No. 87 with a passage to enable cattle to go from Kadapa Road.	...	...	Granted. The way is left for Survey No. 96.	...	
					BLOCK II.			
1	The villagers of Muttugadahalli.	9th June 1931.	(1) The cart-track running north in continuation of the one in the village site into Survey No. 14 of Gullahalli is to be reserved for public.	...	May be permitted.	Granted.	...	
			(2) Gokatte in south-west corner of Survey No. 18 and 2 acres of land all round it should be left for use of cattle.	...	Do	Do		
			(3) Gokatte in Survey No. 19, and 2 acres of land all round it should be left out for cattle.	...	Do	Do	Since Survey No. 19 is completely executed from the forest, there is no necessity for the reservation of Gokatte.	Omitted.
			(4) A cart-track that runs west to east along the northern portion of Survey No. 30 of Bagalur to be reserved for public.	...	Do	Do		

STATEMENT B.—(*concld.*)

Number	Name of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any of court of final appeal and settlement	Remarks
1	2	3	4	5	6	7	8	
2	Villagers of Bagalur.	9th June 1931.	Gokatte in north-west (ವಾಯುವ್ಯ) of Survey No. 30 and the 5 acres all round it.	...	...	As the Gokatte is out side the forest boundary, there is no necessity to reserve this.	...	
				BLOCK III.				
1	Chikkavaliga.		No Takrar. ...	...	...	...	...	
2	Nagarenahalli Village.	9th June 1931.	For the alteration of the proposed forest boundary line and the reservation of gomal land.	The boundary line of the State Forest about the village and there is no gomal.	...	As the boundary lines had taken the forest limits to their very doors and as it would have also deprive the villagers from having any gomal lands for the village, an extent of 40 acres and 38 guntas out of Survey No. 67 is reserved.		
3	Villagers of Venkatesapur.	18th April 1931	For the reservation of a kunte situated in the centre of the boundary line between Venkatesapur and Nagarenahalli near the Hotte Bandh.	...	...	This is reserved together with a passage 1½ furlong and 1 chain broad.

Bangalore District.

G. RUDRAPPA,
Forest Settlement Officer.

GENERAL SECRETARIAT

Orders the Suspension and Remission of Dry Assessment in Bagepalli Taluk in certain proportions on account of the unsatisfactory nature of the agricultural conditions in the Taluk.

READ—

Government Order No. R. 3809-12—L. R. 231-34-2, dated 6th February 1935, sanctioning the proposals of the Officiating Revenue Commissioner, regarding certain urgent measures of relief in some villages of Bagepalli and Goribidnur Taluks and Gudibanda Sub-Taluk, and reserving his other proposals for separate consideration.

ORDER No. R. 3930-32—L. R. 231-34-3, DATED BANGALORE,
THE 11TH FEBRUARY 1935.

In addition to the urgent measures of relief sanctioned in the order read above, in connection with the unsatisfactory nature of the agricultural conditions and prospects in the Bagepalli Taluk, the Officiating Revenue Commissioner recommends that the dry assessment throughout the taluk which amounts to Rs. 50,891-7-0 may be suspended to the extent of 50 per cent.

He also recommends that, in the case of the affected villages of this taluk, a remission of 25 per cent of the dry assessment out of the 50 per cent proposed to be suspended may be sanctioned as a special case, the amount to be so remitted being Rs. 3,137.

Government are pleased to sanction both the above recommendations of the Revenue Commissioner.

S. ABDUL WAJID,
Secretary to Government,
General Department.

Directs the Reduction of Hissa Fees from Rs. 1-8-0 to Rs. 1-4-0 per hissa in the case of those taluks in which the Department of Land Records has undertaken to prepare the Preliminary Record.

READ—

Government Order No. R. 5901—L. S. 26-33-8, dated 15th May 1934, ordering the reduction of Hissa fee leviable under Rule 37 (a) of the Rules under the Record of Rights Regulation to Rs. 1-8-0 in the case of taluks taken up for Record of Rights operations from 1933-34.

2. Representation made at the June Session of the Representative Assembly in 1934, regarding the further reduction of Hissa fees to Re. 1-0-0 and the abolition of the fee of Annas 8 charged in the case of full survey numbers and reply of Government thereon.

3. Letter No. C. 425, dated 3rd September 1934, from the Revenue Commissioner in Mysore, furnishing his opinion on the above representation.

4. D. O. letter dated 9th October 1934, from the Director of Land Records, furnishing his opinion on the same subject and suggesting certain other charges consequent on the transfer of the work of the compilation of the Record of Rights from the Revenue Commissioner to the Department of Land Records.

5. Correspondence ending with Un-official Note No. D. Dis. 1146—34-35, dated 22nd January 1935 of the Revenue Commissioner, on the subject.

6. Para 55 of the Report of the Agriculturists' Relief Committee in Mysore, suggesting that the scale of Hissa fees be further reduced from Rs. 1-8-0 to Rs. 1-4-0 per Hissa.

ORDER No. R. 3952-54—L. S. 19-34-7, DATED BANGALORE,
THE 12TH FEBRUARY 1935.

The question of further reduction of Hissa fees has been urged in the Representative Assembly and has also been recommended by the Agriculturists' Relief

Committee. The Director of Land Records and the Revenue Commissioner have also furnished their views in the matter and Government are pleased to direct that the Hissa fees which were reduced to Rs. 1-8-0 in the Government Order read above, be further reduced to Rs. 1-4-0 per Hissa in the case of those taluks in which the Department of Land Records has undertaken to prepare the Preliminary Record. Rule 37 of the Rules under the Record of Rights Regulation will be amended accordingly.

2. The Director of Land Records also suggests that the remuneration to Shanbhogs and Patels should be four per cent and two per cent of the total fee demand both at the introductory and maintenance stages instead of following the present practice of calculating remuneration payable Hissawar. Orders have already issued in Government Order No. R. 2610-12—L. S. 3-34-7, dated 24th January 1935, reducing the remuneration payable to Shanbhogs and Patels from one anna and six pies to six pies and three pies respectively, per entry in the case of taluks whose field work is to be taken up hereafter. Government consider that no further changes are called for now as proposed by the Director.

3. The proposal of the Director for the formation of separate funds for Hissa and Mutation fees is reserved for separate consideration and orders.

S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Reviews the Administration Report of the Department of Industries and Commerce for the year 1933-34.

READ—

Report on the working of the Department of Industries and Commerce for the year 1933-34, received with letter No. B. 1-6—34-35, dated 14th September 1934, from the Director of Industries and Commerce in Mysore.

ORDER NO. D. 5191-5250—I. & C. 54-33-3, DATED BANGALORE, THE 8TH FEBRUARY 1935.

Mr. A. V. Ramanathan continued as Director of Industries and Commerce throughout the year.

2. *Industrial Installations.*—Thirty-six installations were erected during the year by the Officers of the Department as against 33 in the year 1932-33. Of these, 4 were rice mills and 16 were pumping plants. Fees amounting to Rs. 925-12-0 were collected on account of technical service and advice rendered to private persons by the Department in connection with the industrial installations. The Superintendents of Industries, Bangalore, Mysore and Shimoga Divisions, continued to be Inspectors of Boilers in their respective jurisdictions and the Industrial Engineer for the Kolar Gold Field area and Bangalore City. The Superintendents of Industries also examined motor buses in the Districts where there are no separate Bus Inspectors. It is reported that a sum of Rs. 3,307-8-0 was collected during the year, as fees for the examination of motor buses as against Rs. 1,939-8-0 in the year 1932-33. The services of two Assistant Mechanics were lent to two private firms—one to the Saw Mills of Mr. Basappa at Tarikere and the other to the Coffee Curing Works of Mr. Mallegowda of Togarihankal Estate. The Mechanical Staff of the Department also rendered help to other Government Departments and Local Bodies.

3. *Financial Aid to Industries.*—Industrial Loans to the extent of Rs. 30,905 in respect of 14 applications were sanctioned during the year, the major portion of the amount being utilised in connection with a metal industry, a silk throwing equipment, four power looms, one rice mill and one flour mill.

At the beginning of the year 1933-34, a sum of Rs. 2,14,982-11-0 was outstanding recovery and the demand during the year under review was Rs. 50,835-3-5 under principal and Rs. 10,412-5-11 under interest. The total recoveries including the amounts written off both under principal and interest amounted to Rs. 89,142-3-2, leaving a balance of Rs. 1,76,675-11-3 at the end of the year. Out of this balance, a heavy sum of Rs. 81,303-14-0 is outstanding against the undermentioned accounts:—

	Rs.	a.	p.
(1) The Mysore Premier Metal Factory	43,950	6	0
(2) Mr. Agumbe Venkataramiah, Tirthahalli Tile Factory ...	37,353	8	0

The Director is requested to expedite the submission of the separate reports called for in each of the cases on the review of the report for the year 1932-33.

4. *Industrial Concerns under the Control of the Department.*—The work turned out at the Central Industrial Workshop was valued at Rs. 1,21,251 as against Rs. 1,12,559 during the year 1932-33. It undertook the manufacture of agricultural implements and 718 ploughs of improved pattern were sold to the Agricultural Department and the Mysore Sugar Company along with 345 steel shares. Experiments were conducted in regard to the manufacture of sprayers of Double Suction Pump type.

5. *Government Soap Factory.*—The working of the Soap Factory continued to be satisfactory. The Factory supplied soaps to the Viceregal household during the Viceregal Visit in December 1933. It received from the Huzur Secretary to His Highness the Maharaja a warrant of appointment for the supply of soaps to His Highness the Maharaja's household. The Industrial and Testing Laboratory continued to manufacture and supply medicines to the Government Medical Stores and also analysed 59 samples of the different materials sent by the Stores Purchase Committee.

6. *Government Weaving Institute.*—There were 48 students during the year under review, seven students passed the Final Year Examination and arrangements were made to give the successful students practical training for a period of six months in the local mills. Experiments were conducted on improved hand silk twisting machines, Pit automatic power looms, chain tappets of 96 shafts, tape looms for weaving the insulation tape required by the Electrical Department and the Tappet Dobby.

The District Demonstration Staff visited 398 handloom weaving centres as against 392 in the year 1932-33, and supplied improved appliances to weavers of the value of Rs. 6,236 against Rs. 6,000 in the year 1932-33. Though there was some improvement in their demonstration work, it is capable of considerable further improvement.

7. *Silk Weaving Factory.*—The Weaving Section of the Factory produced 38,930 yards of fabrics of which 18,200 yards were sold for Rs. 71,700.

The Dyeing and Finishing Sections dyed and finished the major portion of the fabrics produced in the Weaving Section and besides dyed and finished about 4,500 yards of silk fabrics for private parties. The factory participated in all important exhibitions in India, where its products were much appreciated.

8. *Hand Spinning Centres.*—There was not much improvement in the value of the output and of sales in the Badanval Spinning Centre as compared with the previous year. The total value of the output and of sales during the year amounted to Rs. 26,946 and Rs. 41,928 for the Badanval Centre, as against Rs. 34,677 and Rs. 49,112 respectively, during the year 1932-33. The total value of output and of sales for the Terakanambi Centre was Rs. 3,461-11-5 and Rs. 5,587-8-5 as against Rs. 4,801-6-10 and Rs. 4,909-9-6 in the previous year.

9. *Government Porcelain Factory.*—The value of the insulators and bushings supplied to the Government Electrical Department was Rs. 20,470. Orders from electric firms outside the State for supply of insulators and other electrical materials of the value of Rs. 21,000 were also complied with. The total value of the output was Rs. 39,485 and the total sales amounted to Rs. 40,805 as against Rs. 28,500 and Rs. 21,270, during the year 1932-33. The operations resulted in a profit. An additional kiln and a separate building for the show room and offices were constructed during the year.

10. *Well-Boring Section.*—During the year under review, 39 bore-wells were sunk at a cost of Rs. 17,961-14-4 against 18 in 1932-33. A bore-well of 10 inches diameter has been sunk at Hebbal Farm and it yields 1,800 gallons per hour and has been fitted with a windmill. The possibility of using this mill for irrigation works is being investigated. The total number of bore-wells sunk in the State from the commencement of the scheme up to end of June 1934 is 224 with a total depth of 22,682 feet and the total cost incurred amounts to Rs. 1,77,458-9-4. The question of transferring the control of the Section to the Public Health Department was under the consideration of Government and orders have been since issued entrusting the work to the Bureau of Sanitary Engineering.

11. *Industrial Education.*—In addition to the Chamarajendra Technical Institute, there were 9 Industrial Schools under the control of the Department. The Arts and Crafts Depot at Bangalore is now a sales branch of the Chamarajendra Technical Institute and effected sales to the extent of Rs. 19,036-10-10. The strength of the Chamarajendra Technical Institute as on 30th June 1934 was 258 as against 228 in the year 1932-33 and the average attendance rose from 193 to 255. The total strength of the other industrial schools was 484. The total output and sales amounted to Rs. 26,885-5-10 and Rs. 25,727-1-2 as against Rs. 25,725-9-11 and Rs. 25,263-3-5 respectively, in the year 1932-33. But the realisations were lower being only Rs. 24,928-1-11, as against Rs. 26,260-15-1 in the year previous. The total amount of scholarship expended in the schools for the year amounted to Rs. 10,359-9-3. Government are constrained to believe that the progress achieved in these schools is not commensurate with the amounts spent on them. Government have since passed orders directing the discontinuance of the scholarship and the grant to the Weaving Schools at Melkote and at Hole-Narsipur. Final proposals from the Director of Industries and Commerce are awaited in regard to the working of the schools in Gudibanda and Nelamangala and also about the necessity or otherwise of continuing these schools. There were 10 Home Industries Classes aided by Government at Bangalore, Mysore and Chikmagalur. The total number of women under training during the year under review was 229 as against 124 in the year 1932-33. The services of a well-trained Instructor in Embroidery placed by the Government at the disposal of the several Home Industries Institutes have been continued for another year.

12. *Trade and Level of Prices.*—The depreciation in trade which commenced 3 years ago continued during the year under review and there was a further decrease in the total volume and value of exports as compared with the year previous. The imports registered a slight improvement. The total volume of exports amounted to 59·5 lakhs of maunds valued at Rs. 7·49 crores. Imports of merchandise amounted to 118 lakhs of maunds valued at 11·42 crores. So far as the rail borne traffic is concerned, the balance of trade in merchandise was unfavourable to the extent of Rs. 3·93 crores, as against 3·09 in the year 1932-33. The prices of ragi and javari showed an improvement while that of rice showed a downward tendency. The prices of groundnut, brown sugar and jaggery rose in the latter half of the year. There was a decline in the prices of cocoanuts, copra, cocoanut oil, cardamoms and arecanuts. The prices of textiles showed a tendency to decline in the beginning but recovered at the end of the year. Nearly 5,000 tons of Kerbstones were exported during the year under review as against 3,470 tons in 1932-33. In general, keeping with the policy of Government in regard to industrial undertakings, Government have passed orders directing the transfer of the Kerbstone business to a suitable private agency.

13. *Labour.*—There were no labour disputes during the year under review. The relations between the employees and workmen were cordial throughout the year. The Board of Conciliation consisting of representatives of employees and labourers and of the general public with the Labour Commissioner as Chairman met twice and reviewed the existing conditions. It is gratifying to note that the Mining Companies and some of the other large employees of labour have been devoting much attention to the amelioration of the conditions of labour by organising welfare work in several directions and granting the necessary facilities in connection with such work.

14. *Weights and Measures.*—The compulsory use of certified weights and measures was in force in 16 areas. Fourteen thousand four hundred and thirty-nine units of weights and measures were certified during the year and the fees

realised thereby amounted to Rs. 620-11-0 as against 13,304 units tested and stamped and Rs. 415-12-0 realised as fees in the year before. Twenty-nine prosecutions were launched under Sections 3 and 5 of the Weights and Measures Regulation and convictions were secured in 21 cases. A sum of Rs. 86 was realised as fine.

15. *Factories Regulation.*—The total number of factories at the close of the year was 206, of which 46 were seasonal and the rest worked throughout the year. These factories employed, on an average, 18,709 workmen per day, of whom the number of children was 1,693. Of 1,693 children, only 262 children were examined by certifying surgeons as against 412 in the previous year. The inspection of factories was also unsatisfactory as only 86 factories were inspected during the year, as against 130 in the previous year. As already observed by Government in their review of the Administration Report of the Department for the year 1932-33, the Inspecting Officers should pay greater attention to this work and inspect periodically and in detail as large a number of factories as possible. The question of amending the Factories Regulation on the lines of the British Indian Act No. XXV of 1934 is under the active consideration of Government.

16. *Cotton Ginning and Pressing Factories Regulation.*—During the year, there were 30 ginning factories and 6 pressing factories in the State.

17. *Workmen's Compensation Regulation.*—The total number of cases that came up for decision before the Commissioners for Workmen's Compensation was 176, of which 171 were disposed of. Out of the 171 cases disposed of, 57 related to accidents which proved fatal. A sum of Rs. 36,914-6-0 was deposited with the Commissioners and the amount disbursed was Rs. 33,847-8-0. The annual returns under Section 15 of the Workmen's Compensation Regulation for the year 1932-33 were received from 188 out of 199 factories in the State. The question of amending the Workmen's Compensation Regulation to bring it into a line with similar legislation in British India is also engaging the active attention of Government.

18. *Steam Boilers and Prime Movers Regulation.*—The total number of boilers in the State at the close of the year was 262. The number of boilers examined during the year was 210 and the total amount of fees collected on account of examination of boilers was Rs. 5,536 as against Rs. 4,418 in the previous year. No accidents were reported during the year.

19. *Conclusion.*—The work of the Department continued to be satisfactory during the year.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Administration Report of the Civil Veterinary Department for the year 1933-34.

READ—

Letter No. Roc. 203 of 1934-35, dated 13th October 1934, from the Director of Agriculture, forwarding the Administration Report of the Civil Veterinary Department, for the year 1933-34 with his review thereon.

ORDER No. D. 5287-5347—C. V. 43-34-6, DATED BANGALORE, THE 1ST—9TH FEBRUARY 1935.

Recorded.

2. *Administration.*—Mr. K. Krishnaiengar, G.B.V.C., continued to be in charge of the Department during the year under review. He was deputed to Simla in August 1933, to attend the meeting of the Advisory Board of the Imperial Council of Agricultural Research.

3. *Veterinary Hospitals and Dispensaries.*—Three more Veterinary Dispensaries were opened during the year at T.-Narsipur, Malur and Gubbi, thus bringing the total number in the State to 63. Government are glad to note that there is an increase in the number of cases treated, castrations performed and operations

conducted in these institutions and that they are serving a real need. There is an increasing demand for the opening of new dispensaries, but owing to the financial stringency, it has not been found possible to increase the number of institutions rapidly. The opening of a dispensary at Holalkere from January 1935 has however been recently sanctioned as the Local Bodies concerned were agreeable to bear the entire cost therefor including the Government quota for a period of one year. It is gratifying to note that many philanthropic gentlemen have contributed generously towards the construction of new buildings for the location of Veterinary Institutions. Several blocks of buildings in connection with the Veterinary Hospital at Bangalore are reported to be nearing completion while the buildings in connection with the Hospital at Mysore have already been completed and the Hospital has been shifted to the new buildings on 13th August 1934.

4. *Contagious Diseases.*—During the year, 90 outbreaks of Rinderpest, 1,408 of Anthrax, 20 of Sheep-pox, 709 of Hæmorrhagic Septicæmia, 1,566 of Blackquarter and 3,598 of other contagious diseases were registered against 78, 1,467, 35, 398, 1,540 and 3,558 outbreaks, respectively, in the previous year, showing an increase in respect of Rinderpest and the last three diseases. It is reported that 89 out of 90 outbreaks of Rinderpest were due to the marching of cattle from infected areas. The Director of Agriculture considers it desirable to enforce a system of standstill or quarantine orders to combat the evils of this method of cattle transport and with this object in view, he is examining the possibility of introducing such a system. The reporting of outbreaks of diseases at the onset is said to be still unsatisfactory as only 35 per cent of them have been reported directly to the Veterinary Inspectors and the remaining 65 per cent had to be detected by the staff while on tour or during their periodical inspection of cattle mortality returns at the Taluk Offices. The Deputy Commissioners of Districts are requested to ensure that reports of outbreaks of diseases and monthly cattle mortality returns are sent in future without delay.

The statement given in the margin shows the mortality under several contagious diseases in the State during the year. It is satisfactory to note that mortality due to Rinderpest was the lowest on record for the past eight years. The inoculation campaign vigorously carried out during the year is reported to be greatly responsible for the decrease in mortality. An important feature during the year was a more extensive use of inoculations with the goat virus alone at the scene of outbreaks, 4,043 head of cattle having been protected during the year by this method against 520 during the previous year. The total number of serum simultaneous and serum alone methods of inoculation done against Rinderpest was 24,585 and 35 respectively, against 22,127 and 209 in 1932-33. The total number of inoculations done against epidemic diseases other than Rinderpest was 1,44,891 against 1,12,234 in the previous year. There was an increase in mortality under Hæmorrhagic Septicæmia and Red water. Attempts should be made to reduce the death rate under these diseases by undertaking inoculation campaigns more vigorously in future.

	1933-34.	1932-33.
Rinderpest ...	976	1,065
Hæmorrhagic Septicæmia	2,169	1,174
Anthrax	2,292	2,705
Blackquarter	4,286	4,517
Foot and Mouth ..	1,341	1,611
Red water	13	6
Parasitic Diarrhœa ...	1,956	1,967
Other contagious diseases ...	2,170	3,009

5. *Tours.*—Owing to a decrease in the incidence of Rinderpest, Veterinary Officers were able to undertake systematic touring in the villages. The staff on tour visited 15,279 villages, treated 73,225 cases, castrated 52,857 animals and performed 1,434 surgical operations against 14,101, 66,583, 52,651 and 1,320, respectively, during the previous year. The increase in the number of Hospitals has also to some extent contributed towards this result.

6. *Cattle Fairs.*—One hundred cattle fairs were held in the State during the year and all of them were attended by the staff. Temporary Veterinary Dispensaries were opened in all these fairs and considerable propaganda work was done. Revised rules for the control of cattle fairs in the State were brought into force during the year.

7. *Rural Veterinary Aid.*—The systematic and effective weeding out of scrub bulls under Village Panchayets was continued during the year. Two batches of ten men each were given training in castration methods for the above purpose. The training class has been discontinued from 1934-35 on account of financial stringency.

8. *Jutka Ponies.*—The half-yearly inspections of ponies plying for public conveyance were carried out with the assistance of the police authorities and the reports of inspections sent to the District Magistrates. Details as to the result of these inspections have not been furnished in the report. But a plea has been put forward for the extension of the Regulation for the prevention of cruelty to animals to all municipal areas in the State. The Police Regulation already provides for action in such cases and its provisions may be more largely made use of in all municipal areas.

9. *Meat Inspection.*—Government are glad to note that some of the municipalities have engaged the services of local Veterinary Inspectors for slaughter house and meat inspection and hope that such services will be obtained by other municipalities also to ensure a supply of healthy and good meat to the public more particularly in the premier municipalities of Mysore and Bangalore Cities, where it is reported that there is no scientifically controlled system of slaughter house inspections by qualified Veterinarians.

10. *Scientific Section.*—A scheme for the investigation of Johne's disease among cattle in the State has been sanctioned by the Imperial Council of Agricultural Research and funds also have been made available. More intensive work is expected to be commenced shortly. During the year, a detailed investigation was undertaken on deficiency diseases such as *Marahakkiroga*, a kind of swampy fever-like disease of plough cattle in the Mysore District, Swingback or Ataxia among young lambs in Magadi Taluk and Fragillitis Ossium or Brittle bone disease among sheep in Chintamani Taluk and Polypoid growths in the upper respiratory passages of heavy milkers in the Royankere Dairy Farm. In all these, preventive and remedial measures were suggested to the local officers. It is satisfactory to note that the section continued to co-operate with, and render assistance to, other departments, such as the Palace, Military, Forest and Live-Stock Section and some private institutions, in the investigation of cattle diseases. The number of specimens examined for the Department during the year was 503 as against 384 in the year previous.

11. *General.*—The Sixth Annual Conference of the Mysore Veterinary Medical Association was held at Bangalore for three days during May 1934, under the Presidency of Mr. A. K. Yegnanarayana Iyer, M.A., Dipl. in Agri. (Cant.), N.D.D. (Eng.), F C.S., Director of Agriculture in Mysore, and discussed useful matters of professional interest.

12. *Conclusion.*—The work of the Department continued to be satisfactory during the year under review.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Administration Report of the Department of Geology for the year 1933-34.

READ—

Correspondence ending with letter No. 9003-26, dated 29th September 1934, from the Director of Geology in Mysore, submitting a detailed report on the working of the Department of Geology during the year 1933-34.

ORDER NO. D. 5279-86—GEOL. 33-34-4, DATED BANGALORE,
THE 30TH JANUARY—9TH FEBRUARY 1935.

Recorded.

2. Mr. A. M. Sen, M.SC., F.G.S., continued to be in charge of the Department during the year under review except for a period of 36 days when he was on privilege leave.

Mr. B. Rama Rao who had been sent on deputation to England and America in October 1932, returned in December 1933 after successfully undergoing a course of Advanced Petrology at the Imperial College of Science in London and attending the 16th International Geological Congress at Washington and visiting the Asbestos deposits in Canada. The Director has at his instance since submitted a scheme of investigations for the development of ornamental buildings stone industry as well as stone-ware and ceramic industries for which there is great scope in the State.

3. *Mining and Prospecting.*—The following statement shows the number of leases, licenses and certificates of approval current during the year under review as compared with those current in the previous year:—

		1932-33.	*1933-34.*
1.	Mining leases ...	36	36
2.	Prospecting licenses ...	9	12
3.	Collecting licenses ...	8	5
4.	Exploring licenses ...	Nil	Nil
5.	Certificates of Approval ...	12	11
		65	64

The total area covered by mining leases and prospecting licenses during the year was 23,099 acres and 35 guntas and the total amount of rent and cesses recovered in respect of mining and prospecting blocks was Rs. 14,392-1-6.

4. *Gold and Silver.*—As in the previous year, 21 mining leases were current for gold during the year. Mining operations were carried on by four companies in the Kolar Gold Field.

5. *Other Minerals.*—The following statement shows the output and other particulars relating to minerals other than gold and silver produced in the State during the year 1933-34:—

Mineral	Number of licenses and leases current	Output	Quantity removed	Royalty		
		tons	tons	Rs.	a.	p.
1. Manganese ...	3 Mining leases ...	37·3	112 (From stock)	70	0	0
2. Chromite ...	10 Do ...	1940·64	1590·73 2·00 (Concentrate)	1,226	5	0
3. Magnesite ...	3 Do ...	4400·00	1812·50	1,760 (dead rent)	0	0
4. Kaolin ...	2 Do and ... 5 Prospecting licenses ...	3164·60	3164·60	2,667	13	0
5. Kyanite ...	3 Prospecting licenses ...	44	44	66	0	0
6. Green Quartzite ..	2 Do ...	16·3125	7·306	86	12	0
7. Soapstone ...	3 Collecting licenses. ...	105	105	131	4	0
8. Slatestone ...	1 Prospecting license ...	6·0	6·0	7	8	0
9. Red Earth ...	Collected by the Kolar Brickmaking Co., Ltd., from M. L. area ...	779 c. yds.	779 c. yds.	92	1	0

6. *Mining work by Departmental Agency.*—The work on the Byrapur chrome mines was carried on very briskly during the latter half of the year to meet the increased demand for chrome ore. The total quantity of chromite ore obtained from the Byrapur mine during the year was about 5,845 tons. A quantity of 6,394½ tons was sold in the year realising Rs. 94,800 and another 125 tons of powder ore were sold for Rs. 500, the total expenditure on the mine being Rs. 15,998-2-11. Collection of Pebble ore was continued in the Talur mine and the ore so collected was about 525 tons, the expenditure on this mine being Rs. 2,632-12-3.

A total quantity of 125·503 tons of graphite was mined during the year, of which 103·168 tons were supplied to the Mysore Iron Works and 15 tons to the Local Slate Pencil Factories at Bowringpet. The total amount realised from the sale of this mineral was Rs. 2,263-6-0. Fifty-four tons of refractory clay, 443 tons of kaolin, 51⅓ tons of felspar and 108⅔ tons of white quartz were mined and supplied to the Government Porcelain Factory during the year and a total sum of Rs. 2,247-2-0 was realised therefrom. During the year, 44,430·35 tons of Iron ore, 333·1 tons of manganese ore, and 3,456·4 tons of limestone were mined by the Mysore Iron Works for use in the Blast Furnace.

7. *Geological Survey.*—The following areas comprising about 255 square miles were geologically surveyed:—

(1) An area of about 60 square miles near Kudurekanava and Bellara in the Tumkur District with special reference to the mode of occurrence and origin of cummingtonite in the limestones of the region.

(2) An area of about 25 square miles near Bidaloti in the Kortagere Taluk of the Tumkur District to investigate the mode of origin of the cordierite-hypersthene rocks of the locality.

(3) About 160 square miles of land in the Hoskote and Malur Taluks to study the mode of occurrence and origin of the lateritic masses therein; and

(4) A small area of nearly 10 square miles near Bisanatham in the Bowringpet Taluk for mapping the boundaries of the Schist Belt.

8. *Mineral Survey.*—(1) An area of about 10 square miles in the Tukal village, Bowringpet Taluk, was examined for auriferous quartz reefs.

(2) The prospecting work for clay for the manufacture of cement commenced last year was continued to the end of July 1933. The clay deposits near Kondli, the Dalvoy tank near Kotigal, Kibbanhalli and Godabanhalli, all in the Tumkur District, were examined.

(3) About 150 square miles in the Hoskote and Malur Taluks were examined for Refractory clay and kaolin.

(4) A number of areas was surveyed for the collection of samples of various ornamental building stones and some of the samples collected were polished and sent to the Trade Commissioner for Mysore in London with a view to test the market in Great Britain and some of these are reported to have been considered satisfactory in London.

(5) Interesting types of ferruginous asbestos were found for the first time in the Bababudan area. This asbestos when cleaned with dilute hydrochloric acid yields soft flexible fibres of a pure white colour.

9. *Economic Investigations.*—Ferro-alloy experiments at Sivasamudram were discontinued from 1st January 1934.

10. *Mining Revenue.*—The total demand in respect of the revenue of the department under mining revenue (other than royalty on gold) and Geological receipts during the year was Rs. 118,624-11-2 which was fully realised.

11. *Chemical Laboratory.*—The total number of samples analysed and the constituents determined for the department during the year were 275 and 796 respectively, against 161 and 660 in the previous year. Twenty-two samples were analysed and 57 constituents determined for the public.

12. *General.*—Quartz reefs and pegmatite (felspar) veins in the Karithimmanahalli quarry, Bangalore Taluk, were reserved for the use of the Government Porcelain Factory. The Department as usual participated in the Mysore Dasara Exhibition of 1933. The several mining, prospecting and collecting blocks except the Kolar Gold Field were inspected by the officers of the department during the year. The waste weir valley of the Sri Chamarajendra Reservoir at Thippagondanahalli was inspected and the result reported to the Chief Engineer.

13. *Conclusion.*—Government are glad to note that the work of the Department during the year under report was satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Issues further instructions *re* the procedure to be followed in connection with the acquisition of lands required for new village extensions, etc.

READ—

Government Order No. Camp R. 173-283—L. R. 21-26, dated the 23rd June 1927, issuing revised instructions in the disposal of land acquisition cases.

ORDER NO. L. 5440-50—V. P. 42-34-2, DATED BANGALORE, THE 1ST—7TH FEBRUARY 1935.

Government are pleased to direct that the following procedure be followed in dealing with cases of acquisition of lands required for new village sites or for the extension of existing ones in the State:—

1. In any case where the need for a new or additional village site is believed to exist, a suitable site should first be selected and a careful estimate made of the

probable cost of acquiring the area, including wells, trees, etc., likely to be required. In calculating the area needed, it is necessary that future requirements should be carefully studied. The site should be large enough to meet not only the demands actually in view but also the probable needs for some years to come. It should then be ascertained how much of this area will be available for building plots after allowance is made for roads and open spaces. The total cost of acquisition of the area should then be calculated and the upset price which will have to be charged for each site determined.

2. Public notice should then be given requiring persons desirous of obtaining new building sites to send within a given period applications stating the area required together with a deposit of upset price at the rate announced in the public notice. When all applications have been received and the amounts deposited, proposals should be submitted for acquiring the land. The entire amount of deposit so recovered or received will have to be credited to the Village Panchayet Fund. The land has then to be acquired for the Village Panchayet concerned, the cost of acquisition being paid out of the funds of such a Panchayet. In cases where the Village Panchayet has not got sufficient money to meet the cost of acquisition, the cost of lands required for village extension will, whenever necessary, be met out of State Funds as an advance to be drawn by the Deputy Commissioner of the district against the provision made in the ways and means estimate for the purpose. This advance will be drawn only after the acquisition is sanctioned and credited to the accounts of the Village Panchayet concerned in the first instance and this amount with the contribution from the villagers, if any, will be paid towards the cost of acquiring the land required for the village extension.

3. When the acquisition is complete, the land should be finally marked out for building and sites should be allotted to those who have already applied and have made deposits. These applicants will not usually be called upon to pay an additional price beyond the sum already deposited. But in some cases, *e.g.*, where there is keen competition for particular sites, it may be found desirable to auction some of the plots instead of allotting them. It is, however, important in disposing of sites by auction that adequate precautions should be taken to prevent exploitation by speculative buyers.

4. The same procedure should be followed when it is proposed to provide a new village site in place of an old one which the villagers are prepared to surrender completely. In such cases, however, the owners of plots in the old site will be entitled to plots of approximately equal area in the new, free of upset price. The cost of acquiring lands sufficient to meet this demand will be met by the Government to whom the old site will be surrendered. In such cases no advance deposits of upset price are necessary. The cost of acquisition will be borne by Government, the occupants being required by means of mutchalikas to surrender all rights in the old site. In ordinary cases, however, such action is appropriate only when the value to the Government of the old site as an agricultural holding or for any other purpose is at least equal to the cost involved in acquisition.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

BANGALORE, THURSDAY, FEBRUARY 21, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Approves of the Forest Settlement of the Basavantar Forest Block in the Magadi Taluk.

READ—

Government Notification No. R. 3076—Ft. 42-13-3, dated the 21st October 1913, issued under Section 4 of the Forest Regulation *in the* matter of the proposed constitution of the Basavantar Forest Block *in the Magadi Taluk.*

2. Letter No. S. 2-4-1422—27, dated 12—18th December 1934, from the Chief Conservator of Forests in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement f the block and stating that the Revenue Commissioner in Mysore, is agreeable to the issue of the nal notification in the matter.

ORDER No. G. 7722-5—Ft. 178-34-2, DATED BANGALORE, THE 13TH FEBRUARY 1935.

e Settlement effected by the Forest Settlement Officer and agreed to by the nservator of Forests and the Revenue Commissioner in Mysore, is approved. fication under Section 17 of the Forest Regulation, constituting the block orest with effect from 1st March 1935, will be published in the Gazette.

he Deputy Commissioner, Bangalore District, is requested to duly pro- boundaries of the block in the villages concerned.

R. RANGA RAO,
Chief Secretary to Government.

ANNEXURE.

Notification No. G. 7726—Ft. 178-34-3, dated 13th February 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation, XI of 1900, that from 1st March 1935, the area, the boundaries of which are set forth in the schedule annexed, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
R. RANGA RAO,
Chief Secretary to Government.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

District	Taluk	Hobli	Villages	Area	Name of Forest	Situation
Bangalore	Magadi	Madabal Tavarekere	Madapatna, Huluvenhalli, Suluvara, Chikanahalli, Manchanbele, Averahalli.	A. G. 1417-0 or 2·21 Sq. miles.	Basavantar State Forest.	This block is situated at a distance of about three miles east of Savandurga State Forest.

BOUNDARIES.

North.—Starting from the tri-junction bandh of Jodi Inam Thippagondanhalli, Kayamgutta Kempegondanahalli and Madapatna villages, the line runs south-east for about 30 chains along the southern boundary of Kayamgutta Kempegondanahalli to the tri-junction bandh of Kayamgutta Kempegondanahalli, Cholanayakanahalli and Madapatna villages; then east along the southern boundary of Cholanayakanahalli to a point about four chains east of the tri-junction bandh of Kayamgutta Kempegondanahalli, Cholanayakanahalli and Madapatna villages.

East.—Then the line turns south in a straight line and runs through Survey No. 20 of Madapatna for about 72½ chains to a point about 50 chains north-west of south-west corner of Survey No. 19 of Madapatna; then south in a straight line through Survey No. 29 of Huluvenhalli for about 72½ chains to a point about 50 chains west of south-west corner of Survey No. 28 of Huluvenhalli; then south-east in a straight line through Survey No. 60 of Suluvara for about 51 chains to a point about 24 chains west of north-west corner of Survey No. 2 of Suluvara-Rampura; then south-east in a straight line through Survey No. 59 of Suluvara for about 67 chains to a point about 28 chains north-west of south-west corner of Survey No. 45 of Suluvara; then south-west through Survey No. 81 of Chikanhalli for about 25 chains to a point about 5 chains north-west of north-west corner of Survey No. 85 of Chikanhalli; then south through Survey No. 81 of Chikanhalli to a point about 5 chains south-west of south-west corner of Survey No. 85 of Chikanhalli; then south through Survey No. 81 of Chikanhalli to a point about 5 chains north-west of north-west corner of Survey No. 80; then south through Survey No. 81 to a point about 5 chains south-west of south-west corner of Survey No. 80; then south through Survey No. 81 to a point about 5 chains west of north-west corner of Survey No. 74 of Chikanhalli; then south through Survey No. 81 to a point about 5 chains south-west of junction gadi bandh of Survey Nos. 74 and 73; then south-east through Survey No. 81 to a point about 5 chains west of south-west corner of Survey No. 73 of Chikanhalli; then north-west along the northern boundary of Kempadevanhalli to its north-west gadi bandh; then south-east along its western boundary to the quadra-junction bandh of Manchenbele, Kempadevanhalli, Ganakallu and Hagalahalli villages.

South.—Then the line turns west and runs in a straight line along the northern boundary of Nagalahalli for about 38 chains to a point about 5 chains east of south-east corner of Survey No. 48 of Manchanbele.

West.—Then the line turns north-east through S. No. 46 of Manchanbele for about 20 chains to a point 5 chains south-east of south-east corner of Survey No. 47 of Manchanbele; then north-west through Survey No. 46 of Manchanbele in a straight line to a point 5 chains east of junction gadi bandh of Survey Nos. 44 and 45; then north-east through S. No. 46 in a straight line for about 16 chains to a point 7 chains south-east of south-east corner of the new cultivation lands; then north in a straight line through Survey No. 46 of Manchanbele to a point about 10 chains west of south-east gadi bandh of Kayamgutta Vadathahalli; then east along the southern boundary of Kayamgutta

Vadathahalli to the south-east gadi bandh of the said village; then north-west along the eastern boundary of Kayamgutta Vadathahalli to its north-east gadi bandh; then south-west along its northern boundary to a point about 5 chains east of south-east corner of Survey No. 17 of Averahalli; then north through Survey No. 15 of Averahalli to a point about 5 chains east of junction gadi bandh of Survey Nos. 2 and 62 of the said village; then north-west through Survey No. 15 to a point about 5 chains east of junction gadi bandh of Survey Nos. 61 and 60; then north through Survey No. 15 to a point about 5 chains east of junction gadi bandh of Survey No. 55 and 54; then slight north-west through Survey No. 15 of Averahalli to a point about 5 chains east of north-east corner of Survey No. 53 of Averahalli; then north-east along the Maskalla Halla to the south-east gadi bandh of Chik-maskallu village; then north in a straight line along the eastern boundary of Chik-maskallu and Kalluru villages to the junction bandh of Kalluru and Jodi Inam Thippagondanhalli villages; then slightly north-east along the eastern boundary of Jodi Thippagondanhalli village to the starting point.

Remarks.—The following rights of way are admitted within the block: 1, 2, 3, 5 and 7 for men and cattle only; 4, 6 and 8 for men, cattle and carts throughout the year.

(1) Foot-path from Madapatna village to Arkavati river—6 feet wide and 34 chains long, open for men and cattle for water throughout the year. It enters the Forest in its eastern boundary at a point 15 chains south-east of junction gadi bandh of Kayamgutta Kempegondanahalli and Cholanayakanhalli villages, runs west through Survey No. 20 of Madapatna village and quits the Forest in its western boundary at a point about 16 chains south of tri-junction bandh of Jodi Inam Thippagondanahalli, Kayamgutta Kempegondanahalli and Madapatna villages.

(2) Foot-path from Huluvenhalli to Arkavati river—6 feet wide and 33 chains long, open for men and cattle for water throughout the year. It enters the Forest in its eastern boundary at a point about 50 chains west of north-west corner of Survey No. 28 of Huluvenhalli, runs south-west through Survey No. 29 of Huluvenhalli and quits the Forest in its western boundary at a point about 6 chains north of south-eastern gadi bandh of Chik-maskallu village.

(3) Foot-path from Averahalli to Gokatte in Survey No. 84 of Chikanhalli—6 feet wide and 50 chains long, open for men and cattle for water throughout the year. It enters the Forest in its western boundary at a point about 5 chains east of north-eastern corner of Survey No. 8 of Averahalli, runs south-east through Survey Nos. 15 and 16 of Averahalli and 81 of Chikanhalli and quits the Forest in its eastern boundary at a point about 12½ chains east of north-east gadi bandh of Kayamgutta Vadathahalli.

(4) Cart-track from Averahalli to Chikanhalli—12 feet wide and 33 chains long, open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 5 chains east of north-east corner of Survey No. 8 of Averahalli, runs south-east through Survey Nos. 15 and 16 of Averahalli, and quits the Forest at a point about 12 chains west from the north-east gadi bandh of Kayamgutta Vadathahalli, runs through the lands of the said Kayamgutta village, again enters the Forest at a point about 15 chains south of north-east corner of said Kayamgutta village, runs through Survey No. 81 of Chikanhalli and quits the Forest in its eastern boundary at a point about 12 chains north-west of north-west corner of Survey No. 80 of Chikanhalli.

(5) Foot-path from Manchanabele to Mutharayaswami Temple and Katte situated in south-eastern corner of Kayamgutta Vadathahalli—6 feet wide and 16 chains long, open for men and cattle throughout the year. It enters the Forest in its western boundary at a point about 20 chains east of north-east corner of Survey No. 23 of Manchanbele, runs north-east through Survey No. 46 and quits the Forest in its western boundary at a point about 6 chains west of south-east gadi bandh of Kayamgutta Vadathahalli.

(6) Cart-track from Manchanbele to Chikanhalli—12 feet wide and 45 chains long, open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 20 chains east of south-eastern corner of Survey No. 23 of Manchanbele, runs north-east through Survey No. 46 of Manchanbele and 81 of Chikanhalli and quits the Forest in its eastern boundary at a point about 2 chains west of north-western corner of Survey No. 101 of latter village.

(7) Foot-path from Anekempainadoddi to Gokatte in Survey No. 46 of Manchanabele—6 feet wide and 15 chains long, open for men and cattle for water throughout the year. It enters the Forest in its western boundary at a point about 5 chains north-east of north-east corner of Survey No. 47 of Manchanbele till it meets the Gokatte.

(8) Cart-track from Anekempainadoddi to Bidadi—12 feet wide and 25 chains long open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 5 chains south-east from the south-eastern corner of Survey No. 47 of Manchanbele, runs south-east through Survey No. 46 of Manchanbele and quits the Forest in its southern boundary at a point about 7½ chains west of tri-junction bandh of Kempadevanhalli, Ganakallu and Hagalhalli.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed Basavantar State Forest, Magadi Taluk.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Narasimhaiah and others of Madapatna Village.	20th June 1933.	Praying.— (1) For the release of sufficient gomal land out of Survey No. 20 for the grazing of their cattle, as the whole of the existing gomal has been taken up for the Basavantar Forest Block. (2) In a right of way to Arkavati River for water for men and cattle throughout the year.	Statement of Narasimhiah and others of Madapatna.	Required extent of gomal area in the said survey number may be excluded as the whole of the gomal has been proposed for the forest, and besides the area lying towards the villages contains hardly any valuable growth. This right of way may be allowed.	Another 100 acres out of Survey No. 20 will be reserved for the grazing of village cattle. The total extent out of this number taken up for the proposed Forest will be 230 acres. The right of way over the foot-path 6 feet wide from Madapatna Village to the Arkavati River for men and cattle throughout all seasons of the year will be allowed.	... ...
	Patel Appajappa and others of Huluvan halli.		Praying.— (1) For the release of sufficient gomal out of Survey No. 29 for the grazing of their cattle as the whole of gomal Survey No. 29 has been taken up for the proposed Basavantar Block. (2) For a right of way to Arkavati River for water for men and cattle throughout the year.	Statement of Patel Appajappa and others of Hulvenhalli.	Required extent of gomal out of Survey No. 29 may be excluded from the proposed forest area, as the whole gomal has been taken up for the forest. Besides the area to be excluded does not contain any valuable growth. The right of way to the river may be allowed.	385 acres of gomal have been reserved for the cattle in response to the representation of the villagers. The right of way for men and cattle over the foot-path 6 feet wide from Hulvenhalli village to the Arkavati River throughout all seasons of the year is allowed.	... ...
3	Patel Hanumanthiah and others of Sulavara.		Praying.— (1) For the release of 60 acres of land already given out for cultivation from the proposed Forest Block. (2) For the exclusion of sufficient gomal out of Survey Nos. 59 and 60 for grazing purposes as the existing gomal lands as a whole has been taken up for the Forest. (3) For a right of way to Halla for water for their cattle. (4) For a right of way to the temple situating in Survey No. 60 for worship.	Statement of Patel Hanumanthiah and others of Sulavara.	Sixty acres of land granted for cultivation lying in the Forest area may be released. Sufficient gomal as required for the grazing of the village cattle may be excluded from the forest as the whole of gomal area has been taken up for the Forest. This is unnecessary, as halla and temple falls outside the settled boundary.	(1) The 60 and odd acres cultivated will be outside the forest boundary as now proposed. (2) 235 acres, 31 guntas out of Survey No. 60 and 197 acres, 38 guntas out of Survey No. 59 should be reserved for gomal. (3) The question of right of way need not be considered since the temple and halla will fall outside the forest boundary with the reservation of gomal as above.	... ...
4	Sanjivappa and others of Chikkanhalli.		Praying.— (1) For the release of 10 acres of land given away for cultivation long ago from the proposed Forest. (2) For the exclusion of sufficient gomal out of Survey No. 81 of Chikkanhalli for grazing purposes as almost the whole of Survey No. 81 gomal existing has been taken up for the proposed Forest. (3) For the release of the katte in Survey No. 84 from the Forest area on it is very useful for watering the cattle throughout the year.	Statement of Sanjivappa and others of Chikkanhalli.	Ten acres of land granted for cultivation long ago, may be released from the Forest area. Sufficient gomal as required for the existing cattle may be released, as the area to be excluded is only Shrub Jungle of lantana. This is unnecessary as it falls outside the Forest boundary as per settlement effected.	(2) With regard to the prayer for additional gomal it is directed that 166 acres, 12 guntas out of Survey No. 81 and the whole of Survey No. 84 should be reserved for gomal. (1 & 3) If this is done both the area cultivated and the katte in Survey No. 84 will fall outside the proposed forest line.	... ...
5	Patel Narasegowda and others of Manchanbele Village.	4th July 1933.	Praying.— (1) For a right of way to katte and Mutharayaswami Temple situating in Kayamgutta Vadathahalli for water and worship. (2) To release 50 acres of land given away for cultivation long ago from the Forest. (3) For a right of way to Gokatte in Survey No. 46 for water.	Statement of Patel Narasegowda and others of Manchanabele.	(1) The right of way No. 1 may be allowed. (2) The 50 acres of land granted for cultivation long ago in Survey No. 46 may be released from the proposed Forest. (3) This may be allowed.	(1) The right of way over the foot-path 6 feet wide and 16 chains long from Manchanabele to the katte and Mutharayaswamy Temple in the limits of Kayamgutta Vadathahalli village is allowed throughout the year. (2) The forest boundary line should be shifted to exclude the 50 acres already granted for cultivation. (3) A right of way for men and cattle over foot-path 6 feet wide and 15 chains long from Anekempiandoddi to the katte in Survey No. 46 is allowed throughout the year.	... ...

Approves of the Forest Settlement of the Karadikal Forest Block in the Kankanhalli Taluk.

READ—

Government Notification No. G. 606—Ft. 3-32-2, dated the 21st July 1932, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Karadikal Forest Block in the Kankanhalli Taluk.

2. Memo No. C. 2051—34-35, dated 26th November 1934, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 7727-30—FT. 170-34-2, DATED BANGALORE, THE 13TH FEBRUARY 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Chief Conservator of Forests and the Revenue Commissioner is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st March 1935 will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the villages concerned.

R. RANGA RAO,
Chief Secretary to Government.

ANNEXURE.

Notification No. G. 7731—*Ft.* 170-34-3, *dated* 13*th February* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Mysore Forest Regulation, XI of 1900, that from 1st March 1935, the area, the boundaries of which are set forth in the annexed schedule shall be deemed to be a 'State Forest' subject to the exercise of rights specified at foot thereof.

By Order,
R. RANGA RAO,
Chief Secretary to Government.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

District	Taluk	Hobli	Village	Area	Name of block	Situation
Bangalore	Kankanhalli	Maralwadi	Attikuppe. Godur. Bilaganakuppe.	A. G. 1951 13 or 3,048 Sq. miles.	Karadikal State Forest.	This block is situated at a distance of about 12 miles north-east of Kankanhalli Town and lies between the southern and western boundaries of Gullahatti and Mahadeswara State Forests.

Boundaries.

North.—Starting from a point about six chains north of north-east corner of Survey No. 74 of Attikuppe, the line runs north-east, east and north-west along the southern boundary of Gullahatti State Forest to the junction gadi bandh of Gullahatti State Forest and Jodi Sivanahalli village; then south-east and north-east along the southern boundary of Jodi Sivanahalli to the junction gadi bandh of Jodi Sivanahalli and Mahadeswara State Forest.

East.—Then south-west along the right side of the Hebbahalla, the western boundary of Mahadeswara State Forest for about 176 chains to a point about 46 chains north-east of south-east bandh of Survey No. 22 of Bilaganakuppe Village.

South.—Then west through Survey Nos. 22 and 21 of Bilaganakuppe for about 96 chains in a straight line to a point on the common boundary of Survey Nos. 21 and 44 of Bilaganakuppe, about 22 chains north-west of north-west corner of Survey No. 58 of Bilaganakuppe; then south for a distance about 15 chains along the common boundary of Survey Nos. 21 and 44 of Bilaganakuppe to a point about 20 chains west of north-west corner of Survey No. 58 of Bilaganakuppe; then south-west through Survey No. 44 of Bilaganakuppe and 163 of Godur in a straight line for about 60 chains to a point about 8 chains north-east of north-east corner of Survey No. 165 of Godur; then west through Survey No. 163 of Godur for about 15 chains to a point 10 chains north-west of north-east corner of Survey No. 165 of Godur.

West.—Then north-west along the northern boundary of Survey No. 169 of Godur for about 56 chains to the junction gadi bandh of Survey No. 169 of Godur and 77 of Attikuppe; then slightly north-west along the northern boundary of Survey No. 77 of Attikuppe for about 51 chains to the starting point.

Remarks.

I. Right of way over the undermentioned paths is admitted—No. 1 for men and cattle only to a width of six feet for water throughout the year; and No. 2, 12 feet wide for men, cattle and carts throughout the year.

(1) Foot-path from Chikkannavalse to Kunte *via* Naripurdoddi in Survey No. 163 of Godur 6 feet wide and 16 chains long open for men and cattle for water throughout the year. It enters the Forest in its southern boundary at a point about 5 chains north of north-east corner of Survey No. 165 runs north through Survey No 163 of Godur to the Kunte.

(2) Cart-track from Bilaganakuppe to Jodi Sivanahalli, 2 yards wide and 35 chains long open for men, cattle and carts throughout the year. It enters the Forest in its southern boundary at a point about 20 chains north of north-west corner of Survey No. 57 of Bilaganakuppe, runs north through Survey No. 21 and quits the Forest in its northern boundary at the south-west gadi bandh of Jodi Sivanahalli.

II. Patta rights over the following Hiduvali lands are admitted. The lands will be demarcated out free from reservation and be retained as enclosures:—

Village	Survey extent		Remarks
	No.	A. G.	
Godur	159 160 161 162	5 0 4 10 3 5 25 5	Access is allowed for men and cultivating cattle for cultivation to a width of 12 feet by a cart-track entering the State Forest at the junction gadi bandh of Survey No. 77 of Attikuppe and 169 of Godur and running north-east for about 11 chains to the lands.

STATEMENT B.—Register of claims to lands, rights to forest produce or easements in the proposed State Forest.

Number	Name of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement	Remarks
1	2	3	4	5	6	7	8	9
1	Patel Nanjegowda and others of Attikuppe village.	25th June 1933.	Praying (1) for the release of the extent of 62 acres and 16 guntas of land taken in Survey No. 77 gomal for the proposed forest for grazing of the existing number of cattle. (2) To allow right of way to take cattle and carts to Survey Nos. 159, 160, 161 and 162 of Godur lying in the middle of the Forest, for cultivation.	Statement of Patel Nanje-Gowda and others of Attikuppe.	The area of 62 acres-17 guntas taken up for the Forest may be excluded as the existing gomal area is mere rocky and full of ravines and quite insufficient for the existing cattle for pasturage. A right of way through a cart-track 12 ft. wide may be allowed to men and cultivating cattle to enter the forest to the lands for agricultural purposes. These survey numbers may be treated as enclosure to the Forest.	The contention of the villagers deserves consideration. 62 acres, 16 guntas may be reduced for purposes of gomal from the area originally proposed for the Forest. Survey Nos. 159, 160, 161 and 162 will be treated as enclosures. A right of way over a cart-track 12 ft. wide and 11 chains long and men and cattle to this enclosure from Attikuppe and Chikkanavalse, will be reserved during all seasons of the year. This way is not conceded to the Godur villagers.		
2	Patel Santoji Ghatke and others of Godur village.	25th June 1933.	Praying (1) for the release of the area taken up for Forest in Survey No. 169 gomal *i.e.*, 91 acres, as the existing gomal is insufficient for their cattle for pasture. (2) To allow a right of way to a Kunte situating in Survey No. 163, for their cattle and men for water.	Statement of Patel Santoji Ghatke and others of Godur village.	The extent of 91 acres of land taken up for the Forest may be excluded, as the existing gomal is insufficient for the village cattle and some portions have been given away for cultivation already. A right of way through a path 6 ft. wide may be allowed for men and cattle to go to the kunte for water throughout the year.	In view of the contention of the villagers which is reasonable 91 acres may be released out of Survey No. 169 from the area originally proposed for the Forest. The right of way over a foot-path 6 ft. wide and 16 chains long for men and cattle for water to this kunte from Chikkanvalse *via* Naripurdoddi is allowed throughout the year. This is conceded to the villagers of Godur also.		
3	Patel Halappa and others of Bilaganakuppe village.	18th July 1933.	Praying (1) for the release of entire Survey Nos. 21 and 22 from the proposed Forest. (2) To shift the Forest boundary to a sufficient distance from the Hiduvali lands. (3) To allow right of way to take cattle, carts and men to Shivanhalli Jodi village through the existing cart-track.	Statement of Patel Halappa and others of Bilagankuppe village.	(1) The whole proposed area in Survey Nos. 21 and 22 cannot be excluded as these contains valuable growth of Forest trees. Another 140 acres both in Survey No. 21 and 22 towards to the village may be excluded from the Forest for grazing purposes. (2) This may be done as per rules. (3) As the existing cart-track is in use, a right of way through this path may be allowed.	(1) The whole area in Survey Nos. 21 and 22 cannot be reserved. But another 140 should be released out of these numbers for gomal purposes. (2) This should be done as per rules. The line has been shifted to a distance of 10 chains from the new hiduvali land in Survey No. 21 of Bilagankuppe village. (3) The right of way over a cart-track from Bilagankuppe to Jodi Shivanhalli 2 yards wide and 35 chains long open for men, cattle and carts throughout the year.

Approves of the Revised Rules to regulate the Conduct of Sales in respect of revenue yielding items in the Muzrai Institutions.

READ—

Government Order No: 1233-43—Muz. 187-30-8, dated the 10/13th March 1934, approving of the rules to regulate the conduct of sales in respect of revenue yielding items in the Muzrai Institutions.

2. Letter No. 765—34-35, dated the 14th December 1934, from the Muzrai Commissioner in Mysore, requesting in the circumstances explained therein, sanction to the revision of the above rules, as indicated.

ORDER NO. 1044-54—MUZ. 152-34-2, DATED BANGALORE, THE 4—11TH FEBRUARY 1935.

The rules as revised are approved and appended to this order.

R. RANGA RAO,
Chief Secretary to Government.

ANNEXURE.

RULES *RE* LEASE OF LANDS BELONGING TO MUZRAI INSTITUTIONS.

1. Regarding the powers of Muzrai Officers to sanction leases and the duration of leases, the instructions contained in the marginally noted Government Orders shall be strictly followed.

No. 517-25—Muz. 116-16-8, dated 29th August 1917.
No. 2594-602—Muz. 366-18-2, dated 25th February 1917.
No. 2101—Muz. 187-22-2, dated 18th January 1923.
No. 1467—Muz. 226-26-5, dated 22nd February 1928.
No. 1933-4—Muz. 226-26-6, dated 21st April 1928.
No. 236-38—Muz. 346-28-5, dated 7th August 1929.

2. The sale shall invariably be conducted by the Amildar or the Deputy Amildar.

3. A proclamation in the Form hereto appended specifying the full description of the properties, the time and place of sale and the conditions governing the lease shall be issued in advance.

4. Such proclamation shall be published at least fifteen days before the date of sale in the manner prescribed for "Darkhast Sales" under the Land Revenue Law in the following places :—

(i) At Taluk Headquarters.
(ii) In the village or villages where the lands are situated.
(iii) In the neighbouring villages, and
(iv) Any other place where the Amildar or the Deputy Amildar may consider it expedient to publish the proclamation.

5. The bids at the auction sale shall be with reference to the annual rent which the bidders are prepared to offer for the lands.

6. If the rent payable is in kind, the initial deposit to be made by the successful bidder who will be called the lessee under condition of the sale proclamation, shall be the money-equivalent as fixed by the auctioning officer whose decision in the matter shall be final. In special cases, where rent is payable in kind, the District Muzrai Officer may dispense with the payment of the deposit for reasons to be recorded in writing.

7. The lessee shall, on confirmation of the sale, make a further deposit which together with the initial deposit made by him under the terms of proclamation, will be equal to one year's rent and will be adjusted towards the rent of the last year of the lease.

8. The lessee shall not be entitled to any remission of the rent or to any compensation on account of seasonal conditions or any other cause whatever.

9. The sale will not become absolute until confirmed by the authority competent to do so who reserves to himself the final power of refusing or accepting without assigning any reason whatever, the highest or any bid that may be offered.

10. The lessee shall, before entering upon the land, execute at his own cost an agreement on stamp paper of requisite value and in the prescribed form and get it registered in accordance with the law in force.

FORM OF PROCLAMATION

and written notice of the right of cultivation of lands belonging to..............................for a period of ....years commencing from..........................and lasting till the end of.................

Notice is hereby given that the lease of the undermentioned lands will be sold by public auction by the.......................Taluk at the place and on the date specified below.

The sale will commence at 11 A.M.

Conditions of Sale.

1. The sale will not become absolute until confirmed by the authority noted in Schedule 'A' who reserves to himself the final power of refusing or accepting, without assigning any reason whatever, the highest or any bid that may be offered.

2. The successful bidder, who will be called the lessee shall, subject to confirmation of the sale as aforesaid, deposit immediately 25 per cent of the amount of his bid, in default of which the right of cultivating the land shall be resold forthwith.

3. The balance of the amount of the bid which will be called the rent shall be paid by the lessee before sunset of the 15th day from that on which the auction takes place or if the said 15th day happens to be a Sunday or other authorised holiday, then before the sunset of the first office day after such 15th day.

4. In default of payment of the full amount of the bid within the said period, the 25 per cent initial deposit or such portion of it as the sale confirming officer deems fit after meeting the expenses of sale shall be forfeited and the right of cultivating the land shall be resold and the defaulting bidder shall also forfeit all claim to the land or any part of the rent for which it may be subsequently sold.

5. If the sale is not confirmed, the deposit shall be returned to the bidder.

6. If the proceeds of the resale which is held by reason of original bidder's default be less than the bid offered by such defaulting bidder, the difference shall be recovered from him as an arrear of land revenue.

7. The lessee shall pay every year's rent regularly before the end of February each year. The advance of one year's rent paid under Clauses 2 and 3 *supra* shall be adjusted towards the last year's rent.

8. The lessee shall also be required before obtaining from the Amildar, written permission to enter upon the land to execute at his cost an Agreement on stamp paper of requisite value in the prescribed form and get it registered according to law in force. If the lessee enters upon the land without such permission being first obtained, the occupation will be liable to be treated as unauthorised under Section 59 of the Land Revenue Code.

9. The lessee will have no right to any tree or plant standing on such land. He shall be responsible for the proper maintenance of the boundary marks.

10. Before the expiration of the period of his lease, if the lessee fails at any time to pay up the amount of annual rental as agreed to by him, the Muzrai Officers shall have power to resell the right to cultivate the land and the defaulter shall be liable to make good the loss if any, sustained by such resale for the remaining period of the lease.

11. The lessee shall not be entitled to any remission of the annual rent or to any compensation on account of seasonal conditions or any other cause whatever. He shall also be not entitled to any increase that may result by a resale.

12. The lessee shall not transfer the lease by sale or otherwise or sub-lease the same without the previous sanction of the Muzrai Officer,

R. RANGA RAO,
Chief Secretary to Government.

Reviews the Administration Report of the Gardens Department for the year 1933-34.

READ—

Letter No. 150, dated 19th December 1934, from the Superintendent, Government Gardens, submitting the Report of the Administration of the Gardens Department for the year 1933-34.

ORDER NO. E. 2205-65—G. G. 33-34-2, DATED BANGALORE, THE 13TH FEBRUARY 1935.

Recorded.

2. The report has again been received after a delay of two months. This is not satisfactory. The Superintendent is directed to arrange for the punctual submission of the reports in future.

3. Mr. H. C. Javaraya continued to be in administrative charge of the Department during the year under review.

4. *Economic Work.*—The introduction, propagation and acclimatization of new plants of economic value were continued during the year. The work on fruit culture was carried on in the Government Botanic Gardens, the Central Fruit Nursery and the Krishnarajasagara Orchard. A large number of fruit trees were propagated. Nearly 1,300 fruit plants and 11,200 miscellaneous plants were supplied to the public from the Nurseries maintained by the Government.

The area under mango is reported to be 16,000 acres and under plantains 18,500. The total export trade in fresh fruits and vegetables in 1931-32 is stated to be 5,72,971 maunds valued at Rs. 6,30,268, the figures for import trade in these being 2,86,607 maunds valued at Rs. 3,15,267. These figures are three years old and must be brought up-to-date, but they show that there is still great scope for the extension of fruit and vegetable cultivation in the State.

A scheme for opening a Fruit Research Station in the vicinity of Bangalore with a view to investigate conditions favourable for the extension of fruit cultivation in the State is under consideration.

5. *Scientific Work.*—Numerous plants of botanical and horticultural interest were introduced. Government observe that there is a fall in the number of seed-testing and seed-collection carried out during the year.

In regard to pest control, the spraying staff visited 163 gardens and treated 44,691 plants against various pests and diseases.

Experiments on the preparation of composts were conducted successfully.

Government are glad to note that a large number of fruit-growers have followed the advice of the Department in regard to the control of various plant pests and diseases.

6. *Exhibitions and Shows.*—The Department participated in the All-India Dasara Agricultural and Industrial Exhibition held at Mysore.

Two Horticultural Shows were held by the Mysore Horticultural Society and the exhibits displayed are stated to be of a high standard.

The total expenditure of receipts from the Shows amounted to Rs. 2,975-7-11 and Rs. 1,552-11-3, respectively.

7. *Special Schemes.*—The progress of waste land plantation at Tumkur was satisfactory. Over 20,000 avenue plants were propagated in Bangalore, Mysore and Tumkur.

8. *The Horticultural Farm.*—The income, expenditure and net profit on the Farm for the past five years is given below:—

No.	Years	Income			Expenditure			Net Profit		
		Rs.	a.	p.	Rs.	a.	p.	Rs.	a.	p.
1	1929-30 ...	9,720	1	9	6,375	1	11	3,344	15	10
2	1930-31 ...	11,524	1	8	8,386	8	0	3,137	9	8
3	1931-32 ...	12,531	4	4	7,459	5	0	5,071	15	4
4	1932-33 ...	11,029	0	0	8,582	8	9	2,446	7	3
5	1933-34 ...	9,447	0	0	7,290	2	0	2,156	14	0

Government observe that the net profit is decidedly declining. The Superintendent is requested to look into the matter and submit definite proposals to Government to improve the position.

9. *Maintenance and Improvement of Gardens.*—The Lal-Bagh at Bangalore the Terrace Gardens at Krishnarajasagara and the various Parks and Gardens at Mysore, Seringapatam and on the Nandi Hills were maintained in a satisfactory condition.

10. *Grant and Outlay.*—Against a grant of Rs. 1,67,144, the total expenditure of the Department during the year was Rs. 1,63,263-8-4.

The total receipts of the Department amounted to Rs. 23,487-0-9 during the year as against Rs. 20,278-9-11 during the previous year.

11. *Distinguished Visitors.*—The outstanding event of the year was the visit paid by Their Excellencies the Viceroy and the Countess of Willingdon during December 1933, to the Krishnarajasagara Terrace Gardens and the Lal-Bagh.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Directs the Re-grouping of the Shanbhogi Circle at Hadya in Nanjangud Taluk, into two separate units.

READ—

Letter No. C. 2998—34-35, dated the 2nd February 1935, from the Revenue Commissioner in Mysore, recommending sanction to the re-grouping of the Hadya Shanbhogi Circle in Nanjangud Taluk, into two separate units.

ORDER NO. R. 4070-74—R. M. 50-34-2, DATED BANGALORE,
THE 19TH FEBRUARY 1935.

(1) Hadya
(2) Telanur
(3) Gadiguddadahalli Kaval
(4) Kottanahalli
(5) Devarayisettipura

The Shanbhogi Circle referred to above consists of the marginally noted five villages. It was noticed during the Jamabandi of 1930-31 that there were two barawardars, one looking after the duties of the Shanbhogi of the first three villages, and the other of the two remaining villages. An investigation was thereupon ordered as to how the joint baraward which is not allowed under standing orders came into existence. It was found that this arrangement had been in existence for a long time and that it was necessary to split up the firka into two circles in order to regularise and re-arrange the firkas according to the actual enjoyment. The Deputy Commissioner therefore requests sanction to this proposal. As this is also in conformity with the directions contained in Rule 4 of the Rules under the Village Offices Regulation, the Revenue Commissioner, is agreeable to the re-grouping proposed. Government are therefore pleased to sanction the recommendation.

S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT.

Reviews the Administration Report of the Agricultural Department for the year 1933-34.

READ—

Letter No. Per. 50—H. C. of 34-35, dated 2nd December 1934, from the Director of Agriculture in Mysore, submitting the Administration Report of the Agricultural Department for the year 1933-34.

2. Further correspondence ending with letter No. Per. 50, dated 25th December 1934, from the same officer, submitting the reports of the Botanical and other sections.

ORDER No. D. 5408-29—A. & E. 137-34-5, DATED BANGALORE, THE 11—13TH FEBRUARY 1935.

Recorded.

2. Dr. Leslie C. Coleman, M.A., Ph.D., C.I.E., was in charge of the Department till 27th February 1934, when he proceeded on privilege leave preparatory to retirement and was succeeded by Mr. A. K. Yegnanarayana Iyer. During the period Dr. Coleman was in charge, the Agricultural Department attained a high level of efficiency. Government wish to place on record their appreciation of the services rendered by Dr. Coleman.

3. *Seasonal Conditions.*—The rainfall in the year was somewhat deficient for dry crops in the early part of the season. But the later rains were very heavy and tanks received full supplies making it possible to raise both the Karthika and Vysakhi crops of paddy. The yields of both paddy and sugar-cane were good in all the maidan districts. But the yield of coffee and areca in the malnad was somewhat below normal owing to heavy rains. There was no scarcity of fodder or water. Prices of agricultural produce continued to be low owing to economic depression.

4. *Chemical Section.*—Manurial experiments on important crops, such as sugar-cane, paddy, ragi, coffee, areca, cocoanut, cotton and jola, were continued both in the Laboratory as well as on the Departmental Farms and private Estates and the value of artificial manures is reported to be striking on Hebbal and Nagenahally Farms. It is hoped that raiyats will be encouraged to benefit by the experience at the farm in the use of suitable manures more extensively than at present. Honge Oil Resin Soap manufactured in the Government Soap Factory according to the formulæ furnished by the Agricultural Chemist is reported to be very popular as an insecticide and has displaced the fish oil soap. Government are glad to find that its usefulness has found recognition outside the State also and orders for large quantities are being received from other parts of India. Experiments on the moisture content of soils in the Irwin Canal area are reported to have indicated that an irrigation of 2" to 2·5" is enough to saturate the soil completely to a depth of nine inches.

5. *Mycological and Entomological Sections.*—Koleroga having broken out in new areas, spraying work had to be undertaken on a more extended scale during the year and as a result of increased activities in this direction, materials to the extent of Rs. 67,000 were sold for spraying purposes. The areca gardeners of the neighbouring districts of the Bombay and Madras Presidencies as well as the Agricultural Officers of the Dharwar Division visited the affected gardens in the Sagar and Nagar Taluks for studying our methods and extending their spraying operations. The result of the experiments conducted is that Casein is likely to be replaced by groundnut oil as a spray mixture. The "wood rot" of apple plants which is causing havoc in the orchards in Bangalore was under investigation and certain tentative recommendations were made for preventing the spread of the disease.

The sugar-cane borer pest was prevalent in the Irwin Canal area to a large extent and several measures are said to have been tried to control the pest. A scheme for the adoption of the measures since found to be most suitable in the large sugar-cane area in the Irwin Canal has been sanctioned by Government during the current year.

Bee-keeping is becoming popular and a short course was held in the Departmental Apiary at Bangalore for the benefit of prospective bee-keepers. Forty candidates attended the course, of whom one was from Travancore and another from Pudukota.

6. *Botanical Section.*—Four kinds of new seedling canes were tested and H. M. 608 variety gave very rich juice and did not flower. A fresh batch of canes from Java was also tested. Hybridisation work on paddy was successfully conducted on the Nagenahalli Paddy Breeding Station with the help of an apparatus designed by the Economic Botanist. A few varieties of tobacco both local and foreign were grown for trial. The new cross of cotton, H. 190 evolved by the Department gave very encouraging results and is spoken of highly by the Bangalore Spinning and Weaving Mills.

7. *Agricultural Engineering.*—The "Eureka" pattern plough and cultivators made in a local factory at Hassan were tried in actual field work and instructions given to improve their manufacture. A new type of seed drill was devised and tried and it is said to have given the highest yield at the lowest seed rate. A complete set of jaggory boiling outfit was prepared at the Hebbal Workshop and supplied to the Agricultural Department of the Nizam's Dominions. The structural steel work required for the Sugar-cane Farm at Mandya, Irwin Canal Farm and the Ramakrishnakrishishala was also built at the workshop and fitted up at site. The workshop was also engaged in the manufacture of cheap washers for hand sprayers which were till now being imported from Germany, and in addition in attending to the repair work of implements, etc.

8. *Agricultural Education.*—All the four Agricultural Schools are reported to be growing in popularity. The School at Hebbal had a total strength of 91 students in the year. There were 100 applications for the first year class; but only 36 were selected for admission. Thirty-five students appeared for the Diploma Examination and 14 passed and were declared eligible for the Diploma. The Vernacular Agricultural Schools at Chikkanahalli, Ramakrishnapur and Hassan continued to work satisfactorily during the year.

9. *Experimental Farms.*—In addition to plant breeding work on ragi, groundnuts and sugar-cane, varietal tests of paddies were continued on the Hebbal Farm and as a result of these tests, two varieties of paddy have been selected as yielding the best results. Paddy manurial experiments conducted on the Farm have established the advantage of combining green manure with sulphate of ammonia and superphosphate to give the best yields. Manurial and varietal experiments were carried out on the Babbur Farm on cotton, jola, sugar-cane and paddy. In connection with the scheme for encouraging garden and fruit cultivation in the Vani Vilas Sagar area sanctioned during the year, a nursery of four acres was opened for raising seedlings of cocoanuts, arecanuts and fruit plants, like oranges, limes, guavas, pomegranates, etc., for supply to gardeners. Government hope that the scheme will prove to be a success in encouraging fruit cultivation in this area.

Owing to special manuring and spraying, areca crop on the Marthur Farm produced the highest yield ever since the starting of the Farm. The new Malabar variety of pepper yielded double that of the local vines and a good number of cuttings was distributed outside the Farm in the Sagar Taluk and the demand is on the increase. Demonstrations of making brown sugar in place of jaggory were held on this Farm.

Pure seed was continued to be supplied from the several Farms. Trials of tobacco, chillies, cotton and turmeric as alternative crops to sugar-cane, were conducted on the Irwin Canal Farm to see which could be recommended with profit to the raiyats of the tract. Government await the results of the trials with interest. The Irwin Canal tract has great potentialities for the growth of these and other commercial crops like plantains and groundnut and the work of preliminary investigation is being undertaken by the Agricultural Department in the Irwin Canal Farm.

As a result of demonstrations in spraying conducted on the Coffee Experimental Station at Bale-Honnur, an area of 20,000 acres of coffee is reported to have been sprayed by the planters during the year. The Coffee Scientific Officer of the U.P.A.S.I. continued to work on the station and was chiefly engaged in the investigation of Leaf Disease and Die back in coffee.

10. *Demonstration and Propaganda.*—Owing to the prevailing economic depression, there was a fall in the sale of improved implements, implements of the value of Rs. 3,000 having been sold as against Rs. 46,000 during the previous year. The number of areca driers is said to be on the increase in the malnad area, eight being constructed in the Shimoga Circle and three for the first time in the Chickmagalur Circle. Village Panchayets and individual raiyats were persuaded to grow fruit trees like cocoanuts, oranges, plantains, limes, etc., and were supplied with plants and the District Board Nursery at Chickmagalur was largely made use of for the purpose. Articles of the value of Rs. 12,417 were supplied to Village Panchayets and Co-operative Societies and the District Boards of Tumkur, Kadur and Shimoga contributed grants for demonstration in their respective

districts. The total value of sales effected through the Agricultural Depôts was Rs. 79,970 as against Rs. 1,17,805 in the previous year.

11. *Schemes subsidised by the Imperial Council of Agricultural Research.*—The thick cane breeding scheme which is being carried on both on the Hebbal and the Irwin Canal Farms, is in the second year of progress and 700 varieties were selected for planting on account of their special merits.

The scheme regarding the enquiry into the cost of cultivation of sugar-cane and cotton completed its first year of work and the Chief Economist of the Imperial Council in charge of this work visited the State twice in the year to examine the work and to guide the local officers. The other schemes in connection with which grants have been or are about to be sanctioned by the Imperial Council of Agricultural Research relate to the investigation into fish poisons and Johne's disease and the growth of fruit plants like apple, pine apple, etc.

12. *Oil Cake Arrears.*—The balance outstanding under this head from 1916-17 is said to be Rs. 4,800. Efforts should be made to collect these arrears as early as possible.

13. *Conclusion.*—The work of the Department during the year continued to be satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Approves the set of Rules Applicable to all Municipal High Schools and their Committees in the State.

READ—

Letter No. L. 5588—Ml. 215-32-2, dated the 25th February 1933, requesting the Director of Public Instruction to frame and submit rules for the guidance of the Managing Committees of Municipal High Schools in the State.

2. Letter No. A. 3. 2021-235 of 32-33, dated the 13—20th July 1934, from the Director of Public Instruction in Mysore, submitting for approval a set of rules applicable to all Municipal High Schools and their Committees in the State.

ORDER NO. L. 3530-47—ML. 47-34-25, DATED BANGALORE,
THE 16TH NOVEMBER 1934—15TH FEBRUARY 1935.

The rules are approved omitting the exception provided in rule 37 and are appended to this order.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

RULES FOR THE MANAGEMENT OF MUNICIPAL HIGH SCHOOLS.

1. The Municipal High Schools are those financed by the Municipality of the locality, with or without the assistance of the District Board of the District, and the Government.

2. The Government grant to the school shall be not more than half the net authorised expenditure (*i.e.*, total expenditure minus fee income) subject to a maximum of Rs. 50 per mensem per form or section of a form.

In calculating the Government grant only those items of expenditure as are authorised by Government in their Order No. E. 1530-1—Edn. 121-31-8, dated 3rd November 1932 (detailed in the margin), shall be taken into account. But no account shall be taken by the Department of the expenditure incurred by the management of the school without its previous approval. The grant shall be fixed by the Department once in three years on the basis of the average authorised expenditure of the school for the three previous years, subject to the maximum of Rs. 50 per form or section per month.

				Rs.
1	Head Master	...	...	100—5—150
2	Assistant Masters	...	...	60—4—80
2	Do	...	...	40—4—60
1	Commercial Teacher	...	...	40—4—60
3	Pandits and Moulvis	...	...	30—3—45
1	Drawing Master	...	...	30—2—40
1	Drill Instructor	...	...	20
1	Clerk	...	...	20
3	Peons	...	...	10 each
	Contingency	...	...	8 p. m.
	Library grant	...	...	100
	Scavenging allowance		...	3 p. m.
	Malnad allowance		according to scales.	

3. The balance of the expenditure shall be met by contribution from the local Municipality as well as the District Board of the District wherever the latter has agreed to pay. The primary responsibility for finding the excess amount over the fee income and the Government grant shall, however, rest with the Municipality.

4. The management of the School shall vest with a Committee consisting of (1) the Deputy Commissioner of the District, (2) the Deputy Director of Public Instruction of the Division, (3) the District Educational Officer of the District, (4) the Amildar or Sub-Division Officer at the Local Head Quarters, (5) three non-official members of the Municipal Council, nominated by that body, and (6) two non-official members of the District Board (where the Board contributes towards the maintenance of the School), nominated by the Board. The Committee shall be appointed by the Director of Public Instruction and shall continue in Office for three years. The Deputy Commissioner would be the President of the Committee and the Amildar or the Sub-Division Officer would generally be the Secretary of the Committee. It shall be open to the Committee, however, to elect a non-official as Secretary when it is deemed to be practicable.

5. The term of the Members elected or nominated by the Municipal Council and the District Board shall be coterminus with that of their term on the above bodies. When the term of office of any member on the Municipal Council or the District Board expires, he shall cease to be on the Managing Committee of the School and a fresh nomination will be made and the name of the member nominated to the Committee shall be communicated to the Director of Public Instruction for approval.

6. The Municipality shall be the custodian of all the funds of the High School. The accounts of the Municipal High School shall be a part of the accounts of the Municipality concerned, under a separate head, "Municipal High School."

7. The Municipality shall allot out of its funds annually the probable expenditure that would devolve on it on the basis of sanctioned expenditure and anticipated income of the institution from other sources.

8. In respect of all additional expenditure over the normal expenditure of the school the Committee shall make recommendation to the Municipality and the latter is expected to comply with them as far as their funds permit, with a view to satisfy the Educational Department about the efficient working of the school.

9. No additional items of expenditure shall be incurred by the Committee without the previous consent of the Municipality, and the approval of the Government obtained through the Department of Public Instruction.

10. The Committee shall have full powers in the administration and discipline of the school as detailed in rule 21 *infra*.

11. The internal administration of the school shall vest with the Head Master who shall be responsible to the Committee.

12. *Relation between the Committee and the Department of Public Instruction.*—The relation between the Municipal High Schools and the Department of Public Instruction shall be the same as that between aided High Schools and the Department. In all matters on which the orders of the Department are necessary, the school authorities shall address the Deputy Director of Public Instruction of the Division, who is also required to inspect the schools once a year and countersign the grant-in-aid bills.

13. It shall be the duty of the management to give effect to all instructions and directions that may be communicated to it on the result of such inspection by the Deputy Director, subject to a right of appeal to the Director of Public Instruction whose decision shall be final.

14. The management shall conform to the regulations and rules issued from time to time by the Department in respect of courses of study, syllabuses, text-books, school buildings, equipment, examinations, recruitment, qualifications and emoluments of teachers, standards of teaching, physical culture and medical inspection of school children, hours of work in schools, vacation holidays, etc.

15. The management shall levy fees in the schools at rates not lower than those in Government High Schools and the freeships allowed shall not be more than ten per cent of the strength of each class.

16. In case of failure on the part of the management to conform to any of the above, it shall be competent to the Department to withhold a portion or the whole of the Government grant till the instructions are carried out.

17. *The functions of the Managing Committee and its President and Secretary.*—The Committee shall meet once a quarter, *i.e.*, in July, October, January and April, as far as possible, on the Second Saturday of the month, to review the work of the school, pass the accounts and deal with such other matters as may be necessary. It may also meet at any time for disposing of any emergent business, on the motion of the President, or any three members of the Committee.

18. Fifteen days' clear notice of an ordinary meeting and 10 days clear notice or in cases of urgency, notices of such shorter period as is reasonable, of a special meeting specifying the time and place at which such meeting is to be held and the business to be transacted, thereat, shall be given to the members.

The Agenda for the ordinary meeting shall be sent at least five days before the date of the meeting. The President shall be empowered to allow any subject though not in the agenda to be brought up for discussion at the meeting.

19. In special cases the President may call for the opinion of the members in writing by circulating papers among them instead of calling for a special meeting.

20. The President shall preside over every meeting and in his absence, the meeting may elect one of the members present to the Chair.

21. Four members of the Committee including two non-official members shall form the quorum, and the subjects shall be decided by a majority of votes and when there is an equality of votes, the President shall have a casting vote.

22. It shall be the duty of the Secretary to the Committee to send a copy of the Proceedings of each meeting to each member of the Committee and the President of the Municipal Council, and the Director of Public Instruction within ten days after the date of the meeting.

23. The Committee shall prepare every year in the month of March estimates for the following year, of income and expenditure connected with the High School and forward a copy of the budget so prepared and passed by it to the Municipal Council for incorporation in their Budget.

24. The Committee shall appoint all members of the superior service subject to the rules issued by the Department of Public Instruction, sanction their promotion and increments, and shall, on the recommendation of the Head Master take such disciplinary action with regard to them, as may be necessary. It shall also be competent to the Committee to alter the scale of establishment and pay within the limits of the budget, provided that all such alterations should be given effect to after obtaining the approval of Government, through the Director of Public Instruction. Appointments to superior service shall ordinarily be made in accordance with the rules of recruitment issued by Government.

25. The members of the staff shall be entitled to leave under the provisions of the Mysore Service Regulations and subsidiary rules issued thereunder.

26. It shall be the duty of the Committee primarily and that of the Municipality ultimately to see that any pensionary and other contributions due to Government on behalf of any of the employees of Government whose services have been lent to the School, are paid, as per Mysore Service Regulations, within the prescribed time. In the event of the failure of the Committee or the Municipality to comply with the above, it shall be competent to the Comptroller to the Government of His Highness the Maharaja of Mysore on the requisition of the Director of Public Instruction to debit the accounts of the Municipality concerned with the amount due to Government and recover it by suitable adjustment of accounts.

27. Every member of the staff of the Municipal High School shall subscribe to the Provident Fund prescribed by Government in their Order No. E. 265-74—Edn. 139-31-8, dated 15—19th July 1932, and it shall be the duty of the Management and the Municipality to see that he so subscribes and pays his contribution. The Management and the Municipality shall pay towards this fund six pies per rupee in the pay of the employee, the Government contributing the other six pies. The contribution paid by the Management towards the Provident Fund shall not be taken into account by the Department of Public Instruction in calculating the grant to be paid to the school.

28. Every employee of a Municipal High School who chooses to subscribe for the insurance scheme (Official Branch) shall pay the prescribed 10 per cent of his pay as insurance premium in all cases and if in addition to the insurance premium, he finds it inconvenient to pay his contribution to the Provident Fund, he may be permitted to reduce his contribution to the Provident Fund. The Provident Fund subscription will thus vary from nil to six and a quarter per cent. Whether the employee pays any contribution or not the contribution of the management and the Government shall be fixed as though the employee has paid six and a quarter per cent of pay as his contribution. Suitable instructions will be issued by the Comptroller in the matter.

29. *Powers of the President, the Secretary and the Head Master.*—Casual leave to the Head Master shall be sanctioned by the Secretary to the Committee and to all the members of the staff by the Head Master.

30. The President shall have power to exercise disciplinary control over the High School Staff except the power to dismiss or dispense with the services of the members of the superior service which power shall vest with the Committee subject to the approval of the Director of Public Instruction.

31. The Public Servants' Conduct Rules shall apply to the members of the staff.

32. The award of free-studentships shall be made by a Committee consisting of the Head Master, his graduate assistants and the representatives of the Municipality on the Committee.

33. All correspondence from the Head Master to the Committee shall be addressed to the Secretary who shall submit it with his opinion thereon to the President and obtain his orders.

34. The Secretary shall exercise such powers and perform such functions as are delegated to him by the Managing Committee from time to time.

35. The Head Master shall forward to the President of the Municipal Council on or before the 10th of every month a statement of receipts and expenditure relating to the High School for the previous month.

36. The Head Master shall submit to the Deputy Director of Public Instruction all periodical returns and statistics and such other information as may be required by the Department.

37. These rules shall come into force with effect from the academical year 1934-35.

38. The Government may, from time to time, make such addditions and alterations to these rules as they may consider necessary.

Orders the change in the working hours of the Government Presses at Bangalore and Mysore.

READ—

Government Order No. G. 14823-80—P. & S. 66-29-2, dated 27th June 1930, passing orders on the recommendations of the Press Committee and revising the working hours of the Government Presses at Bangalore and Mysore as detailed in the margin.

Week days except Saturdays.
Morning 8 A.M. to 12 NOON.
Afternoon 1-30 P.M. to 5-30 P.M.
Saturdays 7-30 A.M. to 12-30 P.M.

2. Correspondence ending with letter No. P. 1995, dated 10th January 1935, from the Superintendent, Government Printing, submitting proposals to change the working hours of the Government Presses at Bangalore and Mysore.

ORDER NO. G. 7799-800—P. & S. 17-34-17, DATED BANGALORE, THE 13—14TH FEBRUARY 1935.

The hours of work now in force in the Government Presses at Bangalore and Mysore were adopted in June 1930 on the recommendations of the Committee to examine the expenditure under Government Printing and Stationery. Since then, the employees have made several representations that the revised working hours do not allow sufficient interval for the midday meal and requested that a change may be made. It was also brought to the notice of Government at the Birthday Session of the Legislative Council (June and July 1934). The Superintendent, Government Printing, who was recently consulted by Government, has after ascertaining the views of a large majority of the workmen, recommended that the working hours may be so modified as to allow the workmen to attend to their work, after taking their meals in the mornings, continuously till the evening. He therefore proposes that the working hours in the two Presses may be revised as follows:—

	Morning.	*Afternoon.*
Week days except Saturdays	... 10 A.M. to 2 P.M.	2-30 P.M. to 5-45 P.M.
Saturdays	... 10 A.M. to 2 P.M.	2-30 P.M. to 5-15 P.M.

This provides for 43 working hours in the week against 45 as at present. Although the total number of hours of work in a week is reduced from 45 to 43, the change will not enable the men to take up private work but will add to the convenience of a majority of the employees and would therefore conduce to better efficiency.

In the circumstances, Government are pleased to approve of the revision of working hours in the Presses tentatively for one year in accordance with the recommendation of the Superintendent, Government Printing.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

FINANCIAL SECRETARIAT

Reduces further the special rate of interest on Charitable Deposits which may be accepted in future at the ordinary rate of four per cent per annum.

READ—

Government Order No. Fl. 7893-942—G. F. 199-31-2, dated 21st—27th April 1932, directing that the special rate of five per cent on charitable deposits be continued for a further period of three years from 30th July 1932.

2. Government Order No. Fl. 3381-440—G. F. 176-33-3, dated 20th—23rd December 1933, reducing the special rate of interest from five per cent to four and a half per cent per annum.

3. Correspondence ending with Un-official Memo No. 2209—S. L., dated 25th January 1935, from the Comptroller to Government on the subject.

ORDER NO. FL. 6758-817—G. F. 259-31-1, DATED BANGALORE, THE 18—19TH FEBRUARY 1935.

Government direct that (1) the special rates of interest at five and four and a half per cent per annum on charitable deposits be abolished; (2) the ordinary rate of four per cent per annum be allowed in respect of endowments accepted in future; and (3) the special rates temporarily allowed in respect of existing endowments be discontinued after 30th July 1935.

2. They, however, direct that, in cases in which Government have committed themselves to allow special rates permanently, such rates be continued.

S. SHAMANNA,
Secretary to Government,
Financial Department.

Sanctions the Revised Scales of Pay of the Tutorial Staff of the Arts and Science Colleges of the Mysore University.

ORDER NO. FL. 6827-9—S. & A. 444-34-1, DATED BANGALORE, THE 19—20TH FEBRUARY 1935.

Government direct that the scales of pay of the Tutorial Staff of the Arts and Science Colleges of the Mysore University be revised as shown in the annexed statement.

S. SHAMANNA,
Secretary to Government,
Financial Department.

ANNEXURE.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Approves of the Forest Settlement of the Narikalgudda Forest Block in the Channapatna Taluk.

READ—

Government Notification No. R. 2492—Ft. 44-19-2, dated the 19th August 1919, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Narikalgudda Forest Block in the Channapatna Taluk.

2. Memo No. C. 2014—34-35, dated the 23rd November 1934, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G. 7788-91—Ft. 175-34-2, DATED BANGALORE,
THE 14TH FEBRUARY 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Chief Conservator of Forests and the Revenue Commissioner in Mysore, is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st March 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the villages concerned.

R. RANGA RAO,
Chief Secretary to Government.

ANNEXURE.

Notification No. G. 7792—Ft. 175-34-3, dated 14th February 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Mysore Forest Regulation XI of 1900, that from 1st March 1935, the area the boundaries of which are set forth in the schedule annexed shall be deemed to be a "State Forest" subject to exercise of rights specified at foot thereof.

By Order,
R. RANGA RAO,
Chief Secretary to Government.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

District	Taluk	Hobli	Village	Area	Name of Forest	Situation
Bangalore	Channapatna.	Virupakshipura.	Virupakshipura Mangadahalli Ballapatna Kodamballi Shanbhoganhalli Bhairsettihalli	1,226 acres and 32 guntas or 1·915 square miles.	Narikalgudda State Forest.	This block is situated at a distance of about five miles south of Channapatna. Turns on the north-western side of Kabbal State Forest.

BOUNDARIES.

North.—Starting from a point about five chains slightly south-east of south-east corner of Survey No. 496 of Virupakshipura village, the line runs east through Survey No. 497 for about 60 chains in a straight line to a point about six chains, south-west of south-east corner of Survey No. 357 (Tank) of Virupakshipura.

East.—Then south-east through Survey No 497 of Virupakshipura and 234 of Mangadahalli in a straight line for about 58 chains to a point about five chains south-west of south-west gadi bandh of Swadohalli village; then north-east for about five chains along the common boundary of Survey Nos. 234 and 21 of Mangadahalli to the south-west gadi bandh of Swadohalli village; then slightly north-east along its southern boundary to a point about eight chains west of north-west bandh of Survey No. 104 of Bhairsettihalli village; then south-west for about 38 chains in a straight line to a point about five chains west of north-west corner of Survey No. 74 of Bhairsettihalli village; then south-west through Survey No. 76 of Bhairsettihalli for about 39 chains to a point about five chains west of south-west corner of Survey No. 74 of Bhairsettihalli; then south-east through Survey No. 76 of the same village for about 44 chains in a straight line to a point about five chains slightly north-east of north-west corner of Survey No. 24 of Shanbhoganahalli.

South.—Then south-west through Survey No. 46 of Shanbhoganahalli for about 70 chains in a straight line to a point about 13 chains north-west of north-west corner of Survey No. 16 of the same village; then north-west through Survey No. 40 of Kodamballi for about 40 chains in a straight line to a point on the common boundary of Survey No. 40 of Kodamballi and 70 of Ballapatna about 73 chains north-east of north-east corner of Survey No. 39 of Kodamballi; then south-west along the common boundary of Survey No. 40 of Kodamballi and 70 of Ballapatna for about 40 chains to a point about 33 chains north-east of north-east corner of Survey No. 39 of Kodamballi.

West.—Then north through Survey No. 70 of Ballapatna for about 35 chains in a straight line to a point about 23 chains east of south-east corner of Survey No. 22 of Mangadahalli; then north-east through Survey Nos. 21 and 234 of Mangadahalli for about 88 chains in a straight line to a point about 30 chains south-east of north-east corner of Survey No. 233 of Mangadahalli; then in the same direction through Survey No. 497 of Virupakshipura for about 24 chains to the starting point.

REMARKS.

Right of way over the undermentioned paths is admitted. Nos. 1, 2 and 3 for men and cattle for water throughout the year, No. 4 for men for worship throughout the year.

(1) Foot-path from Virupakshipura to the Kunte in Survey No. 497 of Virupakshipura, 6 feet wide and 14 chains long open for men and cattle for water throughout the year. It enters the Forest in its western boundary at a point about 7 chains south of south-east corner of Survey No. 496 of Virupakshipura, runs south-east through Survey No. 497 to the Kunte.

(2) Foot-path from Kodamballi to the Kunte in Survey No. 40 of the same village, 6 feet wide and 20 chains long, open for men and cattle for water throughout the year. It enters the Forest in its southern boundary at a point about 30 chains north-west of north-west corner of Survey No. 16 of Shanbhoganahalli, runs north-east through Survey No. 40 of Kodamballi to the Kunte.

(3) Foot-path from Shanbhoganahalli to Kunte in Survey No. 40 of Kodamballi Village, 6 feet wide and 32 chains long, open for men and cattle for water throughout the year. It enters the Forest in its southern boundary at a point about 10 chains north-west of north-west corner of Survey No. 17 of Shanbhoganahalli, runs north-west through Survey No. 46 of Shanbhoganahalli and 40 of Kodamballi to the Kunte.

(4) The people of the marginally noted villages are permitted to go to Channapangaddige or the top of the Survey No. 40 of Kodamballi for worship throughout the year by a foot-path 6 feet wide, from their respective villages.

1. Virupakshipura
2. Mangadahalli
3. Ballapatna
4. Kodamballi
5. Shanbhoganahalli
6. Bhairsettihalli.

(i) Foot-path from Virupakshipura to Channappanagaddige in Survey No. 40 of Kodamballi, 2 yards wide and 120 chains long, open for men for worship throughout the year. It enters the Forest in its western boundary at a point about 6 chains south of south-eastern corner of Survey No. 496 of Virupakshipura, runs south-east through Survey Nos. 497 of Virupakshipura, 234 and 21 of Mangadahalli, 70 of Ballapatna, and 40 of Kodamballi to the said Gaddige.

(ii) Foot-path from Mangadahalli to Channappanagaddige in Survey No. 40 of Kodamballi, 2 yards wide and 58 chains long, open for men for worship throughout the year. It enters the Forest in its western boundary at a point about 20 chains east of north-eastern corner of Survey No. 17 of Mangadahalli, runs south-east through Survey No. 21 of Mangadahalli, 70 of Ballapatna, and 40 of Kodamballi to the said Gaddige.

(iii) Foot-path from Ballapatna to Channappanagaddige in Survey No. 40 of Kodamballi, 2 yards wide and 55 chains long, open for men for worship throughout the year. It enters the Forest in its western boundary at a point about 22½ chains east from the south-eastern corner of Survey No. 68 of Ballapatna, runs north-east through Survey No. 70 of Ballapatna and 40 of Kodamballi to Channappanagaddige.

(iv) Foot-path from Kodamballi to Channappanagaddige in Survey No. 40 of the same village, 2 yards wide and 39 chains long, open for men for worship throughout the year. It enters the Forest in its southern boundary at a point about 30 chains north-west of north-west corner of Survey No. 16 of Shanbhoganahalli, runs north-east through Survey No. 40 of Kodamballi to the said Gaddige.

(v) Foot-path from Shanbhoganahalli to Channappanagaddige in Survey No. 40 of Kodamballi, 2 yards wide and 46 chains long, open for men for worship throughout the year. It enters the Forest in its southern boundary at a point about 10 chains north-west of north-west corner of Survey No. 17 of Shanbhoganahalli, runs north through Survey No. 46 of Shanbhoganahalli and 40 of Kodamballi to the said Gaddige.

(vi) Foot-path from Bhairsettihalli to Channappanagaddige in Survey No. 40 of Kodamballi, 2 yards wide and 45 chains long, open for men for worship throughout the year. It enters the Forest in its eastern boundary at a point about 27½ chains north-west of north-west corner of Survey No. 95 of Bhairsettihalli, 46 of Shanbhoganahalli and 40 of Kodamballi to the Channappanagaddige.

STATEMENT—B.

Register of claims to lands, rights to forest produce, or easements in the proposed State Forest.

Serial Number	Name of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Basavegowda and others of Mangadahalli village.	23rd June 1933.	Praying for the complete exclusion of the area taken up for the Forest in Survey Nos. 21 and 234 for the grazing of their village and Somanathapur Village cattle.	Statement of Basavegowda and others of Mangadahalli.	There is no necessity for the exclusion of any more area from the forest as there is sufficient gomal left for the village already.	(1) As there will be adequate gomal even after the proposed reservation, the representation of the villagers cannot be conceded. (2) A right of way over a foot-path 2 yards wide and 58 chains long from Mangadahalli to Channappanagaddige in Survey No. 40 of Kodamballi is allowed for men for worship throughout the year.	...
2	Patel Muthegowda and others of Ballapatna village.		Praying for the release of certain extent of gomal in Survey No. 70 included in the Forest, as the gomal left for the village is quite insufficient for the number of cattle existing now in the village.	Statement of Patel Muthegowda and others of Ballapatna village.	Another 30 acres and 12 guntas of land in addition to the gomal already left may be excluded from the forest for the purposes of the grazing of village cattle as prayed for by the villagers.	Another 30 acres and 12 guntas have been left out of the area originally proposed for reservation in Survey No. 70, the total extent of gomal remaining will be quite adequate for the village cattle. A right of way for men only over a foot-path 2 yards wide and 55 chains long to Channappanagaddige from Ballapatna is allowed for worship throughout the year.	...
3	Patel Thimmegowda and others of Kodamballi.		Praying for the exclusion of the entire area taken up for the forest in Survey No. 40 as there are large number of cattle in the village and the present gomal left for the village is quite insufficient.	Statement of Patel Muthegowda and others of Ballapatna village.	It is found reasonable for the exclusion of a greater portion of the area taken up for the forest, as only a small area has been left out on gomal, for the grazing of the village cattle. Hence major portion of the area taken up for the forest may be excluded, only reserving 50 acres for the Forest. A right of way to the kunte and Channappanagaddige in Survey No. 40 may also be given for cattle and men for water and worship, respectively. A right of way to Channappanagaddige in Survey No. 40 of Kodamballi may be given to the villagers of Mangadahalli, Ballapatna, Bhairshettihalli and Shanbhoganhalli also.	(1) The representation of the villagers deserves consideration. Only 50 acres and 20 guntas will be taken for the forest and the rest will be left for gomal. (2) A right of way over a foot-path 2 yards wide and 20 chains long to the kunte and over a foot-path 2 yards wide and 39 chains long to the Channappanagaddige in Survey No. 40 for men and cattle of Kodamballi village will be allowed throughout the year. (3) Rights of way for the villagers of all the villages to the Channappanagaddige will be allowed.	...
4	Patel Sambu Gowda and others of Shanbhoganhalli.		Praying for the exclusion of the entire area taken up for the forest in Survey No. 46 as the existing gomal left for the village is quite insufficient on account of grant of large areas for cultivation. For a right of way for water to the kunte by a foot-path in Survey No. 46.	Statement of Patel Sambu Gowda and others of Shanbhoganhalli.	(1) Another 242 acres and odd area may be excluded from the forest so as to avoid the cultivation lands away from the forest boundary as most of the hiduvali lands granted long ago before the block was notified under Section 4 falls within the proposed forest boundary. (2) A right of way to the kunte for cattle and men for water may be given by a foot-path in Survey No. 46.	(1) About 330 acres of gomal will be left for the village. This will exclude the area granted for cultivation from the block now settled. (2) Foot-path to kunte in Survey No. 40 of Kodamballi branched from Shanbhoganhalli-Channappangaddige foot-path at a point about 22 chains from the point where the other foot-path enters the forest is not conceded to the villagers of Shanbhoganhalli as it is not in use. This has been now deleted in the map. (3) A right of way over a foot-path from Shanbhoganhalli 2 yards wide and 32 chains long for men and cattle to the kunte in Survey No. 40 of Kodamballi is allowed throughout the year. (4) A right of way over a foot-path from Shanbhoganhalli to Channappanagaddige in Survey No. 40 of Kodamballi 2 yards wide and 46 chains long is allowed for men for worship throughout the year.	...

STATEMENT B.—*concld.*

Serial Number	Name of claimants	Date of presentation of claims	Nature and extension of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
5	Patel Singri Gowda and others of Virupakshipura.	23rd June 1933.	Praying,— (1) For the release of sufficient gomal in Survey No. 497 for the grazing of their village cattle. (2) For a right of way to Channappanagaddige in Survey No. 40 of Kodamballi for worship. (3) For a right of way to Kunte in Survey No. 497 for watering their cattle.	Statement of Patel Singri Gowda and others of Virupakshipura.	(1) There is no necessity for the exclusion of any more area from the forest as the village has got sufficient gomal left for use. Only the forest line may be shifted to a distance of 5 chains from the edge of the hiduvali lands. The right of way to Channappanagaddige and kunte as prayed for by the villagers may be given by means of foot-path left wide.	(1) The gomal that will be left after the proposed reservation will be adequate. The representations of the villages cannot therefore be conceded. (2) The forest boundary will be shifted to a distance of 5 chains from hiduvali lands. (3) The right of way over a foot-path from Virupakshipura 2 yards wide and 120 chains long to Channappanagaddige in Survey No. 40 of Kodamballi and of over a foot-path 2 yards wide and 14 chains long for men and cattle to the kunte in Survey No. 497 will be allowed throughout the year.	... ...
6	Village Panchayet Member Hutch Marigowda and *others of* Bhairsettihalli.		Praying for the release of the entire area taken up for the forest in Survey No. 76 as gomal left for the village is quite insufficient.	Statement of Hutch Marigowda and others of Bhairsettihalli.	The whole area taken up for the forest cannot be released. Only the forest line may be shifted to a distance of 5 chains west of Survey No. 74 after exclusion of 65 acres of land from the proposed forest.	(1) Area left after the proposed reservation is adequate. Yet as a measure of concession in view of the nature of the land, another 65 acres is excluded from the forest. (2) The boundary line should be kept 5 chains of the boundaries of hiduvali lands. (3) A right of way over a foot-path from Bhairsettihalli to Channappanagaddige in Survey No. 40 of Kodamballi 2 yards wide and 45 chains long is allowed for men for worship throughout the year.	... ...

Sanctions the Sale of Honge Leaves and Seeds in the State Forests, Amrit Mahal Kavals and Plantations once in two years.

READ—

Government Order No. I. C. 5869-80—Ft. 42-22-8, dated 24th March 1923, directing that the sales of Minor Forest Produce should be conducted once in two years alternating with the sales of Tangadi and Kakke barks.

2. Government Order No. S. 499-507—Ft. 70-27-2, dated 27th August 1927, directing that the period of lease of Tupra leaves be extended to three years subject to certain conditions.

3. Letter No. D. 1-212-1394—33-34, dated 17th January 1925, from the Chief Conservator of Forests, requesting sanction to the sale of Honge leaves and seeds in the State Forests, Amrit Mahal Kavals and Plantations once in two years immediately after the conclusion of the sales of other Minor Forest Produce to maintain uniformity of practice instead of the same being sold once a year as per his office Circular No. 11703-14, dated 6th April 1921.

ORDER No. G. 7946-56—FT. 199-34-2, DATED BANGALORE,
THE 18TH—22ND FEBRUARY 1935.

Sanctioned.

R. RANGA RAO,
Chief Secretary to Government.

DEVELOPMENT SECRETARIAT

Reviews the Administration Report of the Kolar Gold Field Sanitary Board for the year 1933-34.

READ—

Report on the administration of the Kolar Gold Field Sanitary Board for the year 1933-34, received with the President's letter No. C. 1—34-35, dated 28th September 1934.

ORDER No. L. 5497-501—L. B. 51-34-10, DATED BANGALORE,
THE 1ST—8TH FEBRUARY 1935.

Recorded.

2. *Constitution.*—The Board was reconstituted by Notification No. L. 3549—L. B. 50-33-6, dated 20th November 1933, and consisted of 20 members of whom 7 were *ex-officio* and 13 were non-official members. Of the latter, 7 were approved by Government on the nomination of the Mining Board, 2 were elected from among the rate-payers of Robertsonpet, 1 from Andersonpet and 1 from Oorgaum Village and the remaining 2 were nominated by Government to represent the other rural areas under the administration of the Board.

3. *Meetings and Attendance.*—Six Ordinary and 3 Special Meetings were held during the year, the average attendance at each meeting being 14·11 (5·22 officials and 8·99 non-official members).

4. *Committees.*—Three Sub-Committees were appointed by the Board during the year—

(i) to fix the limit of free water supply to the religious and charitable institutions in Robertsonpet;

(ii) to investigate the question of double taxation in IV Block, Robertsonpet; and

(iii) to find out sources for meeting the Board's share of the cost of expansion of primary education in the Board's area.

There was full attendance of members at the meetings of these Committees.

5. *Finance.*—The year opened with a balance of Rs. 4,961-15-9 and closed with a balance of Rs. 8,266-4-10. The total income and expenditure of the Board during the year were Rs. 1,46,727 and Rs. 1,43,422, respectively against Rs. 1,36,235

and Rs. 1,36,318, respectively in the previous year. The principal items of revenue were (1) Cesses, (2) Market and Slaughter House Fees, (3) Vehicle, House and Mohatarfa Taxes, and (4) Ground Rent from Cooly Colonies, the income from these sources being (1) Rs. 15,071, (2) Rs. 50,053, (3) Rs. 24,333, and (4) Rs. 9,488, respectively. A sum of Rs. 1,100 being the contribution from the Village Panchayets in the Board's area, a sum of Rs. 300 from the Indian Red Cross Society, and a sum of Rs. 6,000 contributed by the Mining Board towards Medical Relief were also received during the year.

The following were the chief items of expenditure :—

		Rs.
1.	Public Works	11,329
2.	General Administration	8,931
3.	Public Health	30,665
4.	Medical Relief	10,863
5.	Lighting charges	4,878
6.	Water Supply	24,330

6. *Demand, Collection and Balance.*—The demand under assessed taxes in respect of Robertsonpet, including arrears, was Rs. 12,176. Of this, a sum of Rs. 8,302 was collected leaving a balance of Rs. 3,874 to be collected at the end of the year, as against Rs. 3,355 at the end of the previous year. The percentage of collection to the total demand was 68·18 against 70·62 in the previous year and 77 in the year 1931-32.

The demand under assessed taxes, including arrears, in respect of the villages brought under the administration of the Board with effect from 1st December 1932, was Rs. 11,899. Of this, a sum of Rs. 5,800 was collected during the year, leaving a balance of Rs. 6,089 to be collected at the end of the year. There has been some improvement in collection work under the head over that of the previous year but there is scope for further improvement.

7. *Public Works.*—The total cost incurred under "Public Works executed by the Civil Department" was Rs. 10,976 against Rs. 7,668 in the previous year.

8. *Public Health and Sanitation.*—The number of births and deaths per mille of population was 44·98 and 29·00 respectively, against 45·54 and 29·42 in the previous year. The Kolar Gold Field Sanitary Board was free from Cholera during the year, while there were 20 deaths from Plague, 16 from Small-pox and 78 from Malarial fever against 134 deaths from Plague, 13 from Small-pox and 173 from Malarial fever during the previous year. The number of vaccinations performed were 22,286 against 55,022 during the previous year. A sum of Rs. 1,419 was spent for the maintenance of the Child Welfare Centre at Robertsonpet against Rs. 1,367 in the previous year. The total number of patients treated in the several medical institutions was 63,237 against 58,010 during the previous year.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Administration Report of the Village Panchayets in the State for the year 1933-34

READ—

The report on the working of the Village Panchayets in the State during the year 1933-34, received with letter No. C. Per. A. 45—34-35, dated 15th November 1934, from the Revenue Commissioner in Mysore.

ORDER NO. L. 5916-39—V. P. 44-34-3, DATED BANGALORE, THE 19—25TH FEBRUARY 1935.

Recorded.

2. *Constitution.*—The total number of Village Panchayets and Hamlets increased from 10,604 to 11,266 during the year, the increase being largely due to

the splitting up of some of the old group panchayets during reconstitution in the Tumkur, Mysore, Shimoga, Kadur and Chitaldrug Districts and partly to the constitution of Jodi villages in the Kolar District into Village Panchayets. The total number of elected and nominated members on the last day of the year was 51,860 and 30,777 as against 49,175 and 28,848 respectively, in the previous year.

3. *Meetings.*—There was an increase in the number of meetings held in all the districts except Hassan District as compared with the preceding year. It is however reported that meetings were not held with sufficient frequency, while some of the Village Panchayets did not meet at all. This is unsatisfactory. The Revenue Commissioner is requested to issue needful instructions to the Amildars to see that the Panchayets hold at least the prescribed number of meetings.

4. *Finance.*—There was at the beginning of the year a cash balance of Rs. 32,60,589 at the credit of the Village Panchayets. The income and expenditure during the year were Rs. 8,95,347 and Rs. 8,11,251 respectively, and the closing balance was Rs. 33,44,685. There was a small decrease in the total receipts by Rs. 13,166 due to poor collections under house-tax and tax on vacant sites on account of economic depression.

Out of the total demand of Rs. 46,59,892 for the year, only a sum of Rs. 10,63,333 inclusive of remissions was realised as against Rs. 10,74,882 realised during the preceding year, leaving a balance of Rs. 35,96,559 as against Rs. 32,63,121 in the previous year. The arrears were very heavy in the Mysore and Tumkur Districts and were fairly large in the Bangalore, Hassan and Chitaldrug Districts. It is stated that the poor collections were due partly to economic depression and partly to the negligence of Panchayets in taking effective steps for the recovery of the arrears. The Panchayets with heavy arrears should be directed to employ Special Revenue Inspectors for the collection of the same and take action to see that the arrears are reduced to the absolute minimum possible and that all the time-barred dues are written off the accounts. The Amildars should also be asked to watch the progress in these directions during their visits to the villages.

The expenditure incurred during the year was Rs. 8,11,251 as against Rs. 7,51,809 in the preceding year. While conservancy, sanitation and water supply received adequate attention as in the previous years, greater activity was shown in regard to the execution of public works, such as panchayet halls, chavadis, school buildings drains, roads, cattle pounds, gate pillars, etc., the amount spent on them being Rs. 3,66,823 against Rs. 3,35,663 in the previous year. Some of the Village Panchayets provided petromax lights for street lighting and electric lights were installed in 42 villages and proposals for installing them in some more villages were under consideration. With a view to utilise the large amount at the credit of Village Panchayets for works of public utility, 26 Panchayet Inspectors have been appointed in the Districts of Bangalore, Kolar, Tumkur, Shimoga and Chitaldrug, under the scheme sanctioned for the purpose in 1932-33.

5. *Activities of the Village Panchayets.*—The system of employing weekly communal labour for the execution of village works continued in some villages, the value of labour so contributed during the year being over a lakh of rupees. Several Village Panchayets continued to render medical aid in their villages by distributing quinine pills freely. A new Local Fund Dispensary was opened during the year at Sakke in the Jagalur Taluk. New Vaidyasalas were opened in a few villages. Sub-Assistant Surgeons rendered medical aid when Influenza and Malaria broke out in parts of Sira and Pavagada Taluks during the year and the Rural Health Staff at Mandya helped in checking epidemics in the Mandya and Maddur Taluks in addition to educating village folk on Sanitary and Health matters. Agricultural implements were purchased during the year by several Village Panchayets and supplied to the villagers, and ragi, paddy and sugar-cane seeds were also purchased and distributed to the villagers. The system of entrusting to Village Panchayets the management of village forests and village tanks was extended during the year. Improvement of village communications received special attention as also the improvement of villages by laying out approach roads, kerb stones on either side of the roads, erection of ornamental gate pillars, fixing of name boards and laying out parks.

6. *General.*—A Rural Industries Section was organized to demonstrate Rural and Cottage Industries during the All-India Exhibition held at Mysore, during the year 1933. A number of Baby Shows and Health Exhibitions were held in a number of places throughout the State. Some Village Panchayets contributed to the funds of the Indian Red Cross Society. All the powers of an Amildar under the Village Panchayet Regulation were conferred upon Sirdar Mr. Lakshmikantaraj Urs for the management of the Village Panchayets in his 15 Inam Villages in the Mysore District.

The Revenue Commissioner has brought to notice that while the Panchayets in general have got accustomed to their routine duties, a considerable number of them, particularly in maidan parts, have shown varied activities by constructing drinking water wells, inter-village and approach roads and village halls, arranging for medical aid, street lighting, scavenging and other amenities and the weekly tidying up of village sites. He also reports that about a hundred Panchayets are levying optional taxes to help them to carry out their self-imposed additional duties and that a number of Panchayets recently offered to utilise their accumulated funds to carry out relief works and open grain and fodder depots if the agricultural situation became acute as apprehended. Government are gratified to note the increasing activities in the administration of the Panchayet organisation and that a number of non-official gentlemen took keen interest in the working of the Panchayets and in movements of public utility during the year and wish to convey their thanks to these gentlemen.

Secretary to Government,
Development Department.

Directs that no action is necessary *re* changing the name of the Mysore Insurance Company, Ltd., Bangalore.

READ—

Letter No. 18538, dated 5th April 1934, from the Secretary, Mysore State Life Insurance Committee, suggesting that action may be taken to have the name of the newly started Mysore Insurance Company, Ltd., Bangalore, changed so as to avoid the possibility of a mistake being made by the public between that Company and the State Life Insurance Committee.

2. Letter No. M. I. 286, dated 5th February 1935, from the Directors of the above Company, explaining the difficulties that exist in altering the name of the Company and adding that every precaution will be taken to avoid all possibility of a mistake being made by the public between their Company and the State Insurance Committee.

ORDER No. D. 5744-46—J. S. 37-33-8, DATED BANGALORE, THE 27TH FEBRUARY 1935.

The Directors of the Company represent that, if any change in the name of their concern were to be ordered now, it would seriously affect the confidence of the public in the Company and lead to loss of business. With a view to safeguard the interests of the [illegible]tate Life Insurance Scheme, they are agreeable to have precautionary m[illegible]aken to avoid the possibility of a mistake being made by the public, such [illegible]ting a clause in all their advertisements that their Company is entirely [illegible] the Mysore State Life Insurance Committee.

In v[illegible]ance, Government do not wish to take any further action in the [illegible]nt.

M. VENKATANARANAPPA,
Secretary to Government,

BANGALORE, THURSDAY, MARCH 7, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Passes orders in the matter of the celebration of Their Majesties' Silver Jubilee.

OFFICIAL MEMORANDUM.

O. M. No. P. 4677-4744—P. P. 57-34-36, DATED BANGALORE, THE 2ND MARCH 1935.

The 25th Anniversary of His Majesty the King Emperor's Accession to the Throne, which falls on Monday the 6th May 1935, is to be celebrated by special rejoicings throughout the Empire. His Majesty has been graciously pleased to approve of the proposal that in commemoration of so auspicious an occasion, a fund should be raised in India for charitable purposes and that it should be devoted to the Indian Red Cross Society, the St. John Ambulance Association (Indian Council), the Countess of Dufferin's Fund and the Indian Soldiers' Benevolent Fund. The fund is to be known as "Their Majesties' Silver Jubilee Fund, India;" and all moneys received for the fund, whether by way of direct contributions or raised by methods devised for the occasion, will, excepting sums actually expended on organisation and subscriptions reserved for expenditure on local Jubilee celebrations, be expended on relieving distress and suffering in this country in accordance with Their Majesties' express desire. The four institutions to which the fund is to be devoted are of an All-India character and cover a very wide field and should have a strong appeal to the sympathy and support of all classes in the State. Every one who subscribes to the fund which is now being organised will have the satisfaction of knowing that his or her contribution will be expended in the best possible manner for the relief of distress and suffering.

2. At a public meeting of the leading citizens of Bangalore and other parts of the State convened in the Daly Memorial Hall on the 30th January 1935, a Central Committee was organised to invite and collect subscriptions and donations in the State. The amounts so collected will be remitted to the central fund from which a substantial portion will be returned eventually to the State for expenditure within the State on the objects to which the fund is to be devoted.

3. The Government of His Highness the Maharaja are pleased to direct all Heads of Departments and Deputy Commissioners of [illegible] and other local Officers of Government, to co-operate with the central Committee in regard to the formation of local committees and in organising the necessary help for celebrating the occasion in a befitting manner throughout the State and invite the active co-operation of all local bodies.

4. Each locality may celebrate the occasion in such manner as it decides but generally the celebration may take the following forms:—

(*a*) Thanksgiving services in all Temples, Mosques, Churches, etc.

(*b*) Bhajanas, Harikathas, etc.

(*c*) Illumination of Public Buildings on 6th May at departmental cost.

(*d*) Sports, fireworks and bonfires.

(*e*) Entertainments to School Children and at Orphanages, Hospitals and other Charitable Institutions, through Departmental aid, and the Co-operation of City, District and Local Committees.

(*f*) Alms and presents of clothing to the poor including feeding through the above committees and local support.

5. The 6th May 1935 has been declared as a General Holiday, and another holiday between the 6th and 18th May 1935 will be notified in due course to enable all people to participate in the celebrations.

Orders will be issued directing all Government Treasuries to receive subscriptions towards Their Majesties' Silver Jubilee Fund, and permitting Officers of Government wishing to deduct subscriptions to the Fund from their pay bills, to do so.

6. The Government appeal to the people of the State to support the committee in their work and to prove their devotion and loyalty to the Crown and their generosity towards those in need of help by contributing generously according to their means, to Their Majesties' Silver Jubilee Fund.

7. The Deputy Commissioners of Districts will supervise the working of the local committees and are requested to send up reports to the central committee regarding the details of the celebrations in their jurisdictions and of the amount of subscriptions realised and the manner of its utilisation, and the central committee is requested to send a detailed report to the Government.

By Order,
R. RANGA RAO,
Chief Secretary to Government.

Directs that the printing of subjects, etc., brought forward by the members of the Representative Assembly for discussion at the District Meetings be got executed invariably in the Government Press.

READ—

Government Order No. R. 7537-41—L. R. 104-28-45, dated 16—19th March 1929, directing among other things, that the printing of the subjects, etc., brought forward by the Representative Assembly members for selection at the preliminary meetings of the Representative Assembly in the Bangalore and Mysore Districts, be got executed in the Government Press.

2. Government Order No. R. 478-81—L. R. 104-28-63, dated 22nd July 1929, directing that the subjects, etc., brought forward for consideration at the preliminary meetings of the Representative Assembly members in the Tumkur District be also printed at the Government Press.

3. Letter No. G. R. 3249—34-35, dated 15th January 1935, from the Deputy Commissioner, Chitaldrug District, stating that the Comptroller has raised an objection for incurring an expenditure of Rs. 20 in getting the subjects, etc., received from the members for selection at the District meetings, printed at the local press and requesting sanction of Government for having adopted the procedure.

ORDER No. RL. 225-35—R. A. 24-34-8, DATED BANGALORE, THE 1ST MARCH 1935.

The expenditure of Rs. 20 incurred by the Deputy Commissioner, Chitaldrug District, for getting the subjects printed at the local press is sanctioned.

Government consider it desirable to have a uniform procedure in all the Districts in the matter of printing the subjects, etc., brought forward by the Representative Assembly members for discussion at the District meetings and are accordingly pleased to direct that the printing work in this connection be got executed invariably in the Government Press.

The Deputy Commissioners of Districts are requested to send the manuscripts of the subjects to the Government Press well in advance so that printed copies could be supplied by the Press in time for the District meetings.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Directs the levy of temporary dry assessment in certain cases on lands situated under Breached Tanks, the balance of wet assessment being remitted in such cases.

READ—

Paragraph 60 of the Report of the Agriculturists' Relief Committee, suggesting a revision of the existing rules relating to the remission of Kandayam on lands situated under Breached Tanks.

2. Letter No. C. 308—34-35, dated 9th November 1934, from the Revenue Commissioner in Mysore, submitting his views in the matter.

3. Un-official note No. 207, dated 19th February 1935 of the Chief Engineer of Mysore on the subject.

ORDER No. R. 4304-15—L. R. 254-34-2, DATED BANGALORE, THE 5TH MARCH 1935.

Rule I of the Rules relating to the remission of Kandayam on lands situated under Breached Tanks as contained in Para 234 of the Mysore Revenue Manual stands as follows:—

> " When by breaching or any other accident a tank or other work of irrigation is not available for irrigation, in lieu of the wet assessment on lands situated under such tank or other work, there shall be substituted during the first year of the breach or accident and succeeding years during which the tank or other work may remain unrestored and unavailable for irrigation, a temporary reduced assessment of half of the full wet assessment, which should be levied as bengar Kandayam, the remaining half being shown in the accounts as a remission, without reference to any dry crops which may be raised.

2. The Agriculturists' Relief Committee who examined the rules have, in Para 60 of their report, expressed the view that there is no justification for recovering anything more than the dry assessment in such cases and recommended that, if the occupant raises only dry crops and the prospect of the tank being repaired is remote, dry assessment might be levied in lieu of half the wet assessment.

3. The Revenue Commissioner is of opinion that the rules are quite suitable for the generality of cases where the damage is not serious and the breach is likely

to be repaired without any undue delay but that a more liberal treatment would be necessary in cases where a tank has ceased to be in action for years together and the prospect of its being repaired is remote and only dry crops are raised under it. He accordingly suggests the addition of the following at the end of Rule I of the Rules referred to above :—

"In cases where the tank is, for all practical purposes, abandoned for an indefinite period and no wet crops have been raised under it for three successive years, a temporary assessment at the maximum dry rates prevailing in the village may be levied as Bangar Kandayam, with the sanction of the Revenue Commissioner, the balance of wet assessment being shown as a remission."

Government are pleased to approve of the addition proposed by the Revenue Commissioner.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Orders the continuance of the facilities granted in the Government Order of 21st September 1928, in regard to the grant of tank-beds for temporary cultivation for another three years.

READ—

Government Order No. R. 2588-98—L. R. 474-27-2, dated the 21st September 1928, issuing instructions to regulate the grant of tank-beds for temporary cultivation and directing that the instructions should be in force for a period of three years in the first instance.

2. Government Order No. R. 6346-56—L. R. 297-28-78, dated the 5th February 1929, directing that tank-bed lands granted for temporary cultivation should not be allowed to be cultivated for more than three years in succession by one man or another and that the lands should be kept unoccupied for a year or two before being again granted for cultivation.

3. Letter No. 2684 of 1934-35, dated the 14th February 1935, from the Revenue Commissioner, recommending the continuance of the facilities granted in the first order read above.

ORDER No. R. 4234-44—L. R. 250-34-2, DATED BANGALORE,
THE 27—28TH FEBRUARY 1935.

Government are pleased to order the continuance of the facilities granted in the first order read above for another three years.

S. ABDUL WAJID,
Secretary to Government,
General Department.

Sanctions the reduction of the re-admission fee in Primary Schools from eight to four annas with effect from the next school year.

READ—

Rule 33 of the rules issued with Notification No. E. 1246—Edn. 325-30-14, dated 29th September 1931, sanctioning the levy of a re-admission fee of annas eight in recognised Elementary Schools.

2. Letter No. D. 4. 3068-223 of 34-35, dated 6th February 1935, from the Director of Public Instruction in Mysore, requesting sanction to the reduction of the re-admission fee in Primary Schools from eight to four annas with effect from the next school year.

ORDER No. E. 2374—EDN. 305-34-2, DATED BANGALORE,
THE 26TH FEBRUARY 1935.

Sanctioned.

S. ABDUL WAJID,
Secretary to Government,
General Department.

Directs that every officer authorised to draw pay should attach to the salary bill of the establishment commencing from that for the month of March 1935, a list of persons newly appointed during the month.

READ—

Government Order No. 6-105—C. R. B. 1-34-1, dated the 3rd July 1934, issuing Revised Rules of Recruitment governing the Subordinate Services of Government.

2. The undermentioned Resolution passed by the Central Recruitment Board at their meeting held on the 25th July 1934 :—.

14 (6) "In order to make sure that the Rules are not in any way evaded and that all new appointments, after the issue of the approved lists are made from the approved lists only, a list of persons newly appointed during the month may be required to be attached to the salary bill of the establishment, showing the particulars as to the number in the approved list. If there were no new appointments made during the month, a certificate to that effect may be required to be attached to the salary bill. The list or the certificate received in the Comptroller's Office may be transmitted to the Central Recruitment Board Office for purposes of check. The Comptroller to Government may be consulted as to the details of the arrangement."

3. Un-official Note No. 58—TAD B II, dated the 27th August 1934, from the Comptroller to Government in the matter.

ORDER No. 6770-869—C. R. B. 28-34-1, DATED BANGALORE, THE 2ND MARCH 1935.

According to the Revised Rules of Recruitment issued with the Government Order read above, candidates should, as vacancies occur in each unit in any of the kinds of appointments in respect of which approved lists of eligible candidates, assigned by the Central Recruitment Board to each unit, are issued, be appointed therefrom, in that unit, according to the relative order in which their names are entered in the General or Special lists respectively, in the manner prescribed in Rule 20 therein, and in accordance with the Memorandum of instructions issued in this behalf. The approved lists have now been issued, and, in order to ensure and verify that appointments are made accordingly, Government direct that every officer authorised to draw pay should attach to the salary bill of the establishment commencing from that for the month of March 1935, a list of persons newly appointed during the month in the undermentioned form and that, if there were no new appointments made during the month, a certificate to that effect should be attached to the salary bill. The list or certificate thus received will not be audited by the Comptroller as to its correctness, but he will see that it is furnished, and will transmit it to the Secretary, Central Recruitment Board, for purposes of necessary check.

1. Serial Number.
2. Unit Office to which the appointment made belongs.
3. Name of the candidate appointed.
4. His serial number in the Central Recruitment Board approved list.
5. Designation and pay of the appointment.
6. Authority for the appointment.
7. Remarks.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

FINANCIAL SECRETARIAT.

Raising the maximum insurable age in the Public Branch of the Mysore State Life Insurance.

READ—

Letter No. 13258, dated 3rd December 1934, from the Secretary, Mysore State Life Insurance Committee, forwarding for the approval of Government, a copy of the marginally noted resolution passed at their meeting held on 12th November 1934, regarding the raising of maximum insurable age in the Public Branch and requesting sanction to the incorporation of the extended Tables prepared by the Actuary, in the existing Tables.

"Resolved that the maximum insurable ages be extended to 50 under Tables I and II and to 55 under Tables III and IV and that the Tables furnished by Mr. Bacon be adopted."

2. Correspondence ending with Un-official Memo, dated 13th February 1935, from the Secretary, Mysore State Life Insurance Committee, in the matter.

ORDER NO. FL. 7055-134—G. F. 202-34-2, DATED BANGALORE, THE 27TH FEBRUARY 1935.

Approved.

S. SHAMANNA,
Secretary to Government,
Financial Department.

ELECTRICAL SECRETARIAT.

Reviews the Administration Report of the Electrical Department for the year 1933-34.

READ—

Letter No. C. 210, dated the 22nd October 1934, from the Chief Electrical Engineer, submitting the Administration Report of the Electrical Department for the year 1933-34.

ORDER NO. E. D. S. 1630-45, DATED BANGALORE, THE 28TH FEBRUARY 1935.

Demand, Collection and Balance.—Against the Budget Estimates of Rs. 52,12,500 for the year under "Receipts" and the revised one for Rs. 54,48,000, the collection amounted to Rs. 54,83,383 showing an increase of Rs. 35,383 over the revised estimate. The gross demand for the year was Rs. 59,70,201 including the previous year's arrears of Rs. 3,00,937.

The arrears at the end of the year stood at Rs. 4,86,818 against Rs. 3,00,937 for the previous year. Amounts aggregating Rs. 2,54,688 due from the Mining Companies, Municipalities and certain Government Departments are reported to have been since realised. It is stated that the non-payment of deficits in the guaranteed amounts due from the several Municipalities amounted to an extent of Rs. 1,49,046. The arrears outstanding against private consumers amounted to about Rs. 68,968. The attention of the Chief Electrical Engineer is being repeatedly invited to the necessity of bringing down the arrears. It is stated that all possible steps are being taken to keep down the arrears; it is hoped that material improvements will be effected in this direction during the current year and the arrears reduced to the minimum, as far as possible.

2. *Working Expenditure.*—A length of about 429 miles of High Tension Lines and about 529 miles of long distance Departmental Telephone Lines as well as the Automatic Telephone Trunk Line between Bangalore and Mysore were maintained during the year. The working expenses under Power, excluding those under Suspense, Contribution to Provident and Depreciation Fund Accounts amounted to Rs. 11,58,906 against Rs. 10,99,122 during the previous year. The increase of Rs. 59,784 was mainly due to the additional expenditure incurred towards the maintenance of certain newly electrified places. The gross revenue demand for the year excluding the previous year's arrears being Rs. 56,36,740, the working expenses of the Department work up to 20·56 per cent of the gross demand against 20·86 per cent during the previous year. Including the amounts under Suspense and Contribution to Provident and Depreciation Fund accounts, the percentage of working expenses of the Department works up to 34·39 against 34·24 in the previous year.

Under Telephones, the working expenses amounted to Rs. 17,662 during the year against a gross revenue demand of Rs. 32,524 resulting in 54·34 per cent of the gross demand against 46·94 per cent during the previous year.

3. *Revenue Returns.*—The net revenue for the year amounted to Rs. 35,90,362 after setting apart a sum of Rs. 6,79,575 as contribution to Depreciation Fund and Rs. 34,221 to the Departmental Provident Fund.

4. *Capital Outlay.*—The capital outlay under Power excluding Suspense amounted to Rs. 6,54,064 as against Rs. 6,90,817 in the previous year. The outlay on Telephones aggregated Rs. 2,924.

5. *Total Capital Expenditure and Net Returns.*—Under Hydro-Electrical Works, the total cost inclusive of capital outlay on Telephones to the end of the year, as per Finance and Revenue Accounts was Rs. 297·70 lakhs. The net revenue during the year, after setting apart a sum of Rs. 6,79,515, as contribution to Depreciation Fund and Rs. 34,221 to the Departmental Provident Fund, was Rs. 35·90 lakhs; allowing for interest on capital outlay less the interest on Depreciation Fund Account, the net revenue works out to about Rs. 23·41 lakhs or about 7·86 per cent. The total capital expenditure on the combined Hydro-Electric and Irrigation Works to the end of the year under review is Rs. 740·81 lakhs. The net revenue on the combined scheme is Rs. 34·59 lakhs which works out to about 4·67 per cent on the combined outlay on the Hydro-Electric and Irrigation Works.

6. *Electrification of Towns and Rural Areas.*—The work in connection with the electrification of Gubbi Town was almost completed and service is expected to be started shortly. Power was supplied during the year to Chintamani, Nelamangala and Malur Towns on 27th November 1933, 2nd December 1933 and 7th June 1934, respectively; also to 21 villages, some of the important ones being Dommasandra, Kadagodi, Lakshmisagara, Banandur, Heggadegere, Belagola, Lalithadripuram, Kaivara and Talagavara.

Under Power Supply to Irrigation Pumps, a sum of Rs. 13,940 was spent as against Rs. 56,140 in the previous year. It is stated that the decrease is due to fewer pumps installed during the year owing to insistence on the payment of a minimum percentage return on capital expenditure.

The following are some of the important works that were carried out during the year under Interior Power and Lighting:—

Power supply to a 20-Horse Power Motor at Belthur, Goribidnur Taluk.

Running power lines to the Sugar Factory at Mandya.

Interior and exterior illumination of the New Durbar Hall at Mysore and the installation of 30 five-light clusters in the Palace court-yard.

Increasing the capacity of transformer centre in the front gate of the Palace, Mysore, by 6 of 75 K. V. A.

7. *Power Generated.*—The total power generated during the year in Kilo-Watt Hours was 19,02,74,030 against 17,83,40,592 and 17,10,45,180 during the years 1932-33 and 1931-32, respectively. The average working cost per unit of power generated was 1·169 of a pie during the year as against 1·183 in 1932-33 and 1·206 pie during 1931-32.

8. *Power and Lighting Installations.*—At the end of the year under review, there were 2,654 power installations and 21,763 lighting installations against 2,200 and 19,312 respectively during the previous year. There were thus 454 additions to power installations and 2,451 additions to lighting installations, resulting in an increase of 13·5 per cent over the total number at the end of the previous year. It is satisfactory to note that the number of advertisement lighting installations that were in service in the show rooms of commercial concerns went up from 92 to 107 during the year.

9. *Depreciation Fund.*—The amount credited to the Depreciation Fund Account was Rs. 6,79,515 against the revised grant of Rs. 6,99,000. The net amount that stood to the credit of the Depreciation Fund at the end of the year was Rs. 64,25,144. The expenditure incurred under this head during the year was Rs. 10,64,379, against the revised grant of Rs. 13,42,000. The lapse of Rs. 2,77,621 is stated to be due to the non-completion of the VIII Installation Works and the Remodelling of S-1 and S-2 Lines. A few of the important works under operation during the year under this head were—(1) the VIII Installation Works, (2) Replacing the existing 3,000 Volts underground cable in certain street circuits in Bangalore City, (3) Replacing the existing 3,000 Volts underground cable in certain street circuits in Mysore City, (4) Remodelling and deviating B-1 and B-2 Lines from Bull Temple to "A" Station, Bangalore, (5) Re-modelling 'K' Section of the Kolar Transmission Lines between Sarjapur and Kolar Gold Fields, (6) Remodelling Power Lines in S-1 and S-2 Sections, and (7) Replacing the angle and dead-end structures on S-1 and S-2 Lines.

10. *Contribution Works.*—The total expenditure under this head during the year was Rs. 1,76,000. As in previous years, the expenditure related mostly to works executed for the Palace and other Government Departments in Bangalore and Mysore.

11. *Rebate.*—The rebates granted to the Gold Mining Companies during the year amounted to £35,036 as against £34,784 and £29,689 during 1931-32 and 1932-33, respectively.

12. *Stores.*—The value of stores purchased was Rs. 20,14,454 against Rs. 16,39,200 for the previous year and Rs. 12,16,748 for the year 1931-32. Out of the total value of Rs. 20,14,454 for the year under review, a sum of Rs. 14,32,012 represented foreign purchases and of Rs. 5,82,442 local ones. As already observed in the review of the previous year, the amount locked up in stock continues to be large and increasing year by year. Necessary steps should be taken for its reduction as early as possible.

13. *Laboratory.*—Transformers of the capacity of 1·5 to 10 K. V. A. numbering 85, were manufactured during the year and sent out to Sections; besides the two auto-transformers and two bell transformers (1 of 3 K.V.A. and 1 of 25 K.V.A.) supplied to the Bhadravati Iron Works. In addition to the above, 50 coils were also completed. It is gratifying to note that the Department is making every endeavour to manufacture transformers on a large scale.

14. *Interruptions.*—The number of interruptions other than by previous arrangement during the year was 56 against 57 during 1932-33 and 91 during 1931-32. It is hoped that as a result of the remodelling of the several transmission lines and the various improvements effected during the year both in the distribution system and the distribution plant, there will be further reduction in the number and period of interruptions during the current year.

15. *Accidents.*—There were seven fatal accidents during the year, six of which are stated to be due to electrocution. Seventeen minor accidents are also reported. Government have no doubt that all possible precautions will be taken by the Department to avoid such accidents in future.

16. *Pump Irrigation.*—The number of irrigation pumping installations in service at the close of the year was 383 as against 358 during the previous year and 297 during 1931-32 showing a steady increase year by year.

17. *General.*—With a view to popularising the use of power for lighting and other purposes, Government were pleased to afford the undermentioned facilities:—

(1) Reducing the minimum return on capital cost from 8 per cent to 5 per cent and prescribing a rate of Re. 1 per month per H. P., provided that power is taken for three years instead of five years in the case of irrigation pumping installations.

(2) Introducing a sliding scale of rates for the supply of power to industrial concerns.

(3) Allowing a concession rate of half anna per unit for power used for pumping water for domestic purposes.

For the detection of cases of illicit use of power, four Special Inspectors were appointed during the year. It is satisfactory to learn that several cases of misuse have been brought to notice and penal action is being enforced.

18. *Conclusion.*—The working of the Department in the year under review continued to be satisfactory.

N. N. AYYANGAR,
Secretary to Government,
Electrical Department.

PUBLIC WORKS SECRETARIAT

Constitutes an Irrigation Circle of Superintendence for Krishnarajasagara Works with Headquarters at Mysore.

READ—

Government Order No. 3405-10—C. B. 148-33-1, dated the 5th May 1934, according sanction to the appointment of *Diwan Bahadur* N. N. Ayyangar as Chief Engineer in Mysore, and Secretary to Government, Public Works and Railway Departments from 16th May 1934 with the direction that the Krishnarajasagara Works will cease to be treated as a separate Department and will form part of the Public Works Department, on the retirement of Mr. S. Srinivasa Aiyar in June 1934.

2. Notes ending with D. C. 2 of the 22nd December 1934, by the Secretary to Government, Public Works Department.

ORDER NO. P. W. 1716-56—S., DATED BANGALORE, THE 5TH MARCH 1935.

On the retirement of *Rajasevasakta* M. G. Rangaiya and Mr. S. Srinivasa Aiyar, Chief Engineers, Public Works Department and Krishnarajasagara Works respectively, Government ordered that the Krishnarajasagara Works shall cease to be treated as a separate Department and shall form part of the Public Works Department, and sanctioned the appointment of a Deputy Chief Engineer and Under Secretary to Government, Public Works Department for assisting the Chief Engineer.

2. The Public Works Secretary has brought to notice the various important problems requiring attention in the Krishnarajasagara Works, such as—

(1) The rapid development of irrigation under the Irwin Canal;

(2) the extensions of irrigation under the existing channels in the Cauvery valley by improvement of duty; and

(3) preparation of Projects for the construction of additional reservoirs in the Cauvery valley as contemplated in the 1924 Agreement with Madras.

He considers that it is necessary to have a wholetime officer of the rank of a Superintending Engineer with a view to examine more closely than has been possible at present and to pay undivided attention to the various important problems connected with the irrigation development in the Cauvery valley. He therefore recommends the constitution of an Irrigation Circle of Superintendence for Krishnarajasagara Works with Headquarters at Mysore.

3. Government agree with the above views of the Public Works Secretary and are accordingly pleased to sanction —

(1) The constitution of an Irrigation Circle of Superintendence for the Krishnarajasagara Works with Headquarters at Mysore, comprising the Krishnarajasagara Division, the Lower Channels Division and the Irwin Canal Division at Mandya;

(2) the appointment of Mr. N. Sarabhoja, Deputy Chief Engineer and Under Secretary, Public Works Department, as Superintending Engineer of the New Circle; and

(3) the distribution of the scale of establishment for the Central Office (Krishnarajasagara Works) and for the new Irrigation Circle Office as in the statement appended.

4. The extra cost during the current year on this account will be met by reappropriation of the existing grants under "38. Krishnarajasagara (2) Irrigation Works."

N. N. AYYANGAR,
Secretary to Government,
Public Works Department.

ANNEXURE.

Proposition Statement for the Creation of a Circle of Superintendence for the Krishnarajasagara Works.

BANGALORE, THURSDAY, MARCH 14, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Reviews the Report on the Administration of Inam Villages and Estates under Government management during the year 1933-34.

READ—

Letter No. C. Per. A. 14—33-34, dated 4th December 1933, from the Revenue Commissioner forwarding with his review thereon, the reports on the administration of inam villages and estates under Government management in the several districts during the year 1932-33.

2. Correspondence ending with letter No. C. Per. 14—33-34, dated 24th January 1935, from the same officer explaining certain discrepancies observed in the above reports.

3. Letter No. C. Per. A. 14—34-35, dated 3rd November 1934, from the same officer forwarding with his review thereon, the reports on the administration of inam villages and estates under Government management in the several districts during the year 1933-34.

ORDER No. R. 4503-12—L. R. 171-34-2, DATED BANGALORE,
THE 12TH MARCH 1935.

As the reports for the year 1932-33 received with the first letter read above, contained certain material discrepancies, the Revenue Commissioner was requested to explain the same. He had to address the Deputy Commissioners concerned on the ubject and there was therefore necessarily some delay in the submission of his ort which was received only on 25th January 1935, a few months after the receipt is review on the reports on the administration of inam villages, etc., for the year -34. Government therefore propose to deal with the later reports only, though rlier ones will also be printed for reference.

2. *Survey and Settlement.*—There were 228 villages and estates under Government management at the end of June 1934 excluding the eight villages of Kudli Sringeri Mutt which have been ordered to be taken under the management of Government. Survey and Settlement have been introduced into 198 villages and action is said to have been taken for introducing these measures into the remaining villages except in the case of one village for which the Inamdar failed to deposit "bandh" charges and two villages for want of funds.

3. *Jamabandi Work.*—The jamabandi of all the villages except two in Hassan District was conducted by the Deputy Commissioners and Sub-Division Officers; the boundary marks were inspected in almost all the villages and were found to be in a fairly good condition.

4. *Demand, Collection and Balance.*—The demand, collection and balance for the years 1932-33 and 1933-34 are noted below:—

		Demand.	*Collection.*	*Balance.*	*Percentage of collection.*
		Rs.	Rs.	Rs.	
1932-33	...	4,22,583	2,08,560	2,14,023	49·3
1933-34	...	4,25,118	1,89,958	2,35,160	44·7

There has been an appreciable fall in the collections during the year 1933-34 and the collections in the Shimoga District have been perceptibly very low, being only 14·3 per cent. A Special Revenue Inspector has been sanctioned in July 1934 for the Shimoga Taluk and it is hoped that there will be a substantial collection of the heavy arrears outstanding.

5. *Improvement of Estates.*—The Village Panchayet Scheme is reported to be working satisfactorily in all the districts.

6. *General.*—The arrears due have been increasing year after year. Deputy Commissioners should take all possible measures to reduce the same as early as possible.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Vol. 70] PUBLISHED BY AUTHORITY [No. 12

BANGALORE, THURSDAY, MARCH 21, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Administration Report of the Forest Department for the year 1933-34.

READ—

The Report of the Administration of the Forest Department in Mysore, for the year 1933-34, received from the Chief Conservator of Forests with his letter No. Pr. 71—33-34, dated 6th October 1934.

ORDER No. G. 8443-58—FT. 129-34-5, DATED BANGALORE, THE 9—13TH MARCH 1935.

Recorded.

2. *Control.*—Mr. B. V. Ramaiengar, B.A., Chief Conservator of Forests, continued to be in charge of the Forest Department from 1st July to 27th December 1933 and proceeded on leave for six months. Mr. M. Machaiya, B.A., Conservator of Forests, Shimoga Circle, was appointed to act as Chief Conservator of Forests, and was in charge of the Department from 2nd January 1934 till the end of the year. During this period, Mr. H. S. Narayana Rao, B.A., acted as Conservator of Forests, Shimoga Circle.

3. *Constitution and Area of State Forests.*—The area of State Forests and Plantations at the close of the year was 3,471·86 square miles and that of reserved lands 419·86 square miles.

4. *Reservation and Settlement.*—There was not much progress in this respect during the year under report. The Chief Conservator of Forests is requested to arrange for the speedy disposal of the pending proposals for reservation and settlement.

5. *Minor Forests.*—There were 292 blocks of Minor Forests with an area of 349·58 square miles at the beginning of the year. Thirty-one blocks with an area of 37·97 square miles were added during the year thus raising the number of blocks under this class to 323 with an area of 387·55 square miles at the end of the year.

6. *Village Forests.*—No progress was made in the improvement of Village Forests during the year. It is reported that the Village Panchayets are not taking sufficient interest to improve the Village Forests and that owing to the failure of Taluk Authorities to note the constitution of the Village Forests in the revenue records, some lands notified as Village Forests have been given away for cultivation. This is very unsatisfactory and shows that officers of the Revenue Department are not taking adequate interest in this important scheme. The Revenue Commissioner is requested to issue suitable instructions to the Amildars in this respect.

7. *Cutting and Maintenance of Demarcation Lines.*—The length of permanent and preliminary lines cut and the length of the existing lines repaired during the year are less than in the previous year. The Chief Conservator of Forests is requested to see that all the existing lines are repaired and kept clear.

8. *Working Plans.*—The area worked under regular plans remains the same as that in the previous year although there is an increase in the area brought under provincial schemes. The Chief Conservator of Forests is requested to expedite the preparation of working plans for all important Forests.

9. *Buildings, Communications and Miscellaneous Works.*—A total sum of Rs. 41,203 was spent under these heads during the year as against Rs. 43,498 in the previous year. Government note that special attention is being paid to open new roads and to improve the water facilities. The construction of the storage shed at the Bangalore Sandal Koti started in the previous year was nearly completed at a cost of Rs. 6,240.

10. *Forest Offences including Sandal Damage Cases and Cases of Sandal Smuggling.*—One thousand, four hundred and forty-seven cases of Forest offences were disposed of during the year. The number of sandal damage cases pending disposal is on the increase. The Deputy Commissioners of districts are requested to arrange for the speedy disposal of the cases pending in their districts. The special staff employed for prevention and detection of sandalwood smuggling continued to work efficiently, the cases of detection numbering 14 against 6 in the previous year.

11. *Sandal Spike and other Diseases in Sandalwood.*—The spike disease is reported to have spread rapidly during the year in certain parts. The experiments conducted to prevent the spread of this disease have not made much progress.

12. *Sylviculture and Afforestation.*—The natural regeneration of all the principal species except teak is reported to be satisfactory. Government note that operations of artificial regeneration and plantation were successfully carried out during the year, the special feature of which is the formation of nurseries in pursuance of the instructions contained in the tour notes of the Dewan, for raising avenue plants for supply to District Boards, Municipalities and Village Panchayets.

The afforestation work on Chamundi Hill, the Gopalaswami Hills, Talkad Sand Dunes, Hulikere Blocks, Bababudans and the Nandi Hills was continued satisfactorily during the year.

13. *Exploitation of Timber.*—The quantities of timber cut in the Forests brought to depots and sold during the year were 7,23,995 c. ft., 5,64,172 c. ft. and 6,58,330 c. ft., respectively, exclusive of sleepers, poles and sawn materials. The quantity of timber supplied to the Kolar Gold Fields inclusive of 3,823 c. ft. of sawn materials was 1,38,832 c. ft. as against 1,34,472 c. ft. in the previous year. The contract with the Gold Mining Company was renewed for a further period of twenty months from 1st February 1934. Creosoted jungle sleepers (47,668 in number) and 2,109 teak sleepers were supplied to the Mysore Railways and the Mysore Iron Works. Creosoted Balagi poles supplied to the Electrical Department and other concerns were 2,254. For the first time, 15,687 Dhuma Bottom Boards were supplied to the Great Indian Peninsula Railway, Bombay.

There is a fall in the revenue under sale of timber to private purchasers. This is attributed to there being no purchases of timber by the Match Manufacturing Company at Shimoga and to the general slump in the timber market.

14. *Fuel Supplies.—Firewood and Charcoal.*—There is an increase in the revenue under this head and this is due to the enhanced seigniorage rates in the Maidan Divisons and to large supplies of Firewood made to the Sandal Oil Factory, Mysore and other Government concerns.

15. *Exploitation of Sandalwood.*—A quantity of 1,391 tons of sandalwood was supplied to the Sandal Oil Factory, Mysore, as against 1,026 tons in the previous year. The net receipts from the sale of sandal oil was Rs. 9,76,260 as against Rs. 10,52,190 in the year previous. The amount realised from the sale of sandalwood in retail in several kotis and by the Agents was Rs. 94,750 as against Rs. 36,196 in the preceding year.

16. *Financial Results.*—The total demand for the year under all heads including the opening balance amounted to Rs. 28,89,468 as against Rs. 28,94,423 for the previous year. Of this, a sum of Rs. 23,341 was written off the accounts and the amount actually realised during the year was Rs. 25,46,707. The total expenditure of the Department under Conservancy and Works was Rs. 8,65,943 as against Rs. 6,91,844 in the year preceding. The expenditure on establishment was Rs. 5,70,195 as against Rs. 5,68,920 in the previous year. The fall in the revenue from "timber" is due to continued trade depression.

17. *Forest Objection Book and other Advances and Recovery of Arrears.*—Though the progress made in reducing the advances outstanding is fairly satisfactory, there is still a heavy sum pending recovery. It is observed that advances in excess of the maximum limits prescribed have been made in some cases during working seasons without proper authority. The Chief Conservator of Forests is requested to see that the District Forest Officers adhere strictly to the rules regarding advances and collection of arrears.

18. *Game Laws.*—Vani Vilas Sagara in the Chitaldrug District was removed from the list of Game Preserves. The amendments to Game Laws submitted to Government by the Chief Conservator of Forests are under consideration of Government.

19. *Creosote Plant, Saw Mills and other Industries.*—The Creosote Plant at Bhadravati worked for 157 days in the year. The total quantity treated was 94,258 c.ft. as against 35,153 c.ft. in the previous year.

There is not much progress in the working of the Saw Mill at Shimoga, the total outturn of work in the year being smaller than in the preceding year. The erection of the Gas Plant at the Saw Mill at a total cost of Rs. 14,797 was completed during the year.

The work of the Saw Mill at Kalkere in the Mysore District, continues to be very poor due to the insufficient capacity of the engine. The Chief Conservator of Forests is requested to examine the question of replacing the Oil Engine by a Steam Engine and the shifting of the Saw Mill to Begur which is a healthier locality and to submit a report to Government early.

20. *Elephants.*—The total number of elephants at the close of the year was 54 as against 48 in the previous year. The average work of an elephant is less than in the previous year.

21. *Touring and Inspection.*—Government observe that the itineration of the District Forest Officers was very poor and not up to the mark. The Chief Conservator of Forests is requested to see that they tour more systematically in the interior and inspect the Forest Depots and Range Offices in their charge strictly according to the Standing Orders.

22. *Retrenchment.*—Two temporary posts, *viz.*, (1) Assistant Conservator of Forests, Minor Forest Scheme, and (2) Assistant Conservator, Sandal Spike Investigation, together with their establishments were abolished as a measure of retrenchment.

23. *Deputation to Foreign Countries for Study.*—Messrs. D. A. Rama Rao and Mahomed Ahmed returned during the year after a successful career at the Washington University, United States of America. Both of them obtained a

Degree in Master of Forestry, while Mr. Rama Rao got a Doctorate in addition. Mr. J. P. Mascarenhas, Ranger, on probation, also returned during the year after obtaining a diploma in Forestry in the Eberswalde University, Germany.

24. *General.*—The work of the Department during the year was on the whole satisfactory.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Passes orders directing that the Right to quarry Kankar in certain taluks of the Mysore District, be sold for a period of three years at a time by public auction subject to certain conditions.

READ—

Letter No. App. 6—34-35, dated 10th January 1935, from the Revenue Commissioner, requesting orders of Government in the matter of leasing out the right to quarry kankar in certain taluks of the Mysore District.

ORDER No. R. 4291-93—L. R. 222-34-2, DATED BANGALORE,
THE 4TH MARCH 1935.

1. Maddur.
2. Mandya.
3. Seringapatam.
4. Nanjangud.
5. Mysore.

The right of quarrying kankar in the marginally noted five taluks of the Mysore District is being given out annually as usual. Two of the contractors who have been taking out the lease for the past few years have come forward with a representation to the Revenue Commissioner requesting that the right may be leased out to them for a period of ten years and five years at a time, respectively. After consulting the Deputy Commissioner on the subject, the Revenue Commissioner recommends that the right should be sold separately for each taluk for a period of three years at a time so as to avoid creating anything in the nature of a temporary monopoly and after providing for the ascertained requirements, if any, of the material by the Public Works Department.

Government agree with the Revenue Commissioner and are pleased to direct that the right of quarrying kankar in these taluks be disposed of separately for each taluk for a period of three years at a time by public auction by the Sub-Division Officer concerned subject to the reservation suggested by the Revenue Commissioner.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Reviews the Administration Report of the Revenue Department for the year 1933-34.

READ—

Letter No. C. Per. A. 15, dated 19th October 1934, from the Revenue Commissioner, forwarding the report on the Administration of the Revenue Department for the year 1933-34.

(Printed as Annexure.)

ORDER No. R. 4573-632—L. R. 127-34-3, DATED BANGALORE,
THE 15TH MARCH 1935.

Rajasevasakta Mr. S. Hiriannaiya, M.A., B.L., continued to be the Revenue Commissioner in Mysore till 31st August 1933, on which date he was permitted to retire from service. Mr. N. Madhava Rau, B.A., B.L., took charge of the office on the 1st September 1933 and continued in charge during the remaining part of the year.

2. *Changes among Deputy Commissioners and Assistant Commissioners.*—There were no changes of Deputy Commissioners except in Bangalore and Hassan Districts. The Assistant Commissioner in charge of the Yelandur Jaghir was withdrawn and an Amildar was posted in his place as a measure of economy. The post of the Special Land Acquisition Officer for the Krishnarajasagara Works was abolished from 1st January 1934 and the work connected with the acquisition of properties in the Krishnarajasagara area yet to be done was entrusted to the Personal Assistant to the Deputy Commissioner of Mysore and to the Sub-Division Officers of Mysore and French-Rocks. The Assistant Commissioner in charge of the Bangalore Taluk, who was also District Excise Officer for the Bangalore District, was relieved of his Excise work and the Anekal Taluk was added to his charge. He continues to perform the functions of Civil Officer for the District. An appointment of a Probationary Assistant Commissioner was made during the year and he was posted to the Kolar District to undergo training.

3. *Taluk Charges.*—There were no changes of Amildars in 43 Taluks and 3 Sub-Taluks. The Special Deputy Amildar sanctioned for T.-Narsipur Taluk for assisting the Amildar in the collection of heavy arrears was continued for a further period of one year. Five Deputy Amildars were appointed in connection with the scheme of Record of Rights in the taluks of Dodballapur, Hiriyur, Chamarajnagar, Chikmagalur and Hosanagar and a sixth one was appointed for clearing the accumulated arrears of Record of Rights Work in the Bangalore Taluk. All Revenue Probationers of the 1929 batch except the one transferred to the Police Department were confirmed as Amildars and those of the 1930 batch were appointed to act as Amildars. Four Revenue Probationers were appointed during the year and they were all under training in District and Taluk Offices.

Rules of Recruitment to the grade of Amildars and Deputy Amildars were revised and consolidated during the year and the practice of selecting officials to this service from certain departments which do not afford opportunities for acquiring a knowledge of revenue work or for developing executive capacity was ordered to be discontinued.

The touring work of Amildars and Sub-Division Officers is reported to have improved. Sub-Division Officers are now required to prepare plans for their touring and inspection for a whole year showing therein the Taluks and Hoblis in which intensive work is proposed to be done in each month and their monthly journals are scrutinised with reference to the programme. Government are glad to note the Revenue Commissioner's observation that generally speaking these officers are taking greater responsibility than was the case before.

4. *Important Measures Sanctioned.*—(1) With the revival of the post of Superintendent of Revenue Survey and Settlement (since designated Director of Land Records, Survey and Settlement), the Revenue Commissioner ceased to be *Ex-officio* Superintendent of Revenue Survey.

(2) Arrangements were made for the proper and systematic training of new recruits and junior officials of the Department in all the District Offices in office procedure and routine.

(3) Rules were framed and published for the proper working of the Irrigation Regulation.

(4) Instructions were issued for a proper co-ordination of work between the Departments of Revenue and of Land Records.

(5) The procedure for the introduction of the Record of Rights Scheme was simplified and the Department of Land Records was made responsible for the whole work up to the completion of the record and until it is handed over to the Revenue Department for maintenance.

(6) Orders were issued declaring all Government irrigation wells in the State to be accessible to Adikarnatakas for taking water for drinking purposes.

5. *Rainfall, Seasonal Conditions, etc.*—Rainfall in all the districts except Mysore was less than in the preceding year; but it was, on the whole, adequate and

both *hingar* and *mungar* rains were timely and well distributed. There was no scarcity of fodder or drinking water anywhere. The seasonal conditions were favourable for agricultural operations throughout the State and the yield of crops was generally good. There was excessive rainfall in some parts of Hassan and Shimoga Districts resulting in partial damage to crops. In 82 villages of the Sorab Taluk in the Shimoga District, owing to excessive rainfall, either sowing was not possible or seeds sown were washed away as a result of which a large extent of land lay fallow. With a view to afford relief to the sufferers, a sum of Rs. 23,579-10-0 being a moiety of wet assessment on an extent of 11,864 acres in those villages was remitted. Owing to inadequate supply of water in some of the tanks in the Kolar District, remission of half wet assessment amounting to Rs. 17,303-12-10 was sanctioned during the year. There was no sign of distress in any part of the State.

As compared with previous year, there was a slight increase in the cattle mortality, especially in the Kadur District owing to the prevalence of epidemic diseases. Prompt action was, however, taken by the officers of the Civil Veterinary Department to prevent the spread of the diseases.

Public Health was generally good, but there was an increase of mortality due to plague and cholera. The incidence of malaria too is reported to have been rather heavy, not only in the *malnad* parts and in the channel areas, but also in some of the drier tracts of the Tumkur and Chitaldrug Districts. This matter should receive the continuous attention of the Department of Public Health.

Labour was generally available in all the districts except in the *malnad* taluks of Hassan, Shimoga and Kadur Districts and the rates of daily wages of both skilled and unskilled labour remained practically the same as in the preceding year.

The slump in prices of agricultural commodities which began in 1930 continued during the year. Several measures of relief as indicated below were sanctioned by Government from time to time to ease the situation. The following are among the concessions granted during the year:—

(1) The Agriculturists' Relief Regulation was extended to the whole State.

(2) The application of the rules of remission on wet lands was liberalised, in cases in which there was failure of crop during the year, irrespective of the yield in the two previous years. Special remission outside the ordinary rules was allowed in tracts where there was widespread failure of crops owing to excessive rains or special causes.

(3) The collection of Record of Rights fees was ordered to commence one year after the completion of the Preliminary Record and option was allowed to pay the same in not more than three equal yearly instalments subject to a minimum of Rs. 2 per instalment.

(4) The rates of ordinary and penal interest for loans under the Land Improvement Regulation were reduced from 6½ and 8 per cent to 5½ and 6¼ per cent respectively for one year from 1st January 1934.

(5) Deputy Commissioners were empowered to suspend the repayment of the instalments of loans due during the year and in special cases, even the repayment of one arrear instalment without charging any additional interest. They were also authorised to give time to raiyats in certain cases for the payment of contribution and tank maintenance charges.

(6) Deputy Commissioners were permitted to give time to persons who had to make large payments of revenue. Forfeiture of lands for arrears of land revenue was ordered to be confined to those survey numbers on which alone the arrears were due. Restoration of component survey numbers on which assessment was paid was permitted notwithstanding the existence of outstandings on the remaining survey numbers of the *khate*. It was also ordered that no penalty or upset price need be levied while restoring *khates* on payment of arrears and costs, that all notice and *isthihar* fees should be invariably remitted if the arrears were paid before the official year and that arrears which could not be recovered from the holdings themselves should, as far as possible, be remitted without further recourse to distraint of movables or proceeding against the other properties of the defaulters.

(7) The stamp duty leviable on applications for restoration of *khates* was remitted and the notice fee was reduced to Re. 0-4-0. The power of remitting process fees including *isthihar* fees was delegated to the Amildars.

These concessions have, to some extent, helped the agriculturists, but as Government felt that some measures were necessary for relieving them from the burden of the debt and interest payments, under which they have been labouring, they appointed a Committee to suggest any further measures that may be adopted to relieve them from the effects of the present depression. The Committee first submitted some emergent measures of relief and Government have passed orders sanctioning the same. Their final report embodying their proposals on the subject has been recently received and is under consideration.

6. *Accidental Fires.*—There were 514 accidental fires as against 438 in the previous year resulting in all in a loss of eight human lives and 274 head of cattle. The value of property destroyed is estimated at Rs. 1,85,563 which is about Rs. 12,000 less than that in 1932-33. Necessary relief by way of fresh grant of building materials and takavi loans was promptly given in deserving cases. A sum of Rs. 1,735 was also granted to the sufferers from the Distress Relief Fund. The building of tiled houses is being popularised in villages and loans are being advanced in suitable cases for the construction of such houses.

7. *Cultivation.*—The area of assessed waste lands available at the beginning of the year, the extent and assessment of lands taken up for cultivation and the total area relinquished with its assessment with the corresponding figures under the several heads in the previous year are noted below.—

Year	Assessed waste lands	Land taken up for cultivation with its assessment		Area relinquished with its assessment	
	Acres	Acres	Assessment	Acres	Assessment
			Rs.		Rs.
1933-34 ...	7,77,659	55,274	72,660	80,483	1,09,208
1932-33 ...	7,04,441	47,455	64,570	90,832	1,29,957

The area of land under occupation has decreased by 2 lakhs of acres since the year 1930-31, as the result either of voluntary relinquishment by the holders or of resumption by Government for arrears of land revenue. But the extent of "cropped area" has remained comparatively steady. Apparently, the economic depression has had no seriously adverse effect on the sum total of agricultural production in the State.

Out of a total extent of 68,230 acres of Amrit Mahal Kaval lands available for cultivation, an extent of 389 acres 24 guntas was sold during the year, the price realised being Rs. 24,468. An extent of 1,965 acres 16 guntas out of the lands removed from the Date Reserve list was disposed of during the year for a sum of Rs. 6,370. Some small extents of lands out of disafforested areas were also disposed of for cultivation. The total area under occupation during the year was 79,31,629 acres as against 79,47,016 acres and the percentage of fallows to the area under occupation was 17·23 as against 16·8 in the previous year. The average yield in terms of annas of the five select crops was as shown below:—

	1932-33.	*1933-34.*
Paddy ...	11·18	10·28
Ragi ...	9·76	9·19
Horsegram ...	8·98	7·72
Jolam ...	8·15	6·80
Sugar-cane ...	10·49	10·55

There was a fall in the area under cotton and ragi. The decrease in respect of the former is attributed to low prices and to untimely and excessive rains in the cotton growing tracts in the Chitaldrug District.

Irrigation under the Vani Vilas Sagara.—The net area under occupation under the Vani Vilas Sagara at the end of the year stood at 7,692 acres 20 guntas and the total demand for the year was Rs. 58,185-15-1 of which a sum of Rs. 45,456-14-7 was collected. The Reservoir discharged to a height of 6 feet over the waste-weir and the water level in the lake was 135·75 feet on 14th October 1933 which is a record figure.

Nine applications for loans for cocoanut cultivation in this tract involving a sum of Rs. 1,540-0-0 were sanctioned during the year. Orders were issued shortly after the close of the year sanctioning certain further concessions and facilities for encouraging garden cultivation under the Vani Vilas Sagara and it is hoped that these concessions will be largely availed of by the raiyats holding lands under the Reservoir.

Expansion of Cultivation under the Irwin Canal.—The extent of land irrigable in the Irwin Canal Area and the demand, collection and balance of assessment are indicated below :—

Acres.	*Demand.*			*Collection.*			*Balance.*		
	Rs.	a.	p.	Rs.	a.	p.	Rs.	a.	p.
47,281	2,39,238	0	0	29,341	13	0	2,09,896	3	4

The large balance is said to be due to the work of fixing the demand having been taken up late in the year. It is hoped that collection work will be speeded up in the current year.

Development of Cultivation under the Bhadra Right Bank Channel.—The extent under cultivation was 7,867 acres 18 guntas as against 7,491 acres 18 guntas in the previous year. The increase of 376 acres is due to restoration of the *khates* of lands resumed to Government and also to the conversion of dry lands into wet. Out of a total demand of Rs. 47,587-12-1, a sum of Rs. 25,386-11-8 was collected under 'assessment' and out of Rs. 27,702-12-3, a sum of Rs. 7,683-10-3 was collected under 'contributions.' The poor collection is said to be partly due to the general economic depression and partly to the non-supply of water to some lands included in the atchkat.

Bhadra Colony.—This has not proved to be as successful as was anticipated. Over a lakh of rupees has so far been advanced to the colonists and several concessions have been shown to them in the matter of the payment of loan instalments as well as the kandayam due. But, they have been urging for further concessions in the shape of loan, remission of assessment, postponement of the collection of loan instalment and reduction and waiving of interest thereon. A Committee has since been appointed to investigate into the causes that have led to the present state of affairs and to suggest remedial measures. Pending the final submission of their report, the Committee submitted an interim recommendation for the grant of a further loan of Rs. 6,200 to the colonists to enable them to raise crops on their lands and orders were issued sanctioning the recommendation.

8. *Darkhasts.*—The statistics relating to the darkhasts are given in the following statement :—

Number of applications pending at the close of the preceding year	Number received during the year	Number disposed of			Balance	Total extent disposed of	Prices realised
		By grant	By rejection	Total			
						Acres.	Rs.
5,165	17,917	7,145	6,962	14,107	3,810	23,021	1,11,705

The upset price on coffee lands was reduced to Rs. 20 per acre. Fresh grant of lands for tea cultivation was stopped and further extension of the area under tea was also prohibited.

Out of a total of 2,413 applications for grant of lands from members of depressed classes including those pending disposal at the beginning of the year, 1,772 applications involving the grant of 5,670 acres and 12 guntas were disposed of during the year. Certain proposals submitted by Mr. E. C. Kent, for the extension of cashewnut cultivation in the State were considered by the Revenue Commissioner in consultation with the Agricultural Development Committee and orders have since issued on his recommendations on the subject.

9. *Avenue Trees and Topes.*—The total number of trees newly planted during the year was 47,081 as against 50,175 in the preceding year. There is reason to believe that dead avenue trees are not removed in some cases, and stunted trees are allowed to remain in some others. These should be cut and removed and fruit trees like mango and tamarind which do not entail much cost or labour should be planted in their places. Revenue Officers of all grades should interest themselves in getting these trees maintained in a proper condition.

10. *Jamabandy: Demand, Collection and Balance.*—The Jamabandy settlements of all the taluks except one in the Kolar District and three in the Shimoga District were completed before the end of February and no serious irregularities were observed. The demand, collection and balance of land revenue is furnished in the statement given below :—

Balance of preceding year	Demand for the year	Total demand	Amount remitted or written off	Amount collected	Balance at the end of year
Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
18,11,293	1,28,31,188	1,46,42,481	1,93,238	1,20,70,431	23,78,812

The total percentage of collection out of the current demand was 85·37 during the year as against 89·75 in the preceding year. The lowest percentage was in the Mysore District as in the previous year and the arrears continued to be very large in that district.

The collection of land revenue proper during the year under review was (except for one year) the poorest in the last decade. The collection under Land Revenue Miscellaneous (including loans and advances) and Village Panchayet Taxes was even less satisfactory, the arrears amounting to more than Rs. 60 lakhs. The fall in the collections is reported to be due to the continued economic depression, fall in the prices of agricultural produce and the liberal policy adopted by Government of allowing various concessions to the raiyats for paying the land revenue and other dues.

11. *Coercive Processes.*—The total number of processes issued during the year (including notices of demand) was Rs. 2,98,925 as against Rs. 2,98,438 and a total sum of Rs. 27,11,854 or 22·04 per cent of the land revenue was realised by the adoption of these processes as against 23·68 per cent in the preceding year. The total number of processes of all kinds was the largest in the Mysore District being 70,382.

12. *Execution of Co-operative Societies Decrees.*—Out of a total number of 5,895 decrees involving Rs. 10,69,478 including those pending at the beginning of the year, 2,747 decrees involving Rs. 4,58,914 were disposed of during the year. The number of pending decrees was very heavy in all the districts except Kolar and Chitaldrug. Instructions are said to have been issued by the Deputy Commissioners to speed up disposals and Special Revenue Inspectors were either appointed or continued in nine taluks for the execution of such decrees.

13. *Loans and Advances.* A sum of Rs. 2,40,000 was provided in the Budget for the grant of loans to agriculturists. Loans aggregating Rs. 1,23,833 were disbursed during the year under report as per details in the margin. The instalments including arrears which fell due in the year under Takavi advances amounted to Rs. 2,96,668-2-6. Out of this, a sum of Rs. 1,00,374-5-5 was recovered, the percentage of collection to the demand being 37·56 as against 42·11 in the previous year.

	Rs.
Takavi ...	60,725
Land Improvement Loans...	51,833
Irrigation Wells ...	3,025
Fruit Culture ...	8,250
Total ...	1,23,833

Out of sum of Rs. 3,18,000-2-0 which fell due under land improvement loans, Rs. 1,30,789-9-0 was recovered. The average percentage of collections to the demand was 41·12 as against 47·51 in the preceding year. The Deputy Commissioners attribute the poor collections to the continued general economic depression, tightness of the money market and fall in the prices of agricultural produce. A Special Deputy Amildar was appointed for the collection of the heavy arrears in the T.-Narsipur Taluk.

14. *Takarar Cases.*—The number of cases put up for orders, the number disposed of and the number pending are noted below:—

Year	No. brought up for orders	No. disposed of	No. pending at the end of the year	Percentage of disposals
1933-34 ...	38,433	29,564	8,869	76·9
1932-33 ...	34,270	24,463	9,807	71·09

The improvement noticed in the disposal of these cases is due to the delegation of certain enhanced powers to Amildars, sanctioned in the previous year, for dealing with the unauthorised occupation of lands.

The percentage of disposal was highest in the Chitaldrug District and poorest in the Krishnarajpete Taluk. The Amildar of the Taluk should be directed to show better progress in the current year.

15. *Record of Rights.*—The scheme was introduced into six taluks and one sub-taluk during the year. The preliminary records have been prepared for 49 taluks and sub-taluks till now. Hissa survey operations of nine taluks were completed during the year, bringing the total number to 37. The final Record of Rights was completed and notified in respect of nine more taluks thus bringing the total number to 17. The demand under Record of Rights fees has so far been fixed in respect of 45 taluks. Details regarding the demand, collection and balance and the expenditure incurred are given below:—

Demand	Collections		Total	Balance	Total expenditure
	During the year	In previous year			
Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
36,89,615	1,85,496	12,57,989	14,43,485	22,46,130	11,85,793

The Hissa fee which was reduced from Rs. 2-0-0 to Re. 1-12-0 was further reduced to Re. 1-8-0 during the year and it was ordered that the entire responsibility for the preparation of the Record of Rights should vest in the Department of Land Records.

16. *Special Schemes.*—(a) *Village Panchayets.*—The number of Village Panchayets increased from 10,604 to 11,266. Fifty Panchayets were granted the privilege of electing their own Chairmen under Section 10 (*b*) of the Village Panchayet Regulation during the year. Eight Panchayets obtained sanction of Government to levy optional taxes under Section 37 of the Regulation. The demand, collection and balance of Village Panchayet taxes are as noted below:—

Year	Demand including arrears	Collection including remission	Balance
	Rs.	Rs.	Rs.
1933-34 ...	45,55,317	9,05,387	36,01,930
1932-33 ...	43,70,814	10,79,449	32,91,365

The progress of collection was very disappointing even this year. Some portion of the arrears relates to the old Panchayets and Unions which being time-barred or otherwise irrecovearble has to be written off. It is reported that instructions have been issued to remove these amounts from the accounts of the Panchayets. Action should be taken accordingly and special attention should be paid to collect the balance, entertaining a special staff of Revenue Inspectors, wherever necessary, as already authorised by Government. In order that the accumulated surplus at the credit of Village Panchayets which stands at more than 32 lakhs of rupees might be utilised for works of public utility in the villages according to a settled programme and under proper technical supervision, orders were issued for employing Sub-Overseers as temporary Panchayet Inspectors wherever there was need for technical supervision. Five Districts have employed such Inspectors so far and improvement works to the extent of Rs. 27,268 and Rs. 2,847 have been executed in the Districts of Kolar and Shimoga.

Weekly labour for communal purposes was contributed by some of the Village Panchayets and work to the extent of over a lakh of rupees is reported to have been turned out under this system. Five villages in the Mysore District and two in the Bangalore District got electric connections for lighting and industrial purposes during the year and proposals in respect of six more villages are reported to have been under consideration. It is hoped that more and more villages will avail themselves of the benefits of the rural electrification scheme in the coming years.

(*b*) *Village Forests.*—There were at the end of the year 248 village forests with an aggregate area of 59,897 acres and 8 guntas. The management of six village forests was entrusted to Village Panchayets and only 9 Panchayets are reported to have done some good work during the year.

(*c*) *Tank Panchayets.*—The total number of Tank Panchayets remained the same as in the previous year, *viz.*, 127. Only 11 of these showed evidence of activity and the remaining Panchayets continued to be in a moribund condition.

Orders were passed during the year for the transfer of the activities of these institutions to the Village Panchayets and action should be taken in this direction wherever possible.

17. *Conferences.*—No District Conferences were organised during the year, but Taluk Conferences were held in the Taluks of Channapatna, Kadur and Molkalmuru. Village Panchayet Conferences were held in the all the Districts except Shimoga and Chitaldrug; and Hobli Conferences in Bangalore, Hassan, Arsikere and Channarayapatna Taluks. The First Member of Council presided over the Conference of Village Panchayet Chairmen at Chelur in Bagepalli Taluk, and the Revenue Commissioner over the Village Panchayet Conference held at Malur. An Agricultural and Industrial Exhibition was organised as an adjunct to the Village Panchayet Conference held at Kankanhalli and a Cattle Show at Halebeedu in Hunsur Taluk.

18. *Tanks.*—The total number of irrigation tanks in the State remained the same as in the previous year. Statistics relating to the tanks restored, the expenditure incurred therefor and the *chouthayi* remission given or withdrawn, are given below:—

Number of Tanks		Number restored		Expenditure incurred		Value of earth work done by raiyats	Number of *chouthayi* Tanks	Amount entitled remitted	Number of tanks for which remision was given	Amount given as remission
Major	Minor	Major	Minor	Major	Minor					
				Rs.	Rs.	Rs.		Rs.		Rs.
2,567	20,847	259	109	3,50,806	54,141	1,45,163	234	5,599	88	1,536

19. *Inspections.*—The Revenue Commissioner toured for 98 days during the year as against 135 days in the previous year, and inspected all the District Offices except Chitaldrug, seven Sub-Division Offices and 19 Taluk Offices. He checked the Record of Rights work of the taluks during these inspections and also made a comprehensive study of the progress in the disposal of business in the several offices.

All the Deputy Commissioners toured for more than the required minimum number of days and inspected almost all the subordinate Revenue Offices in their respective charges. All the Sub-Division Officers also toured for more than the prescribed number of 150 days except the Sub-Division Officer of Mysore whose itineration fell short of the minimum by two days. The number of days camped out by the Sub-Division Officer of Bangalore was poor being only 25. This is said to be due to his having been in charge of the duties of District Excise Officer as well. He has since been relieved of these duties and given charge of Anekal Taluk also and it is hoped that he will be able to camp out for a larger number of days. Practically all the Sub-Division Officers inspected the Subordinate Offices under their charge including Sub-Registry Offices. In some cases, the inspections are said to have been rushed through at the end of the year instead of being spread over the whole of the year. It is also stated that the inspections of villages and offices are not being done with any systematic plan and the notes of inspection are not full and useful. The Revenue Commissioner reports that he has issued suitable instructions to remedy these defects and it is hoped that there will be considerable improvement in this direction in the coming years.

The inspection of Rain Gauge and Trigonometrical Survey Stations by the Sub-Division Officers is far from satisfactory. The Sub-Division Officers of Bangalore and Madhugiri have totally neglected the inspection of Rain Gauge Stations and have not inspected even a single station in their jurisdiction, while the inspection of these stations by the Sub-Division Officers of Gubbi, Sagar, Hassan, Dodballapur and Mysore is not adequate. The Sub-Division Officers of Kolar, Closepet, Madhugiri, Mandya and Saklespur have not inspected any Trigonometrical Stations at all in their Sub-Divisions, while the Sub-Division Officers of Tumkur, Shimoga and Gubbi have inspected only some of the stations. The importance of regularly inspecting these stations once a year should be impressed on all the Sub-Division Officers.

20. *Provincial Toll-gates.*—The number of State Fund Toll-gates was reduced from 46 to 45 due to the abolition of the Paschimavahini Toll-gate. The Revenue derived by the sale of the privilege to collect tolls at these gates during the year was Rs. 2,20,257 as against Rs. 1,85,378 in the previous year. The total demand including the arrears amounted to Rs. 2,51,195-1-7 and out of this, a sum of Rs. 2,26,664-2-2 including the remission was collected.

21. *Conclusion*—Government wish to record their appreciation of the generally efficient manner in which the work of the department was conducted during the year by Revenue Officers of all grades. Owing to the continuance of the economic depression, they had a difficult task to perform in the collection of revenue due to Government under the various heads but they have carried out this task satisfactorily, and seen to it that the policy of Government in granting various concessions to the raiyats who were hard hit by the effects of depression was neither abused by unnecessary laxity nor nullified by undue strictness.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

FINANCIAL SECRETARIAT.

Extends for a further period of one year the Reduction in the rate of Interest on loans granted to the Policy holders in the Public Branch of the Mysore State Life Insurance from 7 per cent to 6½ per cent per annum.

READ—

Government Order No. 8446-525—G. F. 404-33-2, dated 26th June 1934, sanctioning temporarily for a year the reduction in the rate of interest on loans granted to Policy holders in the Public Branch from 7 per cent to 6½ per cent per annum and also in the period of currency of policies prescribed in Rule 28 (4) from five to three years.

2. Letter No. 3866, dated 22nd February 1935, from the Secretary, Mysore State Life Insurance Committee, requesting sanction for reasons stated, to extend the concessions contemplated in the Government Order read above for a further period of one year.

ORDER NO. FL. 7292-352—G. F. 268-34-2, DATED BANGALORE, THE 2ND—9TH MARCH 1935.

Sanctioned.

BANGALORE, THURSDAY, MARCH 28, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Prescribes a revised Scale of Fees te be levied from In-patients occupying special wards in the Vani Vilas Hospital, Bangalore.

Read—

Government Order No. L. 3886-3959—Med. 32-22-2, dated 25th November 1922, prescribing rates of fees leviable in Hospitals and Dispensaries in the Cities of Bangalore and Mysore and in the Kolar Gold Fields.

2. Correspondence ending with letter No. G. C. 255-22, dated 12th March 1935, from the Senior Surgeon, stating that in the new Vani Vilas Hospital, Bangalore, there are five special wards with two beds each, and a second class paying special ward containing ten beds, and recommending that the scale of fees as shown below be levied per diem in the said Hospital:—

First Class Wards ...	Rs. 4 per bed or Rs. 8 if the entire room is occupied.
Second Class Ward ...	Rs. 2 per bed.

Order No. G. 8496-7—Med. 248-34-2, dated Bangalore,
the 15th March 1935.

The Senior Surgeon's proposal is sanctioned.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT.

Reviews the Administration Reports of Town and Minor Municipal Councils for the year 1933-34.

READ—

The reports on the working of the several Town and Minor Municipal Councils in the State for the year 1933-34, and the reviews of the Deputy Commissioners of Districts thereon.

ORDER NO. L. 6552-64—ML. 205-34-9, DATED BANGALORE,
THE 20—25TH MARCH 1935.

Recorded.

2. The reviews of the Deputy Commissioners of Bangalore, Tumkur, Shimoga, Hassan and Mysore Districts were not submitted on the due date. The delay in the submission of these reports in spite of the observations of Government in their reviews on the previous reports is not satisfactory. The statistical returns furnished by the Deputy Commissioner of the Mysore District are not complete. The Deputy Commissioners are requested to see that effective arrangements are made to ensure the submission of their reviews on the reports before the due date, with full particulars under all the prescribed heads according to Standing Orders.

3. The number of Municipalities in the State during the year remained the same as in the year previous. There were at the end of the year 38 Town Municipalities and 66 Minor Municipalities, making a total of 104.

4. *Constitution.*—The three Bills for City, Town and Minor Municipalities were promulgated into law and brought into force with effect from 1st August 1933. General elections were held in almost all the Municipalities for the reconstitution of the Councils under the New Regulations, with a larger element of elected strength.

5. *Strength of the Municipal Councils and Meetings.*—The total number of members of all the Municipal Councils on the last day of the year was 1,736, of whom 1,067 were elected members, 422 were non-officials nominated by Government and 247 were *ex officio* members. The total number of meetings held by the Municipal Councils was 1,833, of which 954 were ordinary, 591 special and 288 were adjourned meetings. Ordinary monthly meetings were regularly held only in one Municipality in the Shimoga District, in six Municipalities in the Mysore District, in three Municipalities in each of the Chitaldrug, Kolar and Bangalore Districts, and in two Municipalities in the Hassan District. The number of adjourned meetings was large in the case of Nanjangud, Davangere, Hassan, Challakere, Chikmagalur and Channapatna Municipalities. The attendance of non-official members at the meeting, though fairly satisfactory, admits of improvement. Considerable improvement is noticeable in the attendance of *ex officio* members. The Deputy Commissioners are requested to impress upon the Municipal Councils the necessity for holding monthly meetings regularly for the despatch of work and for the regular and punctual attendance of members at the meetings.

6. *Presidents, Vice-Presidents and Chief Officers.*—The Municipal Councils of Tumkur, Tiptur, Chikmagalur and Malur continued to have non-official Presidents except for a short period in respect of Malur. A non-official President was appointed for the Jagalur Minor Municipal Council also. The Municipal Councils of Anekal and Dodballapur were deprived of the privilege of having a non-official President, as the state of their affairs was found to be unsatisfactory and the Amildars of those taluks were appointed *ex officio* Presidents, Chief Officers being also appointed to assist the *ex officio* Presidents. The post of the Chief Officer, Nanjangud Municipality was continued during the year. The Municipalities of Davangere,

Chikmagalur, Shimoga, Tumkur and Channapatna continued to have Chief Officers. A Chief Officer has since been appointed for Seringapatam Municipality also.

7. *Committees.*—In spite of the observations of Government made in the reviews on the administration of Municipalities in previous years, the working of the Committees in the several Municipalities has not been satisfactory. No committees have been formed in five Municipalities in each of the Bangalore and Kolar Districts, in six Municipalities in the Hassan District, in four Municipalities in the Mysore District and in one Municipality in the Chitaldrug District. It is reported that Managing Committees have not been constituted in some of the Municipalities in the Bangalore, Chitaldrug and Kadur Districts. There were no Audit Committees in four Municipalities in the Kadur District and many of the committees formed in the Municipalities of Shimoga, Bangalore and Kadur Districts did not function during the year. The Deputy Commissioners are requested to impress on the Municipal Councils the importance and utility of the constitution of the several committees and their proper working.

8. *Bye-laws and Rules.*—Information has not been furnished in the reviews of Kolar, Tumkur and Mysore districts as to whether any bye-laws were framed by the several Municipal Councils in these districts during the year. Bye-laws were framed by the Sagar, Hassan and Tarikere Municipal Councils in respect of the regulation and inspection of slaughterhouses, dangerous and offensive trades, and taxation of vehicles and animals. The Davangere Town Municipal Council framed conservancy bye-laws for the levy of conservancy cess, and the regulation of the construction of private latrines. Rules were framed by the Government under Section 106 of the Minor Municipalities Regulation, 1933, relating to the regulation of elections, construction of buildings, conservancy and sanitation and other important matters.

9. *Finance and Incidence of Taxation.*—The year opened with a balance of Rs. 3,83,397. The income and expenditure amounted to Rs. 18,67,034 and Rs. 17,75,371 respectively and the closing balance amounted to Rs. 4,75,344. There was a fall in revenue, compared with that in the previous year due to the general economic depression. The expenditure during the year was more than the income in the Districts of Tumkur, Bangalore and Chitaldrug. The incidence of taxation per head of population ranged from Rs. 4-13-6 in the Tiptur Municipality to Re. 0-5-0 in the Mayakonda Municipality.

10. *Demand, Collection and Balance.*—Out of the total demand of Rs. 18,43,743 for the year including arrears, a sum of Rs. 13,94,065 was collected, leaving a sum of Rs. 4,38,803 to be collected at the end of the year. The percentage of collection to the demand including arrears was the highest in the Tumkur District, *viz.*, 87·3 per cent while it was the lowest in the Bangalore District, *viz.*, 55 per cent. Arrears were heavy in the Municipalities of Channapatna, Dodballapur, Kankanhalli, Anekal, Bhadravati, Honnali, Siralkoppa, Harihar, Mayakonda, Kolar, Kunigal, Narasimharajpura, Talkad and Seringapatam. Particulars as to the demand, collection and balance in respect of each Municipality have not been furnished in the report of the Hassan District. The Municipal Councils may be instructed to take systematic action and institute coercive steps for the recovery of the arrears. Though the necessity for this is being repeatedly urged on the attention of the Municipal Councils in the Government reviews of the quarterly demand, collection and balance statements, no prompt action is taken by a majority of the Municipal Councils to recover the dues. Action is not also taken to improve the financial position by periodical revision of assessment, without which it is not possible to carry out measures for the comfort, health and convenience of the rate payers. The Deputy Commissioners should insist on the Municipal Councils taking action for revision of assessment once in four years as required by the Town and Minor Municipalities Regulations.

11. *Town Improvement Works.*—Government made a grant of Rs. 35,000 for improvement of water supply in towns and Rs. 40,000 for improvement of Towns and Minor Municipalities during the year. Improvement of drainage and water supply, formation of circles and parks, removal of congestion and other sanitary works were undertaken by several Municipal Councils. Lay-out of extensions was undertaken by the Tumkur, Kunigal and Gubbi Municipal Councils in the Tumkur District. The foundation stone of the Town Hall at Sorab and the Maternity and Out-patients

Dispensary attached to the McGann Hospital at Shimoga were laid by the Dewan. The Town Hall at Sagar was also opened by him. A scheme for the construction of a Town Hall at Madhugiri was sanctioned by Government.

12. *Drainage.*—Drainage schemes for Chamarajnagar and Chitaldrug were sanctioned during the year. Sanction was also accorded to an estimate for Rs. 28,200 for carrying out the third stage of the drainage scheme for Davangere Town. A loan of Rs. 1,20,000 was given by Government to the Tumkur Municipality to meet the cost of the drainage scheme.

13. *Water Supply.*—Schemes for water supply to Hole-Narsipur, Dodballapur, French-Rocks, Seringapatam and Channapatna were sanctioned during the year. The works relating to the last three places as also Malur Town have been completed while the work at Hole-Narsipur is in progress. The Malur and Dodballapur Water Works were opened by the Dewan. Bore-wells were sunk in Chennagiri, Chitaldrug, Chintamani and Arsikere, and improvements were effected to the water supply at Bhadravati. Projects for the supply of water to Konanur and Kunigal and improvements to the water supply at Arsikere, Chintamani, Chikmagalur, Chitaldrug and Hassan were under consideration.

14. *Public Health and Sanitation.*—Public health was generally good during the year in all the districts except for the occasional out-breaks of plague, cholera and small-pox in certain places. The Municipal Councils are reported to have adopted the necessary preventive and precautionary measures to check the spread of the diseases. Baby shows were held at Yelahanka, Nelamangala and Dodballapur. A baby-show was also arranged at Closepet under the Presidency of Sir Charles Todhunter, K.C.S.I.

15. *Public Safety and Convenience.*—Electric power was supplied to Nelamangala, Devanhalli, Chintamani and Malur Towns. Proposals for the electrification of Chamarajnagar, Belakavadi, Talkad, T.-Narsipur, Bannur, Vadigenahalli and Davangere Towns were under consideration. The electrification of Gubbi Town was sanctioned and the work has since been completed and the installation opened. Loans of Rs. 1,000 and Rs. 5,000 were sanctioned by Government to the Malur and Chikballapur Municipalities respectively for popularising electric house connections. The question of constructing a new building for the Civil Hospital with maternity wards at Kolar was under contemplation during the year. The construction of a maternity ward at Nelamangala is reported to be nearing completion.

16. *Audit of Accounts.*—The accounts of the Municipal Councils were audited by the Local Audit Staff of the Comptroller's Office. No serious irregularities are reported to have been noticed in the accounts except in the case of Malur Municipality, where action had to be taken under Section 58 of the Minor Municipalities Regulation, 1933. There was no improvement in regard to the disposal of audit notes and objection statements. The delay in replying to the audit reports is a serious irregularity and the Deputy Commissioners are requested to see that the Municipal Councils dispose of audit reports promptly.

17. *Inspections.*—The reviews of the Kolar and Hassan Districts do not specify the number of Municipal Offices inspected by the Deputy Commissioners. In the Bangalore District, all the Municipalities were inspected except three. In the other districts, all the Municipalities were inspected during the year and instructions issued to rectify the defects noticed.

18. *General.*—Three separate Regulations making better provision for the constitution and working of the City, Town and Minor Municipalities were enacted during the year. With this important advance in the sphere of Local Self-Government, Government hope to see a steady improvement in the working and administration of these local bodies. Government however observe that greater attention has to be paid to the collection of arrears and current revenue and improvement of finances, before the administration of Municipalities can become satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the report on the Working of the Krishnarajasagara and Allied Works for the year 1933-34.

READ—

Correspondence ending with letter dated 8th December 1934, from the Chief Engineer, Krishnarajasagara Works, forwarding the Administration Report of the Krishnarajasagara and Allied Works for the year 1933-34.

ORDER NO. G. 8684-94—G. M. 91-34-3, DATED BANGALORE, THE 18TH—22ND MARCH 1935.

Recorded.

2. Mr. S. Srinivasa Aiyar, B.A., B.E., C.E., continued to be in charge of the Department as Chief Engineer and Secretary to Government, Krishnarajasagara and Electrical Departments till 28th June 1934, when he was permitted to retire from service. *Diwan Bahadur* N. N. Ayyangar, B.A., L.C.E., M.I.E., I.S.E., Chief Engineer and Secretary, Public Works Department, assumed charge of the Department on that date.

3. *Joint Gauging with Madras.*—Joint gauging operations were conducted on the river Hemavathi at the Akkihebbal Standard Gauging Station during the year under review to fix accurate values of the sluice coefficients in place of the tentative ones to serve as a basis for the computation of the issues due to Madras.

4. *Dam.*—The outlay on the Dam during the year was Rs. 2,43,085 against a grant of Rs. 2,89,300. The total outlay to the end of the year was Rs. 2,42,42,315.

The erection of 136 gates of the waste weir was completed during the year. All the other works connected with the Dam were maintained in an efficient condition and the regulation of water due to Madras was conducted satisfactorily and in accordance with the agreed rules of regulation.

Several improvements were effected in the Terrace Gardens on the South Bank. The gardens on the North Bank were also developed and improved. Government note that the Terrace Gardens have become a very popular place of resort; for the convenience of the public, rest houses fully furnished with arrangements for catering both in the European and Indian styles have also been established.

5. *Irwin Canal.*—Against a grant of Rs. 3,76,000, the outlay during the year was Rs. 3,91,868. Outlay on the Canal to the end of the year was Rs. 151·75 lakhs against the revised estimate amounting to Rs. 198·07 lakhs.

Almost all the works except in regard to distribution were completed during the year on the first section of the Canal from the Dam to the Tunnel. An outlay of Rs. 2,51,807 was incurred on the third section against a grant of Rs. 2,48,000 during the year, good progress having been made on the Cauvery, Maddur and Keragode Channels taking off from the Main Channel.

The total extent of irrigation contemplated under the Canal is 1,20,000 acres. The work so far completed has rendered it possible to afford irrigational facilities for about 56,000 acres, inclusive of water-supply to the Agricultural Farm at Ganadalu and the Sugar Factory at Mandya. Against this, the total extent so far brought under cultivation up to the end of October 1934 was only 26,000 acres.

6. *Measures for the Development of Irrigation.*—Under the Mysore-Madras Cauvery Agreement of 1924, Mysore is entitled to bring under irrigation an extent of—

(*a*) 125,000 acres below the Krishnarajasagara;

(*b*) 110,000 acres under additional reservoirs that may be constructed across the tributaries of the Cauvery;

(*c*) About 29,000 acres by extending the old channels, above and below the Dam, drawn from the Cauvery, Hemavathi and Lakshmanatirtha rivers by improvement of duty;

(*d*) About 12,500 acres above the Reservoir in lieu of irrigation area submerged; and

(e) 5,000 acres above the Reservoir by giving compensation water to Madras, the total area thus amounting to 281,500 acres. Against this permissible extent, the area secured so far and for which projects have been sanctioned, aggregates to about 88,300 acres. An area of nearly 193,200 acres still requires to be secured if the full Rights reserved under the 1924 Agreement are to be realized, before 1974 when the Agreement is due to be revised. It is understood that active steps are being taken to collect the necessary data and formulate the various schemes in order to expand irrigation to the fullest extent possible.

It is reported that almost all old channels in the Cauvery valley are working at low duties and that there has been excessive and wasteful use of water. Government hope that every effort will be made to minimise wastage of water and to improve the duties of the old channels with a view to the extension of irrigation at an early date. Government also desire that every encouragement should be afforded to the cultivators to enable them to take up and cultivate the area for which irrigational facilities have been afforded.

7. *The Krishnarajasagara Working Committee.*—The Committee constituted in 1931 to deal with the important questions relating to the Area met three times during the year and dealt with many important subjects calculated to secure an appreciable improvement in the progress of cultivation.

8. *Improvement of Towns.*—The outstanding event of the year was the opening of the New Yedatore Town by His Highness the Maharaja on the 16th day of June 1934. With His Highness' gracious permission, the new town has been named "Krishnarajanagara."

The layout of the Mandya Town extension was completed during the year.

9. *Other Irrigation Works.*—Progress was made during the year on the improvement and extension of the Chickkadevarayasagara, Hulhalli, Virijanadi Devaroy, Ramaswami and Sulekere Tank South Channels.

Works under irrigation cess fund were attended to and a sum of Rs. 64,513 was spent against a grant of Rs. 64,314. All the Channels were maintained in good condition and water supply regulated satisfactorily.

10. *Land Acquisition.*—The total extent of land acquired since the commencement of the Irwin Canal Works is about 2,415 acres and the compensation paid amounted to Rs. 3,11,872-12-0. Besides cash compensation, an extent of 171 acres was awarded in exchange.

11. *Recovery of Contributions.*—The amount outstanding at the beginning of the year was 75,158-11-9 and to this was added a sum of Rs. 1,981-9-1, during the year making a total of Rs. 77,140-4-10 for recovery. The recoveries made during the year amounted to Rs. 8,924-8-3. Government observe that the balance to be recovered is very heavy.

Regarding the sum of Rs. 2,58,198-5-10 due in respect of the extended channels below the Reservoir, it is seen that a major portion of it relates to T-Narsipur Taluk alone, and that a Special Deputy Amildar has been appointed to collect the amount. It is hoped that early steps will be taken to recover the entire amount. Government also desire that the demand for contributions due under the Irwin Canal both in respect of existing wet lands and lands newly brought under wet cultivation be fixed without delay.

12. *Grant and Outlay.*—Against a final grant of Rs. 12,93,142, the expenditure in the aggregate was Rs. 12,45,525 at the close of the year.

13. *Distinguished Visitors.*— Their Excellencies Lord and Lady Willingdon accompanied by His Highness the Maharaja visited the Works and the Terrace Gardens on the 5th December 1933.

14. *General.*—The work of the Department continued to be satisfactory.

BANGALORE, THURSDAY, APRIL 4, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions a sum of Rs. 1,000 from the General Muzrai Fund for the conduct of special services in Temples and other Muzrai Institutions on the date of Silver Jubilee of the reign of His Majesty the King Emperor.

READ—

Para 4 (a) of O. M. No. P. 4677-4744—P. P. 57-34-36, dated 2nd March 1935, directing among other things, that thanksgiving services should be arranged in all Temples, Mosques, Churches, etc., in the State.

2. Letter No. 1159—34-35, dated 13th March 1935, from the Muzrai Commissioner in Mysore, submitting for sanction, certain proposals for the conduct of religious services in Temples and other Muzrai Institutions in connection with the Celebration of Their Majesties' Silver Jubilee on the 6th May 1935 in the State.

ORDER No. 1233-36—MUZ. 194-34-2, DATED BANGALORE, THE 20TH—22ND MARCH 1935.

On the occasion of the Silver Jubilee of the reign of His Majesty the King Emperor which falls on Monday the 6th May 1935, the following programme will be observed in all Muzrai Institutions throughout the State:—

2. In all places of worship under the Muzrai Department, prayers should be offered at a convenient time between the hours of 7 A.M. and 11 A.M. on the above-mentioned day for the long life and prosperity of Their Majesties' the King Emperor

and Queen Empress and family. Abhisheka and Utsava in Hindu temples and other appropriate ceremonies in places of worship other than Hindu temples should be celebrated. The co-operation of the managers of places of worship other than Muzrai Institutions will be invited by the Deputy Commissioners of Districts with a view to a similar programme being carried out in them, as far as may be feasible.

3. Arrangements will be made for having special sevas conducted at the Tirupati temple on that day.

4. To meet the cost of carrying out the above programme at places of worship under the management of the Muzrai Department, Government are pleased to sanction a sum of Rs. 1,000 to be met from the closing balance of the Chattram Savings Fund.

5. The Comptroller is requested to place sums of money as noted in the margin at the disposal of the Huzur Secretary and the Deputy Commissioners of Districts. These officers are requested to furnish bills of actual expenditure in due course through the Muzrai Commissioner. The Deputy Commissioners are requested to distribute the sums placed at their disposal among the Taluks in their districts.

DEVELOPMENT SECRETARIAT.

Reviews the Administration Report of the Co-operative Department for the year 1933-34.

READ—

Letter No. 4776—C. S., dated 10th December 1934, from the Registrar of Co-operative Societies in Mysore, submitting the report on the working of Co-operative Societies in Mysore, for the year ending 30th June 1934.

ORDER NO. D. 5610-21—C. S. 24-34-11, DATED BANGALORE,
THE 20TH FEBRUARY 1935.

Recorded.

2. *Personnel.*—Mr. M. G. Mehkri, B.A., LL.B., was in charge of the Department practically during the whole year. He continued to act as Registrar from the commencement of the year until the return of the late Mr. K. H. Ramayya, from Europe and his assumption of charge on 11th September 1933. Mr. Ramayya, was however, destined to hold the office but for a short time thereafter till 5th October 1933 when, on his sudden demise, Mr. Mehkri, was re-appointed as Registrar. The late Mr. Ramayya, held charge of the Department as Registrar for over 11 years and his untimely death has been a great loss to the Co-operative movement in the State.

3. *Progress of the movement from the commencement.*—The report contains an interesting account of the development of the Co-operative movement in the State during the past 28 years and its possibilities for the future. It is gratifying to note that there has been a steady growth in the movement from year to year. The number of societies in the year 1905-06 was only five with a membership of 362 and a working capital of Rs. 14,243. This number has at the end of the year under review increased to 2,088 societies having on the rolls 146,557 members with a working capital approximating Rs. 218 lakhs. Out of these, 1,825 or 87·4 per cent are credit societies and the remaining 263 are non-credit societies. This works out at one society for 18 square miles, 100 villages and 3,605 head of the population. But mere increase in numbers is not enough. The programme should be not merely one of expansion, but also one of consolidation and Government are glad to note that the department is keeping this principle in view and applying itself to improve and strengthen the working of the existing societies before undertaking further developments or new lines of work.

4. *Progress during the year*:—The details furnished below will show at a glance the progress achieved by the movement in various directions when compared to that of the previous year:—

			1932-33	*1933-34*
1.	Number of Societies	...	2,180	2,088
2.	Do Membership	...	1,44,481	1,46,557
3.	Working capital	...	Rs. 223·0 Lakhs	Rs. 217·6 Lakhs
4.	Paid up share capital	...	,, 50·40 ,,	,, 49·42 ,,
5.	Reserve fund	...	,, 26·40 ,,	,, 27·74 ,,
6.	Deposits	...	,, 123·21 ,,	,, 121·24 ,,
7.	Withdrawals	...	,, 110·32 ,,	,, 122·94 ,,
8.	Loans	...	,, 104·52 ,,	,, 100·87 ,,
9.	Turnover	...	,, 728·39 ,,	,, 722·83 ,,
10.	Profits	...	,, 4·64 ,,	,, 4·28 ,,
11.	Demand	...	,, 143·83 ,,	,, 155·98 ,,
12.	Collection	...	,, 97·70 ,,	,, 100·84 ,,
13.	Balance	...	,, 46·13 ,,	,, 55·13 ,,
14.	Outstandings against Members	...	,, 137·97 ,,	,, 143·03 ,,

It will be seen from the above statement that, although the number of societies has decreased by nearly a hundred, there has been an increase in membership and also in the amount of reserve fund built up by the societies. There is no doubt a reduction in deposits but this was due to the prevailing economic depression. The conditions of the money market enabled societies to attract deposits at low rates of interest ranging from Re. 1/9 to Rs. 6/4 percent. This enabled a corresponding lowering of interest on loans issued by Co-operative Banks and Societies.

5. *Central Institutions.*—There was no change in the number of Central Institutions which remained at 14. But their membership showed a further decline during the year due mainly to the removal of a large number of persistent share

defaulters from the rolls of the Land Mortgage Bank. There was similar decline in the working capital and profits of these institutions which fell from Rs. 69·43 lakhs and Rs. 0·66 lakh to Rs. 67·83 lakhs and Rs. 0·56 lakh respectively.

(a) *Apex Bank.*—The number of individual members of the Bank remained stationary at 285 but 11 more societies were affiliated during the year raising the total number of society members to 975. The paid up share capital increased from Rs. 2·29 lakhs to Rs. 2·41 lakhs. Deposits fell from Rs. 37·55 lakhs to Rs. 35·63 lakhs, the fall being due to the Bank having had to refuse fresh deposits as it had large monies remaining idle in its possession. The issue and recovery of loans were both poor compared to the previous year. Out of the loan amount of Rs. 10·58 lakhs which fell due during the year, a sum of Rs. 1·23 lakh only was recovered leaving Rs. 9·35 lakhs overdue. The heavy outstandings are attributed to the continued economic depression prevailing for the past few years; but the position has to be watched carefully and every attempt made to recover the instalments or regularise the payments. The reserve fund of the Bank increased from Rs. 1·30 lakh to Rs. 1·42 lakh.

(b) *Bangalore Central Co-operative Bank.*—The Bank had a membership of 40 societies as against 57 in the previous year, the fall in the number being due to the liquidation of some societies and the filing of disputes against the others. Individual membership rose from 873 to 894. The paid up share capital rose from Rs. 2·79 lakhs to Rs. 2·84 lakhs, deposits from Rs. 16·83 lakhs to Rs. 17·25 lakhs and the reserve fund from Rs. 1·94 lakh to Rs. 2·08 lakh. *Rajasabhabhushana Diwan Bahadur* Sir K. P. Puttanna Chetty, Kt., C.I.E., who was for a long time the President of the Bank, resigned his Presidentship during the year and the vacancy was filled up by the election of *Rajakaryapravina* Mr. P. G. D'Souza, B.A., B.L. There was a change in the Secretaryship of the Bank also which is now held by a lent officer from the Comptroller's office.

(3) *District Central Banks and Federal Banking Unions.*—The working of these institutions continued to be unsatisfactory. The Registrar reports that the accounts of the Federal Banking Unions are in various stages of adjustment and that their registration will be cancelled as soon as the adjustments are finally effected. He is requested to take similar action in respect of the District Central Banks also.

6. *Primary Societies.*—The progress achieved by primary societies comprising agricultural, non-agricultural and stores societies during the year as compared with the previous year is as indicated in the following statement:—

	1932-33	1933-34
I. *Agricultural Societies*—		
(a) Number of Societies	1,723	1,629
(b) Membership	71,134	71,951
(c) Working Capital	Rs. 54,33,775	Rs. 54,22,256
II. *Non-Agricultural Societies.*—		
1. (a) Number of Societies	443	445
(b) Membership	70,320	71,793
(c) Working Capital	Rs. 99,32,761	Rs. 95,55,284
2. *Credit Institutions*—		
(a) Number of Societies	273	277
(b) Membership	51,657	52,588
(c) Paid up share capital	Rs. 25,57,043	Rs. 30,84,671
(d) Deposits	„ 38,76,658	„ 48,14,502
(e) Reserve Fund	„ 10,37,815	„ 12,92,252
(f) Loans issued	„ 80,33,741	„ 76,89,625
(g) „ recovered	„ 76,11,413	„ 71,90,769
(h) Outstandings	„ 67,74,602	„ 66,86,320
3. *Stores Societies.*—		
(a) Number of Societies	89	88
(b) Membership	15,734	16,357
(c) Working capital	Rs. 16,69,009	Rs. 17,99,896
(d) Purchases	„ 12,14,739	„ 13,34,650
(e) Sales	„ 12,18,691	„ 13,48,083
(f) Net profit	„ 30,259	„ 55,727
(g) Reserve fund	„ 1,95,607	„ 2,08,601

It will be seen from the above statement that, although the total number of societies has decreased by nearly a hundred, there has been no corresponding reduction in memberships or share capital or transactions. Out of the 1,629 Agricultural Societies, 1,534 were credit institutions, 27 were agricultural supply societies, 49 Grain Banks and 19 sale societies for areca, cotton, cardamom and other products. The majority of the Grain Banks are not working satisfactorily and steps are being taken to wind them up. The working of the supply and sale societies leaves much to be desired and requires attention. The question of finding foreign continental markets for the cardamom grown by the members of one of the two Cardamom Societies is said to be under correspondence with the Trade Commissioner for Mysore in London.

7. *Industrial Co-operation.*—The number of Sericultural Societies remained at 20 as in the previous year, with a membership of 422 and working capital of Rs. 5,466. They prepared and supplied 427,957 disease-free layings during the year as against 332,676 in the previous year. With a view to further improve the working of this class of societies, the Director of Industries and Commerce has been requested to instruct the officers of the Sericultural Department to take steps to develop the co-operative spirit and make the societies serve the larger needs of their members besides attending to their primary work connected with disease-free layings, preserving seed cocoons, etc. The Sandalwood Carvers' Societies at Sagar and Sorab manufactured articles of the value of Rs. 4,896 and effected sales to the extent of Rs. 4,771. The Gota Manufacturers' Society in Bangalore City continued to do fairly satisfactory work in spite of the trade depression and transacted business to the extent of Rs. 64,874. There were 67 Weavers' Societies, of which 16 were Adikarnataka Societies, with a membership of 5,266, a total working capital of Rs. 1·39 lakhs and a Reserve Fund of Rs. 52,319. Their total turnover was only Rs. 3·70 lakhs as against Rs. 6·40 lakhs in the previous year, the heavy fall being due to the general depression in the textile industry.

8. *House-building Societies.*—There were 28 societies for granting loans for the construction, repair or improvement of houses. They had a total membership of 2,541 and a working capital of Rs. 8·5 lakhs. They issued loans to the extent of Rs. 82,329 during the year. The Bangalore City Housing Society is the biggest among the Housing Societies in the State. It had a total working capital of Rs. 2,32,656 and attracted deposits to the extent of Rs. 1,05,460. It sanctioned loans to the extent of Rs. 42,290 during the year. With a view to enable it to extend its usefulness still further, Government have recently sanctioned a loan of Rs. 1½ lakhs repayable in 15 years at 5 per cent interest. The Krishnarajasagara House-building Society was responsible for the construction of 120 houses in the new extension and the Society at Mandya has so far financed the construction of 48 houses. The Tumkur and Madhugiri Societies have similarly enabled the construction and improvement of 79 houses.

9. *Depressed Classes Societies.*—The number of depressed classes societies fell from 250 to 226. They had a membership of 6,157 and a total working capital of Rs. 1·32 lakhs. They held deposits amounting to Rs. 4,838. The Registrar observed in the previous year that the working of these societies as separate institutions had not been successful and Government directed that the question of amalgamating them with the local credit societies might be investigated and action taken accordingly. He has reported that two such societies were amalgamated with the local credit societies during the year, and steps will be taken to amalgamate a larger number wherever possible.

10. *Co-operation in the Malnad.*—There were 368 societies in the malnad at the end of the year inclusive of nine Land Mortgage Societies, having a total membership of 22,334 and a paid up share capital of Rs. 6·55 lakhs. The deposits held by them amounted to Rs. 3·56 lakhs and their reserve fund to Rs. 4·20 lakhs. The biggest society in the Malnad was the Shimoga Co-operative Bank which showed improvement in all directions. The Sagar Society also worked satisfactorily and so did the Bhadravati Iron Works Society which is running a Co-operative Mess in the New Town and has also recently undertaken to supply provisions to the employees in the Forests, Mines and Tramways by running a Provisions Waggon on the line.

11. *Other Special Societies.*—The Students' and Women's Co-operative Societies continued to do good work during the year.

12. (*i*) *Land Mortgage Bank.*—The lending operations of the bank now extend over 14 taluks and two sub-taluks inclusive of the Mudgere and Chikballapur Taluks added during the year. The scheme has since been extended to Turuvekere, Tiptur, Krishnarajnagar and Kolar also. The bank issued a second series of Debentures for Rs. 2½ lakhs during the year and also obtained a cash credit of Rs. 50,000 from Government. Out of 204 loan applications dealt with by the bank, 93 were sanctioned involving a sum of Rs. 1,30,520 in the aggregate and 72 were rejected. Five out of the 93 sanctioned cases were subsequently cancelled involving a sum of Rs. 7,350, and a sum of Rs. 19,650 was sanctioned in 10 cases which had been previously rejected.

(*ii*) *Land Mortgage Societies.*—The number of Land Mortgage Societies affiliated to the bank was 14, having a membership of 1,420 and a paid-up share capital of Rs. 40,964. The societies dealt with 283 loan applications. They rejected 86, and sent up 127 for sanction to the Land Mortgage Bank.

13. *Litigation.*—The total number of disputes for disposal during the year was 4,905, of which 3,242 were disposed of leaving 1,663 pending at the close of the year. There were 858 disputes pending with arbitrators. The number of disputes entertained without institution fees was 1,049. There were 8,019 decisions for execution during the year, of which 2,533 were disposed of leaving 5,486 pending at the close of the year.

14. *Audit.*—The accounts of 90 societies were audited by Certified Auditors and those of 1,541 societies by the Inspectors of the Department during the year.

15. *Inspections.*—The Registrar and the Deputy Registrar who are required to inspect at least 150 societies in a year inspected 167 societies in all during the year. The Assistant Registrars of Mysore, Shimoga and Tumkur Divisions inspected 125, 108 and 183 societies respectively. The Inspectors toured on an average for 188 days and inspected most of the societies in their respective circles. The officers are reported to have paid special attention during their touring to the societies that were indebted to Government and the central financing institutions and had defaulted in the payment of instalments. In the course of audit and inspection, several cases of misappropriation of funds belonging to societies were detected and prosecutions were ordered in nine cases during the year.

16. *Finance.*—The total expenditure on the department amounted to Rs. 1,30,569 as against Rs. 1,32,373 in the previous year. The societies themselves spent out of their income Rs. 1,94,868 for their management as against Rs. 1,95,766 during the previous year.

17. *General.*—The 20th Mysore Provincial Co-operative Conference was held at Mysore during September 1933 under the Presidentship of *Diwan Bahadur* M. Ramachandra Rao, B.A., B.L., President of the Madras Central Co-operative Land Mortgage Bank. His Highness the Yuvaraja of Mysore graciously opened the Conference and presented shields to the winning societies and certificates of honour to deserving co-operators.

The working of the department was satisfactory during the year. Consolidation of the work so far done was steadily kept in view and audit and inspection was carried out on a much larger scale than before. Forms of accounts and inspection and audit reports have been revised and Refresher Courses have been arranged in some of the districts for the proper training of Inspectors and other workers in the field.

The thanks of Government are due to all non-official workers who have in various ways contributed to the progress of the co-operative movement.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

PART I

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Issues a Commission under Section 99, Land Revenue Code, to Mr. M. K. Krishna Rao, investing him with powers under Clause (*d*) of that Section in respect of Sarvamanya Kirunelli Village in Periyapatna Sub-Taluk so long as he continues to be the Agent of that village.

READ—

Government Order No. R. 444-45—L. R. 22-34-4, dated 26th July 1934, issuing a commission under Section 99 of the Land Revenue Code, to Mr. M. K. Krishna Rao, investing him with powers under Clauses (*b*), (*e*) and (*f*) of that section to be exercised by him in respect of Sarvamanya Kirunelli Village in Periyapatna Sub-Taluk so long as he continues as Agent of the village.

Letter No. C. 3129—34-35, dated 18th March 1935, from the Revenue Commissioner, recommending sanction to the grant of additional powers under Clause (*d*) of Section 99 of the Land Revenue Code, to Mr. M. K. Krishna Rao in respect of the above village so long as he continues to be the Agent of that village.

ORDER No. R. 4979-80—L. R. 22-34-26, DATED BANGALORE,
THE 2ND APRIL 1935.

Government are pleased to sanction the recommendation of the Revenue Commissioner and to issue the accompanying commission.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

ANNEXURE.

COMMISSION GRANTED UNDER SECTION 99 OF THE LAND REVENUE CODE,
REGULATION IV OF 1888.

To

Mr. M. K. Krishna Rao.

By virtue of the powers vested in them by the Land Revenue Code, the Government of His Highness the Maharaja of Mysore are pleased to confer on you, Mr. M. K. Krishna Rao, Agent, Inam Kirunelli Village, Periyapatna Sub-Taluk, the following powers specified in Clause (*d*) of Section 99 of the Mysore Land Revenue Code to be exercised within the limits of the Inam village of Kirunelli:—

* * *

(*d*) To exercise the powers of a Deputy Commissioner under Sections 63 and 64.

* * *

II. The abovementioned powers delegated to you are vested in you during the pleasure of and subject to recall, by the Government of His Highness the Maharaja of Mysore.

By Order,
H. V. RAMASVAMI,
Secretary to Government,
General Department.

Records, with certain observations, the Report on Public Instruction in Mysore for the year 1933-34.

READ—

The Report on Public Instruction in Mysore for the year 1933-34, submitted by the Director of Public Instruction in Mysore, with his letters No. G. 2-3005-17 of 33-34, dated 5th November and 29th November 1934.

ORDER NO. E. 2641 2700—EDN. 192-34-8, DATED BANGALORE, THE 29TH MARCH 1935.

Recorded.

2. *Direction.*—Mr. N. S. Subba Rao, M.A. (Cantab), Bar.-at-Law, continued to be in charge of the Department, during the year.

Mr. K. Srinarasimhaiya, M.A., L.T., continued as Deputy Director of Public Instruction, Headquarters, throughout the year, and Mr. R. Jagannatha Rao, B.A., L.T., as Secretary, Local Examinations Boards, except for 17 days in the beginning of July 1933 and from 8th August to 10th September 1933, when he was on leave. Mr. V. Narayana Iyengar, continued as Financial Assistant to the Director till 10th May 1934 when he went on leave and Mr. V. T. Srinivasan, B.A., B.SC., acted as such.

Dr. S. Paul Chinnappa, M.A., L.T., PH.D., continued as Deputy Director in charge of the Bangalore Division during the whole year, and Mr. M. Sultan Mohiyuddin, M.A., LL.B., M.ED., of the Mysore Division except for a period of one month and seven days from 4th April 1934, when he was on leave and Mr. Mahomed Davud, B.A., District Educational Officer, Mysore, was in charge of the current duties of the office in addition to his own.

There was practically no change in the personnel of the District Educational Officers of the Districts during the year.

3. *Touring and Inspection.*—The Director toured for 111 days, visited 213 offices and institutions and attended 113 meetings and conferences. In addition, he presided over the Cochin Teachers' Conference at Nemmur in September 1933 and the Coorg Teachers' Association at Veerarajendrapet in November 1933 and addressed at Yernakulam the Cochin Maharaja's College students. He attended the Inter-University Conference at Delhi as a Delegate of the Mysore University.

The touring, inspection and office work of the Deputy Directors and the District Educational Officers were fairly satisfactory on the whole. The Director has observed, however, that the office work of the Deputy Director of Bangalore Division lacked expedition and that all the direct charge Aided Minor Institutions were left uninspected by him and that the District Educational Officer, Shimoga District, left four Middle Schools uninspected and that some cases of abnormal delay in his office had also to be noticed and that 30 direct charge schools including 28 Middle Schools were left uninspected by the District Educational Officer, Mysore District, owing to the heaviness of the charge and want of time and that the condition of his office work calls for further improvement. Government hope that these officers will show marked improvement in their work and will not give room for such remarks in future.

It is unsatisfactory that as many as 695 Primary Schools were left uninspected by the Assistant Inspectors. This is especially noticeable in Channapatna, Anekal, Shimoga, Saklespur, Sagar, Mysore City, Nanjangud and Hunsur Ranges and that the Assistant Inspectors of Anekal, Shimoga, Hunsur and Hole-Narsipur ranges have toured for less than the prescribed minimum number of days. The touring work of the Assistant Inspectress of Urdu Education for Girls, Mysore District, the Assistant Inspector of Urdu Education, Shimoga District, was not satisfactory, and the Assistant Inspector of Urdu Education, Mysore, has inspected only 99 out of 131 schools under his charge, though the number of touring days was 194. Government observe that the main object of touring and inspection is not sufficiently kept in view by these officers and that the imperative need for inspecting all the schools in their direct charge, every year, in a systematic manner, should be well impressed on them.

4. *Statistics.*—The total number of institutions of all kinds under the control of the Director of Public Instruction and the University and their total strength as on 31st March 1934, as compared with the corresponding figures for 1932-33 were as follows:—

Particulars of Schools	1932-33		1933-34	
	No.	Strength	No.	Strength
Government	380	41,679	390	43,265
Local Bodies	4,822	198,461	4,926	206,765
Aided	1,530	55,661	1,432	46,657
Un-aided	14	1,298	13	1,011
Total ...	6,746	297,099	6,761	297,698
Private ...	991	14,272	931	14,253
Grand Total ...	7,737	311,371	7,692	311,951

There was, thus, an increase in the number of public institutions by 15, with a corresponding increase in the total strength by 599. The fall in the total number of institutions by 45 is due to the fall in the number of private institutions by 60. It is reported that the economic depression accounts, perhaps, for some of the private schools being closed down, as they depend generally on fees paid by the pupils in kind or coin. On the whole, there was an increase by 580 pupils in the total strength of the institutions of all kinds during the year.

The percentage of boys and girls at school to the total population o school-going age, calculated at 15 per cent of the total population, according to the Census of 1931, was 32·38 as against 32·31 in 1932-33; that of boys only to the male population of school-going age was 50·1 as against 50·2 and that of girls to the female population of school-going age was 13·80 as against 13·61 in the previous year. There was a slight increase in the average daily attendance which was 74·49 per cent of the average monthly number on the rolls as against 74·03 in the year previous. The Director states that all the inspecting officers have been instructed to take further remedial measures to secure still better attendance. It is hoped that better results will be shown in this respect.

On an average, there was one school for every 3·8 square miles of area and 835 persons of the total population. One out of every 3·1 of the population of the school-going age was under instruction, and the proportion of pupils to the total population was one in 20·59 as against 20·63 in the previous year. The percentage of boys under instruction to the total male population was 7·52, that of girls to the total female population 2·07 and that of both boys and girls under instruction to the total population was 4·86. The percentage of students in different grades of institutions to the total number of students was as follows:—

Grade of School	Number of		Percentage of	
	Boys	Girls	Boys	Girls
1. Colleges	3,140	128	1·3	.2
2. High Schools	7,260	536	3·1	.9
3. Middle Schools ...	31,582	3,174	13·5	5·0
4. Primary Schools ...	187,135	59,138	79·9	93·2
5. Special Schools ...	5,144	461	2·2	·7
Total ...	234,261	63,437	100·0	100·0

5. *Expenditure.*—The total expenditure both direct and indirect on public instruction (including that of University Education, *viz.*, Rs. 14,58,616) amounted to Rs. 69,24,539 or Rs. 2,06,588 more than that of the previous year and was met from the different sources as noted below :—

Sources of expenditure	Total amount of expenditure	Percentage of expenditure to total cost
	Rs.	Rs.
(1) State Funds	55,13,745	79·6
(2) Local Funds	5,40,416	8·0
(3) Municipal Funds	72,461	1·0
(4) Fees	5,97,919	8·6
(5) Other Sources	1,99,998	2·8
Total ...	69,24,539	100·0

The direct expenditure, *i.e.*, excluding the cost of direction, inspection, equipment, etc., amounted to Rs. 51,44,881 or 74·2 per cent of the total expenditure, and it was spent on the following grades of education to the extent noted against each :—

Grade of Education	Amount of direct expenditure	Percentage to the total cost
	Rs.	Rs.
(1) University Education	8,69,520	12·6
(2) Oriental Colleges, not forming part of the University ...	57,244	0·8
(3) Teachers' Training	1,78,921	2·6
(4) High School Education	7,06,900	10·2
(5) Middle School Education	8,61,851	12·2
(6) Primary Education	23,00,297	33·3
(7) Technical Education	1,70,148	2·5
Total ...	51,44,881	74·2

The total receipts under the Elementary Education Fund, inclusive of the Government grant and of the opening balance, *viz.*, Rs. 3,60,107 on 1st July 1933 (and exclusive of the invested balance, *viz.*, Rs. 4,48,000) amounted to Rs. 26,79,822 and the actual expenditure up to the end of June 1934 debited to this fund was Rs. 23,03,692, leaving a closing balance of Rs. 3,76,130. The position of the Elementary Education Fund of the Shimoga District Local Education Authority is still unsatisfactory, and this Local Education Authority should take very early steps to improve its financial position and curtail expenditure and balance its budget. The position of this Fund in regard also to the Local Education Authorities of Chitaldrug District, Mysore City and Tumkur Town requires improvement with a view to balance the income and the expenditure.

The average cost of education per head of population was Re. 1-1-3 as against Re. 1-0-9 in the previous year. Of this amount, a sum of Re. 0-13-7 was met from State Funds as against Re. 0-13-1 in 1932-33.

The sanctioned budget of the Department for the year provided for an expenditure of Rs. 42,24,200, exclusive of the State Grants to the University and Industrial Schools. Deducting the allotment of Rs. 1,21,500 for educational buildings which was transferred to the control of the Public Works Department, the budget provided for a net grant of Rs. 41,02,700. The actual outlay according to the audited accounts was Rs. 40,33,600, resulting in a saving of Rs. 69,100 mainly due to economy in expenditure.

The total amount spent on scholarships excluding those of the University awarded during the year was Rs. 1,23,600. Only a sum of Rs. 2,830 was left unutilised.

6. *Secondary Education.*—During the year, the number of High Schools for boys remained the same as in the previous year, namely 30, but their strength

increased by 418 pupils from 6,796 (including 23 girls) to 7,214, of whom 64 were girls. Of the 30 High Schools, 17 were Government (with a strength of 4,587), 6 Aided (with a strength of 1,765) 6 Municipal (with a strength of 596 and 1 unaided (with a strength of 266). There was an increase in the strength of all the High Schools except the Government High School, Tiptur, Maharaja's High School, Mysore, Government High School, Chitaldrug, Sharada Vilas High School, Mysore, and the Municipal High Schools, Malvalli and Hole-Narsipur.

During the year, the medium of instruction in Kannada, introduced two years ago in certain High Schools in respect of teaching of History and Geography was extended to Elementary Mathematics in a few of such High Schools as had more than one section in each form, the medium of teaching in English being retained at least in one section for the benefit of non-Kannada pupils and of those who did not desire to have Kannada as the medium of instruction. Revised rules were issued by the Department in the matter of class promotions in the High Schools, vesting the Heads of High Schools with final powers as regards the promotions and also selection of pupils to appear for the public examination.

The problem of overcrowding of High School Classes, specially noticeable in large schools, such as the Maharaja's High School, Mysore and the Government High School, Tumkur, was tackled to some extent by an attempt to divert pupils to other High Schools, by placing a limit to the extent of relaxation of the rule regarding the maximum number of pupils in each section, in the interest of educational efficiency. The strength of each section was restricted to 45, and pupils were indirectly compelled to seek admission into other schools. It is reported that this measure was successful in the Mysore City where a more even distribution of pupils among the High Schools, Government and aided, has been effected.

The "Panchayet" and "House" systems based on a self-Government plan for the pupils were ordered to be introduced into all the High Schools. The powers of the Managing Committee of the Municipal School in respect of the management of Municipal High Schools were defined. The Mysore Secondary Education League held its ninth Session at Chitaldrug in December 1933, when an important move towards the federalization of the several grades of educational leagues was resolved upon and several important questions relating to Secondary Education were discussed. A Conference of Heads of High Schools and Members of the S. S. L. C. Board was held at Bangalore in December 1933 which was opened by the Second Member of Council and presided over by the Director of Public Instruction. Several subjects pertaining to the improvement of High School education were discussed and some important decisions arrived at, with special reference to the need for a vocational bias to the courses. Accordingly, a reorganisation of courses was suggested and a committee has been engaged for some time past in implementing the resolutions. The report is awaited. Government have recently constituted a Board of Vocational Education, to make suitable recommendations for expansion of Vocational Education by stages.

The conditions of the High Schools continued to be fairly satisfactory, and Government are glad to note the general progress and satisfactory work of the Municipal High Schools. The strength of 60 in the Municipal High School, Malvalli, has however, further gone down and is very low for a High School, and too poor to guarantee its financial stability and permanence. The strength of the Municipal High School, Sagar, showed however, an improvement from 66 to 80. The strength of the Bowringpet Municipal High School is steadily on the increase and there were 160 pupils on the roll on 31st March 1934, as against 132 in the previous year and 120 in the year before and two additional sections, one in the fourth and the other in the Sixth Form were opened and two additional graduate teachers were entertained. Among the Aided High Schools, it is seen that the strength was practically the same as in the previous year, except in the Banumiah's High School, Mysore, which showed an improvement from 292 to 337. The strength of the unaided S. L. N. High School, Bangalore, rose from 172 to 266.

Among the Government High Schools, there was a noticeable increase in the strength of those at Fort, Bangalore (from 660 to 704), Chikmagalur (from 168 to 192), Shimoga (from 299 to 334) and Davangere (from 252 to 292) and that owing to a large demand for admission and also with a view to relieve over-crowding of classes, five additional sections were opened during the year, one in each of the High Schools at Chikmagalur, Shimoga, Chitaldrug, Davangere and Hassan, for the Fifth Form in the first two, and for the Fourth Form, in the other three. It is reported that, for want of accommodation and furniture in Malleswaram High School, the admission had to be refused to some boys of Malleswaram and its neighbourhood and these had to find seats in other High Schools in the City. The decline in the strength of the Tiptur High School year by year, in spite of there being two free boarding institutions is however perceptible. The decrease in the strength from 536 to 485 in the Maharaja's High School, Mysore, was, it is stated, due to restrictions of admission to 45 pupils in each Section in the interests of efficiency and in conformity with the standing rules. It is gratifying to note that the Government High School at Tirthahalli, a High School working in the interior of the Malnad under considerable handicap is showing signs of growth and there has been for the last two years a steady but slight rise in the strength. The Director has observed, however, that in the Bangalore Fort High School the discipline left something to be desired and that there is much to be done in the Channapatna High School to bring the school to the normal standard of efficiency in its class-room work and that the tone of the Davangere High School admits of further improvement. Government trust that full improvement will be shown in these schools in the coming year. Some of the schools are reported to be in need of additional accommodation and equipment, especially furniture and appliances. These needs could not be met owing to financial considerations and may, however, as far as possible, be attended to, in the order of urgency as funds permit.

It is interesting to note that the number of girls in the High Schools for boys, particularly in the moffusil, is steadily growing. In Malleswaram High School, girls were admitted for the first time in consideration of the difficulties felt by poor parents to send their girls to the Vani Vilas Institute in the Fort. It is reported that there were 10 girls in the Fourth Form and all of them were promoted to the Fifth Form, that 4 girls have since been admitted to the Fourth Form and that the Public in Malleswaram are very keen on admitting the girls to this school. It is seen that there were during the year 2 girls in the Government High School Chikballapur, 1 girl (a Muslim) in the Government High School, Kolar, 12 girls in the Government High School, Shimoga, 16 girls (of whom 2 were Muslims) in the Government High School, Hassan, and 5 girls in the Municipal High School, Bowringpet.

The results of the S. S. L. C. Public Examination of 1934 were as follows :—

	No. Registered	No. Examined	No. passed	Percentage	No. Declared eligible for College course	Percentage with reference to the number passed
Ordinary candidates.	2,184	2,157	1,386	64 as against 61 in the previous year	677	48·8 as against 54 in the previous year
Candidates seeking supplementary certificates.	273	273	...	...	127	47·9

N.B.—One hundred and eighteen girl candidates also were examined, of whom 88 were declared "Passed" and of them 51 were declared eligible for admission to College Course of study.

Government observe that the performance of the private candidates was again very unsatisfactory, even the percentage of passes being only 19 against the State average of 64.

From the point of view of the total number of passes, the results of the S.S.L.C. Examination were satisfactory in all the High Schools for boys except in Methodist Mission High School, Mysore, which secured less than 50 per cent. It is gratifying to note that the percentage of passes was over 75 in the marginally noted eight High Schools.

				Percentage.
(1) National High	School,	Bangalore.	...	82
(2) Municipal	do	Chintamani	...	79
(3) Government	do	Tirthahalli.	...	78
(4) Municipal	do	Sagar.	...	78
(5) Banumiah's	do	Mysore.	...	78
(6) Municipal	do	Hole-Narsipur.	...	76
(7) Maharaja's	do	Mysore.	...	76
(8) Government	do	Tumkur.	...	75

Judged by the percentage declared eligible for College Course of Studies, the results of the 13 High Schools mentioned below cannot be considered satisfactory as the percentage was below 30:—

		Percentage.
(1)	Government High School, Channapatna	24
(2)	Do do Chikballapur	29
(3)	Do do Chikmagalur	23
(4)	Do do Davangere	26
(5)	Do do Madhugiri	26
(6)	Do do Nanjangud	26
(7)	Do do Tiptur	29
(8)	London Mission High School, Bangalore	28
(9)	M. E. Mission Girls' High School, Kolar	17
(10)	S. L. N. High School, Bangalore	24
(11)	Methodist Mission High School, Bangalore	22
(12)	Methodist Mission High School, Mysore	21
(13)	Municipal High School, Hole-Narsipur	29

From the point of view of the total results of the schools by management, it is seen that the aided schools did not fair so well as the Government and the Municipal High Schools.

As regards the Extra-Curricular activities (physical, literary and social) of the High Schools, Government note that, during the year there has been, generally speaking, an extension of the scope of such activities, all round. Increased attention has been paid to physical education and recreation in most of the High Schools, though it is reported that, in some cases, for want of play grounds and on account of the distance of the pupils' homes from the school, all the pupils could not have the benefit of physical exercise. In addition to the usual out-door games, sports and exercises, provided generally in all the High Schools, provision for some in-door games was also made in the Shimoga, Tirthahalli and Malvalli High Schools. It is reported that physical drill and exercises were conducted regularly in the Malleswaram, Nanjangud, Sarada Vilas and the National High Schools and that the attendance of pupils thereat was made compulsory, and measurements of pupils taken periodically and records and charts of physical development also maintained. Physical training and elocution were taught as compulsory in the V and VI Forms in the London Mission High School, Bangalore. The National High School, Bangalore, has specialised in the Indian system of Physical Culture and it organised a summer course in physical instruction to teachers of Middle and High Schools in the State. It is also seen that all the pupils of the Wesleyan Mission High School, Bangalore, participated in the Suryanamascar exercises on Saturdays. Scouting continued to be popular and was a regular feature of almost all the schools. The literary activities were mostly in the form of Debating Societies, School Unions and School Magazines and in some cases Eassay Competition or Dramatic Association. Among the other activities are seen the Teachers' Associations, School Co-operative Societies, Poor Boys' Fund, Parents' Day, Founders' Day, School Exhibition, Excursion parties, a Social Service League in the London Mission High School, Bangalore, and Special Night classes and also School Museum in the Davangere High School and the Poor Boys' Home in the Bangalore National High School. It is reported that in the Government High School, Shimoga, there were 30 boys under instruction in Weaving and that the manufactured articles are finding a ready sale and that an attempt was made to get dusters prepared for supplying to all the Middle Schools and that the demand of two districts could be successfully met by the school. Another pleasing feature to note is that the system of "House" and "Panchayet," newly introduced into the High Schools, has worked satisfactorily and that the general tone in schools has shown signs of improvement. It is reported that *Esprit de corps* is developed and group emulation promoted by inter-house contests in physical, social and intellectual achievements and that the "Panchayet" system has tended to ease many disciplinary difficulties and helped to increase the sense of individual responsibility for the good reputation of the school.

During the year, an attempt at visual instruction was made by the Department, by permitting the Educational Film Company, Madras, to show a few educational films to the pupils of Bangalore City as an experimental measure. A small fee of an anna per pupil was permitted to be levied and three such shows were exhibited at the several centres, the National High School, the Vani Vilas Institute, the Muslim Hall and the Mamoolpet Middle School being the chief. It is reported that the films were popular and that the collection was fair.

Vernacular High Schools.—Consequent on the abolition of the Vernacular Upper Secondary Course on the introduction of the revised Vernacular Training Course at the beginning of the year, the Senior Upper Secondary Classes only were maintained for the sake of those who had been promoted from the Junior to the Senior class. These classes were maintained in the Government Training College, Mysore, and in the District Normal School and Vernacular High Schools at Tumkur and Shimoga. The total strength was 103. The results of the Vernacular Upper Secondary Education of 1934 are stated to be generally satisfactory and are slightly better than in the previous year. Out of 202 candidates (153 for the full examination and 49 for groups) that were examined, 72 candidates (64 in full and 8 in groups) passed, the percentage of passes being nearly 36 against 31·1 in 1933.

7. *Middle School Education for Boys.*—The number of Middle Schools for Boys increased during the year by only one from 292 to 293, due to the opening again of a Middle School at Thippagondanahalli as a temporary measure, but the total strength showed an increase by 1,013 from 31,276 to 32,289 pupils. Of these 293 schools for boys, 264 were Government Middle Schools with a strength of 28,021, 26 aided Middle Schools with a strength of 4,076 and 3 unaided Middle Schools with a strength of 192, and there were in all 258 Kannada Middle Schools, 30 Urdu Middle Schools, 4 Tamil Middle Schools and one European Middle School.

During the year, revised instructions were issued by the Department regarding the class promotions in Middle Schools. The existing practice of allowing candidates to appear by private study for the Middle School Examination has been ordered to be continued for a further period of three years from 1933-34 and Government have ordered the inclusion of Music as an optional subject for the Middle School Examination with effect from the examination of 1936.

The results of the Middle School Examination of 1934 show an improvement over those of the previous year. Out of 6,988 candidates registered for the examination, 6,853 were examined and 3,094 passed, giving a percentage of 45·1 (45·6 for school candidates and 36·2 for private candidates) as against 42.1 (42·4 school candidates and 37·6 for private candidates) in the previous year.

Government observe that, while the number of Middle Schools for boys has remained almost the same during the recent years, there has been a steady increase in the strength from year to year, resulting in over-crowding in some of the Middle Schools and that there is a growing demand for more Middle Schools, especially in rural areas and that the need for improvement of the existing middle schools in regard to staff and equipment and accommodation is also keenly felt. Owing, however, to the prevailing hard financial conditions, it was found not possible to provide for all these needs, immediately during the year, beyond sanctioning 30 additional hands on Rs. 20 each to relieve the pressure on the staff of Middle Schools to some extent. Attempts will however be made to provide for these needs to some extent in the order of urgency with the funds that could be made available. The Director has submitted to Government proposals for encouraging the opening of private schools on grant-in-aid basis with permission to levy fees. As the proposal to levy fees involves a departure from the present policy of free Middle School Education in the State, the matter is being further examined and is under the consideration of Government.

8. *Practical Instruction.*—The number of practical instruction classes actually working in Middle Schools, Adikarnataka Homes and Adikarnataka and other Primary Schools was 103 (Bangalore Division 41 and Mysore Division 62) against 100 in the previous year. Of these 103 schools distributed over the different kinds and grades of schools in Districts, there were 13 carpentry classes, 6 tailoring classes, 2 brass work classes, 2 lacquer work classes, 4 blacksmithy classes, 19 weaving classes, 4 rattan classes, 5 shoe-making classes, 3 mat-weaving classes, 23 charka classes, 18 agricultural classes and 4 sericultural classes. In all, there were 96 classes in Boys' and 7 in Girls' Schools. The number of students studying

practical instruction subjects in Middle Schools was 3,810. The number that attended the Middle School Examination with practical instruction subjects as optional (except agriculture and sericulture) was 290 as against 265 in the previous year. Of them, 236 were declared to have undergone a satisfactory course. The sale proceeds of the practical instruction classes except those of agriculture were Rs. 2,347-13-6. It is reported that all the practical instruction classes are working satisfactorily and have been regularly inspected by the Superintendent of Practical Instruction (Mr. David A. Nagavakar, L.M.E.) and that the type of manufactured articles in these schools has much improved and finds a ready sale locally and that Co-operative Societies are also aiding to sell the manufactured articles. The Charka Training Class of Mr. H. Srinivasa Rao, had again a successful session in April and May 1934, and 18 teachers, one of whom was a lady underwent a course of successful training at Bangalore.

Eighteen Middle Schools as in the past year, continued to have practical instruction classes in agriculture attached to them, with a total strength of 783 pupils as against 792 in the previous year. One hundred and fifty-six candidates offered agriculture as their optional subject, as against 99 in the previous year and 98 were successful. In addition, 4 Middle Schools, as in the past year, gave practical instruction in sericulture and there were 230 pupils undergoing instruction in the subject, 49 of whom appeared for the Middle School Examination and 42 passed. It is interesting to note that the practical instruction farms worked satisfactorily and their yields were fair (but prices were very low during the year) and that the total realisations from the agricultural farms amounted to Rs. 754-14-1 and from the sericultural farms to Rs. 155-7-3 and that the instruction is much appreciated and that the small crop tests, conducted at these farms, have attracted the attention of the neighbouring farmers and are popular and that the pupils have keen taking been interest in the out-door work. It is, however, very unsatisfactory that the Agricultural Inspector (Mr. M. S. Ramachandra Rao) who was in charge of the practical instruction classes of agriculture, practically up to the end of the year, inspected the practical instruction classes in only two schools and left the other 16 schools uninspected. He has since reverted to the Agricultural Department, and it is hoped that his successor Mr. K. Krishnamurthy will inspect all the schools in his charge during the year regularly.

Government are glad to note that the non-official members of the Advisory Committee are taking considerable interest in the working of these practical instruction classes and that the public continue to take interest in practical instruction and that a number of them visited the classes and encouraged them by purchasing the articles made therein.

9. *Primary Education.*—The Local Education Authorities continued to exercise control over Primary Education through the District Educational and *ex-officio* School Board Officers, in addition to their departmental duties. Government are glad to learn that the administration of Primary Education by the Local Education Authorities and the School Boards was satisfactory and that there was hearty co-operation and harmonious relationship between the officers of the Department and the members of the Local Education Authorities and School Boards, and that the members took keen interest in the work of School Boards. The number of Primary Schools increased from 6,243 to 6,254, but there was a decrease by 918 in the strength of the schools, from 2,47,191 pupils to 2,46,273. This fall in strength is attributed to economic depression. Of the 6,254 schools 5,718 were for boys (with a strength of 2,13,802) and 536 schools for girls (with a strength of 32,471). Of the 5,718 schools for boys, 28 were Government institutions with a strength of 2,223 pupils; 4,462 schools (with a strength of 1,79,685) were under the control of the Local Education Authorities and 1,227 were aided schools (with a strength of 31,815) and one was an unaided institution (with a strength of 76 pupils). Classified according to the languages, there were 5,089 Kannada Schools, 621 Urdu Schools, 5 Telugu Schools, 2 Tamil Schools and one Mahrati School. The percentage of boys in the primary classes to the total male population of school-going age calculated at 15 per cent of the total population was 43·4 as against 43·6 in the previous year.

The report shows that the percentage of pupils in the last class is still high, though lower than what it was in the previous year, namely 50·69 as against 51·80.

Government hope that there will be considerable further reduction still. It is, however, gratifying to note that there is a steady decrease in the retardation of pupils in the first year primary class as the percentage was 62 in 1926-27, 57·11 in 1930, 54·57 in 1931 and 52·42 in 1932.

It is interesting to note that in the Kadur District, co-education is popular and that there were 1,753 girls studying in boys' schools, while the number of girls studying in girls' schools was only 1,335 and that an experiment has been tried in a few selected schools where Muslim pupils were allowed to learn Kannada for two hours a day in Kannada Schools.

It is reported that owing to financial difficulties schemes of expansion and development of Elementary Education could not be taken up by the Local Education Authorities during the year. The Ten Year Programme of Elementary Education on voluntary basis, which was due under the Regulation and for the submission of which time was extended till the end of February 1934, was not however received during the year from all the Local Education Authorities. From the scheme so far received, it is seen that some of the Local Education Authorities plead inability to meet their share of expenditure with their present sources of income, while with regard to other Local Education Authorities, from whom schemes have not yet been received, paucity of funds is the main cause for the delay. As already pointed out by Government, the Local Education Authorities have to augment their local resources as contemplated in the Regulation. Some of the Local Education Authorities have proposed the levy of Education Cess on certain items of Municipal Revenue, and some others on certain items of State Revenue. Proposals are under the consideration of Government in consultation with the Departments concerned.

In view, however, of the increasing demand and the great need for new primary schools, Government have examined the question with reference to the requirements and the financial position of the several Local Education Authorities. It is found that many of the Local Education Authorities have not got the necessary resources to meet their share of the cost of the schemes of expansion and that some have got only a small amount to spare, for the purpose. It has also not been possible for Government in the present financial conditions to undertake, as desired by some of the Local Education Authorities, to meet the entire cost of the scheme. All things considered, the Director has been requested to examine the schemes of the several Local Education Authorities with reference to their immediate requirements in respect of expansion of Elementary Education and to their financial position, and submit comprehensive proposals to Government, before Budget time for consideration, with reference to the financial position of the State, as to the amount that could possibly be provided in the next year's Budget.

It is, however, gratifying to note that the Local Education Authorities and School Boards directed their efforts towards consolidating and reorganising the existing schools by a careful and judicious adjustment of the available resources, with a view to improve, as far as possible, the educational facilities in their respective areas of control. They have considered and given effect to proposals to amalgamate Boys' and Girls' Schools and Adikarnataka and General schools wherever possible and to re-distribute schools on a more equitable basis in respect of number and qualifications.

In his interesting concluding remarks, the Director has surveyed the field of Primary Education at some length, and states that as there is not much likelihood of the financial conditions improving in the next few years to such a degree as to make any large expansion of Primary Education possible, efforts must be concentrated on consolidation and reorganisation if larger results are to be achieved in this field of education. He suggests the following methods for improving the efficiency of Primary Education in the State:—

(*a*) The Central School System, according to which the pupils of 3rd and 4th year are gathered together in a central school, realising the time and effort of the teacher in the other schools to be devoted entirely to the needs of the pupils in the 1st and 2nd year classes.

(*b*) The shift system, according to which, instead of two sessions each day the children of only one class of the school attend either in the morning or in the afternoon, and instead of having to manage all the four classes of a Primary School, the teacher will teach only two classes, two in the morning and two in the afternoon.

(c) Improving the quality and qualification of the teachers.

(d) Improving the environment of the schools to ensure that the work of the schools is better in quality and more enduring.

(e) Improving the education of girls, which is of special importance both as an end for the education of one half of the community and as a means for supplying the effective background and a favourable environment for the education of the other half.

These suggestions will have to be carefully examined in consultation with the Local Education Authorities. The Director is requested to obtain the views of the Local Education Authorities and formulate definite and detailed proposals, if any, in the matter and submit them to Government for orders.

For the Vernacular Lower Secondary Examination of 1934, 2,912 candidates were registered and 2,776 examined. Nine hundred and seventy-nine passed, giving a percentage of 35·3 (38·1 for school candidates and 28·1 for private candidates) as against 37·3 (41·7 for school candidates and 28·6 for private candidates) in the previous year.

The number of adult night schools remained the same as in the previous year namely, 90, but the strength increased from 1,864 to 1,998 pupils. The Director has himself observed that the condition of these schools cannot be said to be satisfactory. It is stated that the position and expansion of adult education is under the consideration of the Department and that a report will be submitted to Government. The report is awaited.

It is pleasing to note that keen interest was evinced by the general public in the cause of Primary Education and that a large number of local benefactions was made during the year also, to supply the pressing need for suitable school buildings.

10. *Special Institutions.*

Training Institutions.—There were nine institutions for training of men teachers and three for women teachers. The total strength of all the institutions increased from 671 to 723 owing to the admission of a large number of private candidates to the first year of the revised Vernacular Training Courses, though the number of classes decreased owing to the abolition of the Upper Secondary Training Course. The results of the Teachers Certificate Examinations are fairly satisfactory except those in the Lower Secondary Training Course (since abolished) and those of the Shimoga District Normal School and Tumkur Methodist Mission Normal School. The General condition of Government Training College, Mysore, continued to be satisfactory.

Government School of Engineering.—The work of the School of Engineering was satisfactory. The rules regarding the admission of pupils to this school were revised during the year. Out of 391 applicants for admission to the different courses of study in the school, 110 were admitted, 52 for Mechanical and Electrical Engineering—Higher Grade, 28 for Mechanical and Electrical Engineering—Lower Grade and 30 for the Civil Engineering Section. Thirteen students were admitted to the Short Time Motor Course. The total strength of the school was 306 as against 337 in the previous year. The results at the Technical Board Examination were satisfactory, the number passed being 86 (with three in first class) out of 143 that appeared. The grant of L. M. E. and L. E. E. diplomas to students passing out of the school in the Higher courses in Mechanical and Electrical Engineering respectively from the year 1934 onwards has been ordered by Government. Certain vocational classes for High School students were also conducted in the school, as usual, and the number of students attending these classes was 78.

Commercial Schools.—During the year, there were seven Commercial Schools, one Government, two aided and four unaided but their total strength fell perceptibly from 530 pupils to 461. The results in the Public Examinations were satisfactory in the Champion Metropolitan College of Commerce, Mysore, and the Brighto Institute of Commerce, Mysore, and poor on the whole, in the other institutions.

Institutes for Defectives.—There were two institutions for defectives—one at Mysore and the other at Bangalore. The Central Institute for Defectives, Mysore, had a strength of 79 pupils (32 in the deafmute Section and 47 in the Blind Section) as against 78 in the previous year. The institute continued to be managed by a Committee of members, presided over by Sir Charles Todhunter and was open to pupils of all classes and creeds, admission being regulated by age. Sufficient importance was also given to the physical culture and health of the pupils. The important event during the year was the laying of the foundation stone for the main building of the Institute by Her Excellency Lady Willingdon in December 1933. Government are glad to note that the Managing Committee took keen interest in the improvement of the institute and the well-being of the pupils and that the general condition of the institute and its hostel was satisfactory. The institute at Bangalore had a strength of 21 pupils (including 9 girls), and it was maintained with the help of public subscriptions and a grant from the Municipality.

Sanskrit Schools.—There were 79 Sanskrit Schools (52 Sanskrit Patasalas and 27 Veda Patasalas with a total strength of 1968 pupils including 159 girls), as against 1,734 pupils in the previous year. All the schools were under the direct charge of the Inspector of Sanskrit Schools. Of the total strength, 1,551 were Brahmins, 4 Kshatriyas, 37 Vaisyas, 227 Lingayets, 34 Vokkaligars, 70 Jains, and 44 other Hindus. Besides these, there were 4,012 pupils studying Sanskrit in the General Schools.

11. *Women's Education.*—There were 585 Girls' Schools of all grades, as in the past year, but there was a slight increase in their total strength from 35,767 pupils (of whom 602 were boys) to 35,814 pupils, of whom 829 were boys, as detailed below:—

Institutions	1932-33		1933-34	
	Number	Strength	Number	Strength
1. Colleges	2	72	2	83
2. English High Schools	6	444	6	459
3. Vernacular High Schools	1	30	1	13
4. Middle Schools	34	2,455	33	2,467
5. Primary Schools	537	32,294	536	32,471
6. Training Institutions	3	86	3	89
7. Industrial Schools	2	386	4	232
Total ...	585	35,767	585	35,814

Besides these, there were 28,452 girls (as against 27,440 girls in the previous year) reading in Boys' Schools of all grades, bringing the total number of girls under instruction in all schools to 62,437, as against 62,605 in the previous year.

Government are glad to note that the number of girls seeking admission is increasing in all grades of general institutions and that girls are freely entering into Boys' Schools in places where there are no separate institutions for them. About 45 per cent of the number of girls under instruction were studying in Boys' schools during the year. Holders of Endowment scholarships in Girls' High Schools were exempted from payment of tuition fees. During the year, the general condition of the six English High Schools for girls was satisfactory and the examination results good. It is pleasing to note that out of 96 girls that were examined from the Girls' High Schools, 81 passed in the S. S. L. C. Examination, of whom 11 were placed in the first class and 47 were declared eligible for admission to College Course of study. The results were, however, poor in the M. E. Mission Girls' High School, Kolar. The number of girls that passed in the Middle School Examination was 245 out of 489 examined. Of the three Training Institutions for women, two were Government with a strength of 67 pupils and one an aided institution with a strength of 22 pupils. The results of the Women's Training College, Mysore, at the Public Examination were satisfactory for the Secondary Grade, but disappointing for the Lower Secondary Grade. With a view to afford facilities to moffusil women teachers who find it hard to go to Mysore for undergoing training in the Vernacular Training Course Class, permission has been granted to admit Women candidates to the District Normal Schools for men, provided that there are at least two candidates seeking admission. In the Zenana Normal School, Mysore, the only institution for the training of Urdu Gosha Ladies, 16 Mistresses in the Senior and 19 in the Junior Lower Secondary Training Class were receiving instructions and the results showed an improvement over those of the last and previous years, seven candidates passing out of 15 sent up. As regards the Industrial School for women, the good work turned out by the Vocational Institute for Women, Mysore, of which Mrs. W. H. Theobald continued as Honorary Superintendent deserves mention. The success gained by the pupils at the examinations was very creditable and the London Board of Examiners have observed that the work of the candidates is good compared with English standards. The Sisu Vihar, Mysore, which was started about five years ago as an educational experiment by Dr. M. V. Gopalaswamy has progressed remarkably well. Beginning as a school for Toddlers, it subsequently developed into an infant school and it is reported that at the request of many parents, the scope of the school has been extended so as to include the Primary and part of Middle School Course of education. The strength of the school was 89 of whom 61 were boys and 28 girls. The school has now a building of its own, of the semi open air type and it is intended gradually to extend the scope further so that the pupils who may pass out of the school may join the High School directly.

The total direct expenditure on education for women (including University Education) was Rs. 6,93,209 exclusive of scholarships, buildings and equipment, against Rs. 6,39,881, in the previous year.

12. *Education of Muslims.*—There has been a further increase in the total number and strength of the institutions for the education of Muslims. The number of schools of all grades for Muslim boys and girls was 865 with a total strength of 35,848 (23,174 boys and 12,674 girls) as against 863 schools with a strength of 35,188 pupils (21,636 boys and 13,552 girls) in the previous year. Besides these, there were 6,279 Muslim pupils (5,090 boys and 1,189 girls) reading in schools other than those where the medium of instruction was Urdu, making the total of 42,127 Muslim pupils under instruction in all the schools, (28,264 boys and 13,863 girls) as against 41,134 pupils (27,430 boys and 13,704 girls) in the previous year. The percentage of Muslim boys at school to the total Muslim population of school-going age, calculated at 15 per cent of the total Muslim population was 95·13 as against 92·47 and that of girls to the total population of Muslim girls of school-going age was 53·73 as against 53·10 and that of boys and girls to the total Muslim population of school-going age was 75·91 as against 74·1 in the previous year.

The total expenditure incurred by Government on the education institutions intended for the pupils of the Muslim community was Rs. 5,66,635 or 11·01 per cent of the total direct expenditure on education. A sum of Rs. 28,008 was spent on scholarships to Muslim students (exclusive of those in High Schools) as against 27,855 in the previous year.

The number of Muslim candidates that passed the Lower Secondary, Middle School and S. S. L. C. Public Examinations was, however, proportionately low as noted below:—

Examinations	Boys		Girls	
	Number Examined	Number Passed	Number Examined	Number Passed
1. Lower Secondary Examination ...	354	148	214	37
2. Middle School Examination ...	517	178	44	15
3. S. S. L. C. Examination ...	142	17	5	2

13. *Education of the Backward and Depressed Classes.*—To encourage education among the children of these classes by means of scholarships, a provision of Rs. 81,860 had been made in the Departmental Budget and 1,149 scholarships of

the total value of Rs. 51,540 were awarded under the Backward Classes Scholarship Scheme and 80 scholarships of the total value of Rs. 4,770 were awarded under the Muhammadan Scholarship Scheme, and 916 scholarships of the total value of Rs. 24,110 under the Depressed Classes Scholarship Scheme. A sum of Rs. 1,500 was utilised during the year for the supply of clothing to the Depressed Classes who were not awarded scholarships. A sum of Rs. 1,000 was allotted for additional scholarships and was fully utilised. Eight scholarships of the value of Rs. 7-8-0 each per mensem for ten months from 1st July 1933 were sanctioned to eight Adikarnataka students, undergoing training in weaving at the Government Weaving Factory, Bangalore. The Board of Visitors in Adikarnataka Boarding Home, Tumkur and Chikmagalur were replaced by Committees of Management.

There were 585 Special Scholarships assigned to the education of Depressed Class pupils, with a strength of 12,873 pupils, of whom 2,111 were girls as against 605 schools with a strength of 12,692 pupils in the previous year. Of the 588 special schools, two were Middle Schools for boys and one for girls and 583 Primary Schools for boys and two for girls. The fall in the total number of special institutions is due mainly to the amalgamation of Adikarnataka Schools with general schools, with a view to secure efficiency and economy and to attain the ideal of having no special Depressed Class Schools as such. There were 32 special schools for Banajaras with a strength of 588 pupils, 1 for Hill Tribes with a strength of 18 pupils, 5 for Kunabis with a strength of 65 pupils and 4 for Woddars with a strength of 53 pupils. Besides, there were 7,382 pupils of the Depressed Classes reading in other schools, bringing the total number of Depressed Class pupils under instruction in all schools to 18,243 (15,644 boys and 2,599 girls). There were six Adikarnataka Boarding Homes including the Central Adikarnataka Institute, Mysore, and the Adikarnataka Boarding Middle School for girls at Bangalore. In addition, there were 12 Aided Hostels for Depressed Class pupils of which eight were for Adikarnatakas.

The number of Adikarnatakas and Adidravida candidates that passed the several public examinations is, however, proportionately poor except in respect of S. S. L. C. Examination, as shown below:—

	Number Examined.	*Number Passed.*
Lower Secondary Examination ...	131	27
Middle School Examination ...	285	94
S. S. L. C. Examination ...	75	46
Vernacular Upper Secondary Examination	7	2
Teachers' Certificate Examinations ...	23	2 Full, 3 Theory.

Government regret to note that the examination results of the Adikarnataka and Adidravida candidates were, on the whole, again very disappointing and that the students and boarders have not made proper use of the special facilities provided for them, and that the condition of the Adikarnataka Boarding Home at Hassan is also not satisfactory and requires improvement. It is hoped that tangible improvement would be forthcoming in the coming year. The examination results of the Central Adikarnataka Institute, Mysore, and the Sri Narasimharaja Hostel, Bangalore, showed improvement. The Adikarnataka Middle School for girls' at Bangalore has been kept in good condition by the Head Mistress, though the examination results for the school were poor. It is also a matter of concern that the average cost of maintenance per head per annum increased during the year in the Adikarnataka Boarding Home at Chikmagalur to Rs. 119-10-0 from Rs. 115-15-7 in the previous year. This requires to be looked into. Every effort should be made for reducing the cost as far as possible.

The number of pupils belonging to different backward communities under instruction in the public institutions was 239,204 as against 244,875 in the previous year. The fall of 5,671 pupils is said to be due mainly to the economic depression. It is, however, seen that the number of Depressed Class pupils in general schools has been increasing.

14. *Text Books, Publications and Libraries.*—The Text Book Committee consists of 45 members with the Director of Public Instruction as President and the Deputy Director, Headquarters as Vice-President. In addition, the President has nominated 83 members to serve on the several Sub-Committees. "Mysore Kaipidi" (for the use of Primary Schools) and the "Hand Book of Electric Wiring"

and a "Supplement to Geography, Book II" have been published during the year. It is stated that "Mysore Kaipidi" for Middle and High Schools, and Kannada and Vernacular translation of Mr. M. S. Mohiyuddin's book on "School Organisation, and Hygiene, and Discipline" are under print and that the scrutiny of the Departmental Kannada readers is over and the revised manuscripts of the several readers have been sent for print. Thirty-six books were published by the Department during the year. Syllabuses in Moral Instruction, drawn up by the Special Committee, were approved by Government and arrangements are being made to get printed books, one for each of the Primary, Middle and High School standards, written according to the revised syllabus.

As regards encouragement to authors, there was a provision of Rs. 2,000 for the purpose, and payments were made for nine books and one journal. Fourteen books and 13 manuscripts in all, competed for the Devaraj Bahadur Charity Literary Prizes.

Besides, the two Public Libraries at Bangalore and Mysore, there were in all, 20 Urban and Rural Libraries, working under the control of the Department and receiving grant-in-aid. The work of these Libraries was satisfactory.

There were 135 Printing Presses in the State excluding the two Government Presses at Bangalore and Mysore, as against 117 in the previous year. Excluding the *Mysore Gazette* and the Police Gazette, there were 12 newspapers (10 in Kannada, one in English and one in Urdu) and 69 periodicals (35 in Kannada, 32 in English "some including Kannada portions also" one in Urdu and one in Tamil) against 10 newspapers and 51 periodicals in the previous year.

15. *Hostels.*—There were 101 hostels with a total strength of 3,402 boarders as against 98 hostels with a strength of 3,452 boarders in the previous year. During the year the hostel for Muslim students was opened at Chennapatna and a new hostel at Chikmagalur for Adikarnatakas. Of the total number of hostels, five were attached to Colleges, ten to Government High Schools for Boys, three to Government High Schools for girls, five to the District Normal Schools, four to the Training College for men, one to the Central Institute for Defectives, Mysore, one to the Vocational Institution for Women, three to the Middle Schools for boys and five were Adikarnataka Boarding Homes. The others were hostels intended for special communities.

16. *Scout Movement.*—It is gratifying to note that scouting has become more popular and has been making very good progress, as evidenced by the increase in the number of scouts during the year, and that the spirit of service has come to be increasingly recognised. On the 31st March 1934, the total strength of scouts was 13,238 as against 10,719 on the corresponding date of the previous year. The chief events during the year were the deputation of a party of three members of the Boy Scouts of Mysore to the International World Jamboree at Godollo near Budapest, the competing of two teams of Mysore Boy Scouts and one of Rovers, for the All-India Ambulance Competitions held at Calcutta (where the Scout teams got the second and 5th places) and the deputation of 16 scouters of experience to the Pachmarhi Camp of Wood Badge Training under Mr. J. S. Wilson, Camp Chief of Gilwell Park.

17. *The Girl Guide Movement.*—Government are glad to note that this Movement which was organised only in 1932 has made considerable progress in the State. There are at present local associations in six Districts, and the number of Girl Guides has nearly doubled. There are now 951 Guiders, Guides, Rangers and Blue Birds, forming 23 companies, 6 Ranger companies and 12 Flocks in the State. There are also about 100 recruits under training ready to be enrolled, as well as 32 Rangers, and 40 Blue Birds. Among the notable events during the year were the Girl Guide Rallies and competitions and the laying of the foundation stone for the Girl Guide building on the 5th March 1934 by Her Highness the Yuvarani of Mysore. Very keen interest in Girl Guide Movement is being evinced by the Muslim Girls also.

18. *Medical Inspection.*—The Medical Inspection of pupils which had been discontinued except in the cities of Bangalore and Mysore was revived in certain localities in each district. The inspection was conducted, during the year, in the Departmental schools, Primary Schools and Colleges in the Bangalore City, and in

Schools and Colleges of Mysore City and in 11 Taluk Centres. It is, however, necessary that greater attention should be paid to the curative treatment of the ailments discovered, as otherwise mere inspection would be not of much use.

19. *General.*—During the year, owing to financial stringency, there was not much expansion of educational activities, but efforts were made towards securing improvement in efficiency and quality with the available resources. The Officers paid particular attention to improve internal organisation and working of the schools and offices of the Department, with a view to obtain larger and better results without extra cost. And, side by side, there was also preparation for expansion as soon as conditions made such expansion possible. The Department has been actively engaged during the year in this double task of educational audit and re-organisation on the one hand, and preparation of blue prints for expansion on the other; specially in the field of Primary Education.

The drafting of a Decennial Report on the progress of Education in the Mysore State from 1921-22 to 1931-32 was taken up during the year, and Mr. L. Seshagiri Rao, Assistant Master, Government High School, Fort, Bangalore, was deputed for the work. The Report has since been completed and submitted to Government. It will be published shortly as a Departmental Report.

An interesting educational event of the year was the celebration of the Education Week at the several centres of Kadur District. The three-days' activity of the Week comprised the Intellectual Day and the Play Festival Day, the Parents' Day and Music Festival, and the Assembly Day at which the Director of Public Instruction presided at all the centres. The celebrations were a success, and brought home to the public the important features of the present system of Education.

20. *Conclusion.*—Government are glad to note that the administration of the Department during the year was satisfactory. The thanks of the Government are due to the several non-officials who co-operated with the Department and supplemented the efforts of Government in the cause of Education.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Passes orders regarding the continuance of the Special Land Acquisition and Revenue Sub-Division Office at Mandya, for a further period of one year from 1st July 1935.

READ—

Government Order No. R. 4931-90—L. R. 335-32-2, dated the 30th March 1933, sanctioning the continuance of the Special Land Acquisition and Revenue Sub-Division Office at Mandya, for a further period of two years from 1st July 1933.

2. Letter No. C. 3623 of 1934-35, dated the 13th March 1935, from the Revenue Commissioner in Mysore, recommending that the above office may be continued for a further period of three years from 1st July 1935.

ORDER NO. R. 5054-113—L. R. 281-34-2, DATED BANGALORE, THE 6TH APRIL 1935.

Government are pleased to sanction the continuance of the Special Land Acquisition and Revenue Sub-Division Office at Mandya, for a further period of one year from 1st July 1935. The necessary provision for the purpose will be made in the Budget.

ELECTRICAL SECRETARIAT.

Sanctions a special concession rate of three pies per unit for a period of three days from 6th May 1935 and directs that this rate be made applicable to illuminations relating to the buildings belonging to the Government, Local Bodies or private persons throughout the State wherever electric power is available including the Civil and Military Station of Bangalore during the forthcoming Silver Jubilee Celebrations of Their Majesties.

READ—

Correspondence ending with the Chief Electrical Engineer's letter No. 12471, dated the 9th April 1935.

ORDER No. E. D. S. 1978-97, DATED BANGALORE, THE 16TH APRIL 1935.

With a view to afford facilities for the exterior illumination of important buildings during the forthcoming Silver Jubilee Celebrations of Their Majesties in May 1935, the Government of His Highness the Maharaja of Mysore are pleased to direct that a special concession rate of three pies per unit be charged for the purpose for a period of three days commencing from the 6th May 1935, and that this rate be made applicable to illuminations relating to the buildings belonging to the Government, Local Bodies or private persons throughout the State wherever electric power is available including the Civil and Military Station of Bangalore.

2. The Government further direct that the marginally noted Government Buildings in Bangalore be illuminated on the occasion. An allotment of Rs. 7,500 has been placed at the disposal of the Chief Electrical Engineer for the purpose, from the provision under "12 General Administration (iii) (2) Other Lighting and Illuminations on State Occasions." All expenditure in this connection including three pies per unit should be debited to this item to keep the accounts clear.

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Issues a Commission under Section 99 of the Land Revenue Code to Mr. V. K. Srinivasan, M.A., in respect of his share of Mundagadare Inam Village in Seringapatam Taluk.

READ—

Letter No. C. 4442—33-34, dated the 6th April 1935, from the Revenue Commissioner in Mysore, recommending sanction to the grant of a commission under Clauses (*b*), (*d*), (*e*) and (*f*) of Section 99, Land Revenue Code, to Mr. V. K. Srinivasan, M.A., in respect of his share of Mundagadare Inam Village in Seringapatam Taluk.

ORDER NO. R. 5313-14—L. R. 22-34-30, DATED BANGALORE, THE 22ND—23RD APRIL 1935.

Government are pleased to sanction the Revenue Commissioner's recommendation and to issue the accompanying commission.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

ANNEXURE.

COMMISSION GRANTED UNDER SECTION 99 OF THE LAND REVENUE CODE, REGULATION IV OF 1888.

To

Mr. V. K. Srinivasan, M.A.

By virtue of the powers vested in them by the Land Revenue Code, the Government of His Highness the Maharaja of Mysore are pleased to confer on you, Mr. V. K. Srinivasan, the following powers specified in Clauses (*b*), (*d*), (*e*) and (*f*) of Section 99 of the Mysore Land Revenue Code to be exercised in respect of your share of Mundagadare Inam Village in Seringapatam Taluk:—

(*b*) To attach the property of persons making default in the payment of land revenue or rent due to you in the said village;

(*d*) To exercise the powers of a Deputy Commissioner under Sections 63 and 64;

(*e*) To receive notices of relinquishment under Section 71 and to determine the date up to which such notices shall be received as in that section provided; and

(*f*) To take measures for the maintenance and repair of boundary marks in the manner provided for Survey Officers in Section 130;

II. The abovementioned powers delegated to you are vested in you during the pleasure of and subject to recall by the Government of His Highness the Maharaja of Mysore.

By Order,
H. V. RAMASVAMI,
Secretary to Government,

Orders the further continuance of concessions regarding Land Revenue Assessment up to the end of June 1935.

READ—

Notification No. R. 3141—R. M. 31-33-2, dated 2nd January 1934, ordering tentatively the reduction in the rates of interests levied on Takavi and Land Improvement Loans for one year from 1st January 1934.

2. Government Order No. R. 1387-97—L. R. 221-33-27, dated 18th September 1934, ordering the continuance of the concessions regarding Land Revenue Assessment sanctioned in the marginally noted Government Orders up to the end of December 1934.

G. O. No. R. 3065-75—L. R. 221-33-2, dated 23rd December 1933.
G. O. No. R. 5237-46—L. R. 221-33-10, dated 9th April 1934.

3. Government Order No. Camp R. 34-43—L. R. 221-33, dated 16—17th October 1934, sanctioning certain *ad interim* proposals of the Agriculturists' Relief Committee, regarding grant of Takavi Loans, etc.

4. Letter No. C. 3248—34-35, dated 20th February 1935, from the Revenue Commissioner in Mysore, requesting sanction to the continuance of the concessions, regarding reduced rates of ordinary and penal interest on Land Improvement and Takavi Loans and the Land Revenue Assessment until final orders are passed on the Report of the Agriculturists' Relief Committee.

ORDER No. R. 5329-38—L. R. 221-34-6, DATED BANGALORE, THE 23RD APRIL 1935.

Government are pleased to direct that the concessions regarding Land Revenue Assessment (continued up to 31st December 1934, in the Government Order of 18th September 1934 read above), be further continued up to the end of June 1935. They will be continued further if the depression still continues.

2. The rate of ordinary interest on Takavi Loans has been already ordered to be reduced to four per cent for one year in the Government Order of 17th October 1934, read above. It will be extended if necessary after that period is over. The question of continuance of the reduced rates of penal and ordinary interest on Land Improvement Loans and of penal interest on Takavi Loans is reserved for separate consideration and orders will issue in due course.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Reviews the Administration Report of the Public Works Department for the year 1933-34.

READ—

Report on the Administration of the Public Works Department for the year 1933-34, received from the Chief Engineer of Mysore, with his letter No. 4166, dated 5th December 1934.

ORDER No. G. 9323-5—G. M. 93-34-6, DATED BANGALORE, THE 13—16TH APRIL 1935.

Recorded.

2. *Rajasevasakta* M. G. Rangaiya continued to be the Chief Engineer and Secretary to Government, Public Works Department, till the 15th May 1934, when he was permitted to retire from service. Mr. S. Srinivasa Aiyar, Chief Engineer, Krishnarajasagara Works, was also permitted to retire from service on the 28th June 1934. The separate posts of Chief Engineers for the Public Works Department and the Krishnarajasagara Works were combined and *Diwan Bahadur* N. N. Ayyangar, who was appointed Chief Engineer and Secretary to Government, Public Works, Electrical and Railway Departments on 16th May 1934, assumed charge of the combined offices on 28th June 1934.

3. *Grant and Outlay.*—The final grant for the year under all heads amounted to Rs. 60,79,438 against which an outlay of Rs. 64,66,415 was incurred. Including an expenditure of Rs. 3,72,058 met from contributions, the total expenditure of the Department from all sources for the year amounted to Rs. 68,38,473 as agains Rs. 65,14,875 in the previous year. The aggregate grant from State Funds wa Rs. 38,64,659 against which the booked outlay amounted to Rs. 36,19,626. Th

lapses were chiefly under Irrigation (Rs. 83,111), Communications (Rs. 55,810); and Sri Chamarajendra Water Works (Rs. 49,216).

4. *Irrigation Works charged to Revenue.*—The expenditure under this head amounted to Rs. 8,09,028 as against Rs. 7,52,392 in the previous year. Out of this, Rs. 5,24,160 was incurred on tanks, Rs. 1,91,569 on channels, and Rs. 93,299 on the restoration of minor tanks. Among the important original works under progress during the year were the new tank across the Vadli stream near Hairege in Hunsur Taluk, the one across the Maralwadi stream in Kankanhalli Taluk, and the one across Vrishabhavathi at Kamasamudram, Bowringpet Taluk, as also the tanks at Nidasale, Kunigal Taluk, at Thumbadi, Kortagere Taluk, and near Singadahalli, Chiknayakanhalli Taluk.

Out of 58 tank works which were in progress, 11 were completed, and out of 210 minor tank works in progress, 61 were completed during the year. It is hoped that the remaining works will be completed soon.

5. *Civil Works.*—The expenditure on buildings amounted to Rs. 3,41,199, of which a sum of Rs. 2,11,003 relates to buildings of the Medical Department, and Rs. 47,257 to Miscellaneous Works. Among the important works in progress are the new Maternity Hospital at Bangalore with an Out-patient Dispensary, the McGann Hospital at Shimoga, the General Hospital at Chikmagalur, and the Sri Chamarajendra Hospital at Hassan. The Out-patient Dispensary at the new Maternity Hospital at Bangalore, the new Serum Institute and a Radiological Block at the Victoria Hospital, Bangalore, were completed during the year.

6. *Communications.*—The total net expenditure under this head amounted to Rs. 45,600. A total length of 2,206⅜ miles of State Fund Roads was maintained during the year, of which 2,010⅝ miles are metalled. The average cost of maintenance including grants for special repairs amounted to Rs. 377 per mile. It is felt that the maintenance of State and District Fund Roads in a fair condition during all seasons of the year is becoming increasingly difficult on account of the heavy increase in motor and bus traffic and that enhanced grants are found necessary for the proper upkeep of roads. As an experimental measure for meeting the needs of the modern mechanically driven vehicles, at a small cost, track-ways of gneiss slabs available at Bangalore have been laid on a short stretch of road by inserting slabs of certain suitable thickness into the road surface and the result is awaited.

Government note that Public Works Department have, on the whole, maintained the roads in a fairly satisfactory condition considering the grants sanctioned for the purpose.

7. *Sri Chamarajendra Reservoir.*—On the recommendation of the Advisory Committee, the construction of the flood sluices, the permanent waste weir and allied works were sanctioned by Government at a cost of Rs. 9·35 lakhs. Against the grant of Rs. 94,827 for the water works, an outlay of Rs. 53,644 was incurred. The total outlay to end of June 1934, on the Sri Chamarajendra Water Works was Rs. 53,52,855 against the estimate amount of Rs. 53,87,657.

8. *Maintenance of Sri Chamarajendra Water Works.*—The quantity of water supplied to Bangalore, before the construction of the Thippagondanahalli Reservoir, was 3·8 million gallons per day. With the supply from the new water works, the consumption rose to 4·53 gallons. There has been an improved supply of water in the Bangalore City as a result of laying a 15″ duplicate main from the Combined Jewell Filters. Government note that the system of metering house connection has been introduced.

9. *Schemes under Contemplation.*—There are six important new irrigational schemes under the consideration of the Department by the execution of which, a considerable additional acreage is expected to be brought under cultivation in the State.

10. *Schedule of Rates.*—Government are glad to note that a 6¼ per cent cut has been effected in the schedule rates of the Department in view of the prevailing low prices.

11. *Codes and Manuals.*—It is hoped that the revision of the Road and Tank Manuals and the compilation of Public Works Manual and the District Hand Books will be completed early.

12. *Damages to Irrigation Works.*—As a result of exceptionally heavy rains, 148 works sustained damages during the year. Government trust that necessary

13. *Irrigation Cess Fund.*—The expenditure under this head was Rs. 4,10,860 against the grant of Rs. 3,73,719. The number of works in progress and the number completed during the year were 1,279 and 475, respectively.

14. *Establishment.*—The total charges under this head amounted to Rs. 10,45,626. The proportion which the establishment charges bears to the total expenditure on works and repairs under all funds was 18·34 against 18·14 of last year and 17·07 and 17·47 in the two years previous. Government consider that there is great need for improving this ratio and trust that the Department will take suitable steps to effect the same.

The work of the Department during the year continued to be satisfactory.

Reviews the Report on the working of the Bangalore City Municipality for the year 1933-34.

READ—

Letter No. A. 1. 209—34-35, dated 7th January 1935, from the Municipal Commissioner, Bangalore City, forwarding the report on the working of the Municipality for the year 1933-34.

ORDER NO. L. 7466-71—ML. 162-34-2, DATED BANGALORE, THE 23RD—26TH APRIL 1935.

Recorded.

2. The submission of the report has again been delayed by about three months. The Municipal Commissioner should arrange for the submission of the report on or before the due date.

3. *Constitution.*—The City Municipalities Regulation, 1933, came into force with effect from 1st August 1933, and the elective strength of the Municipal Council was consequently increased from two-thirds to four-fifths of the total number of Councillors, *viz.*, 30.

The Municipal Council was reconstituted with effect from 1st January 1934. On the dissolution of the previous Council, the Deputy Commissioner, Bangalore District, assumed charge of the Office of the President of the Council from 1st January 1934, and continued to hold it till the forenoon of 3rd February 1934, when Mr. B. K. Garudachar, the newly elected non-Official President, took charge. The Municipal Council continued to have an Official Municipal Commissioner appointed by Government.

4. *Meetings.*—The Municipal Council held 41 meetings, of which 12 were ordinary, 13 adjourned and 16 special, as against 31 in the previous year, of which 12 were ordinary, 9 adjourned and 10 special.

5. *Committees.*—There were seven Working Committees. The Managing Committee held 15 meetings, the City Improvement Committee 10 meetings, and the Health Committee 1. The last Committee should be requested to meet more often.

6. *Finance.*—The year opened with a balance of Rs. 1,71,792 and the total receipts and expenditure were Rs. 15,72,135 and Rs. 13,80,497 as against Rs. 13,58,090 and Rs. 15,94,392 respectively, in the previous year. The balance at the credit of the Municipality at the close of the year was Rs. 2,25,931 including a sum of Rs. 89,237 being the unspent balance out of the loan of Rs. 4 lakhs drawn recently by the Municipality.

The total income from taxation rose from Rs. 6,59,354 to Rs. 6,66,250. There was a fall of Rs. 15,640 under "Octroi" mainly due to the loss of revenue under piece-goods owing to trade depression. The income from taxes on vehicles and animals increased by Rs. 11,567 while there was a slight fall in revenue under tolls.

7. *Demand, Collection and Balance.*—The total demand under all heads amounted to Rs. 17,70,375 including arrears of previous years to the extent of Rs. 2,42,177. A sum of Rs. 15,72,135 was collected and Rs. 1,804 was remitted, leaving a sum of Rs. 1,96,436 to be collected.

Under assessed taxes, the demand for the year was Rs. 3,59,367 excluding arrears to the extent of Rs. 1,77,636 outstanding at the beginning of the year. The total collections amounted to Rs. 3,67,391 besides a remission of Rs. 1,804, leaving a balance of Rs. 1,67,808. The percentage of total collection to the total demand was 66 against 60 in the previous year and that of current collection to current demand was 74 against 70 in the previous year. The collection of current demand is not satisfactory and deserves closer attention.

8. *Incidence of Taxation.*—The incidence of taxation per head of population was Rs. 3-13-10 as against Rs. 3-13-6 in the previous year.

9. *Public Works.*—A sum of Rs. 48,900 was spent on City Improvement Works, the important items of works carried out being the following:—

(1) Providing foot-paths with kerbing on Lal-bagh and Race Course Roads;
(2) Construction of a box drain in the District Office Road;
(3) Forming a road north of the Silver Jubilee Park;
(4) Construction of a dwarf compound wall by the side of Banappa Park in the District Office Road;
(5) Construction of an ornamental compound wall for the new Municipal Offices; and
(6) Improvements to City Market.

A loan of Rs. 9 lakhs from State Funds was sanctioned to the Municipality for improvement works in the City. The construction of the new Municipal Offices was taken up during the year and is making good progress. The sweeper huts, the construction of which was commenced last year, were completed and handed over to the Health Department.

A sum of Rs. 14,000 was due to the Sanitary Engineering Department in addition to Rs. 50,000 advanced in the previous year for the laying out of submain No. 2 of the City Drainage Scheme, and a sum of Rs. 7,057 was spent by the Municipal Engineering Department for providing sewers in certain localities. A total length of 7,894 running feet of drains was constructed at a cost of Rs. 12,848 and roads to a length of 7¾ miles were tarred at a cost of Rs. 1,09,000.

10. *Water Supply.*—The control of water-supply in the City continued to vest with the Government Water Supply Department.

11. *Public Health.*—Public Health was generally satisfactory. There were no attacks and no deaths from cholera. There were 114 attacks and 90 deaths from plague and 145 attacks and 38 deaths from small-pox. The number of inoculations against plague was 1,874 and the vaccinations performed numbered

11,767. The following statement gives the figures showing attacks and deaths from cholera, plague and small-pox during the last five years:—

Year	Cholera		Plague		Small-pox	
	Attacks	Deaths	Attacks	Deaths	Attacks	Deaths
1929-30	5	3	114	88	30	10
1930-31	53	27	16	11	21	6
1931-32	39	26	113	84	216	109
1932-33	...	...	163	131	135	40
1933-34	...	...	114	90	145	38

Anti-malaria work in the City was continued by the special staff with satisfactory results. As an anti-malarial measure the draining of the Sampangi tank was undertaken and completed during the year. Hotels, eating-houses, sweetmeats shops, etc., were inspected regularly. Fifteen samples of foodstuffs were sent to the Public Health Institute for examination, of which 9 were found to be unfit. With a view to enforce the provisions of the Food Adulteration Regulation, the appointment of a Food Analyst has been sanctioned. Government wish to impress on the Municipal Council the necessity for greater vigilance in this respect.

12. *Maternity and Child Welfare.*—There were 11 midwives for the City and the number of labour cases conducted by them was 1,397 against 1,462 in the previous year. The Welfare Institute of the Bangalore Woollen and Cotton Mills celebrated its Health Week. A Baby Show and Health Exhibition under the auspices of the local branch of the Red Cross Society was also held. Deaths of children under one year of age numbered 1,005 against 1,075 last year.

13. *Public Instruction.*—The control of primary education in the City vested in the School Board of the City Municipal area. The total number of institutions under the control of the Board at the close of the year was 58 with 8,366 pupils as against 54 with 7,332 pupils in the previous year. The total expenditure incurred on account of primary education was Rs. 1,07,391 against Rs. 1,01,057 in the previous year. The medical inspection of school children was continued during the year.

14. *General.*—The outstanding event of the year was the visit of Their Excellencies the Viceroy and the Countess of Willingdon to Bangalore City in December 1933 and the presentation of an Address to Their Excellencies by the Municipal Council.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Accords sanction to the grant of Summer Vacation for Primary Schools for six weeks from second Monday in April.

READ—

Letter No. A. 2-4523-396 of 33-34, dated the 9th March 1935, from the Director of Public Instruction in Mysore, requesting for reasons given sanction to the grant of six weeks' summer vacation from the second Monday in April to all the Primary Schools as in the case of Middle Schools, the provision to grant 15 days holidays to meet seasonal and other requirements being withdrawn as it is not being utilised for the intended purpose by any Local Education Authority during the last four years and the number of working days remaining unaffected.

ORDER NO. E. 2799—EDN. 350-34-2, DATED BANGALORE,
THE 9TH APRIL 1935.

Sanctioned.

H. V. RAMASVAMI,

Sanctions the reconstitution of the Boards of Visitors for the Vani Vilas Hospitals at Bangalore and Mysore.

READ—

Government Order No. G. 1546-7—Med. 233-31-12, dated 30th August 1932, sanctioning for a period of two years, the constitution of Boards of Visitors for the Maternity Hospital, Bangalore and the Vani Vilas Hospital, Mysore.

2. Letter No. C. 1850-5, dated 8th April 1935, from the Senior Surgeon submitting for sanction, proposals for the reconstitution of the Boards for the two Hospitals referred to for a further period of two years.

ORDER No. G. 9771—MED. 295-34-2, DATED BANGALORE, THE 29—30TH APRIL 1935.

Government are pleased to sanction the reconstitution of the Boards of Visitors for the Vani Vilas Hospitals at Bangalore and Mysore for a period of two years with the personnel as detailed below :—

Vani Vilas Hospital, Bangalore.

1. Mrs. S. P. Rajagopalachari.
2. Mrs. P. G. D'Souza.
3. Miss Pillidge.
4. Mrs. Ramalinga Mudaliar (Convener).

Vani Vilas Hospital, Mysore.

1. Mrs. J. C. Rollo (Convener).
2. Sow. Amble Parvathamma.
3. Sri. Y. K. Amritha Bai.
4. Mrs. W. H. Theobald.

H. V. RAMASVAMI,
Secretary to Government,

FINANCIAL SECRETARIAT.

Directs that the restrictions regarding grant of Bus Fare plus Daily Allowance placed in G. O. No. Fl. 3982-4041—S. & A. 298-33-2, dated 5th November 1934, do not apply to officers in Inferior Service.

READ—

Government Order No. Fl. 3982-4041—S. & A. 298-33-2, dated 3rd—5th November 1934, introducing a proviso to para 2 of Article 501, Mysore Service Regulations, regarding the grant of bus fare *plus* daily allowance for journeys by buses.

2. Letter No. T. A. 276, dated 21st February 1935, reporting that the above proviso hits the officers of Inferior Service very hard inasmuch as such officers can get nothing more than the mileage at six pies per mile, and requesting that the proviso be so modified that it may not apply to officers of Inferior Service.

ORDER No. FL. 7937-96—S. & A. 505-34-2, DATED BANGALORE, THE 22ND—24TH APRIL 1935.

Government agree with the Comptroller that the said proviso may not apply to officers in Inferior Service and accordingly direct that the words "in the case of officers in Superior Service" be inserted after "that" in line 2 of Correction Slip No. 26, dated 5th November 1934, to Article 501, Mysore Service Regulations.

M. SHAMANNA,

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the report on the working of the Mysore Arms Regulation and Rules thereunder for the year 1934.

READ—

Letter No. C. 2-431—34, dated 17th April 1935, from the Inspector-General of Police, submitting the report on the working of the Mysore Arms Regulation and the Rules thereunder for the calendar year 1934.

ORDER No. P. 6093-102—POL. 137-34-2, DATED BANGALORE, THE 1ST—2ND MAY 1935.

Recorded.

It is noticed that no licensed shops in the Tumkur District were inspected either by the Police or the Magistracy. The District Magistrate should see that this does not recur hereafter. Government are constrained to note that in spite of their observations last year regarding the delay in the submission of the report, there has been no improvement in the despatch of returns and reports from the Districts of Tumkur, Mysore and Hassan. The District Magistrates should see that the reports and returns are sent in time to the Inspector-General of Police in future.

R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

Directs that the Borankanve Tank be treated as an exception to the rule regarding the levy of penal water rate under Rule 34 of the Land Revenue Rules.

READ—

Rule 34 of the Land Revenue Rules, fixing the water rate leviable when Government water is used for irrigating a land not assessed as yet.

2. Representation No. 23, made at the October Session of the Representative Assembly in 1934, praying for some concession in the levy of the water rate in the case of lands under the Borankanve Tank taken up for temporary wet cultivation.

3. Letter No. C. 1726—34-35, dated 12th February 1935, from the Revenue Commissioner, furnishing his views in the matter.

ORDER NO. R. 5525-37—L. R. 256-34-2, DATED BANGALORE, THE 1ST MAY 1935.

A representation was made in the October Session of the Representative Assembly in 1934 that the levy of double water rate under Rule 34 of the Land Revenue Rules would work as a hardship in the case of lands under the Borankanve Tank taken up for temporary wet cultivation and it was urged that only single water rate might be charged in such cases.

2. The Revenue Commissioner, who was consulted in the matter, is agreeable to the representation being favourably considered with a view to encourage wet cultivation under the tank. He accordingly recommends that this tank may be treated as an exception to the rule regarding the levy of penal water rate under Rule 34 of the Land Revenue Rules.

Government are pleased to sanction the recommendation of the Revenue Commissioner. Separate orders will issue amending the existing rules on the subject.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Issues a commission under Section 99, Land Revenue Code, to Mr. B. Nanjappa, investing him with certain powers in respect of Khayamgutta Thammenahalli Village in Nelamangala Taluk.

READ—

Letter No. C. 3875—34-35, dated 5th April 1935, from the Revenue Commissioner, recommending sanction to the grant of powers under Clauses (*b*) and (*e*) of Section 99, Land Revenue Code, to Mr. B. Nanjappa in respect of Khayamgutta Thammenahalli Village in Nelamangala Taluk.

ORDER NO. R. 5624-25—L. R. 22-34-28, DATED BANGALORE, THE 2ND—4TH MAY 1935.

Government are pleased to sanction the recommendation of the Revenue Commissioner and to issue the accompanying commission.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

ANNEXURE.

COMMISSION GRANTED UNDER SECTION 99 OF THE LAND REVENUE CODE, REGULATION IV OF 1888.

To

Mr. B. Nanjappa.

By virtue of the powers vested in them by the Land Revenue Code, the Government of His Highness the Maharaja of Mysore are pleased to confer on you Mr. B. Nanjappa, the following powers specified in clauses (*b*) and (*e*) of Section 99 of the Mysore Land Revenue Code to be exercised within the limits of Khayamgutta Thammenahalli Village in Nelamangala Taluk.

(*b*) To attach the property of perons making default in the payment of Land Revenue or Rent due to you in the said villages, and

(*e*) To receive notices of relinquishment under Section 71 and to determine the date up to which such notices shall be received as in that Section provided.

II. The abovementioned powers delegated to you are vested in you during the pleasure of and subject to recall by the Government of His Highness the Maharaja of Mysore.

Issues certain instructions, *re* reproduction of a work first published by Government.

ORDER No. G. 9968-10024—G. M. 158-34-1, DATED BANGALORE, THE 8TH MAY 1935.

Under the provisions of Regulation XI of 1933, copyright in Government publications in Mysore vests in the Government, and any reproduction, without consent of Government, of a work first published by Government constitutes an infringement of copyright. The Government consider it desirable that the public should be at liberty to reproduce certain Government publications, and they are pleased to grant general permission to reproduce —

(*a*) Any matter which has appeared in the *Mysore Gazette* except—
  (i) Acts of the Mysore Legislature,
  (ii) Matter not first published by the Government of His Highness the Maharaja.
(*b*) Acts of the Mysore Legislature, subject to the condition that these are reproduced together with original material, *e.g.*, commentaries.
(*c*) Vernacular translations of Acts of the Mysore Legislature.
(*d*) Reports of any Committee appointed by the Government of Mysore.

2. Permission to reproduce other Government publications will be given in special circumstances. Applications for permission should be forwarded to the Director of Land Records, in the case of maps, charts, plans and other documents published by or on behalf of the Director of Land Records and to the Secretary to the Government of Mysore, Development Department, in all other cases.

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Issues instructions as to the mode of Recovery of Arrears of Land Improvement Loan when the loan is for the benefit of the land which forms the primary security for the loan.

READ—

Government Order No. R. 1630-38—L. R. 256-33-4, dated 1st October 1934, passing orders in Revenue Appeal No. 86 of 1933-34, relating to the sale of survey Nos. 39, 41 and 42 of Ganganala village in Tumkur Taluk, for arrears of Kandayam and Land Improvement Loan and enunciating the principles to be observed by Revenue Officers in such sales.

2. Letter No. App. 210—32-33, dated 1st January 1935, from the Revenue Commissioner in Mysore, seeking instructions as to the exact scope of the observations contained in the Government Order read above.

3. Letter No. App. 210—32-33, dated 12th April 1935, from the same officer, forwarding a copy of Hassan Deputy Commissioner's letter No. A. 6C. 2231—34-35, dated 30th March 1935, on the same subject.

ORDER No. R. 5631-39—L. R. 256-33-12, DATED BANGALORE,
THE 8TH MAY 1935.

According to Section 7 (1) (*c*) of the Land Improvement Loans Regulation, if the loan granted under the regulation happens to be for the benefit of a particular land, such loan is recoverable together with interests and costs, if any, by a sale of the land for the benefit of which the loan has been granted as if it was an arrear of land revenue due in respect of that land.

2. While passing orders in the Government Order of 1st October 1934, read above in Revenue Appeal No. 86 of 1933-34, relating to the sale of survey Nos. 39, 41 and 42 of Ganganala Village in Tumkur Taluk, for arrears of Kandayam and

Land Improvement Loan, certain observations were made as noted below regarding the principles to be observed by Revenue Officers in such sales :—

1. "The procedure adopted in this case by the local authorities discloses serious irregularities. For arrears due on a Land Improvement Loan, the right, title and interest of the appellant in the lands in question were put up to auction on 1st July 1931, but there were no bids; and the note of the sale conducting officer in the Harazpatti is to the effect that, as there were no bids, the lands are resumed to Government. Resumption to Government in such cases, where the lands are not liable to forfeiture is unwarranted by law."
2. "In the case of arrears of Land Improvement Loans, it is only the right, title and interest of the defaulter that is sold, while in the case of land revenue arrears, the land is sold free of encumbrances. The proper procedure was to sell the lands for arrears, of land revenue and if there was any surplus after meeting the revenue dues, to attach such surplus and credit it to the Land Improvement Loan account."

These observations were made as there was nothing in the appeal records before Government to show that the lands which formed the subject matter of sale were those for the benefit of which the loan was granted; on the other hand, it was only the right, title and interest of the appellant in the lands in question that were put to sale by the local authorities which made it appear as if the lands which were offered as security for the loan constituted only collateral security.

It is now found that the loan in question was for the construction of a new katte in place of an old one in survey No. 42 of Ganganala Village and it was intended to benefit not only that survey number, but also survey Nos. 41 and 39 as well. The provisions of Section 7 (1) (*c*) of the Land Improvement Loans Regulation should be made applicable to such cases and the lands which form the primary security should be forfeited and sold free from encumbrances.

But in the case of other lands offered only as collateral security for the loan, it is only the right, title and interest of the defaulter that should be put to sale as observed in the Government Order read above. If in such a case there are no bids at the sale, resumption to Government would be unwarranted by law as the lands are not liable to forfeiture. It would be open to the local officers to purchase for a price, the right, title and interest of the defaulter in the lands and take them over subject to any existing rights of third parties.

Secretary to Government,
General Department.

FINANCIAL SECRETARIAT

Clearance of certain doubts in the application of Revised Scales of Pay.

READ—

Letter No. 338—G.A.D., dated 13th April 1935, from the Comptroller to Government, stating that the following points have arisen for consideration in fixing the salary of Mr. M. V. Venkataramaiya, Acting Sub-Assistant Conservator of Forests and soliciting orders thereon :—

(i) Whether salary drawn by officers on 6th March 1934 may be given to officers who are subsequently appointed to act in the same grade even after reversion to the lower grade for some periods ;

(ii) Whether periods of service rendered in higher grades before 6th March 1934 but not continuously till then may be taken into account in regulating the future increments of the officers.

ORDER NO. FL. 8375-435—S. & A. 517-34-2, DATED BANGALORE,
THE 20TH MAY 1935.

The Comptroller is of opinion that from the audit point of view both the points raised above may be conceded. Government agree with him and accordingly direct that the case of Mr. M. V. Venkataramaiya and other similar cases be dealt with accordingly.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Appoints Mr. C. S. Srinivasachar, B.A., Registrar, General and Revenue Secretariat as Special Duty Officer in connection with the arrangements for the Birthday Session of the Representative Assembly in June 1935.

ORDER No. RL. 264-70—R. A. 28-35-1, DATED BANGALORE, THE 24TH MAY 1935.

Mr. C. S. Srinivasachar, Registrar, General and Revenue Secretariat, placed on Special Duty, in Government Order No. O. 3128-36, dated 14th May 1935, is also placed in charge of the arrangements in connection with the Birthday Session of the Representative Assembly commencing in June 1935. Members of the Representative Assembly are requested to place themselves in communication with Mr. C. S. Srinivasachar for any information or assistance that they may require at Mysore during the Session of the Assembly.

2. The Deputy Commissioner, Mysore District, the President, City Municipal Council, Mysore, and the Assistant Engineer, Headquarters Range, Mysore, are requested to render all reasonable help to the officer on Special Duty.

K. V. ANANTARAMAN,
Offg. *Chief Secretary to Government.*

GENERAL SECRETARIAT

Passes orders on the Report of the Committee appointed to consider the question of amending the Agriculturists' Relief Regulation.

READ—

Letter dated 18th February 1935, from the Chairman of the Committee appointed by Government, in their Order No. P. 1300-11—Legis. 20-34-2, dated the 8th September 1934, to examine how far the extension of the Mysore Agriculturists' Relief Regulation to the whole State has affected the credit of the agriculturists and to indicate in what respects, if any, the Regulation requires to be amended, forwarding the Report of the Committee together with the draft of a Bill embodying their recommendations.

ORDER No. P. 6404-16—LEGIS. 20-34-7, DATED BANGALORE,
THE 23RD MAY 1935.

The recommendations of the Committee are as follows :—

(1) That a new provision be added laying down that in fixing instalments under Sections 11 and 12 of the Regulation, the courts should be required to take into consideration the period that the loan has been outstanding and also the repaying capacity of the judgment-debtor ;

(2) that the existing power of courts to deny future interest in some cases when ordering payment by instalments should be modified so as to make it obligatory to allow future interest at a moderate rate in all such cases ;

(3) that courts should be empowered to direct that in the event of failure to pay two consecutive instalments, the whole debt should become due and be recoverable ;

(4) that exemption from attachment and sale in execution of a money decree should be limited to the agricultural land only of the debtor, and that other immovable properties should not be so exempt. Even in respect of agricultural land, the court should be empowered to order attachment and sale or declare a charge under certain circumstances ;

(5) that Government should be empowered to exempt particular co-operative societies or classes of co-operative societies, at their discretion, from the operation of the provisions of the Regulation.

The Government approve of the above recommendations subject to a slight modification in regard to (4) above. The Committee have recommended that the court may be empowered to order attachment and sale of the agricultural land of a debtor, if after notice to him he fails to furnish security for the decree amount. Government consider that this is somewhat drastic and goes against the underlying principle of this legislation that the land should be saved to an agriculturist-debtor. At the same time, Government recognise that it is necessary to give some protection to a creditor to whom payment is postponed by ordering instalments and prevent an unscrupulous debtor from alienating his land so as to defeat the creditor's interest. Government consider, therefore, that the provision to order attachment and sale of the agricultural land or declare a charge thereon be limited to cases where payment by instalment is ordered and that the sale in pursuance of an attachment or charge should be ordered only when default is made in the payment of two consecutive instalments.

Action will be taken to introduce necessary amendments to the Regulation.

The Government desire to convey their thanks to the Chairman, *Rajasabhabhushana* K. R. Srinivasa Iyengar, M.A., and the other members of the Committee for the thoroughness with which they have completed the work entrusted to them and for the very valuable report and recommendations submitted by them.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Directs the addition of a clause to Rule 18 and insertion of a note to Rule 77 of Mysore Government Savings Bank Rules.

ORDER NO. FL. 8552-611—G. F. 361-34-3, DATED BANGALORE,
THE 22ND MAY 1935.

Government direct that the following changes may be made in the Mysore Government Savings Bank Rules :—

(1) Add as Clause (G) to Rule 18:—

"Interest on Security Deposit Accounts is allowed only up to the end of the month preceding the date of notice from the pledgee that the deposit is no longer required as security, that is, the date from which the account loses its character as a Security Account."

(2) Insert the following note under Clause (2) of Rule 77 :—

"NOTE.—In every case in which the Treasury Officer receives an intimation from the pledgee that a security deposit has been released, he should immediately call upon the party to close the account forthwith. He should also inform the depositor of the date from which the deposit ceases to earn interest. A Security Deposit Account cannot be continued as an Ordinary Deposit Account after the pledgee has released it."

PART I

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Passes orders on the report of the non-Official Visitors and Members of the Standing Advisory Board of the Central Jail regarding the general condition of prisoners in the Jail.

READ—

Correspondence ending with letter No. 1248-21, dated 8th February 1935, from the Inspector-General of Prisons, forwarding the report obtained from the members of the Standing Advisory Board and the Board of non-Official Visitors of the Bangalore Central Jail, regarding the appointment of a Committee to investigate into the conditions of Jail life in the State.

ORDER No. G. 10896-9—PRIS. 16-33-17, DATED BANGALORE,
THE 10—11TH JUNE 1935.

At the September Session of the Representative Assembly held in 1933, a resolution was moved by Mr. K. T. Bhashyam Iyengar, for the appointment of a Committee to investigate into the conditions of Jail life in the State and to submit a report thereon together with recommendations for improvement therein. Government said that there was no need for the appointment of any committee for the purpose but promised to refer the discussions on the subject to the Board of non-Official Visitors and the Standing Advisory Board of the Central Jail, Bangalore, with a request to furnish a full report on all the matters referred to. A reference was accordingly made and the Boards after fully considering the matter, have sent their report which is herewith published for general information.

Government observe that the general condition of prisoners and their treatment in the Central Jail, Bangalore, are reported to be quite satisfactory. The main recommendations made in the report for further improvement are—

(i) that each prisoner may be given another earthen dish to hold ragi pudding,

(ii) that when funds permit the flush-out system of latrines may be introduced,

(iii) that both official and non-official visitors may meet in a body and visit the Jail once in six months on a date to be specified by the Superintendent, and

(iv) that as early as conditions permit a Children's Act may be enacted for Mysore and a Borstal School for juvenile offenders be established.

Regarding the grant of an additional earthen dish to each prisoner, the Inspector-General of Prisons is requested to report what the extra cost would be on this account. The introduction of a flush-out system of latrines is one of funds and as recommended by the Board, it will be considered as soon as funds permit.

Government have no objection to accept the recommendation regarding the Official and non-Official Visitors meeting in a body and are pleased to direct further action in the matter being taken by the Inspector-General of Prisons.

The question of introducing a Children's Act in Mysore and establishing a Borstal School is under investigation, and separate orders will issue as soon as a decision is arrived at.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

ANNEXURE.

REPORT.

By Visitors and Members of the Standing Advisory Board of the Bangalore Central Jail on Resolution No. 2, moved at the Representative Assembly of 1933 (Dasara Session) and points discussed thereupon.

GENERAL CONDITIONS OF PRISONERS.

1. *Clothing of Prisoners.*—Prisoners are now given two sets of dress in accordance with Government Order No. G. 1383-5—Pris. 1-33-2, dated the 29th August 1933. The Committee are of opinion that no further action is necessary.

2. *Diet.*—The Committee note that prisoners are given a mixed diet of ragi and rice according to the scale given in the Jail Manual. There is difference in the quantity of food supplied to labouring and non-labouring prisoners, the former getting 4 ozs. cereal and 2 ozs. dal more than the latter. Prisoners unaccustomed to ragi food are given full rice diets under the authority of Government Order No. G. 4546-8—Pris. 27-33-4, dated the 2nd January 1934. Different kinds of vegetables are given in rotation and buller dal is given now and then in place of tuvar dal. Meat to meat-eaters and curds to vegetarians are given once a week. The Committee are of opinion that the food given to prisoners is sufficient and wholesome and requires no change.

3. *Reformatory Influences.*—The Committee note that there is a library of books in English, Urdu and the four vernaculars, from which the prisoners may borrow and read or have read to them at nights in their barracks, which are all provided with electric lights. Two teachers are borne on the establishment, one to teach Kannada and the other Urdu. Five religious ministers visit the Jail once a week and impart religious and moral instructions to prisoners of their respective denominations. There are also three separate places of worship, one for Hindus, another for Mussalmans and a third for Christians.

Accommodation.—The Committee note that the barracks and cells are well lighted and ventilated. The accommodation is ample.

4. *Eating and Drinking Vessels.*—They find that each prisoner gets two earthen dishes and one earthen lota made of burnt clay. The former two are used, one to hold cooked rice and the other curry. Ragi puddings are held in the hand, dipped in the curry and eaten. They recommend that each prisoner may be given another earthen dish to hold ragi puddings. They consider it in expedient to issue metal vessels in place of earthen ones in the case of ordinary convicts as such vessels cannot easily be kept clean and caste prejudices stand in the way of their issue to successive prisoners. The Convict-Warder Guards who stay here for a long period are given metal vessels.

5. *Bathing Arrangements.*—There are twelve bathing platforms one in the open yard of each barrack. Since the prisoners are required to bathe once a week and there is no objection to their bathing oftener, the Committee think the present arrangement is satisfactory.

6. *Latrines.*—The Committee observe that latrines are provided in the yard of each barrack for use during day time and in each room of every barrack for use at nights, there being 45 in all for the whole Jail. The dry earth system of removing night soil is in force. The Committee recommend the introduction of flush-out system when funds permit.

EMPLOYMENT OF PRISONERS.

7. *Industries.*—The industries carried on in Jail are—

(1) Carpentry, (2) Cane work, (3) Gunny work, (4) Smithy, (5) Carpet making, (6) Cumbly weaving, (7) Cotton textiles, and (8) Tailoring. They observe that these are sufficiently diversified and not monotonous. The system introduced in Government Order No. G. 2227-36—Pris. 27-28-11, dated the 1st August 1930, enables prisoners to save money out of their earnings and remit it home for the use of their dependants.

8. *Medical Relief.*—The Committee observe that the Jail has a well equipped Dispensary with a Hospital Ward in charge of a Medical Officer of high standing, assisted by a Resident Sub-Assistant Surgeon and a Compounder and consider that the medical relief given to prisoners is satisfactory.

OTHER MATTERS.

9. *Flogging.*—The Committee note that the number of prisoners flogged for prison offences was—

In 1930	... 74	In 1932	... 57
In 1931	... 38	In 1933	... 25

which include cuts on hand administered to a good few boys by way of school discipline. They observe that 10 or 12 stripes are ordinarily inflicted and the maximum of 30 stripes is resorted to rarely and only in extreme cases.

10. *Recreation and Sports.*—The Committee observe that the Jail has been presented with a harmonium and drums with which prisoners amuse themselves on Sundays and Holidays and that now and then they are also entertained with music Harikathas and Bhajaneys at the expense of Government or charitably disposed public. They observe that sports, such as Cricket and Foot Ball cannot be provided in Jail as there is no spacious open ground therefor; and even if such ground could be had, games should not be provided for prisoners as they are of various temperaments, and that friendly rivalry among them may develop into faction and fight, thereby affecting adversely the maintenance of discipline among them.

11. *Differential Treatment of Prisoners.*—The Committee observe that the irreducible minimum requirements of prisoners accustomed to different standards of comfort are provided for in the rules and that habitual offenders are separated from casuals as far as buildings permit.

12. *Prisons Act.*—They note that a Regulation to replace this old Act is under consideration of Government.

13. *Parole System.*—The Committee note that instead of this a probation system is in force under which a prisoner is discharged before the expiry of his sentence, on condition of future good conduct.

14. *Visitors Board.*—The Committee observe that some of the recommendations made by the Board have been sanctioned by Government, *e.g.*, provision of electric lights in barracks, rice diet to rice-eating class, etc.

15. *Combination of the Boards.*—The Committee observe that the functions of the two bodies, *viz.*, Visitors and Standing Advisory Committee are different, and that it is not desirable to combine them. They however recommend that both Official and non-Official Visitors may meet in a body and visit the Jail once in six months on a date to be specified and notified by the Superintendent.

16. The Committee are in sympathy with Mr. Gopalaswamy Iyer's proposals for the enactment of the Children's Act, the appointment of Lady Magistrates and the establishment of a Borstal School for juvenile delinquents, and recommend that they may be carried out as early as conditions permit.

FINANCIAL SECRETARIAT

Permits certain Officers of the Health Department of Government to examine proposers for insurance in the Public Branch of the Mysore State Life Insurance.

READ—

Letter No. 7928, dated 25th May 1935, from the Secretary, Mysore State Life Insurance Committee, forwarding copy of the marginally noted resolution No. III passed by the Committee at their meeting held on 4th May 1935, in the matter of permitting Officers of the Health Department of Government to examine proposers for Insurance in the Public Branch and requesting sanction of Government to the same and

III. Consideration of the question of permitting officers of the Health Department of Government to examine proposers for Insurance in the Public Branch.	It was resolved that as opined by the Senior Surgeon and Director of Public Health Department, Officers of the Health Department possessing the necessary qualifications prescribed in Rule 10 may be permitted to examine cases for Insurance in the Public Branch, with certain exceptions enumerated by the Director of Public Health Department.

to the consequential amendment of the first para of Rule 10 of the Public Branch Rules which reads as below when amended:—

> "All Officers of the Medical and Health Departments of Government with the exceptions of Superintendents, Vaccine Institute and the Public Health Institute, Director of Health and Officers drafted for Public Health Research Work, who are Medical Graduates of any recognised University and who are of not less than three years' standing and in cases where the sum proposed is Rs. 2,000 or less, those who are Sub-Assistant Surgeons of not less than five years' standing, are competent to examine proposers for Life Insurance in the Public Branch. Proposers for sums in excess of Rs. 5,000 should be examined by Surgeons. Lady Medical Officers will examine in cases of female proposers."

ORDER NO. FL. 8879-938—G. F. 380-34-2, DATED BANGALORE,
THE 11TH JUNE 1935.

Sanctioned.

S. SHAMANNA,
Secretary to Government,
Financial Department.

Issues revised instructions in the matter of emergency reduction in salaries during 1935-36.

READ—

Government Order No. Fl. 8596-665—G. F. 438-33-1, dated the 26th June 1934, sanctioning the continuance of the percentage reduction in salaries of Government Officers during 1934-35.

ORDER NO. FL. 9019-78—G. F. 402-34-1, DATED BANGALORE,
THE 17TH JUNE 1935.

Government are pleased to direct that the reduction in the salaries of officers during 1935-36 (including the claims for June 1935 payable in July 1935) be effected on the following reduced scale:—

	Grades of officers.	*Percentage of reduction.*
1.	Officers on salaries not exceeding Rs. 100 per mensem	Nil.
2.	Officers on salaries exceeding Rs. 100 and up to and inclusive of Rs. 350 per mensem.	2½ per cent.
3.	Officers on salaries exceeding Rs. 350 per mensem ...	5 do

If the net amount of salary arrived at after calculating the cut according to the above rates, *i.e.*, the reduced salary, is less than what it would have been, if the officer had been in receipt of the maximum salary of the next lower grade referred to above, the amount of deduction on account of the cut representing the difference will be restored.

2. The exemption (partial or full) from salary cut, already granted to officers whose duty and other allowances were abolished or reduced, etc., in accordance with para 6 of Government Order No. Fl. 3081-140—G. F. 90-31-1, dated the 2nd November 1931, will cease to be in force from 1st June 1935. The amount now deducted, on account of emergency reduction in salaries, will not however be increased, so long as the officer holds the same post and continues to draw the same salary. If the officer receives any addition to his salary from and after 1st June 1935, such addition will be subject to the percentage cut applicable to his total emoluments.

3. The instructions contained in the appendix to the Government Order read above detailed in the annexure to this Order, in regard to the scope of the salary cuts and the method of applying them will continue to be in force during 1935-36.

S. SHAMANNA,
Secretary to Government,
Financial Department.

ANNEXURE.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

1. The reductions being temporary, the present sanctioned rates of pay remain unaltered. These rates will continue to be shown in salary and establishment bills. The sanctioned rate of (unreduced) salary and the reduced salary (after deducting the amount of cut) will be noted therein in accordance with the instructions issued by the Comptroller.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

2. Personal allowances including duty allowances which are personal to the officers concerned will be treated in the same way as salaries and will be subject to reduction.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

3. Allowances other than personal are exempt from the percentage reduction.

Financial Secretary's letter No. Fl. 4173—G. F. 90-31-20, dated 10th December 1931.

4. All allowances granted as additions to pay or salary, except permanent monthly travelling allowances and conveyance allowances of all kinds, should be treated as part of an officer's emoluments for determining the percentage of reduction even though the allowances are not subject to cut.

Financial Secretary's letter No. Fl. 6864-G. F. 90-31-62, dated 8th March 1932.

5. In the case of retired officers who are re-employed, the total emoluments of officers including portion of pension drawn should be considered as salary and subjected to percentage reduction.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

6. The leave allowances of officers will be subjected to deduction in the same manner as salaries, the percentage cuts to be applied being based on the monthly amounts of such allowances.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

7. The calculation of leave allowances and of pensions and the classification of officers for purposes of travelling allowances will be based on sanctioned rates of pay without applying the reduction sanctioned in this order.

Financial Secretary's letter No. Fl. 3493—S. & A. 234-32-2, dated 23rd December 1932.

8. When there is a change in the salary of an officer in the middle of a month, the salary cut should be separately applied to the different rates of salaries in the several periods of the month and not to the total salary drawn for the entire month.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

9. The Government contribution to the Provident Funds of the Electrical, Railway and other Departments, where the scheme of compulsory Provident Funds is in force, will be calculated on reduced pay during the period when the salary cut is in force; provided that option will be given to officers to contribute on the basis of unreduced salary and if they do so, the Government bonus will be equal to such contribution.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

10. In the case of officers who have been repaying the advances obtained from Government for building or purchasing houses and for buying motor conveyances, the deductions from salary in respect of the repayment of such advances may be based on the amount of reduced pay.

NOTE.—The concessions allowed in Government Order No. Fl. 6102-6151—G. F. 115-31-10, dated 26th January 1932, regarding the reduction of the monthly instalments of House Building Advances will be continued, the same being calculated at the revised rates.

Financial Secretary's letter No. 3486—G. F. 90-31-44, dated 23rd November 1931.

11. The assessment of rent on Government buildings has to be calculated on the net salary of an officer left after the cut.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

12. For purposes of levy of Income and Super taxes, it is only the net salary drawn after making the percentage reduction that should be taken into account.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

G. O. No. Fl. 3936-995—G. F. 90-31-12, dated 4th December 1931 and Financial Secretary's letter No. Fl. 5690—G. F. 90-31-38, dated 9th January 1932.

13. The reduction in salary herein ordered will also apply to (i) officers whose services are lent to Local Bodies or to the Palace, and (ii) to those whose salary is paid by the Insurance Funds—Official and Public Branches—Mysore University Funds, Muzrai Funds, Military and other Funds administered by Government.

Financial Secretary's letter No. Fl. 6864—G. F. 90-31-62, dated 8th March 1932.

NOTE.—In the case of officers in respect of whom pensionary contribution is paid by the Local Bodies or Funds, the contribution for pension should be excluded for purposes of calculation of the rate and amount of cut.

G. O. No. Fl. 4124-6—S. & A. 275-32-3, dated 23rd January 1933.

G. O. No. Fl. 3081-140—G. F. 90-31-1, dated 2nd November 1931.

14. The rates of salary reduction will apply also to the men borne on the work establishment of the Electrical Department whose wages are now subject to cut.

15. This order does not apply to officers whose emoluments are fixed for specified periods under special service contracts, but it is open to such officers to offer to make or continue to make voluntary reductions in their salaries at the rates mentioned in the order.

16. This order does not affect any special relief from salary cut granted by Government in individual cases.

17. Subsidiary instructions issued from time to time in regard to the application of the rules relating to the salary cut in particular cases will continue to be in force.

PART I

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Sanctions the proposal to appoint Revenue Sub-Division Officers in Sub-Division Headquarters and Amildars in other Taluks as Presidents and Sub-Registrars as ex-officio **Secretaries of Primary Land Mortgage Societies.**

READ—

Correspondence ending with letter No. 5295, dated 27—28th December 1934, from the Registrar of Co-operative Societies, requesting sanction for the appointment of Revenue Sub-Division Officers in Sub-Division Headquarter Taluks and Amildars in other Taluks as Presidents of Land Mortgage Societies and Sub-Registrars of the Taluks as *ex-officio* Secretaries of such Societies.

2. Correspondence ending with letter No. C. 2987—34-35, dated 26th January 1935, from the Revenue Commissioner in Mysore and No. C. 181—34-35, dated 29—30th May 1935, from the Inspector-General of Registration in Mysore, furnishing their opinion on the above proposals.

ORDER No. D. 7957-70—L. M. 13-34-6, DATED BANGALORE, THE 24TH JUNE 1935.

The Registrar of Co-operative Societies reports that in many taluks, it has not been found possible to get competent non-officials to serve as Presidents and Secretaries of Land Mortgage Societies. He considers that, as the success of the Land Mortgage Scheme depends chiefly upon the efficient management of these Societies, it is very desirable to have the Revenue Sub-Division Officers where primary Land Mortgage Societies exist at Sub-Division Headquarters or the Amildars in other Taluks, as Presidents of these Societies, and the Sub-Registrars as Secretaries. He adds that the presence of these officers on the Committee of Management specially in the initial stages would be of great help in the prompt investigations of the applications for loans and the verification of prior encumbrances. The President of the Land Mortgage Bank and some of the Deputy Commissioners are said to be agreeable to this proposal. The Registrar therefore suggests that for a few years to come, the Sub-Division Officers or Amildars and the Sub-Registrars may be directed to serve as *ex-officio* Presidents and Secretaries of Land Mortgage Societies in places where suitable non-officials cannot be found to hold these offices.

The Revenue Commissioner and the Inspector-General of Registration are agreeable to the proposal. The latter suggests that the new arrangement may be tried for a period of three years to begin with, the future course of action being guided by the experience gained in the said period.

Government are pleased to approve of these proposals.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

FINANCIAL SECRETARIAT

Issues revised instructions for effecting economies during 1935-36.

READ—

1. Government Order No. Fl. 6738-97—G. F. 16-32-15, dated 23rd June 1933, issuing instructions for effecting economies in the Budget grants of 1933-34.

2. Government Order No. Fl. 8533-92—G. F. 437-33-1, dated 26th June 1934, directing that the instructions issued in the Government Order of 23rd June 1933 will continue to be in force during the year 1934-35

ORDER NO. FL. 8945—G. F. 393-34-1, DATED BANGALORE, THE 13TH JUNE 1935.

Government are pleased to issue the following revised instructions for the guidance of all officers. These instructions will be in force during the year 1935-36:—

(1) Vacancies, permanent or temporary, whether in superior or inferior service, will be filled up by the authorities competent to do so, only when the work of vacant appointments cannot be entrusted to other officers without involving extra expenditure:—

(2) No leave will be granted in excess of three months in the aggregate, if it involves extra cost except on grounds of ill health supported by a Medical Certificate or for other urgent and unavoidable cause.

(3) Transfers should be minimised as far as possible.

(4) The touring work of officers should be carefully regulated with a view to limit the travelling allowance charges to the minimum.

(5) Deputation of officers for purposes of study or training should not be allowed.

(6) All possible economies under printing should be made. The Superintendent, Government Printing, is requested not to undertake any printing work which is either unnecessary or can afford to wait. In cases of doubt, he should refer the matter for the orders of Government.

(7) Rigorous economy should be enforced in the consumption of stationery articles. Reference is invited to the reduction in the supply of stationery articles and forms and registers ordered in Government Order No. G. 8966-9018—P. & S. 48-34-3, dated 2nd—5th April 1935 (*Vide* Appendix I). The instructions issued in Government Orders No. M. 5501-60—P. & S. 74-21-2, dated 1st June 1922 and No. E. 1737-95—P. & S. 74-21-9, dated 7th September 1922 (*Vide* Appendices II and III) should be strictly followed.

(8) Every item of contingent outlay or other optional expenditure should be scrutinised by disbursing officers with a view to eliminate all unnecessary items and put off the deferrable ones.

S. SHAMANNA,
Secretary to Government,
Financial Department.

APPENDIX I.

G. O. No. G. 8966-9018—P. & S. 48-34-3, dated 2nd—5th April 1935.

Stationery Articles and Forms.

Sanctions the increase in the supply of essential —— and registers from 50 per cent to 75 per cent during 1935-36.

READ—

Government Order No. G. 7811-74—P. & S. 6-33-99, dated 23rd May 1934, directing that the reduction of 50 per cent in the supply of articles of stationery, printed forms and registers to all the offices of the State be continued during the year 1934-35.

2. Letters No. S. 2668 and 2669, dated 23rd February 1935, from the Superintendent of Stationery, bringing to notice that requisitions for increased supply of articles of stationery are being received and sanctioned by Government and requesting therefore for the increased necessary grant in the Budget for 1935-36 and forwarding for sanction, annual schedules of requirements of papers and stationery articles for the year 1935-36.

ORDER No. G. 8966-9018—P. & S. 48-34-3, DATED BANGALORE, THE 2ND—5TH APRIL 1935.

The reduction of 50 per cent in the supply of stationery and forms ordered in Government Order No. Fl. 1795-1850—G. F. 54-31-1, dated 14th September 1931, for the year 1931-32 is being continued year after year as a measure of economy. Work has increased in all departments and it has been found that some departments had to apply for advanced supplies of stationery against the next year's supplies, which course has also become impossible in many cases. A number of requests are being received from practically all the departments for the supply of additional stationery in order to get through their normal work and additional supplies of articles had to be sanctioned in every case either partially or in full and the 50 per cent rule which has been in operation now for some years appears to require some modification.

The Superintendent of Stationery has sent up two lists, one of essential items of stationery articles and another of what may be termed "Luxury" articles and recommends that the supply of essential articles mentioned in List No. I and essential forms and registers required for daily work may be increased from 50 per cent to 75 per cent of the full quantities during 1935-36 and that the supply of "Luxury" articles mentioned in List No. II may be continued at 50 per cent of the original scale.

The recommendation of the Superintendent is sanctioned. The two lists as approved are appended to this order.

With a view to cover the cost of increased supply of stationery articles as above, the Comptroller is requested to provide a sum of Rs. 1,40,000 in the Budget of the Stationery Department for 1935-36.

The annual schedules of requirements of papers and stationery articles for the year 1935-36 are returned to the Superintendent of Stationery for being revised accordingly and retransmitted for the approval of Government.

APPENDIX II.

G. O. No. M. 5501-60—P. & S. 74-21-1, dated 1st June 1922.

Economising the use of Stationery and reducing Printing Work.

Issues instructions in regard to —— and calls for a report in the matter from Heads of Departments.

READ—

Government Order No. G. 21945-22005—P. & S. 7-20-3, dated the 20th May 1921, issuing instructions regarding the revised scales of stationery articles, etc., to be issued to the different Offices of the State and the economies to be effected in the issue of paper and stationery articles.

ORDER No. M. 5501-60—P. & S. 74-21-1, DATED THE 1ST JUNE 1922.

Government observe that in spite of repeated instructions for economising the use of paper and stationery articles, etc., the expenditure thereon has not tended to diminish. Special efforts have, therefore, to be made in this behalf by Heads of Departments, Deputy Commissioners of Districts, and other indenting officers, and the consumption of paper and stationery articles reduced to about 50 per cent of the average for the past two years.

2. The following instructions are issued in continuation of previous orders in the matter of economising the use of paper and stationery articles:—

(i) The use of both sides of paper should be strictly insisted upon in all possible cases and stringent measures adopted to stop wasteful use;

(ii) Every available stock of paper and forms in the different offices of the State should be carefully conserved and profitably utilised;

(iii) Obsolete or useless forms should, as far as possible, be used for reprinting of useful forms and for other purposes;

(iv) Covers received should be cut open and used again, as far as possible, by pasting the cut end with slips;

(v) Heads of Departments are requested to carefully examine the works sent from their departments to the press and see that printing work is reduced to a minimum both as to quantity and cost, and submit before the 31st July 1922, for the information of Government, a revised standing list of works from their departments that have got to be printed. The Superintendent, Government Printing, will furnish to the Heads of Departments and the Deputy Commissioners of Districts, before 30th June 1922, a list of printing works (showing the number of foolscap pages, cost of paper and cost of printing in each case) usually done for their departments, to enable them to submit the lists called for above, before the due date;

(vi) The Superintendent, Government Printing and Stationery should, on his part, use wherever possible, thin paper instead of thick, and brown or other paper instead of white to keep down cost.

A statement showing the cost of stationery issued to the various indenting officers during 1921-22 should be submitted for the information of Government before the 15th July 1922.

3. Heads of Departments and Deputy Commissioners of Districts are requested to co-operate in this behalf and issue such subsidiary orders to their subordinate offices as may be necessary to achieve the end in view. A report of the action taken in this connection may be sent for the information of Government before 1st July 1922.

C. E. RAMA RAO,
For *General Secretary to Government.*

To—The Heads of Departments.
The Deputy Commissioners of Districts.
The Secretaries to Government.

APPENDIX III.

G. O. No. E. 1737-95—P. & S. 74-21-9, dated 7th September 1922.

Envelopes.

Issuing detailed instructions in regard to economising the use of ——.

OFFICIAL MEMORANDUM.

ORDER No. E. 1737-95—P. & S. 74-21-9, DATED 7TH SEPTEMBER 1922.

In continuation of Government Order No. M. 5501-60—P. & S. 74-21-1, dated the 1st June 1922 and Official Memorandum No. M. 5595-639—P. & S. 74-21-2, dated 6th June 1922, the following revised instructions in respect of the use of envelopes are issued:—

(1) Envelopes should be fastened by pasting a slip over the flap, without the flap itself being gummed, and the address and other details written or printed on this slip. The addressee will, in opening the envelopes, merely cut across the slip *without injuring the flap*, so that the envelope can be used again by pasting on it another similar slip.

(2) In the case of envelopes transmitted by post, the flap should contain instructions to the post office to impress its stamp on the slip only, even in the cases of envelopes on which the names of addressees have already been printed. Envelopes should be collected and returned to the office of issue as already directed in the Office Memorandum referred to above.

(3) In the case of long envelopes, slips with perforated cages may be pasted over the flaps, only one cage, namely the outermost one on which the address is written, being gummed and utilised each time the cover is sent out.

(4) Wherever practicable, combined letter-envelopes should be brought into use and the use of separate envelopes dispensed with.

(5) The Superintendent, Government Printing and Stationery, will print slips to suit the several sizes of envelopes and supply them to the several officers together with the combined letter-envelopes.

(6) The supply of envelopes to Departments will be reduced by 50 per cent as the general observance of the above instructions is expected to result in a considerable saving in envelopes.

B. VENKOBA RAO,
Secretary to Government,
General Department.

To—The Secretaries to Government.
The Heads of Departments.
The Deputy Commissioners of Districts.

Increases the number of elected members of the Public Branch of the Mysore State Life Insurance Committee from three to five with effect from 1st January 1936.

READ—

Government Order No. Fl. 6444-5—G. F. 44-25-39, dated 10th May 1926, sanctioning the resolution of the Insurance Committee that the maximum number of members to represent the Public Branch on the Committee be limited to three.

2. Letter No. 7717, dated 21st May 1935, from the Secretary, Mysore State Life Insurance Committee, forwarding for sanction a copy of the resolution of the Insurance Committee for increasing the number of members representing the Public Branch on the Committee.

ORDER No. FL. 8956-9015—G. F. 373-34-2, DATED BANGALORE,
THE 15TH JUNE 1935.

At present the Insurance Committee consists of twelve members, of whom three are elected from among the insured in the Public Branch to represent them on the Committee.

2. The question of increased representation of the policy holders of the Public Branch on the Insurance Committee was raised in the Legislative Council Session of December 1934. Government promised to consider the question and accordingly the matter was referred to the Insurance Committee and they at their meeting held on 4th May 1935 resolved that it is necessary to keep the Board as compact as possible, but that in view of the request for increased representation, the number of elected members may be increased to five.

3. Government agreeing with this opinion are pleased to sanction the resolution and direct that it take effect from 1st January 1936.

S. SHAMANNA,
Secretary to Government,
Financial Department.

Sanctions the Resolution of the Mysore State Life Insurance Committee allotting an additional district to certain Helpers

PUBLIC WORKS SECRETARIAT

Issues orders in regard to the Regulation of Water Supply under the Vani Vilas Sagar.

READ—

Government Order No. 1384-91—S., dated the 24th January 1935, passing orders on the regulation of water-supply under the Vani Vilas Sagar.

2. Letter No. C. 5119—34-35, dated the 11th June 1935, from the Revenue Commissioner in Mysore, recommending certain proposals made by the Deputy Commissioner, Chitaldrug District.

ORDER NO. P. W. 2868-75—S., DATED BANGALORE,
THE 24TH JUNE 1935.

Government in their Order No. 1261-1266—S., dated the 8th January 1934, ordered continuous summer supply being given for the lands under the Vani Vilas Sagar, provided the water level in the lake on the 1st November preceding is not below 125 feet, in accordance with which, continuous supply was given during the year 1935. There has thus been continuous supply of water for paddy cultivation during all the months of the past three years 1932-33, 1933-34 and 1934-35 with the result that the Public Works Department had no time to clear the channels of silt and weeds. The water level in the lake has also gone down to 116 feet.

2. In order to conserve the stock of water in the reservoir, to encourage the growth of garden crops and to enable the channels being kept in an efficient condition, the Deputy Commissioner, Chitaldrug District, after making careful enquiries

and discussing the subject at length with all concerned has made the following proposals:—

(1) As a rule, the supply of water for irrigation under the lake will be intermittent throughout the year.

(2) But continuous irrigation will be allowed in summer in the years when the level of the lake on 1st November preceding is not below 120 feet.

The Revenue Commissioner who toured in the area and elicited the views of a large number of the raiyats holding lands under the lake concurs in the above proposals.

3. The Agricultural Committee before whom the matter was placed by the Revenue Commissioner at the meeting held on the 5th June 1935, have also expressed their Agreement with the above proposals.

4. Government accept the recommendations of the Revenue Commissioner and direct that his proposals be given a trial for a period of two years, in the first instance, commencing from this monsoon and the position reviewed at the end of this period.

5. The Revenue Commissioner is requested to examine how the water rates ordered in the Government Order of the 8th January 1934 would be affected by this change and whether there will be any improvement on the revenue realisations. The Chief Engineer is also requested to investigate how far the proposed change will improve the storage in the reservoir and conduce to the encouragement of perennial and garden crops.

GENERAL SECRETARIAT

Records the report on the working of the Scheme of Backward Class Scholarships for the year 1934-35.

READ—

Letter No. D3. 3550-154 of 34-35, dated the 22nd May 1935, from the Director of Public Instruction, submitting a report on the working of the Scheme of Backward Class Scholarships for the year 1934-35.

ORDER No. E. 3682—EDN. 430-34-2, DATED BANGALORE, THE 27TH JUNE 1935.

Recorded.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

ANNEXURE.

Letter No. D3. 3550-154 of 34-35, dated 21st—22nd May 1935, from the Director of Public Instruction in Mysore, Bangalore, to the General Secretary to the Government of Mysore, Bangalore.

SUBJECT :—Review on the Administration of Backward Class Scholarships.

I have the honour to submit for information the report on the working of the Scheme of Backward Class Scholarships for the year 1934-35.

The following provisions were made in the current year's budget for scholarships to the backward classes :—

26. *Education.*

		Rs.	a.	p.
10A. (VI)	(1) Scholarships to High School Students 585 (6) ...	35,100	0	0
	(2) Scholarships to Middle School Students 596 (3) ...	17,880	0	0
	(3) Special grant for minor Backward Class Scholarships in all classes 1 and 2 above ...	1,000	0	0
	Total ...	53,980	0	0

The general funds (items 1 and 2) were administered as usual by the District and Taluk *Ad-Hoc* Committees. The reserve and the lapse scholarships were awarded by me. The sanctioned grant for scholarships to minor backward classes (*vide* item 3) was also administered by me as usual.

I submit herewith three statements—(i) a statement showing for each group of backward classes the allotment, award and lapse of scholarships of III Grade tenable in High School Classes, (ii) a similar statement in respect of scholarships of IV Grade tenable in Middle School Classes, and (iii) a statement showing the distribution of scholarships to students of minor backward classes by each community.

The work of the District and Taluk *Ad-Hoc* Scholarship Committees was satisfactory and the Department is grateful to them for their co-operation in the successful administration of Backward Class Scholarships for the year under review.

I—Statement showing the allotments, awards and lapses of III Grade Backward Class Scholarships for 1934-35. (Scholarships tenable in High School Classes.)

FINANCIAL SECRETARIAT

Sanctions the rate of Travelling Allowance for Railway journeys of officers on pay of Rs. 100 and more but less than Rs. 150.

ORDER NO. FL. 9261-320—S. & A. 580-34-1, DATED BANGALORE, THE 27TH JUNE 1935.

Under the Mysore Service Regulations, officials getting a pay of Rs. 100 and above but not exceeding Rs. 150 are entitled to one and half times the Intermediate Class fare for Railway journeys performed by them on duty.

2. The Intermediate Class having now been abolished by the Mysore Railways, Government direct that officials drawing a pay of Rs. 100 and more but less than Rs. 150 a month, be permitted to travel in the Second Class, and to draw one and three-sevenths Second Class fare.

3. As regards the journey to and from Mysore during the Birthday Season of 1935, the officials referred to above will, as a special case, be allowed the actual Railway fare paid by them, *viz.*, Third Class (or Second Class fare for the return journey) *plus* three-sevenths Second Class fare each way.

4. Separate orders will issue regarding the amendment of the respective provisions of the Mysore Service Regulations.

S. SHAMANNA,
Secretary to Government,
Financial Department.

Sanctions the resolution of the Mysore State Life Insurance Committee to amend Rule 19 (1), to alter the Good Health Declaration Form and to levy a fee for the purpose.

READ—

Letter No. 7683, dated 22nd May 1935, from the Secretary, Mysore State Life Insurance Committee, forwarding a copy of the marginally noted resolution passed at their meeting held on 4th May 1935, and requesting sanction to amend Rule 19 (1) of the Public Branch, to alter the Declaration Form as below and to levy the fee.

Resolved that attestation of Good Health Declarations now obtaining may be done away with and that in cases where interest calculated as in Rule 19 falls short of annas four, a minimum revival fee of four annas may be charged. Draft form circulated to members was also approved.

AMENDED RULE—

> "If the application for revival is made within six months from the date of lapse, it should be accompanied by a Declaration in the prescribed form signed by the insured to the effect that he continues to be in good health. In cases where the interest calculated as above falls short of four annas, a minimum revival fee of four annas will be charged."

ALTERED FORM—

I..holder of Policy No. .... do hereby solemnly and sincerely declare that I am at present attending to my work regularly and am in my usual good state of health and that I have suffered from no serious illness since I last underwent detailed medical examination in connection with State Life Insurance.

I have defaulted to pay my premium on......................which was the due date for its payment excluding grace days.

I further declare that since the last detailed medical examination for State Life Insurance I have not been declared unfit for insurance or to be a second class life by any Life Assurance Company. I further declare and agree that the above Policy shall be null and void if this declaration is untrue.

Declared at...............................this.........................day of the month.....................193 .

Signature of Insured.

NOTE.—This declaration is admissible if made within six months only from the date of default in the payment of premium. Otherwise an ordinary Medical Certificate at the insured's own expense is necessary (*Vide* Rule 19).

ORDER NO. FL. 9336-415—G. F. 377-34-2, DATED BANGALORE, THE 28TH JUNE 1935.

Sanctioned.

S. SHAMANNA,
Secretary to Government,
Financial Department.

Sanctions the Budget Estimates for the year 1935-36.

ORDER NO. FL. 1-60—G. F. 413-34-1, DATED BANGALORE,
THE 1ST JULY 1935.

The Provisional Budget Estimates for the year 1935-36 were placed before the Representative Assembly for general discussion partly on the 14th and on the 15th and 17th June 1935.

2. The Estimates were then presented to the Legislative Council which met from the 24th June 1935, and were dealt with by that Body in the two stages of (1) General Discussions, and (2) Voting of Demands for Grants, the former on the 24th and 25th and the latter on the 26th, 27th, 28th and 29th June 1935.

3. In response to the general opinion of the Representative Assembly, it was decided to increase the grant for "Drinking Water Wells" by Rs. 25,000. With this addition, the Demands were placed before the Legislative Council and that Body passed all the Demands.

4. The sanctioned estimates for the year 1935-36 as they finally stand, providing for Revenue Expenditure and Surplus of Rs. 3,77,14,000, 3,76,32,000 and 82,000, respectively, are herewith published for general information.

S. SHAMANNA,
Secretary to Government,
Financial Department.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Passes orders in regard to the abolition of the system of hereditary shanbhogs and the substitution of a paid agency in its place.

READ—

Resolutions passed in the Representative Assembly and the Legislative Council held in October and December 1928, urging the abolition of the present system of hereditary shanbhogs and the substitution of a paid agency in its place.

2. Government Order No. R. 5619-22—L. R. 371-28-30, dated 14th February 1930, appointing a Committee to examine and report on the subject.

3. Government Order No. R. 6195-8—L. R. 371-28-40, dated 11th May 1931, publishing the report of the above Committee.

4. Government letter No. R. 2865—L. R. 515-29-10, dated 11th December 1934, to the Revenue Commissioner directing that, in all cases in which shanbhogi *hak* is forfeited by way of punishment, substitutes should be appointed without a claim to hold the office hereditarily.

ORDER NO. R. 223-37—L. R. 173-34-4, DATED BANGALORE, THE 10TH JULY 1935.

The question of abolishing the present system of hereditary village accountants and substituting a paid agency in its place is being pressed upon the attention of Government for several years past. In December 1928, when the matter was first raised in the Legislative Council by a resolution, Government promised to have the question examined in all its bearings, and referred it for investigation to a Committee of officers with the then Revenue Commissioner, *Rajakaryapravina* Mr. P. G. D'Souza, as Chairman. The Committee submitted their report in August 1930, and the conclusion arrived at by them was that the change proposed was one of doubtful utility, that the cost of salaried officials would considerably exceed the present expenditure on *potgi*, and that the amount of compensation payable to the families of displaced shanbhogs was likely to amount to a prohibitive figure. This report was published for general information in May 1931. No remarks or criticisms were received from the public, but the question was brought up again at the December Session of the Legislative Council of that year by means of three resolutions, two of which demanded the appointment of a Committee of officials and non-officials for the investigation of the question. Government expressed the view that no useful purpose was likely to be served by appointing another Committee, as proposed, but promised to have the question further investigated in the light of the discussions after the Record of Rights Scheme was introduced in a few taluks. On this assurance, the motion was withdrawn.

When the Record of Rights Scheme was introduced in the Davangere Taluk and the Harihar Sub-Taluk, Government had the necessary statistics collected as to the cost likely to be involved in replacing the hereditary shanbhogs by a paid agency in these two taluks. It was found that, by reducing the number of village accountants and enlarging the size of their charges, it would be quite feasible, without any increased expenditure on salaries, to replace the present hereditary shanbhogs by qualified stipendiary accountants on an adequate scale of remuneration. The only extra cost might be on account of any liability to compensate the families of the displaced shanbhogs for loss of office.

2. When the matter was thus under active consideration, a resolution was moved once again in the Legislative Council at its last Session in December 1934 urging the abolition of the hereditary shanbhogs.

3. The main grounds urged for the abolition of the system were that the remuneration of shanbhogs varied from Re. 1/12 to Rs. 150 per annum, and with such a low remuneration, it was impossible to expect really honest and good work from them; that they, therefore, sought other and more questionable means of supplementing their income; that more than two-thirds of the shanbhogs resided outside their charges and a good many of them were engaged in other avocations and got their duties performed by proxies whose work could not possibly be expected to be satisfactory; that they took undue advantage of the illiteracy and ignorance of the raiyats, created party factions and were, generally speaking, a menace to the peace and prosperity of the villages; and lastly, that they did not always prepare accurate statements of accounts.

Per contra, it was pointed out by those who opposed the proposal that it would be a mistake to suppose that the system was altogether bad and had no redeeming features whatsoever; that if it were really so, it would not have survived for centuries; that all the troubles and difficulties of the villagers could not fairly be laid at the door of the shanbhog; that it was not the shanbhog alone who harassed the villager, but many others such as, for instance, the moneylender, and the petty merchant. A proper remedy for such a state of affairs would, therefore, be the education of the rural population rather than the abolition of the hereditary system. It was further urged that the movement in favour of the abolition of this system was largely due to the fact that shanbhogi offices were mostly held by members of a single community; that if the demand was genuine, the other hereditary village offices, such as, those of the patel, talari, etc., should also have been proposed to be abolished, and that the shanbhog being the repository of all local-knowledge so necessary for carrying on the revenue administration, confusion was likely to arise if the shanbhog was suddenly replaced by salaried officials having no such local knowledge.

4. Government observe that, while it is a fact that honest and faithful service has been rendered in the past by this class of public servant, the hereditary shanbhogs are, in a large number of cases, lacking in education, industry and honesty, qualifications which are so essential for the proper discharge of their duties. With the improvement and growing complexity of administration, it has become increasingly difficult to get adequate work from them. In the next place, in a

large number of cases, the office is registered in the names of minors and the duties are entrusted to temporary "gumastas" whose work is often not up to the mark. In many cases, the hereditary *hakdars* resign their offices in favour of minors and engage themselves in other avocations, the hereditary principle being thus made subservient to individual convenience at the sacrifice of public interests. Moreover, many of the officiators do not reside in the villages included in their charge and are not readily available to the general public or to Government officials requiring their services. Lastly, the maintenance of registers in which the hereditary rights of a very large number of individuals are recorded, the investigation of their rights of succession according to prescribed procedure, involving in many cases a quasi-judicial enquiry with consequent appeals, second appeals and revision applications, takes up much of the time of Revenue officers quite out of proportion to the importance of the interests concerned.

The attitude of Government on this question was explained at the Legislative Council session of December 1934 in the following statement:—

> "The Government have no wish to perpetuate a system of hereditary appointments to public offices. In fact, Government consider that the hereditary system in respect of the office of shanbhog should be terminated as rapidly as circumstances permit. But the principle is one which, in their view, should apply equally to other village offices. If the hereditary principle is open to objection in the case of shanbhogs, it is equally so in the case of patels and even of thoties and talaries. In respect of each class of offices, we have to see how far such action is urgent, expedient and practicable from the administrative point of view. One of the important points that has to be considered is whether suitable persons can be found to take the places of hereditary officers without much extra cost. In regard to shanbhogs, it may, no doubt, be said that there is at present a sufficient number of educated young men who can do this work equally, if not more efficiently. Another important question is whether any and if so, what compensation should be paid to the men or families whose hereditary *hak* is terminated.
>
> Government are advised that it is equitable to pay them some compensation. The amount of such compensation will not, of course, be the capitalised value of the present emoluments or anything approaching that, because the village officer's *potgi* is not of the nature of a pension, but is payment for services rendered. When the services are not rendered, there can be no question of his still being assured an equal income. It might be possible to accept a formula as to the amount of compensation to be paid in case of termination of the hereditary *hak*. Government's finances do not permit of the termination of the hereditary *hak* on payment of compensation in a wholesale fashion. At present, Government have adopted the policy, and have given instructions that, when in any case the hereditary *hak* is forfeited by way of punishment, substitutes should be appointed without a claim to hold the office hereditarily. Secondly, Government are prepared, as a first step, to introduce legislation for the termination of hereditary *haks* on a voluntary basis more or less on the lines of the Bombay Watandars Act."

5. In accordance with the above statement of policy, the Revenue Commissioner is requested to submit proposals as to the scale of compensation that may be paid for the termination of the hereditary rights where they exist and also as to the concessions and facilities that may be offered to induce the shanbhogs to apply for voluntary relinquishment of office on payment of compensation. His attention is also invited to G. O. No. R. 2865—L. R. 515-29-10, dated 11th December 1934, read above with reference to the appointment of substitutes without hereditary claims in certain cases, and he is requested to see that every opportunity is availed of to replace the hereditary shanbhogs by stipendiary accountants as contemplated in that order.

6. Discussions in the Representative Assembly and the Legislative Council on this subject have drawn prominent attention to two matters in connection with the shanbhogi service, regarding which administrative action is urgently called for, namely, the practice which has become common of shanbhogs not living within their circle of duty and of barawardar shanbhogs not performing their duties themselves but entrusting them to "gumastas." From information received from the Revenue Commissioner in June 1934 in connection with an interpellation in the Legislative Council, it is seen that, out of a total number of 6,136 shanbhogs in the State, as many as 2,504 have got "gumastas" appointed for them, 1,816 are residing outside their charges, and 91 barawardar shanbhogs are holding other Government appointments. From similar information furnished in June 1935, it is seen that 2,544 shanbhogs are "gumastas" and 1,850 are residing outside their *firkas*. This goes to show that the number of shanbhogs getting their work done by proxies and of those not residing in their charges has increased.

7. In an order passed nearly 40 years ago (G. O. No. 4087-94, dated 1st November 1896), Government laid special emphasis on the well-recognised principle

that the right to a shanbhogi office was inseparable from the efficient discharge of the duties connected therewith, and directed that no substitute should be allowed to be appointed except on behalf of widows or minors. The same principle was reiterated in an order passed in July 1924 (G. O. No. R. 791-801—L. R. 86-22-6, dated 30th July 1924) and Deputy Commissioners were requested to issue notice to every barawardar shanbhog or patel, who was not a minor or a widow but was following other avocations, to enter upon his duties within a period not exceeding six months. If he failed to do so, his name was directed to be removed from the baraward register, and the fact was ordered to be notified in the *Mysore Gazette.* If the appointment was not claimed within two years from the date of notice, the right of the family to the *hak* was to be forfeited and Deputy Commissioners were required to appoint any competent person permanently to the post. In spite of strict instructions issued from time to time, Government have reason to believe that a large number of barawardar shanbhogs are still pursuing other avocations and have not returned to their legitimate duties. From a report received from the Revenue Commissioner in November 1934, it is seen that, out of 334 barawardar shanbhogs who were not performing their duty themselves, as a result of notices issued to them, 39 places were otherwise filled up, shanbhogi *hak* was forfeited in 49 cases and in the remaining 133 cases, the question of enforcing the return of absentee barawardars to duty was under correspondence. Government therefore directed that, if the registered *hakdar* who was otherwise fit to take up the work pleaded inability to return to duty and failed to come back to duty by 30th June 1935, his shanbhogi *hak* should be forfeited and that, in all cases of forfeiture of hereditary *hak*, the arrangements made should be temporary and not such as to give hereditary rights.

The Revenue Commissioner is requested to make arrangements for filling up all such vacancies by the appointment of stipendiary shanbhogs.

8. In reporting on the action taken on the Government Order of 30th July 1924 referred to above, the Revenue Commissioner in July 1926 submitted two cases of absentee village officers who were employed in Government service elsewhere but had resigned their *hak* in favour of their minor sons and pointed out that, by allowing such resignations, the *hak* might be perpetuated without the barawardar entering upon his duties at any time. He suggested a change of the rule so that the next of kin in whose favour the *hak* should be resigned should be a member of the family who would enter upon the duties immediately. Government at that time thought that this proposal might prove to be a hardship in the case of those *hakdars* who had only minor sons and who held appointments elsewhere. They, therefore, directed (in G. O. No. R. 1615-23—L. R. 83-26-2, dated 13th September 1926) that the resignation in favour of a minor son should be allowed to a shanbhog family once, but not more than once, and that, where a barawardar had no minor son and he was not prepared to resign his appointment, the baraward should be transferred to the next of kin who would enter upon the duties immediately. The information now available as to the extent to which shanbhogi offices are held by minors and the services are performed by "gumastas" forces Government to the conclusion that the existing concession of allowing a *hakdar* to evade the performance of the duties of the hereditary office, but at the same time to preserve the *hak* in the family by resigning it in favour of a minor son is not in the public interest and should no longer be permitted. Government accordingly direct, in modification of their order dated 13th September 1926 referred to above, that, if a *hakdar* to a village office who is qualified to perform the duties of the office is not prepared to perform these duties, he should not be permitted to resign the *hak* in favour of a minor, but can only resign in favour of the next of kin who is qualified and willing to enter on the performance of the duties at once.

9. The rule regarding the residence of village officers as it was originally in force made it obligatory for shanbhogs to reside in the village or one of the villages constituting their charge. In the Representative Assembly in the year 1906, it was represented by some of the members that this rule should be relaxed in some cases where, owing to the village being *bechirak* or depopulated or not containing any other houses of members of their community or being unsuitable for residence owing to general unhealthiness or scarcity of water supply, it would result in great

hardship if the rule was enforced too strictly. Government thereupon directed that, in such cases, the Deputy Commissioner might permit the shanbhog to reside in some other village *within the hobli* and at a distance of not more than three miles from any one of the villages comprised in the *firka*. It was subsequently represented that even this modified rule worked as a hardship in some cases as the shanbhogs found it difficult to leave their ancestral homes and reside in villages where they had no relations or members of their community. The previous concessions were therefore extended in the year 1928 and Deputy Commissioners were authorised (in G. O. No. R. 2387-95—L. R. 339-27-3, dated 12th September 1928) to permit shanbhogs to reside in villages even outside the hobli or taluk in which their charges are situated subject to the three mile limit.

Government observe that a relaxation of the rule which was at first meant to apply only to some special cases of hardship has now become more or less of general application and has enabled the shanbhogs to reside in villages even outside the hobli or taluk in which their charges are situated. The rule will therefore be restored to its original form so as to make it obligatory on shanbhogs to reside in the village or one of the villages constituting their charge. The Revenue Commissioner is requested to see that, in future, the modified rule is strictly observed and that no shanbhog appointed hereafter is allowed to live outside his village or *firka* on any account, an exception being allowed in cases, if any, where the villages included in the *firka* are all *bechirakh*. All cases in which permission to live outside the *firka* has already been given should also be carefully reviewed and the permission withdrawn except in exceptional cases, always bearing in mind the general principle, that no arrangement to suit the personal convenience of a public servant should be allowed if it militates against the efficient discharge of his public duties.

10. Separate action will be taken to have a bill prepared for amending the Mysore Village Offices Regulation on the lines of the Bombay Watan Act and to place it before the Representative Assembly and the Legislative Council.

K. V. ANANTARAMAN,
Offg. *Chief Secretary to Government.*

Directs that the car in the personal use of the Ruler of Savanur be exempted from payment of toll within the State.

READ—

Government Order No. R. 4730-42—R. M. 5-29-44, dated 20th February 1931, issuing a schedule of rules relating to tolls on State Fund Roads.

2. Government Order No. R. 4118-37—R. M. 46-33-2, dated 21st February 1934, directing that the car conveying the Raja of Sandur be exempted from payment of toll within the State.

3. Letter No. 775 of 1935, dated 20th May 1935, from the Dewan of Savanur State, enquiring whether a similar exemption could be extended to Savanur State also.

ORDER No. R. 39-58—R. M. 78-34-2, DATED BANGALORE,
THE 3RD JULY 1935.

Government are pleased to direct that the car in the personal use of the Ruler of Savanur, *i.e.*, the car in which the Ruler is himself travelling be exempted from payment of toll within the State.

Rule (i) of Schedule (c) of the Rules issued with the Government Order dated 20th February 1931, read above, will be amended so as to read as follows :—

> "(i) No toll shall be levied on the car conveying the Raja of Sandur or on the car in the personal use of the Ruler of Savanur, *i.e.*, the car in which the Ruler is himself travelling."

This arrangement will have effect from the date of order.

K. V. ANANTARAMAN,
Offg. *Chief Secretary to Government.*

GENERAL SECRETARIAT

Directs that Primary Schools be granted Summer Vacation from 7th April to 21st May inclusive.

READ—

Government Order No. E. 2799—Edn. 350-34-2, dated the 9th April 1935, sanctioning the grant of six weeks summer vacation from second Monday in April to all the Primary Schools, the provision to grant 15 days holidays to meet seasonal and other requirements being withdrawn.

2. Letter No. A. 2. 4523-396 of 33-34, dated the 9th May 1935, from the Director of Public Instruction in Mysore, stating that he now finds that the grant of summer vacation for six weeks from second Monday in April to Primary Schools will not quite meet the case since the Middle Schools will be closed from 7th April to 22nd May while the second Monday in April may occur on any date between 8th and 14th and recommending that as it is desirable to close the Primary Schools on the same date as the Middle Schools for purposes of administrative convenience all the Primary Schools may be permitted to have summer vacation from 7th April to 21st May inclusive, the provision to grant 15 days holidays to meet seasonal and other requirements being withdrawn.

ORDER No. E. 3561—EDN. 350-34-4, DATED BANGALORE, THE 13TH JUNE 1935.

Sanctioned.

Secretary to Government,
General Department.

Passes orders on the proposals of the Director of Public Instruction, regarding the change in the working hours and the fees to be collected, etc., in the Government Institute of Commerce and Accountancy, Bangalore.

READ—

Letter No. E. 723—Edn. 55-31-2, dated the 13th August 1931, from the General Secretary to Government, to the Director of Public Instruction in Mysore, conveying the approval of Government to the change in the working hours of the Government Institute of Commerce and Accountancy, Bangalore, as noted in the margin.

A period of 50 minutes each in the mornings between 7-30 A.M. and 10-30 A.M. on all working days including Saturdays and two periods of 50 minutes each between 3-20 P.M. and 5 P.M. on all working days except Saturdays and one period of 50 minutes between 5-30 P.M. and 6-20 P.M. on all working days for the special course in Banking.

2. Government Order No. D. 6855-57—Edn. 374-29-2, dated the 18th December 1929, sanctioning among other things, the division of the year in Commercial Institutions into two terms, the first term commencing from 8th June to Mahalaya Amavasya, and the second term from the date of re-opening after the Dasara Holidays to 10th March following.

3. Government Order No. E. 1173—Edn. 55-31-4, dated the 23rd September 1931, sanctioning the levy of—

(1) an admission fee of Re. 1;
(2) a reading room fee of Rs. 2 per session;
(3) a sports fee of Rs. 2 per session;
(4) a union fee of Rs. 2 per session; and
(5) a library deposit of Rs. 5

in addition to a tuition fee of Rs. 100 per annum for the G. D. A. Classes in the Institute referred to in the Government Order, read above.

4. Letter No. A. 5. 3799-260 of 34-35, dated the 18th April 1935, from the Director of Public Instruction in Mysore, submitting proposals regarding the change in the working hours and the fees to be collected, etc., in the Government Institute of Commerce and Accountancy, Bangalore.

ORDER No. E. 3567—EDN. 234-34-6, DATED BANGALORE, THE 13TH JUNE 1935.

The Director states that certain modifications in respect of the working hours, collection of sports, reading room and union fees, the library deposit and division of terms are found necessary in the case of the Government Institute of Commerce and

Accountancy, Bangalore, on account of the introduction of the Diploma Course and the abolition of the G. D. A. Course and the necessity to commence the classes late as well as to continue them late and requests approval to the following proposals:—

Working Hours.—The classes may be held from 7-30 A.M. to 10-30 A.M. and 5-30 P.M. to 7-30 P.M. on all working days except Saturdays when it may be held for three hours in the morning, thus giving a total period of 28 hours per week.

2. *Sports and Union Fees.*—The payment of sports and union fees may be made optional in the Institute, only those who pay the fees being allowed to take part in the activities.

3. *Library Deposits.*—A library deposit of Rs. 3 instead of Rs. 5 per student may be collected as a security for library books lent.

4. *Terms.*—The terms of the Institute may be fixed as follows:—

(1) First term from 1st July to Mahalaya Amavasya;

(2) Second term from the date of the re-opening of the Institute after the Dasara Holidays to the 20th March.

These proposals are approved.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Reviews the report on the working of the Joint Stock Companies in Mysore, for the year ending 31st March 1935.

READ—

Letter No. C. 83—35-36, dated 15th May 1935, from the Registrar of Joint Stock Companies in Mysore, forwarding a report on the working of the Joint Stock Companies as well as the Literary, Scientific and Charitable Societies during the year ended 31st March 1935.

ORDER NO. D. 42-53—J. S. 37-34-3, DATED BANGALORE, THE 2ND JULY 1935.

Recorded.

2. Five new companies all limited by shares, with an authorized capital of Rs. 3·60 lakhs were registered during the year. One of them was a public company and the remaining four were private companies. One of these four companies was a banking organization and the remaining three were for the development of land by planting and agriculture.

3. One company went into voluntary liquidation and one was ordered by the Mysore District Court to be wound up. No company was struck off the register during the year.

4. The number of companies limited by guarantee remained at 21 as in the previous year, but the number of companies limited by shares increased from 126 to 129. There were 70 outside companies as against 67 in the previous year.

5. Fifteen societies were registered under the Societies' Registration Regulation. The total number of societies on the rolls at the end of the year was 253.

6. The case filed under Section 282 of the Companies' Regulation against the Directors of the Shankara Trading Syndicate, Ltd., was withdrawn. Three prosecutions against the Directors of the Hindustan Commercial Bank, Ltd., ended in the conviction of the Managing Director. A complaint under Section 277 was made in the City Magistrate's Court, Mysore, against the Secretary of the Hindustan Commercial Bank (India), Ltd., a company registered in Madras. Two offences

under Section 294-A of the Indian Penal Code were also detected in respect of two foreign companies doing business in the State. The case against one ended in conviction while the other is pending trial.

7. There were, at the end of the year, 42 certified auditors, of whom 13 held permanent certificates.

8. The total authorized capital of all Joint Stock Companies registered in Mysore, was Rs. 5,78,31,285 at the end of the year, out of which Rs. 1,81,13,492 was subscribed and Rs. 1,66,37,663 paid-up.

9. Four hundred and forty-seven documents were received by the Registrar for being registered, recorded or filed as against 571 in the year previous.

10. The receipts and expenditure of the department during the year amounted to Rs. 2,589-3-0 and Rs. 3,161-10-6 respectively, as against Rs. 3,154-8-6 and Rs. 3,350-7-10 in the preceding year.

11. The registered offices and places of business of 35 companies were inspected during the year as against 29 in the preceding year.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Issues a commission to Mrs. Kamalamma, Agent of Sarvamanya Malligavalu Village in the Hassan Taluk, conferring on her powers under certain clauses of Section 99, Land Revenue Code.

READ—

Letter No. C. 5194—34-35, dated 27th June 1935, from the Revenue Commissioner, recommending sanction to the grant of a commission under clauses (*b*), (*d*), (*e*) and (*f*) of Section 99, Land Revenue Code; in respect of Sarvamanya Malligavalu Village in the Hassan Taluk, to Mrs. Kamalamma so long as she continues to be the Agent of the Inamdar of the Village.

ORDER NO. R. 273-74—L. R. 22-35-2, DATED BANGALORE,
THE 11TH JULY 1935.

Government are pleased to sanction the recommendation of the Revenue Commissioner and to issue the accompanying commission to Mrs. Kamalamma.

K. V. ANANTARAMAN,
Offg. *Chief Secretary to Government.*

ANNEXURE.

COMMISSION GRANTED UNDER SECTION 99 OF THE LAND REVENUE CODE, REGULATION IV OF 1888.

To

Mrs. Kamalamma,
Agent, Sarvamanya Malligavalu Village,
Hassan Taluk.

By virtue of the powers vested in them by the Land Revenue Code, the Government of His Highness the Maharaja of Mysore are pleased to confer on you, Mrs. Kamalamma, the following powers specified in clauses (*b*), (*d*), (*e*) and (*f*) of Section 99 of the Mysore Land Revenue Code to be exercised within the limits of the Inam Village of Sarvamanya Malligavalu Village in Hassan Taluk :—

(*b*) To attach the property of persons making default in the payment of land revenue or rent due to you in the said villages;

(*d*) To exercise the powers of a Deputy Commissioner under Sections 63 and 64;

(*e*) To receive notices of relinquishment under Section 71 and to determine the date upto which such notices shall be received as in that Section provided; and

(*f*) To take measures for the maintenance and repair of boundary marks in the manner provided for Survey Officers in Section 130.

II. The abovementioned powers delegated to you are vested in you during the pleasure of and subject to recall, by the Government of His Highness the Maharaja of Mysore.

By Order,
K. V. ANANTARAMAN,
Offg. *Chief Secretary to Government.*

Passes orders on the Report of the Committee appointed for suggesting measures for improving the condition of tenants in inam and jodi villages in the State.

READ—

Government Order No. 20-48—L. R. 482-17-42, dated 2nd July 1925, passing orders on the recommendations of the Inam Commission appointed in the year 1918.

2. Government Order No. R. 4306—L. R. 126-25-7, dated 22nd January 1927, modifying the above order in certain respects.

3. Government Order No. R. 2072-9—L. R. 469-31-4, dated 25th October 1932, appointing a mixed committee of officials and non-officials with the Revenue Commissioner as Chairman for suggesting measures for the amelioration and improvement of the conditions and prospects of tenants in inam and jodi villages of the State.

4. Letter No. C. 4602—31-32, dated 30th August 1933, from the Chairman of the above Committee forwarding a report of the Committee for the orders of Government.

5. Letter No. 41—33-34, dated 1st September 1933, from the Inam Superintendent and Director of Land Records furnishing his views on the question of compulsory introduction of survey and settlement into inam villages.

6. Notification No. R. 1700—L. R. 110-33-6, dated 10th October 1933, publishing the report and calling for the opinion of the public on the subjects dealt with therein.

7. Communications received from the Mysore Inamdars' Association and certain other inamdars and tenants furnishing their views on the various subjects dealt with in the report.

ORDER No. R. 350-409—L. R. 110-33-14, DATED BANGALORE, THE 16TH JULY 1935.

The relationship between inamdars and tenants has been frequently coming up for the consideration of Government. A Committee was appointed to investigate the question in 1915 and another in 1916. As their investigations were incomplete, a Commission was appointed in 1918 and Government passed orders on its recommendations in their order of 2nd July 1925 read above. As it was represented that the rights of inamdars had been severely curtailed by this order, it was modified in some respects in the order of 22nd January 1927 and certain amendments rendered necessary by these two orders were incorporated in the Mysore

Land Revenue Code. It is represented that, in spite of the action so far taken, the relations between the inamdars and their tenants have not improved to any appreciable extent. A resolution was moved in the Legislative Council in June 1932, urging the desirability of appointing a Committee of officials and non-officials to study the present condition of the tenants in inam and jodi villages and to recommend suitable measures for its improvement. Government accepted the resolution and appointed a Committee consisting of the following gentlemen in their order, dated 25th October 1932, read above :—

1. The Revenue Commissioner in Mysore, (Mr. S. Hiriannaiya, M.A., B.L.) *Chairman.*
2. The Deputy Commissioner, Bangalore District, (Mr. K. V. Anantaraman, B.A.)
3. The Deputy Commissioner, Mysore District, (Mr. C. S. Kuppuswamy Iyengar.)
4. Mr. K. Chengalraya Reddy, B.A., B.L.
5. *Rao Bahadur* Mr. B. K. Garudachar.
6. Mr. D. H. Chandrasekharaiya, B.A., LL.B.
7. The Deputy Superintendent of Revenue Survey, (Mr. S. N. Appanna Iyengar, B.A., B.L.) and later the Second Assistant to the Revenue Commissioner, (Mr. T. Ramaiya, B.A.) *Secretary.*

2. The terms of reference to the Committee were as follows :—

(1) To examine the rights and liabilities of inamdars and their tenants under the existing law and to make recommendations with regard to the improvement of the position of the tenants *vis-a-vis* of the landlord ;

(2) To examine the question as to whether the provisions regarding the taking of villages under Government management are sufficient and how they can be extended ; and

(3) To examine the desirability of undertaking legislation to enable Government to acquire the rights of inamdars for payment in cash or award of compensation in any other manner.

3. The Committee submitted their report in August 1933 after examining the existing law and standing orders on the subject and also the various suggestions made to them in the course of their visits to some typical inam villages in the Bangalore, Kolar and Mysore Districts. The report was published in the *Mysore Gazette* and the opinion of the public was invited on the subjects dealt with therein. Opinions were received from the Mysore Inamdars' Association and from individual inamdars and tenants and Government have considered the report of the Committee and the opinions received. The main recommendations of the Committee fall under the following heads :—

(1) Compulsory introduction of survey and settlement into inam villages ;
(2) Definition of permanent tenancy under Section 79 of the Land Revenue Code ;
(3) Empowering inamdars to recover six years' dues by revenue processes ;
(4) Compulsory appointment of village officers in inam villages ;
(5) Extending the benefit of Remission Rules to inam villages ;
(6) Enforcing the responsibility of inamdars and tenants as in Government villages in respect of the restoration and maintenance of tanks ; and
(7) Cancellation of the inam tenure of inam villages and substitution of cash grant.

Introduction of survey and settlement.

4. The Committee point out that the chief points in respect of which tenants in inam villages need protection are uncertainty of demand and uncertainty of tenure which can only be removed by the compulsory introduction of survey and settlement in inam villages, and they are of opinion that, if this is done, the relations between the inamdar and his tenants will improve to the advantage of both. The Committee consider that, by such compulsory settlement, the total income of the inamdar from his permanent and kadim tenants should not be reduced below what he was getting before the settlement ; but, at the same time, they are of opinion that the maximum survey rates should not be exceeded and that the above concession in the settlement rates in favour of the inamdar should be confined to the lands under cultivation at the time of the settlement. They also recommend that the entire cost of the operations both of survey and of settlement should be borne by Government, the incidental charges in respect of flag holders, etc., being, as usual, borne by the inamdar and the villagers.

The Inam Superintendent is not in favour of this proposal. He considers that it would not be right to expect the general tax-payer to defray the cost of survey and settlement of all the inam villages in the State for the benefit of the holders who enjoy a partial or total exemption from land revenue. He therefore thinks that the object intended would be equally well served by introducing the Record of Rights compulsorily at the cost of the inamdars in all alienated villages whether already surveyed or not. Government prefer to accept the recommendation of the Committee and are accordingly pleased to direct the compulsory introduction of survey and settlement in inam villages, the cost being borne by Government as recommended, except the incidental charges in respect of flag-holders, etc., which should be borne by the inamdar and his tenants. As regards the survey rates, the Committee's recommendation is to the effect that the existing income of the inamdar should not be reduced, so far as this can be secured without exceeding the maximum rates applicable to the locality. Government accept this view. *Per contra*, the tenants should have the benefit of the general rules as to the maximum extent of increase permissible over the existing assessment for the village and for the individual fields. As regards lands not actually under cultivation, the assessment should be fixed in the usual manner.

Definition of permanent tenancy.

5. According to paragraph (4) of the explanation to Section 79 of the Mysore Land Revenue Code, a presumption as to permanent tenancy will be raised where, in the absence of a contract regarding the nature and duration of the tenancy, the tenant has established that he has been in continuous possession paying a fixed rent for a period of twenty years or more. The Committee recommend that the period of twenty years mentioned in this paragraph may be changed to twelve years as ordinarily uninterrupted possession of immovable property for that period would raise, under the general law, a rebuttable presumption of title. As regards the question as to who should enquire and determine the question relating to the nature of the tenancy, a majority of the members of the Committee consider that such a power, involving a judicial decision of civil rights of parties, should not be conferred on Survey Officers, but that the Settlement Officer should be required to make a list of all cases in which disputes are brought before him as regards the kadim or permanent nature of the tenancy rights and to send the list to the Deputy Commissioner for necessary sanction under the Land Revenue Code. Government approve of both these recommendations.

Empowering inamdars to recover six years' dues by revenue processes.

6. In order to improve the position of the tenants while at the same time protecting the interests of the inamdars, the Committee consider that better facilities should be afforded to the inamdars to collect rents due to them and with these objects in view, they recommend.—

(1) that, after the introduction of survey and settlement, Commissions under Section 99 of the Land Revenue Code should be granted more liberally than at present to eligible inamdars; and

(2) that the period of two years fixed in the proviso to Section 97 of the Land Revenue Code for seeking the assistance of the Deputy Commissioner in connection with the recovery of rent or land revenue by revenue processes should be raised to six years in cases in which the rent or land revenue is payable in cash, the existing provision remaining unaltered in the case of rent in kind.

Under Section 99 of the Land Revenue Code, it is competent to Government to issue a commission to a holder of alienated lands conferring upon him all or any of the powers mentioned in clauses (*a*) to (*f*) of that section, provided that the powers under clauses (*c*) to (*f*) are to be conferred only on holders of land to which a survey settlement has been introduced. With the compulsory introduction of survey and settlement, the restrictions imposed in the proviso cease to operate and it would be possible to grant commissions as recommended by the Committee on a more liberal scale than at present, subject of course to the condition that the inamdars applying for the concessions possess sufficient education and a working knowledge of land revenue law and are otherwise eligible to exercise the powers. The second recommendation as regards recovery of arrears of rent through revenue process is based on the fact that a right already exists for the inamdars to recover arrears for six years through civil courts, and recovery by revenue process instead of through the civil courts is advantageous both to the inamdar and the tenants. As regards inam villages under Government management, the power to recover arrears up to six years has been given to Revenue officers subject to certain conditions by Regulation V of 1934. Government consider that the same facilities may be extended in the case of all inam villages when survey and settlement have been introduced.

Compulsory appointment of village officers in inam villages.

7. The Committee are of opinion that the appointment of a shanbhog and patel to every alienated village should be enforced. Neither the Inamdars' Association nor the inamdars who have furnished their opinion on this recommendation are in favour of this. Government consider that there is much to be said in

favour of the view that the inamdar should not be compelled to employ shanbhogs and patels but should be at liberty to make any arrangement he likes to collect the revenue, grant receipts, maintain and submit to the Government authorities the required accounts and to perform the police duties required by Government of a village head man. If he wishes to do the work himself or to employ any other agency on payment of a salary, he should be at liberty to do so. Where shanbhogs and patels are employed, they should be paid *potgi* under the existing rules.

Maintenance of accounts.

8. In view of the difficulties that are experienced by the tenants in knowing the correct demand, and the difficulty of adjudication in the absence of full accounts, the Committee recommend that the shanbhog in an inam village should be required to maintain, after the introduction of survey and settlement, all the accounts maintained in a Government village. Government approve of this proposal. Where there is no shanbhog, the accounts should be maintained by the inamdar or his agent or an accountant employed by him.

Potgi of village officers.

9. The Committee recommend that, in computing the *potgi* of the shanbhog in an inam village as per existing rules, the percentage calculation should be made on the assessment of lands already under cultivation, whether by the inamdar or tenant. They also recommend that, if the inamdar makes other arrangements for collecting his dues, the patel need not attend to the collection work and his *potgi* need not be paid by the inamdar. Government accept the above recommendations.

Jamabandi.

10. In view of the fact that, when survey and settlement are compulsorily introduced, there is no likelihood of much variation in the demand from year to year, the Committee consider it unnecessary to insist on an annual *jamabandi* by the inamdar. But they recommend that the inamdar should be required to send to the Taluk Office every year Account No. IX in addition to Accounts Nos. XIV and XV. These recommendations are accepted.

Khist.

11. The Committee consider it necessary in the interests of both the inamdar and tenants that facilities should be afforded by the inamdar to his tenants to pay their *kandayam* according to the prevailing *khists* as in Government villages. They point out that, under article 178 of the Revenue Manual, Part I, the power to change the *khistbandi* should not be conferred on the inamdar under Section 99 (*c*) of the Land Revenue Code, because the inamdar must adhere to the usual *khistbandi* or if he deems a change necessary, he should specify the *khistbandi* he would propose as reasonable for the consideration and sanction of Government. They therefore recommend that the system of *khists* prevailing in Government villages should be invariably adhered to; and that failure to pay any *khist* should make the balance immediately payable. Government accept this recommendation.

Sale of inam villages for arrears.

12. The Committee recommend that, in view of the fact that inamdars are expected to recover their rent only in instalments, no inam village should be sold for the current year's jodi, etc., earlier than 1st June though there should be no objection to the adoption of the preliminary coercive processes. The recommendation is accepted.

Agents in *vritti* villages.

13. The rules regarding the appointment of agents for inam villages where there are several vrittidars or co-sharers are contained in pages 374 and 375 of the Revenue Manual, Part I. According to these rules, the co-sharers have to appoint one of them or any other person as agent to collect and to perform other acts on their behalf within one month after service of notice upon them. If they fail to make the appointment within that time or such further time as the Deputy Commissioner may grant, or if disputes and difficulties arise in the selection of a manager, the Deputy Commissioner is at liberty to nominate and appoint a manager, and he should, if necessary, determine the manner in which he should be remunerated—whether by a fixed salary or by a percentage computed on the annual income or net profits of the estate. The Commission of 1918, while retaining the main provisions, recommended that, in making such appointment, the Deputy Commissioner may give preference to one of the vrittidars, failing which the shanbhog or the patel may be made the manager if there be no serious objection. They also fixed the remuneration of the agent

definitely at five per cent of the gross realisations of the village. These recommendations have been approved in their entirety by Government in their Order of 2nd July 1925. After careful consideration, the Committee are of opinion that the existing rules are fair and sufficient but that they require to be strictly enforced. Government accept the Committee's views.

Extending the benefit of remission rules to inam villages.

14. The Committee recommend that the rules regarding the remission of half wet assessment in Government villages for failure of rains may be extended to kadim or permanent tenants in inam villages also, the loss of revenue being distributed between the Government and the inamdar in the proportion of jodi and jari. They consider that the procedure for the grant of such remission should be the same as that prescribed for Government villages, that is to say, the Revenue officers should include inam villages in their itinerary, inspect the crops, the supply of water in the tanks, etc., check the *pahanies* or other accounts available and make recommendations on receipt of applications for relief from the raiyats and that the remission proposed is not to be extended to the tenants at will. The Inamdars' Association and the inamdars who offered their opinion are agreeable to this. Government accept the recommendations of the Committee. The permanent tenants in inam villages should be entitled to remission under the ordinary rules applicable to Government villages, the reduction in revenue due to this being divided between the Government and the inamdar in the proportion of the jodi and the jari.

Gomal.

15. Before the Inam Commission of 1918, Government were not interfering with the inamdars' powers to dispose of *gomal* or communal lands in inam villages. The Commission recommended that a sufficient extent of *gomal* calculated on the same basis as in Government villages should in fairness be allowed by the inamdars also in their villages. Government, accepting the recommendation of the Commission, ordered that the inamdar should not be allowed to dispose of the *gomal* or other communal lands without the approval of the Deputy Commissioner. The Inamdars' Association again urged that the interference of Government in this matter should be withdrawn. Government in paragraph 12 of their Order of 22nd January 1927 refused to modify their previous order, but added that the inamdar was at liberty to appeal to Government if he felt aggrieved by the order of the Deputy Commissioner on this subject. The Committee consider that the existing orders are quite fair both to the tenants and to the inamdars and do not require alteration. They observe that the introduction of survey and settlement will automatically give relief to the raiyats if land is available for being set apart as *gomal*. Government accept the views of the Committee.

Restoration and maintenance of tanks.

16. While passing orders on the recommendation of the Inam Commission of 1918, Government directed that the responsibility of inamdars and tenants should be enforced on the same principle as in Government villages, that after the raiyats' share of the cost of the restoration is deducted, the balance should be borne by the inamdar and the Government in the proportion of jodi and jari and that the inamdars should be given the power of enforcing the responsibility of the raiyats for the annual maintenance work. But as no legislation was undertaken to give effect to these principles, no effect has been given to the orders of Government. The Committee consider that the orders already passed by Government meet the requirements of both the inamdars and tenants and they accordingly recommend that steps be taken to give immediate effect to the said order, legislation being undertaken at the same time where necessary. Government accept the recommendation of the Committee.

Communications and other amenities.

17. The Committee bring to notice that, in the course of their itineration, representations were made to them both by the inamdars and the raiyats that inam villages were not well served with communications, were not given any share of the grants for public improvements like drinking water wells, etc., and that adequate medical and sanitary facilities were not provided. As a general rule, the condition of inam villages may be said to be not so good as that of Government villages. The Committee therefore consider that, as the different kinds of cesses are being recovered from the inamdars and tenants of inam villages, they are entitled to their proper quota of

assistance from Government and District Boards in connection with the various schemes of rural improvement. They suggest that District Boards should be required to pay greater attention in respect of communications, drinking-water wells and schools in inam villages and that the Revenue Department should also be asked to take more interest in the development of Panchayets in such villages. Government approve of both the suggestions.

Government management of inam villages.

18. As the law now stands, inam villages may be taken over under Government management under two sets of conditions, namely,

(1) Under Sections 165 and 166 of the Land Revenue Code when revenues due to Government have fallen into arrears; and

(2) Under Section 199 (*a*) of the Code when mismanagement of the inam villages during the minority or unsoundness of mind of the inamdar has been proved.

It follows from the above that neither the tenants nor the inamdars can ask for the villages being taken under Government management on grounds other than those covered by the sections of the Code referred to above. The Committee consider that the existing provisions do not cover all cases of hardship, that want of harmony among the inamdars leads to the exploitation of the situation by the tenants and gross mismanagement by the inamdars causes a situation justifying interference by Government in the interests of both inamdars and tenants. After considering all the opinions received both from inamdars and from tenants, the Committee consider that the existing scope for taking over villages under Government management should be enlarged. They accordingly recommend that, where kadim and permanent tenants holding not less than 30 per cent of the occupied lands in an inam village apply to the Deputy Commissioner that the village should be taken over under Government management on account of disputes or misunderstandings between them and the inamdar, the Deputy Commissioner may be required to hold a formal enquiry and if satisfied that it is necessary to take over the village, he should make a recommendation to Government. They suggest further that, where an inamdar or where the village is held in shares or *vritties*, the sharers or *vrittidars* holding not less than 30 per cent of the lands in the village apply to the Deputy Commissioner that the village should be taken under Government management on account of misunderstandings between them and their tenants or on account of disputes among themselves or for other valid reasons, the Deputy Commissioner may similarly hold a formal enquiry and if satisfied that the village should be taken over, he should make a recommendation to Government. But such management should not, in the opinion of the Committee, be for a period less than eight years and 9 per cent of the revenue of the village may be required to be paid by the inamdar to Government towards the cost of administration. The Inamdars' Association and the inamdars who have offered their opinion on these recommendations want that the percentage of those desiring the villages being taken over under Government management should be raised to $66\frac{2}{3}$, 75 or 80. Government accept the recommendations of the Committee with the modification that action should be taken only if not less than 50 per cent of tenants or 50 per cent of *vrittidars* desire Government management of inam villages.

Cancellation of inam tenure and substitution of cash grant.

19. Many of the inamdars who were examined by the Committee are stated to be opposed to the proposal relating to the acquisition of their rights as inamdars by Government on payment of a fixed cash remuneration on the ground that it would affect their prestige and status while some others, chiefly those that were anxious to get rid of the worry and trouble of management, were quite prepared to approve of such a proposal. The Committee consider that it is out of the question to make such acquisition compulsory as some sentiment attaches to the position of an inamdar and that position should carry some prestige in public estimation. They, therefore, recommend that, in cases where the inamdar is agreeable, power may be taken by Government for acquiring such villages and extinguishing their inam tenure and sanctioning an annual cash grant instead, calculated on the net realisations to the inamdar after making due allowance for prospective expansion of cultivation and revision of assessment at subsequent settlements. They also suggest that, in the case of such acquisitions, all *khas* lands standing in the name of the inamdar should continue in his name and that he should have to pay assessment in respect of those lands to Government like any other raiyats holding lands in the village. Government accept the recommendations of the Committee.

20. The changes in the existing law rendered necessary by these orders will be effected as soon as possible.

21. Government wish to place on record their appreciation of the work of the Committee and of the exhaustive report submitted by them. Their thanks are due to the Chairman and members of the Committee as well as to the general body of inamdars and tenants who furnished the Committee with their opinions on the various points dealt with in the Report.

K. V. ANANTARAMAN,
Offg. *Chief Secretary to Government.*

Orders the transfer of certain villages of Kappagere Shanbhogi Firka in Hosdurga Taluk to Mathodu Firka.

READ—

Letter No. C. 2560—34-35, dated the 19th June 1935, from the Revenue Commissioner in Mysore, recommending sanction to the transfer of certain villages of Kappagere Shanbhogi Firka to Mathodu Firka in Hosdurga Taluk.

ORDER NO. R. 294-97—R. M. 1-35-2, DATED BANGALORE,
THE 12TH JULY 1935.

It is reported that the Kappagere Shanbhogi Firka in Hosdurga Taluk, consists of eight villages while the adjoining Mathodu Firka consists of only one. All these villages are situated on the outskirts of the Vani Vilas Sagara and owing to the rise of water in the Reservoir, three villages of the first Firka stand cut off from the remaining five villages and the Shanbhog of the Firka will have to make a detour of 20 miles to reach the said three villages. The Deputy Commissioner therefore considers it desirable for administrative purposes to separate the three villages from the Kappagere Firka and add them on to the adjoining Mathodu Firka. The Shanbhog is said to be agreeable to forego his *Hak* to the villages proposed to be transferred. Both the Director of Land Records and the Revenue Commissioner support the recommendation and Government are pleased to sanction the same.

The two Firkas will accordingly be constituted as follows:—

Kappagere Firka.	*Mathodu Firka.*
(1) Kappagere.	(1) Mathodu.
(2) Sodaranhal.	(2) Arehalli.
(3) Jogannanhalli.	(3) Thippenhalli.
(4) Bommanahalli.	(4) Dalavaihalli.
(5) Lingadahalli.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the results of the Eighth Quinquennial Census of Agricultural Stock held in February 1935.

READ—

Government Order No. R. 3432-91—R. M. 71-33-7, dated 16th January 1935, directing the holding of the Eighth Quinquennial Census of Agricultural Stock in Mysore in February 1935.

2. Letter No. C. 2783—34-35, dated 28th March 1935, from the Revenue Commissioner, forwarding a copy of his review on the results of the census together with a consolidated statement and district returns received from Deputy Commissioners. (Printed as an Annexure.)

3. Correspondence ending with letter No. R. O. C. 1779—H. C. 436—34-35, dated 29th May 1935, from the Director of Agriculture, offering his remarks on the Revenue Commissioner's review referred to above.

ORDER No. R. 67-84—R. M. 71-33-28, DATED BANGALORE,
THE 4TH JULY 1935.

Recorded.

The Eighth Quinquennial Census of Agricultural Stock in the State was taken in February 1935 at a time when there was scarcity of fodder, due to failure of rains which obliged the raiyats to sell away all their surplus stock. This accounts partly for the decrease in the number of bulls and bullocks in the current year as compared with the number in the year 1930. There has been a similar fall in the number of sheep and goats, the percentage of decrease being 8 and 12, respectively. A decline in the number of sheep and goats has been registered at each Census for some years past. The Revenue Commissioner attributes this to a lack of browsing facilities while the Director of Agriculture considers that the wide prevalence of parasitosis among sheep in 1932-33 may have contributed to the decrease. There has been a decrease of 7·1 per cent in the number of horses and 21·5 per cent in the number of mares. This is attributed to the great increase in motor traction and the consequent decline in the number of vehicles drawn by horses.

In contrast with the decline referred to above, it is refreshing to note the increase in cow-buffaloes due probably to the increased consumption of milk and other dairy produce in cities and towns. There has also been an increase in the number of young stock among cattle and buffaloes. So also in the number of iron ploughs to the extent of 46·9 per cent which goes to show that there has been a growing appreciation of the usefulness of improved agricultural implements on the part of the raiyats.

The following table shows the number of live-stock and agricultural machinery and implements according to the present Census as compared with the previous Census of 1930 together with information as to the percentage of increase or decrease noticeable under each item :—

Item	Number during the Census of 1930	Number during the Ccensus of 1935	Percentage of increase or decrease
1. Bulls and buffaloes	1,538,182	1,388,211	— 9·7
2. Cows	1,596,909	1,570,852	— 1·6
3. Cow-buffaloes	482,951	508,162	+ 5·0
4. Young stock (cattle and buffaloes) ...	915,099	1,227,409	+25·4
5. Old pattern ploughs (wooden)	851,308	822,335	— 3·4
6. New pattern ploughs (iron)	15,664	23,016	+46·9
7. Sugarcane crushers.—			
(i) Worked by power	...	180	...
(ii) „ by bullocks	...	6,819	...
8. Oil Engine with pumps for irrigation purposes.	...	158	...
9. Electric pumps for tube wells	...	295	...
10. Tractors	...	62	...

This is the first time that a Census of agricultural machinery and implements under items 7 to 10 *supra* was taken. The erection of sugarcane crushers and irrigation pumps driven by electric power is a recent development stimulated by the policy of Government to encourage rural electrification and supply electric power for such purposes at cheap rates. Government hope that there will be a further development in this direction in the coming years.

K. V. ANANTARAMAN,
Offg. *Chief Secretary to Government.*

ANNEXURE.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE, BANGALORE.

Letter No. C. 2783—34-35, *Enc.* 18, *dated Bangalore,* 26—28*th March* 1935, *from N. Madhava Rao, Esq., B.A., B.L., Revenue Commissioner in Mysore, to H. V. Ramasvami, Esq., M.A., B.L., General Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.*

Re : Cattle Census.

Adverting to Government Order No. R. 3432-91—R. M. 71-33-7, dated 16th January 1935, directing the holding of the Eighth Quinquennial Census of Agricultural Stock in the State during February 1935, I have the honour to forward herewith (in triplicate) a copy of my review on the results of the Census together with the consolidated statement and district returns received from the Deputy Commissioners.

Official Memorandum.

Subject :—

Statements received from the Deputy Commissioners of Districts, and the President, Municipal Commission, Civil and Military Station, Bangalore, showing the results of the Census of Agricultural Stock held on the dates noted below :—

District	Date of Census	Date of receipt of the return
Bangalore	16th February 1935 ...	26th February 1935.
Civil and Military Station.	Do ...	Do
Kolar	15th February 1935 ...	5th March 1935.
Tumkur	12th to 23rd February 1935 ...	14th March 1935.
Mysore	11th to 23rd February 1935 ...	13th March 1935.
Hassan	13th February 1935 ...	22nd March 1935.
Shimoga	13th to 16th February 1935 ...	27th March 1935.
Kadur	12th to 16th February 1935 ...	6th March 1935.
Chitaldrug	15th February 1935 ...	Do

The accompanying statement shows the results of the Census for each District and the Civil and Military Station as well as the total for the State. It has not been possible to make a comparative statement of the results of the present Census with those of the Census of 1930, as the present Census was conducted in a very detailed manner and the statistics collected under various minor headings cannot be compared with the figures of the previous Census.

Bulls and Bullocks.—The total number of bulls and bullocks has decreased from 1,538,182 in 1930 to 1,388,211 in 1935, thus showing a decrease of 9·7 per cent. This is possibly due to the scarcity of fodder that is being experienced this year owing to the failure of rains and the consequent poor harvest which has driven the raiyats to keep their lives-tock at a minimum especially after the completion of the agricultural operations.

Male Buffaloes —While the number under this head rose from 81,744 in 1925 to 87,773 in 1930, the number at the recent Census is only 69,243, showing a marked fall of 21·1 per cent.

Cows and Cow-buffaloes.—The number of cows according to the present Census is 1,570,852 as against 1,596,909 during 1930, showing a slight fall of 1·6 per cent. The number of cow-buffaloes however rose from 482,951 in 1930 to 508,162, *i.e.*, by 5 per cent. The increase is noticeably large in the districts of Bangalore and Mysore being 8 per cent and 12·8 per cent, respectively. This may be due to the increased consumption of milk and other dairy produce in cities and towns in these two districts.

Young Stock (Cattle and Buffaloes) Male and Female.—There has been a marked increase of young stock under both cattle and buffaloes. The number of calves has raised from 915,099 in 1930 to 1,227,409 in 1935, showing an increase of 25·4 per cent. The number of buffalo calves has also increased from 272,774 in 1930 to 365,937 which works out at 25·5 per cent increase.

Sheep and Goats.—There has been a fall under both these heads. The number of sheep has fallen from 2,821,320 in 1930 to 2,595,359 in 1935 and the number of goats has fallen from 1,593,569 in 1930 to 1,402,925 in 1935, the percentage of decrease being 8 and 12 respectively. A decline in the number of sheep and goats has been registered at each Census for some years past, and is perhaps due to the lack of browsing facilities.

Horses, Mares and Young Stock.—The number of horses has decreased from 7,333 in 1930 to 6,809 in 1935 and the number of mares from 7,239 in 1930 to 5,679 in 1935, thus showing a decline of 7·1 per cent and 21·5 per cent, respectively. This is due to the great increase in motor traction and the gradual decline in the number of jutkas and other horse drawn vehicles. The large apparent increase of young stock from 667 in 1930 to 4,671 in 1935 can only be explained as being due to some mistake in the former figure.

Ploughs and Carts.—A comparative statement of the figures under these heads is given below :—

Ploughs and Carts	No. during the Census of 1930	No. during the Census of 1935	Percentage of increase (+) or decrease (—)
Old pattern ploughs (Wooden) ...	851,308	822,335	—3·4
New pattern ploughs (Iron) ...	15,664	23,016	+46·9
Carts	273,213	267,404	—2·1

The increase in the number of iron ploughs and the decrease in the number of wooden ploughs indicates the growing appreciation of improved agricultural implements on the part of raiyats and is doubtless, the result of the propaganda work carried out by the Agricultural Department and the example set by the more advanced cultivators.

The slight decrease in the number of carts is possible due to the motor lorries taking the place of country carts in the transportation of agricultural commodities from the places of production to the markets.

Sugarcane-crushers, Irrigation Pumps, etc.—This is the first time that a Census under these heads is taken. The erection of sugarcane crushers and irrigation pumps driven by electric power is a recent development stimulated by the policy of supplying electric power at cheap rates.

N. MADHAVA RAU,
Revenue Commissioner.

CATTLE CENSUS.

Statement showing the number of live-stock and agricultural machinery and implements in the Mysore State as ascertained by a Census held in February 1935.

DEVELOPMENT SECRETARIAT

Reviews the Statement of Cattle Mortality in the State for the half year ending 31st December 1934.

READ—

Letter No. Per. 22—34-35, dated 24th June 1935, from the Director of Agriculture in Mysore, forwarding the return of cattle mortality in the State for the half year ending 31st December 1934, together with his review* thereon.

*(Printed as annexures).

ORDER No. D. 377-87—STCS. 45-34-2, DATED BANGALORE, THE 18TH JULY 1935.

Recorded.

2. The delay of nearly three months in the submission of the return should have been avoided.

3. The total mortality among the live-stock for the half year under review as compared with that for the corresponding half year of 1933 is as shown in the following table:—

Deaths for half year ending December	From contagious diseases	From non-contagious diseases	Total
1933	8,201	25,260	33,461
1934	7,511	36,887	44,398
Difference ...	—690	+11,627	+10,937

4. It is seen from the above that there has been a big increase of 11,627 in deaths from non-contagious causes while there has been a decrease of 690 in deaths from contagious causes. The reason for the increase under the former head is said to be due to adverse seasonal conditions, while the decrease under the latter head is attributed partly to a successful inoculation campaign against Rinderpest which had the effect of reducing mortality from that disease from 554 to 281.

5. The Director brings to notice that the receipt of cattle mortality returns continues to be unsatisfactory in respect of Bangalore, Bowringpet, Tumkur, Sira, Davangere, Saklespur and Periyapatna. The Revenue Commissioner is requested to direct the Amildars concerned to evince greater interest in the submission of these returns promptly in future.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

REVIEW OF THE CATTLE MORTALITY RETURN FOR THE HALF-YEAR ENDING 31ST DECEMBER 1934.

The total reported mortality among the live-stock in the State during the half year ending under report was 44,398 as compared with 33,461 for the last half of the previous year. The increase is entirely to be accounted for by an increase in the reported deaths from non-contagious causes, the increase under this head being 11,627. The reason for such an increase under this head is evidently due to the adverse seasonal conditions, which recently created great anxiety; it was fortunately obviated by the timely showers, sufficient to afford fair grazing and water to the dumb animals.

It is gratifying to note that in spite of the bad seasonal conditions, the death roll under contagious diseases is only 7,511 as against 8,201 for the last half of the previous year. It is noted with satisfaction that deaths under Rinderpest—a disease which was once considered to be the deadliest, but has now ceased to be of any importance in this State—have been reduced to 281 as against 554, which appear to be the lowest on record for any similar period. It is, no doubt, due to the very efficient and successful inoculation campaign of the Serum Simultaneous and Goat Virus methods and considering the gradual decrease in deaths under this disease, one may expect, ere long, practically a clean sheet under this serious disease, justifying the existence of our Serum Institute. Total inoculations done till now are 1,257,295.

Though, in general, the deaths under contagious diseases are comparatively less, yet there still appears to be a considerable mortality under Anthrax, Black-quarter in all the districts except Kadur and Hassan, Parasitic Diarrhœa in Bangalore and Hassan and Foot and Mouth disease in Shimoga, Kadur and Chitaldrug. It seems desirable to strengthen the Mobile Corps in order to post more men to such places to contend against those diseases.

Under other causes, the mortality among sheep and goats, particularly in Chitaldrug District is rather heavy and appears mostly to be due to an attack by parasitic worms and this is a field in which the active investigation of the Scientific Officer employed for the investigation of the diseases, is tangibly expected. Better progress in this direction may be expected after the return of Dr. Naidu from Europe, in the near future.

Apart from the fact that there were heavy deaths under non-contagious diseases, the progress during the half year under report is satisfactory.

The Superintendent, Civil Veterinary Department, reports that the receipt of percentage of cattle mortality returns continues to be not very satisfactory in the undermentioned taluks where the returns received from the Patels were not even 60 per cent:—

(1) Bangalore.
(2) Bowringpet.
(3) Tumkur.
(4) Sira.
(5) Davangere.
(6) Saklespur.
(7) Periyapatna.

B. NARASIMHA IYENGAR,
Director of Agriculture.

Return of Cattle Mortality in the Mysore State for the half year ending 31st December 1934.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Notifies the names of the members of the Standing Committees of the Representative Assembly and Legislative Council for the year 1935-36.

READ—

Paragraphs 54 and 55 of Government Order No. 1367-1426—C. B. 100-23-1, dated 27th October 1923, sanctioning the formation of three Standing Committees, one in connection with Railways, Electrical and Public Works Departments, another in connection with Local Self-Government and the Departments of Medicine, Sanitation and Public Health, and the third in connection with Finance and Taxation.

2. Notification No. P. 6526—R. A. 41-23-1, dated 28th May 1924, as amended by Notifications No. Rel. 67—R. A. 5-26-1, dated 14th September 1926, No. Rl. 5011—R. A. 30-32-2, dated 6th February 1933 and No. Rel. 5215—R. A. 30-32-4, dated 10th March 1933, respectively, prescribing the rules governing the Standing Committees referred to in the order read above and limiting the term of office of the members of the Committees to one year.

3. Notification No. Rl. 1018—R. A. 60-33-1, dated 26th June 1934, publishing the names of the members elected by the Representative Assembly to the panels of the three Standing Committees referred to above.

4. Notification No. Rl. 1—L. C. 17-33-1, dated 6th July 1934, publishing the names of the members elected by the Legislative Council to the panels of the abovesaid Standing Committees.

ORDER NO. RL. 35-42—R. A. 1-35-1, DATED BANGALORE, THE 24TH JULY 1935.

The Government of His Highness the Maharaja are pleased to direct that, for the year 1935-36, the three Standing Committees referred to in the first of the orders read above shall consist of the following members who have been selected out of the panels referred to in the Notifications read above :—

The Second Member of Council will be the Chairman of the Standing Committee for Local Self-Government and the Departments of Medicine, Sanitation and Public Health as well as of the Standing Committee for Finance and Taxation. The Secretary to Government, General Department and the Financial Secretary to Government are appointed, respectively, Secretaries of the said Standing Committees.

K. V. ANANTARAMAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Issues certain amendments to the rules relating to the Aided Schools Provident Fund applicable to the employees of Municipal High Schools.

READ—

Letter No. A3-2300-139 of 30-31, dated 4th December 1933, from the Director of Public Instruction, recommending sanction to the introduction of the Scheme of Life Insurance instead of the Provident Fund Scheme in respect of all Municipal High Schools in the State.

2. Letter No. E. 30—Edn. 213-33-2, dated 5th July 1934, from the General Secretary to the Comptroller, stating that the employee of a Municipal High School who chooses to subscribe for the Insurance Scheme (Official Branch) must pay the prescribed ten per cent of his pay as Insurance premium in all cases and if in addition to the Insurance premium he finds it inconvenient to pay his contribution to the Provident Fund he may be permitted to reduce his contribution or may be exempted from making any contribution to the Provident Fund and requesting him to suggest suitable modifications to the existing Provident Fund Rules in consultation with the Director of Public Instruction.

3. Correspondence ending with un-official Note No. 426—T. A. D. B. (ii), dated 9th May 1935, from the Comptroller, submitting in consultation with the Director of Public Instruction, a memo of corrections to the existing rules relating to the Aided Schools Provident Fund applicable to the employees of Municipal High Schools.

ORDER NO. E. 107-108—EDN. 298-34-2, DATED BANGALORE, THE 10TH JULY 1935.

The alterations are approved and they are appended to this order. These subsidiary rules relate only to the Municipal High Schools and may be printed as subsidiary rules to the General Aided Schools Provident Fund Rules.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

APPENDIX.

MYSORE GOVERNMENT AIDED SCHOOLS PROVIDENT FUND.

Alterations to be made in the existing rules.

1. Rule 6 (i) on page 35: But in the case of employees of Municipal High Schools who insure their lives in the State Life Insurance (Official Branch) and pay a premium of ten per cent of their pay, the subscription shall be optional.

2. Rule 7 on page 36: But in the case of employees of Municipal High Schools who insure their lives in the State Life Insurance under Rule 6 (i), subscription will vary from nil to 6¼ per cent as their subscription to the Provident Fund is optional.

3. Rule 8, on page 36: In the case of employees of Municipal High Schools who insure their lives under Rule 6 (i), the management and the Government will each contribute on behalf of the subscribers a sum equal to one half of the contribution calculated at and limited to 3⅛ per cent of their substantive pay, irrespective of the fact that they subscribe to the Provident Fund or not.

4. Rule 10 on page 36: Add the following as note to Rule 10:—

NOTE.—"In the case of employees of Municipal High Schools absent on leave without allowances, no contribution by the management as well as by Government shall be allowed during the period of such absence as they are paid no leave allowances, even though the Insurance premium has to be paid by them."

5. Rule 4 on page 41: In the case of employees of Municipal High Schools whose subscription to the Provident Fund is optional on account of having insured their lives in the State Life Insurance (Official Branch), the full amount of subscription, *viz.*, 6¼ per cent of the substantive pay of the subscriber should be shown in the personal ledger in column "subscription due" and such portion of the nominal subscription as is not actually recovered from the pay of the employees but taken only for calculation of contribution by the management under Rule 8 on page 36 should be distinctly shown in the column provided therefor.

DEVELOPMENT SECRETARIAT

Confers certain Additional Powers on the Conservator of Forests, Shimoga Circle.

READ—

Government Order No. G. 8934-35—Ft. 101-27-19, dated the 6th February 1928, conferring certain powers on the Conservator of Forests, Shimoga Circle.

2. Government Order No. G. 10246—Ft. 205-27-3, dated the 8th March 1928, empowering the Chief Conservator of Forests and the Conservator of Forests, Shimoga, to extend the time of coupe contractors by one year beyond the period of lease.

3. Government Order No. G. 10284-5—Ft. 321-30-3, dated the 30th June 1932, conferring on the Conservator of Forests, Shimoga, the power to sanction retail sales of sandalwood at sanctioned rates up to one ton.

4. Correspondence ending with letter No. E. 267-1056—33, dated the 22nd May 1934, from the Chief Conservator of Forests in Mysore, forwarding for sanction a list of additional powers which may be delegated to the Conservator of Forests, Shimoga Circle.

5. Letter No. D. 1-201-1302—33-34, dated the 14th August 1934, from the Chief Conservator of Forests in Mysore, recommending that the Conservator, Shimoga Circle, be also empowered to sanction transfers under the existing rules of all sales effected in his circle.

ORDER NO. G. 58-9—FT. 249-33-4, DATED BANGALORE, THE 15TH JUNE—3RD JULY 1935.

The powers now exercised by the Conservator of Forests, Shimoga Circle, are contained in the Mysore Account Code, Volume III, Part 2. The Chief Conservator of Forests submitted a list prepared in consultation with the Conservator, of additional powers that may be conferred on the Conservator. With a view to relieve the Chief Conservator, of a large extent of routine work and to enable him to give adequate attention to certain special problems and the higher direction of the Department, Government are pleased to confer on the Conservator of Forests, Shimoga, additional powers as detailed in the accompanying statement.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

LIST OF ADDITIONAL POWERS CONFERRED ON THE CONSERVATOR OF FORESTS, SHIMOGA.

Bicycle advances ...	To sanction Bicycle advances with the injunction that the rules be followed strictly and the amount of advances to be sanctioned be limited to the amount of allotment which will be placed at his disposal for the purpose.
Mysore Service Regulations Arrears of leave allowances (Article 411—Note 1).	To sanction disbursement of leave allowances to non-gazetted officers in the Circle whenever leave is sanctioned with retrospective effect or when one kind of leave is commuted retrospectively into any other kind of leave after the lapse of one year from the date of relief.
Grant of leave during extension of service (Article 147—Note.)	To sanction leave up to two months in the aggregate during the extension of service to non-gazetted officers.
Withholding of increments. (Article 79.)	To withhold periodical increments of non-gazetted officers employed in the Circle.
Acceptance of fees by non-gazetted officers.	To sanction in the case of non-gazetted officers acceptance of fees offered by private persons or public bodies or of honoraria for work done for Co-operative Societies under Article 52 of the Mysore Service Regulations.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Directs the continuance of the levy of Railway Cess in the State.

READ—

Para 57 of the Report of the Agriculturists' Relief Committee recommending that as a measure of relief during the period of distress, the levy of railway cess might be waived in the districts in which its collection is not required either for payment of interest charges or for maintenance of open lines.

2. The undermentioned letters from the Presidents of the District Boards of Kadur, Chitaldrug, Tumkur and Kolar, forwarding their opinions on the proposal:—

(i) No. L. B. 1-553—34-35, dated 4th March 1935, from the President, District Board, Kolar.
(ii) No I. C. 367—34-35, dated 12th March 1935, from the President, District Board, Chitaldrug.
(iii) No. C. 99—32-33, dated 15th March 1935, from the President, District Board, Tumkur.
(iv) 1-c. 122—32-33, dated 3rd April 1935, from the President, District Board, Kolar.

ORDER NO. L. 769-85—L. B. 61-34-13, DATED BANGALORE, THE 26—27TH JULY 1935.

The railway cess is levied at the rate of three pies or in some cases six pies in the rupee on land revenue, etc., in six districts, *i.e.*, in all districts other than Bangalore and Hassan. In the districts of Shimoga and Mysore, the levy cannot be suspended as the realisations are required for payment towards railway expenditure. As regards the other four districts, the President of District Board, Tumkur, is not in favour of suspension of the levy and the District Board, Kolar, is for its suspension only for one year, while the Presidents of Chitaldrug and Kadur District Boards are in favour of suspension.

Government observe that the interest on the accumulated railway cess fund can, under the existing law, be utilised for road works and communications including bridges. It is under contemplation to amend the District Boards Regulation so as to permit the utilisation of accumulated cess collections also for improvement of roads. The cess is thus a useful source of revenue to the District Boards and it is not desirable for the Boards to deprive themselves of it. In this view, Government direct that the levy of railway cess be continued for the present.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Directs that the Channapatna Town Municipality be superseded for a period of two years.

READ—

Correspondence ending with letter No. C. 2. P. R. 339—34-35, dated the 29th May 1935, from the Deputy Commissioner, Bangalore District, on the subject of the supersession of the Channapatna Municipality.

ORDER NO. L. 729-32—ML. 65-33-16, DATED BANGALORE, THE 26TH JULY 1935.

The affairs of the Channapatna Municipality have been unsatisfactory for over two years, large arrears have been allowed to accumulate and the Municipal Council has been unwilling to take steps to increase its resources. In November 1933, the Deputy Commissioner, Bangalore District, was requested to issue a notice to the Municipal Council to show cause why it should not be superseded as it had proved itself incompetent. A notice was accordingly issued to the Municipal Council on 30th November 1933, but as the Municipal Council thereafter showed some anxiety to remove the defects, the Deputy Commissioner recommended that it might be allowed time till the end of April 1934 for improving its affairs. Time was given accordingly and it was further extended till 1st September 1934, in view of the reconstitution of the Municipal Council in the meanwhile.

2. The affairs of the Municipality, have however, continued to be unsatisfactory and there is no tangible improvement in spite of the warnings administered to the Municipal Council. The collection is very slack and the arrears of Mohatarfa and other taxes are estimated to stand at Rs. 22,474 on 1st July 1935 against a current

demand of about Rs. 9,120. The income under octroi and tolls is dwindling from year to year. The Municipal Council has persistently defaulted in the payment of electric deficit charges and failed to execute the required agreement in regard to its liability. It has failed also to co-operate with the Executive in bringing about revision of assessment in the Municipality, about 15 meetings in this connection having had to be adjourned for want of a quorum. Moreover, the existence of party feelings in the Council has stood in the way of efficient administration of the Municipality and no improvement is possible in its affairs unless some steps are taken to bring about a change in the existing administrative arrangements.

3. Under the circumstances, Government have with regret come to the conclusion that the Municipal Council is not competent to perform the duties imposed on it. Accordingly by virtue of powers vested in them under Section 202 of the Town Municipalities Regulation, 1933, Government hereby declare the Municipal Council of Channapatna Town Municipality to be incompetent and direct that it shall be superseded for a period of two years from the date of publication of this order in the Gazette. The powers and duties of the Municipal Council will, during the period of supersession, be exercised and performed by an officer of the status of an Amildar to be appointed for the purpose, the post of Chief Officer being abolished. The Amildar, Channapatna Taluk, will administer the Municipality until the new Officer appointed takes charge.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

RAILWAY SECRETARIAT

Nominates certain members to serve on the Advisory Committee of Mysore Railways, for a period of two years from 1st July 1935.

READ—

Government Order No. R. S. 16-48—Ry. F. 224-G. 33-34, dated 4th July 1933, approving of the reconstitution of the Railway Advisory Committee for Mysore Railways, for a period of two years from 1st July 1933.

2. Letter No. 19, dated 5th July 1935, from the Agent, Mysore Railways, stating that the term of office of the members of the Committee nominated in the above order expired on 30th June 1935, and that the present Committee is somewhat unwieldy and requesting, therefore, orders of Government regarding the constitution of the Committee.

ORDER No. R. S. 158-93—RY. F. 224-G. 35-36, DATED BANGALORE, THE 23RD JULY 1935.

The term of the office of the present members of the Railway Advisory Committee reconstituted in the order dated 4th July 1933, read in the preamble, having expired, the Government of His Highness the Maharaja are pleased to nominate the following members to serve on the said Committee for a period of two years from 1st July 1935:—

1. One Representative of the Mysore Chamber of Commerce.
2. Do Merchants' Association, Mysore.
3. The President, District Board, Bangalore.
4. Do do Mysore.
5. Do do Kolar.
6. Do do Hassan.
7. Do do Shimoga.
8. Do do Chitaldrug.

2. The Agent, Mysore Railways, shall be *Ex-Officio* Chairman of the Committee, the Assistant Traffic Manager being the Secretary to the Committee.

CHIEF SECRETARIAT

Sanctions an additional grant of Rs. 50,000 for relief works in the affected taluks.

READ—

Letter No. C. 1204—34-35, dated 10th August 1935, from the Revenue Commissioner in Mysore, stating that the conditions are more or less anxious in parts of Kolar, Bangalore, Tumkur and Mysore Districts and that it is found necessary to continue the programme of relief works in the affected parts to provide employment to the agricultural classes until the conditions show definite improvement and requesting sanction to a sum of Rs. 25,000 under each of the heads—Grants-in-aid to Village Panchayets and Loans to Village Panchayets—the distribution under the former head being made subject to the conditions laid down in G. O. No. R. 4246-56—L. R. 231-34-9, dated 28th February 1935.

ORDER No. R. 1136-37—R. M. 14-35-2, DATED BANGALORE,
THE 19TH AUGUST 1935.

Sanction is accorded to the grant of Rs. 50,000 for the purposes indicated. A demand for this sum will be placed before the Legislative Council in due course.

The execution of the works taken up with these grants should be subject to supervision by the Village Panchayet Overseers or other suitable agency.

K. V. ANANTARAMAN,
Chief Secretary to Government.

Sanctions an additional grant of Rs. 50,000 for relief works in certain taluks of the Kolar District.

READ—

Letter No. C. 1026—34-35, dated 15th August 1935, from the Revenue Commissioner in Mysore, stating that the distress conditions are becoming more and more acute in certain taluks of the Kolar District and requesting sanction to an additional allotment of Rs. 50,000 under "22 (e) Tank Maintenance Charges" for being placed at the disposal of the Deputy Commissioner, Kolar District, for starting relief works in the affected taluks of the district.

ORDER NO. R. 1138-39—R. M. 14-35-5, DATED BANGALORE,
THE 19TH AUGUST 1935.

Sanctioned.

A demand for an additional grant will be placed before the Legislative Council in due course if the amount cannot be met by reappropriation of sanctioned grants.

K. V. ANANTARAMAN,
Chief Secretary to Government.

Reviews the Report on the working of the Hospitals and Dispensaries in the State for the calendar year 1934.

READ—

Correspondence ending with letter No. Pl. 35-6-42, dated 3rd July 1935, from the Senior Surgeon in Mysore, forwarding the report on the working of the Hospitals and Dispensaries in the State for the calendar year 1934.

ORDER NO. G. 1285-7—MED. 338-34-3, DATED BANGALORE,
THE 7—16TH AUGUST 1935.

Recorded.

The number of medical institutions during the year was 280, as in the previous year, no new dispensaries having been opened during the year.

The total number of in-patients and out-patients treated in all these institutions was 44,01,375 against 42,28,168 in the previous year. The number of in-patients treated was 45,695 against 41,530 in the previous year.

The work in all the major hospitals in Bangalore and Mysore Cities continued to be satisfactory. The number of out-patients treated in the Victoria Hospital increased from 82,192 in the previous year to 97,253 in the year under review, while the corresponding numbers in the Krishnarajendra Hospital, Mysore, were 85,195 and 76,529, respectively.

The number of in-patients treated in the two hospitals during the year was 5,745 and 6,340 against 5,703 and 5,837 respectively, in the previous year.

During the year under review, there was also a large increase in the volume of work done in the Electric Therapy and Pathological Departments in these two hospitals.

Minto Ophthalmic Hospital, Bangalore.—The number of in-patients treated during the year under report was 2,774 as against 2,596 in the previous year and the number of out-patients treated 32,975 against 30,708 in the year previous.

Twenty qualified medical men, most of whom were from British India, inclusive of two from Hyderabad State, underwent post-graduate training during the year.

This hospital is now a recognized institution for hospital attendance for candidates intending to go for the D. O. M. S. Examinations.

The Vani Vilas Hospitals in the Bangalore and Mysore Cities and the Maternity Hospital in the Kolar Gold Fields continued to work satisfactorily, there being an increase in the number of both in and out-patients treated in these hospitals.

Mental Hospital, Bangalore.—The total number of patients treated in the Mental Hospital during the year, was 422 as against 361 in the year previous. Of these, 112 were paying patients. The total expenditure of this institution during the year was Rs. 55,025 as against Rs. 50,634 in the year previous. The net realisations of the manufacturing and the gardening departments of the hospital amounted to Rs. 194 as against Rs. 202 in the previous year. It is reported that the out-patients' branch of this hospital is increasing in popularity.

Finance.—The total expenditure of the Medical Department during the year was Rs. 15,09,558 as against Rs. 14,31,752 in the previous year showing an increase in expenditure of Rs. 77,806 which is due mainly to a larger expenditure under "Salaries and Medicines" on account of the increased staff and the increased number of patients treated in the medical institutions.

The contributions from District and Municipal Funds amounted to Rs. 2,68,808 and miscellaneous receipts chiefly made up of fees collected from paying patients amounted to Rs. 62,181.

Midwives.—There were 282 midwives working during the year as against 280 in the previous year and the number of cases attended to by them was 22,823 as against 22,351 in the previous year, giving an average of 80 per midwife per annum against 79 in the previous year. During the year under review, 36 pupil midwives completed their Midwifery training and 38 pupils were undergoing such training in the Vani Vilas Hospitals at Bangalore and Mysore and the Maternity Hospital, Kolar Gold Fields.

Boards of Visitors.—The Boards of Visitors for the hospitals at Bangalore and Mysore generally paid regular visits and made valuable suggestions. The members of similar Boards in respect of the District Hospitals and Local Fund Dispensaries, also evinced much interest in the working of the said institutions.

General.—It is gratifying to note that generous donations from philanthropic gentlemen are freely coming in from all parts of the State for providing better accommodation and comfort to the patients going for treatment to the several hospitals. The work in the Krishnarajendra Hospital, Mysore, continues to be efficient under the able guidance of Dr. Robinson.

Inspections.—The Senior Surgeon visited all the major medical institutions and District Hospitals besides 65 other dispensaries.

The working of the Medical Department under the guidance of *Sastra Vaidya Pravina* Dr. S. Subba Rao, continued to be satisfactory.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Reviews the Report on the working of Jails and Lock-ups for the calendar year 1934.

READ—

Letter No. 2104-34, dated 4th July 1935, from the Inspector-General of Prisons, submitting the report on the working of Jails and Lock-ups in the State during the calendar year 1934.

ORDER NO. G. 1298-1310—PRIS. 2-53-3, DATED BANGALORE,
THE 16TH AUGUST 1935.

Recorded.

The report was due by the 15th of April, but was received on 8th July 1935. The delay is reported to be due to the non-receipt of the necessary statistics from the Deputy Commissioner, Mysore District, and from the Superintendent of the Bangalore Central Jail. The officers are requested to avoid such delays in future.

2. The total number of prisoners of all classes confined in the Jails and Lock-ups, including 979 prisoners remaining at the end of the previous year, was 9,040. Of these, 7,666 were discharged, leaving a balance of 1,374 at the close of the year. The daily average number of prisoners rose from 873 to 1,081.

3. There was a slight decrease in the number of juvenile offenders under the age of 15, and a slight increase in the number of first offenders. The question of having a Borstal Institute in the State though ordered to lie over in the year under report, is now under the consideration of Government..

4. It is satisfactory to note that there was a marked decrease in the number of prison offences though the percentage of corporal punishment awarded for such offences shows a slight increase from 4 to 5.

5. The health, discipline and conduct of the prisoners in the Jails and Lock-ups continued to be satisfactory throughout the year.

6. On the recommendation of the Standing Advisory Board of the Bangalore Central Jail, 27 long term convicts were released on probation during the year under report.

7. The gross expenditure of the Department was Rs. 1,24,910 as against Rs. 1,18,157 showing an increase of Rs. 6,753.

8. The cash earnings from the employment of convicts on remunerative labour fell from Rs. 32,581 during 1933 to Rs. 28,819, giving an average cash earning of Rs. 45-4-10 per head of prisoners sentenced to labour as against Rs. 61-0-6 during 1933. The total cost of prisoners in the two Jails was Rs. 95,231 as against Rs. 91,411 in the previous year. The average net cost after deducting cash earnings works out to Rs. 78-8-0 per head as against Rs. 85-0-3 per head in the year 1933.

9. A sum of Rs. 47,390 was realised during the year from the industries in the Central Jail, Bangalore, against Rs. 44,461 in the preceding year.

10. Government are pleased to note that the administration of the Department during the year was satisfactory.

Secretary to Government,
General Department.

Sanctions arrangement for the sale of Entertainment Tax Stamps through Licensed Stamp Vendors.

READ—

Government Order No. Fl. 3674-84—St. 26-32-19, dated the 6th January 1934, ordering certain arrangements for the sale of Entertainment Tax Stamps to the public.

2. Letter No. C. 126—34-35, dated the 27th May 1935, from the Commissioner of Stamps in Mysore, recommending that, in the circumstances explained, the Entertainment Tax Stamps may be authorized to be sold by Licensed Stamp Vendors throughout the State, the commission allowed being the same as that for Court Fee Stamps.

ORDER NO. FL. 1631-42—ST. 27-34-2, DATED BANGALORE, THE 16TH AUGUST 1935.

In supersession of the Government Order read above, Government are pleased to approve of the recommendation of the Commissioner of Stamps.

Vol. 70] PUBLISHED BY AUTHORITY [No. 35

BANGALORE, THURSDAY, AUGUST 29, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Appointment of a Committee for the Examination and Revision of the Representative Assembly and Legislative Council Regulations and some of the Rules and Standing Orders passed thereunder.

ORDER NO. RL. 77-88—L. C. 2-35-1, DATED BANGALORE,
THE 26TH AUGUST 1935.

From the experience, during the past twelve years, of the working of the Regulations relating to the Representative Assembly and the Legislative Council, and the Rules framed thereunder, Government have found that certain changes are called for in the interest of efficient, expeditious and smooth despatch of business. The existence of certain defects in the present Rules and Standing Orders of Business of the Legislative Council was also brought to light when the procedure in respect of bills to be introduced by non-official members came up for discussion during the December Session (1934) of the Council. An assurance was given by Government that a small committee of officials and non-officials would be appointed to examine the Rules and suggest any modifications that might be considered necessary or desirable.

2. Government are accordingly pleased to appoint a Committee consisting of the marginally noted officers and non-officials for the purpose of examining and suggesting modifications, if any, in respect of the following matters:—

Chairman.

Rajamantrapravina S. P. Rajagopalachari, B.A., B.L., Second Member of Council.

Officers.

Mr. K. V. Anantaraman, B.A., Chief Secretary to Government.
" T. G. Rama Iyer, B.A., Deputy Commissioner, Kolar District.
" N. S. Subba Rao, M.A., Bar.-at-law, Director of Public Instruction in Mysore.
" M. G. Mehkri, B.A., LL.B., Registrar of Co-operative Societies.

Non-Officials.

Mr. D. H. Chandrasekharaiya, B.A., LL.B., Member, Legislative Council, Davangere.
Khan Bahadur Mahomed Abbas Khan, Member, Representative Assembly and Legislative Council, Bangalore.
Mr. H. C. Dasappa, B.A., LL.B., Member, Legislative Council, Mysore.
" D. V. Gundappa, Member, Legislative Council, Bangalore.
" Sylvester Pais, B.A., Member, Representative Assembly, Kuduregundi Estate, Mudgere P. O.

Secretary.

Mr. C. Subrahmanya Aiyar, B.A., B.L., Under Secretary to Government and Secretary, Representative Assembly and Legislative Council.

I. CONSTITUTION.

(*a*) Amendment of Section 3 (3) of the Representative Assembly Regulation fixing the limit of representation of Urban areas at 50 ;

(*b*) the desirability of continuing the present arrangement of treating the Representative Assembly as a constituency for returning members to the Legislative Council; and

(*c*) the restriction of membership of an individual to one House only, as in British India.

II. QUESTIONS.

The desirability of laying down the following further conditions in respect of the admission of questions :—

(*a*) Each question shall relate to a single matter ;
(*b*) it shall not bring in any matter not strictly necessary to make the question intelligible ;
(*c*) it shall not relate to subjects relating to or within the competence of a local authority or a private company ;
(*d*) whether a limit may be fixed to the number of questions that may be sent by a member of the Legislative Council.

III. RESOLUTIONS.

(*a*) Notice of amendments to resolutions ;
(*b*) limiting the number of resolutions that may be brought up by a member of the Legislative Council.

IV. MAINTENANCE OF ORDER.

Provision to direct withdrawal of a member who is grossly disorderly.

NOTE.—Items II (b) and (c), and IV relate to both the Representative Assembly and the Legislative Council Rules and Standing Orders.
Items II (a) and (d) and III (a) and (b) relate only to the Legislative Council.

V. LEGISLATION.

Provision to be made for the introduction of a bill in the Legislative Council without previous consultation of the Representative Assembly, such consultation being made before the third reading.

VI. PRIVATE BILLS.

Details of procedure regarding the introduction of bills by non-official members with particular reference to (i) the stage at which a copy of the bill should be furnished to the members of the Legislative Council, and (ii) whether the consideration of the general principles of a bill in the Representative Assembly should always precede a motion for leave to introduce in the Legislative Council, though such consideration in the Representative Assembly has to precede the first reading of the bill in the Legislative Council.

VII. ALLOTMENT OF DAYS FOR NON-OFFICIAL BUSINESS.

Provision of definite Rules and Standing Orders regarding the allotment of days for non-official business in the Representative Assembly and the Legislative Council.

VIII. VACATION OF SEAT.

Provision in the Rules and Standing Orders regarding the vacation of seats by members of the Representative Assembly and the Legislative Council owing to long absence from the State.

3. The Committee is requested to examine the matters referred to above and submit a report to Government as early as possible.

K. V. ANANTARAMAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Sanctions the reconstitution of the Committee for the management of the Home for the Relief of the Infirm and Destitute at Chikmagalur.

READ—

Government Order No. 964-6—Muz. 123-29-2, dated 15th November 1929, sanctioning the appointment of a Committee of twelve members consisting of officials and non-officials for the management of the Home for the Relief of the Infirm and Destitute at Chikmagalur for a period of five years.

2. Government Order No. 1429-32—Muz. 123-29-4, dated the 29th December 1930, appointing the District Economic Superintendent, the President of the District Board, Kadur District, and the Vice-President, Chikmagalur Municipal Council, as additional members of the abovesaid Committee.

3. Correspondence ending with letter No. 508—34-35, dated 18th July 1935, from the Muzrai Commissioner in Mysore, stating that the period of five years for which the Committee referred to in the Government Orders read above, was constituted, has expired and recommending sanction for the reconstitution of the Committee for a period of five years from 1st July 1935, and for the appointment of the following gentlemen as members of the said Committee:—

1. Mr. S. N. Ramanna, B.A., LL.B., President, Municipal Council (*Convener*).
2. The President, Kadur District Board.
3. The Vice-President, Kadur District Board.
4. The Vice-President, Municipal Council, Chikmagalur.
5. The District Medical Officer, Kadur District, Chikmagalur.
6. The Treasury Assistant Commissioner, Chikmagalur.
7. Mr. S. Venkataramaiya, B.A., LL.B.
8. „ M. Krishna Setty.
9. „ M. Abdul Aziz.
10. „ L. M. G. Vas.
11. „ K. R. Bhagath.
12. *Dharmapravartha* Mr. M. L. Nagappa Setty.
13. Mr. M. Siddalingappa Setty.
14. „ Syed Gouse Mohadeen Sha Khadri.
15. „ D. C. Rudrappa, Coffee Planter, Chikmagalur.

ORDER No. 260-2—MUZ. 37-35-2, DATED BANGALORE,
THE 21ST—22ND AUGUST 1935.

Sanctioned.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Approves of the Forest Settlement of the Handigondi Forest Extension or Muduvadi Block in the Kankanhalli Taluk.

READ—

Government Notification No. G. 2004—Fl. 54-34-2, dated 30th August 1934, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Handigondi Forest Extension or Muduvadi Block in the Kankanhalli Taluk.

2. Letter No. G. 3127—34-35, dated 1st June 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G. 1293-6—FT. 320-34-2, DATED BANGALORE, THE 10—16TH AUGUST 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 15th September 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. 1297—Ft. 320-34-2, dated Bangalore, 10—16th August 1935.

The Government of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 15th September 1935 the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

District	Taluk	Hobli	Village	Survey No. and Class	Area	Name of Block	Situation
Bangalore	Kankanhalli.	Harohalli	Mudavadi	Gomal 169 part.	A. G. 230 0	Mudavadi Block or Handigondi Extension Forest.	This block is situated at a distance of about 7½ miles north-west of Kankanhalli Town on the left bank of the Arkavati River and about the southern boundary of Handigondi State Forest.

BOUNDARIES.

North.—Starting from the tri-junction bandh of Shinga Sandra, Handigondi State Forest and Mudavadi Village, the line runs south-east and slightly north-east along the southern boundary of Handigondi State Forest to the north-west corner of Survey No. 40 of Mudavadi Village.

East.—Then south-east along the western boundary of Survey No. 40 of Mudavadi to the tri-junction bandh of Survey No. 40, 37 and 199 of Mudavadi Village.

South.—Then south-east in a straight line through Survey No. 169 of Mudavadi Village for about 65 chains to a point about six chains east from the north-east corner of Survey No. 156 of Mudavadi Village.

West.—Then north-west in a straight line through Survey No. 169 of Mudavadi Village for about 58 chains to the starting point.

Remarks.—(1) The Villagers of Dodmudavadi only are allowed to graze freely their 322 cattle and 63 sheep only within the abovesaid State Forest during grazing season, *i.e.*, from July to end of December of each year.

(2) The Villagers of Dodmudavadi are permitted to remove freely on head loads, dry fuel and lantana shrubs for their domestic and fencing purposes, from the abovesaid State Forest, as per rules thereon.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed Mudavadi Block or Handigondi Forest Extension, Bangalore District.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Krishnaiya and others of Dodmudavadi. Mr. Nanjundiah and others of Aratabele and Mr. Kale Gowda and others of Konamanhalli village.	10th December 1934	Praying for the complete exclusion of gomal Survey No. 169 of Mudavadi included in the proposed forest on the ground that the cattle of Aratabele, Konamanhalli, Mudavadi and Bandiganhalli villages have no other gomal lands excepting the above said survey number and if 230 acres are taken up for the forest, the gomal will be greatly reduced and that the said gomal area has been left out for them unincluded in the Handigondi State Forest for their use as per endorsement issued to them during 1883. Further they pray that in case the gomal Survey No. 169 to an extent of 230 acres as proposed is included in the forest, the cattle of Mudavadi village may be allowed to graze in the said area also free of cost as usual. They also pray for a right of way to go to Mutharayaswami Temple in Survey No. 169 of Mudavadi for worship.	Written statement before the Settlement Officer on 10th December 1934, together with a copy of endorsement dated 24th August 1883, issued to them by the Sub-Assistant Conservator of Forests Bangalore District.	As only 230 acres, out of Survey No. 169 of Mudavadi village have been taken up for the forest out of 481 acres, the remaining gomal left for the village is quite sufficient for the grazing of the cattle of Mudavadi villagers. The proposed forest area contains fairly good growth of fuel trees, small bamboos and small sandal. As the Mudavadi village has got enough gomal area. I am not for granting further grazing concessions in the block. As Mutharayaswami Temple in Survey No. 169 of Mudavadi village is outside the forest boundary of the above said forest, the right of way prayed for by the villagers is unnecessary. As prayed for by the villagers of Mudavadi in person they may be permitted to remove dry fuel and lantana shrubs on head loads free of cost from the above said State Forest for their domestic and fencing purposes.	As sufficient gomal has already been left out for the grazing of the cattle of all the villages referred to in the villagers' statement, no more area may be possibly excluded from the forest. So the extent of 230 acres out of Survey No. 169 of Mudavadi village may be reserved for the forest. The villagers of Aratabele Bandiganhalli, Konamanhalli including Mudavadi village may graze their cattle in the portion of Survey No. 169 of Mudavadi village as usual. As the cattle of Dodmudavadi village will be much inconvenienced for want of sufficient gomal on account of grazing of other village cattle in the portion left for their village, only the Dodmudavadi village may be allowed the concession of free grazing of only 322 cattle and 63 sheep during grazing season, *i.e.*, from July to end of December of each year in the gomal Survey No. 169 taken up for the above said State Forest. The District Forest Officer is not in favour of granting facilities for grazing. But in view of the fact that from time immemorial, the villagers are enjoying the right and in view of the endorsement given to them in 1883, the villagers of Dodmudavadi may be allowed the concession of grazing their cattle in the State Forest. Their grievances are genuine. Excepting the above, no more area can be excluded from the proposed forest either for Dodmudavadi or other villages. The right of way to Mutharayaswami Temple is unnecessary as it is outside the forest boundary. The villagers of Dodmudavadi only are allowed to remove dry fuel and lantana shrubs on head loads from the State Forest free of cost for their domestic and fencing purposes.	

H. V. RANGASWAMI IYENGAR,
District Forest Officer,
Bangalore District.

T. RANGASWAMI,
Forest Settlement Officer,
Closepet Sub-Division.

STATEMENT C.

Statement of lands taken up for the Mudavadi Block or Handigondi Forest Extension, proposed State Forest, Bangalore District.

Approves of the Forest Settlement of the Hultar Forest extension block in the Closepet Taluk.

READ—

Government Notification No. G. 7562—Ft. 230-32-2, dated 20th April 1933, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Hultar Forest extension block in the Closepet Taluk.

2. Letter No. C. 1669—34-35, dated 22nd May 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 1468-71—FT. 298-34-2, DATED BANGALORE, THE 16TH—22ND AUGUST 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 15th September 1935 will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 1467—*Ft.* 298-34-3, *dated* 16*th*—22*nd August* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation XI of 1900, that with effect from the 15th September 1935, the area, the boundaries of which are set forth in the schedule annexed shall be deemed to be a 'State Forest' subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

North.—Starting from the trijunction bandh of Kenchanakuppe, Hultar State Forest and Muddapurakarenahalli, the line runs east along the southern boundary of Muddapurakarenahalli to a point about 6 chains west from the south-west corner of Survey No. 55 of Muddapurakarenahalli.

East.—Then south-east through Survey No. 127 of Kenchanakuppe in a straight line for about 58 chains to a point on the common boundary of Kenchanakuppe and Kalgopanhalli on the western boundary of Sattekatte. Then south-west through Survey No. 2 of Kalgopanhalli in a straight line for about 41 chains to a point on the eastern boundary of Hultar State Forest about 7 chains west from the north-west corner of the new cultivation.

South and West.—Eastern boundary of Hultar State Forest.

Remarks.—Right of ways for the paths noted in items No. 1 and 2 are admitted.

I. (1) Cart-track from Ganakallu to Hultar State Forest 12 feet wide 22 chains long open for men, cattle and carts throughout the year. It enters the forest in its eastern boundary at a point about 10 chains south-west from the south-west corner of Survey No. 48 of Ganakallu, runs south-west through Survey No. 16 of Ganakallu and quits the forest in its southern boundary at point about 30 chains south from the south-west corner of Survey No. 37 of Ganakallu.

(2) Foot-path from Kenchanakuppe to Hultar State Forest. Two yards wide and 20 chains long open for men only throughout the year. It enters the forest in its eastern boundary at a point about 10 chains north-west from the western corner of Survey No. 128 of Kenchanakuppe runs north-east through Survey No. 127 of Kenchanakuppe in a straight line and quits the forest in its westren boundary at a point about 2 chains south from the south-west gadi bandh of Muddapurakarenahalli.

II. Right to Kadiredevaragudi situated on the top of the Hill in Survey No. 127 of Kenchanakuppe, with 5 yards of land round it, is reserved for the use of the villagers for worship throughout the year. Access is allowed through a foot-path 2 yards wide 40 chains long now in existence from the Kenchanakuppe village to the temple.

III. Patta right over Survey No. 1 (Thoti Inamathi) lying in the midst of Survey No. 2 of Kalgopanhalli village is admitted. This has been treated as enclosure to the forest and will be demarcated out free from reservation. Access is allowed to take cattle and carts for agricultural purposes through an existing cart-track leading from the Mysore-Bangalore High Road, 3 yards wide 2 chains long from the point where it enters the block on its eastern boundary.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed Hultar Forest Extension.

Serial Number	Nature of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Mallayya, Patel and others of Kenchankuppe and Kalagopanhalli villages.	5th February 1934.	Praying for the release of gomal Survey No. 127 of Kenchanakuppe from the proposed forest for sufficient pasturage for their cattle.	Written Statement produced before the Forest Settlement Officer on 5th February 1934.	Sufficient gomal as required for the village cattle may be excluded reserving the area containing Jalari trees. The temple of Muthurayaswami and other kattes and cultivation lands may be excluded from the proposed forest.	Only 120 acres may be reserved for the forest in Survey No. 127 of Kenchanakuppe as the remaining area is required for the grazing of 319 big and 294 small cattle of the said village. This arrangement will exclude all the temples and kattes and lands newly granted for cultivation from reservation and will be free for the use of the villagers. As the area now reserved *viz.*, 120 acres in Survey No. 127, contains valuable growth of Jalari trees, this has been taken up for the forest. Right to Kadiredevaragudi situated on the top of the hill in Survey No. 127 of Kenchanakuppe as noted in the map and boundary notification with 5 yards of land round it, is reserved for the use of the villagers for worship throughout the year. Access is allowed through a foot-path 2 yards wide and 40 chains long now in existence, from Kenchanakuppe to the temple. Right of way through a foot-path from Kenchanakuppe to the Hultar State Forest, 2 yards wide and 20 chains long is allowed for men only for use throughout the year as it is now in existence and use.	
2	Mr. Chikgangasetti and others of Bidadi village.		Praying for the release of gomal Survey No. 2 of Kalgopanhalli from the proposed State Forest.	Produced a copy of Survey Settlement record No. Survey 137 (ಫೈಸಲ್ ಪತ್ರಿಕೆ) on 22nd March 1934.	Only Jalari area may be reserved excluding all the hiduvali lands and kattes in Survey No. 2 of Kalgopanhalli and also to make provision for the grazing of the cattle of Bidadi village.	Only 70 acres containing Jalari trees in Survey No. 2 may be reserved as the remaining area is required for the pasturage of Bidadi cattle as per *phisal patrike*. This reservation excludes all the kattes and hiduvali lands from the proposed forest. Patta right over Survey No. 1 (Thoti Inamati) lying in the midst of Survey No. 2 of Kalgopanhalli village is admitted. This has been treated as enclosure to the forest and will be demarcated out free from reservation. Access is allowed to take cattle and carts for agricultural purpose through an existing cart-track 3 yards wide and 2 chains long leading from the Bangalore-Mysore High Road as noted in the map.	
3	Mr. Munithimmegowda, Patel and others of Hagalahalli.	6th February 1934.	Praying for the release of kharab Survey No. 91 of Hagalahalli from the proposed State Forest, for want of sufficient gomal for their cattle.	Written Statement presented on 6th February 1934.	As most of the areas in Survey No. 91 have been granted for cultivation and no area is available for reservation into a compact block, the whole Survey No. 91 may be excluded from the proposed State Forest.	I agree with the Range Officer. The whole survey number may be excluded from the proposed forest as it is found inconvenient and unsafe to reserve the small bits of areas amidst hiduvali lands.	
4	Mr. Yalakkigowda and others of Muddapurkarenhalli.		Praying for the release of gomal Survey No. 75 from the proposed State Forest for the pasturage of their cattle.	Do	As the gomal left for these villages are insufficient for the pasturage of their cattle and as the hiduvali lands are very near to the forest line, these survey numbers may be excluded from the Forest.	I agree with the Range Officer. These villages have hardly any gomal left for their cattle. Even the area left is very small, bare rocky. The hiduvali lands are already very near to the existing Hultar forest boundary. If any more area is taken up for the forest out of these survey numbers, the boundary of the forest will practically touches the hiduvali lands. This is not advisable. Hence these survey numbers have been ordered to be excluded from the forest.	
5	Mr. Muddegowda, Patel and others of Kakaramanhalli.		Praying for the release of gomal Survey No. 6 from the proposed State Forest for grazing of their cattle.	Do			
6	Mr. Savandigowda, Patel and others of Borehalli.		Praying for the release of gomal Survey No. 17 from the proposed State Forest for the pasturage of their cattle.	Do			

STATEMENT B.—*concld.*

Serial Number	Nature of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
7	Mr. Sivandigowda, Patel and others of Ganakallu Village.	6th February 1934.	Praying for the exclusion of gomal Survey No. 16 of Ganakallu from the proposed State Forest for grazing of their village cattle.	Written Statement presented on 6th February 1934.	Sufficient gomal as required for the village cattle may be excluded from the proposed forest.	Only 110 acres may be reserved for the forest, out of Survey No. 16 as the remaining area is required for the sufficient grazing of 188 big and 137 small cattle of the said village. Right of way through a cart-track from Ganakallu to to Hultar State Forest as noted in the map 12 feet wide and 22 chains long is allowed for men, cattle and carts throughout the year as it is in existence and use.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Places Mr. C. S. Srinivasachar, B.A., Registrar, General and Revenue Secretariat, on Special Duty in connection with the arrangements for the reception and entertainment of Indian Guests during the ensuing Dasara Festivities.

ORDER No. O. 690-8, DATED BANGALORE,
THE 31ST AUGUST 1935.

Mr. C. S. Srinivasachar, B.A., Registrar, General and Revenue Secretariat, is placed on Special Duty in connection with the arrangements for the reception and entertainment of Indian Guests during the ensuing Dasara Festivities.

2. Gentlemen invited to Mysore as guests are requested to place themselves in communication with that officer for any information or assistance that may be required in connection with the accommodation, conveyance, etc., at Mysore.

3. The Deputy Commissioner, Mysore District, the President, Mysore City Municipal Council and the Assistant Engineer, Headquarters Range, Mysore, are requested to render all reasonable help to the officer on Special Duty.

K. V. ANANTARAMAN,
Chief Secretary to Government.

DEVELOPMENT SECRETARIAT

Directs the supersession of Mugur Minor Municipal Council, T.-Narsipur Taluk.

READ—

Letter No. D3-4848—34-35, dated the 31st July—1st August 1935, from the Deputy Commissioner, Mysore District, recommending the supersession of the Mugur Minor Municipal Council, T.-Narsipur Taluk, in the circumstances reported.

ORDER No. L. 1541-44—ML. 103-35-2, DATED BANGALORE, THE 26TH AUGUST 1935.

During his inspection of the Mugur Minor Municipality on the 5th June 1934, the Deputy Commissioner, Mysore District, observed that the administration of the Municipality was not satisfactory and that, if tangible improvement was not shown before the end of December 1934, action should be taken to supersede the Municipality. The Assistant Comptroller who audited the accounts of the Municipality for the year 1933-34, stated in his report, dated 18th December 1934, that the accounts revealed that the Municipal Council had not been discharging its duties satisfactorily, that the outstanding arrears of taxes were very heavy, the financial condition was hopelessly bad, and that the question of the continuance of the Municipality might be seriously considered.

2. With a view to ascertaining if the affairs of the Municipality had improved since, the Personal Assistant to the Deputy Commissioner, Mysore District, inspected the Municipal Office in detail on 29th June 1935, under instructions from the Deputy Commissioner. He found that the financial condition of the Municipality was anything but satisfactory and that for want of funds, lighting had been stopped, no payment could be made for obligatory items of expenditure and the pay of the establishment had not been disbursed for months together. It was also found that the arrears amounting to Rs. 9,234-10-6 had not been collected for many years.

3. On receipt of the above report, the Deputy Commissioner visited Mugur on 16th July 1935, met the Municipal Councillors, examined all the Municipal Registers and checked some of the accounts and made enquiries regarding the causes for the accumulation of arrears. He observed that a large number of distraint orders issued so far back as 1930 were still unattended to, that the staff had not been paid for six months and no systematic action had been taken to collect the arrears, of which more than Rs. 1,000 had become irrecoverable. He also found that no public works had been undertaken for the past two years and that lighting had been altogether stopped. Representations were made to the Deputy Commissioner by the sweepers of the Municipality that they had not received their pay from February 1935, and some of the residents of the place complained that the Municipality had not created any facilities to them and that it might as well be converted into a Village Panchayet. The Deputy Commissioner considers that these are serious charges based on valid grounds and that the Municipal affairs which are in a chaotic condition are not likely to improve, as the Councillors who are themselves defaulters, have neither realised their responsibilities nor co-operated with the executive in the collection of taxes and the improvement of the finances of the Municipality.

4. Under the circumstances, Government have come to the conclusion that the Municipal Council is not competent to perform the duties imposed on it. Accordingly, by virtue of the powers vested in them under Section 42 (1) of the Minor Municipalities Regulation, 1933, they hereby declare the Mugur Minor Municipal Council to be incompetent and direct that it shall be superseded for a period of two years from the date of the publication of this order in the Gazette. The powers and duties of the Municipal Council will, during the period of supersession, be exercised and performed by the Amildar, T.-Narsipur Taluk.

5. Sanction is accorded to the appointment of a Revenue Inspector on Rs. 40 *plus* 10 per mensem during the above period to help the Amildar in administering the Municipality and to attend to the collection work. The expenditure on account of his salary will be met from the funds of the Municipality.

6. The Deputy Commissioner is requested to forward a report to Government a month before the expiry of the period referred to above, as to how the arrangement has worked, along with his recommendations for the future.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Appoints Mr. C. S. Srinivasachar, B.A., as Special Duty Officer in connection with the meetings of the Dasara Session of the Representative Assembly in October 1935.

ORDER No. RL. 113-18—R. A. 12-35-1, DATED BANGALORE, THE 9TH SEPTEMBER 1935.

Mr. C. S. Srinivasachar, B.A., Registrar, General and Revenue Secretariat, placed on Special Duty in Government Order No. O. 690-8, dated 31st August 1935, is also placed in charge of the arrangements in connection with the Dasara Session of the Representative Assembly commencing in October 1935. Members of the Representative Assembly are requested to place themselves in communication with Mr. Srinivasachar, for any information or assistance that they may require at Mysore during the Session of the Assembly.

The Deputy Commissioner, Mysore District, the President, City Municipal Council, Mysore, and the Assistant Engineer, Headquarters Range, Mysore, are requested to render all reasonable help to the Officer on Special Duty.

K. V. ANANTARAMAN,
Chief Secretary to Government.

Passes orders on the several suggestions made at a meeting of the visitors to the Nandi Hill Station for making the Nandi Hill Station more attractive.

READ—

Letter dated 7th June 1935, from Mr. N. Subba Rao Pantalugaru, Chairman of the meeting of visitors of the Nandi Hill Station held on 2nd June 1935, containing certain suggestions for making the Hill Station more attractive.

2. Letter No. 89, dated 13th August 1935, from the Superintendent, Government Gardens in Mysore, submitting his proposals on the suggestions in the letter read above.

ORDER No. E. 731-5—G. G. 67-34-4, DATED BANGALORE, THE 5TH SEPTEMBER 1935.

Government have considered the several suggestions made at the meeting of the visitors and are pleased to pass orders thereon as follows :—

(1) Government have sanctioned the electrification of the Nandi Hill Station in their Order No. Eds. 251-55, dated 9th August 1935, and all the bungalows will be provided with electric lights.

(2) In the circumstances represented, the bungalow rents will be reduced as approved in Government Order No. I. C. 6883-93—A. & E. 253-25-3, dated 6th April 1926, with the further concession that for occupation of full calendar months a rebate of 10 per cent over daily rates as modified above, will be allowed in respect of all the bungalows except all blocks in Sankey's, Nos. 1 and 5 in Cubbon's, Block 3 in Glentilt and No. 3 in Brown's which will be reserved for the occupation of casual

(3) The reduced rates for meals and tiffin agreed to by the Vegetarian Hotel-keeper as per Tariff *appended hereto are approved, the existing privileges allowed to the Hotel-keeper being continued.

(4) The Superintendent's suggestion to ask the establishment of the Hill Station to purchase cows on the advance system is approved. Government also direct that a refrigerator of suitable capacity be purchased for storage of milk, fruit and other articles to meet emergencies. The Superintendent will submit necessary proposals in the matter early.

(5) The Reading Room and Library on the Hill will be free to all visitors as suggested.

(6) The construction of a motorable road up the Hill has since been sanctioned.

(7) In modification of the existing rates of medical fees, a fee of 4 annas will be charged in the case of all patients seeking treatment in the Hill Dispensary, the visiting charges being reduced from Rs. 2 to Re. 1 per visit.

(8) Government do not consider it necessary to give any special remuneration to the Ayurvedic Physician on the Nandi Hills.

				Rs.	a.	p.
*1.	Visitors' meals	...	Each meal ...	0	8	0
2.	Servants' meals	...	Do ...	0	5	0
3.	Tiffin	...	Each plate ...	0	1	6
4.	Coffee or Tea	...	... ...	0	1	6

Visitors who stay there a month or more will be charged at a concession rate of Rs. 30 per month for meals and tiffins (inclusive).

K. V. ANANTARAMAN,
Chief Secretary to Government.

Issues instructions in connection with the consultation of the Deputy Commissioner by the Municipal Commissioner of Bangalore, in cases of acquisition of lands in the City Municipal limits.

READ—

Government Order No. L. 525-8—Ml. 27-26-2, dated 22nd July 1926, directing that the Municipal Commissioner of the Bangalore City Municipal Council be put in charge of all land acquisition cases arising within the City Municipal limits, together with those left undisposed of by the Personal Assistant to the Deputy Commissioner of Bangalore District who was till then the Land Acquisition Officer.

2. Para 14 of Annexure I to Government Order No. Camp R. 173-233—L. R. 21-26, dated 23rd June 1927, issuing instructions for the guidance of officers authorised to acquire land under the Land Acquisition Regulation.

3. D. O. Letter No. C5. 2984—34-35, dated 20th March 1935, from the Deputy Commissioner, Bangalore District, bringing to notice that the instructions conveyed in para 14 of the above order are not being observed by the Municipal Commissioner of the Bangalore City Municipality.

4. Letter No. L1. 195, dated 30th April 1935, from the Municipal Commissioner, seeking a ruling on the point raised by the Deputy Commissioner of Bangalore District.

ORDER No. R. 1459-518—L. R. 93-35-2, DATED BANGALORE,
THE 6TH SEPTEMBER 1935.

According to para 14 of Annexure I to the Government Order of 23rd June 1927, read above, the Acquisition Officer should, if he is himself not the Deputy Commissioner, consult the latter in any doubtful or difficult cases before making the award and in particular, he should refer to him any case in which he proposes to award more than 10 per cent in excess of the original estimate or more than Rs. 1,000. The Deputy Commissioner of Bangalore District brings to notice that these instructions are not being observed by the Municipal Commissioner of Bangalore City and the latter explains that the instructions could not have been intended to apply to the Municipal Commissioner as he is himself an officer of the rank of a Deputy Commissioner.

2. Government consider it desirable that the Land Acquisition work in the City should be under the control of the Deputy Commissioner who is the representative of the Government in the City as well as in the rest of the District. But so long as the Municipal Commissioner who is of the rank of a Deputy Commissioner is entrusted with acquisition work, consultation with the Deputy Commissioner will be confined to cases of acquisition where the award is likely to exceed Rs. 10,000. In cases of difference of opinion between the Municipal Commissioner and the Deputy Commissioner, the matter will be sent up to Government for orders. In all cases below this sum, the Municipal Commissioner may send up proposals direct to Government as he is doing now. The following sub-para will be added to paragraph 14 of Annexure I to the Government Order of 23rd June 1927, read above :—

> "The Municipal Commissioner of the Bangalore City Municipal Council will, so long as he continues as Land Acquisition Officer, consult the Deputy Commissioner of Bangalore District in all cases of acquisition where the award is likely to exceed Rs. 10,000. In cases of difference of opinion, the case should be submitted for the orders of Government. In all cases below this sum, the Municipal Commissioner may send up proposals direct to Government as heretofore."

K. V. ANANTARAMAN

DEVELOPMENT SECRETARIAT

Approves of the Forest Settlement of the Savandurga and Panakankallu Blocks in the Magadi Taluk.

READ—

Government Notification No. G. 8273—Ft. 239-32-2, dated 26th May 1933, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Savandurga and Panakankallu Blocks in the Magadi Taluk.

2. Letter No. C. 1639—34-35, dated 22nd May 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the blocks and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 1757-60—FT. 299-34-2, DATED BANGALORE, THE 26—30TH AUGUST 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation constituting each of the blocks a State Forest with effect from 1st October 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the blocks in the villages concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 1761—*Ft.* 299-34-3, *dated* 26—30*th August* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st October 1935, the area the boundaries of which are set forth in the schedule annexed to this Notification shall be deemed to be a State Forest, subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

SAVANDURGA BLOCK.

SCHEDULE.

					A. G.		
Bangalore...	Magadi ...	Kasaba ...	Maralagondlu.	Gomal 53 part.	124 0	Savandurga Forest Extension "A" Block.	This block is situated at a distance of about six miles east of Magadi Town and abuts the western boundary of Savandurga State Forest.
				Total ...	124 0		

BOUNDARIES.

North.—Starting from a point about 10 chains south-east from the tri-junction bandh of Survey Nos. 50, 51 and 52 of Maralagondlu village, the line runs east through Survey No. 53 of Maralagondlu for about 10 chains to a point about 10 chains south-west from the south-east corner of Survey No. 52 of the same village on the western boundary of Savandurga State Forest.

East.—Then south-west along the western boundary of Savandurga State Forest to the north-east gadi bandh of Kayamgutta Polohalli.

South.—Then north-west along the northern boundary of Kayamgutta Polohalli for about 25 chains.

West.—Then north-east through Survey No. 53 of Maralagondlu for about 70 chains in a straight line to the starting point.

Remarks.—Right of way over the foot-path from the Maralagondlu village to the Savandurga State Forest is admitted.

Foot-path from Maralagondlu to Savandurga State Forest.—Two yards wide and 15 chains long, open for men and cattle throughout the year. It enters the forest in its western boundary at a point about 33 chains east from the junction bandh of Survey Nos. 59 and 54 of the Maralagondlu village runs east through Survey No. 53 of the same village in a straight line for about 15 chains and quits the forest in its eastern boundary at a point about 43 chains north-east from the north-east gadi bandh of Kayamgutta Polohalli village.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed Savandurga State Forest Extension, A Block.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officers' arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Narasimhayya, Patel and other villagers of Maralagondlu.	11th July 1934.	Praying for the exclusion of some area from the proposed Forest in Survey No. 53 gomal as sufficient area is required for grazing of 400 cattle and for cultivation. The area to be excluded is towards the Kayamgutta Polohalli village northern limits.	Written statement of the villagers presented on 11th July 1934, before the Forest Settlement Officer.	Some more area not containing any Forest growth may be released out of proposed Forest quite parallel to the existing Forest demarcation line of Savandurga State Forest, as this area contains good growth of fuel species and sandal and small bamboos.	Only 100 acres of land out of Survey No. 53 Maralagondlu village, quite parallel to the demarcation line of Savandurga State Forest may be excluded from the proposed Forest, so that this area may be free for grazing of the village cattle and to lead the cattle to the katte lying in the Kayamgutta Polohalli, the northern boundary of the proposed Forest may be shifted to a distance of 10 chains from the hiduvali lands so that the village cattle may go to Thore (Halla) freely for water, as shown in the map.	
2	Mr. Hanumayya, Patel and other villagers of Bachenhatti.		Praying (1) for the release of another 30 acres from the proposed Forest for sufficient grazing of the village cattle, (2) to reserve the cart track leading to Thore (Katte) from Bhoganpalya.		The prayer of the villagers may be admitted being found reasonable.	These three villages are within a distance of one mile from the proposed Forest and from Thore running along the eastern demarcation line of the Savandurga State Forest. There is only about 15 to 20 chains distance between the Forest line and the hiduvali lands and in some places the line passes along the hiduvali lands also. The Thore is the main source for water to the village cattle and there are number of cart tracks leading to the Thore from each village through the Forest area. The gomal left for these villages specially for Bachenhatti and Adakimaranhalli will be greatly reduced if any more area is taken as proposed already. There are number of darkhasts for lands for cultivation in Survey No. 36 of Adakimaranhalli from the landless people (Adikarnatakas). There are no valuable Forest growth existing on this area, only lantana and a few hunse and other trees not worth the name are found.	
3	Mr. Hanumayya, Patel and other villagers of Adakimaranhalli.		Praying for the release of all the areas proposed for the Forest out of Survey No. 36, reserving about 70 acres lying adjoining to Bachenhatti village for the Forest as the areas are required for the grazing of village cattle and for the grant of lands to Adikarnatakas.		The prayer of the villagers may be admitted being found reasonable.		
4	Mr. Patel Nagappa and other villagers of Kallur village.		Praying for the release of the whole area proposed to be taken in Survey No. 53 of Kallur village for the Forest on sufficient grazing for the village cattle is required and as the proposed Forest line prevents the cattle from going to Halla for water.		Some more area may be excluded from the Forest so as to allow free way to the village cattle to go to Thore for water.	As it will cause great inconvenience to the villagers and as well as their cattle both for water and grazing, if the block (proposed) is constituted as State Forest since it blocks completely the Thore which is the main source for water, and allowing too many right of ways in the forest being harmful I have in the best interest of the villagers and Forest Department, ordered the whole of B block to be excluded from the proposal.	

H. V. RANGASWAMI IYENGAR,
District Forest Officer,
Bangalore District.

T. RANGASWAMI,
Forest Settlement Officer,
Closepet Sub-Division.

STATEMENT C.

ANNEXURE.

Notification No. G. 1761—*Ft.* 299-34-3, *dated* 26—30*th August* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900) that, from 1st October 1935, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

PANAKANKALLU BLOCK.

SCHEDULE.

District	Taluk	Hobli	Villages	Survey No. and Class	Area		Name of Block	Situation
					A.	G.		
Bangalore...	Magadi ...	Kasaba ...	Panakankallu.	Kharab 33 part.	109	20	Panakankallu Forest or Bantarkuppe Extension Forest.	This block is situated at a distance of about five miles east of Magadi Town and abuts the western boundary of Bantarkuppe State Forest 'B' Block.
				Gomal 31 part.	84	0		
				Gomal 34 part.	56	10		
			Vengalappanahalli.	Kharab 18 part.	225	0		
				Total ...	474	30		
					or ·74 square miles.			

BOUNDARIES.

North.—Starting from a point about 25 chains south-east to the north-east corner of Survey No. 40 of Panakankallu village, the line runs north-east through Survey No. 33 of Panakankallu for about 35 chains to the north-west gadi bandh of Jodi Inam Gollarapalya.

East.—Then south-west along the western boundary of Jodi Inam Gollarapalya to its south-west gadi bandh; then south-west and south-east along the western boundary of Bantarkuppe State Forest 'B' block for about 52½ chains to a point about 5 chains north-west from the north-west corner of the new cultivation land; then south through Survey No. 18 of Vengalappanahalli in a straight line for about 32½ chains to a point about 6 chains south-west from the south-west corner of the new cultivation land.

South.—Then south-west through Survey No. 18 of Vengalappanahalli for about 33 chains to a point about 10 chains north-east from the north-east corner of Survey No. 19 of Vengalappanahalli; then north-west through Survey No. 18 of Vengalappanahalli in a straight line for about 36 chains to a point about 11 chains north-east from the north-east corner of Survey No. 16 of Vengalappanahalli.

West.—Then north through Survey No. 34 of Panakankallu in a straight line for about 50 chains to a point about 15 chains north-east from the easternmost bandh of Survey No. 29 of Panakankallu on the common boundary of Survey Nos. 31 and 34 of the same village; then north-west through Survey No. 31 for about 37 chains to a point about 5 chains north-east from the junction gadi bandh of Survey Nos. 30 and 29 of Panakankallu; then north-east through Survey No. 31 in a straight line for about 26½ chains and meets the Thore; then south-east crossing the Thore, meets the other halla; then runs north and north-west along the halla to the starting point.

Remarks.—Right of way over the cart track leading from Thirumale village to the new cultivation lands about 20 acres in Survey No. 18 of Vengalappanahalli village as shown in the map is admitted.

Cart track from Thirumale to the new cultivation lands in Survey No. 18 of Vengalappanahalli, 6 yards wide and 32½ chains long—open for the hiduvalidars, their men, cattle and carts for agricultural purposes only throughout the year. It enters the forest in its southern boundary at a point about 12 chains north-east from the north-east corner of Survey No. 19 of Vengalappanahalli runs north-east through Survey No. 18 and quits the forest in its eastern boundary at a point 5 chains south-west from the south-west corner of the new cultivation lands.

STATEMENT B.

Register of claims to lands, rights to forest produce or easement in the proposed Panakankallu State Forest.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Rangiah and other villagers of Thagachakuppe village.	11th July 1934.	Praying for the exclusion of the area of 27 acres 16 guntas of land taken up in Survey No. 15 gomal of Thagachakuppe from the proposed forest, as the gomal left is quite insufficient for the grazing of 216 cattle owing to the grant of certain extent of lands for cultivation.	Written statement produced on 11th July 1934, before the Sub-Division Officer.	The area taken up for the forest may be excluded as the grievances are found reasonable and true.	I agree with the Range Forest Officer. The area of 27 acres 16 guntas of land taken up in Survey No. 15 of Thagachakuppe may be excluded from the proposed forest.	
2	Mr. T. R. Krishnamurty, Patel and others of Thirumali village.		Praying for the release of the area of 56 acres and 10 guntas taken up for the forest in Survey No. 34 gomal of Panakankallu from the forest for the grazing of the cattle of Thirumali and Jodi Byadarhalli villages.		Panakankallu and Vengalappanhalli villages are bechirack villages and there are no other dakle villages also belonging to them. Magadi, Hospyate and Thirumali villages are separate independent villages having gomals of their own in their village limits. Jodi Byadarhalli is a private land having no control over other gomal lands. Besides Survey No. 33 part and 18 part of Panakankallu and Vengalappanhalli, respectively are kharab lands. Hence the villages referred to above have no right over these areas for grazing or any other purposes. As only small extent have been taken up in Survey No. 31 and 34 of Panakankallu village for the proposed forest, the same cannot be excluded. Besides the villagers have not produced any proper evidence by means of written record to show that the kharab lands of Panakankallu and Vengalappanhalli can be used as gomal lands for their cattle. So no lands can be excluded from the kharab survey numbers taken up for the forest only, the areas granted for cultivation in Survey Nos. 33 of Panakankallu and 18 of Vengalappanhalli may be excluded from the forest. The area taken up in Survey No. 53 of Bachenhatti village may be excluded from the proposed State Forest, as it is already included in Bantarkuppe State Forest "B" Block as shown in the map.	I agree with the Range Officer. The two villages, *viz.*, Panakankallu and Vengalappanhalli are bechirack villages. There are no even dakle villages to them. Magadi, Hospyate and Thirumali villages are independent villages having separate gomals for their village cattle in their village limits. Besides the greater areas taken up for the forest are kharab land. The villagers have not produced any evidence by means of any written record to show that the gomal and kharab lands of Panakankallu and Vengalappanhalli can be used by them for the grazing of their cattle. Hence the claims of the villagers are untenable. Jodi Byadarhalli is a private land hence no right over Government land. Only 42 acres of land in Survey No. 33 of Panakankallu and 33 acres including cultivation margin in Survey No. 18 of Vengalappanhalli have been ordered to be released from the forest as they have been granted for cultivation already in 1930. Another 52 acres in Survey No. 18 of Vengalappanhalli adjoining to gomal Survey No. 16 have been ordered to be excluded from the forest to give facilities for the grazing of the cattle of the villages that may come and also to leave sufficient margin between hiduvali lands and the forest line. Right of way to the hiduvali lands about 20 acres in Survey No. 18 of Vengalappanhalli lying beyond the eastern boundary of the forest is admitted. Access is given through a cart-track 6 yards wide and 32½ chains long for hiduvalidars and their men, cattle and carts for agricultural purposes only throughout the year as noted in the map. I agree with the Range Forest Officer. This area may be excluded from the proposed forest being a State Forest already.	
3	Mr. T. R. Krishnamurthy, Patel and others of Vengalappanhalli.		Praying for the complete exclusion of Survey No. 18 of Vengalappanhalli from the proposed State Forest for the grazing of the cattle of Thirumali, Hospyate and Magadi villages.				

H. V. RANGASWAMI IYENGAR,
District Forest Officer,
Bangalore District.

T. RANGASWAMI,
Forest Settlement Officer,
Closepet Sub-Division.

T. RANGASWAMI,
Forest Settlement Officer,
Closepet Sub-Division.

Approves of the Forest Settlement of the Kumbalgode Extension Block in the Closepet Taluk.

READ—

Government Notification. No. G. 7556—Ft. 231-32-2, dated 20th April 1933, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Kumbalgode Forest Extension Block in the Closepet Taluk.

2. Letter No. C. 1670—34-35, dated 1st June 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G. 1762-5—FT. 321-34-2, DATED BANGALORE, THE 26—30TH AUGUST 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st October 1935 will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 1766—Ft. 321-34-3, dated 26—30th August 1935.

The Government of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st October 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette*.

BOUNDARIES.

Block I.

North.—Eastern boundary of Kumbalgode Forest.
East.—Survey No. 4 of Hejjala.
South and West.—Eastern boundary of Kumbalgode Forest.

Block II.

North.—Southern demarcation line of Kumbalgode State Forest and Survey No. 19 of Manchanaikanahalli.
East.—Bangalore-Mysore road.
South.—Northern limit of Jodi Inam Lakshmisagara and Survey No. 33 of Vajarahalli.
West.—Southern demarcation line of Kumbalgode Forest.

Block III.

North.—Survey Nos. 27 and 29 of Vajarahalli and southern demarcation of Kumbalgode Forest.
East.—Survey No. 33 of Vajarahalli and western boundary of Jodi Inam Lakshmisagara Village.
South.—Northern boundary of Kethiganahalli.
West.—Survey Nos. 35, 25, 24, 23 and 11 of Vajarahalli.

Block IV.

North.—Survey Nos. 96, 162 and part of Survey No. 101 of Bannikuppe.
East.—Western demarcation line of Kumbalgode Forest.
South.—Part of Survey Nos. 101 and 107 of Bannikuppe.
West.—Part of Survey Nos. 111, 117, 113 and 94 of Bannikuppe.

Block V.

North.—Southern limit of Kollur Village.
East.—Western demarcation line of Kumbalgode Forest.
South.—Survey Nos. 40 and 42 of Kurubarakarenahalli.
West.—Survey Nos. 31, 32 and 33 of Kurubarakarenahalli and eastern limit of Dodderi Village.

Remarks.—Right of way over the undermentioned paths are admitted.

I. (1) Cart track from Vajarahalli to Kethiganhalli, 12 feet wide and 65 chains long, open for men, cattle and carts throughout the year. It enters the State Forest Block III in its northern boundary at a point about 2 chains west from the south-west corner of Survey No. 29 of Vajarahalli, runs south-east, north-east and south-west through Survey Nos. 26, 31 and 34 of Vajarahalli and quits 3 chains east from the south-east corner of Survey No. 35 of Vajarahalli.

(2) Cart track from Bannikuppe to Manchanaikanahalli through the Kumbalgode Forest, 12 feet wide and 42 chains long, open for men, cattle and carts throughout the year. It enters the State Forest Block IV in its western boundary at a point about 5 chains south from the south-west corner of Survey No. 96 of Bannikuppe, runs south-east through Survey Nos. 95, 112, 111 and 101 of Bannikuppe and quits the forest in its southern boundary at the north-east corner of Survey No. 107 of Bannikuppe.

(3) Cart track from Kurubarakarenahalli to Kumbalgode State Forest throughout the year. It enters the State Forest Block V in its western boundary at a point about 4 chains north from the south-east corner of Survey No. 31 of Kurubarakarenahalli, runs south-east through Survey No. 36 and quits the forest in its southern boundary at the north-east corner of Survey No. 42 of Kurubarakarenahalli.

(4) Cart track from Kurubarakarenahalli to Kollur, 12 feet wide and 33 chains long, open for men, cattle and carts throughout the year. It enters the State Forest Block V in the western boundary at a point about 4 chains north from the northern bandh of Survey No. 31 of Kurubarakarenahalli, runs north-east through Survey Nos. 36, 34 and 35 of Kurubarakarenahalli and quits the forest in its northern boundary at a point about 22 chains south-east from the tri-junction bandh of Kurubarakarenahalli, Dodderi and Kollur Villages.

(5) Cart track from the Magadi to Bangalore, 12 feet wide and 22 chains long, open for men, cattle and carts throughout the year. It enters the Forest Block V in its western boundary at a point about 5 chains north from north-east corner of Survey No. 33 of Kurubarakarenahalli, runs east through Survey Nos. 34 and 35 in a straight line and quits the forest in its northern boundary at a point about 25 chains south-east from the tri-junction bandh of Kurubarakarenahalli, Dodderi and Kollur.

(6) Foot-path from Vajarahalli to Bangalore-Mysore road through Jodi Inam Lakshmisagara Village lands, 6 feet wide and 30 chains long, open for men only throughout the year. It enters the State Forest Block III in its western boundary at a point about 1½ chains south from the south-east corner of Survey No. 25 of Vajarahalli, runs south-east through Survey No. 34 of Vajarahalli in a straight line and quits the forest in its eastern boundary at a point about 15 chains north-east from the tri-junction bandh of Vajarahalli, Jodi Lakshmisagara and Kethiganhalli Villages.

N.B.—A margin of 5 chains should be left along the edge of cultivation at the time of clearing the final demarcation line.

(7) Right of way over the Railway line running from Bangalore to Mysore in Block II Forest between Survey Nos. 17 and 18 of Manchanaikanahalli through a road 2 chains wide and 20 chains long is admitted.

II. Right of water in the undermentioned kattes is admitted.—(1) Gokatte in Survey No. 36 of Kurubarakarenahalli. Access is allowed for men and cattle for water through a foot-path 6 feet wide running through Survey No. 36 of Kurubarakarenahalli from a point 4 chains north from the south-east corner of Survey No. 31 of Kurubarakarenahalli.

(2) Gokatte in Survey No. 18 of Manchanaikanahalli. Access is allowed for men and cattle for water by an existing foot-path of 6 feet wide running through Survey No. 17 from a point about 5 chains south from the south-east corner of Survey No. 19 of Manchanaikanahalli.

III. (*a*) Right to the shrine of Muthurayaswami in Survey No. 36 of Kurubarakarenahalli with 5 yards of land round the temple is reserved for worship. Access is allowed by a foot-path 6 feet wide. This enters the forest at a point about 4 chains north from the south-east corner of Survey No. 31 of Kurubarakarenahalli runs through Survey No. 36 for about 10 chains as far as the Temple.

(*b*) Survey No. 33 of Vajarahalli. Access is allowed to take cattle and carts for agricultural purpose by a cart track 12 feet wide and 14 chains long. This cart tract enters the Forest Block III in its northern boundary at a point about 4 chains west from the south-east corner of Survey No. 29 of Vajarahalli, runs south-east through Survey No. 31 as far as the said land.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed Kumbalgode Forest Extension.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Revayya and others of Bannikuppe village.	20th March 1934.	Praying for the exclusion of gomal, kharab and assessed waste Survey Nos. 95, 96, 99, 101, 111, 112, 145, 152 and 100 from the proposed State Forest for want of sufficient gomal to their village cattle.	Written statement presented by them on 20th March 1934.	Sufficient gomal as required for the village cattle may be excluded from the forest.	I agree with the Range Officer, only gomal Survey No. 101 part and 95 and kharab Survey Nos. 112 and 111 part may be taken up for the forest, as the other gomal and kharab survey numbers are required for the pasturage of 640 big and 650 small cattle of the village. Right of way by cart track from Bannikuppe to Manchanaikanahalli through the Kumbalgode forest, 12 feet wide and 42 chains long is allowed for men, cattle and carts throughout the year, as the said cart track is in existence already and in use:—	
2	Mr. Nagappa, Patel and others of Kurubarkarenhalli village.	20th March 1934.	Praying (1) for the release of gomal, kharab and assessed waste Survey Nos. 36, 37, 38, 39, 40, 41 and 42 of Kurubarkarenhalli from the proposed State Forest for want of sufficient gomal. (2) To reserve the Mutharayaswami Temple and gokatte in Survey No. 36 for the use of the villagers.	Do ...	Required extent of gomal, may be released from the forest for the pasturage of the village cattle. Right of way through the existing cart tracks may be allowed. Gokatte and Mutharayaswami Temple in Survey No. 36 may be reserved for the use of the villagers.	I agree with the Range Officer, Survey No. 38 is already a plantation hence this may be reserved for the forest only, Survey No. 37 (gomal), kharab 34 and assessed waste 35 and 36 may be reserved for the forest as the other gomal survey numbers are required for the sufficient pasturage of 235 big and 355 small cattle of the village. The right of way over the following paths are admitted as they are in existence and use:— (1) Cart track from Kurubarakarenhalli to Kumbalgode forest 12 feet wide and 8 chains long open for men, cattle and carts throughout the year. (2) Cart track from Kurubarkarenhalli to Kallur, 12 feet wide and 33 chains long open for men, cattle and carts throughout the year. (3) Cart track from Magadi to Bangalore, 12 feet wide and 22 chains long open for men, cattle and carts throughout the year. Right of water in the gokatte in Survey No. 36 of Kurubarkarenhalli is admitted. Access is allowed for men and cattle for water through a foot-path 6 feet wide as noted in the map and notifications. Right to the shrine of Mutharayaswami in Survey No. 36 of Kurubarkarenhalli with 5 yards of land round the temple is reserved for the villagers for worship. Access is allowed by a foot-path 6 feet wide as noted in the map and notifications.	
3	Mr. Dodlingegowda, Patel and others of Hejala village.	20th March 1934.	Praying for the release of gomal and kharab Survey Nos. 5, 6, 7, 8 and 4 of Hejala village from the forest, as no other gomal sufficient for the pasturage of the village cattle is available.	Written statement of the village produced on 20th March 1934.	The Survey Nos. 5, 6, 7, 8 and 4 of Hejala village may be excluded from the proposed forest as the gomal left for the village cattle is quite insufficient.	I agree with the Range Officer, all the survey numbers taken up for the forest may be released, as sufficient gomal is required for the pasturage of 625 big and 650 small cattle of the villages and as no other gomal is available for them.	
4	Mr. Hombegowda, Patel and others of Vajarahalli Village.	20th March 1934.	Praying for the release of gomal Survey Nos. 27, 28 and 26 of Vajarahalli and Survey No. 34 kharab, as well from the proposed forest. (1) As sufficient gomal is not available for pasturage of their cattle, (2) as a tope has been raised by the villagers in Survey No. 27 for annual Goddess' worship and as Survey No. 34 is hulbanni kharab.	Do	Sufficient gomal including Survey No. 27 may be excluded from the forest for the pasturage of the village cattle. Right of ways through the existing cart tracks and for foot-paths may be allowed. Access to Survey No. 33, a hiduvali land may be allowed through a cart track 12 feet wide now in existence.	I agree with the Range Officer, only gomal Survey No. 26 and kharab, Survey Nos. 30, 31 and 34 assessed waste No. 32 may be taken up for the forest, reserving the other gomal Survey Nos: *viz.*, 27 and 28 for the village for pasturage of 271 big and 279 small cattle and as the gomal Survey No. 27 contains a tope and which is required for the annual worship of gramadevate. Right of way over the undermentioned paths are admitted as they are in existence and in use. (1) Cart track from Vajarahalli to Kethiganahalli 12 feet wide and 65 chains long open for men, cattle and carts throughout the year.	

STATEMENT B.—*concld.*

Register of claims to lands, rights to forest produce, or easements in the proposed, Kumbalgode Forest Extension.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any of court of final appeal and settlement
1	2	3	4	5	6	7	8
						(2) Foot-path from Vajarahalli to Bangalore-Mysore Road 6 feet wide and 30 chains long open for men only throughout the year. Access is allowed to Survey No. 33 of Vajarahalli a hiduvali land, to take cattle and carts for agricultural purpose by a cart-track 12 feet wide and 14 chains long as noted in the map and notifications as the said hiduvali land is beyond the forest boundary of III Block Forest.	
5	Mr. Marisamachari and others of Manchanaikanahalli village.	20th March 1934.	Praying for the release of kharab Survey No. 17 of Manchanaikanahalli village from the proposed State Forest as the said survey number is required for the grazing of their village cattle and watering.	Written statement produced on 20th March 1934.	As no gomal is taken up for the forest Survey No. 17 being a kharab, this cannot be excluded from the forest and hence this may be reserved only right of water in the gokatte in Survey No. 18 may be allowed.	I agree with the Range Officer, the reason adduced by the villagers for the exclusion of kharab Survey No. 17 is untenable hence cannot be excluded from the forest. Right of water in gokatte in Survey No. 18 is admitted. Access is allowed for men and cattle for water by an existing foot-path 6 feet wide as noted in the map and notifications. Right of way over the paths and right of water in the kattes noted above have been admitted, though the villagers have not asked for such concessions, as they are found necessary being in existence and use. Right of way to the railway line running from Bangalore to Mysore between Survey Nos. 17 and 18 of Manchanaikanahalli in Block III Forest through a road 2 chains wide and 20 chains long is admitted. A margin of 5 chains should be 6 feet along the edge of cultivation at the time of clearing the final demarcation line.	

H. V. RANGASWAMI IYENGAR,
District Forest Officer,
Bangalore District.

T. RANGASWAMI,
Forest Settlement Officer,
Closepet Sub-Division.

Reviews the Season and Crop Report of the Mysore State for the year 1933-34.

READ—

Letter No. C. Per. A. 24—34-35, dated 22nd May 1935, from the Revenue Commissioner in Mysore, forwarding the season and crop report for 1933-34, together with his review thereon.

2. Letter No. R. O. C. 3222—34-35, dated 29th June 1935, from the Director of Agriculture in Mysore, forwarding a note on the above report.

3. Correspondence ending with letter No. C. Per. A. 24—34-35, dated 9th August 1935, from the Revenue Commissioner in Mysore, furnishing a note on the observations of the Director of Agriculture on the Report.

ORDER NO. D. 1342-411—STGS. 39-34-4, DATED BANGALORE, THE 3RD SEPTEMBER 1935.

The Report was received six months after the due date. The delay should have been avoided.

2. The average rainfall during the year 1933-34 was only 46·26 inches as against 54·61 inches in the year previous, but the rains were generally timely and well distributed throughout the State.

3. The area under occupancy and that under current fallows as well as the cropped area for the year under review and the year previous to it are given in the following table :—

Year	Area under occupancy	Area under current fallows	Net area cropped during the year	Gross area of crops irrigated
	Acres	Acres	Acres	Acres
1932-33 ...	7,978,351	1,348,902	6,629,449	1,083,831
1933-34 ...	7,931,629	1,367,157	6,564,472	1,090,689

It is seen from the above that there has been a decrease of 64,977 acres in the area cropped, while there is an increase of 6,858 acres under crops irrigated. The yield is also less than in the preceding year in respect of all the crops except sugarcane. The increase of the area under sugarcane in the Mysore District is due to the increased irrigation facilities provided in the Irwin Canal tract and the encouragement given by the Mysore Sugar Company for the growing of this crop.

4. There was a very large increase in imports and a decrease in exports in the case of cocoanut, coffee and tobacco, while in the case of rice and paddy, groundnut, cotton seeds, betelnuts and refined sugar, there was a marked decrease under imports and a corresponding increase under exports. The result of the year's trade in the principal agricultural products was on the whole satisfactory for the agriculturists in spite of the low prices prevailing during the year.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Rail-borne Trade of the Mysore State for the year ending 31st March 1934.

READ—

Letter No. C. 2. 147—33-34, dated the 27th February 1935, from the Director of Industries and Commerce, forwarding a copy of the review of the Rail-borne Trade of the State for the statistical year ending 31st March 1934.

ORDER NO. D. 1420-1—STCS. 27-34-2, DATED BANGALORE,
THE 3RD—4TH SEPTEMBER 1935.

Recorded.

The imports of merchandise rose in value from Rs. 11·15 crores in the year ended 31st March 1933 to Rs. 11·42 crores in the year ended 31st March 1934, while during the same period, the value of exports fell from Rs. 8·06 to Rs. 7·49 crores. The imports and exports of treasure during the period was Rs. 0·60 crores and Rs. 2·94 crores, respectively. Including this, there was an unfavourable balance of trade by rail during the year ended 31st March 1934, of Rs. 1·59 crores. This unfavourable balance of trade is noticeable under all the main groups., *viz.*, food, drink and tobacco, raw materials, articles wholly or mainly manufactured and miscellaneous.

Statistics of road-borne traffic are not being collected since March 1931. From the figures available for the latest year, it is believed that there is generally a favourable balance in this traffic which however may amount to about Rs. 50 lakhs. Even making allowance for this and the traffic in treasure, the unfavourable balance of trade of the Mysore State for the year ended 31st March 1934 was probably not less than Rs. 1·00 crore.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Vol. 70] PUBLISHED BY AUTHORITY [No. 38

BANGALORE, THURSDAY, SEPTEMBER 19, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Passes orders regarding the disposal of Representations, Questions and Resolutions tabled for discussion in the Representative Assembly.

ORDER NO. RL. 124-87—R. A. 13-35-1, DATED BANGALORE, THE 12—17TH SEPTEMBER 1935.

Several requests have been made to Government by members of the Representative Assembly that representations and resolutions included in the agenda of a session but not discussed may be considered and disposed of by Government, the result being communicated at least to the movers concerned. Likewise in regard to questions for which answers are not ready before a session closes, it has been suggested that answers might be communicated to the members concerned as soon as they are ready.

According to the Rules of Business of the Representative Assembly, resolutions, representations and questions, which are not taken up for discussion during a session, lapse. So far as resolutions are concerned, it will not be possible for Government to consider them in the absence of a discussion to elicit the feasibility or desirability of the suggestions contained in the resolutions. In regard to representations, it will be impossible to consider all of them as a general rule, but Government will be glad to take action in respect of such of the representations as are really important, and need early attention. As regards unanswered questions, it is open to the members to repeat such questions at a subsequent session. It is, therefore, considered unnecessary to modify the existing rules in this respect.

K. V. ANANTARAMAN,
Chief Secretary to Government.

Issues orders *re* the appointment of Revenue Probationers.

READ—

Government Order No. R. 947-48—L. R. 28-35, dated 9th August 1935, appointing a Committee consisting of the officers noted in the margin to select candidates for appointment as Revenue Probationers.

1. The Revenue Commissioner in Mysore (Chairman).
2. „ Chief Secretary to Government.
3. „ Senior Surgeon in Mysore.

2. Letter No. C. 173—35-36, dated 6th September 1935, from the Revenue Commissioner in Mysore, forwarding the report of the Committee.

ORDER NO. R. 1652-54—L. R. 28-35, DATED BANGALORE, THE 17TH SEPTEMBER 1935.

Government are pleased to direct that the following candidates be appointed Revenue Probationers:—

1. Mr. G. Narasimhaiya, M.Sc.
2. „ Muhammed Abdul Kareem, B.A.
3. „ B. S. Nanjunda Gowda, B.Sc., LL.B.
4. Mr. T. Shamanna, M.A.
5. „ G. P. Nagarajiah, B.A.
6. „ R. Bharaniah, B.Sc.

2. During the probationary period which will be fixed at two years, the Probationers will be given a salary of Rs. 80 per mensem. They should qualify themselves for appointment as Amildars or Deputy Amildars by passing the prescribed tests, *viz.*, the Local Service Revenue Higher, Criminal Higher and Accounts Lower Examinations and the Equitation test.

3. The confirmation of the Probationers after the period of probation, as Amildars or Deputy Amildars, is subject to the occurrence of vacancies. Ordinarily not less than 50 per cent of the vacancies in the grades of Amildars and Deputy Amildars will be made available for Revenue Probationers.

4. The Revenue Commissioner is requested to issue necessary instructions regarding the posting of the Probationers and the course of training to be undergone by them and report the action taken to Government.

5. The extra cost involved by the appointment of the Revenue Probationers will be met by reappropriation of the sanctioned grants of the Revenue Department during the current year.

K. V. ANANTARAMAN,
Chief Secretary to Government.

Amends Rules 33 and 34 of the Rules under the Mysore Land Revenue Code.

READ—

Letter No. C. 4616—33-34, dated 19th July 1935, from the Revenue Commissioner, suggesting certain amendments to Rules 33 and 34 of the Rules under the Mysore Land Revenue Code.

ORDER NO. R. 1631-42—L. R. 105-35-2, DATED BANGALORE, THE 16TH SEPTEMBER 1935.

The Revenue Commissioner has suggested amendments to Rules 33 and 34 of the Mysore Land Revenue Rules in order to obviate certain anomalies arising from a too literal interpretation of these rules, such as the following:—

(1) Double the difference between wet and dry rates is levied for the occasional use of water from tanks, but it is not levied in the case of river channels as they are not specifically mentioned in Rule 34

(2) Double water rate is sometimes levied on lands commanded by new tanks when water is allowed for irrigation tentatively before the lands are assessed to wet rates;

(3) Inam lands are liable to pay only a single water rate under Rule 33, while unalienated lands have to pay a double rate in identical circumstances under a strict interpretation of Rule 34; and

(4) As lift irrigation has not been provided for in the rules, arbitrary water rates are being imposed in cases where water is taken by means of *picottahs* or other mechanical contrivances.

Government accept the amendments suggested by the Revenue Commissioner with slight alterations. The existing rules as well as the rules as finally approved by Government are as detailed in the annexure to this order.

A separate notification will be published in the Gazette embodying the amendments referred to above.

K. V. ANANTARAMAN,
Chief Secretary to Government.

ANNEXURE.

EXISTING RULES.

Liability of Inamdars to pay water-rate for the supply of Government water to their lands.

33. When water is supplied from a Government source of irrigation to inam lands not entitled to free irrigation, the water-rate leviable thereon will be the difference between the dry rate and the survey assessment of similar irrigated unalienated land in the neighbourhood.

In cases, however, in which the water-rates have been already fixed on inam lands under any other principle, Government consider that it might lead to hardship to revise these rates and they are accordingly pleased to direct that the water-rates already fixed be continued during the currency of the present survey settlement.

Application for permission to use Government water and penalty for such use without permission.

34. Any person desiring to use Government water for irrigating a land not assessed as wet land shall make an application in writing to the Amildar or other officer duly authorised to receive such application for permission to make use of water. The water-rate leviable for the use of tank water for such temporary cultivation will be fixed at double the difference between the dry assessment of the land concerned and the wet assessment of the neighbouring wet lands.

But in the case of lands under the Borankanve tank in Tumkur District, the rate leviable for the use of tank water for temporary cultivation will be fixed at only the difference between the dry assessment of the land concerned and the wet assessment of the neighbouring wet lands.

If, however, it is in any case considered desirable to continue the temporary water-rate for more than one year, the Public Works Department should be consulted. If it is certified by that Department, after actual calculations made at the time, that the additional demand for water could be safely met even in a year of normal rainfall the permission may be continued. If, during the next five years successively there is no complaint from the holders of the atchkat lands, and the temporary Nirsardidar applies for the supply of water being made permanent, then steps should be taken to convert the land into wet or garden as the case may be, in consultation with the Director of Land Records, Survey and Settlement. If any person uses such water without such permission he shall be charged a penal rate of not less than three and not more than four times the difference between the dry assessment of the land concerned and the wet assessment on wet lands in the vicinity and shall also be liable at the discretion of the Deputy Commissioner to pay a fine not exceeding five times the wet assessment of the whole survey number thus wholly or partly irrigated. The Amildar or the Deputy Amildar may, in such cases as he may deem proper, grant permission to use water, provided the applicant agrees to pay such rates as may eventually be assessed under Rule 32 or 33.

RULES AS AMENDED.

Application for permission to use Government water.

33. (*a*) Any person desiring to use water for irrigating a land not assessed as wet land, shall make an application in writing to the Amildar or other officer duly authorised to receive such application for permission to make use of water. Such officer may grant permission to make use of water for one year. If, however, it is considered desirable to continue the supply of water for more than one year, the Public Works Department should be consulted. If it is certified by that Department that the additional demand for water may be met without difficulty in a year of normal rainfall, the permission may be continued. If, during the next five years successively, there is no complaint from the holders of the *atchkat* lands, and the holder of the land in question applies for the supply of water being made permanent, then steps should be taken to convert the land into wet or garden, as the case may be, in consultation with the Director of Land Records, Survey and Settlement.

Water-rate leviable for use of water for temporary cultivation.

(*b*) The water-rate leviable for the use of water for temporary cultivation will be fixed at double the difference between the dry assessment of the land concerned and the wet assessment of the neighbouring wet lands.

Provided, however, that in the case of a work of irrigation newly constructed, the Deputy Commissioner may sanction the use of water for specified periods and fix the water-rate in accordance with the provisions of the Mysore Irrigation Regulation or the special orders of Government, if any. In the case of irrigation works to which the Mysore Irrigation does not apply, the levy of wet or garden rates, after irrigation settles down, should be done in consultation with the Department of Land Records and Settlement.

Provided also that in the case of tanks and other works under which irrigation has to be developed, the Deputy Commissioner may sanction the use of water for a period not exceeding five years at a time, and levy as water-rate, the difference between the dry assessment of the land concerned and the wet assessment of the neighbouring lands.

When water used for irrigation cannot be obtained without raising it by baling or by a mechanical contrivance, a deduction of one-fourth of the water-rate will be made subject to a maximum of Re. 1 per acre.

Liability of Inamdars in regard to the payment of water-rate.

(*c*) In cases where the water rates have been levied on inam or unalienated lands, under any other principle by competent authority, such rates shall be continued, until they are revised under Section 53, Land Revenue Code or Section 29, sub-section (3) of the Mysore Irrigation Regulation, or until the introduction of Revision Survey and Settlement.

Penalty for use of Government water without permission.

34. If any person uses water, the right to which vests in Government, without obtaining permission, he shall be charged double the rate, he would otherwise have been required to pay, had he applied for and obtained permission; and shall also be liable at the discretion of the Deputy Commissioner to pay as fine, five times the wet assessment of the whole survey number thus wholly or partly irrigated.

NOTIFICATION.

No. R. 1643—L. R. 105-35-3, dated Bangalore, the 16th September 1935.

The Government of His Highness the Maharaja are pleased to direct that Rules 33 and 34 of the Rules under the Mysore Land Revenue Code be amended so as to read as follows :—

Application for permission to use Government water.

33. (*a*) Any person desiring to use water for irrigating a land not assessed as wet land, shall make an application in writing to the Amildar or other officer duly authorised to receive such application for permission to make use of water. Such officer may grant permission to make use of water for one year. If, however, it is considered desirable to continue the supply of water for more than one year, the Public Works Department should be consulted. If it is certified by that Department that the additional demand for water may be met without difficulty in a year of normal rainfall, the permission may be continued. If, during the next five years successively, there is no complaint from the holders of the *atchkat* lands, and the holder of the land in question applies for the supply of water being made permanent, then steps should be taken to convert the land into wet or garden, as the case may be, in consultation with the Director of Land Records, Survey and Settlement.

Water-rate leviable for use of water for temporary cultivation.

(*b*) The water rate leviable for the use of water for temporary cultivation will be fixed at double the difference between the dry assessment of the land concerned and the wet assessment of the neighbouring wet lands.

Provided however that in the case of a work of irrigation newly constructed, the Deputy Commissioner may sanction the use of water for specified periods and fix the water-rate in accordance with the provisions of the Mysore Irrigation Regulation or the special orders of Government, if any. In the case of irrigation works to which the Mysore Irrigation does not apply, the levy of wet or garden rates, after irrigation settles down, should be done in consultation with the Department of Land Records and Settlement.

Provided also that in the case of tanks and other works under which irrigation has to be developed, the Deputy Commissioner may sanction the use of water for a period not exceeding five years at a time, and levy as water-rate the difference between the dry assessment of the land concerned and the wet assessment of the neighbouring lands.

When water used for irrigation cannot be obtained without raising it by baling or by a mechanical contrivance, a deduction of one-fourth of the water-rate will be made subject to a maximum of Re. 1 per acre.

Liability of Inamdars in regard to the payment of water-rate.

(*c*) In cases where the water-rates have been levied on inam or unalienated lands, under any other principle by competent authority, such rates shall be continued, until they are revised under Section 53, Land Revenue Code or Section 29, sub-section (3) of the Mysore Irrigation Regulation, or until the introduction of Revision Survey and Settlement.

Penalty for use of Government water without permission.

34. If any person uses water, the right to which vests in Government, without obtaining permission, he shall be charged double the rate he would otherwise have been required to pay, had he applied for and obtained permission; and shall also be liable at the discretion of the Deputy Commissioner to pay as fine, five times the wet assessment of the whole survey number thus wholly or partly irrigated.

By Order,

K. V. ANANTARAMAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Directs that Fridays and Sundays be declared as full Holidays in a week in all Urdu Girls' Middle Schools including the Zenana Normal School, Mysore.

READ—

Letter No. S2. 4925-385 of 1934-35, dated the 2nd August 1935, from the Director of Public Instruction, stating that in all Urdu Girls' Schools, Thursdays are treated as partial working days and Fridays as full holidays and that as very little useful work can be turned out on partial working days especially in Urdu Girls' Schools, in view of the long distances to be covered by the bullock carts in fetching the girls, there will be a reduction in the work to be turned out both on the qualitative and quantitative sides within the prescribed number of periods and recommending, as suggested by the Mahomedan Education Advisory Committee that Thursdays may be treated as full working days and Fridays and Sundays may be declared as full holidays in a week in all the Urdu Girls' Middle Schools including the Zenana Normal School, Mysore.

ORDER NO. E. 659—EDN. 82-35-2, DATED BANGALORE,
THE 29TH AUGUST 1935.

Sanctioned.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

Approves of the rules governing grants to Music Institutions.

READ—

Letter No. D1-3318-279 of 34-35, dated 2nd August 1935, from the Director of Public Instruction, forwarding for approval of Government, a draft set of rules as noted below, governing grants to Music Institutions, the same being incorporated in the Grant-in-aid Code as Rule No. IV-G (5) :—

(1) The term "Music School" means institutions where Vocal or Instrumental Music is taught, including the Piping Schools run by the Nayinda Community.

(2) The school shall have at least a strength of 10 in all for all classes to be eligible for a grant.

(3) It shall be managed by a Committee approved by the Department.

(4) The prescribed syllabus in Music for Departmental Schools and for the Departmental Examinations in Music shall be followed in these schools and candidates prepared and sent up annually for Music Examinations conducted by the Department.

(5) The Institution shall be staffed by Musicians of accepted standing.

(6) The Institution shall work at least four hours per day on all working days, and each student shall have at least one hour's work at school each day.

(7) Fees shall be levied by the Management only at rates previously approved by the Department.

(8) These schools shall be eligible for a maintenance grant not exceeding half the net expenditure to the Management after deducting the fee income. The Department may sanction such grant as it deems fit within this limit.

(9) Music Schools (except the Piping Schools referred to in rule (1) above which teach instrumental Music or systems of Music for which there is no provision for Public Examination, shall not be eligible either to present candidates for Examinations in Music or for grants-in-aid.

(10) Applications for recognition and grant-in-aid shall be submitted to the Director of Public Instruction, through the District Educational Officer of the District concerned.

ORDER NO. E. 712—EDN. 83-35-2, DATED BANGALORE,
THE 31ST AUGUST 1935.

Approved.

H. V. RAMASVAMI,
Secretary to Government,

FINANCIAL SECRETARIAT

Passes orders on the report of the Public Accounts Committee on the Audit and Appropriation Accounts for 1933-34.

READ—

Audit and Appropriation Report of the Comptroller on the Accounts for the year 1933-34.

2. Report of the Public Accounts Committee thereon.

ORDER NO. FL. 2291-360—G. F. 240-34, DATED BANGALORE, THE 7—10TH SEPTEMBER 1935.

APPROPRIATION REPORT.

Paras 3 *to* 5 :—*Comparison of Actuals with Grants.*—Excesses have been reported under five heads amounting in all to Rs. 2,27,179 which is 2·31 per cent of the total appropriation as against 5·94 per cent recorded in the previous year. In some cases supplementary grants are stated to have been obtained unnecessarily. Government once again wish to impress on the Heads of Departments the need for keeping a more efficient and vigilant control over the progress of expenditure as compared with grant to avoid both excesses over grants and unnecessary applications to Legislature for moneys not required at all.

AUDIT REPORT.

2. Government regret to observe that in spite of repeated instructions, proper and prompt attention is not being bestowed on the following items of work :—

(1) Delays in the disposal of Audit Notes and Inspection Reports ;
(2) Delays in the recovery or adjustment of loans, advances and other Government dues ; and
(3) Delays in the submission of Completion Reports.

The Heads of Departments are requested to issue suitable instructions to ensure prompt and effective action in these matters.

3. In regard to other matters dealt with in the Committee's Report or their proceedings, Government direct that necessary action be taken by the concerned Departmental Heads to remedy the defects, omissions, etc., brought to notice.

A. N. RAGHAVACHAR,
Secretary to Government,
Financial Department.

PUBLIC WORKS SECRETARIAT

Sanctions the Irrigation Cess Fund Budget Estimates for 1935-36.

READ—

Letter No. C. Per. A-12—34-35, dated the 20th May 1935, from the Revenue Commissioner in Mysore, submitting the Budget Estimates for the Irrigation Cess Fund for the year 1935-36, with a memorandum on the subject.

ORDER NO. 680-696—S., DATED BANGALORE, THE 9TH SEPTEMBER 1935.

The estimated receipts for the year 1935-36 are shown below together with those of the previous year 1934-35 :—

District	1935-36 as estimated	1934-35 revised	1934-35 as estimated
	Rs.	Rs.	Rs.
Bangalore	24,531	29,701	24,625
Kolar	47,307	44,164	47,307
Tumkur	41,318	41,114	46,707
Mysore	86,578	75,544	78,040
Hassan	46,407	45,308	46,907
Kadur	28,120	30,201	28,372
Shimoga	62,500	60,500	62,500
Chitaldrug	17,200	21,100	17,560
Total ...	3,53,961	3,47,632	3,52,018

The normal receipt of Tumkur Division is estimated at less than the amounts of two previous years. It is explained that the decrease is due to a corresponding fall in the collection of land revenue.

2. Inclusive of Rs. 64,763, contribution from State Funds for maintenance of river channels which will be allotted from the provision of Rs. 75,000 made in the State Budget under "23. Irrigation charged to Revenue, 4. Repairs," the total estimated receipts for 1935-36 will be Rs. 4,18,724. The Revenue Commissioner has taken credit for a sum of Rs. 85,920 as contribution from State Funds towards Establishment and Tools and Plant charges which it is not possible to allot under the present conditions. Hence it is omitted and the charges will be debited to Irrigation Cess Fund itself as usual.

3. The Revenue Commissioner has proposed a programme of expenditure which amounts to Rs. 5,63,255 against the estimated receipt of Rs. 4,18,724. The Budget Estimates as submitted by the Revenue Commissioner are therefore modified and sanctioned as shown hereunder :—

District	Expenditure during 1935-36	
	As proposed by the Revenue Commissioner	As now sanctioned
	Rs.	Rs.
Bangalore	37,288	17,700
Kolar	81,971	44,840
Tumkur	60,900	35,400
Mysore	1,44,904	1,18,567
Hassan	58,950	52,025
Kadur	30,680	23,600
Shimoga	1,22,720	1,22,720
Chitaldrug	25,842	21,240
Total ...	5,63,255	4,36,092

The details under receipts and expenditure are more fully given in the appended statement.

N. N. AYYANGAR,
Secretary to Government,
Public Works Department.

BANGALORE, THURSDAY, SEPTEMBER 26, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Directs the constitution of the Town Municipal Area of Shikarpur into an Urban Constituency and confers upon it the privilege of returning a member to the Representative Assembly.

READ—

Notification No. Rl. 3207—R. A. 20-32-1, dated 29th November 1932, publishing among other things, the list of Urban Constituencies for the Representative Assembly.

2. Correspondence ending with letter No. M3. C. 1885-429—34-35, dated 19th June 1935, from the Deputy Commissioner, Shimoga District, requesting that the Shikarpur Town Municipality, which has a population of 5,010, may be granted the privilege of returning a member to the Representative Assembly.

ORDER NO. RL. 194-95—R. A. 27-34-4, DATED BANGALORE,
THE 23RD SEPTEMBER 1935.

Government are pleased to direct that the Town Municipal area of Shikarpur be given the privilege of returning one member to the Representative Assembly to be reconstituted at the next triennium. The Deputy Commissioner, Shimoga District, is requested to take necessary action in the matter during the next general elections to the Representative Assembly.

K. V. ANANTARAMAN,
Chief Secretary to Government.

Refers two additional matters for examination by the Committee appointed to examine the Representative Assembly and Legislative Council Regulations and the rules and standing orders passed thereunder.

READ—

Government Order No. Rl. 77-88—L. C. 2-35-1, dated 26th August 1935, appointing a mixed Committee of officials and non-officials for the purpose of examining and suggesting modifications, if any, in the Representative Assembly and Legislative Council Regulations including the standing orders and rules passed thereunder in respect of certain matters.

ORDER NO. RL. 198-209—L. C. 2-35-2, DATED BANGALORE, THE 24TH SEPTEMBER 1935.

Government are pleased to refer the following two additional matters for examination by the Committee constituted in the order read above:—

1. Grant of certain privileges to the members of the Representative Assembly and the Legislative Council in regard to—

(*i*) freedom of speech subject to suitable limitations;

(*ii*) exemption from serving as Jurors and Assessors; and

(*iii*) exemption from being arrested or detained in prison under civil process when the Representative Assembly and the Legislative Council are in session.

2. Adoption of the system of ballot procedure prevalent in the Indian Legislative Assembly, for determining relative precedence of resolutions brought before the Legislative Council in lieu of the existing system.

K. V. ANANTARAMAN,
Chief Secretary to Government.

Directs that the name of the village Savagondanahalli referred to in the Commission under Section 99, Land Revenue Code, issued to Mr. Dharmarayacharya in Government Order dated 15th August 1934, be changed to Ramenahalli and that the order be made applicable to Sonnenakoppa also.

READ—

Government Order No. R. 804-5—L. R. 22-34-8, dated 15th August 1934, issuing a Commission to Mr. Dharmarayacharya, B.A., LL.B., Agent of the Sri Kudli Akshobhya Thirtha Mutt in Shimoga Taluk, conferring on him powers under Clauses (*b*), (*d*), (*e*) and (*f*) of Section 99 of the Land Revenue Code, in respect of the marginally noted villages of the Mutt.

Shimoga Taluk.	1. Helehatti. 2. Savagondanahalli. 3. Beeranahalli. 4. Malenahalli.
Honnali Taluk.	5. Hurulihalli. 6. Bullapura.

2. Petition, dated 24th October 1934, from Mr. N. Dharmarayacharya, praying that the name of Savagondanahalli mentioned in the Commission referred to above may be changed into Ramenahalli and that Sonnenakoppa in Shimoga Taluk and Bilguni in Kumsi Sub-Taluk may be included in the Commission as these villages also belong to the Mutt.

3. Correspondence ending with letter No. C. 2075—34-35, dated 3rd September 1935, from the Revenue Commissioner, forwarding a report from the Deputy Commissioner, Shimoga District in the matter.

ORDER NO. R. 1783-84—L. R. 22-34-32, DATED BANGALORE, THE 23RD SEPTEMBER 1935.

The Deputy Commissioner reports that the name of Savagondanahalli has been changed into Ramenahalli and that Sonnenakoppa belongs to the Mutt. He therefore recommends that the Government Order read above may be made applicable to both these villages as desired by the Agent of the Mutt. As regards Bilguni village, he is against the Government Order being made applicable to it as no settlement has been introduced into it.

Government are pleased to approve of the proposals of the Deputy Commissioner.

K. V. ANANTARAMAN,
Chief Secretary to Government.

DEVELOPMENT SECRETARIAT

Approves of certain arrangements for marketing survey work of certain important agricultural and commercial products in Mysore.

READ—

Letter No. D. 324—I. & C. 182-34-10, dated 16th July 1935, approving the proposals of the Director of Industries and Commerce, in regard to the survey of market conditions of the more important agricultural and commercial crops in the State and requesting the Director of Industries and Commerce to take further needful action in consultation with the Director of Agriculture.

ORDER NO. D. 1285-7—I. & C. 182-34-15, DATED BANGALORE, THE 29TH AUGUST—3RD SEPTEMBER 1935.

In modification of the above, Government are pleased to approve of the following arrangements for the marketing survey work of the important agricultural and commercial products in Mysore :—

(*a*) Of the ten commodities taken up for survey work this year, Mr. V. Venkatachar, Superintendent of Commercial Intelligence, will be directly in charge of six, *viz*., rice, wheat, groundnuts, linseed, tobacco and fruits. One Agricultural Inspector from the Agricultural Department will work under Mr. V. Venkatachar as a wholetime official and assist him in carrying out the survey of the abovementioned commodities.

(*b*) Mr. Lakshmipathi Naidu, Assistant to the Live Stock Expert, will, in addition to his present duties, be in charge of the survey relating to the other four commodities, *viz*., eggs, milk, hides and skins and cattle. He will submit his reports through the Director of Agriculture to the Director of Industries and Commerce, so as to reach the latter not later than the 1st of every month.

(*c*) Progress reports to the Agricultural Marketing Adviser to the Government of India will be sent after approval by the Director of Industries and Commerce.

(*d*) The travelling and other expenses, if any, to be incurred in connection with the marketing survey work will be borne by the respective departments to which the officers belong.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Approves of the Forest Settlement of the Kalkotebetta Forest Block in the Dodballapur Taluk.

READ—

Government Notification No. G. 8011—Ft. 249-32-2, dated the 11th May 1933, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Kalkotebetta Forest Block in the Dodballapur Taluk.

2. Letter No. C. 4661 of 34-35, dated the 6th August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 2202-5—FT. 59-35-2, DATED BANGALORE, THE 10—16TH SEPTEMBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st November 1935 will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 2206—Ft. 59-35-3, dated 10—16th September 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under Section 17 of the Mysore Forest Regulation XI of 1900, that from 1st November 1935, the area, the boundaries of which are setforth in the schedule appended to this Notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

			Hiremuddenhalli ...	Assessed waste 49...	8	10		
				Kharab 51 part ...	416	19		
				Gomal 50 part ...	324	0		
				Do 52 part ...	200	0		
				Total ...	1,317 or 2·05 Square miles.	30		

BOUNDARIES.

North.—Starting from the junction gadi bandh of Jodi Inam Jedamakalahalli and Hiremuddenhalli villages, the line runs north-east through Survey No. 40 of Kalkote for about 12½ chains to the southernmost corner of Survey No. 38 of Kalkote; then north-east through Survey No. 40 for about 49 chains in a straight line to the south-east corner of Survey No. 32 of Kalkote; then south-east, south, south-east and east along the western and southern boundaries of Guriguralahalli village to the south-west corner of Survey No. 43 of Hiremuddenhalli village; then south for about 5 chains; then east through Survey No. 50 of Hiremuddenhalli to a point about 5 chains south-west from the south-eastern corner of Survey No. 46, then south-east along the left bank of North Pennar River to a point about 5 chains south-east from the south-eastern corner of Survey No. 48; then crossing the said river, runs north-east through Survey No. 50 for about 14 chains to a point about 5 chains south-east from the south-eastern corner of Survey No. 47; then north-east through Survey No. 50 to the south-east corner of Survey No. 36 of Hiremuddenhalli; then east along the southern boundary of Guriguralahalli village for about 16 chains to the junction gadi bandh of Guriguralahalli and Koralahalli.

East.—Then south-west along the western boundary of Koralahalli to the northernmost hotte bandh of Survey No. 18 of Bumenhalli.

South.—Then south-west through Survey Nos. 50 and 51 of Hiremuddenhalli for about 66 chains in a straight line to the north-west corner of Survey No. 94 of Kavalahalli; then north-west through Survey No. 52 of Hiremuddenhalli for about 70 chains to the tri-junction bandh of Kalkote, Hiremuddenhalli and Jodi Inam Jedamakalahalli villages.

West.—Then north and north-east along the eastern boundary of Jodi Inam Jedamakalahalli village to the starting point.

Remarks.—I. Right of way over the undermentioned paths is admitted. Nos. 1 and 2 for men and cattle and No. 3 for men, cattle, and carts only.

(1) Foot-path from Gantiganahalli to Guriguralahalli, 2 yards wide and 100 chains long open for men and cattle only throughout the year. It enters the Forest in its southern boundary at a point about 18 chains north-west from the north-west corner of Survey No. 94 of Kavalahalli, runs north-west and north-east through Survey Nos. 52 and 51 of Hiremuddenhalli and quits the Forest in its northern boundary at a point about 2 chains south-east from the south-western gadi bandh of Guriguralahalli.

(2) Foot-path from Bumenhalli to Pittagahalli, 2 yards wide and 63 chains long open for men and cattle only throughout the year. It enters the Forest in its southern boundary at a point about 2 chains north-east from the north-west gadi bandh of Bumenhalli, runs north-east through Survey Nos. 50 and 49 of Hiremuddenhalli and quits the Forest in its northern boundary at a point on the left bank of North Pennar River about 2 chains south from the south-east corner of Survey No. 48 of Hiremuddenhalli.

(3) Cart-track from Narasimhalli to Guriguralahalli, 6 yards wide and 110 chains long, open for men, cattle and carts throughout the year. It enters the Forest in its southern boundary at a point about 5 chains south-east from the south-eastern bandh of Survey No. 39 of Kalkote, runs north-east through Survey No. 52 of Hiremuddenhalli and 40 of Kalkote and quits the Forest in its northern boundary at a point about 7 chains south-west from the south-eastern corner of Survey No. 32 of Kalkote village.

II. The villagers of Kalkote and Hiremuddenhalli and their hamlets and Gantiganahalli are permitted to remove free from Forest lantana fuel and shrubs for their domestic and agricultural purposes once a week.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed Kalkotebetta State Forest in the Dodballapur Taluk.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Hanumantharayappa, Shanbhog, Tubagere.	24th April 1934.	Praying for the exclusion of Survey Nos. 50, 51 and 52 of Hiremuddenahalli from the proposed forest for the following reasons:— 1. That the demarcation line runs all along the hiduvali lands. 2. That 8 acres in Survey No. 51 and 2 acres in Survey No. 50 have been granted for cultivation. 3. That the above survey numbers are the only compact gomal area left for them for grazing of their cattle. 4. That they have got large number of cattle. 5. That they will be deprived of the hallas and kuntes lying in the midst of Survey Nos. 50 and 51 from use, as they are the only sourse for water for their cattle. 6. That they are very poor to pay lumpsum grazing fees, in case the above survey numbers are constituted as State Forest. 7. That they will have no right of way over the existing foot-paths and cart tracks.	Written statement presented by him before the Settlement Officer on 24th April 1934.	1. Ten acres given out for cultivation near Survey No. 98 of Kavalahalli village may be excluded and the line made to run straight from Kavalahalli and Bumenhalli bandh to Survey No. 94 bandh as marked in blue pencil. 2. Rights of way for men and cattle over all the existing cart-tracks and foot-paths may be allowed. 3. As the villagers have enough of gomal land, they have no claim for grazing concession. Further ample facility will be obtained, if they agree to lumpsum fee. Otherwise, the usual seigniorage rate for the cattle will have to be paid by them. 4. Only lantana fuel may be allowed to be removed free for bonafide use. 5. The forest line may be shifted to a distance of five chains from the boundaries of Survey Nos. 44, 45, 46, 48, 47, 37 and 36 of Hiremuddenhalli.	1. Eight acres and 2 acres of land granted for cultivation in Survey Nos. 51 and 50 of Hiremuddenhalli may be excluded from the proposed forest by shifting the forest boundary to the northern side of the said hiduvali lands. 2. Right of way over the undermentioned paths as noted in the map and the notifications is admitted:— (i) Foot-path from Gautiganhalli to Guriguralahalli—2 yards wide and 100 chains long is allowed for men and cattle throughout the year. (ii) Foot-path from Bumenhalli to Pittagahalli—2 yards wide and 63 chains long is allowed for men and cattle throughout the year. (iii) Cart-track from Narasimhalli to Guriguralahalli—6 yards wide and 110 chains long is allowed for men, cattle and carts throughout the year. 3. The objection of the villagers of Hiremuddenhalli is not tenable as the remaining gomal will be much in excess of requirements of the existing cattle. Only the forest line may be shifted to a distance of 5 chains from the hiduvali lands—Survey Nos. 43, 44, 45, 46, 48, 47, 37 and 36 as noted in the map. 4. The villagers are allowed to remove free from the forest lantana fuel and shrubs for their domestic and agricultural purposes once a week.	
2	Mr. Krishnamurthy Rao, Shanbhog, Konagatta.	24th April 1934	Praying for the release of Survey Nos. 50, 51 and 52 of Hiremuddenahalli from the proposed Kalkotebetta Forest for the following reasons:— (1) That the demarcation line of the proposed forest causes much inconvenience to their cattle while cultivation of the lands as it runs along the hiduvali lands – Survey Nos. 12, 13, 14, 15 and 18 of Bumenhalli. (2) That they will not be allowed to remove from the Survey Nos. 50, 51 and 52 dry shrubs and fuel for joggery boiling. (3) That the cattle of Bumenhalli will not be allowed to graze in the above forest and he also states that they have no grazing facilities in the gomal left for their village and their cattle are going to the above survey numbers for grazing alone. (4) That they will be deprived of the use of water of the hallas and kuntes situated in the midst of Survey Nos. 50 and 51 of Hiremuddenhalli. (5) That they will have greater danger from wild beasts in the future if constituted as State Forest.	Written statement produced by him at the time of Settlement on 24th April 1934.	As there is enough of gomal for the village and as further facilities can be given, if they agree to lumpsum fee system that is being introduced, no further concession can be shown.	The objection of the villagers of Bumenhalli is untenable, as they have got sufficient gomal for their village and as no lands have been taken up for the forest from the village. The forest line has been shifted to a sufficient distance from the hiduvali lands of their village as noted in the map. Right of way over a foot-path from Bumenhalli to Pittagahalli 2 yards wide and 63 chains long is allowed for men and cattle throughout the year. Excepting the above, no other concessions can be allowed, as it is a village not affected by this reservation.	
3	Mr. Venkatappa, Raiyat, Bumenhalli.	24th April 1934.	Praying for the release of 8 acres of land granted to him in Survey No. 51 of Hiremuddenhalli from the Kalkotebetta Forest.	Written statement produced before the Settlement Officer on 24th April 1934.	This may be done.	This has been excluded from the proposed forest by shifting the forest boundary line to the northern side of the said hiduvali land as noted in the map.	

STATEMENT B.—*contd.*

Register of claims to lands, rights to forest produce, or easements in the proposed Kalkotebetta State Forest in the Dodballapur Taluk.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
4	Mr. Gangappa, Raiyat, Hiremuddenhalli.	24th April 1934.	Stating that what is represented by the Shanbhog of his village is all true. He also prays that free grazing in the above block may be allowed.	Written statement produced before the Settlement Officer on 24th April 1934.	Excepting the concessions granted under items 1 and 2 *supra*, no further concessions can be granted. Free grazing in the above forest cannot be allowed.	Yes; I agree with the Range Forest Officer. No further concessions excepting those granted in items 1 and 2 *supra*, can be granted.	
5	Mr. Beedappa, Raiyat, Bumenhalli.		Praying for the exclusion of Survey Nos. 50, 51 and 52 from the proposed Kalkotebetta forest block for the following reasons:— (1) That they will have much trouble and inconvenience for their cattle while cultivation, as the Demarcation line of the forest runs along the hiduvali lands, *viz.*, Survey Nos. 12, 13, 14 and 15 of Bumenhalli. (2) That their cattle will not be allowed to graze in the Survey Nos. 50, 51 and 52 of Hiremuddenhalli as is being done now, in future, in case they are reserved as State Forest. (3) That they will be deprived of the use of the water of the hallas and kuntes lying in the Survey Nos. 50 and 51 of Hiremuddenhalli after they are constituted as State Forest. (4) That they will not be allowed in future to pass through the existing cart tracks and foot-paths. (5) That they will not be allowed to remove dry shrubs and fuel for joggery boiling as usual, after the area is constituted as State Forest.	Written statement produced before the Forest Settlement Officer on 24th April 1934.	As there is enough of gomal for the village and as further facilities can be given them, if they agree to lumpsum fee system that is being introduced no further concession can be shown.	Yes; I agree with the Range Forest Officer. No further concessions excepting those granted in items 1 and 2 *supra*, can be granted, as it is a village not affected by the reservation of the block.	
6	Mr. Anjanappa, Raiyat, Gantiganahalli.		States that what is represented by the Shanbhog of his village and Beedappa of Bumenhalli is all true and he further states that the cattle of his village will suffer much for want of grazing, if the Survey Nos. 50, 51 and 52 of Hiremuddenhalli are reserved as State Forest, as Gantiganahalli has no other gomal area except the above survey numbers and which are now being used for grazing.	Written statement produced by him before the Forest Settlement Officer on 24th April 1934.	(1) The people of Gantiganahalli village may be allowed the concession of grazing their cattle inside the block on payment of a fee of 1 anna per cow and bullocks, 2 annas per buffalo and 6 pies per sheep. (2) Right of way may be granted. (3) Only lantana fuel may be allowed to be removed free for bonafide purposes. Fuel of any other kind cannot be granted as it is against Forest Conservancy. (4) Objects for taking the forest line straight from the north-west corner of Survey No. 94 of Kavalahalli village to the junction bandh of jodi Jedamakalahalli, Hiremuddenhalli and Kalkote villages for the reasons noted below.— (*a*) A vast area will be left out from the block and the object of constituting the block itself will be defeated by so excluding. (*b*) From a forester's standpoint of view, the area now proposed to be excluded is valuable in as much as there is hope of better forest growth coming up in the locality. Instead of excluding the above large area, I agree to have the line run parallel to the route proposed originally leaving a margin of 5 chains all along the hiduvali lands.	(1) An area of 250 acres and 16 guntas of land may be excluded in Survey No. 52 of Hiremuddenhalli included in the forest for the grazing of the cattle of Narasimhahalli and Gantiganhalli villages, as it will cause much inconvenience if the whole Survey No. 52 is reserved for the forest, as they have no other gomal left for their village and also it will be very far off from their village to go to any other gomal for pasturage of their cattle. In the exclusion of the above area, the forest line may be made to run straight from the north-west gadi bandh of Survey No. 94 of Kavalahalli to the trijunction bandh of Jodi Jedamakalahalli, Hiremuddenhalli and Kalkote villages. No concession rate of grazing can be allowed. (2) Right of way over a cart track from Narasimhahalli to Guriguralahalli 6 yards wide and 110 chains long is allowed for men, cattle and carts throughout the year. (3) The villagers of Gantiganahalli may be allowed to remove free from forest lantana fuel and shrubs for their domestic and agricultural purposes once a week. (4) Foot-path from Gantiganahalli to Guriguralahalli, 2 yards wide and 100 chains long is allowed for men and cattle throughout the year.	

STATEMENT B.—*concld.*

Register of claims to lands, rights to forest produce, or easements in proposed Kalkotebetta State Forest in the Dodballapur Taluk.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decisions and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
7	Kalkote village	...	No claim.	...	......	(1) There was no claim from the Kalkote villagers. They have got sufficient gomal lands for the pasturage of their cattle. (2) Right of way over the paths mentioned in item No. 6 is conceded to the Kalkote villagers. (3) The villagers of Kalkote are allowed to remove free from the Forest lantana fuel and shrubs for their domestic and agricultural purposes once a week.

ELECTRICAL SECRETARIAT.

Sanctions certain concessional rates for the supply of Electrical Power to Industrial Concerns for a period of two years in the first instance, except Flour Mills, Irrigation Pumps, Heating and Cooking Installations.

READ—

Government Order No. E. D. S. 1779-1885, dated the 16th April 1934, sanctioning, for reasons mentioned therein, a revised schedule of rates for power supply to industrial concerns.

2. Government Order No. E. D. S. 871-74, dated the 12th November 1934, constituting a Committee to go into the question of further revision of rates for power supply to industrial concerns.

3. The Chief Electrical Engineer's letter No. 12315, dated the 5th April 1935, submitting for sanction the recommendations of the Committee constituted in the Government Order referred to in para 2 above and stating that the reductions proposed are necessary with a view to afford relief to the struggling industries on account of trade depression, etc.

ORDER NO. E. D. S. 687-746, DATED BANGALORE, THE 18TH SEPTEMBER 1935.

1. The Director of Industries and Commerce in Mysore.
2. The Chief Electrical Engineer (Convener).
3. The Chairman or a nominee of the Mysore Chamber of Commerce.
4. *Rao Bahadur* Mr. B. K. Garudachar.

As it was found that the rates sanctioned in G. O. No. E. D. S. 1779-85, dated the 16th April 1934, did not afford adequate assistance to industrial concerns, a Committee consisting of the marginally noted gentlemen was formed to go into the question of rates for the supply of power to industrial concerns and submit their recommendations. In his letter dated the 3rd—4th January 1935, the Chief Electrical Engineer has submitted for adoption the recommendations of the above Committee as shown hereunder:—

For Installations of—

(*a*) 1 to 10 H. P.	... 9 pies per unit and Re. 1 per mensem as meter hire.	
(*b*) 11 to 20 H. P.	... 9 pies per unit *plus* Re. 1 per mensem as meter hire, subject to a minimum of 30 units per mensem per rated H. P.	
(*c*) 21 to 50 H. P.		
(i) Electrical Department to instal Step-down Transformers.	... 1 anna per unit *plus* Re. 1 per mensem meter hire, subject to a minimum of 50 units per rated H. P. per month.	
(ii) Consumer to instal his own Transformers.	... 10 pies per unit *plus* Re. 1 per mensem meter hire, subject to a minimum of 50 units per rated H. P. per month.	
(*d*) 51 to 100 H. P. (inclusive). Consumer to instal his own Step-down Transformers.	... ·8 of an anna per unit for the first 80 units per rated H. P. ·6 of an anna per unit from 81 to 150 units per rated H. P. ·5 of an anna per unit for energy above 150 units per rated H. P.	Meter hire Rs. 2 per mensem. Minimum 80 units per rated H. P.

2. The Chief Electrical Engineer states that though the revenue from the existing installations is likely to decline by about a lakh of rupees per annum by the adoption of the above rates yet the proposed reduction in the rates is likely to lead to an increased use and consumption of electric power, and recommends that the above proposals may be given effect to for a period of two years in the first instance.

3. Government after a careful consideration of all the aspects of the case are pleased to sanction the above recommendations of the Committee and direct that these concessional rates may be tried for a period of two years only.

4. The concessional rates sanctioned in paragraph 3 above do not apply to Flour Mills, Irrigation Pumps and Domestic Heating and Cooking Installations.

5. The Chief Electrical Engineer is requested to submit a report as to how the scheme has worked after the expiry of the period of two years referred to in para 3 above.

N. N. AYYANGAR,
Secretary to Government,
Electrical Department.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Issues a Commission under Section 99, Land Revenue Code, to Mrs. Kamalajammanniavaru, investing her with certain powers in respect of Kogilur village.

READ—

Letter No. C. 1031—35-36, dated 10th September 1935, from the Revenue Commissioner, recommending sanction to the grant of a Commission under Section 99 of the Land Revenue Code, to Mrs. Kamalajammanniavaru in respect of her inam Kogilur village in Krishnarajanagar Taluk, investing her with powers under Clauses (*b*), (*d*). (*e*) and (*f*) of the said section.

ORDER No. R. 1861-62—L. R. 22-35-5, DATED BANGALORE, THE 25TH SEPTEMBER 1935.

Government are pleased to sanction the recommendation of the Revenue Commissioner and to issue the accompanying Commission to the inamdar.

K. V. ANANTARAMAN,
Chief Secretary to Government.

ANNEXURE.

COMMISSION GRANTED UNDER SECTION 99 OF THE LAND REVENUE CODE, REGULATION IV OF 1888.

To
Mrs. Kamalajammanniavaru,
Care of R. Puttaraj Urs, Esq., M.A., B.L.,
Subordinate Judge, Bangalore.

By virtue of the powers vested in them by the Land Revenue Code, the Government of His Highness the Maharaja of Mysore are pleased to confer on you, Mrs. Kamalajammanniavaru, the following powers specified in Clauses (*b*), (*d*), (*e*) and (*f*) of Section 99 of the Mysore Land Revenue Code to be exercised within the limits of the inam village of Kogilur in Krishnarajanagar Taluk :—

(*b*) To attach the property of persons making default in the payment of Land Revenue or rent due to you in the said village ;
(*d*) To exercise the powers of a Deputy Commissioner under Sections 63 and 64 ;
(*e*) To receive notices of relinquishment under Section 71 and to determine the date up to which such notices shall be received as in that section provided ; and
(*f*) To take measures for the maintenance and repair of boundary marks in the manner provided for Survey Officers in Section 130.

II. The abovementioned powers delegated to you are vested in you during the pleasure of and subject to recall, by the Government of His Highness the Maharaja of Mysore.

By Order,
K. V. ANANTARAMAN,
Chief Secretary to Government.

Issues a Commission under Section 99, Land Revenue Code, to Mr. S. Shamanna, investing him with certain powers in respect of his vritties in Honganahalli and Kanivekoppal villages.

READ—

Letter No. C. 855—35-36, dated the 9th September 1935, from the Revenue Commissioner in Mysore, recommending sanction to the grant to Mr. S. Shamanna, a Commission under Section 99 of the Land Revenue Code in respect of his vritties Nos. 6, 7 and 8 of Honganahalli and Kanivekoppal villages of Krishnarajapet Taluk, investing him with powers under Clauses (*a*) to (*f*) of that section.

ORDER NO. R. 2178-79—L. R. 22-35-6, DATED BANGALORE, THE 3RD OCTOBER 1935.

Government are pleased to sanction the recommendation of the Revenue Commissioner and to issue the accompanying Commission.

K. V. ANANTARAMAN,
Chief Secretary to Government.

ANNEXURE.

COMMISSION GRANTED UNDER SECTION 99 OF THE LAND REVENUE CODE, REGULATION IV OF 1888.

To

Mr. S. Shamanna, B.A.,
Financial Secretary to Government,
Kankanhalli Road, Basavangudi, Bangalore.

By virtue of the powers vested in them by the Land Revenue Code, the Government of His Highness the Maharaja of Mysore are pleased to confer on you, Mr. S. Shamanna, the following powers specified in Clauses (*a*) to (*f*) of Section 99 of the Mysore Land Revenue Code, to be exercised in respect of your vritties Nos. 6, 7 and 8 in Honganahalli and Kanivekoppal villages in Krishnarajapet Taluk :—

Clause (*a*) To demand security for the payment of the land revenue or rent due to you and if the same be not furnished, to take such action, as the Deputy Commissioner is authorised to take under Sections 147 to 149 except the power to fine under para 3 of Section 149 or to sell the crop under Section 149.

(*b*) To attach the property of persons making default in the payment of land Revenue or rent due to you in the said villages ;

(*c*) To fix from time to time the times at which and the instalments in which the land revenue or rent due to you shall be payable ;

(*d*) To exercise the powers of a Deputy Commissioner under Sections 63 and 64 ;

(*e*) To receive notices of relinquishment under Section 71 and to determine the date up to which such notices shall be received as in that section provided ; and

(*f*) To take measures for the maintenance and repair of boundary marks in the manner provided for Survey Officers in Section 130.

II. The abovementioned powers delegated to you are vested in you during the pleasure of and subject to recall by the Government of His Highness the Maharaja of Mysore.

By Order,
K. V. ANANTARAMAN,
Chief Secretary to Government.

Orders the continuance until the close of the official year 1935-36, the concessions in connection with the economic depression sanctioned from time to time.

READ—

Letter No. C. 1150—35-36, dated 26th September 1935, from the Revenue Commissioner, recommending that the concessions sanctioned by Government from time to time, to afford relief to the raiyats on account of the economic depression may be continued until the close of the official year 1935-36, as the economic conditions have not materially improved.

ORDER NO. CAMP R. 33-42—L. R. 117-35-2, DATED CAMP MYSORE, THE 6TH OCTOBER 1935.

Government are pleased to sanction the continuance of the following concessions until the close of the official year 1935-36 :—

I. Recovery of Land Revenue Assessment.

1. All Notice and Isthihar fees to be invariably remitted if the arrears are paid before the end of the official year, the power to remit such fees being vested in the Amildar.

2. In cases where lands have been brought to sale and resumed to Government for want of bids and the parties after payment of all arrears and costs, apply for restoration of khate within a reasonable time, no penalty by way of levy of an upset price or otherwise to be recovered for such restoration.

3. Forfeiture of lands for arrears of land revenue to be confined to those survey numbers in a khate on which arrears are known to have accrued.

4. Where lands are resumed to Government after forfeiture and the khatedar or other person interested applies for the restoration of one or more of the survey numbers in the khate paying the arrears due on such survey number or numbers, such restoration to be permitted even if the arrears on the remaining survey numbers in the khate were not cleared.

5. Deputy Commissioners to make a liberal use of the powers vested in them under Rule 35 of the Land Revenue Rules as regards the remission of arrears without recourse to further process by distraint of moveables or by proceeding against the other properties of the defaulter in cases where a holding which has been forfeited for default in payment of land revenue due thereon is not sold or when the sale proceeds thereof are not sufficient to meet the arrear.

6. Notice fee leviable under Section 158 of the Land Revenue Code to be fixed at four annas irrespective of the amount of revenue due.

7. Time to be allowed at the discretion of Deputy Commissioners for the payment of land revenue proper in the case of persons who have to make large payments.

II. Takavi, Land Improvement and Fruit Culture Loans.

1. Amildars to be allowed in their discretion to suspend the repayment of the instalments due for the current year and in special cases to suspend the repayment of one annual instalment in arrear, if such repayment is found to be unduly burdensome, the relief being given only on the application of the party.

2. Rates of ordinary and penal interest on Land Improvement Loans issued from 1st January 1934 to be reduced from six and a half per cent and eight per cent to five and a half per cent and six and a half per cent, respectively.

3. Rate of ordinary interest on Takavi Loans to be reduced to four per cent per annum and the rate of penal interest thereon from eight per cent to six and a half per cent.

III. Contribution for Tank Restoration and Tank Maintenance Charges.

In regard to the recovery of contribution for tank restoration where it has to be paid in instalments and also of tank maintenance advances, Deputy Commissioners to give time for payment in appropriate cases.

K. V. ANANTARAMAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Conduct of criminal prosecutions instituted against public servants for offences alleged to have been committed in their official capacity.

READ—

Government Order No. P. 4966-5045—Cts. 76-23-12, dated 10—19th March 1924, promulgating the rules for the conduct of legal affairs of Government.

2. Correspondence ending with letter No. C2. 539-34, dated 16th August, 1935, from the Inspector-General of Police, soliciting sanction of Government for certain rules being issued in the matter of legal assistance to police officers in criminal prosecutions launched against them.

ORDER NO. P. 2185-2242—LAW 214-34-4, DATED BANGALORE, THE 26TH SEPTEMBER—1ST OCTOBER 1935.

The need for a set of rules prescribing the procedure to be followed by public servants in moving Government to undertake their defences in criminal cases launched against them has been felt on many an occasion. The Inspector-General of Police has proposed a set of rules applicable to his department for being incorporated in the Police Manual. Government however consider that a general set of rules applicable to all departments is to be preferred and they accordingly direct the promulgation of the rules appended to this order, the said rules being treated as Part III of the Rules for the conduct of the legal affairs of Government, published with the Government Order of 19th March 1924, read above.

H. V. RAMASVAMI,
Secretary to Government,

APPENDIX.

PART III.

Conduct of criminal prosecutions instituted against public servants for offences alleged to have been committed in their official capacity.

---

(1) When a public officer is prosecuted criminally for an offence alleged to have been committed in his official capacity, he may, if he is willing to bear the cost of his defence, make his own arrangements for his legal assistance. If, however he desires that the whole or any part of the cost of his defence shall be borne by Government, he shall observe the procedure prescribed below:—

(2) He shall, collect with the least practicable delay, all the information regarding the facts of the case which he can procure.

(3) He shall, immediately after being first apprised of the institution of a complaint against him, submit the following papers through the ordinary channel of communication to the Head of his Department:—

(*a*) A copy of the complaint together with its enclosures, if any.

(*b*) A translation of the same into English when it is in vernacular, the more important of the statements marked distinctly and notes being added in the margin whether such statements are correct or not, and if not, in what respects they are inaccurate.

(*c*) A full and detailed statement—

- (i) of the circumstances which led to the prosecution ;
- (ii) of the course proposed to be adopted, *viz.*, whether to admit, compromise or defend the prosecution and of the reason for the same ; and
- (iii) of the evidence to be adduced.

(*d*) If the case is based on documentary evidence, copies of the documents (or the originals) relied on by the prosecution (if procurable) and by the defence.

(*e*) All the correspondence relating to the transaction alleged, with a request to move Government either to undertake the defence of the case on his behalf or to authorise him to engage his own counsel at Government cost.

(4) The Head of the Department shall forward to the Government, the papers received with his own recommendation whether the officer concerned should be defended at the cost of Government or not.

(5) In sanctioning the defence at Government cost, Government may either direct the Public Prosecutor or the Government Advocate as the case may be, to be engaged for the defence or direct the officer to engage his own counsel subject to such conditions and restrictions as to cost or otherwise that may be imposed in this behalf.

In simple cases against police officers, departmental aid will suffice and the defence may with the express sanction of the District Superintendent of Police, be undertaken by an Inspector (other than the Prosecuting Inspector) or other experienced officer.

(6) When the defence of the officer is sanctioned by Government, the question whether the whole or part of the cost incurred should be borne by Government, will be determined after the termination of the case.

(7) The fees to be paid in case the Public Prosecutor or Government Advocate is engaged for the defence shall be regulated by Rules 56, 57 and 58.

(8) Whenever Legal Practitioners other than the Public Prosecutor or the Government Advocate are engaged, the fees payable shall be settled and got approved by Government prior to their engagement.

(9) Any accused officer who engages legal assistance without obtaining sanction of Government will be held to have waived any claim he might otherwise have possessed to have the cost of his defence borne by Government.

(10) In all cases in which the defence has been undertaken by Government, a certified copy of the judgment shall be sent for information of Government as soon as the case is disposed of.

(11) The above rules shall apply *mutatis mutandis* to appeals, revisions and other proceedings arising out of criminal cases against public officers.

DEVELOPMENT SECRETARIAT

Directs that the Honnali Minor Municipal Council be superseded for a period of two years.

READ—

Correspondence ending with letter No. M3. C. 1889-433—34-35, dated the 16th August 1935, from the Deputy Commissioner, Shimoga, reporting on the irregularities committed by the Vice-President of the Honnali Minor Municipal Council in respect of expenditure of municipal funds, etc., and suggesting that the Municipal Council be superseded for reasons given.

ORDER No. L. 2462-5—ML. 94-35-4, DATED BANGALORE, THE 4TH OCTOBER 1935.

The Deputy Commissioner, Shimoga, reported that certain irregularities on the part of the Vice-President, Mr. Basavannappa of the Honnali Municipal Council, having been brought to his notice, an enquiry was held by the Sub-Division Officer, Shimoga, under his directions, and that the following irregularities were brought to light:—

(1) That the Vice-President drew advances before estimates for works were sanctioned by the Municipal Council and kept the money with him in his house for long periods without properly accounting for them.

(2) That he carried out works *amani* in spite of the resolutions of the Municipal Council that tenders should be called for.

(3) That he failed to produce vouchers for payments made in some cases and that he produced defective and fictitious vouchers and nominal rolls in some cases.

(4) That he had monetary dealings with his subordinates and that he had appropriated for his own use the pay of Sivappa, octroi mutsadi on leave, for November 1934, showing it in the petty cash book as having been disbursed while in fact it was not.

2. These irregularities were communicated to the President for ascertaining what action the Municipal Council proposed to take against the Vice-President. The Municipal Council considered the matter at a special meeting held on 2nd May 1935, and passed a resolution to the effect that Mr. Basavannappa, Vice-President, was looking after the work of the Municipality with earnestness, that the income of the Municipality had improved during his time, that he had executed public works without any loss to the Municipality, that the irregularities pointed out were wrongly attributed to him and that his conduct had been absolutely free from blame.

3. In submitting the above resolution to Government, the Deputy Commissioner stated that the resolution was in general terms and was a deliberate misrepresentation of the real situation, that the Municipal Council also disregarded the report of Audit conducted by the Local Audit Department staff of the Comptroller's Office in February 1935, which emphasised some of the irregularities referred to above and that the personnel of the Municipal Council left much to be desired as there were no public-spirited men in the Council who would place public interests above party feelings. To avoid the Municipal Administration getting into further disrepute, he recommended that the Municipal Council might be declared as not competent to discharge its functions and be superseded under Section 42 (1) of the Minor Municipalities Regulation 1933, for a period of three years.

4. The above recommendation was followed up by a report from the Deputy Commissioner that after the close of the meeting of the Municipal Council held on 25th June 1935, the Vice-President got at the Proceedings book, entered a fresh subject regarding the work of the President and recorded a resolution almost amounting to a vote of no confidence against him and got it signed by his partisan Councillors.

5. On receipt of the above communications, Government asked the Deputy Commissioner to issue a notice to the Municipal Council to show cause why it should not be superseded in the circumstances reported. On receipt of this notice, the Municipal Council passed a resolution reiterating their previous resolution regarding the work of the Vice-President and stating that the Council had in no instance exceeded its powers or acted arbitrarily and that the charge of maladministration levelled against it was unfounded and prejudiced. This resolution was proposed by the Vice-President and passed by a majority of seven Councillors who were all his partisans, as against the remaining four dissenting. In forwarding this resolution, the Deputy Commissioner has observed that it only emphasises the perverse attitude of the majority of the members

their inability to look at any question with an open mind and has repeated his recommendation for superseding the Municipal Council. It has also been reported that the Vice-President Mr. Basavannappa having since ceased to be such owing to continuous absence for over fifteen days, a re-election was held in which he was returned again as Vice-President.

6. After a careful consideration of all aspects of the case, Government agree with the Deputy Commissioner that the attitude of the Honnali Municipal Council is entirely perverse and that the Council has failed to place public interests above party feelings and shown itself to be not competent to discharge the duties imposed on it. Accordingly by virtue of the powers vested in them under Section 42 (1) of the Minor Municipalities Regulation 1933, they hereby declare the Honnali Minor Municipal Council to be incompetent and direct that it shall be superseded for a period of two years from the date of publication of this order in the Gazette. The powers and duties of the Municipal Council, will, during the period of supersession, be exercised and performed by the Amildar, Honnali Taluk.

7. Sanction is accorded to the appointment of a Revenue Inspector on Rs. 40 *plus* Rs. 10 per mensem during the above period to help the Amildar in administering the Municipality and to attend to the collection work. The expenditure on account of his salary will be met from the funds of the Municipality.

8. The Deputy Commissioner, Shimoga, is requested to forward a report to Government two months before the expiry of the period referred to above, as to how the arrangement has worked, along with the recommendations for the future.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

BANGALORE, THURSDAY, OCTOBER 17, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Sanctions the privilege of Khasa Hara at Durbars to Mr. Meer Mahomed, Coffee Planter and Member, Mysore Representative Assembly.

READ—

Government Order No. 2209-60—P. P. 34-30-5, dated 25—27th November 1930, sanctioning the grant of the following privileges to persons who have served as members of the Representative Assembly for 20 years and over:—

1. Khasa Hara at Durbars.
2. Inclusion in Class IV, Part II of the Precedence List.

2. Correspondence ending with demi-official letter No. 211, dated 26th September 1935, from the Deputy Commissioner, Kadur District, recommending the grant of the privileges referred to above to Mr. Meer Mahomed, Coffee Planter and Member, Mysore Representative Assembly, Dupadagiri Estate, Tarikere, on the ground that he has been a member of the Mysore Representative Assembly for a period of 20 years.

ORDER No. RL. 218-21—R. A. 17-35-4, DATED BANGALORE,
THE 8TH OCTOBER 1935.

His Highness the Maharaja is pleased to direct that Mr. Meer Mahomed, Coffee Planter and Member, Mysore Representative Assembly, be given the privileges of Khasa Hara at Durbars and that his name be included in Class IV of Part II of the Durbar Precedence List.

K. V. ANANTARAMAN,
Chief Secretary to Government.

DEVELOPMENT SECRETARIAT

Approves of the Forest Settlement of the Chowdasandra Plantation in the Sidlaghatta Taluk.

READ—

Government Notification No. G. 12806—Ft. 307-30-2, dated 30th June 1931, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Chowdasandra Plantation in the Sidlaghatta Taluk.

2. Letter No. C. 811—35-36, dated 22nd August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests, is agreeable to the issue of the final notification in the matter.

ORDER No. G. 2809-12—Ft. 86-35-2, DATED BANGALORE, THE 2ND—11TH OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Kolar District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 2813—Ft. 86-35-3, dated 2nd—11th October 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

BY Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

District	Taluk	Hobli	Village	Area		Name of block	Situation
				A.	G.		
Kolar	Sidlaghatta	Kasaba	Chowdasandra	110	10	Chowdasandra Plantation 0·171 Square miles.	This is an existing plantation under the management of the Forest Department and is well fenced all round with aloe hedges.

Situation.—The plantation is situated at a distance of about 2½ miles south-west to Sidlaghatta Town on Sidlaghatta-Melur Road.

BOUNDARIES.

North.—Starting from the junction gadi bandh of Kayamgutta Hanumanpalli and Kayamgutta Keshapura, the line runs south-east, north-east and south-east along the southern boundary of the latter village to the junction gadi bandh of Kayamgutta Keshapur, Chowdasandra and Kokkeramakalahalli villages.

East.—Then the line turns south-west and runs along the western boundary of Kokkeramakalahalli village to the northernmost corner of Survey No. 23 of Chowdasandra village; then in the same direction along the western boundary of Survey No. 23 of Chowdasandra to the junction gadi bandh of Survey Nos. 22 and 21 of the same village; then slightly south-west along the northern boundary of Survey Nos. 21, 20 to the junction bandh of Survey Nos. 20 and 19; then south-west along the western boundary of Survey Nos. 19, 18, 17 and 16 of Chowdasandra to the junction bandh of Survey Nos. 16, 241 of the same village.

South.—Then the line turns west and runs along the lane leading from the village to Malur-Sidlaghatta Road to meet the eastern gadi of Kayamgutta Hanumanpalli.

West.—Then the line turns north-east and runs along the eastern boundary of Kayamgutta Hanumanpalli till it meets the starting point.

Approves of the Forest Settlement of the Nandagudi Forest Blocks 'A' and 'B' in the Hoskote Taluk.

READ—

Government Notification No. G. 1569—Ft. 55-33-2, dated 2nd September 1933, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Nandagudi Forest Blocks 'A' and 'B' in the Hoskote Taluk.

2. Letter No. C. 579—35-36, dated 3rd September 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 2814-7—FT. 101-35-2, DATED BANGALORE, THE 2ND—11TH OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting each of the blocks a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the blocks in the villages concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

BOUNDARIES.

'A' Block.

North.—Starting from the south-west corner of Survey No. 179 of Nandagudi, the line runs east and south-east along its southern boundary for about 30 chains to the north-west corner of Survey No. 177 of the same village; then south along the western boundary of Survey No. 177 of Nandagudi for about 33 chains to its south-west corner; then east along its southern boundary for about 38 chains to the south-west corner of Survey No. 157; then south-east through Survey No. 116 for about 9 chains to south-west corner of Survey No. 117; then south-east through Survey No. 116 for about 13 chains in a straight line, crosses Bangalore-Chintamani Road and runs through Survey No. 115 of Nandagudi to westernmost corner of Survey No. 112.

East.—Then slightly south-east along the western boundary of Survey No. 112 for about 10 chains to its south-west corner; then south-east along its southern boundary to a point about 1 chain south-west from the south-west corner of Survey No. 104 of Nandagudi; then south-west through Survey No. 79 of Chokkasandra for about 28 chains to a point about 5 chains north-west from the north-west corner of Survey No. 80 of Chokkasandra.

South.—Then west through Survey No. 79 and 78 of Chokkasandra for about 25 chains to a point about 5 chains north from the north-east corner of Survey No. 64 of Chokkasandra; then slightly north-west through Survey No. 78 for about 9 chains to a point about 5 chains north-east from the north-west corner of Survey No. 68 of Chokkasandra: then crossing the Bangalore-Chintamani Road runs in the same direction through Survey No, 77 of Chokkasandra for about 21 chains to a point about 5 chains north-west from the north-west corner Survey No. 69 of Chokkasandra, then south-west through Survey No. 77 for about 15 chains to a point about 5 chains north-west from the north-east corner of Survey No. 74; then south-west through Survey No. 77 of Chokkasandra and 24 of Bavapura for about 37 chains to a point about 5 chains north-east from the north-east corner of Survey No. 9 of Bavapura; then north-east through Survey No. 24 for about 20 chains to a point about 5 chains north-east from the north-east corner of Survey No. 7 of Bavapura.

West.—Then north through Survey No. 24 and 50 of Bavapura for about 33 chains to a point about 6 chains north east from the north-east corner of Survey No 47 of Bavapura; then north-west through Survey No. 50 for about 3 chains to a point about 5 chains north from the north-west corner of Survey No. 47 of Bavapura: then north-east and north-west along the eastern and southern boundaries of Buvanahalli and Chinsandra villages respectively, for about 66 chains to the starting point.

'*B*' *Block.*

North.—Starting from the junction gadi bandh of Kayamgutta Ittasandra and jodi inam Geddalahalli, the line runs south-east along the southern boundary of latter jodi village for about 33 chains to the north-west corner of Survey No. 235 of Nandagudi; then south-east and east along the western and southern boundaries of Survey No. 235 to the north-west corner of Survey No. 233; then south-west and east along the western and southern boundaries of Survey No. 233 to the north-west corner of Survey No. 230; then south-west and south-east along the western boundaries of Survey Nos. 230 and 229 to the south-west corner of Survey No. 229; then east along the southern boundary of Survey No. 229 to its south-east corner; then north and east along its eastern boundary to its easternmost corner; then north-east along the eastern boundary of Survey Nos. 229, 230 and 231 to the south-west corner of Survey No. 248 (New cultivation); then south-east and north-east along its southern and eastern boundary to its easternmost corner.

East.—Then south-east and south along the western boundary of Survey No. 277 (Tank) for about 31 chains and meets the halla; then south-west along the halla for about 13 chains to the north-east corner of Survey No. 216.

South.—Then north-west along the northern boundary of Survey Nos. 216, 217, 215, 214, 213, 210, 209, 205, 206 and the old village site to the north-west corner of the village site; then south-west along the western boundary of the village site to its south-west corner; then east, south-east and east along the southern boundary of the village site and Survey No. 207 to the south-east corner of Survey No.207; then south-west along the western boundary of Survey Nos. 206, 203 and 202, to the south-west corner of the last named survey number; then north-west along the northern boundary of Survey Nos. 201 and 200 to the south-west corner of Survey No. 185 of Nandagudi.

West.—Then east along the southern boundary of Survey No. 185 to its south-east corner; then north-west along the eastern boundary of the said survey number to its north-east corner; then north-east along the eastern boundary of Kayamgutta Ittasandra village for about 38 chains to the starting point.

Remarks.—The following rights of ways are admitted:—

Number 1 for men and cattle, 2 and 4 for men only for worship and 3 for men, cattle and carts throughout the year:—

I. (1) Foot-path from Bavapura to Nandagudi, 2 yards wide and 71 chains long open for men and cattle only throughout the year. It enters the Forest 'A' Block in its western boundary at a point about 9 chains east from the north-east corner of Survey No. 51 of Bavapura, runs north-east through Survey Nos. 50 of Bavapura and 178 of Nandagudi and quits the Forest in its northern boundary at a point about 1 chain north from the south-west corner of Survey No. 177 of Nandagudi.

(2) Foot-path from Bavapura and Muneswaranagudi in Survey No. 178 of Nandagudi, 2 yards wide and 35 chains long, open for men only for worship throughout the year. It enters the Forest 'A' Block in its western boundary at a point about 7 chains north from the north-west corner of Survey No. 8 of Bavapura, runs north-east through Survey Nos. 24 and 50 of Bavapura and 178 of Nandagudi to the above said temple.

(3) Cart-track from Nandagudi to Ramagovindapura, 6 yards wide and 23 chains long open for men, cattle and carts throughout the year. It enters the Forest 'B' Block in its southern boundary at the north-west corner of the old village site of Nandagudi, runs north-west through Survey No. 208 of Nandagudi and quits the Forest in its western boundary at a point about 1 chain north-east from the north-east corner of Survey No. 185 of Nandagudi.

(4) Foot-path from Nandagudi to Biredevaragudi in Survey No. 228 of Nandagudi, 2 yards and 11 chains long open for men for worship throughout the year. It enters the Forest 'B' Block in its eastern boundary at a point about 3 chains north-east from the north-east corner of Survey No. 216 runs north through Survey No. 228 to the abovesaid temple.

II. (1) The villagers of Bavapura and Nandagudi are allowed to take their cattle and sheep only for water to Mariappankunte in Survey No. 178 of Nandagudi throughout the year by the existing foot-path referred to in item No. I (1) above.

(2) The following temples with one acre of land around is reserved for the use of the villagers for worship and are treated as enclosures:—

(*a*) Muneswaranagudi in Survey No. 178 of Nandagudi.

(*b*) Biredevaragudi in Survey No. 228 of Nandagudi.

III. Right of way over the existing Bangalore-Kolar Road is allowed for men, cattle and carts throughout the year.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in Nandagudi State Forest of Hoskote Taluk, Bangalore District.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Challapure Gowda, Patel and others of Bavapura.	27th August 1934.	Praying (1) for the release of 80, acres, out of Survey No. 50 of Bavapura included in the proposed Nandagudi Block for their use. (2) For a right of way to take their cattle to Mariyappankunte in Survey No. 178 of Nandagudi for water. (3) For a right of way to go to Muneswarangudi in Survey No. 178 of Nandagudi for worship.	Written Statement of the villagers presented at the time of forest settlement.	(1) There is enough and more gomal land left for this village. The said difficulty of going to the gomal area during rainy season is more imaginary than real. The area of 80 acres that they ask for is really good forest area and cannot be excluded. (2) The right of way that the villagers ask for may be granted. (3) The right of way that the villagers ask for may be granted.	(1) I agree with the Forest Officer. The representation of the villagers are untenable and hence cannot be granted. A margin of five chains all along the hiduvali lands may be left. (2) A right of way over a footpath from Bavapura to Nandagudi through Survey No. 50 of Bavapura and 178 of Nandagudi, 2 yards wide and 71 chains long, is allowed for men and cattle only throughout the year. (3) A right of way over a footpath from Bavapura, to Muneswarangudi, in Survey No. 178 of Nandagudi through Survey No. 50 of Bavapura and 178 of Nandagudi, 2 yards wide and 35 chains long, is allowed for men for worship throughout the year. (4) The villagers of Bavapura are allowed to take their cattle for water to Mariappankunte, in Survey No. 178 of Nandagudi, through the existing foot-path from Bavapura to Nandagudi referred to above.	...
2	Mr. Chik Munisamappa and others of Nandagudi.	27th August 1934.	Praying (1) for the exclusion of 150 acres of land out of Survey No. 178 near Mariyappankunte for their use. (2) For reservation of Biredevaragudi with 25 acres of land all round it for worship and for a right of way to the said temple. (3) For a right of way to go to kane and the cart-track by the side of the tank. (4) For the complete exclusion of Survey No. 208, for their cattle pen and farm-yard. (5) For a right of way over a cart-track from Nandagudi to Ramegovindapura.	Do	(1) There is enough gomal land allowed as per rules. Their prayer for the grant of 150 acres more on the ground that the village is likely to extend later on, does not seem to be reasonable at present. Moreover it is a very good forest area. This cannot be granted. (2) A right of way to Mariappankunte only for taking cattle may be allowed. (3) A right of way up to the Temple of Biredevaragudi may be allowed. This is not a Muzrai Temple, nor is it in a prosperous condition. What is needed may be an area of one acre at the most around the temple which may be allowed and this area may be treated as an enclosure. (4) There are two paths in use on each side of the tank to approach the Kan areas and there is no third path in use. Why this new right of way is now insisted upon cannot be made out. This is only to cause inconvenience. Moreover, it is a bit with good, forest growth and sandal. The area cannot be excluded at all. There is no obstruction for the village cattle to move about. (5) The hullu hithalus (farm-yards) said to have been occupied has been done so by the villagers unauthorisedly. This bit forms the richest portion of the block with superfine sandal and other trees. This cannot be excluded on any ground whatsoever. (6) There is no path in use now and there is no reason why a new path should be allowed now.	(1) I agree with the Forest Officer. The prayer of the villagers are unreasonable. The area asked for exclusion is a very good forest area containing rich growth of young sandal and other trees hence cannot be granted. (2) The villagers are allowed to take their cattle for water to Mariappankunte, in Survey No. 178, through the existing path from Bavapura to Nandagudi over which the right of way is allowed. (3) Right of way over a footpath from Nandagudi to Biredevaragudi (Temple) in Survey No. 228 of Nandagudi 2 yards wide and 11 chains long, is allowed for men for worship only throughout the year. An area of one acre of land all round the temple will be reserved for the use of the villagers and will be treated as enclosure. (4) As there are already two paths in use on both sides of the tank to approach the Kan areas, there is no necessity for a right of way over a third path in Survey No. 228, as it is not in existence. Besides this is a very good forest area containing richest growth of sandal and forest trees. Hence the prayer of the villagers cannot be granted. (5) I agree with the Forest Officer. Simply because the villagers have occupied the Survey No. 208 of Nandagudi for a farm-yard, it is no authority. This survey number contains very rich growth of superfine sandal and forest trees. Hence the prayer of the villagers cannot be granted. (6) Right of way over a cart-track from Nandagudi to Ramagovindapura, through Survey No. 208 of Nandagudi, 6 yards wide and 23 chains long, is allowed for men, cattle and carts throughout the year, as it is found necessary and in use. (7) An extent of four acres of land granted in Survey No. 228 of Nandagudi, before the block was notified under Section 4 of the Mysore Forest Regulation, has now been excluded from the Forest.	...

STATEMENT B.—*concld.*

Register of claims to lands, rights to forest produce, or easements in Nandagudi State Forest of Hoskote Taluk, Bangalore District.

1	2	3	4	5	6	7	8
3	Mr. Papegowda, Patel and others of Choksandra.	27th August 1934.	Praying for the release of three acres of land in the proposed forest for an approach road to Bangalore-Kolar Road (Kadapa Road).	Written Statement of the villagers presented at the time of Forest Settlement.	The right of way for the approach road within the Forest boundary may be allowed. There is no reason to grant three acres of land as prayed for, for this purpose.	There is no necessity for exclusion of three acres of land from the proposed forest area. A margin of five chains may be left along the hiduvali lands as per rules. As the approach road falls outside the forest boundary after five chains margin is left, no right of way is necessary. Muneswarangudi in Survey No. 178 of Nandagudi with one acre of land all round it is reserved for the use of the villagers for worship and is treated as enclosure. Right of way over the existing Bangalore-Kolar Road, is allowed for men, cattle and carts throughout the year.	...

Records the returns under Section 15 of the Workmen's Compensation Regulation for the year 1933-34.

READ—

Letter No. Fl.-W. C. A. dated the 7th August 1935, from the Commissioner for Workmen's Compensation, submitting the consolidated statement* of returns under Section 15 of the Workmen's Compensation Regulation for 1933-34.

*(Printed as annexure).

ORDER No. D. 1943-51—I. & C. 36-35-3, DATED BANGALORE, THE 18TH SEPTEMBER 1935.

Recorded.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Letter No. Fl.-W. C. A. of 35-36, dated the 7th August 1935, from the Director of Industries and Commerce in Mysore, to the Secretary to Government, Development Department.

Annual Return under Section 15 of the Workmen's Compensation Regulation for the year 1933-34.

I have the honor to enclose herein for the information of Government, a consolidated statement of annual return received under Section 15 of the Workmen's Compensation Regulation for the year 1933-34.

There were in all 2,910 cases of injuries by accident in respect of which a total sum of Rs. 81,630-9-2 was paid as compensation by the employers of labour. As compared with the year 1932-33, there was a rise in the total number of accidents in respect of which compensation was paid by 609, and in the total amount of compensation paid by Rs. 7,719-2-0.

During the year under report, there were 53 deaths and in respect of which a sum of Rs. 34,923 was paid as compensation as against Rs. 37,898-3-0 paid during the previous year in respect of 59 cases.

The number of workmen permanently disabled was 70 as against 57 in 1932-33 and 65 in 1931-32. The amount of compensation paid amounted to Rs. 23,880-9-10 as against Rs. 20,012-10-0 during the previous year and Rs. 31,361-13-2 in the year before that.

The total number of cases of temporary disablement rose to 2,787 from 2,185 in 1932-33. The amount of compensation paid amounted to Rs. 22,826-15-4 as against Rs. 16,000-10-2 in 1932-33.

The number of minors who sustained injuries and received compensation fell to 6 from 27 which was the figure in the year before. In all these cases there was only temporary disablement and the amount of compensation paid was Rs. 12 as against Rs. 111-13-9 paid in the year previous.

During the year, no cases were reported of injuries by accident resulting in any occupational diseases specified in schedule III appended to the Regulation.

The total number of registered factories in the State during the year under report was 206 and the annual returns were received from 175 factories. I may mention that it has not been possible to get the returns from all the factories in view of the fact that no penalties have been provided in the regulation for the non-submission of returns. There will be no difficulty in getting the returns from all the factories after the regulation is amended in this respect. I may also state for the information of Government that returns were received from all the mining companies and other concerns in the mining area which do not come under the purview of the Factories Regulation.

Consolidated statement of returns under Section 15 of the Workmen's Compensation Regulation for the year 1933-34.

BANGALORE, THURSDAY, OCTOBER 24, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Administration Report on the working of the Department of Land Records for the year 1934-35.

READ—

Letter No. R. R. 37—35-36, dated the 4th September 1935, from the Director of Land Records, Survey and Settlement in Mysore, submitting the report on the working of the Department of Land Records, Survey and Settlement, for the year 1934-35.

ORDER NO. R. 2356-65—L. S. 26-35-2, DATED BANGALORE, THE 16TH OCTOBER 1935.

Recorded.

2. Mr. G. B. Heblikar, B.A., LL.B., continued to be in charge of the Department throughout the year except for three short periods of leave.

3. *Important measures sanctioned during the year.*—(1) The Record of Rights fees which had been reduced from Rs. 1-12-0 to Rs. 1-8-0 per hissa during the previous year, were further reduced to Rs. 1-4-0 per hissa.

(2) The boundary marks rules were revised in order to fix the responsibility of the landholders to maintain boundary marks in repair and to provide for proper inspection of such marks by various grades of officers.

4. *Field work done during the year.*—(1) Original survey and classification was done in 12 and 11 inam villages respectively, in respect of 4,624 survey numbers comprising an area of 11,714 acres 20 guntas as against 5,848 survey numbers comprising an area of 9,590 acres 35 guntas in the previous year. More than 50 inam villages for which the prescribed fees had been paid remained unsurveyed owing chiefly to indifference on the part of raiyats or dissensions between inamdars and tenants. Orders have since been passed on the recommendations of the Inam Committee directing the compulsory introduction of survey and settlement into inam villages and it is hoped that more rapid progress in this direction will be achieved in future.

(2) The total number of darkhast phode and other records in Government villages disposed of by Surveyors was 8,444 as against 11,259 in the previous

year. The reduction is attributed to several causes, such as the failure of raiyats to construct boundary marks, reduction in the strength of the Land Records, Staff available in the Taluks for this work, paucity of funds for employing paid agency to measure and demarcate the lands of defaulting grantees and the omission on the part of some of the District Survey Officers to have the "phod" effected by the Record of Rights Staff during hissa survey operations. A larger imprest has since been sanctioned for the purpose and the proposals submitted by the Director for speedying up the disposal of these records are under consideration.

(3) Classification work was carried out in respect of 12,025 survey numbers distributed over 1,963 villages comprising an area of 54,692 acres as against 16,383 numbers distributed over 2,750 villages comprising an area of 72,954 acres in the previous year. The reduction in the number classed is said to be due to both measurement and classification done on the same day being treated as measurement only.

(4) The number of encroachments detected by the Land Records Staff attached to the taluks was nearly three times that of the previous year being 831 cases covering an area of 345 acres 3 guntas representing an approximate assessment of Rs. 646-10-3 as against 287 cases comprising an area, of 265 acres 10 guntas with an assessment of Rs. 313-10-6.

(5) Besides the above, cases of hulgaval lands cultivated with coffee, cardamom, etc., to the extent of 177 acres 22 guntas and encroachments to the extent of 112 acres 33 guntas by owners of coffee estates were detected in the Manjarabad Taluk resulting in a net increase of revenue to the extent of Rs. 360 per annum.

5. *Percentage of field work and non-field work.*—While there was an improvement in the number of field days in Mysore, Tumkur, Kolar and Shimoga, there was a slight fall in Chitaldrug and a considerable decrease in Bangalore and Hassan Circles. The District Survey Officers of these circles should be asked to see that "non-field" days are reduced to a minimum.

6. *Remuneration to Patels and Shanbhogs.*—Proposals for the decennial revision of potgi of 1,223 villages in 9 Taluks and supplemental potgi statements of 2 villages were sanctioned. Original potgi in respect of 20 inam villages and revision potgi in respect of 12 inam villages were also sanctioned.

7. *Inams.*—The total number of land inams resumed during the year was 61 resulting in a decrease of about Rs. 234 in the revenue under inam and an increase in the land revenue by about Rs. 593. Four village service inams of an aggregate extent of 15 acres 23 guntas were granted afresh while 16 such inams of an extent of about 144 acres 7 guntas were resumed to Government.

8. *Maps.*—Maps of 907 villages were prepared and the original maps of 853 villages were printed. Some maps were got printed in a local press. The total number of maps sold was 1,341, the amount realised being Rs. 1,842. The total number of maps supplied free was 3,431 valued at Rs. 4,325.

9. *Record of Rights Scheme.*—Hissa survey field work of 12 taluks and one Sub-Taluk was done during the year besides the checking work of 10 taluks and hissa survey field work of 1 inam village. 3,41,974 hissas were measured and 3,77,478 hissas were checked as against 3,78,171 and 3,09,792 in the previous year.

10. *Tours and Inspections.*—The Director toured for 93 days in the year and inspected the field work done by District Survey Officers, Supervisors and Surveyors in all the Districts. He also inspected the work of the Special Deputy Amildars. The number of days spent on tour by District Survey Officer, Kolar, was the highest, namely 200. The District Survey Officer, Mysore, toured only 148 days. The explanation of this officer should be obtained for short itineration and the fall in the number of test inspections carried out by him.

11. The total cost of the Department of Land Records amounted to Rs. 1,53,000 as against Rs. 1,68,000 in the previous year, and the expenditure on the Record of Rights Scheme came to Rs. 2,56,829-15-7 as against Rs. 2,31,051-9-8 in the previous year.

12. The work of the Department continued to be satisfactory.

K. V. ANANTARAMAN,
Chief Secretary to Government.

DEVELOPMENT SECRETARIAT

Approves of the Forest Settlement of the Bilidale or Ramadevarabetta Forest Block in the Kankanhalli Taluk.

READ—

Government Notification No. G. 2110—Ft. 47-34-2, dated 3rd September 1934, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Bilidale or Ramadevarabetta Forest Block in the Kankanhalli Taluk.

2. Letter No. C. 5513—34-35, dated 30th July 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 2896-9—FT. 47-35-2, DATED BANGALORE,
THE 15TH OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 2900—Ft. 47-35-2, dated 15th October 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

BY Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

District	Taluk	Hobli	Village	S. No. and Class	Area		Name of block	Situation
					A.	G.		
Bangalore	Kankanhalli	Kodihalli	Bilidale	Kharab 32 part.	275	0	Bilidale block or Ramadevarabetta Extension.	This block is situated at a distance of 17 miles south-east of Kankanhalli Town and 7 miles east of Kodihalli and abuts the eastern boundary of Ramadevarabetta State Forest.
				Do 15 part.	10	0		
					285	0		

BOUNDARIES.

North.—Starting from the south-west gadi bandh of Kolagondanahalli village, the line runs east in a straight line along the southern boundary of Kolagondanahalli village to a point about 41 chains west from the north-west corner of Survey No. 4 of Bilidale village.

East.—Then south-west through Survey No. 32 and 15 of Bilidale in a straight line for about 74 chains and meets the western boundary of Manjanatha State Forest

South.—Western boundary of Manjanatha State Forest.

West.—Eastern boundary of Ramadevarabetta State Forest.

Remarks,—The following rights are admitted within the block:—

(1) Foot-path from Bilidale to Bheemagondanahalli—six feet wide and 33 chains long, open for men and cattle throughout the year. It enters the Forest in its eastern boundary at a point about 40 chains west from the south-west corner of Survey No. 51 of Bilidale, runs through Survey No. 32 and 15 of Bilidale and quits the Forest in its western boundary at the junction of Ramadevarabetta and Manjanatha State Forests.

(2) Foot-path from Bilidale to Hosadurga—six feet wide and 39 chains long, open for men only throughout the year. It enters the Forest in its eastern boundary at a point about 40 chains west from the south-west corner of Survey No. 51 of Bilidale, runs through Survey No. 32 of Bilidale and quits the Forest in its western boundary at a point about 12 chains north-west from the junction of Ramadevarabetta and Manjanatha State Forests.

3. Right of way to Channamaregowdanbhavi in Survey No. 15 of Bilidale. The villagers of Bilidale are allowed to take their cattle for water to the said well through the foot-path leading from Bilidale to Bheemagondanahalli referred to above.

The villagers of Bilidale are permitted to remove free of cost from the above said State Forest dry firewood on head loads for their domestic use.

STATEMENT B.

Register of claims to lands, rights to forest produce or easements in the proposed Bilidale Block or Ramadevarabetta Extension State Forest.

Serial Number	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. B. Nanjarajayavaderu, Patel and others of Bilidale village.	10th April 1935.	Praying—(1) For a right of way from Bilidale to Bheemagondanhalli. (2) For a right of way from Bilidale to Hosdurga. (3) For a right of way from Bilidale to Channamaregowdan Bhavi. (4) For the release of 100 acres of land both in Survey No. 32 and 15 of Bilidale village included in the Forest, as the gomal area left for their village is quite insufficient. (5) For the free removal of wood for agricultural implements. (6) For the free removal of firewood for fuel.	Written statement presented by the villagers at the time of settlement on the 10th April 1935.	(1), (2) and (3) Right of way over the existing paths may be allowed. (4) As represented by the villagers of Bilidale at the time of settlement that an extent of 1,823 acres 8 guntas of land has already been taken up for Manjanatha State Forest both out of gomal and kharab lands of the village and if another 385 acres of land again be taken to Ramadevarabetta Forest Extension, they will have only very small area out of gomal and kharab lands which is quite insufficient for grazing of their existing cattle and for cultivation respectively. I am agreeable for the exclusion of 100 acres of land out of Survey No. 32 and 15 included in the proposed forest as prayed for by the villagers. (5) As the villagers have got still about 349 acres of kharab and gomal land left on Dt Jungle which can yield enough of wood for their agricultural implements, the concession prayed for need not be granted. (6) Free removal of only dry fuel on head loads from the above forest may be allowed.	Right of ways over the under-mentioned paths are admitted:— (1) Foot-path from Bilidale to Bheemagondanhalli—through Survey Nos. 32 and 15 of Bilidale, 6 ft. wide and 33 chains long, open for men and cattle throughout the year. (2) Foot-path from Bilidale to Hosdurga through Survey No. 32 of Bilidale, 6 ft. wide and 39 chains long, open, for men only throughout the year. (3) Right of way to Channamaregowdan Bhavi in Survey No. 15 of Bilidale, is conceded to the villagers to take their cattle for water by the foot-path leading from Bilidale to Bheemagondanahalli referred to above. (4) The villagers represented at the time of settlement that an extent of 1,823 acres and 8 guntas of land out of kharab and gomal of the village for the Manjanatha State Forest has already been taken up and if another 385 acres of land again be taken for Ramadevarabetta Extension, they will have only a small area of gomal and kharab left for their village and which will be quite insufficient for grazing purposes and as well as for cultivation. I find from the above, that the grievances are real and combined. I also see that there is great demand for lands for cultivation. So an extent of 100 acres out of Survey No. 32 and 15 of Bilidale included in the proposed Forest may be excluded and reserved for the use of the villagers. The District Forest Officer is also agreeable to this. (5) As the villagers have got still 349 acres of kharab and gomal left for them as Dt Jungles which can yield sufficient wood for their agricultural implements, the representation of the villagers cannot be granted. (6) The villagers are allowed to remove from the above Forest dry fuel only on head loads for their domestic use.

Approves of the Forest Settlement of the Devarabetta Forest Block in the Dodballapur Taluk.

READ—

Government Notification No. G. 1732—Ft. 57-33-2, dated 6th September 1933, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Devarabetta Forest Block in the Dodballapur Taluk.

2. Letter No. C. 5061—34-35, dated 5th August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report, on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G. 2908-11—FT. 63-35-2, DATED BANGALORE, THE 2ND—16TH OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the villages concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 2912—Ft. 63-35-3, dated 2nd—16th October 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a " State Forest " subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

SCHEDULE.

District	Taluk	Hobli	Villages	Survey No. and Class	Area	Name of Block	Situation
					A. G.		
Bangalore.	Dodballapur.	Tubagere.	Lagamenhalli ...	Kharab 41 part ...	105 20	Devarabetta Forest Extension.	This block is situated at a distance of about 8 miles north-east of Dodballapur Town and abuts the southern boundaries of Devarabetta and Valse State Forest.
			Gadlapalya ...	Do 28 part ...	510 6		
			Mugachenhalli ...	Do 59 part ...	102 20		
				Total ...	718 6 or 1·2 sq. miles		

BOUNDARIES.

North.—Starting from a point about 5 chains south-east from the north-east corner of Survey No. 38 of Lagamenhalli, the line runs south-east and east along the southern boundaries of Devarabetta and Valse State Forests for about 35 chains and meets the Dodhalla in Survey No. 59 of Mugachenhalli.

East.—Then south and south-west along the Dodhalla for about 115 chains to the south-west corner of Survey No. 52 of Mugachenhalli ; then south-west through Survey No. 28 of Gadlapalya for about 16 chains to the north-east corner of Survey No. 42 of Gadlapalya.

South.—Then south-west along the northern boundary of Survey No. 42 of Gadlapalya for about 11 chains to its north-west corner ; then west through Survey No. 28 of Gadlapalya for about 35 chains to the north-east corner of Survey No. 27; then west along its northern boundary for about 5 chains to its north-west corner.

West.—Then north and north-east along the eastern boundary of Jodi Inam Subrayanagenhalli for about 70 chains to its north-eastern gadi bandh; then north-west for about 6 chains through Survey No. 41 of Lagamenhalli to a point about 5 chains south-east from the south-east corner of Survey No. 51 of Lagamenhalli; then north-east through Survey No. 41 for about 32 chains to a point about 6 chains south-east from the north-east corner of Survey No. 50; then east for about 8 chains through Survey No. 41 to a point about 6 chains south-east from the south-east corner of Survey No. 42; then north-east through Survey No. 41 for about 8 chains to a point about 5 chains east from the south-east corner of Survey No. 38; then north-east through Survey No. 41 for about 13 chains to a point about 5 chains east from the easternmost corner of Survey No. 38; then north-west through Survey No. 41 for about 7 chains to the starting point.

Remarks.—Right of ways over the undermentioned paths are admitted:—

(1) Foot-path from Mugachenhalli to Lagamenhalli.—Six feet wide and 51 chains long, open for men and cattle only throughout the year. It enters the Forest in its eastern boundary at a point about 12 chains north-west from the north-east corner of Survey No. 60 of Mugachenhalli, runs north-west through Survey No. 59 of Mugachenhalli and 41 of Lagamenhalli and quits the Forest in its western boundary at a point about 13 chains north-east from the south-east corner of Survey No. 42.

(2) Cart-track from Juganhalli to Ayyammanhalli.—Six yards wide and 57 chains long, open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 31 chains north from the north-west corner of Survey No. 27 of Gadlapalya, runs east, south-east and east through Survey No. 28 of Gadlapalya and quits the Forest at the south-west corner of Survey No. 52 of Mugachenhalli.

(3) Cart-track from Juganhalli to Tubagere.—Six yards wide and 59 chains long. Open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 31 chains north from the north-west corner of Survey No. 27 of Gadlapalya, runs east and south-east through Survey No. 28 of Gadlapalya, and quits the Forest in its eastern boundary at a point about 4 chains south-west from the south-west corner of Survey No. 52 of Mugachenhalli.

(4) Cart-track from Juganhalli to Gadlapalya.—Six yards wide and 71 chains long, open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 31 chains north from the north-west corner of Survey No. 27 of Gadlapalya, runs east, south-east and south through Survey No. 28 of Gadlapalya and quits the Forest in its southern boundary at a point about 3 chains north-east from the north-west corner of Survey No. 42 of Gadlapalya.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the Devarabetta Forest Extension.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Patel Thimmegowda and others of Lagamenhalli.	18th April 1935	Praying for the exclusion of Survey No. 41 kharab from the proposed forest for their use.	Written statement presented before the Forest Settlement Officer at the time of settlement.	(1) No gomal has been taken up for the forest. Only kharab has been taken up for the forest. There are still 289 acres of kharab land left for the village. Hence the representation of the villagers cannot be granted as they have no real grievances, a margin of 5 chains along the Hiduvali lands 38 and 43 and gomal Nos. 50 and 51 may be left.	(1) Yes; I agree with the District Forest Officer. There is still large extent of kharab land left for the village and no gomal area has been taken up for the proposed forest. Hence the prayer of the villagers cannot be considered, no area from the proposed forest can be excluded.	
2	Patel Akkalappa and others of Gadlapalya.	18th April 1935	Praying for the exclusion of Survey No. 28 kharab from the proposed forest for their use.	Written statement presented before the Forest Settlement Officer at the time of settlement.	(2) No gomal area has been taken up for the forest from this village. Only kharab area has been taken up. There are still 49 acres 36 guntas of kharab land left for the village. No area can be excluded from the forest as prayed for by the villagers. Right of ways over the existing paths may be allowed.	(2) Yes; I agree with the District Forest Officer. As there is still large extent of kharab land left for the village and since no gomal area has been taken up for the forest, no area out of the kharab Survey No. 28 proposed for the forest can be excluded as the villagers have no real grounds. Right of ways over the undermentioned paths are admitted as they are in existence and use :— (1) Cart-track from Juganhalli to Ayyammanhalli 6 yards wide and 57 chains long, through Survey No. 28 of Gadlapalya, open for men, cattle and carts throughout the year. (2) Cart-track from Juganhalli to Tubagere 6 yards wide and 59 chains long, through Survey No. 28 of Gadlapalya, open for men, cattle and carts throughout the year. (3) Cart-track from Juganhalli to Godlapalya 6 yards wide and 71 chains long through Survey No. 28 of Gadlapalya, open for men, cattle and carts throughout the year.	
3	Patel Muddegowda of Mugachenhalli.	18th April 1935	Praying for a right of way over a foot-path from Mugachenhalli to Lagamenhalli.	Written statement presented before the Forest Settlement Officer at the time of settlement.	(3) Right of way over the foot-path from Mugachenhalli to Lagamenhalli as prayed for by the villagers may be allowed.	(3) Right of way over the undermentioned path is admitted for the use of the villagers of Mugachenhalli. Foot-path from Mugachenhalli to Lagamenhalli through Survey No. 59 of Mugachenhalli and 41 of Lagamenhalli 6 feet wide and 51 chains long open for men and cattle throughout the year.

SCHEDULE.

District	Taluk	Hobli	Village	Survey No. and Class	Area		Name of Block	Situation
					A.	G.		
Bangalore...	Dodballapur.	Tubagere.	Chillenhalli	Kharab 15 part.	427	0	Muddenahalli State Forest.	This block is situated at a distance of about ten miles north-west of Dodballapur Town and abuts the southern boundary of Ujjini State Forest..
				Do 16	86	19		
				Do 17	41	11		
				Gomal 20 part.	62	0		
				Kharab 21 part.	265	0		
				Do 22 part.	316	8		
				Total...	1,197	33		
					or 1·87 sq. miles.			

BOUNDARIES.

North.—Starting from a point on the southern demarcation line of Ujjini State Forest about 8 chains south-east of the southernmost bandh of Survey No. 18 of Chillenhalli, the line runs south-east and north-east along the southern demarcation line of Ujjini State Forest for about 121 chains to a point on the said demarcation line about 58 chains south-west from the north-western gadi bandh of Jodi Inam Chokkanhalli.

East.—Then south-east through Survey No. 20 of Chillenhalli in a straight line for about 76 chains to the junction gadi bandh of Jodi Inam Chokkanhalli and Jodi Inam Hosahalli; then south-east along the western boundary of Jodi Inam Hosahalli for about 50 chains to a point about 16 chains north-west from the north-east corner of Survey No. 24 of Chillenhalli.

South.—Then north-west through Survey No. 22 of Chillenhalli for about 18 chains to a point about 5 chains north-west from the northern corner of Survey No. 30; then south-west through Survey No. 22 for about 18 chains to a point 6 chains north-east from the north-east corner of Survey No. 34; then in the same direction through Survey No. 22 for about 24 chains to the north-east corner of Survey No. 14; then north-west along its northern boundary to its north-west corner; then south-west through Survey No. 15 for about 45 chains to a point about 5 chains west from the north-west corner of Survey of No. 142; then south-west through Survey No. 15 to the south-west corner of Survey No. 132 of Chillenhalli; then west along the northern boundary of Tippur village to the junction gadi bandh of Tippur and Bhairapur villages; then north-west along the northern boundary of latter village to the junction gadi bandh of Bhairapur and Kayamgutta Suthalli villages.

West.—Then north-east and north-west along the eastern boundary of Kayamgutta Suthalli to the starting point.

Remarks.—I. Right of way over the undermentioned paths is admitted. Nos. 1, 2, 3 for men and cattle only, and No. 4 for men, cattle and carts.

(1) Foot-path from Chillenhalli to gomal Survey No. 20; 2 yards wide and 120 chains long, open for men and cattle only for grazing purposes throughout the year. It enters the forest in its southern boundary at a point about 5 chains south-west from the north-west corner of Survey No. 14 of Chillenhalli, runs north-west, north and north-east through Survey Nos. 15, 22 and 21, and quits the Forest in its eastern boundary at a point 31 chains north-west from the junction bandh of Jodi Inam Chokkanhalli and Jodi Inam Hosahalli villages.

(2) Foot-path from Chillenhalli to Mutharayaswami Gudi and Yerekatte (kunte) in Survey No. 16 of Chillenhalli (Muddenhalli Plantation)—2 yards wide and 62 chains long open for men for worship and drinking respectively, throughout the year. It enters the forest in its southern boundary at a point 5 chains south-west from the north-west corner of Survey No. 14, runs north-west through Survey Nos. 15 and 16 till it reaches the temple and katte.

(3) Foot-path from cart-track (leading to Holavanahalli from Suthalli) to Manchenhalli—2 yards wide and 13 chains long, open for men and cattle only throughout the year. It starts from the cart-track at a point about 10 chains north-east from the north-east corner of Survey No. 16, runs north-west through Survey No. 21 and quits the Forest in its northern boundary at a point about 4 chains north-east from the north-eastern corner of Survey No. 17 of Chillenhalli.

(4) Cart-track from Suthalli to Holavanahalli—6 yards wide and 53 chains long, open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 2 chains south-east from the north-west corner of Survey No. 16, runs north-east through Survey No. 16 and 21 of Chillenhalli and quits the Forest in its northern boundary at a point about 16 chains north-east from the north-east corner of Survey No. 17 of Chillenhalli.

II. (1) *Mutharayaswami Gudi* in Survey No. 16 of Chillenhalli is reserved for the villagers for worship throughout the year and access is allowed to it through an existing foot-path referred to in item No. 2 *supra.*

(2) *Yerekatte and Attikatte* in Survey No. 16 of Chillenhalli are also reserved for the use of the villagers for water, former for men only and latter for men and cattle throughout the year. Access is allowed to both the kattes by an existing cart-track referred to in item No. 2 *supra.*

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed Muddenhalli State Forest, Dodballapur Taluk, Bangalore District.

Serial Number	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Mr. Bache Gowda, Patel and othes of Chillenahalli village.	1st July 1934/17th April 1935	Praying to release all the kharab and gomal lands included in the proposed Muddenhalli block for want of sufficient gomal for the grazing of their village cattle (412) and also to release all the kuntes included in the block for water.	Written statement presented before the settlement officer, on 1st July 1934.	(1) Sufficient gomal as required for 412 cattle may be released from gomal Survey No. 20 included in the block. (2) No kharab lands can be excluded from the forest as it contains very good growth of forest trees. (3) The line may be shifted to a distance of 5 chains from the hiduvali land. (4) Right of way through the existing paths may be allowed to the villagers for use. (5) The villagers may be allowed to use the water of the katte for their cattle. (6) Right of way to the Muthurayaswamy Temple in Survey No. 16 may be allowed to the villagers for worship.	(1) An area of 120 acres required for the grazing of 412 cattle of the village may be excluded from Survey No. 20 gomal included in the forest as it is the only gomal left for the village. The remaining area may be reserved for the forest. (2) I agree with the Range Forest Officer. No kharab lands may be excluded from the forest as they contain very good growth of forest trees. (3) Only the forest line may be shifted to a distance of 5 chains from the hiduvali lands. (4) The following right of ways are admitted :— (i) Foot-path from Chillenahalli to gomal Survey No. 20, 2 yards wide and 120 chains long open for men and cattle only for grazing purposes throughout the year (as per notification and map). (ii) Foot-path from Holavanhalli-Suthalli cart-track to Manchenhalli as noted in the notification and map, 2 yards wide and 13 chains long open for men and cattle only throughout the year. (iii) Foot-path from Chillenahalli to Mutharayaswamygudi as noted in the notification and map, and Yerekatte (kunte) as well in Survey No. 16 of Chillenahalli (Muddenhalli Plantation), 2 yards wide and 62 chains long open for men for worship and drinking water respectively throughout the year. (iv) Cart-track from Suthalli to Holavanhalli as noted in the notification and map, 6 yards wide and 53 chains long, open for men, cattle and carts throughout the year. Mutharayaswamygudi in Survey No. 16 of Chillenahalli is reserved for the villagers for worship throughout the year and access is allowed to it through an existing foot-path referred to in item No. 3 supra. Yerekatte and Attikatte in Survey No. 16 of Chillenahalli are also reserved for the villagers use, former for men and latter for men and cattle throughout the year. Access is allowed to both the kattes by an existing cart-track referred to in item No. 3 supra.

PUBLIC WORKS SECRETARIAT

"Designation of the Sri Chamarajendra Reservoir" at Thippagondanahalli.

READ—

Government Order No. P. W. 2721-31—S., dated 28th April 1932, directing that the New Reservoir at Thippagondanahalli be called "Chamarajendra Reservoir" and the Water Works "Sri Chamarajendra Water Works."

2. Note No. D. 310, dated the 6th September 1935, by the Secretary to Government, Public Works Department.

ORDER NO. 933-989—S., DATED CAMP MYSORE,
THE 12TH OCTOBER 1935.

Government are pleased to direct that the above works should be called "Chamaraj Sagar and Water Works" and this name should be adopted in all official correspondence in future.

BANGALORE, THURSDAY, OCTOBER 31, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Passing orders on the Report of the Agriculturists' Relief Committee in Mysore.

READ—

Government Order No. R. 302-73—L. R. 221-33, dated 20th July 1934, appointing a Committee to advise Government in the matter of affording further relief to the raiyats in the present period of depression.

2. Letter No. C. 308, dated 18th January 1935, from the Chairman of the Committee submitting their report.

ORDER No. R. 2652-723—L. R. 208-34-4, DATED BANGALORE, THE 30TH OCTOBER 1935.

Personnel of the Committee and terms of reference.

The continuous fall in the prices of agricultural produce in the State during the past few years has been causing considerable anxiety to the people and the Government. Various measures have been sanctioned from time to time to afford relief to the agricultural population. At the session of the Legislative Council held in June 1934, several non-official members urged that the concessions sanctioned by Government were inadequate and that the extension of the Agriculturists' Relief Regulation to the whole State had added to the trouble by disturbing the credit of the agricultural classes. Government thereupon appointed a Committee consisting of the following official and non-official gentlemen to study the situation and submit their recommendations:—

1. Mr. N. Madhava Rau, B.A., B.L., Revenue Commissioner in Mysore (now Member of Council), CHAIRMAN.
2. „ K. V. Anantaraman, B.A., Officiating Inspector-General of Police (now Revenue Commissioner) in Mysore.
3. „ A. K. Yegnanarayana Iyer, M.A., N.D.D., Director of Agriculture (since retired).
4. „ T. G. Rama Iyer, B.A., Deputy Commissioner, Kolar.
5. „ M. G. Mehkri, B.A., LL.B., Registrar of Co-operative Societies.
6. „ T. V. A. Isvaran, B.A., Deputy Commissioner, Shimoga.
7. *Rajasabhabhushana Diwan Bahadur* K. R. Srinivasa Iyengar, M.A., Retired Member of Council.
8. *Rao Bahadur* B. K. Garudachar, President, City Municipal Council, Bangalore.
9. Mr. J. Mohamed Imam, B.A., B.L., Member, Legislative Council, Jagalur.
10. „ K. Chengalaraya Reddy, B.A., B.L., Member, Legislative Council, Bowringpet.
11. „ B. S. Puttaswamy, B.A., B.L., Member, Legislative Council, Mysore.
12. „ Hosakoppa Krishna Rao, Member, Representative Assembly, Hosakoppa, Kadur District.
13. „ S. K. Venkataramana Iyer, B.A., B.L., Assistant Commissioner (SECRETARY).

The Committee were requested (1) to make a rapid enquiry into the extent to which the fall in the prices of agricultural produce in recent years had affected the resources, debt obligations and credit facilities of the land-owning and cultivating classes in different parts of the State; and (2) to report upon the nature and extent of the assistance that might be given to relieve them from the difficulties caused by the present depression, after an examination of the several measures suggested in this behalf, and having in view the present financial condition of the State.

Interim recommendations.

2. Pending the formulation of detailed proposals on the several points referred to them, the Committee submitted *interim* recommendations to Government for the grant of certain urgent measures of relief. These are referred to in detail in Annexure I to this order, in which the orders of Government thereon are also indicated.

Classification of main recommendations.

3. The Committee have considered the matters referred to them in a thorough and exhaustive manner, and have now submitted their final report. The subjects considered by them may be classified under the following heads:—

1. *Dues to Government.*—
   - (*a*) Concessions in regard to the payment of land revenue and remission of assessment;
   - (*b*) Reduction of land revenue demand on a percentage basis;
   - (*c*) Concessions in regard to miscellaneous demands, such as fees under the Record of Rights Regulation, liability for tank maintenance, etc.
2. *Agricultural Indebtedness.*—
   - (*a*) Relief in respect of decrees obtained by Co-operative Societies;
   - (*b*) Constitution of Debt Conciliation Boards;
   - (*c*) Reduction of interest on debts of agriculturists.
3. *Agricultural Finance.*—
   - (1) Concessions in respect of the grant and recovery of land improvement and takavi loans;
   - (2) Extension of co-operative institutions and land mortgage societies.

Extension of concessions regarding collection of land revenue and other demands.

4. Government have already sanctioned several measures of relief in regard to remission of revenue, moderation of miscellaneous demands and relaxation of coercive processes. The Committee have recommended that these concessions, which afford fairly tangible relief to the agriculturists, and which had lapsed at the end of December 1934 should be continued so long as the present depression lasts. Government accepted the recommendation of the Committee and extended the concessions up to the end of June 1935. They will be prepared to extend them further if the depression continues.

Collection of overdue instalments of land revenue.

5. The land revenue is at present collected in four instalments, commencing from February. On default in the payment of any one instalment, the occupant is liable to be called upon to pay the entire demand for the year, including the instalments which have not fallen due. The Committee consider that it will be a relief to the raiyats if they are allowed to pay only the overdue instalments and if coercive steps are suspended on such payment. Government accepted the recommendation and directed that this concession be allowed during the year 1934-35. The Committee consider that, in areas where cotton is the principal crop, the land revenue can be paid by the raiyats only after March or April as the crop is generally harvested in March. They, therefore, suggest that the adoption of coercive steps for recovery of assessment in those taluks where the bulk of land revenue is collected from lands on which cotton is grown may be deferred till the end of March. Government accept this recommendation. The Revenue Commissioner is requested to issue necessary instructions accordingly.

Special concessions for dry lands.

6. In view of the failure of crops in 1934-35 in certain parts of the State, following a series of years of depression, the Committee suggested that, in tracts where the crops had completely failed and the conditions bordered on distress, the question of granting some concession by way of remission of a part of the assessment on dry lands might be favourably considered. The existing rules make no provision for the remission of dry assessment in case of failure of rains; but in tracts which have suffered severely by drought, Government are always prepared, as a special concession outside the rules, to sanction suspensions and, where necessary, even remission

of a portion of the demand. Accordingly, Government have sanctioned the remission of 25 per cent of the dry-assessment in some of the affected tracts in the Kolar District.

Change in the wet assessment remission rules.

7. Under the existing rules, the remission of half the wet assessment may be sanctioned if, owing, to failure of rains, more than half the area of wet lands under a tank has remained uncultivated, or, if cultivated, has yielded a crop of not more than four annas, and if, further, the tract has already been so impoverished or the previous years' harvests have been so poor as to render relief necessary. The second condition was relaxed last year and Deputy Commissioners were instructed not to withhold recommendations for remission in cases, which satisfied the other conditions of eligibility, merely on the ground that the previous harvests in the tract had been normal. The Committee considered that, as the economic depression still continued, this restrictive condition should be suspended during 1934-35 also. Government accepted this recommendation. The Committee also suggested that the other condition, namely, that more than half the area should have remained uncultivated should also be relaxed as the entire *atchkat* under certain tanks may not be cultivated even in normal years. Under the system followed in Mysore, the rates of assessment are based on considerations of average yields of crops over a series of years of good, moderate and deficient rainfall. There was thus no provision in the rules formerly for remission, but Government have in recent years adopted a policy of granting a remission of a portion of the wet assessment when there is a widespread failure of crops due to drought, flood, etc. The rule that remission of half wet assessment may be sanctioned only when at least half the *atchkat* has been affected is intended to ensure that the relief is limited to cases of failure of rains over an entire tract, and is not given when only a few individual fields suffer. In a season of widespread drought the probability is that practically the whole of the *atchkat* remains uncultivated or yields four annas or less. The rule is not likely to cause any hardship in practice and Government do not consider it necessary to relax it. As regards the *quantum* of remission, one-half of the wet assessment is ordinarily remitted. But in cases where dry crops are raised and yield more than an eight-anna crop, the amount remitted is one-half of the difference between the wet and dry rates. In respect of lands which are not cultivated at all, or, if cultivated, have yielded a crop of four annas and less, a majority of the members of the Committee consider that the return to the raiyat in such cases may not even cover the cost of seed and other expenses of cultivation. They therefore recommend that, in these cases, the highest dry rate or half the wet assessment, whichever is less, may be imposed and the balance remitted. But the other members feel that the grant of remission of half the wet assessment is itself a concession and that the circumstances of the present situation do not warrant a wholly different method being adopted for determining the amount of remission to be given in such cases. Government consider that the existing rule is quite equitable and requires no modification.

Reduction of land revenue demand on a percentage basis.

8. Representations have been made to Government in the Representative Assembly and elsewhere that the burden of land revenue has increased owing to the fall in prices and that the payment of land revenue at the existing rates constitutes one of the causes of agricultural indebtedness. Two proposals have been made to deal with the situation:

(1) that the assessment should be reduced to the level of the original settlements, or

(2) that a portion of the existing rates should be remitted temporarily (the exact figure suggested varying from 12½ to 25 per cent).

The majority of the members are against any general percentage reduction of the land revenue. In their view, the plea for any kind of general remission has lost much of its force owing to the marked increase which has since occurred in the prices of the more important agricultural products of the State, such as ragi, paddy, jola and horse-gram. The difficulties, arising as a result of untimely and inadequate rainfall, are essentially of a local character and cannot require or justify any general remission. The land revenue assessment now prevailing is well within the conventional one-sixth of the gross produce or half the net produce, and it cannot be said that the pitch of assessment itself is too high. The proposal to reduce the assessment all round by a definite percentage fails to discriminate between cases which deserve relief and those which do not. While it would result in a substantial loss of revenue to the State, there is no certainty that the measure would bring any tangible benefit to the agriculturists as a majority of khatedars are small land-holders who have been paying their assessment without much difficulty. Government consider, after a careful consideration of the dissenting views expressed by some members, that a percentage reduction, irrespective of other conditions, is neither necessary, nor just, nor expedient, and that it will be far more beneficial to adopt a policy of discriminating relief, of which the principal features are the following:—

(1) Grant of remissions on a liberal scale in tracts which suffer from a failure of crops coinciding with a slump in prices;
(2) Moderation of several miscellaneous revenue demands which form in some taluks a considerable addition to the land revenue assessment; and
(3) Relaxation of coercive processes for collection of revenue.

Government accordingly passed orders, suspending the collection of land revenue and miscellaneous demands in certain affected tracts to the extent of Rs. 4½ lakhs and sanctioning remission of half wet assessment to the extent of Rs. 2½ lakhs in the case of tanks which received an inadequate supply of water.

Reduction of mutation fees.

9. The Committee consider that the existing rate of mutation fees, namely eight annas for a survey number subject to a maximum of Rs. 5 for all the numbers in a village included in a transaction is heavy. They therefore recommend that this rate may be reduced to four annas per survey number, subject to a maximum of Rs. 2. The Revenue Commissioner and the Director of Land Records, who were consulted in the matter, are not in favour of the proposal. Government consider that, as the scale of mutation fees has already been revised and the amount now levied only covers the cost of establishment, it cannot be further reduced.

Tank maintenance charges.

10. The Committee bring to notice that the amount recovered from the raiyats for their neglect to carry out tank maintenance work is sometimes excessive. Prior to 1927, the maximum amount that could be levied on this account, in cases of cumulative neglect, was limited to one year's assessment on the lands included in the *atchkat* of the tank. As this limitation tended to put a premium on neglect, it was modified in 1927 so as to allow of the recovery, in suitable cases, of the entire expenditure incurred for the purpose. The Committee consider that there might be justification for recovering the entire expenditure in cases where the raiyats have wilfully or defiantly neglected the work. But in other cases, they recommend that, until general conditions improve, the maximum limit of the raiyats' liability may be restricted as before to one year's assessment on the *atchkat* lands. Government are not in favour of changing the rules as suggested. They are, however, pleased to authorise the Revenue Commissioner to waive a part (or where necessary, even the whole) of the demand against the raiyats under this head in respect of works taken up during the period of distress for providing labour to the people.

Acreage contribution.

11. As regards acreage contribution recoverable from the raiyats benefited by the restoration or improvement of works of irrigation, the Committee point out that, although the maximum period allowed for payment is ten years, the periods actually fixed are much shorter. As the rate of contribution is rather high and the payment of one-tenth of this amount every year together with the water-rate may, in some cases, be a heavy burden, the Committee suggest that, in cases where the contribution or a substantial part of it is not recovered in a lumpsum before an irrigation work is commenced, its collection may be spread over a sufficiently long period so that the raiyats can easily pay the same out of their income from the benefited lands. Government accept the recommendation of the Committee and direct that, during the period of depression, the number of instalments of acreage contribution in respect of works of irrigation restored or improved be fixed at ten in the case of works costing less than Rs. 25,000. In the case of larger irrigation works, more than ten instalments are allowed in practice. In special cases, where the raiyats experience difficulty in payment, Government will be prepared to permit the recoveries being either postponed or the annual instalments being reduced.

Agricultural indebtedness and Scheme of Conciliation.

12. The Committee estimate that the total agricultural indebtedness in the State amounts to not less than 35 crores of rupees. They further understand, from enquiries made, that the volume of debt is on the increase and that, in a fairly large number of cases, the debt is very nearly equal to, if not greater than, the value of the assets. The principal measures recommended by the Committee to deal with this situation are the expansion of land mortgage banks in order to enable the agriculturists to convert their debts to long-term loans which may be repaid out of current income, and the reduction of agricultural debts by conciliation between debtors and creditors. The operations of the Mysore Co-operative Land Mortgage Bank have already been extended to twenty-two taluks and it is the desire of Government that the scheme should be extended as rapidly as possible to other parts of the State also. There will however remain a large number of cases in which it is impossible for the debtors to discharge their liabilities in full, even though converted into long-term loans. To deal with such cases, a scheme of composition of debts of agriculturists, through Conciliation Boards, has been recommended by the Committee. After considering the recommendations made in this respect by the Royal Commission on Agriculture and the Indian Banking Enquiry Committee and examining the schemes of conciliation attempted in Bhavanagar, the Central Provinces and the Punjab, the Committee have formulated the following scheme.

A debtor or any of his creditors may apply to the Civil Court of competent jurisdiction to effect a settlement. The court may appoint a Conciliation Board consisting of three to five members, of whom an equal number will be nominated by the debtors and the creditors respectively, the Chairman being selected by the court. The Board will call upon the debtor and his creditors to explain their respective cases and endeavour to secure an amicable settlement, and for that purpose, it will have the power to require the attendance of witnesses and the production of documents and to receive evidence. It may submit for the opinion of the court any question of law involved. If all or any of the creditors come to an amicable settlement with the debtor, such settlement will be reduced to writing in the form of an agreement, recording the amounts payable to the creditors and the manner in which, and the times at which, they are to be paid. The court shall pass a decree in terms of such agreement. If a debtor makes default in paying any amount fixed under a decree, such amount will be recoverable, in the first instance, as an arrear of land revenue, on the application of the creditor, made within 90 days of the date of default, and if the Deputy Commissioner fails to recover any part of the amount as an arrear of land revenue, the matter should be reported to the civil court, and thereafter, the amount will be recoverable through the processes of the court. If, however, any creditor does not come to an amicable settlement, the Board may, if it is satisfied that the debtor has made a fair offer, which the creditor ought reasonably to have accepted, grant the debtor a certificate in such form as may be prescribed in respect of the debts owed by him to such creditor, provided that the creditors to whom not less than 40 per cent of the debts are due have come to a settlement. In the event of a creditor filing a suit for the recovery of debts in respect of which a certificate shall have been granted, the court shall not allow the plaintiff any costs in such suit, or any interest on the debt after the date of certification in excess of simple interest at six per cent per annum on the amount due on the date of such certificate, and if the suit is in respect of an unsecured debt, the execution of the decree passed in the suit shall be postponed till all amounts due under the settlement are paid, or till the agreement has ceased to subsist. Reference to Conciliation Boards is proposed to be limited to cases in which the total amount of debt does not exceed Rs. 10,000.

Conciliation: voluntary or compulsory.

13. The Committee are not unanimous on the question whether conciliation should be voluntary or compulsory. Some members consider that the principle of compulsory conciliation would affect the credit of the agriculturists and that therefore the scheme should be only on a voluntary basis. While all the members are agreed about the desirability of introducing a scheme of voluntary conciliation, some of them are inclined to doubt whether this would, by itself, be sufficient. The latter therefore suggest that, while the scheme might generally be of a voluntary character, the possibility of having to introduce

some measure of compulsion should not be overlooked and that suitable legislation should be undertaken to enable Government to extend the scheme on a compulsory basis in areas in which it is found to be necessary or expedient. As regards the means of re-paying the conciliated debt, the Committee are of opinion that the payment of the debt by the State either in cash or by bonds is out of the question, in view of the largeness of the amount involved. They therefore suggest that, wherever possible, efforts should be made to pay off the liquidated debt or a portion of it through co-operative societies or land mortgage banks according to the length of the term over which the recovery has to be spread. The Committee recognise that these agencies can help only in cases where the debtor has adequate security to offer and that there will still remain a class of debtors whose conciliated debt, being far in excess of their assets, must be dealt with in a different manner. They recommend that such debtors should be afforded a chance of surrendering all their assets and of being adjudged insolvents so that they may earn their living, freed from the perpetual bondage of an impossible debt.

Scheme of conciliation as modified by Government.

14. Government agree with the Committee that a scheme of debt conciliation may be introduced as an experimental measure in a few selected areas. The scheme proposed by the Committee is generally acceptable, but a few modifications appear to be necessary. The Committee's proposal to have Conciliation Boards *ad hoc* for each case may lead to a want of uniformity regarding the guiding principles and procedure adopted by different Boards in the same locality. It is necessary that, in the settlement of cases, some general principles should be uniformly followed. In this view, a permanent Board for each local area, to deal with all the cases arising there, appears to be necessary. The Conciliation Board should moreover be in a position, as recommended by the Committee, to negotiate loans, wherever necessary from a land mortgage bank or co-operative society, as the creditor will expect payment in cash of the reduced amount of the debt. All this requires that, for each local area, there should be a permanent Board and it is desirable that the Chairman of the Board should be an official. There should be two or more additional members of the Board who should be appointed by Government. The Board's decisions should be regarded as a decree binding on the debtor and the creditor, if they agree. Where there are several creditors, the decree will be binding only if the settlement is agreed to by creditors to whom not less than 50 per cent of the debts are due. Where there are both secured and unsecured debts, the further condition should be satisfied that creditors, to whom not less than 50 per cent of the secured debts are due, a gree to the settlement. When a settlement is arrived at, the Board will attempt to arrange payment to the creditor of the amounts of their debts as settled through a land mortgage bank or a co-operative society and where this is not possible, the amount due will be recovered by the Deputy Commissioner as an arrear of land revenue. If it is not recovered, the agreement (as regards time and manner of payment of the reduced debt) will cease to subsist and creditors will have their usual remedies through the Civil Courts (by way of execution proceedings). No court fees will be levied, but stamp duty will be only as for applications. In cases where the liquidated debt is far in excess of the assets, the Conciliation Board may act as an Insolvency Court, as proposed by the Committee. A scheme, as outlined above, is what Government have provisionally in view, subject to further consideration and examination of details, in consultation with the High Court.

Agriculturists' Relief Regulation.

15. The Agriculturists' Relief Regulation of 1928 which has been extended to all parts of the State was enacted in order to prevent the sale of agricultural land on account of debts of the cultivator which are not secured by a mortgage on the lands, and to permit agriculturists to pay their debts in instalments. It has been reported that this has adversely affected the credit of the agriculturists. The Committee consider that, with the introduction of certain safeguards, the Regulation is bound to prove of benefit to the agriculturists. The question of amending the Regulation, in order to meet the objections urged against it, was referred to a separate Committee presided over by *Rajasabhabhushana Diwan Bahadur* K. R. Srinivasa Iyengar, and action has already been taken to amend the Regulation on the lines proposed by that Committee.

Report of the Malnad Depression Enquiry Committee.

16. The problems arising from agricultural depression in the malnad parts of the State were enquired into and reported upon by a Committee appointed by Government and the Committee suggest that that report may be treated as supplementing their present proposals. Orders on most of the recommendations contained in that report have been issued already.

Percentage of security up to which loan should be granted by the Land Mortgage Bank.

17. The Central Co-operative Land Mortgage Bank has at present been granting loans up to 50 per cent of the value of the properties hypothecated. The Committee consider that, in view of the fall in land values due to depression, a margin of 50 per cent is unduly restrictive, and propose that, having regard to the possible increase in the value of lands, the limit up to which loans may be sanctioned may be raised to 70 per cent of the present market value. Government accept this recommendation of the Committee. Separate action will be taken to amend the Bye-laws of the Land Mortgage Bank.

Extension of co-operative societies in the State.

18. The Committee consider that, as pointed out by the Royal Commission on Agriculture and various other authorities, the greatest hope for the salvation of the rural masses from their crushing burden of debt lies in the growth and spread of a healthy and well-organised co-operative movement, based upon the careful education and systematic training of the villagers. They suggest that strenuous efforts should be made to increase the number of co-operative societies and improve their working, and that these societies should, in addition to providing the credit necessary, educate the raiyats and promote in them the qualities of thrift and prudence. Government are in general agreement with the views of the Committee in regard to the part that co-operative societies may play in improving the economic condition of the raiyats.

General suggestions for rural improvement.

19. The Committee have concluded their report by making some general suggestions relating to permanent measures of rural improvement. Some of them are briefly referred to below:—

(1) *Improvement of agriculture.*—The Director of Agriculture has appended a Note to the report, indicating the lines on which the efficiency of agriculture may be improved and the raiyats enabled to realise the maximum amount for their labour. Improvement in irrigation facilities, growing of better-yielding varieties of crops, use of more efficient implements and better manure, conservancy and utilization of farm manure on a larger scale and improvement in the business of farming itself so as to reduce the cost of cultivation and increase the volume of the output are among the most important measures recommended for adoption. These questions fall mostly within the normal functions of the Department of Agriculture and Government desire that the department should spare no pains to show substantial progress under these heads.

(2) *Irrigation facilities.*—The Committee consider that the efficiency of agriculture could be greatly improved by providing irrigation facilities which will make agriculture less dependent on the vagaries of nature. They recommend that as many tanks as possible should be restored at a very early date and that steps should be taken to popularise the scheme of irrigation wells. Wherever they are likely to be successful, suitable advances should be given to the raiyats for constructing such wells. The Chief Engineer, who was consulted in the matter, considers it desirable to have a number of inexpensive wells sunk in the *atchkat* of selected tanks by making use of reinforced cement steining rings at a cost of about Rs. 200 per well. He is preparing a type plan for such a well and proposes to have the plan and estimate printed and circulated widely for information through the revenue authorities. Government have also passed orders recently directing the deputation of an Engineering Officer to investigate the possibility of encouraging the construction or improvement of irrigation wells in one of the affected tracts of the Kolar District, and they will be glad to provide all possible facilities for the construction of such wells. As regards a systematic programme of tank restoration works, the Chief Engineer considers that, so far as major irrigation works are concerned, there is no particular need at present to formulate any special programme as the present commitments are as heavy as Rs. 60 lakhs and it will take six years to complete

the works on hand. As regards minor tank restoration, he has asked for a grant of Rs. 5 lakhs for the current year based on a fifty-year programme. Separate orders will be passed on the proposal in due course.

(3) *Subsidiary occupations for the raiyats.*—The Committee are of opinion that greater effort should be made to develop subsidiary rural industries in order to provide some profitable occupation to the raiyats during their spare time so that the income derived may supplement their resources and help them to improve their economic position. This question is engaging the attention of the Department of Industries and the Board of Industries and Commerce. Separate orders will be issued on receipt of definite proposals from the Director of Industries and Commerce on the subject.

20. The other recommendations which have not been dealt with in this order are under consideration, and orders on them will be issued in due course. Government wish to place on record their appreciation of the comprehensive and thorough manner in which the Committee have, under the guidance of the Chairman, Mr. N. Madhava Rau, dealt with the questions referred to them, and the lucid and practical manner in which they have formulated their proposals, and they direct that their thanks be communicated to the Chairman and the members of the Committee.

A. V. RAMANATHAN,
Chief Secretary to Government.

ANNEXURE I.

Interim recommendations of the Committee and orders of Government thereon.

Recommendations	Orders of Government
I. *Grant of Takavi Loans.*— (*i*) Deputy Commissioners should be instructed to grant takavi loans liberally under the rules to all agriculturists (including Shikmidars, Mulgenidars, etc.) who have transferable and saleable interests in land; (*ii*) In the case of those agriculturists (*e.g.*, tenants) who may not have any saleable interest in land, such loans may be granted with the consent of the owner of the land, if he offers the land as collateral security; (*iii*) Instructions should be issued to the local officers to dispose of applications for loans promptly, within two or three months; (*iv*) The rate of interest may be reduced to four per cent for a period of two years; and	The proposals were sanctioned in G. O. No. R. 34-43—L. R. 221-33, dated 17th October 1934, for one year. The grant in each individual case was ordered to be limited to Rs. 100. The allotment for the year was increased from Rs. 80,000 to one lakh of rupees.
(*v*) Government may increase the budget provision for the grant of loans to the extent necessary, the allotment being immediately raised by one lakh of rupees.	This provision was further increased to Rs. 1½ lakhs in G. O. No. R. 3935-36—R. M. 36-34-4, dated 12th February 1935.
II. *Liberal Instalments and Publication of Rules.*— (*i*) In granting loans for permanent improvements involving heavy outlay, sanctioning officers should be required to fix the number of instalments in a liberal manner so that the income from land may leave enough for the current demands of cultivation and the raiyat's personal requirements; and (*ii*) wide publicity should be given to the Takavi and Land Improvement Loan Rules so that the agriculturists in the remote villages may avail themselves of the facilities offered by Government.	Government accept both the recommendations. The Revenue Commissioner is requested to issue necessary circular instructions to the subordinate Revenue Officers.
III. *Recovery of Loan Dues.*— (1) Deputy Commissioners of Districts may be authorised to suspend the re-payment of instalments of Land Improvement and Takavi Loans due during 1934-35 and in special cases, suspend the re-payment of one instalment in arrear, if such re-payment was found to be unduly burdensome; (2) Such relief should be given only on the application of the party; (3) When the payment of one or two instalments is thus postponed, all the remaining instalments due on the loan should be postponed for one or two instalment periods and no additional interest need be charged by reason of the suspension; and (4) The power of granting suspensions may be vested with Amildars so that the benefit of the concessions might be more easily availed of by the raiyats.	The proposals were approved in G. O. No. R. 2532-42—L. R. 221-33-36, dated 27th November 1934, with the modification that the recovery of interest need not be waived as it is likely to tempt people who can afford to pay to withhold payment. The Committee have urged a reconsideration of the order regarding the waiving of interest on suspended instalments. But Government regret their inability to accept this recommendation. Individual cases of hardship will, however, be considered on their merits.

Recommendations	Orders of Government
IV. Decrees of Co-operative Societies against debtors who are Agriculturists.—	
(i) In the case of decrees which have been obtained in respect of fresh loans granted recently, further time of five or six months till the next harvest season may ordinarily be granted. If in any case such extension will be detrimental to the recovery of the amount, the Society concerned may make a special application to the Assistant Registrar for immediate steps being taken ;	These proposals were sanctioned in G O. No. 2670-740—C. S. 18-34-2, dated 10th October 1934.
(ii) While no postponement of execution need be given in the case of decrees which relate to very old loans in respect of which there has been continued default by the members, even in these cases, if all interest up-to-date and a small portion of the principal, say 12½ per cent, is paid, Revenue authorities may suspend execution and return the cases to the Assistant Registrars for further instructions. The Assistant Registrars may advise in all deserving cases the grant of fresh loans by the Societies; and	
(iii) In regard to the suits filed during the year 1934-35, the Assistant Registrars may be instructed to grant time till the next harvest season for payment of all interest up-to-date and a portion towards the principal, failing which, the decrees may be sent for execution.	

ANNEXURE II.

Recommendations contained in the Committee's report on which orders have been passed already.

Recommendations	Orders of Government
I. Remission under Breached Tanks.—	
If the occupant of a land under a breached tank raises only dry crops and the prospect of the tank being repaired is remote, dry assessment may be levied in lieu of half the wet assessment leviable under the existing rules as contained in Paragraph 234 of the Mysore Revenue Manual, Vol. I.	The following addition to the existing rule was ordered in G. O. No. R. 4304-15—L. R. 254-34-2, dated 5th March 1935 :— In cases where the tank is, for al practical purposes, abandoned for an indefinite period and no wet crops have been raised under it for three successive years, a temporary assessment at the maximum dry rates prevailing in the village, may be levied as Bengar kandayam, with the sanction of the Revenue Commissioner, the balance of wet assessment being shown as a remission.
II. Reduction of Record of Rights Fees.—	
(*a*) The scale of Record of Rights fees which was recently reduced to Re. 1-8-0 per *hissa* may be further reduced to Re. 1-4-0.	The fees were reduced to Re. 1-4-0 per *hissa* in G. O. No. 3852-4—L. S. 19-34-7, dated 12th February 1934.
(*b*) The Record of Rights Scheme may not be extended during the period of depression to taluks where the recovery of the fees might entail a serious addition to the existing revenue burdens.	This suggestion will be kept in view when the question of introducing the scheme into new taluks comes up for consideration.

GENERAL SECRETARIAT

Approves of Revised Rules and Syllabuses for the Mysore S. S. L. C. Scheme.

READ—

Letter No. El. 2474-60—32-33, dated 20th June 1935, from the Director of Public Instruction in Mysore, requesting approval to the revision of the rules and syllabuses under the Mysore S. S. L. C. Scheme and the abolition of the system of moderation of marks.

ORDER NO. E. 1129-30—EDN. 443-34-4, DATED BANGALORE, THE 18TH OCTOBER 1935.

The following are the important changes proposed:—

(*i*) Abolition of the system of moderation of marks obtained at the S. S. L. C. Public Examination with reference to the marks obtained in the class examinations.

(*ii*) Deletion of "Translation" from and inclusion of "Epitomization" in the syllabus in English and suitable modification in the scope and contents of the second paper in English for the S. S. L. C. Examination and the abolition of the distinction between text-books for detailed and non-detailed study.

(*iii*) Revision of the syllabus in Music as an additional subject for the S. S. L. C. Course.

(*iv*) Prescription of "Elementary Theory and Practice of Commerce by S. R. Davar, as a text-book in one of the commercial subjects for the S. S. L. C. Course, *viz.*, "Practice of Commerce."

2. As regards the abolition of the system of moderation, it is reported by the Director of Public Instruction that the system is not in vogue in any other Province in India and that the Mysore S. S. L. C. Board after careful consideration and on the recommendation of the Conference of the Heads of High Schools, Members of the S. S. L. C. Board and a few Officers of the University including the Vice-Chancellor have resolved to drop the system of moderation with a view to improve efficiency. It is also explained that though the system of moderation is abolished, the S. S. L. C. Board will have the power as at present to re-assess the candidates' work or to award grace marks for purposes of declaring a pass and that the University will take into consideration, the class record of the student in marginal cases while declaring "E. C." results.

3. The deletion of 'Translation' in the syllabus in English has been accepted by the S. S. L. C. Board as recommended by the University.

4. The other changes proposed to be made in the S. S. L. C. rules are more or less of a verbal nature with a view to make the rules clear, complete and self-contained and to facilitate the work in connection with the conduct of the examination. The Director recommends approval to the proposed changes. These changes with the exception of those relating to "Final marks," the alteration in the syllabus in English and the revision of the syllabus in Music are proposed to be given effect to from the S. S. L. C. Public Examination of 1936 and the rest from the Examination of 1937.

5. The recommendations of the Director of Public Instruction are sanctioned. The revised rules for the award of Secondary School Leaving Certificate and the syllabus in Music as an additional subject as approved by Government, are appended to this order.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

APPENDIX.

The following revised rules for the award of Secondary School Leaving Certificate sanctioned by Government are published for general information.

I. To whom awarded.

These certificates may be awarded on the completion of their school course to boys or girls who—

(1) have passed the Mysore Middle School Examination or have successfully undergone a course which is considered by the Director of Public Instruction as being equivalent thereto and obtained exemption from passing the Mysore Middle School Examination for purposes of admission into a recognised High School;

NOTE.—Persons who have passed the Mysore Lower Secondary Examination and the Bangalore Sanskrit Kavya Examination, obtaining in the English group of papers not less than 40 per cent of marks allotted to the group shall be considered as possessing the minimum qualifications necessary for obtaining admission into a recognised High School.

(2) have attended one or more recognised High Schools from the Fourth Form upwards;

(3) have put in the attendance required under Clause VI below; and

(4) have been presented for the Public Examination under Clause VII.

II. By whom awarded.

(1) The certificate will be awarded by a Board consisting of 26 members including the Director of Public Instruction and the Secretary, Local Examinations Boards, who shall be the *Ex-Officio* President and the Secretary respectively of the Board.

(2) The members of the Board shall be appointed by Government for a period of three years and shall be eligible for reappointment.

(3) The Board shall arrange for the award of the certificates in accordance with the provisions of the scheme.

III. Scope of the certificate.

(1) The certificate shall contain the '*final marks*' of the candidate as passed by the Board, *vide* Clause VII (4), with such particulars of information regarding the candidate as date of birth, the school in which he or she studied, the subjects studied and whether he or she has passed in the examination or not.

(2) Candidates who obtain 35 per cent. of the marks in English and 30 per cent in each of the other five subjects on the basis of the final marks shall be declared to have passed and the rest shall be declared to have failed. The Board shall be competent to award 'grace marks' to any candidate with reference to his or her class record for determining 'pass.' But in such cases grace marks so awarded shall be shown separately in the mark lists supplied to the University [*vide* Note ii below (3)] and also in the certificates issued to the candidates.

(3) The Board will make no remarks on the certificates granted to candidates who have already passed the examination and yet appear for the examination with a view to improving their qualifications. Such certificates shall be known as "Supplementary Certificates."

NOTE.—(i) The holders of S. S. L. C. granted by the Board shall be eligible for (*a*) entry into public service in accordance with the rules framed in that behalf, and (*b*) admission into Institutions imparting instruction in Technical or Professional Courses when the minimum general qualification prescribed is a pass in the S. S. L. C. Examination.

(ii) The S. S. L. C. Board shall arrange to send the list of final marks obtained by the candidates who are declared to have passed, *vide* (2) above, and those who have obtained Supplementary Certificates, *vide* (3) above, and of class records of candidates presented for the examination by recognised schools, to the Mysore University, and the University shall select candidates eligible for admission into the College courses of studies from such lists on the following basis, taking into consideration in such manner as may be decided by the University, the class record of the candidate concerned.

The following shall be the differential minima for admission to Intermediate Courses in Arts and Science:—

(i) 40 per cent of the total maximum in English.

(ii) 30 per cent in the additional subject (*i.e.*, Additional Mathematics, additional language or a vocational subject).

(iii) 35 per cent in each of the other subjects, with the following exceptions and qualifications:—

(*a*) For students taking Mathematics with or without Physics in Intermediate in Arts or in Intermediate in Science or Intermediate in Science preparatory to a Diploma Course, either 35 per cent in Additional Mathematics or 40 per cent in Elementary Mathematics.

(*b*) For students who take the Intermediate in Arts Course with a selected language, either 35 per cent in a corresponding language taken as an additional subject or 40 per cent in a corresponding language taken as a second language.

(*c*) For students taking any Science subject in Intermediate in Arts or Intermediate in Science, 40 per cent in Elementary Science.

(*d*) For students taking the I. Sc. Course preparatory to Diploma in Agriculture, Engineering and Technology, Textiles and Applied Chemistry, an aggregate of not less than 35 per cent in English and Elementary Science, in case the candidate obtains less than 40 per cent and not less than 30 per cent in English.

(4) The pass lists in the S. S. L. C. Examination and the list of candidates eligible for admission into College courses of studies shall be issued simultaneously by the S. S. L. C. Board and the Mysore University respectively, by mutual arrangement.

(5) Certificates as regards eligibility for admission into College courses of studies shall be issued by the University separately.

IV. Subject of study.

All the five subjects specified in Division I and one of those mentioned in Division II below shall be studied during the course and offered for the public examination :—

I.

1. English.
2. Second language ; any one out of—
   - (a) Vernacular, *viz.*, Kannada, Tamil, Telugu or Urdu ;
   - (b) Classical, *viz.*, Sanskrit, Arabic, Persian, Greek or Latin;
   - (c) Foreign, *viz.*, French.

N. B.—The same classical language shall not be offered both as a second language under Division I and as an additional language under Division II.

3. Elementary Mathematics (Arithmetic, Algebra and Geometry).
4. Elementary Science (Physics, Chemistry and Biology).
5. History of India and England and Civics and Geography of the World.

II.

General ....
1. Additional (or Higher) Mathematics.
2. A classical language (Sanskrit, Arabic, Persian, Greek or Latin).
3. Hindi.

Vocational ....
4. Accountancy.
5. Banking.
6. Practice of Commerce.
7. Typewriting.
8. Co-operation.
9. Drawing.
10. Mensuration with Surveying and Draughtsmanship.
11. Composing and Printing or Book-binding.
12. Electrical Wiring and Fitting.
13. Smithy.
14. Mechanical Shop and Fitters' Work.
15. Pattern-making and Foundry Work.
16. Weaving.
17. Pharmacy.
18. Agriculture with Practical Field and Farm Work.
19. Prints and Engraving.
20. Needle-work, Embroidery and Dress-making.
21. Domestic Science.
22. Music.
23. Sericulture.
24. Horticulture.
25. Wood-work including Joinery and Turning.
26. First-aid and Home Nursing (for girls).

NOTE.—1. Candidates declared eligible for admission into College courses of study in any yea may, within two years thereafter, appear for the Public Examination in one or more subjects with a view to obtain a Supplementary Certificate provided, however, that the subject or subjects offered are the same as the subject or subjects once offered by them, when they last appeared for the examination.

2 Candidates who have passed the Sanskrit Vidwat Examination (in any Branch) conducted by the Bangalore or the Mysore Sanskrit Boards, or the Pandits' Examination conducted by the Local Examinations Boards, or the Moulvis' or the Munshi Examination conducted by the Local Examinations Boards or by the Punjab University, in full, will be permitted to take the papers in English language only at the S. S. L. C. Public Examination.

V. Terms.

The school-year will be divided into two terms. The first term shall extend from the date of re-opening of the High Schools after the summer vacation to the commencement of the Dasara Holidays, and the second term from the re-opening of the High Schools after the Dasara Holidays up to the date on which the classes may be authorised by the Department of Public Instruction to be closed for the Annual Class Examinations or the Public Examination as the case may be.

VI. Attendance.

No pupil shall be promoted from the IV to the V Form, or from the V to the VI Form, or admitted to the Public Examination unless he has attended the school in the IV, V and VI Forms respectively, for at least 60 per cent of the number of working days in each term and 120 days for the school-year, or 75 per cent of the total number of working days in the school-year and is certified by the Heads of the High Schools concerned as having regularly attended Physical Drill or having taken part regularly in games and sports. Exemption from the operation of this rule may be granted by the *Director of Public Instruction* on the recommendations of the Heads of the High Schools concerned, in exceptional cases where the deficiency in attendance does not exceed a few days for the whole year.

VII. Public Examination.

(1) The Secondary School Leaving Certificate Public Examination shall commence each year on the 20th March, unless that day happens to be a Public Holiday, in which case it will be held on the next working day and subsequent days. It will be conducted at all District Headquarter Stations and at such other Centres as may be notified by the Director of Public Instruction. The Scheme of the Examination shall be notified in the *Mysore Gazette*, at least two months before the commencement of the examination. Applications (in the prescribed form) for admission to the examination from school pupils should be sent so as to reach the Secretary to the Board not later than the 20th December, and from private students, not later than the 1st December preceding the examination, those relating to school pupils being sent up through the Heads of the Institutions concerned and those from private candidates (*vide* Clause VIII below) being sent direct to the Secretary, subject to the provisions contained in Clause VIII (6).

(2) The fee for the examination shall be Rs. 12 for each candidate.

NOTE.—The fee for the examination in the case of candidates taking a Supplementary Certificate (*vide* Note to Clause IV above) shall be Rs. 3 per subject, subject to a maximum of Rs. 12.

(3) Fees once paid into the Treasury will, on no account, be refunded or reserved for subsequent examinations.

(4) The Board shall be competent to re-assess the marks of all the candidates or groups of candidates in any subject or subjects, the re-assessment taking the form of an uniform raising or lowering of marks or of directing the re-valuation of all or a group of answer papers in any subject or subjects. The marks as passed by the Board after such re-assessment or re-valuation shall be deemed to be the 'final marks'— *vide* Clause III (1).

NOTE.—The University shall be informed of such re-assessment of re-valuation in cases where such re-assessment was made or re-valuation ordered when the final mark lists are sent to the University —*Vide* Note (*ii*) below Clause III (3).

VIII. Private candidature.

(1) A candidate who has failed as a school pupil at the Public Examination of any year shall be allowed to appear for the Public Examination in subsequent years as a private candidate.

NOTE.—Candidates who had appeared for the Matriculation Examination of the Madras University, *through one of the recognised High Schools in Mysore*, in previous years and who failed at that examination may be permitted to appear for the Mysore S. S. L. C. Public Examination by private study on furnishing satisfactory evidence to show that they had so appeared and failed at the Madras Matriculation Examination.

(2) Girl candidates possessing the minimum general educational qualifications prescribed for admission to the IV Form may be permitted to appear for the Public Examination, by private study, without having previously appeared as school candidates, provided they forward with their applications for admission to the examination, a Certificate from the Head of a recognised High School or any Inspecting Officer of the Department of Public Instruction in Mysore, of status not lower than that of a District Educational Officer, *that they have gone through a regular course of study in private*, in the subjects they bring up for the Public Examination.

(3) A candidate who has put in six complete terms in a recognised High School, two terms in each of the Forms IV, V and VI and whose progress has been certified by the Head of a recognised High School, to be satisfactory, will be permitted to appear for the School Leaving Certificate Public Examination, as a private candidate, provided he or she sends in his or her application for admission to the examination within three years after the completion of the school course.

(4) A candidate who has passed in the examination in any year will be allowed to appear for the examination in subsequent years either by private study or as a school candidate on payment of the full fee prescribed, with a view to obtain a Supplementary Certificate provided he or she offers all the six subjects, as in IV above and the second language and additional subject offered are the same as the second language and additional subject offered on the previous occasion when the candidate appeared for the examination.

(5) A candidate who has been declared eligible for admission to College Courses of study in any year will, within two years thereafter, be allowed to appear for the examination by private study on payment of the fee prescribed, *vide* Note to Clause VII above, in one or more subjects with a view to obtain a Supplementary Certificate, provided the subject or subjects offered are the same as the ones offered on the previous occasion when he or she appeared for the examination.

(6) Candidates appearing for the examination, by private study, except girl candidates who had not studied in any recognised High School, shall be required to submit their applications, for admission to the examination through the Head of the High School in which he or she last studied.

V FORM.

Elementary Theory of Raga and Tala.

ಎರಡು ಆದಿತಾಳ ವರ್ಣಗಳು, ನಾಲ್ಕು ಕೀರ್ತನೆಗಳು ಮತ್ತು ಒಂದು ದೇವರನಾಮ.

VI FORM.

ಒಂದು ಅಟ್ಟತಾಳ ವರ್ಣ, ಒಂದು ಆದಿತಾಳ ವರ್ಣ (ಎರಡು ಕಾಲಗಳಲ್ಲಿ) ನಾಲ್ಕು ಕೀರ್ತನೆಗಳು ಮತ್ತು ಒಂದು ದೇವರನಾಮ.

Note.—1. Every student should know ten Madhyama kala Kirtanas of the type of ಮಾಜಾನಕೀ, ತೆಲಸಿ ರಾಮ, ಚಿಂತನಕೋ, ಎಂತಭಾಗ್ಯಮು, etc., and two Vilamba kala Kirtanas of the type of ಚಕ್ಕನಿ ರಾಜಮಾರ್ಗ, ಸಾಮಜವರಗಮನ, ದೊರಕುನಾ ಇಟುವಂಟಿ ಸೇವ, etc.

2. The Examination in each class should take into account the songs, etc., taught in the previous classes also.

3. ಸಾಧ್ಯವಾದ ಮಟ್ಟಿಗೂ ಭಿನ್ನ ಕರ್ತೃಕಗಳಾದ ಬೇರೆ ಬೇರೆ ರಾಗ ತಾಳಗಳಲ್ಲಿರುವ ಕೀರ್ತನೆಗಳನ್ನು ಅಭ್ಯಾಸ ಮಾಡಬೇಕು. ಆ ಕೀರ್ತನೆಗಳ ರಾಗಗಳ ಹೆಸರು; ಆ ರಾಗಗಳ ಆರೋಹಣ ಅವರೋಹಣ ಸ್ವರಗಳು, ಜನ್ಯ ಜನಕಸ್ವರೂಪ, ಔಡವ, ಷಾಡವ, ಸಂಪೂರ್ಣ ವಕ್ರಭೇದಗಳು—ಇವು ತಿಳಿದಿರಬೇಕು.

Appoints a Committee to enquire into the Progress of Co-operative Movement in the State and defines the terms of reference.

ORDER NO. D. 2763-833—C. S. 8-35-5, DATED BANGALORE, THE 29TH OCTOBER 1935.

The progress of the co-operative movement in the State was reviewed in a comprehensive manner by a Committee appointed by Government in the year 1920 with Mr. (now Sir) Lallubhai Samaldas Mehta of Bombay as Chairman. The recommendations made by that Committee were for the most part accepted by Government and guided the activities of the Co-operative Department for several years. While the movement has advanced in certain directions as the result of measures then adopted, the progress has been meagre in others. Fresh problems have also arisen and new activities such as, for example, the establishment of Land Mortgage Institutions have been undertaken. Meanwhile, the trade depression in recent years has put the resource of most of the institutions and their methods of working to a severe test. It is therefore felt that the time has arrived for taking stock of the whole situation and laying down, on considered lines, the policy to be pursued in the coming years for the regulation and healthy development of Co-operative Institutions in the State.

In this view, when a resolution was moved in the Representative Assembly during the Budget Session of June 1935, inviting the Government to appoint a Committee to enquire into the present state of the co-operative movement and to make recommendations in regard to the future lines of its development, they undertook to take action as suggested. They have accordingly decided to appoint a Committee constituted as follows:—

Rajadharmapravina Diwan Bahadur K. S. Chandrasekhara Aiyar, B.A., B.L., Retired Chief Judge of Mysore—CHAIRMAN.

MEMBERS

Mr. A. V. Ramanathan, B.A., Chief Secretary to Government.
Mr. M. G. Mehkri, B.A., LL.B., Registrar of Co-operative Societies in Mysore.
Rajasevasakta Mr. R. Ranga Rao, B.A., B.L., Retired Chief Secretary to Government.
Mr. K. Chengalaraya Reddy, B.A., B.L., Member, Legislative Council, and President, District Board, Kolar.
Mr. A. Krishna Rao, B.A., B.L., Advocate, Mysore.
Mr. B. N. Natesan, B.A., Survey of India, Bangalore.
Mr. J. M. Imam, B.A., B.L., Advocate, Jagalur.
Mr. N. Sesha Sastri, B.A., B.L., Advocate, Shimoga.
Rao Sahib C. S. R. Rao, Representative of the "Statesman", Bangalore.

SECRETARY.

Mr. N. Madhava Rao, B.A., Assistant Secretary to Government, Public Offices, Bangalore.

2. The enquiry entrusted to the Committee will embrace the present state of the co-operative movement in its various forms with reference not only to co-operative credit, but also to co-operative production, distribution and sale, as well as to house-building, insurance and other relatively less developed sides of co-operative activity. It will further, comprise an investigation of the financial system generally, including the connection between the various parts of the co-operative organisation and an examination of the working and future development of the Land Mortgage Bank; also the promotion of efficiency and convenience in such matters as propaganda, supervision, control and management of institutions and the disposal of co-operative disputes. The Committee will be at liberty to deal with any other aspects of the movement which may seem to them to be of fundamental importance.

3. The Committee are empowered for the purposes of the inquiry to invite opinion, to examine witnesses, to obtain such statistics and other information as they may require, and to visit such places and institutions as they may consider necessary.

4. Government trust that all persons, official and non-official and all Co-operative Societies will afford the Committee all possible facilities for the conduct of the inquiry.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

Reviews the report on the working of the Kunigal Stud Farm for the year 1934-35.

READ—

Report on the working of the Kunigal Stud Farm for the year 1934-35, received with Chief Commandant's letter No. C. 40, dated the 7th September 1935.

ORDER NO. G. 3103—MILY. 51-35-4, DATED BANGALORE, THE 24—29TH OCTOBER 1935.

There were two stallions at the beginning of the year. Two were added during the year, *viz.*, stallion Belfrey, which was purchased in England and stallion Lignan, which was graciously presented by His Highness the Maharaja. The year opened with 23 brood mares and 10 brood mare foals. Additions to brood mares during the year were ten—eight by purchase, one by presentation and one by transfer from the Mysore Lancers. There were six births of brood mare foals. Three brood mare foals and two brood mares were disposed of by sale, two brood mares were destroyed on account of old age and sterility and one was transferred to the Hessarghatta

Grass Farm. Thus at the close of the year there remained four stallions, 28 brood mares and 13 brood mare foals, all of which are doing well.

Coverings.—Twenty-eight Government mares were covered during the year, out of which 23 are believed to be in foal. This gives a percentage of 85·5 which is considered to be extremely good. A total sum of Rs. 9,170 was realised by the sale of horses.

The total receipts of the Farm, from all sources amounted to Rs. 16,800 and the expenditure to Rs. 51,717. The net expenditure of the Farm was thus Rs. 34,917 against Rs. 17,405-5-6 during the previous year.

The working of the Farm is being carried out generally according to the ten-year programme sanctioned in Government Order, dated the 28th July 1934, and the result is being watched.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

Reviews the annual report of the Mysore State Forces for the year 1934-35.

READ—
Report of the Mysore State Forces for the year 1934-35, received with letter No. C. 40—35-36, dated 7th September 1935, from the Chief Commandant, Mysore State Troops.

ORDER NO. G. 3331—MILY. 51-35-2, DATED BANGALORE,
THE 31ST OCTOBER—4TH NOVEMBER 1935.

Recorded.

2. Col. J. C. Loch continued to be the Chief Commandant of the State Forces throughout the year, except during the period of his leave from 1st February 1935 to 9th March 1935 and from 25th April 1935 to 24th May 1935, when his Personal Assistant Mr. S. Abdul Khalak, was in charge of the current duties of the Chief Commandant in addition to his own.

3. There was no change in the composition of the State Forces. It consisted of two Cavalry Units, *viz.*, the Mysore Lancers stationed at Bangalore, and the Mysore Horse (one Squadron) stationed at Mysore, three Battalions of Infantry and a Mechanical Transport Corps.

4. The two Cavalry Units and the First Battalion are 'A' Class Units and trained for active service. The former are fully armed with modern rifles and the latter is only partially so armed. The completion of the equipment of this Battalion is being gradually carried out. The other two Battalions are 'B' Class Units and the Third Battalion is completely armed with modern rifles.

5. Individual and collective training in drill and musketry were carried out satisfactorily. The Mysore Lancers had tactical exercises with Indian Army Units and the Second Staffordshire Regiment. Certain officers and men of the Cavalry and Infantry Units attended special courses of instruction both in and outside the State and qualified themselves with distinction.

6. The discipline of the Army and the Health and Sanitation of the Units continued to be satisfactory.

7. Water-supply to the Mysore Lancers and the Infantry Regiments was improved. Installation of electric lights for the quarters of officers and men of these Units has been sanctioned and some work has been completed.

8. The total expenditure under the head 'Army' during the year amounted to Rs. 14,42,686 as against Rs. 13,93,535 in the previous year. Of this, a sum of Rs. 87,370 was spent on Military Works against Rs. 66,058 in the previous year.

His Excellency the Commander-in-Chief in India visited the Mysore Lancers in July 1934. The Military Adviser-in-Chief, Indian State Forces, inspected the

Cavalry and Infantry Regiments in November 1934 and was much pleased with the field firing, turnout, etc. of the Mysore Lancers and of the good progress made by the First and Second Battalions, Mysore Infantry. His Highness the Yuvaraja was pleased to visit the Hessarghatta Grass Farm in November 1934. The administration of the Military Department under Col. Loch continued to be satisfactory.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

Directs that the existing practice of the Apex Bank giving loans to depositors who are not members which is against Section 29 (1) of the Mysore Co-operative Societies Regulation should be discontinued.

READ—

Correspondence ending with letter No. 2354, dated 12th October 1935, from the Registrar of Co-operative Societies, recommending that the Apex Bank may be exempted from the operation of Section 29 (1) of the Mysore Co-operative Societies' Regulation to enable the Bank to issue advances to non-members on the security of their deposits.

ORDER NO. D. 2937-38—C. S. 93-34-6, DATED BANGALORE,
THE 2ND—4TH NOVEMBER 1935.

The Registrar of Co-operative Societies brings to notice that the Mysore Provincial Co-operative Apex Bank has been issuing loans (termed advances) to individuals (both members and non-members) on the security of their deposits and of Government securities deposited with it contrary to the instructions conveyed in Clause 2 of Government Order No. D. 5992-3—C. S. 40-26-7, dated 6th December 1927, which restricts the issue of loans by the Apex Bank to societies only, and to Section 29 (1) of the Mysore Co-operative Societies Regulation which prohibits the issue of loans by a registered society to any person other than a member of such society. He further reports that the attention of the Bank having been drawn to this irregularity, the Bank justifies the issue of advances on cash deposits and securities on the strength of its Bye-law No. 34 approved by the then Registrar in December 1928, and on the analogy of the prevalence of this practice in many other Provincial Banks in British India and Indian States. As the Bank finds it necessary to continue the existing facilities to its depositors in order to attract large deposits from them for its working capital, the Registrar recommends that it may be exempted from the operation of Section 29 (1) of the Mysore Co-operative Societies Regulation and that the restriction laid down in para 2 of the Government Order of 1927 referred to above, may be removed so far as it relates to grant of loans to individuals on the security of deposits and other securities.

Government observe that the existing practice of the Apex Bank giving loans to depositors who are not members on the security of their deposits is clearly against the provisions of Section 29 of the Co-operative Societies Regulation and cannot be permitted to continue. They are therefore pleased to direct that the law as it stands should be strictly enforced.

Government are also not in favour of the suggestion to amend the law so as to permit the grant of loans by Co-operative Societies to non-members.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Approves of the Forest Settlement of the Chennagonda Forest Block in the Sagar Taluk.

READ—

Government Notification No. R. 10658—Ft. 165-16-2, dated 1st May 1917, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Chennagonda Forest Block in the Sagar Taluk.

2. Letter No. C. 2805—27-28, dated 2nd August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 2903-6—FT. 53-35-2, DATED BANGALORE, THE 16TH OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Shimoga District, is requested to duly promulgate the boundaries of the block in the villages concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 2907—Ft. 53-35-3, dated 16th October 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

				Total ...	5,601 or 8·75 sq. miles.	8	

BOUNDARIES.

North.—Starting from the junction bandhs of Survey No. 10 of Gudihithlu, Survey Nos. 83 and 91 of Bhanukuli, the line runs north-east for about one mile to the southern corner of Survey No. 92 of the latter village. It then runs north for about three furlongs along the eastern boundary of Survey No. 92 of Bhanukuli until it meets the tri-junction bandhs of Survey Nos. 92, 80 and 93 of Bhanukuli. Then it turns south-east and runs through Survey No. 552 of Chennagonda for a distance of about 45 chains and meets the north-west corner of Survey No. 1 of the same village. It then runs south-west for about 15 chains through Survey No. 552 and meets the westernmost corner of Survey No. 4 of Chennagonda. It then runs south-east for about five chains through Survey No. 552 and meets the south-west corner of Survey No. 4. Then it turns south-east and runs through Survey

Nos. 552 and 31 for a distance of about 30 chains and meets the south-west corner of Survey No. 30. It then runs south-east for about 4 chains through the same survey number and meets the south-east corner of Survey No. 27. It then turns north-east and runs through Survey Nos. 31 and 32 for a distance of about 39 chains till it meets a point on the boundary between Survey Nos. 32 and 95 about 5 chains south from the south-west corner of Survey No. 60 and then it runs south-east for a distance of about 7 chains to a point about 5 chains south from the southernmost corner of Survey No. 60. It then runs north-east for a distance of about 22 chains and meets a point about 5 chains south from the southernmost corner of Survey No. 62. Then it runs north-east through Survey Nos. 95 and 92 for about 40 chains and meets the south-east corner of Survey No. 86. It then runs north for about 49 chains along the eastern boundary of Survey Nos. 86, 87 and 90 and through Survey No. 92 and meets the south-east corner of Survey No. 13 of Bhanukuli. Then the line runs north-east along the southern boundary of Survey No. 14 of Bhanukuli for a distance of about 75 chains and meets the Yennehole River; then after running south-east for about 7 chains, the line runs north-east and east and runs along the right bank of Yennehole River for 42 chains till it meets the tri-junction bandhs of Survey No. 14 of Bhanukuli and Survey No. 343 of Valageri and Survey No. 96 of Chennagonda.

East.—Thence the line turns south-east along the western and southern boundaries of Survey No. 343 of Valageri until it meets the north-west corner of Survey No. 84 of Kalur. It then runs south for about 42 chains along the western boundary of Survey No. 84 of Kalur and meets its south west corner. It then runs south-west for about 77 chains along the northern boundary of Survey No. 142 of Chennagonda and meets the north-west corner of the same survey number then it runs south through Survey No. 95 for about 51 chains and meets a point on the left bank of Yennehole about 7 chains west from the north-west corner of Survey No. 136 of Chennagonda and then runs south-east for a distance of 62 chains through Survey Nos. 95 and 142 of the same village and meets a point about 18 chains south-west of the south-west corner of Survey No. 117. Then it turns south-east and runs for a length of about 65 chains and meets the two bandhs on the common boundary between Survey No. 68 of Kalur and Survey No. 142 of Chennagonda. Then it runs south-east along the western boundary of the former survey number and meets the tri-junction bandhs of Survey Nos. 68 of Kalur, 89 of Hunagallu and 142 of Chennagonda; then it runs south-west along the northern boundary of Survey No. 89 of Hunagallu for a distance of about 72 chains and meets the north-west corner of the same survey number then the line runs south-east along the western boundary of Survey No. 89 of Hunagallu for a length of 47 chains and meets the north-west corner of Survey No. 104 of the same village; then running in the same direction for about 30 chains through Survey No. 114, it meets the westernmost corner of Survey No. 113. Then after running west for a distance of about 5 chains, the line turns south-east and runs for a distance of about 12 chains. It then runs east to a point on the western boundary of Survey No. 79 for about 5 chains south from the southernmost corner of Survey No. 113. It then runs south-east for about 50 chains along the western boundary of Survey No. 79 and meets the tri-junction bandhs of Survey Nos. 78 and 79 of Hunagallu and 196 of Chennagonda.

South.—Thence the line runs west for about 47 chains through Survey No. 196 of Chennagonda and meets the northernmost corner of Survey No. 197; thence in the same direction for about 26 chains through the same survey number and meets the northernmost corner of Survey No. 201; then it runs north-west through Survey No. 196 of Chennagonda and Survey No. 115 of Hunagallu and again through Survey No. 195 of Chennagonda for a distance of about 62 chains and meets the south-east corner of Survey No. 185 of Chennagonda. Then it runs north-west through Survey Nos. 195, 166 and 143 of Chennagonda for about 77 chains and meets the north-east corner of Survey No. 147; then it turns west and runs south-west for a length of about 35 chains along the northern boundary of Survey Nos. 147, 146 and 145 and through Survey No. 143 till it meets the south-west corner of Survey No. 143. Then the line runs south for about 123 chains along the western boundaries of Survey Nos. 166 and 195 and meets the tri-junction bandhs of Survey Nos. 195, 220 and 224 of Chennagonda; then it runs north-west for about 92 chains along the northern boundary of Survey No. 235 of Babbagi and meets the tri-junction bandhs of Survey Nos. 235 and 229 of Babbagi and Survey No. 259 of Chennagonda.

West.—Thence the line runs north-west along the eastern boundary of Survey Nos. 257 and 256 of Chennagonda for a length of about 49 chains and meets the north-east corner point of the last named survey number. It then runs east crossing the Yennehole River and follows the southern, eastern and northern boundaries of Survey No. 237 and meets Yennehole River at the north-west corner of the same survey number; then the line runs along the right bank of Yennehole River for a length of about 51 chains to a point opposite the north-east corner of Survey No. 499; then it runs east for about 50 chains through Survey No. 165 to a point on the right bank of a halla about 5 chains south of the south-east corner of Survey No. 158; then the line runs north-east for 36 chains through Survey No. 165 to the south-west corner of Survey No. 154; then running in the same direction, the line follows the southern boundary of Survey Nos. 154 and 546 for about 70 chains and meets the south-east corner of the latter survey number. The line then runs north-west through Survey No. 546 for about 61 chains and meets the south-east corner of Survey No. 547; then it runs north for 15 chains along the eastern boundary of Survey No. 547; then crossing the river Yennehole it meets the left bank of the same river; then the line runs west, south, and south-west along the left bank of the river to a point about 5 chains north of the north-west corner of Survey No. 516. The line then crosses the river and meets the north-west corner of Survey No. 516, the line then runs south-west and follows the western boundaries of Survey Nos. 516, 502 and 154 to a point 5 chains north-east of the north-west corner of Survey No. 155. The line then turns west and runs for about 42 chains through Survey Nos. 501, 157 and across Yennehole to a point on the left bank of the river about 23 chains north-west of the north-west corner of Survey No. 159; then the line turns south-east and follows the left bank of the river to a point opposite the north-east corner of Survey No. 499

where Yennehole is joined by a small halla. Then it runs north-west for a distance of 30 chains and meets the north-east corner of Survey No. 448; thence in the same direction for a distance of 37 chains through Survey No. 500 and meets the northernmost corner of Survey No. 434, leaving Survey Nos. 448, 447, 446 and 434 outside the boundary line; then the line runs north for about 70 chains along the eastern boundary of Survey No. 433 and meets the north-east corner of the same survey number then the line runs south-west for about 40 chains along the northern boundary of Survey No. 433 until it meets its north-west corner; then the line runs north-west along the northern boundary of Survey No. 10 of Gudihitlu to a distance of about 62 chains and meets the starting point.

CONCESSIONS.

The following rights of way are admitted in the Block throughout the year for men and cattle:—

1. *Cart-track.*—From Chennagonda to Kalur 15 ft. wide and about 62 chains long. It enters the Block in its northern boundary in Survey No. 86 and runs north-east through Survey No. 92 of Chennagonda and quits the Forest in its eastern boundary at a point about 2 chains south of the north-east corner of Survey No. 92 of the same village.

2. *Foot-paths.*—(*a*) From Chennagonda to Hunagal 6 ft. wide and about 3 miles and 7 furlongs long. It enters the State Forest in its northern boundary in Survey No. 31, runs south-east through Survey Nos. 31, 550, 549, 546 and 143 of Chennagonda village and 114 of Hunagal village and quits the Forest in its eastern boundary at a point about 6 chains south-west of the southernmost corner of Survey No. 113 of Hunagal village.

(*b*) From Survey No. 184 of Chennagonda to 149 of the same village 6 ft. wide and 5 furlongs long. It passes through Survey Nos. 195, 166 and 143 of Chennagonda.

(*c*) From Survey No. 116 of Hunagal to join the Chennagonda-Hunagal foot-path 6 ft. wide and 4 furlongs long. It passes through Survey Nos 115 and 114 of Hunagal village.

(*d*) From Survey No. 184 of Chennagonda to join the Kogar-Karur Road in Survey No. 220, 6 ft. wide and 1 furlong long. It passes through Survey No. 195 of Chennagonda and leaves the Block at a point about 15 chains north-west of the south-eastern corner of Survey No. 195 of the same village.

(*e*) From Survey No. 151 of Chennagonda leading to Survey No. 502 of the same village 6 ft. wide and 2½ furlongs long. It passes through Survey Nos. 143 and 153 of Chennagonda and leaves the Block near the north-western corner of the latter survey number.

(*f*) From the northern corner of Survey No. 151 of Chennagonda leading to the Chennagonda-Hunagal foot-path 6 ft. wide and 2½ furlongs long passing through Survey No. 143 of the said village.

The villagers of Chennagonda and Hunagal including the owners of lands within the enclosures are allowed the undermentioned concessions in the Block:—

(1) Free grazing of cattle throughout the year.

(2) Cutting and removal of grass and firewood on free permits to be obtained from the Forest Department.

(3) Green leaves for manure at the rate of 200 head loads per acre of land.

(4) Thorns, etc., for fencing and machans.

ENCLOSURES.

(1) Survey Nos. 116, 117, 118 and 119 of Hunagal village and Survey No. 184 of Chennagonda are treated as enclosure with a margin of 5 chains all round.

(2) Survey Nos. 148, 149, 150, 151 and 152 of Chennagonda village are treated as enclosure with a margin of 5 chains all round.

Rights of way in respect of both the enclosures are admitted throughout the year as shown in the sketch and described in sub-para 2 under concessions given above.

STATEMENT B.

Register of claims to lands and rights to forest produce, or other easements in the Chennagonda Block, Sagar Taluk, Shimoga District.

Serial Number	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of the decision and final disposal of the claim by the Forest Settlement Officer	Brief abstract of the decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
	No claims.		...	...	...	From local enquiry it is found that the following concessions are necessary and hence they are admitted. The following rights of way are admitted in the block throughout the year for men and cattle. (1) *Cart-track.*—From Chennagonda to Kalur 15 feet wide and about 62 chains long. It enters the block in its northern boundary in Survey No. 86 and runs north-east through Survey No. 92 of Chennagonda and quits the Forest in its eastern boundary at a point about two chains south of the north-east corner of Survey No. 92 of the same village. (2) *Foot-paths.*—(*a*) From Chennagonda to Hunagal six feet wide and about three miles and seven furlongs long. It enters the State Forest in its northern boundary in Survey No. 31 runs south-east through Survey Nos. 31, 550, 549, 546 and 143 of Chennagonda Village and 114 of Hunagal Village and quits the Forest in its eastern boundary at a point about six chains south-west of the southernmost corner of Survey No. 113 of Hunagal Village. (*b*) From Survey No. 184 of Chennagonda to 149 of the same village, six feet wide and five furlongs long. It passes through Survey Nos. 195, 166 and 143 of Chennagonda. (*c*) From Survey No. 116 of Hunagal to join the Chennagonda-Hunagal foot-path, six feet wide and four furlongs long. It passes through Survey Nos. 115 and 114 of Hunagal Village. (*d*) From Survey No. 184 of Chennagonda to join the Kogar-Karur road in Survey No. 220, six feet wide and one furlong long. It passes through Survey No. 195 of Chennagonda and leaves the block at a point about 15 chains north-west of the south-eastern corner of Survey No. 195 of the same village. (*e*) From Survey No. 151 of Chennagonda leading to Survey No. 502 of the same village, six feet wide and two and a half furlongs long. It passes through Survey Nos. 143 and 153 of Chennagonda and leaves the block near the north-western corner of the latter survey number. (*f*) From the northern corner of Survey No. 151 of Chennagonda leading to the Chennagonda-Hunagal foot-path, six feet wide and two and a half furlongs long passing through Survey No. 143 of the said village. The villagers of Chennagonda and Hunagal, including the owners of lands within the enclosures are allowed the undermentioned concessions in the block.— (1) Free grazing of cattle throughout the year. (2) Cutting the removal of grass and fire-wood on free permits to be obtained from the Forest Department. (3) Green leaves for manure at the rate of 200 head loads per acre of land. (4) Thorns, etc., for fencing and machans. ENCLOSURES. (1) Survey Nos. 116, 117, 118 and 119 of Hunagal Village and Survey No. 184 of Chennagonda are treated as enclosure with a margin of five chains all round. (2) Survey Nos. 148, 149, 150, 151 and 152 of Chennagonda Village are treated as enclosure with a margin of five chains all round. Rights of way in respect of both the enclosures are admitted throughout the year as shown in the sketch and described in sub-para 2 under rights of way given above. Survey Nos. 144, 551, 93, 94, 91, 225, and 548 of Chennagonda are small bits of lands scattered all over the block and as such quite unsuited for cultivation. As these are assessed waste lands, and as no useful purpose is served by treating them as enclosures, it is now included in the block, the assessment thereon being written off the accounts.	...

MD. PIR,
District Forest Officer,
Shimoga Division.

T. VENKATARANGAN,
Forest Settlement Officer,
Sagar Sub-Division.

Approves of the Forest Settlement of the Chowrakal Forest Block in the Kankanhalli Taluk.

READ—

Government Notification No. S. 128—Ft. 337-26-7, dated 15th July 1927, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Chowrakal Forest Block in the Kankanhalli Taluk.

2. Letter No. C. 633—35-36, dated nil, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 2918-21—FT. 71-35-2, DATED BANGALORE, THE 2ND—16TH OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the villages concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

Notification No. G. 2922—*Ft.* 71-35-3, *dated 2nd*—*16th October* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

SCHEDULE.

District	Taluk	Hobli	Villages	Name of the Block	Approximate area		Remarks
					A.	G.	
Bangalore	Kankanhalli	Kodihalli	Honniganahalli	Chowrakal Forest	1,207	3	The area includes an extent of about 300 acres margin to be left along the cultivation.
			Bannimukkodlu		682	0	
			Chikkamukkodlu		731	1	
			Hunasanakodihalli		498	0	
				Total ...	3,118	·4	
					or 4 87 sq. miles.		

BOUNDARIES.

North.—Starting from the south-west corner of Ramadevarabetta State Forest, where the Kodibidda Maduvinahalli cuts the Muggur State Forest demarcation line, the boundary line runs north-east along that halla to the north-west corner of Survey No. 164 of Bannimukkodlu; then turning south-west runs along the western boundary of Bannimukkodlu Survey Nos. 164 and 163 to the south-west corner of the latter survey number; then turning east goes along the southern boundary of Survey No. 163 for a distance of about 6 chains; then turning south runs along the western boundary of the newly occupied (survey number not yet given) part of Survey No. 153 for a distance of about 6 chains; then turning to the west runs for a distance of about 6 chains, there again turning due south runs for about 20 chains along the western edge of the new cultivations in Survey No. 153 to a point on the south of the halla about 15 chains due north-east from the Muggur demarcation line at the common bandh of Bannimukkodlu and Honniganahalli; thence turning east runs for a distance of about 43 chains along the southern edge of the newly cultivated area in Survey No. 153 to a point about 15 chains due south from the south-east corner of Survey No. 154; thence it runs straight north-east to a point on the eastern boundary of Survey No. 153, about 12 chains south-east from the south-west corner of Survey No. 152; then south-east for a distance of about 11 chains to a point where the Bannimukkodlu-Honniganahalli cart-tract cuts the halla; then in the same direction for a distance of about 50 chains along the southern boundary of new cultivations in Survey No. 137 to a point 50 chains slightly south-west from the south-east corner of Survey No. 116; then turning due slightly north-east, to a distance of about 21 chains and meets the south-east corner of newly cultivated area in Survey No. 137, and runs along the eastern edge of the newly cultivated area in Survey No. 137 to a distance of about 29 chains to the south-east corner of Survey No. 116; then along the eastern boundary of Survey Nos. 116, 115, 114 and 98 to the north-east corner of the last survey number. Thence straight to the south-east corner of the last Survey No. 96; then due north along the eastern boundary of Survey Nos. 96, 95, 85 and 84 to the north-east corner of the last survey number. Then turning east along the southern boundary of Survey No. 82 of Bannimukkodlu, to the south-west corner of the Survey No. 81 of Chikkamukkodlu, then proceeding in the same direction to the trijunction bandhs of Survey Noss. 81, 78; and 77 of that village, there turns south and follows the western boundary of Survey Nos. 77 and 76 of Chikkamukkodlu in order to the south-west corner of the latter survey number, and then turning east goes along the southern boundary of Survey Nos. 76 and 75 to the south-east corner of Survey No. 75; then turning north runs along the eastern boundary of Survey Nos. 75, 74, 73, 72, 70, 68, 18 and 17 to the north-east corner of the last number, and then north-east across the foot-path from Chikkamukkodlu to Mopuri Kaval to south-east corner of Survey No. 16, and then in the same direction skirting the eastern boundary of Survey Nos. 71, 96 and 97 to the north-east corner of Survey No. 97, and then north-east along the halla to the south-eastern corner of Survey No. 48 of Hunasanakodihalli and then turning north-east and running along the eastern boundary of that number to the south-west corner of Survey No. 110 of that village. Then it follows the southern boundary of Survey Nos. 110 and 101 to the south-east corner of the latter survey number. Then in the same direction to the south-west corner of Survey No. 108; then in the north-easterly direction along the southern boundary of Survey Nos. 108 and 109 to the south-east corner of the latter number; thence touching southernmost points of Survey No. 34 and running straight along the southern boundary of the newly cultivated land in Survey No. 24 to the south-east corner of Survey No. 26; thence north-east along the southern boundary of recent cultivation in Survey No. 24 between Survey Nos. 26 and 103 to the south-east point of Survey No. 104; then in the same direction to south-west corner of Survey No. 105 and on eastwards along the southern boundary of Survey No. 105 to its south-east corner; thence north-east along the southern boundary of new cultivation in Survey No. 24 on the south of Survey No. 91 to the south-west corner of Survey No. 106; then east along the southern boundary of Survey No. 106 and 107 to the south-east corner of latter survey number.

East.—Then south-east along the Madras frontier line up to the demarcation line of the Muggur State Forest.

South and West.—Thence along the demarcation line of the Muggur State Forest up to the demarcation line of the Ramadevarabetta State Forest where it reaches the starting point.

N. B.—I. The following two blocks are treated as enclosures in the State Forest:—

(1) The Mopuri Temple with the well near it in Survey Nos. 83 and 84 of Chikkamukkodlu with three acres of land all round with the right of way.

(2) The cultivated parts of Honniganahalli village lying within the following boundaries:—

Starting from the north-west corner of Survey No. 62, the line runs due east along the northern boundary of Survey Nos. 62, 57, 56, 52 and 54 of Honniganahalli to the north-east corner of the last survey number; then turns south along the eastern boundary of Survey No. 54 to the north-east of Survey No 53; then turning east along northern boundary of Survey No. 55 to its north-east corner. Then turning south, runs along the eastern boundary of Survey Nos. 55, 14 and 13 in order to the south-east corner of Survey No. 13; then straight in a south-west direction to the south-east corner of Survey No. 71; then straight through Survey Nos. 70 and 16 to the south-east corner of Survey No. 17; then along the Muggur Forest demarcation line to the south-west corner of Survey No. 19, then north skirting along the western side of Survey Nos. 19, 23, 24, 25, 28, 39, 66, 65, 64, 63 and 62 meeting the starting point.

The following *rights of ways* as per detailed description attached for men and cattle are admitted within the forest throughout the year:—

(1) Cart-track from Honniganahalli to Bannimukkodlu.
(2) Cart-track from Honniganahalli to Muggur Forest.
(3) Foot-path from Honniganahalli to Iralpod.
(4) Foot-path from Honniganahalli to Belapatti.
(5) Cart-track from Chikkamukkodlu to Dabbaguli.
(6) Foot-paths from Chikkamukkodlu to Mattikere, Karaga and Uriga villages, going through Mopuri Temple.
(7) Foot-path from Hunasanakodihalli to Uriga,
(8) Foot-path from Hunasanakodihalli to Arataklu.

The following concessions and privileges to Forest Produce within this Forest are also given.

The raiyats of Chikkamukkodlu, Bannimukkodlu, Honniganahalli and Hunasanakodihalli should be permitted to graze their cattle in this Forest free and take timber, fuel and seebu for their *bona-fide* domestic and agricultural purposes without payment of any fee.

N. B.—II. The demarcation line should be kept back 110 yards from the edge of occupied lands.

STATEMENT B.

Register of claims to lands, rights to forest produce, or in the proposed State Forest of Chowrakal Block, Kankanhalli Taluk, Bangalore District.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
				CHIKKAMKODLU.			
1	Gowda Madiab and other villagers, Patel and Shanbhog.	8th November 1927, 26th January 1930, 12th June 1931.	1. That the area proposed is the gomal for the village and that the cattle would suffer. 2. That this is the area which supplies them fuel and agricultural implements for their domestic and agricultural purposes. 3. That in the area proposed, there are not valuable timber trees except lantana. 4. That the villagers will have no lands for cultivation as there are some who are in need of lands. 5. Rights of way claimed: (a) To Mopori lands and on to Mattikere (British Territory) and temple on the hill and to Dubbaguli as shown in the map. 6. Reservation of one acre of land round the Mopori temple and well.	The area proposed is Gomal Survey No. 26. A. g. Proposed area 790-4 Extent as per resurvey 644-4 The rest except assessed Survey Nos. 94, 98, 99 and 100 measuring 24 acres 11 guntas has been given away for cultivation. Cattle ... 910 The village is surrounded on all sides by State Forest.	The forest is too valuable to be left out and in fact when conserved and protected it will better serve the people perpetually. As regards grazing, they will not suffer at all in as much as they are having grazing now in all the neighbouring State Forests, by paying a nominal lumpsum fee even when they have their gomal all for themselves and will not have to pay any more for grazing in this forest when it is reserved—but as far their other requirements, such as fuel and agricultural implements, no doubt they will have some inconvenience when their communal land is reserved. But, if left to themselves the little forest from which they are getting such requirements will all be ruined in a short time and they will themselves be hit hard. Therefore, instead of excluding any land. I propose they may be allowed fuel and agricultural implements from dead trees and material in the annual contribution at concession rates. I have no objection to the claims 4 and 5. Granting lands for cultivation inside the forest after the block was notified under Section 4 is irregular and should be cancelled and included in the reserve. Mopori lands should, if they were given away before the notification be acquired as they are very thick forests in the heart of the reserve and it is better to leave the forest un-encumbered.	This is the ordinary objection. I have seen the area. But under the present arrangement, the raiyats stand to gain rather than lose anything. On being explained to them, the villagers are now agreeable to the formation in the light of the concessions I have given them with the consent of the Forest Officer present. 1. The land is best suited for Forest and Plantation and preservation is necessary. Nevertheless some lands will be left for the villagers to a distance of 110 yards along the cultivated area. 2. The Mopori block will be acquired under separate proceedings. 3. The grant of lands made subsequent to the notification to Adikarnatakas will be cancelled. 4. As they are paying lumpsum grazing fee to the adjoining Forest, the right to graze in the area without payment of extra fees is conceded. 5. Right to take fuel, dead timber and unreserved wood and seebu for *bonafide* domestic and agricultural purpose free in any such block or coupe is also conceded. 6. Rights of way to (1) Mattikere, and (2) Karage and Uriga and Mopori temple and well is conceded and land to an extent of three acres as an enclosure will be reserved for the use of public on festive occasions. There are foot-paths for men and cattle—6 ft. wide and 110 chains long through Survey Nos. 26, 83 to 87 and 94 to 95 of Chikkamkodlu. 7. Rights of way to Dubbaguli as shown in the map is also conceded both for men and cattle. This is cart-track—15 ft. wide and 130 chains long through Survey No. 26 of Chikkamkodlu.	
				HONNIGANAHALLI.			
	Patel, Shanbhog and villagers.		(1) That Survey Nos. 16, 15 and 40 are proposed for Chowrakal block. That Survey No. 16 (gomal) should be reserved for the village cattle. That Survey Nos. 15 and 40 should not be constituted as State Forest, as there is forest all round the village. Further that the entire Survey No. 40 and 50 acres out of Survey Nos. 15 and 16 may be reserved for the village and the rest may be constituted. (2) Re: the supply of fuel and wood for agricultural implements. (3) Rights of way: (a) Foot-path to Byayalpet, (b) Cart-track to Bannimkudlu, (c) Foot-path to Bilakal Forest.	SURVEY NO. 40. 1. Area proposed A. g. 352-36 As per resurvey ... 341-39 2. Assessed Survey Nos. 58, 59, 60, 62, 63, 64, 65 and 66. All are waste now except Survey No. 63 which was granted on 6th August 1929 for cultivation. 3. GOMAL SURVEY No. 16. A. g. Area proposed 415-11 As per resurvey ... 397-1	Same as in the case of Chikkamkodlu. It is wrong to have given lands for cultivation after notifying the block under Section 4 and the order to be cancelled. If these lands are not included in the forest, the forest will be very narrow. The two demarcation lines coming close together. After all, they are in the possession of an absentee land-lord who does not suffer without that land.	On explanation furnished to the villagers and the grant of the concessions they wanted, they are agreeable for the formation. 1. Right to free grazing without payment of any additional fee as they are already paying lumpsum grazing fee to the adjoining forest. 2. Right to take fuel, dead timber and wood of unreserved kind and seebu for *bonafide* domestic and agricultural purpose without fee. 3. Right of way: cart-track for Bannimkodlu as per map 15 ft. wide and 42 chains long through Survey Nos. 68, 15 and 40 of Honniganhalli, open for men and cattle throughout the year.	

STATEMENT B.—*contd.*

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
			(4) That Doddagowdanbare by the side of the road to Byayalpet should be left for the use of the villagers.	The difference is 18 acres 10 guntas. Out of this Survey No. 70 (9 acres 29 guntas) is assessed waste. 4. SURVEY NO. 15 KHARAB. A. g. Area proposed 663-3 As per resurvey 426-33 The difference comprising of 2 Survey Nos. 68 and 69 which were given over for cultivation on 6th August 1929.		4. Right of way: foot-path to Iralapod—6 ft. wide and 30 chains long as per map through Survey Nos. 61, 60 and 40 of Honniganhalli and 153 of Bannimkodlu open for men and cattle throughout the year. 5. Right of way (cart-track) to Muggur Forest as per map—15 ft. wide and 5 chains long through Survey No. 16 of Honniganhalli for men and cattle throughout the year. 6. Right of way to Byalapate and Bilakal Forest, foot-path for men and cattle, 6 ft. wide and 80 chains long through Survey No. 16 of Honniganhalli. 7. The grant of land Survey No. 68 and 69 after notification will be cancelled. 8. Survey No. 67 occupied before resurvey will be acquired as it cannot be treated as an enclosure and the party himself has not objected to its inclusion in the area. The occupant is the Shanbhog himself.	
3	Patel Shanbhog and villagers.	8th November 1927, 26th January 1930, 12th June 1930.	1. That gomal Survey No. 24 should be reserved as the interest of the village cattle would be prejudiced. 2. That kharab Survey No. 47 should also be reserved and should not be constituted as a forest as it would be inconvenient for the villagers for fuel, etc., as the forest line comes by the side of the village. 3. That the road from Kalasettipura to British territory in Survey No. 47 should be reserved.	HUNASANAKODIHALLI. GOMBL SURVEY NO. 24. A. g. Area proposed. 291-2 As per re-survey. 256-33 The difference is due to the fact of giving lands for cultivation before re-survey. After Notification, i.e., on 29th September 1928, 45 acres have been given over for cultivation. SURVEY NO. 47. A. g. Area proposed 344-28 As per resurvey. 312-29 The difference is due to the fact of giving over lands for cultivation before re-survey. Cattle for the village 310.	Same as above. It is irregular to have granted lands for cultivation in the reserve after notification and it must be cancelled. This may be granted.	On being explained to them the advantages and the grant of concessions as described below, the villagers are now agreeable to the proposal. 1. Right to graze free without payment of additional fee in the forest as the raiyats are already paying lumpsum grazing fee for the adjoining forest. 2. Right to take fuel, free dead wood and timber of an unreserved kind for *bonafide* for domestic and agricultural purposes. But rights 1 and 2 to be exercised only in the coupes and blocks allotted for the year. 3. Right of way through a foot-path to Uraga is conceded, 6 feet wide and 52 chains long through Survey No. 47 of Hunsankodihalli for men and cattle throughout the year. 4. Right of another way to hill Artaklu by a foot-path, 6 feet wide and 25 chains long through Survey No. 24 open for men and cattle throughout the year. 5. A strip of land 110 yards along the cultivated area will be allowed for the use of the villagers. 6. The lands recently granted for cultivation subsequent to the issue of notification will be confirmed.	
	Patel, Shanbbhog and other villagers.		1. That the gomal for the village as it is at present is not sufficient and should not be given over to Forest Department. 2. That kharab Survey No. 153/137 is needed for the exigencies of cultivation and no portion should be given over for cultivation. 3. That if the forest line comes by the side of the village, much difficulty would be felt for fuel and agricultural materials. 4. The following roads should be reserved:— (a) Road to Honniganahalli passing through Survey No. 137. (b) Cart-track to Muggur passing in Survey No. 153 (c) Road from Iralapod to Honniganhalli.	BANNIMKODLU. 1. GOMAL SURVEY NO. 137/117. A. g. Area proposed. 835-4 Area as per re-survey. 800-1 After re-survey an extent of 165 acres has been given over for cultivation. After notification 15 acres have been given over for cultivation. Cattle ... 1,431 2. SURVEY NO. 153-137. A. g. Area proposed. 828-7 Area as per re-survey. 619-11 Ninety-five acres of land have been given for cultivation	Opinion given in the case of Chikkamkodlu holds good in this case also. If in all villages the lands taken up are given up then, there will be no forest. Therefore this village may be treated like Chikkamkodlu. It is a pity that large lands are given out for cultivation inside the reserve after notification and even on the day the notification under Section 5 was published. During recent years large tracts of forests have been demanded for cultivation and it is not economy to sacrify forests any further in this tract. All the unauthorised grants should be cancelled.	On being explained to the villagers, the advantages in the formation of the forest and the concessions granted as stated below, the objections have been withdrawn. (1) Right to graze free in the forest without payment of additional fee as the raiyats are paying lumpsum grazing fee for the adjoining State Forest. (2) Right to take fuel, dead wood and timber of unreserved kind and seebu for *bonafide* domestic and agricultural purposes is conceded. But rights 1 and 2 are given only in specified coupes and blocks in any year.	

STATEMENT B.—*concld.*

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decisions and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
		12th June 1931 26th January 1930 8th November 1927.		after re-survey and before notification. Sixty acres have been granted after notification. Out of this, 300 acres have been taken to Ramadevaru Forest.	(4) (a) These are one and the same and Muggur cart-track may be granted and will serve both the purposes better. (b) This is rarely used and does not seem to be necessary. (c) This may be allowed.	(3) Cart-track to Honniganahalli as shown in the map 15 feet wide and 42 chains long through Survey Nos. 68, 15 and 40 of Honniganhalli and 137 of Bunnimukodlu open for men and cattle throughout the year. (4) Foot-path from Iralapod to Honniganhalli as noted under Honniganhalli village case. (5) The land to a distance of 110 yards along the cultivated lands is allowed for the use of the public. (6) The lands granted for cultivation subsequent to the notification is confirmed to the occupants. (7) The land for the northern side of Kodibidda Maduvina halla will be left out of cultivation in this settlement as it has been included in the Ramedevara Betta Forest.

PUBLIC WORKS SECRETARIAT

Delegates enhanced powers to the Chief Engineer of Mysore.

READ—

1. Government Order No. P. W. 327-344, dated 23rd July 1924, defining the powers to be exercised by the Chief Engineer of Mysore.

2. Notes ending with No. D. 1143, dated 17th July 1935, by the Secretary to Government, Public Works Department, in the matter of granting enhanced powers to the Chief Engineer, consequent on the delegation of enhanced powers to the Superintending Engineers.

ORDER NO. P. W. 645-679—S., DATED BANGALORE,
THE 9TH SEPTEMBER 1935.

Government are pleased to delegate to the Chief Engineer enhanced powers as detailed in the statement attached.

N. N. AYYANGAR,
Secretary to Government,
Public Works Department.

ANNEXURE.

Revised powers of the Chief Engineer of Mysore, sanctioned in G. O. No. P. W. 645-679—S., dated 9th September 1935.

Revised Powers.

1. *Expenditure.*—To exercise powers only within the limits of budget grants.

2. *General Control.*—To exercise control over—

(*a*) The engineering operations of the department relating to works noted below, and to exercise a concurrent control with the Comptroller over the duties of the officers of the department in respect of the accounts of expenditure;

(*b*) Irrigation works including minor tanks and maintenance of Bangalore Water Works; and

(*c*) Provincial and District Fund roads, buildings and bridges including repairs, and works of civil departments, when entrusted to the Public Works Department, within the limits of grants provided in their budgets.

3. *Designs and Estimates.*—To deal with the details of designs and estimates of all Projects, except in the case of works which are to be dealt with by the Superintending Engineers.

4. *Sanction to Estimates.*—

(1) *Original Works.*—Can sanction estimates up to an extent of Rs. 7,500 for each work, if provided for in the budget.

(2) *Repairs.*—Can sanction estimates to the extent of Rs. 7,500 for each work, if provided for in the budget.

Repairs to Government Residential Buildings.—Can sanction estimates up to five per cent of the capital cost.

(3) *Tools and Plant.*—Can sanction all estimates of tools and plant up to a limit of Rs. 5,000 in each case and within the budget provision.

(4) *Revised and Supplemental Estimates.*—Can sanction revised and supplemental estimates, except in the case of minor tanks, to the extent of 10 per cent of original estimates sanctioned by Government, provided that the excess is within Rs. 7,500, and will have full discretion of deviation within the above limit of quantities and rates.

(5) *Minor Tanks.*—Can dispose of all revised estimates within Rs. 7,500, and beyond Rs. 7,500 can sanction revised estimates in which the excess over the original estimates does not exceed 10 per cent.

(6) *Electric Installation.*—Can sanction all estimates for electric installation to Government buildings.

(7) In the case of estimates sanctioned by Government or himself, where lumpsum provisions are made for certain items, the Chief Engineer may call for details and approve them up to the limit of his powers.

5. *Tenders for Works.*—Can accept tenders for the execution of works by contract for works costing up to Rs. 35,000 excluding items, such as, acquisition of lands, contingencies, unforeseen charges, provided in the estimate.

Can convey approval to deviation from tender system in urgent cases after thoroughly satisfying himself of the circumstances of the case for works costing up to Rs. 35,000.

Note.—(1) In the case of tenders accepted by himself or Government, the rates therein should not be enhanced by the Chief Engineer even when the cost of the estimate, as revised on account of the enhancement, is within his powers of sanction; when for any reason an increase in rates is found necessary, orders of Government should be obtained in the matter.

(2) In cases where materials are supplied by Government to a contractor, the amount of contract shall, for the purpose of determining the authority competent to accept it, be taken to be the net amount to be paid to the contractor exclusive of the cost or value of materials supplied to him by Government. No officer is empowered to accept a contract, the amount of which added to the cost of materials supplied by Government, exceeds the sanctioned estimate.

(3) It is not the intention of Government to prevent officers from giving out to different contractors, a number of contracts relating to one work, which is estimated to cost more than the sums named as the limit of their powers, provided that no individual contractor receives a contract amounting to more than this sum in connection with one work or estimate to be in force at one time. It will be discretional with the Chief Engineer to require the submission of reports of contracts entered into by the Superintending and Executive Engineers.

6. *Budget Grants.*—To reappropriate between circles and divisions, the allotments made in the budget for original works—minor repairs, and tools and plant.

7. *Suspension of Works.*—May suspend the commencement or progress of any work pending orders of Government.

8. *Purchase of Stores.*—Can purchase ordinary local stores up to a limit of Rs. 2,000 in each case, subject to the conditions laid down in G. O. No. G. 14778-81—G. M. 203-23-14 of 16th May 1924.

Purchase of office furniture or repairs to furniture is restricted to Rs. 25 in each case, *i.e.*, for each article purchased or repaired.

9. *Appointments.*—

(1) May appoint within the sanctioned scale lower subordinates, store-keepers, office clerks, draftsmen and office servants.

(2) All appointments whether permanent, temporary or officiating, carrying salaries fixed at, progressing to, or above Rs. 100, should be reported to Government for sanction.

(3) May appoint persons on temporary work establishment carrying pay up to Rs. 100 after obtaining sanction of Government to the total expenditure for work establishment.

10. *Transfers.*—To transfer gazetted officers below the rank of Executive Engineers and all other members of establishment.

11. *Leave.*—

To Grant—(1) Leave to non-gazetted officers of the department under the rules in force;

(2) privilege leave to Executive Engineers up-to 15 days, provided no acting arrangements are necessary;

(3) privilege leave to other gazetted officers of the department up to the period admissible, provided that no additional expenditure is incurred on that account.

12. *Dismissals.*—May suspend or dismiss any person appointed by him; but in the case of Overseers previous approval of Government should be obtained.

13. *Headquarters of Sub-Divisions.*—May fix the Headquarters of Sub-Divisions of the Department.

14. *Permanent Advance.*—May sanction permanent advances to subordinate officers for the contingent charges of offices up to the amounts advised by the Comptroller as appropriate.

15. *House Building Advance.*—May sanction house building advances to non-gazetted Officers drawing a pay of less than Rs. 100 per mensem, if strictly admissible under the rules.

16. *Transfer of Contingent Grant.*—May sanction transfer from one head to another within the same major head, provided the expenditure is entirely under his control.

17. *Security Deposits.*—May sanction the recovery of security deposits in not more than 20 instalments.

18. *Periodical Increments.*—May sanction annual increments to Engineer Officers, subordinates and other officials of the department entitled to increments and may withhold them, except in the case of Engineer Officers.

19. *Subsistence Allowance.*—May sanction payment of allowances under Article 117 of the Mysore Service Regulations to officers placed under suspension or dismissed and reinstated, provided that the extra cost does not exceed Rs. 200 and the period of suspension or dismissal does not exceed six months.

20. *Halting Allowance.*—May sanction halting allowance for halts exceeding ten days to non-gazetted Officers of the Department.

21. *Bicycle Allowance*—May sanction in lieu of pony allowance.

22. *Road Journeys.*—May authorise road journeys under Article 473 of the Mysore Service Regulations.

23. *Dasara and Christmas Holidays.*—May grant permission to gazetted officers to utilise the Dasara and Christmas Holidays.

24. *Change of Name of Public Servants.*—May dispose of applications therefor, provided their appointments are within his powers of sanction.

25. *Purchase of Books.*—May order the purchase of ordinary books of reference required by all officers, as well as those relating to special work of the Department, or which are required for Departmental Libraries. In the latter case, the purchase should be strictly limited to the specific allotments made for the purpose in the annual budget and no reappropriations should be made without the sanction of Government to augment the budget grant.

26. *Arrear Claims.*—May sanction payment of arrear claims relating to pay and allowances.

27. *Free Supply of Government Publications.*—To order the free supply of any departmental publication other than specially valuable ones, to be specified by Government from time to time, required for public use. As a rule, all publications of which the authorised price of sale is Rs. 10 or upwards, will be considered as specially valuable ones.

28. *Miscellaneous.*—May sanction—

(1) Maximum rates of conveyance allowance to Sub-Engineers and Overseers.

(2) Reserve stock limit of divisions.

(3) Hiring of private buildings for P. W. offices.

(4) Exemption of rent for residential buildings, when not occupied by officers on account of plague, infection or on other grounds.

(5) Acceptance of certificates of payment in lieu of missing vouchers.

(6) Write off of articles of tools and plant and stock lost to the extent of Rs. 750 in each case, subject to the condition that the amount so written off in a year in the case of each division does not exceed Rs. 750.

(7) Dispose of applications for water-supply connections for non-domestic purposes in ordinary cases subject to a limit of 5,000 gallons in each case.

(8) Expenditure on account of advertisements in non-contract newspapers.

(9) Transfer of non-gazetted officers from the Public Works Department to other Departments and *vice versa* with the consent of the Heads of Departments concerned.

(10) Appointment of persons over 25 years of age to clerical, draftsmen and lower subordinate service.

(11) Purchase of stationery articles which are not available at the Government Stationery Depot to the extent of Rs. 25 in the case of foreign made articles, and Rs. 50 in the case of country made ones in each case.

(12) Purchase of technical books, also permit subscriptions for periodicals.

(13) Supply of clothing to menials according to the scale prescribed in standing orders.

(14) Write off of irrecoverable advances to labour up to a limit of Rs. 200.

(15) Refunds.

(16) Recurring contingent charges under Appendix XII, Mysore Civil Account Code, Vol. I, provided the limit of Rs. 10 per mensem is not exceeded under each item and sanction does not exceed two years.

(17) Purchase of clocks of approved pattern of the value of and under Rs. 25.

(18) Acceptance of presents offered by the public to subordinate officers of the department for good work done subject to the limits fixed in Article 52 of the Mysore Service Regulations.

(19) The acceptance of honorarium for work in Co-operative Societies, in the case of non-gazetted officers.

(20) Repairs to tents when the cost does not exceed Rs. 25.

(21) Charge allowance to non-gazetted officers under the Mysore Service Regulations.

(22) Purchase of topo sheets and taluk maps.

(23) Charges in connection with the publication of Hand-books and Leaflets.

(24) Alteration in dates of birth of non-gazetted officers and office establishment, subject to the conditions laid down in G. O. No. Fl. 4629-78—G. F. 86-22-1 of 7th April 1923.

(25) The printing of the departmental gradation lists, either at the Government Press or at private presses.

(26) Extension of joining time to non-gazetted officers under special circumstances, subject to rules in Article 106 of the Mysore Service Regulations.

(27) Advance of one month's pay to subordinates who are borne on the permanent establishment for the purchase of ponies, the advance being recovered in monthly instalments not exceeding six.

(28) Write off of irrecoverable balances of revenue or other items not exceeding Rs. 50 in each case.

(29) Journeys outside the State in the case of non-gazetted officers.

(30) Acceptance of remuneration by officers appointed as examiners for examination in accordance with fixed scales.

(31) Re-employment of pensioners on pay not exceeding Rs. 100 provided both pension and pay after re-employment do not exceed the pay drawn by them, while last in service.

29. *Advance of pay and travelling allowance on transfer.*—One month's pay and travelling allowance to the Executive Engineers.

30. *Centage Charges.*—Can sanction the waiving of centage charges in the case of sale of articles of tools and plant found unsaleable and in the case of articles lent or lost.

31. Auction sales in accordance with para 367 of the Mysore Public Works Account Code.

32. *Charges connected with photographs of works.*—Can sanction charges connected with photographs of works, up to a limit of Rs. 25 in each case.

The Chief Engineer will also exercise the powers delegated to Heads of Departments under Standing Orders of Government without prejudice to the above.

PART I

IMPORTANT GOVERNMENT ORDERS

GENERAL SECRETARIAT

Sanctions the appointment of Rajamantrapravina Mr. S. P. Rajagopalachari, B.A., B.L., as Chairman and of Rajacharita Visharada Rao Sahib Mr. C. Hayavadana Rao, B.A., B.L., as Secretary of the Board of Management of the Silver Jubilee Technological Institute, Bangalore.

READ—

Government Order No. E. 3460-70—Edn. 168-32-13, dated the 20th April 1935, constituting a Board of Management to administer the scheme of the Silver Jubilee Technological Institute.

ORDER No. E. 1212-19—EDN. 130-35-4, DATED BANGALORE,
THE 2ND NOVEMBER 1935.

Rajamantrapravina Mr. S. P. Rajagopalachari, B.A., B.L., First Member of Council, will be the Chairman of the Board of Management of the Silver Jubilee Technological Institute, in place of *Rajamantrapravina Diwan Bahadur* Mr. K. Matthan, B.A.

Rajacharita Visharada Rao Sahib Mr. C. Hayavadana Rao, B.A., B.L., who is a member of the Board will, in addition, be Secretary to the Board.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

376

Reviews the Administration Report on the working of the Registration Department for the year 1934-35.

READ—

Letter No. Per. 23—34-35, dated 2nd—3rd October 1935, from the Inspector-General of Registration, forwarding a report on the working of the Registration Department for 1934-35 with Statistical Statement.

ORDER NO. FL. 3634-44—REGIS. 8-35-3, DATED BANGALORE, THE 6TH NOVEMBER 1935.

Recorded.

2. The total number of documents registered during the year was 125,259 as against 121,497 in the year preceding showing an increase of 3,762. The total value of the documents registered however showed a decrease being Rs. 3,41,34,441 as against Rs. 3,46,16,835 in the previous year. The revenue of the Department during the year amounted to Rs. 2,63,161 as against Rs. 2,62,035 in the previous year. The expenditure also showed a small increase from Rs. 1,74,637 to Rs. 1,75,344.

3. The number of inspections carried out by District Registrars and *Ex-officio* Inspectors was 81 and 71 respectively, as against 82 and 72 in the previous year. The Inspector-General of Registration inspected 21 Sub-Registry Offices (as against 33 in the previous year) in addition to 6 District Registrars' Offices. No office in Shimoga and Kadur Districts was inspected by the Inspector-General of Registration in the year. He had not inspected any Sub-Registry Offices in Shimoga District in the year 1933-34 also.

4. The work of the Department was, on the whole, satisfactory.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

Reviews the Administration Report on the working of the Stamp Department for the year 1934-35.

READ—

Letter No. Per. 19—34-35, dated 2nd—3rd October 1935, from the Commissioner of Stamps in Mysore, forwarding the report on the working of the Stamp Department, for the year 1934-35.

ORDER NO. FL. 3607-17—ST. 7-35-3, DATED BANGALORE, THE 6TH NOVEMBER 1935.

Recorded.

2. Receipts during the year amounted to Rs. 20,65,237 as against Rs. 19,32,521 in the preceding year, showing an increase of Rs. 1,32,716. The expenditure of the Department also rose during the year being Rs. 1,64,746 as against Rs. 1,52,297 in the preceding year.

3. Exemption from payment of stamp duty in favour of the Land Mortgage Bank and Land Mortgage Societies was continued for a further period of three years.

4. The total demand for the year under institution fees awarded to Government in pauper suits amounted to Rs. 1,28,802. Of this amount, Rs. 6,791 were recovered, and Rs. 11,819 remitted, leaving a balance of Rs. 1,10,192 to be recovered. Government observe that the outstandings are heavy.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Directs that the name "The Mysore Iron Works." Bhadravati, be changed to "The Mysore Iron and Steel Works."

ORDER No. D. 2997-3076—I. W. 17-35-2, DATED BANGALORE, THE 7TH NOVEMBER 1935.

In view of the addition of the Steel Plant to the Iron Works at Bhadravati, Government are pleased to order that the name "The Mysore Iron Works" be changed to "The Mysore Iron and Steel Works."

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Approves of the Forest Settlement of the Kolur Plantation Forest Block in the Dodballapur Taluk.

READ—

Government Notification No. G. 1967—Ft. 89-33-2, dated 18th September 1933, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Kolur Plantation Forest Block in the Dodballapur Taluk.

2. Letter No. C. 4660—34-35, dated 8th August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G. 3004-7—FT. 65-35-2, DATED BANGALORE, THE 23RD OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

No. G. 3008—*Ft.* 65-35-3, *dated* 23rd *October* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

Schedule.

District	Taluk	Hobli	Village	Area	Name of block	Situation
				A. G.		
Bangalore ...	Dodballapur ...	Kasaba ...	Kolur ...	100 0	Kolur Plantation	This plantation is situated at a distance of about 5 miles north-west of Dodballapur Town on the left side of Dodballapur-Madhugiri Road.

Boundaries.

North.—Southern limit of Kamalur Village.
East.—Survey Nos. 161, 160 and 153 of Kolur Village.
South.—Survey No. 153 of Kolur Village and northern limit of Srinivaspur Village.
West.—Northern limit of Srinivaspur and eastern limit of Shirvara Village.

STATEMENT B.

Register of claims to lands, rights to forest produce or easements in the Kolur Plantation proposed State Forest Dodballapur Taluk, Bangalore District.

Serial Number	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of the claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decisions if any, of court of final appeal and settlement.
1	2	3	4	5	6	7	8
1	Mr. Nanjegowda, Patel and others of Kolur village.	1st July 1934.	Praying for permission to sell the Village Amarai (Hunse crop) and grazing right in the Kolur Plantation by the Village Panchayet alone and to credit the realizations thereon to the said Village Panchayet fund.	Written statement dated 1st July 1934, claiming that the Hunse trees were planted and tended and fence put up alround by their ancestors.	This is not true. The Department has grown these Hunse trees and tended and fence all round the plantation was put up at the great cost of the Government money. Both the Amarai and grazing right are being sold departmentally every year and the revenue realized thereon was credited to the Forest funds. This is being continued ever since the formation of this plantation. Hence the villagers have no hold over it.	I agree with the Range Forest Officer. The claims of the villagers for the Village Amarai and grazing right of the said plantation is untenable, since the plantation with its growth is well protected and the fence all round the plantation well kept up under the close supervision of the Department and it is also true that the grazing right and the Amarai of the said plantation are being sold by the Forest Department annually and the revenue realized thereon is credited to the Forest revenue for the last 15 years. Hence the prayer of the villagers cannot be granted.	

H. V. RANGASWAMI IYENGAR,
District Forest Officer,
Bangalore District.

J. B. MALLARADHYA,
Forest Settlement Officer,
Dodballapur Sub-Division.

STATEMENT C.—Statement of lands taken up for the Kolur Plantation in the Dodballapur Taluk, proposed State Forest, Bangalore District.

Approves of the Forest Settlement of the Mutsandra Forest Block in the Hoskote Taluk.

READ—

Government Notification No. G. 826—Ft. 368-28-2, dated 19th July 1929, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Mutsandra Forest Block in the Hoskote Taluk.

2. Letter No. C. 1296—34-35, dated 19th August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 3013-6—FT. 83-35-2, DATED BANGALORE, THE 23RD OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the villages concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

No. G. 3017—*Ft.* 83-35-3, *dated* 23*rd October* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

Schedule.

District	Taluk	Hobli	Village	Approximate area	Name of block	Situation
Bangalore...	Hoskote ...	Sulibele ...	Mutsandra ... Satyavara ... Sadappanhalli ... Valageripura ... Yanagunte ... Kodipura ...	A. g. 645 30 or 1·00 square miles.	Mutsandra ...	This block is situated at a distance of about six miles north of Hoskote along the eastern side of Hoskote-Sulibele Road.

Boundaries.

North.—Starting from the south-east corner of Survey No. 29 of Valageripura, the line runs east through Survey No. 11 of Kodipura for about 20 chains to a point about 15 chains south-east of south-east corner of Survey No. 9 of Kodipura, where it meets the cart-track going to Giddappanahalli; then south-east along the western boundary of Survey No. 38 of Giddappanahalli to its south-west corner; then east along its southern boundary to the junction gadi bandh of Survey No. 38 of Giddappanahalli and 20 of Venkateshpur; then north-east along the southern boundary of Survey No. 20 of Venkateshpur to the junction gadi bandh of Survey No. 20 of Venkateshpur and 67 of Nagarenhalli; then south-east along the southern boundary of Survey No. 67 of Nagarenhalli to the junction gadi bandh of Nagarenhalli and Kayamgutta Yekarajapura.

East.—Then the line turns south and runs along the western boundary of Kayamgutta Yekarajapura for about 28 chains; then south-west through Survey No. 79 of Mutsandra to a point A about three chains north-east of north-west corner of Survey No. 42 of Mutsandra; then south-west for about three chains to the north-west corner of Survey No. 42; then in the same direction along the western boundary of Survey No. 42 of Mutsandra to its south-west corner; then south-east along the western boundaries of Survey Nos. 40, 39, 35, 34 and 31 of Mutsandra to the southernmost corner of Survey No. 31 of Mutsandra.

South.—Then west through Survey No. 28 of Satyavara to the northernmost corner of Survey No. 1 of Satyavara; then west through Survey No. 28 of Satyavara to the northernmost corner of Survey No. 27 of Satyavara.

West.—Then north-east through Survey Nos. 3 of Yanagunte and 17 of Sadappanhalli to the south-east corner of Survey No. 21 of latter village; then north along its eastern boundary to its north-east corner; then north-west through Survey No. 17 of Sadappanhalli for about 32 chains till it meets the common boundary of Sadappanhalli and Kodipura villages; then west for about 36 chains along the northern boundary of Survey No. 17 of Sadappanhalli to the north-east corner of Survey No. 6 of Attibele; then north-east through Survey No. 41 to the south-east corner of Survey No. 40; then north-east along the eastern boundary of Survey No. 40 to the south-west corner of Survey No. 38; then north-east along the southern boundary of Survey Nos. 38 and 29 of Valageripura till it meets again the starting point.

Foot-path to Gokatte.—Six feet wide and five chains long open for cattle for water. It enters the forest in its western boundary at a point 26 chains east to the easternmost corner bandh of Survey No. 15 of Sadappanhalli and runs east through Survey No. 17 of Sadappanhalli till it reaches the Gokatte.

STATEMENT B.

Register of claims to lands, rights, to forest produce, or easements in the Mutsandra Block proposed State Forest in the Hoskote Taluk, Bangalore District.

Serial Number	Names of claimants	Date of presentation of claim	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of the claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decisions	Remarks
1	2	3	4	5	6	7	8
1	Mr. Naranappa and others of Kodipura Village.	9th June 1931.	Praying for the release of 23 acres of land from out of Survey No. 11 gomal proposed for reservation, as 14 acres of land have already been given away for cultivation and some more areas are required for cultivation.	...	I agree for the exclusion of the area prayed for by the villagers.	The portion marked on the map and notification has been excluded from the proposed block as prayed for by the villagers.	
2	Mr. Munisami and others of Mutsandra Village.		Praying for the release of about 86 acres of land out of gomal Survey No. 79 proposed for reservation for grazing purposes.	...	As there was insufficient gomal left the area prayed for by the villagers may be excluded from proposed area.	The portion marked on the map has been excluded from the proposed block for grazing of the village cattle.	
3	Patel Mr. Munisamy Gowda and others of the Satyavara Village.		Praying for the release of about 95 acres of land out of gomal Survey No. 28 proposed to be constituted into a State Forest, for sufficient grazing purpose.	...	Do	The portion marked on the map and notification has been excluded from the proposed block for grazing purposes.	
4	Patel Mr. Thammegowda and others of Yanagunte Village.		Praying for the release of 195 acres of land out of Survey No. 3 gomal proposed to be constituted into a State Forest, as the proposed forest is very near to the village and as sufficient gomal is required for grazing of their cattle.	...	As the demarcation line of the proposed block being too nearer to the village site and there being insufficient gomal left for villagers, there seems no objection in shifting the line.	As the proposed State Forest boundary leaves no area as gomal for grazing of cattle and abuts the village site, the line has been shifted to certain distance as marked on the map so as to avoid friction between Forest and Village people.	
5	Patel Mr. Munisami Gowda and others of Sadappanahalli Village.		Praying for the release of about 93 acres of land out of gomal Survey No. 17 proposed to be constituted into a State Forest as certain portions are under actual cultivation, and portions left for grazing is not sufficient and as well as to give right of way to go to gokatte with their cattle for water.	...	... I agree with the views of Forest Settlement Officer.	The portion marked on the map and notification has been excluded so as to exclude the areas given out for cultivation in Survey No. 17 and to leave sufficient gomal for village cattle. Right of way to gokatte in Survey No. 17 of Sadappanhalli, 6 feet wide and 5 chains long is conceded to the villagers for taking cattle for water.

Approves of the Forest Settlement of the Yellampalli Plantation Forest Block in the Bagepalli Taluk.

READ—

Government Notification No. G. 7147—Ft. 79-30-16, dated 12th January 1931, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Yellampalli Plantation Forest Block in the Bagepalli Taluk.

2. Letter No. C. 824—35-36, dated 22nd August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 3023-6—FT. 89-35-2, DATED BANGALORE,
THE 23RD OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Kolar District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

No. G. 3027—*Ft.* 89-35-3, *dated* 23*rd October* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Village	Area	Name of block	Situation
				A. g.		
Kolar ...	Bagepalli ...	Kasaba ...	Yellampalli ...	156 15	Yellampalli Plantation.	This plantation is situated at a distance of five miles south-east to Bagepalli Town on Bagepalli-Chintamani road.

Boundaries.

North.—Starting from south-east corner of Survey No. 16 of Karkur village, the line runs south-east along Bagepalli-Chintamani road for 70 chains to the north-east corner of Survey No. 461 of Yellampalli village.

East.—Then the line turns west and runs along the northern boundary of Survey Nos. 461, 446 and 439 of Yellampalli for about 15 chains to the north-west corner of the last-named survey number; then south along its western boundary to its south-west corner; then south-east along its southern boundary to the north-west corner of Survey No. 441 of Yellampalli; then south along the western boundary of Survey Nos. 441, 442 and 443 for about 12 chains to the south-west corner of the last named survey number.

South.—Then the line turns north-west and west along the halla for about 50 chains running on the northern boundaries of Survey Nos. 429, 435, 437, 405, 403 and 402 to the junction gadi bandh of Survey No. 402 of Yellampalli and 45 of Karkuru.

West.—Then the line turns north-west along the eastern boundary of Survey No. 45 of Karkur for about 15 chains to its northern most corner; then north-east along the eastern boundary of Survey Nos. 18 and 16 of Karkur for about 30 chains till it meets the starting point.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed State Forest of Yellampalli Block, Bagepalli Taluk, Kolar District.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of the claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Patel and Shanbhog as well as villagers.	24th June 1931.	To exclude Survey No. 479 kharab from the proposed forest as it is surrounded by hiduvali lands.	...	I agree to exclude Survey No. 479 from the proposed area of the plantation as being enclosed by other lands and separated by the road.	Kharab Survey No. 479 is excluded from the plantation area as it is surrounded with occupied holdings.	
2	Balakrishna Rao, Yellampalli.		Pray to restore this hakkudari thope existing in re-survey No. 438 of Yellampalli village which has been added to the plantation.		I disagree to accede to this request because the claim has not been well established nor is it even recognised in the re-survey and settlement in 1923-24. The claim is therefore one to be thrown out.	As the party has failed to establish his right and ownership of the thope (*i.e.*, grove) in question his prayer is rejected.	

S. VENKATAVARADA IYENGAR,
District Forest Officer,
Kolar District.

HYDER ALI KHAN,
Forest Settlement Officer,
Chikballapur Sub-Division.

Approves of the Forest Settlement of the Rayasandra Plantation Forest Block in the Devanhalli Taluk.

READ—

Government Notification No. G. 7456—Ft. 51-34-4, dated 5th February 1935, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Rayasandra Plantation Forest Block in the Devanhalli Taluk.

2. Letter No. C. 440—35-36, dated 31st August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 3028-31—FT. 97-35-4, DATED BANGALORE, THE 23RD OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

No. G. 3032—*Ft.* 97-35-4, *dated* 23rd *October* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

Schedule.

District	Taluk	Hobli	Village	Survey number and class	Area	Name of Block	Situation
					A. g.		
Bangalore ...	Devanhalli ...	Kasaba ...	Rayasandra	Gomal 45 part.	230 0	Rayasandra plantation.	This block is situated at a distance of about 2½ miles south-east of Devanhalli Town.

Boundaries.

North.—Starting from the north-east corner of Survey No. 44 of Rayasandra village, the line runs south-east along the southern boundary of Jodi Inam Budihal for about 45 chains to the junction gadi bandh of Jodi Inam Budihal and Kayamgutta Agalakote.

East.—Then south-west along the western boundary of Khayamgutta Agalkote for about 50 chains to a point about 4½ cha[illegible] north-east from the north-east corner of Survey No. 46 of Rayasandra.

South.—Then n[illegible]west through Survey No. 45 for about 3 chains to the north-east corner of Survey N[illegible] 49; then in the same direction along the northern boundary of Survey No. 49 and [illegible] the north-west corner of latter survey number; then in the same direction fo[illegible] 2 chains through Survey No. 45 to a point about 3 chains north from the north-east corner of Survey No. 56.

West.—Then north and north-east along the eastern boundary of Survey No. 44 for about 72 chains to the starting point.

Remarks.—Right of way over the undermentioned path is admitted.

Cart-track from Devanhalli to Agalakote, 6 yards wide and 45 chains long open for men and cattle and carts throughout the year. It enters the Forest in its western boundary at a point 3½ chains south from the north-east gadi bandh of Survey No. 44 of Rayasandra runs south-east through Survey No. 45 of Rayasandra and quits the Forest in its eastern boundary at a point about 5 chains south from the south-east gadi bandh of Jodi Inam Budihal.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed State Forest of Rayasandra Plantation, Devanhalli Taluk, Bangalore District.

Serial Number	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of the claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decisions and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlements
1	2	3	4	5	6	7	8
1	Mr. Talagondappa, Patel and other raiyats of Rayasandra village.	28th May 1935.	Praying for the exclusion of Survey No. 44 completely from the proposed Rayasandra Block, as the gomal left is quite insufficient for existing village cattle.	Written statement of the villagers presented before the Forest Settlement Officer at the time of settlement.	Since the people represent that if Survey No. 44 is included within the extension, there would be no grazing land for them, the portion that is taken in Survey No. 44 may be excluded from the proposed block limiting the extension to only Survey No. 45.	As it will cause much inconvenience and trouble to the village cattle for grazing, if the area proposed to be taken in Survey No. 44 is included in the plantation on account of insufficiency of gomal, the area proposed to be taken up for the forest plantation has been excluded as prayed for by the villagers and agreed to by the Range Officer. The whole of Survey No. 45 may be reserved for the forest plantation. Right of way over a cart-track from Devanhalli to Agalkote through Survey No. 45, 6 yards wide and 45 chains long; is admitted for men, cattle and carts throughout the year.	

H. S. NARAYANA RAO,
District Forest Officer,
Bangalore District.

J. B. MALLARADHYA,
Forest Settlement Officer,
Dodballapur Sub-Division

Approves of the Forest Settlement of the Vasanthapur Forest Block in the Bagepalli Taluk.

READ—

Government Notification No. G. 12169—Ft. 79-30-53, dated 9th June 1931, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Vasanthapur Forest Block in the Bagepalli Taluk.

2. Letter No. 760—35-36, dated 22nd August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER No. G. 3033-6—FT. 85-35-2, DATED BANGALORE,
THE 23RD OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Kolar District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

No. G. 3037—*Ft.* 85-35-3, *dated* 23*rd October* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

Schedule.

District	Taluk	Hobli	Name of Village	Area of the State Forest	Name of the State Forest	Remarks
Kolar ...	Bagepalli ...	Pathapalya ...	Vasanthapur	A. G. 2,339 2 or 3·654 sq. Miles.	Vasanthapura Block.	Situation: This block is situated at a distance of about 15 miles east to Bagepalli Town on the eastern side of Ittakaldurga Block II, State Forest.

Boundaries.

North.—Starting from the south-west corner of Survey No. 165 of Maddepalli village, the line runs north-east for a distance of 52 chains along its southern boundary to its south-east corner; then runs slightly south-east through Survey No. 62 of Vasanthapur village for a distance of 51 chains and meets a point at a distance of about 7 chains north-west from the north-east corner of Survey No. 61 of the said village; then runs south-west for a distance of 10 chains to the north-west corner of Survey No. 60 (Tank) of the same village; then runs south-west, south-east, south and south-east along its western and southern boundaries and joins its south-east corner; then runs north-east through Survey No. 114 of the said village for a distance of 92 chains and meets a point at a distance of 11 chains north-east from the south-east corner of Survey No. 99 of the said village; then runs slightly north-west for 22 chains and joins the trijunction bandhs of Maddepalli, Vasanthapur and Jodi Inam Kalavagangandinne villages; then runs south-east and north-east along the southern boundary of the last named village to its south-east corner; then runs slightly south-east along the southern boundary of Myalakunte village and joins the gadi bandhs of the last named village and Channaganapalli village of the Madras Presidency.

East.—The line then runs south, south-west and south-east along the Mysore and Madras Frontier and joins the gadi bandhs of Channaganapalli of the Madras Presidency and Sugyanampalli of Mysore State; then runs south and south-east along the western boundary of Sugyanampalli to the junction gadi bandh of Sugyanampalli and Agatamadika villages.

South.—The line then turns south-west and north-west along the northern boundaries of Agatamadika and Tholapalli villages and joins the north-west corner of the latter village; then runs north-west through Survey No. 117 and meets the north-east corner of Survey No. 128 of Vasanthapur village; then joins its north-west corner; then runs slightly south-west for 14 chains to a point 5 chains north from the north-east corner of Survey No. 134 of Vasanthapur; then runs north-west through Survey No. 59 for 39 chains and meets a point 5 chains north from the northernmost corner of Survey No. 146 of the said village; then runs due west and meets the middle bandh of Survey No. 57 (Tank) and running along its northern boundary joins its north-west corner.

West.—The line then turns slightly north-east and runs along the eastern demarcation line of Ittakaldurga Block II, State Forest till it meets the starting point.

The undermentioned rights of way are admitted within the State Forest throughout the year:—

(1) Footh-path 6 ft. wide and about 5¼ furlongs long for men and cattle of Vasanthapur village to go to Kaverammanakunte for watering. This foot-path branches from foot-path No. 2 below near Midde-Gatte and runs east to the Kunte.

(2) Foot-path from Maddepalli and Vasanthapur villages to Tholapalli 6 ft. wide and about 7½ furlongs long for men and cattle. It enters the State Forest in the south-east corner of Survey No. 60 of Vasanthapur village and runs south and quits the forest in the north-west corner of Survey No. 128 of the said village.

Other concessions.—

(1) The raiyats of Vasanthapur, Agatamadike and Sugyanampalli villages are allowed to remove dry fuel from the State Forest free by head loads for their *bona-fide* domestic use throughout the year.

(2) Free grazing for 500 cattle (goats excluded) of the raiyats of Agatamadike village is allowed during the grazing season, *i.e.*, June to the end of December.

STATEMENT B.

Register of claims to lands rights to forest produce or easements in the proposed State Forest of Vasanthapur Block in the Bagepalli Taluk, Kolar District.

Serial No.	Name of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decisions and final disposal of claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Patel and Shanbhog and villagers of Vasantapur.	14th February 1932.	Pray for the following :— (1) Right of way to Kaverammanakunte for cattle and men for watering. Reviews the Administration Reports of District Boards for the year 1933-34.

READ—

Reports on the working of the District Boards during the year 1933-34, received from the Presidents of the several District Boards.

ORDER NO. L. 2309-31—L. B. 51-34-11, DATED BANGALORE, THE 30TH SEPTEMBER 1935.

Recorded.

2. *Constitution, composition and working of the Boards.*—The sanctioned strength of the District Boards was 291 members, of whom 199 were elected members, 54 were non-officials nominated by Government and the remaining 38 *ex-officio* members. During the year under report, 46 meetings were held by the Boards, the average attendance at each meeting being 2·93 officials and 28·35 non-officials or 31·28 in all, against an average strength of 36·39 for each Board. The Bangalore and Mysore District Boards were reconstituted with effect from 1st July and 1st September 1933 respectively; all the other District Boards having been reconstituted for a term of three years from 1st June 1933.

The Standing Committee of the Kolar District Board met nine times and that of Bangalore seven times, while that of Hassan met only once. The Standing Committees in the Tumkur and Kadur Districts met four times each and in Mysore, Shimoga and Chitaldrug, three times each.

3. *Rules and bye-laws.*—Bye-laws for the control of ferries in the district and rules for the regulation and control of hotels and restaurants were framed by the Chitaldrug District Board. Government issued rules for regulating expenditure from the District Funds and for regulating cattle shows and fairs held within the jurisdiction of the District Boards.

4. *Finance.*—The year opened with a cash balance of Rs. 3,67,513. The income and expenditure amounted to Rs. 22,03,608 and Rs. 23,64,828 respectively against Rs. 24,98,261 and Rs. 23,37,165 respectively in the previous year, as shown below:—

	Income.	*Expenditure.*
	Rs.	Rs.
A. Ordinary items	14,42,183	15,09,197
B. Investment Account	1,29,929	39,704
C Debt Heads—		
(a) Loans	512	3
(b) Deposits	79,229	1,55,729
(c) Advances	35,841	31,093
(d) Drinking water wells Fund ...	20,739	12,320
(e) Other items	4,95,175	6,16,782
Total ...	22,03,608	23,64,828

5. *Income under ordinary items.*—The income under service heads amounted to Rs. 14,42,183, of which Rs. 7,76,195 was from the allotment of local cess, Rs. 1,14,990 from tolls, Rs. 42,967 from contributions and the rest from other miscellaneous sources. There was a slight increase in the income from local cess in the Bangalore, Tumkur and Chitaldrug Districts as compared with the previous year, while there was a decrease in the Shimoga and Kadur Districts. Under tolls, there was an increase in the Mysore and Kadur Districts, while there was a decrease in the other districts.

6. *Railway cess transactions.*—The total income under railway cess transactions amounted to Rs. 4,86,961, while the expenditure amounted to Rs. 5,33,329. The total income from Railways in the Kolar and Mysore Districts was Rs. 34,204 against Rs. 39,162 in the previous year. The expenditure on capital outlay was Rs. 33,953. Railway cess was levied in all the districts except Bangalore and Hassan, and the income during the year from this source amounted to Rs. 3,09,382.

7. *Expenditure.*—The expenditure under ordinary heads amounted to Rs. 15,09,197 and exceeded the income by Rs. 67,014. The expenditure of the Bangalore, Kolar, Mysore, Shimoga and Chitaldrug District Boards was higher than their income, the disparity between income and expenditure in the case of the Bangalore District Board being very marked. The District Boards should carefully scrutinise their expenditure and keep it strictly within the resources available as they cannot expect to draw on investments held by them continuously.

8. *Public works.*—The expenditure incurred on public works executed by the Public Works Department and the Civil Department amounted to Rs. 6,64,906 and Rs. 1,31,772 respectively against Rs. 6,15,248 and Rs. 1,91,667 respectively in the previous year. A sum of Rs. 15,750 was paid to the Bellary District Board being half the cost of the construction of a bridge across the Duggavathi Vanka on the Harihar-Harpanhalli Road bordering the Chitaldrug District. The bridge across the river Hemavathi near Akkihebbal was completed and opened for traffic. Sanction was accorded to the estimate of the Kapini bridge and work was started. The Government of India have kindly consented to contribute a sum of about Rs. 1·73 lakhs towards the cost of this bridge. A loan of Rs. 7 lakhs was sanctioned to the Mysore District Board to enable the Board to discharge the Nanjangud-Chamarajnagar Railway Debenture Loan and to undertake the improvement of roads in the district. The Tumkur District Board Office building was completed during the year and it has since been opened. It is gratifying to note that the Mysore and Shimoga District Boards are also trying to have their own buildings for the accommodation of their offices.

9. *Medical relief.*—There were 208 Local Fund Dispensaries, 153 Vaidyasalas and 213 midwives maintained by the District Boards out of their funds either wholly or in part as against 206 Local Fund Dispensaries, 160 Vaidyasalas and 211 midwives in the previous year. Instructions were issued by Government that the Vaidyasalas and Davakhanas maintained by the District Boards should hereafter employ only men regularly trained in a recognised institution. A Maternity was started at Krishnarajanagar in Mysore District. Dispensaries were started at Chelur in Bagepalli Taluk and Lokke in the Jagalur Taluk. New Vaidyasalas were sanctioned for Kolar Town, Kerlapur in Hassan District and Aiyamangala and Jajur in the Chitaldrug District. The Kolar District Board appointed a committee to consider the question of the reorganisation of Vaidyasalas and Davakhanas in the district.

10. *Vaccination.*—The total number of persons vaccinated were 1,73,581 during the year against 1,60,448 during 1,932-33. The number vaccinated was higher than that during the previous year in the Bangalore, Mysore, Hassan, Shimoga and Chitaldrug Districts. Temporary special vaccinators were appointed in the Kolar, Mysore and Chitaldrug Districts for combating the apprehended spread of small-pox in a virulent form.

11. *Vital Statistics.*—The total number of births and deaths registered during the year were 95,553 and 1,07,937 against 97,005 and 74,241 respectively during the previous year. Of the number of deaths, 117 were from cholera, 2,083 from small-pox, 4,940 from plague and the rest from other causes.

12. *Water Supply.*—The construction of 360 wells was in progress during the year, and of these, 144 were completed. The income under Drinking Water Wells Fund amounted to Rs. 20,739 while the expenditure was Rs. 72,469. There was a sum of Rs. 3,096 at the credit of the fund in the Bangalore District at the close of the year.

13. *Accommodation for travellers.*—A sum of Rs. 36,820 was spent during the year for the maintenance of the Third Class Travellers' Bungalows, Musafirkhanas and other buildings intended for use by travellers. The income realised from fees levied for the occupation of these buildings amounted to Rs. 9,747 or about 26 per cent of the cost of their upkeep. The proposals of the District Boards to abolish some of these as they have ceased to be much frequented by the travelling public were approved by Government.

14. *Audit of accounts.*—The accounts of all the District Boards for the year 1932-33, were audited by the Local Audit staff of the Comptroller's Office. No serious irregularities are reported to have been noticed. The Comptroller reported

to Government that District Board accounts are not being subjected to any audit except by the Local Auditors at long intervals, and instructions have since been issued asking the District Boards to avail themselves of the provision contained in the District Boards Regulation and appoint Committees for the periodical audit of their accounts and thus ensure their maintenance in an efficient manner.

15. *Balances.*—The balances at the credit of the District Boards at the beginning and close of the year were as noted below :—

Districts.	*Balance on* 1st *July* 1933.	*Balance on* 30*th June* 1934.
	Rs.	Rs.
Bangalore	2,59,704	2,31,401
Kolar	1,51,785	1,04,468
Tumkur	2,09,164	1,79,840
Mysore	52,440	26,584
Hassan	9,104	6,560
Shimoga	6,047	6,099
Kadur	7,723	7,370
Chitaldrug	79,328	76,241

The balances decreased in all the districts except Shimoga. The financial position of the Hassan District Board continued to be unsatisfactory. The Kolar and Mysore District Boards realised substantial amounts from the income from Railways and part of the interest on the accumulated Railway Cess Funds was released for improvement of communications in the Tumkur, Kadur and Chitaldrug Districts which helped to greatly ease the financial position of these District Boards.

16. *General.*—The Deputy Commissioners of Districts inspected the Offices of the Presidents of the District Boards in all the districts.

17. Government have in their Order No. L. 1167-89—L. B. 91-34-10, dated 10th August 1935, directed that the printing of the District Boards Administration reports along with the Government review as was being done hitherto be dispensed with and that statements as presented in the Appendix to that order giving essential information in regard to the working of the District Boards, be published along with the Government review. This order will be given effect to with the reports under review and the statements accompanying this review have been prepared so far as information is available in the reports.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

BANGALORE, THURSDAY, NOVEMBER 21, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Appoints two additional members to the Representative Assembly and Legislative Council Regulations Revision Committee and refers some more matters for examination by it.

Government Order No. Rl. 77-88—L. C. 2-35-1, dated 26th August 1935, appointing a mixed committee of officials and non-officials for the purpose of examining and suggesting modifications, if any, in the Representative Assembly and the Legislative Council Regulations including the standing orders and rules passed thereunder in respect of certain matters.

ORDER No. RL. 274-84—L. C. 2-35-3, DATED BANGALORE,
THE 13TH NOVEMBER 1935.

Government are pleased to appoint Messrs. A. V. Ramanathan, B.A., Chief Secretary to Government, and M. Ramachandra Rao Sindia, Member, Legislative Council, as additional members of the committee.

The following additional matters are also referred for examination by the committee constituted in the order read above:—

(1) The question of limiting the number of cut motions which a member of the Legislative Council may give notice of and disallowing cut motions which have been discussed or disallowed or have been withdrawn with the leave of the Council within a year previously;

(2) Disallowance of representations which have been discussed, disallowed or withdrawn with the leave of the Assembly within a year previously in order to place a limitation on their repetition; and

(3) Provision for short notice questions.

A. V. RAMANATHAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Issues instructions *re* exemption of certain Motor Vehicles from payment of Tolls at Municipal Toll-gates.

ORDER No. P. 3318—LEGIS. 46-35-7, DATED BANGALORE, THE 18—19TH NOVEMBER 1935.

The accompanying Memorandum of instructions in the matter of exemptions of certain motor vehicles from payment of tolls at Municipal toll-gates is published for general information.

By Order,

M. VENKATESA IYENGAR,

Secretary to Government,
General Department.

MEMORANDUM.

1. Section 31 of the Mysore Road Traffic and Taxes Regulation No. VI of 1935 lays down that "Notwithstanding anything contained in the Mysore City, Town and Minor Municipalities Regulation, 1933, no Municipal Council shall levy (1) a tax on motor vehicles, or (2) a toll on such motor vehicles as are exempted from payment of Municipal tolls under this Regulation or the rules made thereunder." This memorandum showing the classes of motor vehicles thus exempted from municipal tolls is issued for the information of Municipal Councils in the State.

2. (i) Private motor cycles and motor cars which are liable to a vehicle tax under Schedule II—A of the Road Traffic and Taxes Regulation are exempt from tolls at all Municipalities throughout the State.

(ii) Motor lorries solely used for agricultural purposes are also exempt from tolls at all Municipalities.

Explanation.—A motor lorry used for transportation of agricultural produce along a public road shall not be deemed to be used solely for purposes of agriculture.

To get the exemption from tolls, the vehicles specified must exhibit current licenses or tokens as prescribed by the Government from time to time. The license or token also specifies the exemptions from tolls.

(iii) (*a*) Motor cabs, *i.e.*, motor vehicles used for the carriage of persons for hire or reward, other than a motor bus, are exempt from all municipal tolls when and *only* when they compound by the payment of the composition fee for tolls, as prescribed in Section 20 of the Regulation. A motor cab claiming exemption on this ground should produce the necessary current license or token prescribed by the Government for this purpose.

(*b*) Motor cabs which do not pay the composition fee are *liable to tolls* at all Municipalities, other than that in the limits of which the owner resides or carries on the business in respect of which the vehicle is used or of the Municipality nearest such place within a radius of five miles, in those cases in which the owner does not reside or carry on business within the limits of any Municipality. The Municipality at which tolls are exempt will also be mentioned in the license issued to the vehicle under the head " No tolls."

(iv) (*a*) Motor buses plying solely within the limits of a Municipality are exempt from the tolls of that Municipality.

(*b*) Other motor buses plying on ordinary or short-term permits are exempt from all tolls when plying in the area covered by such permits. Such motor buses when used for private purposes and not paying mileage cess, must pay tolls. The rules to be issued in this connection will require motor buses to exhibit a board or placard bearing the word " private."

(v) Motor lorries are free from tolls of only the Municipality at which the owner resides or that at which he carries on the business in respect of which the vehicle is used or of the Municipality nearest such a place within a radius of five miles in cases in which the owner does not reside or carry on business within the limits of any Municipality. The license and the permit for the lorry specify the Municipality at which the vehicle is exempt from tolls.

3. Special attention is invited to Section 2 of the Regulation which defines motor cycle, motor car, motor cab, motor bus and motor lorry.

The following statement showing in a tabulated form the class of vehicles and the extent of exemptions, is attached, for purposes of easy reference.

Sl. No.	Class of vehicle	Nature and extent of exemption	Remarks
1	Private motor vehicle, that is, motor cycles, motor cars.	Exempts from tolls at all Municipalities throughout the State.	Vehicle should exhibit license. The exemption is specified also in the license.
2	Motor lorries used *solely* for purposes of agriculture.	Do ...	Do
3	Motor cabs ...	(*a*) Exempt from tolls of a Municipality as per para 2 (iii) above.	The exemption is specified in the license or disc.
		(*b*) Exempt from all municipal tolls, if it compounds for all tolls by the payment of a composition fee, under Section 20.	In this case, it should exhibit or produce the necessary token.
4	Motor buses ...	Services other than purely Urban services, are exempt from all municipal tolls in the area for which they hold the permit, while on trips, for which they pay mileage cess.	The permit specifies the tolls, gates at which they are exempt.
		On tours on private account or on trips for which mileage cess is not levied, they are liable to tolls.	Rules will require that on such occasions they should display "Private" Board.
5	Motor lorries ...	Exempt from tolls only at a Municipality as per para 2 (v) above.	This is specified in the license or token.
		Liable to tolls at other Municipalities.	

The exemptions noted above are the general and special ones prescribed by the Road Traffic and Taxes Regulation and the rules made thereunder and do not affect other exemptions in force at present.

DEVELOPMENT SECRETARIAT

Approves of the Forest Settlement of the Pathapalya Forest Block in the Bagepalli Taluk.

READ—

Government Notification No. G. 577—Ft. 79-30-70, dated 20th July 1931, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Pathapalya Forest Block in the Bagepalli Taluk.

2. Letter No. C. 759—35-36, dated 22nd August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 3041-4—FT. 90-35-2, DATED BANGALORE,
THE 23RD OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Kolar District, is requested to duly promulgate the boundaries of the block in the village concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

No. G. 3045—*Ft.* 90-35-2, *dated* 23*rd October* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiler, *Mysore Gazette.*

Schedule.

District	Taluk	Hobli	Village	Name of block	Area	Remarks
Kolar ...	Bagepalli ...	Pathapalya...	Tholapalli ... Pathapalya Nallacheruvu	Pathapalya block	A. g. 1,292 12 or 2·187 Sq. miles.	This block is situated at a distance of about 12 miles east to Bagepalli Town and about one mile north to Pathapalya on the eastern side of Ittakaldurga State Forest, Block II.

Boundaries.

North.—Starting from the junction bandhs of Devarajapalli and Vasanthapur villages, the line runs north-east along the southern boundary of the latter village for a distance of 25 chains; then runs south-east through Survey No. 99 of Tholapalli village for a distance of 29 chains and joins the south-west corner of Survey No. 102 of the said village; then running south-east for a distance of 26 chains turns north and meets a point at a distance of 6 chains south-east from the south-west corner of Survey No. 106 of Tholapalli village; then running due east for a distance of 48 chains through Survey No. 97, meets a point 5 chains south from the south-west corner of Survey No. 96; then runs south-east for a distance of 28 chains and meets a point at a distance of 5 chains south-west from the north-west corner of Survey No. 179; then runs south-east for a distance of 41 chains and meets the trijunction bondhs of Tholapalli, Nallacheruvu and Pathapalya villages; then running slightly north-east for a distance of 34 chains meets a point at a distance of 18 chains due south-east from the south-east corner of Survey No. 84 of Tholapalli village; then turns north and running for a distance of 40 chains through Survey No. 91 meets a point at a distance of 16 chains north-east from the north-east corner of Survey No. 82 of the said village; then running north-east for a distance of 19 chains joins the southernmost gadi hotte bondh of Agatamadike village; then runs east along the common boundary between Agatamadike and Tholapalli villages for a distance of 17 chains.

East.—The line then runs south for a distance of 19 chains and south-east for a distance of 13 chains through Survey No. 91 of Tholapalli village and meets a point at a distance of 5 chains south-west from the westernmost corner of Survey No. 90 of the said village; then runs south-east for a distance of 31 chains and meets a point 5 chains due west from the south-west corner of Survey No. 88 of the said village; then turns south-west and touches a point on the boundary between Tholapalli and Nallacheruvu villages at a distance of 2 chains west of the Sugyanampalli cart-track.

South.—The line then running west for 14 chains along the northern boundary of Nallacheruvu village, runs south-west and meets the north-east corner of the Venkatappanaikarkunte in Survey No. 14 of Nallacheruvu village; then joins its north-west corner; then runs south for 7 chains and meets a point 5 chains north from the north-west corner of Survey No. 12 of the said village; then runs south-west for a distance of 105 chains through Survey No. 401 of Pathapalya touching two points at a distance of 5 chains from the northern boundaries of Survey Nos. 406 and 399 of Pathapalya village and joins a point 7 chains north-east from the gadi bondhs of Devarajapalli and Pathapalya villages.

West.—The line then runs north-east and north and north-west and touching two points at a distance of 5 chains east from the south-east and north-east corners of Survey No. 65 of Devarajapalli village, meets the trijunction bondhs of Pathapalya, Devarajapalli and Tholapalli villages; then runs north-west along the eastern boundary of Devarajapalli village till it meets the starting point.

The undermentioned rights of way are admitted within the block throughout the year:—

1. Cart-track from Nallacheruvu to Tholapalli, 15 feet wide and 30 chains long for men, cattle and carts. It enters the State Forest about 3 chains south-west from the south-west corner of Venkatappanaikankunte in Survey No. 14 of Nallacheruvu village and runs north through Survey Nos. 14 and 13 of the same village and quits the forest at a point about 10 chains east from the trijunction bondhs of Pathapalya, Nallacheruvu and Tholapalli villages.

2. Cart-track from Pathapalya to Gummanaikanapalya 10 feet wide and about 1¼ miles long for men, cattle and carts. It enters the State Forest west of a halla and 44 chains north-east from the gadi bondhs of Pathapalya and Devarajapalli villages and runs north and north-east through Survey No. 401 of Pathapalya and Survey No. 97 of Tholapalli villages and quits the forest in the western boundary of Survey No. 97 at a point about 20 chains south from the north-west corner of the said survey number.

3. Right of way through Item No. 1 to go to Survey No. 13 of Nallacheruvu for men and cattle for cultivation and this survey number is treated as an enclosure.

Other concessions.

1. The villagers of Tholapalli, Pathapalya and Nallacheruvu are permitted to remove dry fuel and bode-grass free from the block throughout the year by head-loads for their *bona fide* domestic use.

2. Free grazing is allowed within the block as follows during the grazing season, *i.e.*, June to end of December:—

(*a*) Tholapalli village not more than 250 cattle (goats are excluded).

(*b*) Pathapalya village not more than 900 cattle, 400 sheep (goats are excluded).

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the proposed State Forest of Pathapalya Block in the Bagepalli Taluk, Kolar District.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of the decision and final disposal of claims by the Forest Settlement Officer	Brief abstract of the decision, if any, of court of final appeal and settlement	Remarks
1	2	3	4	5	6	7	8	9
1	Patel, Shanbhog and raiyats of Tholappalli.	14th February 1932.	(1) Pray exclusion of lands granted to temporary cultivation out of Survey No. 91 and pray for shifting of the line to southern side. (2) Right of way from Tholappalli to Nallacheruvu and Guttapalya for men and cattle. (3) Free removal of dry fuel and bhode grass on head-loads for domestic use. (4) Free grazing for 250 cattle during grazing season.	...	I am agreeable to these concessions.	(1) The lands under cultivation out of Survey No. 91 are excluded and the line is shifted to the southern side. (2) The right of way to the cart-track from Tholappalli to Nallacheruvu, 15 feet wide and 30 chains long for men, cattle and carts throughout the year is admitted. It enters the State Forest about three chains south-west from the south-west corner of Venkatappanaikankunte in Survey No. 14 of Nallacheruvu Village and runs north through Survey Nos. 14 and 13 of the same village and quits the forest at a point about 10 chains east from the tri-junction bandhs of Pathapalya, Nallacheruvu and Tholappalli Villages. (3) The free removal of dry fuel and bhode grass on head-loads for *bona fide* use is permitted throughout the year. (4) Free grazing for 250 cattle during grazing season is allowed.	...	...
2	Patel, Shanbhog and villagers of Pathapalya.		Pray for the following. (1) Free removal of dry fuel and bhode grass on head-loads for domestic use. (2) Exclusion of lands granted for temporary cultivation out of Survey No. 401 and shifting of line by 110 yards towards northern side. (3) Right of way from Pathapalya to Gummanaikanpalya for men and cattle. (4) Free grazing for 900 horned cattle and 400 sheep during grazing season.	...	Do	(1) Free removal of dry fuel and bhode grass on head loads for domestic use is permitted throughout the year. (2) The lands granted for temporary cultivation out of Survey No. 401 are excluded and the line is shifted by 110 yards towards northern side. (3) The right of way to the cart-track from Pathapalya to Gummanaikanpalya, 10 feet wide and about 1½ miles long for men, cattle and carts throughout the year is admitted. It enters the State Forest west of a halla and 44 chains north-east from the gadi bandh of Pathapalya and Devarajpalli Villages and runs north and north-east through Survey No. 401 of Pathapalya and 97 of Sholapalli Village and quits the forest in the western boundary of Survey No. 97 at a point about 20 chains south from the north-west corner of the said survey number. (4) Free grazing for 900 horned cattle and 400 sheep during grazing season is allowed.	...	...
3	Patel, Shanbhog and villagers of Nallacheruvu village.		Pray for the following :— (1) Lands granted out of Survey No. 14 and Venkatappanaikankunte may be excluded and the line is shifted to northernside. (2) Lands granted out of Survey No. 14 be treated as enclosure as they are situated in the middle of the forest and permission to go to these lands for cultivation. (3) Right of way from Nallacheruvu to Tolappalli for men and cattle. (4) Free grazing for 350 horned cattle and 250 sheep during grazing season. (5) Free removal of dry fuel and bhode grass on head loads for domestic use.	...	Do	(1) Lands granted for temporary cultivation out of Survey No. 14 and Venkatappanaikanakunta are excluded and the line is shifted to northern side. (2) Survey No. 13 will be treated as enclosure as they are situated in the middle of the forest. The permission is granted for men and cattle through Nallacheruvu-Tholappalli cart-track to go to these lands for cultivation. (3) Same as given under item two of Tholappalli Village. (4) Free grazing for 350 horned cattle and 200 sheep is permitted during grazing season. (5) Free removal of dry fuel and bhode grass on head-load for domestic use is permitted throughout the year.	...	...

Assistant Commissioner,
Chikballapur Sub-Division.

Approves of the Forest Settlement of the Koramangala Extension Forest Block in the Devanhalli Taluk.

READ—

Government Notification No. G. 7463—Ft. 165-33-2, dated 7th May 1934, issued under Section 4 of the Forest Regulation, in the matter of the proposed constitution of the Koramangala Extension Forest Block in the Devanhalli Taluk.

2. Letter No. C. 412—35-36, dated 15th August 1935, from the Revenue Commissioner in Mysore, forwarding the Forest Settlement Officer's report on the conclusion of the settlement of the block and stating that the Chief Conservator of Forests is agreeable to the issue of the final notification in the matter.

ORDER NO. G. 3046-9—FT. 78-35-2, DATED BANGALORE, THE 23RD OCTOBER 1935.

The settlement effected by the Forest Settlement Officer and agreed to by the Revenue Commissioner and the Chief Conservator of Forests, is approved. The Notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st December 1935, will be published in the Gazette.

2. The Deputy Commissioner, Bangalore District, is requested to duly promulgate the boundaries of the block in the villages concerned.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURE.

No. G. 3050—Ft., dated 23rd October 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st December 1935, the area, the boundaries of which are set forth in the schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

To—The Compiller, *Mysore Gazette.*

Schedule.

District	Taluk	Hobli	Village	Area	Name of Block	Situation
Bangalore ...	Devanhalli	Vadigenahalli Kasaba.	Avati Kurubarakunte. Koramangala Guduvanahalli. Dodtatmangala	A. G. 1,035 5 or 1·61 square miles.	Koramangala Extension Forest.	This block is situated at a distance of 6 miles north-west of Devanhalli Town on both sides of Devanhalli-Kolar Road.

Boundaries.

North.—Starting from the north-east corner of Survey No. 90 of Avati, the line runs east along the southern boundary of Gobragunte village for about 30 chains to the south-east gadi bandh of Gobragunte village; then slightly north-east along the eastern side of the said village for about 10 chains to the south-west corner of Survey No. 77 of Avati village; then east along its southern boundary for about 22 chains to its south-east corner; then south-west for about 5 chains, then east through Survey No. 55 of Koramangala for about 9 chains to a point about 5 chains south from the south-east corner of Survey No. 56 of Koramangala; then south-east through Survey No. 55 of Koramangala for about 54 chains to a point about 5 chains south-west from the south-west corner of new cultivation; then in the same direction through Survey No. 15 of Guduvanahalli for about 28 chains to a point about 21 chains south-west from the south-west corner of Survey No. 19 of Guduvanahalli; then crossing Devanhalli-Kolar Road to south-west corner of Survey No. 13 of Guduvanahalli.

East.—Then south-east through Survey No. 160 Dodtatmangala for about 25 chains to the south-west corner of Survey No. 7 of the said village; then south-west through Survey No. 161 for about 30 chains to a point about 5 chains north from the north-west corner of Survey No. 165 of Dodtatmangala.

South.—Then north-west through Survey No. 161 for about 20 chains to a point about 5 chains north from the north-west corner of Survey No. 174 (new cultivation land); then south-west corner of Survey No. 160 of Dodtatmangala for about 17 chains to a point about 5 chains north-west from the north-west corner of Survey No. 156; then south-west through Survey No. 160 and 157 for about 42 chains to a point about 5 chains north-east from the north-east corner of Survey No. 158; then north-west through Survey No. 157 for about 20 chains to a point about 8 chains north-west from the north-west corner of Survey No. 158 of Dodtatmangala; then in the same direction for about 27 chains along the northern boundary of Jodi Inam Binnamangala village to its gadi bandh; then north-east along the eastern boundary of Survey No. 8 of Kurubarkunte to its northernmost corner; then north-east along the Devanhalli-Kolar Road about 8 chains; then crossing the road meets a point about 5 chains north-east from the north-east corner of Survey No. 7 of Kurubarakunte; then north-west through Survey No. 1 of Kurubarakunte for about 13½ chains to a point about 5 chains to the north-east from north-west corner of Survey No. 7; then north-west through Survey No. 1 for about 8 chains to the north-east corner of Survey No. 3; then north-west through Survey No. 2 to its north-west corner; then north-west through Survey No. 1 for about 24 chains to a point about 5 chains north-east from the north-west corner of Survey No. 51; then west through Survey No. 1 for about 19 chains to a point about 5 chains north-east from the north-west corner of Survey No. 44 of Kurubarakunte.

West.—Then north-east along the eastern boundary of Kayamgutta Abachakanhalli for about 29 chains to its north-east gadi bandh; then north-west along its northern boundary for about 6 chains to south-east corner of Survey No. 89 of Avati; then north along the eastern boundary of Survey Nos. 89 and 90 of Avati to the starting point.

Remarks.—The following right of ways are admitted:—

1. Cart-track from Kurubarakunte to Avati—6 yards wide and 5 chains long—open for men, cattle and carts throughout the year. It enters the Forest in its southern boundary at a point about 7 chains north-west from the north-east corner of Survey No. 44 of Kurubarakunte, runs north-west through Survey No. 1 and quits the Forest in its western boundary at a point about 8 chains north-east from the north-west corner of Survey No. 44 of Kurubarakunte.

2. Foot-path from Kurubarakunte to Koramangala 2 yards wide and 65 chains long, open for men and cattle only throughout the year. It enters the Forest in its southern boundary at a point about 1 chain north-west from the north-west corner of Survey No. 2, runs north-east through Survey No. 1 of Kurubarakunte and 55 of Koramangala and quits the first in its northern boundary at a point about 18 chains south-west from the south-east corner of Survey No. 61 of Koramangala.

3. Foot-path from Kurubarakunte to Karagadevankunte 2 yards wide and 13 chains long, open for men and cattle for water throughout the year. It enters the Forest in its southern boundary at the north-west corner of Survey No. 2, runs north-east through Survey No. 1 to the Kunte.

4. Cart-track from Kurubarakunte to Dodtatmangala 6 yards wide and 68 chains long open for men, cattle and carts throughout the year. It enters the Forest in its southern boundary at a point about 6 chains north-west from the north-east corner of Survey No. 3 of Kurubarakunte, runs north-east and south-east through Survey Nos. 2 and 1 of Kurubarakunte, 159, 160 and 157 of Dodtatmangala and quits the Forest in its southern boundary at a point about 6 chains north-west from the south-west corner of Survey No. 156 of Dodtatmangala.

5. Foot-path from Dodtatmangala to Pilthimmaianakunte in Survey No. 159 of Dodtatmangala, 2 yards wide and 54½ chains along—open for men and cattle only for water throughout the year. It enters the Forest in its eastern boundary at a point about 7 chains north from the north-west corner of Survey No. 165 of Dodtatmangala, runs north-west through Survey Nos. 161, 160 and 159 of Dodtatmangala to the said kunte.

6. Right of way over Devanhalli-Kolar Road—2 chains wide and 86 chains long which runs through the Forest between Survey Nos. 159 and 160 of Dodtatmangala village is admitted for men, cattle and carts throughout the year.

7. The villagers of Haliyur, a hamlet of Dodtatmangala village are allowed to take their cattle for water to the Pilthimmaianakunte in Survey No. 159 through the cart-track and the high road referred to in items Nos. 5 and 6 referred to above.

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the Koramangala Extension State Forest, Devanhalli Taluk, Bangalore District.

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of court of final appeal and settlement
1	Mr. Narasimhappa and other raiyats of Kurubarkunte.	27th May 1935.	Praying (1) for the shifting of proposed forest line of Koramangala extension to a distance of 2 furlongs from the village site and hiduvali lands. (2) For a right of way over the foot-path to Koramangala village and cart-track to Dodtatmangala and Avati. (3) For a right of way to Chikveerappankunte and Karagadavankunte in Survey No. 1 of Kurubarkunte for water.	Written statement presented by them before the Forest Settlement Officer on 27th May 1935.	The prayer of the villagers to shift the line by 2 furlongs is not tenable. As per rules, five guntas chain breadth may be left along cultivated lands and village site. Right of way to take their cattle to Karagadavankunte which is inside the block may be given.	I agree with the Range Officer only a margin of 5 chains all along the hiduvali lands and the village site will be left. No more area can be excluded from the Survey No. 1 as it contains net growth of Sandal and other fuel trees. Right of way by a foot-path through Survey No. 1 of Kurubarkunte to Karagadavankunte—2 yards wide and 13 chains long is allowed for men and cattle for water throughout the year. The villagers can take their cattle for water to Chikveerappankunte situating in Kayamgutta Abachakanhalli village through the cart-track leading to Avati. The following right of ways are admitted:— (1) Cart-track from Kurubarkunte to Avati—6 yards wide and 5 chains long through Survey No. 1 of Kurubarkunte is open for men, cattle and carts throughout the year. (2) Foot-path from Kurubarkunte to Koramangala—2 yards wide and 65 chains long through Survey No 1 of Kurubarkunte and 55 of Koramangala is open for men and cattle throughout the year. (3) Cart-track from Kurubarkunte to Dodtatmangala—6 yards wide and 68 chains long through Survey Nos. 2 and 1 of Kurubarkunte, 159, 160 and 157 of Dodtatmangala is open for men, cattle and carts throughout the year.	
2	Messrs. Ramachandrappa and others of Dodtatmangala.	28th May 1935.	Praying for the release of their hiduvali lands, Survey Nos. 141, 171, 172, 173, 174, 176, 170 and 156 included in the proposed forest as they are granted long before the notification was published and are under cultivation.		The Range Officer agrees to this.	These hiduvali lands have now been excluded from the forest by shifting the forest line as noted in the map as they were granted long before the publication of the notification under Section 4 of M. F. R. and are under cultivation scince then as stated by the villagers (hidu validars).	
3	Mr. Patel Channarayappa and others of Dodtatmangala.	27th May 1935.	(1) Praying for the release of another 200 acres out of Survey No. 157 and 161 from the forest as they have got insufficient gomal for their cattle. (2) For the release of lands granted for cultivation in Survey No. 157. (3) For a right of way to Pil Thimmiahkunte in Survey No. 159 for water from Dodtatmangala and Haliyur.	Written statement of the villagers presented at the time of Forest Settlement.	Since lands have been given over for cultivation in Survey No. 157, the line may be shifted from the proposed route along the northern boundary of Survey Nos. 170, 171, 172, 173, 174, and from there to the north-west corner of Survey No. 156 and thence to the eastern corner of Survey No. 158 leaving a margin of 5 chains along cultivated lands. All right of ways for cart, men and cattle wherever they exist may be given.	An extent of 137 acres and 38 guntas of land more have been now excluded in Survey Nos. 157, 160 and 161 of Dodtatmangala from the proposed forest for the grazing of the existing village cattle by shifting the forest line as proposed by the Range Officer. The hiduvali lands in Survey No. 157 referred to by the villagers have now been excluded from the forest. The villagers of Haliyur a hamlet of Dodtatmangala are allowed to go to Kurubarakunte through the existing cart-track running in Survey Nos. 157, 160 and 159 referred to in item No. 3 under Kurubarkunte village case. The villagers of Dodtatmangala are allowed to go to Pit Thimmianakunte in Survey No. 159 with their cattle for water through a foot-path 2 yards wide and 54½ chains long through Survey Nos. 161, 160 and 159 throughout the year. Haliyur villagers are allowed to take their cattle for water to the above said kunte through the existing cart-track in Survey Nos. 157, 160 and 159 and high road.	

STATEMENT B.

Register of claims to lands, rights to forest produce, or easements in the Koramangala Extension State Forest, Devanhalli Taluk, Bangalore District—*concld.*

Serial Number	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of the claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decisions and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decisions, if any, of court of final appeal and settlement
4	Mr. Patel Sonne-Gowda and others of Koramangala.	27th May 1935.	Praying for a right of way through Survey No. 55 to the kunte in Survey No. 54 for water by shifting the proposed forest line to a distance of 5 chains from the hiduvali lands.	Written statement of the villagers presented at the time of forest settlement.	Five guntas chain margin may be left along the hiduvali lands.	A margin of 5 chains may be left all along the hiduvali lands as agreed to by the Range Officer.	
5	Mr. Patel Sonne Gowda and other of Gudavanhalli.		Praying for shifting of the proposed forest line to a distance of 5 chains from the present place.		As there is enough of grazing land, there is no need to exclude any portion from the proposed block in Survey No. 15.	I agree with the Range Officer. The prayer of the villagers cannot be granted, as there is enough gomal left for their cattle.	
	Avati		No takrar from the villagers.		...	Right of way over Devanhalli-Kolar Road—2 chains wide and 86 chains long which runs through the forest between Survey Nos. 159 and 160 of Dodtatmangala village is admitted for men, cattle and carts throughout the year.

Sanctions the continuance of the Lumpsum Grazing Fee System in the State with certain modifications.

READ—

Government Order No. I. C. 6048-60—Ft. 226-18-11, dated 4th April 1924, passing orders in the matter of the improvement of grazing facilities for the agricultural stock in the State and the introduction of the Kancha and the Forest Village System of grazing in the State Forests.

2. Government Order No. D. 21-30—Ft. 87-26-6, dated 6th April 1927, sanctioning the introduction of the Lumpsum Grazing Fee System in the State Forests in the Hassan, Kadur and Shimoga Districts.

3. Government Order No. D. 180-89—Ft. 87-26-7, dated 28th April 1927, extending the said system to the Districts of Bangalore, Mysore, Kolar and Tumkur.

4. Government Order No. G. 14238-48—Ft. 53-27-11, dated 26th June 1928, directing that the Lumpsum Grazing Fees be recovered by the Revenue Department in three instalments in July, August and September and credited to the Forest Department.

5. Letter No. D2-23-142-32, dated 9th September 1935, from the Chief Conservator of Forests on the subject.

ORDER NO. G. 3821-31—FT. 103-35-2, DATED BANGALORE, THE 7—13TH NOVEMBER 1935.

Prior to 1927, grazing in the State Forests was being regulated under one or other of the following four systems:—

1. The Individual Permit System.
2. The Lumpsum System.
3. The Kancha System.
4. Forest Village System.

On the report of the Conservator that the Permit System and the Kancha System had proved unpopular, that the Village System had not been adopted anywhere and that he would prefer the Lumpsum System which was in vogue in the Chitaldrug District to any other system, Government in their orders dated 6th April 1927 and 28th April 1927, read above, ordered the introduction of the Lumpsum System in all the districts of the State. As it was however reported that this system also did not find favour with the villagers, Government in their Order No. G. 5560-7—Ft. 144-33-3, dated 5—6th February 1934, reviewing the Administration Report of the Forest Department for the year ended 30th June 1933, requested the Chief Conservator of Forests to examine this question in detail in consultation with the Revenue Commissioner and to submit a joint report of their views in regard to the continuance of the system. The Revenue Commissioner and the Chief Conservator of Forests consider that intrinsically the system is beneficial both to the raiyats and to Government and recommend its continuance with certain modifications suggested by them. Government agree with the Revenue Commissioner and the Chief Conservator of Forests and are pleased to direct that the Lumpsum Grazing Fee System be continued in the State with the following modifications calculated to remove the defects in its working and to make it more popular:—

(1) The responsibility for the apportionment of the lumpsum fee amongst individual raiyats, may, in future, be vested in the Village Panchayets and not in the Patel or other Village Officers. The necessary mutchalika may be obtained from the Village Panchayet and any complaints regarding the apportionment of the fee, enquired into and disposed of by the Amildar.

(2) The collection of the fee from individual raiyats in accordance with hanchikepattis may be made by the Village Panchayets, which may be required to keep separate accounts in respect of such collections, without mixing them up with their general funds.

(3) If particular hamlets attached to a village are so situated that the people thereof cannot take advantage of the grazing facilities owing to their distance from the forest or other reasons, such hamlets may be omitted in calculating the fee leviable on the village.

(4) If the entire demand in respect of a particular forest is not paid by the 15th of September, the forest should be closed for grazing until payment is made in full.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

FINANCIAL SECRETARIAT

Revises the procedure for Accounting and Verification of Furniture in Government buildings occupied by officers rent-free.

READ—

Letter No. 88—Hr. A., dated 3rd April 1935, from the Comptroller, reporting that the existing rules and procedure for the accounting and verification of furniture in Government House, guests houses and Government buildings occupied by State Officers free of rent are defective and proposing the adoption of the following revised procedure :—

(1) The articles purchased may be included in the lists of Tools and Plant of the Division in which the payments are made. All the charges may be uniformly debited under " 24. Civil Works " and included in the accounts of the Public Works Department.

(2) Whenever transfer of furniture from one building to another or writes off or sales of obsolete or broken furniture are ordered by the Controlling Officers, they may be reported to the Executive Engineers of the Divisions for necessary incorporation in their accounts. These accounts will be duly verified in the Audit Office.

(3) The stock verification may be done in consultation with the Controlling Officers, annually by the Executive Engineers of the respective Divisions in which the payments are made and their staff when there are no distinguished visitors in them. This procedure is already approved by Government in U. O. No. O. 1755-7—O. E. 20-33-4, dated 10th January 1934 in respect of the buildings at Mysore. The Inspecting Officer may send a report of the verification to the Comptroller after discussing it with the Controlling Officers. The Controlling Officers will obtain orders of Government or take such other action as may be necessary on the report.

(4) The Controlling Officers may be requested to furnish to the Executive Engineers an opening list of furniture as on 30th June 1935 or any earlier date for inclusion in their lists of Tools and Plant.

(5) The following buildings of a similar nature may also be included in the list, given in para 145 of the Mysore Public Works Account Code:—

(1) Ballabrooie.
(2) Circuit House at Kolar Gold Fields.

2. Correspondence ending with Un-official Note, dated 28th September 1935, from the Private Secretary to His Highness the Maharaja on the subject.

ORDER NO. FL. 3860-920—G. F. 318-34-2, DATED BANGALORE, THE 13TH NOVEMBER 1935.

While the Secretary, Public Works Department, agrees to the adoption of the revised procedure suggested by the Comptroller in respect of the buildings under his charge, the Private Secretary to His Highness the Maharaja brings to notice certain practical difficulties in working this new procedure. Government on a full consideration are pleased to direct that the existing procedure be continued in respect of the buildings under the charge of Private Secretary to His Highness the Maharaja and that the new procedure proposed by the Comptroller be brought into effect from 1st July 1936 in respect of the buildings under the charge of the Public Works Secretary.

S. SHAMANNA,
Secretary to Government,
Financial Department.

Fixing the rate of hire of Steam Road Rollers to be recovered from the contractors.

READ—

Government Order No. Fl. 691-710—G. F. 4-32-2, dated 3rd August 1932, directing *inter alia* that, owing to the limited number of Road Rollers in the Public Works Divisions and the large demand for them, the contractors be charged for hire of the Rollers Rs. 5 a furlong consolidated.

2. Note No. D. 67, dated 16th July 1935, from the Secretary, Public Works Department, on the subject.

ORDER NO. FL. 4091-109—G. F. 117-35, DATED BANGALORE, THE 16TH NOVEMBER 1935.

With a view to place the rate of hire on a more equitable basis, Government direct that the charges be fixed at (1) Rs. 2-8-0 a furlong, when the quantity of metal consolidated is not more than 30 cubic yards; (2) at Re. 1-0-0 a furlong when mere pickforming or polishing is done; and (3) at Rs. 10 a furlong, when rough boulder metal is consolidated.

The accounting and mode of disposal of the receipts will continue as laid down already in the Government order read in the preamble.

S. SHAMANNA,
Secretary to Government,
Financial Department.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Passing orders on the proposals of the Revenue Commissioner regarding the scale of compensation to be paid for the termination of the Hereditary Rights to Shanbhogi Office and the concessions to be offered to Shanbhogs to induce them to apply for a voluntary relinquishment of office.

READ—

Government Order No. R. 223-37—L. R. 173-34-4, dated the 10th July 1935, passing orders in regard to the abolition of the system of hereditary shanbhogs and the substitution of a paid agency in its place and requesting the Revenue Commissioner to submit proposals as to the scale of compensation that may be paid for the termination of such hereditary right on a voluntary basis.

2. Letter No. C. 1360 of 1935-36, dated the 23rd September 1935, from the Revenue Commissioner, submitting proposals in the matter.

ORDER No. R. 3211-22—L. R. 173-34-9, DATED BANGALORE, THE 20TH NOVEMBER 1935.

In paragraph 5 of the Government order read above, the Revenue Commissioner was requested to submit proposals regarding the scale of compensation that may be paid for the termination of the hereditary rights where they exist and also as to the concessions and facilities that may be offered to induce the shanbhogs to apply for a voluntary relinquishment of office on payment of compensation. The Revenue Commissioner has accordingly submitted his proposals and after a careful consideration of the same, Government are pleased to direct that the commutation of hereditary rights to shanbhogi office may be permitted on the following conditions:—

(i) A cash allowance of 30 per cent of the salary fixed for the office for the year 1934-35, shall be paid for a period of 30 years to the hereditary holder of the office and his heirs and to the other hakdars, if any, and their heirs according to their respective shares.

The expression "salary" shall not include stationery allowance nor shall it include the potgi, if any, paid for the collection of special items of revenue of a non-permanent character.

(ii) The annual cash allowance as fixed above may be exchanged for a lumpsum cash payment of 20 times the amount at the option of the recipient and shall be so exchanged in all cases where the amount is less than one rupee.

(iii) The Deputy Commissioner's decision as to the proportion in which the cash allowance shall be apportioned to the several hakdars, where there are more than one, shall be final.

(iv) When the holder of a cash allowance dies, the Deputy Commissioner shall determine to whom the said allowance shall be paid as the heir or heirs of the deceased holder and the Deputy Commissioner's decision in the matter shall be final.

(v) The holders of the cash allowances and their heirs and successors should continue to be faithful subjects of His Highness the Maharaja of Mysore.

(vi) When the holder of a village office commutes his rights as above, the service inam lands, if any, pertaining to the office may be enfranchised on the holders thereof paying to Government a premium equivalent to five years' assessment (including water rate, if any) on the said lands. The lands shall thereupon be treated as sircar lands and the provisions of Section 5 of the Village Offices Regulation shall not apply to them.

2. The Revenue Commissioner is requested to take action as above after the Mysore Village Offices Regulation is amended on the lines of the Bombay Watan Act.

A. V. RAMANATHAN,
Chief Secretary to Government.

Reviews the Report of the Committee regarding the sub-division and fragmentation of holdings in the State.

READ—

Government Order No. 1845-49—L. S. 34-30-2, dated the 26th October 1931, constituting a Committee to examine the question of sub-division and fragmentation of holdings in the State.

2. Letter No. C. 1458—33-34, dated 4th July 1935, from the Revenue Commissioner, forwarding the *report of the Committee.

*(Printed as an annexure).

ORDER No. R. 3238-98—L. S. 34-30-17, DATED BANGALORE, THE 21ST NOVEMBER 1935.

The Director of Agriculture (Convener).
The Revenue Commissioner in Mysore.
The Registrar of Co-operative Societies.
The Professor of Economics, Maharaja's College, Mysore.
Mr. K. V. Anantaraman, B.A., Deputy Commissioner, Bangalore District.

At the instance of the Agricultural Board, a Committee consisting of the marginally noted officers was appointed in October 1931, with the Director of Agriculture as Convener to examine the question of determining the nature and extent of sub-division and fragmentation of holdings in the State and the practicability of bringing about a consolidation of the same. In October 1933, the Director of Agriculture pleaded inability to act as Convener of the Committee as he was fully occupied with the work of the Sugar Factory and the development of the Irwin Canal tract. The Revenue Commissioner was thereupon appointed Convener in his place and he has now submitted the report of the Committee for the orders of Government.

2. The Committee have confined their investigations to taluks into which the Record of Rights Scheme has been introduced and collected statistics for about half a dozen typical villages in each taluk. They have got two statements prepared, one showing the size of holding, *i.e.*, the extent to which sub-division has progressed, and the other showing the extent of fragmentation of lands in the State.

3. According to the first of these statements, the percentages of holdings of different sizes are as follows:—

	Per cent.
(*a*) Less than 1 acre	20·9
(*b*) Between 1 acre and 5 acres	39·8
(*c*) Between 5 acres and 10 acres	18·8
(*d*) Between 10 acres and 25 acres ...	14·9
(*e*) Between 25 acres and 50 acres ...	4·1
(*f*) Above 50 acres	1·5

It will be seen from the above, that holdings which do not exceed 10 acres form 79·5 per cent. After referring to the various measures already adopted in the State for the prevention of sub-division of holdings, the Committee have come to the conclusion that the evils of sub-division cannot be met except by a change of the laws of inheritance which, however, cannot be thought of in the present state of public opinion in the country. Government agree with the Committee in this view.

4. As regards the extent of fragmentation of lands in the State, the position stands as follows according to Statement II of the report:—

Holdings in—	*Per cent.*
(1) One plot	43
(2) Between 2 to 5 plots	42·4
(3) Between 6 to 10 plots	11·3
(4) Above 10 plots	3·3

It will be seen from the above, that items (1) and (2) practically exhaust all the holdings, showing thereby that fragmentation has not progressed to an alarming extent. All the same, the Committee consider it desirable to adopt a Scheme of Consolidation and other corrective measures to remedy the evil.

5. After examining the schemes and measures adopted in the Central Provinces, the Punjab, Baroda and Bombay and taking into consideration the views expressed by the Royal Commission on Agriculture, the Committee have submitted the following recommendations:—

1. Propaganda may be undertaken by the Co-operative Department with a view to familiarising the rural population with the ideas of consolidation and its advantages;

2. (*a*) A Regulation may be passed on the lines of the "Central Provinces Consolidation of Holdings Act" providing for consolidation to be carried out in villages where a majority of the owners holding a certain minimum area of the land have agreed to the preparation of a Scheme of Consolidation.

(*b*) The scheme should be prepared only when there is a practical consensus among the landholders.

(*c*) Such a scheme should be open to discussion and amendment upon objections raised by the landowners and it should come into operation only when it is confirmed by a higher authority, *i.e.*, the Deputy Commissioner of the District, an appeal being allowed to a tribunal consisting of the Revenue Commissioner and the Director of Land Records.

(*d*) The jurisdiction of the Civil Courts may be excluded.

(*e*) Exemption may be given from payment of stamp duties and other fees.

(*f*) In the initial stages, the entire cost of the establishment may be borne by Government.

6. The Regulation may be introduced into two or three taluks to start with and gradually extended. The staff at the beginning to be one consolidation officer with half a dozen subordinates at a cost not exceeding Rs. 500 per month.

The Government are pleased to direct that the report be published with a view to ascertain public opinion before coming to a decision on these recommendations. The Government will take into consideration the report and the opinion, if any, received from the public in March 1936.

A. V. RAMANATHAN,
Chief Secretary to Government.

ANNEXURE.

REPORT OF THE SUB-COMMITTEE OF THE AGRICULTURAL BOARD ON THE NATURE AND EXTENT OF SUB-DIVISION AND FRAGMENTATION OF HOLDINGS IN THE MYSORE STATE, AND REMEDIAL MEASURES THEREFOR.

Introductory.—"Sub-division" of holdings and "Fragmentation" of holdings connote two different things. While the former refers to the division of holdings into smaller units, the latter refers to the manner of such sub-division, *viz.*, that of dividing each item of property into the required number of sub-divisions, so that each holding newly formed is scattered in a number of plots, instead of being a compact block. Both the processes, particularly the latter, are detrimental to economic cultivation.

The problem has received much attention in recent years both in India and elsewhere, and various remedial measures have been tried with varying degrees of success. The subject has also been examined at considerable length by the Royal Commission on Agriculture. In Mysore, on the recommendation of the Agricultural Board of the Economic Conference, Government constituted a Committee, by Government Order No. R. 1845-9—L. R. 34-30-2, dated 26th October 1931, "to determine the nature and extent of

1. The Director of Agriculture (Convener.)
2. The Revenue Commissioner.
3. The Registrar of Co-operative Societies.
4. The Professor of Economics, Maharaja's College, Mysore.
5. Mr. K. V. Anantaraman, Deputy Commissioner, Bangalore.

sub-division and fragmentation of holdings in the State and the practicability of bringing about a consolidation of the same." The Committee consisted of the marginally mentioned officers. In Government Order No. R. 1901-5—L. S. 34-30-4, dated 24th October 1933, the Revenue Commissioner was appointed the Convener in the place of the Director of Agriculture. The Committee held three meetings on the dates noted below:—

23rd March 1934; 26th November 1934; 3rd May 1935.

The investigations have been confined to taluks into which the Record of Rights Scheme has been introduced, as, in other taluks, the registered holding does not correspond with actual possession and the village records do not bring out the extent to which sub-division and fragmentation have proceeded. Statistics were collected for about half a dozen typical villages in each taluk and the results of the investigation are tabulated in Statements I and II appended to this report. The villages selected may be taken to represent the general conditions of the taluks in which they are situated.

Sub-division of holdings.—Statement No. I shows the size of holdings, *i.e.*, the extent to which sub-division has progressed. According to this statement, the percentages of holdings of different sizes are as follows:—

	Per cent.
(*a*) Less than 1 acre	20·9
(*b*) Between 1 acre and 5 acres	39·8
(*c*) Between 5 acres and 10 acres	18·8
(*d*) Between 10 acres and 25 acres	14·9
(*e*) Between 25 acres and 50 acres	4·1
(*f*) Above 50 acres	1·5

It will be seen from the above, that holdings which do not exceed 10 acres form 79·5 per cent. Mr. A. K. Yegnanarayana Iyer, retired Director of Agriculture, has in a pamphlet on the subject published in 1926, shown by comparison that the general position in regard to the size of the holdings in the more advanced countries of Denmark, Belgium and Japan is not much better than in Mysore, although in view of the intensive nature of cultivation prevalent in those countries and the possibility of supplementing the agricultural income by other sources, a comparison would not afford helpful results. It has to be noted that the statistics regarding holdings collected by him for Mysore were according to the old system of khata, whereas the statistics now collected are based upon records of actual possession and reflect the existing state of affairs more accurately. A comparison of the present figures with those collected by Mr. Yegnanarayana Iyer shows that although the holdings under one acre show an increase and those between 2 and 5 acres, and 5 and 10 acres show a fall, the total number of holdings of 10 acres and under remains practically the same. The figures again approximate to those of the Punjab, in which the corresponding percentages are 17·9, 40·4 and 18.

Dr. Coleman in his Note on the Report of the Royal Commission on Agriculture gives the following figures (taken from the Census Report, 1921), to show the relative size of individual holdings in different parts of India:—

Number of acres per cultivator—

Province.	*Area.*
Bombay	12·2
Punjab	9·2
Central Provinces and Berar	8·5
Burmah	5·6
Madras	4·9
Bengal	3·1
Bihar and Orissa	3·1
Assam	3·0
United Provinces	2·5
Mysore	7·5 (1926-27 Season and Crop Report).

The Census Report of 1931 for British India does not give the figures in detail as above. But the statement quoted below is relevant.—

> "If a comparison be made between the area of land under crops and the number of agriculturists actually engaged in cultivation, the result found for British India is that for each agriculturist there, is 2·9 acres of cropped land, of which 0·65 of an acre is irrigated. The corresponding figures for 1921 are 2·7 and 0·61. If however we take only the figures of owner and tenant cultivators, excluding rent-receivers, agents and agricultural labourers, we find that each cultivator has 4½ acres to

cultivate and of irrigated land, excluding in this case the Jhumiyas (cultivators of shifting areas), each cultivator has just over an acre."

The average extent of land per cultivator in Mysore as worked out from the Season and Crop Reports, comes to 8·1 acres, suggesting that the average size of a farm in Mysore is not *prima facie* unduly small.

Even if the evil of sub-division were more acute, it would be difficult to suggest a practical remedy. By prescribing, as is done in our Land Revenue Code, a minimum area for survey numbers and refusing to register in revenue records, units of land below the minimum size, it was hoped at one time that the tendency to minute sub-division would disappear. But this has not proved to be the case. The absence of revenue registry has in no way hindered the actual enjoyment of lands below the minimum size or affected the titles thereto.

The attempt to make landed estates impartible and inalienable has succeeded only in the case of Zamindaris and large landed estates owned by families which could afford to make adequate provision for the junior members by payment of cash or otherwise, while the senior member became sole heir to the immoveable property. Such an arrangement would be manifestly inapplicable to the large majority of land owning families, which are poor and often indebted, in the absence of industrial or other alternative occupations capable of absorbing the disinherited members.

The evils of excessive sub-division have in some cases been sought to be remedied by giving a right of pre-emption to neighbouring landowners when land below the minimum size was offered for sale, but the results of such a measure, where adopted, do not appear to be important and the practical difficulties in enforcing it are obviously great.

The Committee are therefore led to the conclusion that the evils of sub-division cannot be met except by a change of the laws of inheritance, which however cannot be thought of, in the present state of public opinion in the country.

Fragmentation of holdings.—Statement No. II throws light on the extent of fragmentation of lands in the State.

The following is briefly the position:—

	Holdings in—	*Per cent.*
(1)	One plot	43
(2)	Between 2 to 5 plots	42·4
(3)	Between 6 to 10 plots	11·3
(4)	Above 10 plots	3·3

It will be seen from the above, that classes (1) and (2) practically exhaust all the holdings, thereby showing that fragmentation has not progressed to an alarming extent. It must also be remembered that in many villages in Mysore, there are dry, wet and bagayet blocks, and a person owning a piece of land in each block is not necessarily at a disadvantage. On the other hand, he is in a position to grow a variety of crops and to keep himself continuously employed on the land. It may also be stated in general that fragmentation into very small bits does not exist in dry lands to the same extent as in wet and bagayet lands. It will be seen from the statement that there is greater fragmentation in malnad than in maidan parts, because presumably of the predominance of wet and bagayet lands in the former.

Though the problem of fragmentation cannot be said to have assumed serious proportions, still it is an evil which has proceeded far enough to call for the early adoption of a scheme of "Consolidation" and other corrective measures.

In India, we have such schemes in operation in the Punjab and the Central Provinces and in the State of Baroda. In the Central Provinces, a measure of permissive legislation called "The Central Provinces Consolidation of Holdings Act", has been passed, by which any two or more permanent holders in a village holding together not less than a certain minimum prescribed area of land may apply for the consolidation of their holdings, and if not less than one half of the permanent right holders holding not less than two-thirds of the occupied area in a village agree to the scheme, the scheme will be confirmed by the Settlement Officer or Deputy Commissioner, and will become binding on all the permanent right holders. An officer has been placed on special duty with a small staff to prepare the schemes and to carry them out when confirmed.

In the Punjab, the work is carried through the Agency of the Co-operative Department, and the result achieved are said to be encouraging. Co-operative officials carry on propaganda and educate the raiyats in the advantages of the scheme. When it is settled that the scheme should be introduced in any village, a Co-operative Society is formed for the purpose. In this Province, also, there is a specially trained staff to carry on the work. At the time of the enquiry of the Agricultural Commission, the scheme had been introduced into 361 villages, over 133,000 blocks having been consolidated and reduced to 25,300. The average area of each block had increased from 0·7 acre to 3·8 acres.

In Baroda, the Consolidation Act has been supplemented by another Act called 'An Act to prevent Fragmentation of Agricultural Holdings' which gives the right of pre-emption to a neighbour or co-parcener whenever a holder wants to sell a field which is below the minimum size. The State also encourages voluntary exchange of plots with a view to consolidation by the grant of exemptions from the usual stamp and registration fees.

In Bombay, a Bill called 'The Bombay Small Holdings Bill' was brought up in the Legislative Council in 1927, but fell through on account of great opposition.

Recommendations.—After examining the above schemes and taking into consideration the views expressed by the Royal Commission on Agriculture which gave careful thought to the subject, the Committee beg to submit the following recommendations :—

Propaganda may be undertaken by the Co-operative Department with a view to familiarising the rural population with the idea of consolidation and its advantages.

This may be followed by the enactment of a Regulation on the lines of the Central Provinces Consolidation of Holdings Act, providing for consolidation to be carried out in villages where a majority of the owners holding a certain minimum area of the land have agreed to the preparation of a Scheme of Consolidation. Legally, the scheme would be binding on the dissentient minority also, but in practice and more particularly at the beginning, it is desirable that a scheme should be prepared only when there is a practical consensus among all the landholders.

The scheme prepared by the Consolidation Officers will be open to discussion and amendment upon objections raised by the landowners and will come into operation only when it is confirmed by a higher authority, *viz.*, the Deputy Commissioner of the District. An appeal may be allowed to a tribunal consisting of the Revenue Commissioner and the Director of Land Records. The jurisdiction of the Civil Courts should be excluded, exemption must be given from payment of stamp duties and other fees and in the initial stages, the entire cost of the establishment has to be borne by Government.

The Regulation may be introduced into two or three taluks to start with and gradually extended. The staff needed at the beginning will be one Consolidation Officer, with about half a dozen subordinates and its cost need not exceed Rs. 500 per month. As the work increases, more parties will have, of course, to be formed

The Committee do not expect that measures for consolidation will find immediate favour with the landholding classes or that their progress will be otherwise than slow. But as pointed out by the Royal Commission, "the main policy of any Government in embarking upon a campaign for the consolidation of holdings must be to achieve progress by education," and education in such matters is a necessarily slow and difficult process. None the less, the Commission pertinently observe "difficulties should not be allowed to become an excuse for inactivity," and "the initiative should not be left to the spontaneous action of right holders." "The State should undertake propaganda work, should explore the whole situation and should also bear the costs in the earlier stages."

It is in the spirit of this advice and upon the lines generally approved by the Royal Commission, that this Committee have formulated their recommendations. They believe that efforts for the consolidation of holdings if persisted in sufficiently long, cannot fail to produce tangible results and that at the worst, they will have served as a much needed and useful propaganda.

Directs the restoration of the original grouping of Shanbhogi Circles in the Hosakote Hobli in Pavagada Taluk.

READ—

Government Order No. R. 1198-201—R. M. 21-34-2, dated 8th September 1934, according sanction to the re-grouping of the Shanbhogi Circles in Hosakote Hobli in Pavagada Taluk.

2. Petition, dated 15th November 1934, from Shanbhogs of the above circles praying for a revision of the above order.

3. Correspondence ending with letter No. C. 2061—34-35, dated 25th October 1935, from the Revenue Commissioner furnishing his opinion in the matter.

ORDER NO. R. 3333-36—R. M. 21-34-6, DATED BANGALORE, THE 21ST NOVEMBER 1935.

The original and revised grouping of the Shanbhogi Circles in question was as detailed in the margin. The change was effected by the Government on the recommendation of local officers who urged a re-grouping on the ground of convenience for Government work. The Deputy Commissioner now recommends a restoration of the original grouping. Both the Revenue Commissioner and the Director of Land Records support this recommendation and Government are pleased to sanction the same and cancel the order read above.

1. *Original Grouping.*
1. Hosakote and Maridasanahalli.
2. Marammanahalli and Sarvathapura.

2. *Revised Grouping.*
1. Hosakote and Marammanahalli.
2. Sarvathapura and Maridasanahalli.

A. V. RAMANATHAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Sanctions the reconstitution of the personnel of the Boards of Visitors to the District Hospitals and certain Local Fund Dispensaries in the State.

READ—

Government orders noted below sanctioning the reconstitution of the personnel of the Boards of Visitors for the several District Hospitals and certain Local Fund Dispensaries in the Districts :—

(1) Government Order No. G. 108-16—Med. 115-32-4, dated 8th July 1933.
(2) Government Order No. 2126-7—Med. 73-33-2, dated 30th September 1933.

2. Letter No. C. 2653-2, dated 18th October 1935, from the Senior Surgeon in Mysore, submitting for sanction of Government, proposals for the reconstitution of the Boards of Visitors in respect of the District Hospitals and Local Fund Dispensaries referred to in the Government orders read above, and making certain other proposals,

ORDER NO. G. 3978—MED. 111-35-2, DATED BANGALORE, THE 9—19TH NOVEMBER 1935.

Government are pleased to approve of the reconstitution of the Boards of Visitors for the Medical Institutions as detailed in the appended statement for a period of two years.

They further agree that for reasons explained by the Senior Surgeon, there is no need to re-appoint Boards of Visitors for the Local Fund Dispensaries at Koppa and Balehonnur.

The quorum of the Boards of Visitors will, as recommended by the Senior Surgeon, be reduced from three to two in the case of the District Hospitals and dispensed with in the case of the Local Fund Dispensaries.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

Reviews the Administration Report of the Income-tax Department for the year 1934-35.

Read—

Letter No. C. 78—34-35, dated 18th—21st October 1935, from the Commissioner of Income-tax in Mysore, forwarding the Report on the Administration of the Income-tax Department for the year 1934-35.

ORDER No. FL. 4197-207—I. T. 14-35-4, DATED BANGALORE, THE 19TH NOVEMBER 1935.

Recorded.

2. *Assessment.*—Five thousand, one hundred and eighty-four cases were assessed during the year as against 5,029 in the year preceding.

3. *Demand and Collection.*—The net demand for the year under Income-tax was Rs. 16,55,715 as against Rs. 14,12,951 in the year previous, while the corresponding collections amounted to Rs. 15,99,300 as against Rs. 13,63,781. The net demand under Super-tax was Rs. 7,77,975 as against Rs. 6,10,320, while the collections amounted to Rs. 7,75,933 as against Rs. 6,02,078. The increase in revenue was due to larger receipts from the Gold Mining Companies and certain Banking, Insurance and other concerns. The balance remaining to be collected at the close of the year was Rs. 59,688 under Income-tax and Rs. 3,604 under Super-tax.

4. *Incidence of Tax.*—The Incidence of tax for the year calculated on the resultant demand was Re. 0-4-6 per head of population as against Re. 0-3-10 in the preceding year. Under Super-tax, the incidence was Re. 0-1-11 as against Re. 0-1-6.

5. *Inspections.*—The Commissioner of Income-tax inspected the offices of all the Deputy Commissioners of Income-tax except two and ten Sub-Division Income-tax Offices. The Deputy Commissioners inspected all Income-tax Offices in their jurisdictions.

The working of the Department during the year was satisfactory.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

Reviews the Administration Report of the Live-stock Section for the year 1934-35.

READ—

Letter No. Roc. 28—35-36, dated 11th September 1935, from the Director of Agriculture in Mysore, submitting the Administration Report of the Live-stock Section for the year 1934-35, with his review thereon.

ORDER NO. D. 3387-3457—L. & A. 19-35-3, DATED BANGALORE,
THE 15—25TH NOVEMBER 1935.

Recorded.

2. Lt. A. A. Monteiro was in charge of the Section during the year under review.

3. The number of Amrit Mahal ranges and herds was the same as in the previous year *viz.*, 3 ranges and 10 herds. On account of scarcity of fodder in parts of the State, some kavals were thrown open to village cattle for free grazing during the year.

4. There were 3,364 animals at the beginning of the year. The strength at the close of the year was 3,101. The percentage of births was 28 against 38·6 in the previous year, the low percentage was due to bad seasonal conditions and the prevalence of foot and mouth disease in some of the herds.

5. The total number of deaths from all causes was 396 against 324 in the previous year. Of these, 40 were due to contagious diseases. The death rate was 12 per cent against 9·3 per cent in the preceding year, the increase being due to the generally poor condition of the animals having been too poor to withstand the effects in summer.

6. *Demand, Collection and Balance.*—Out of the total demand of Rs. 86,118-11-11, a sum of Rs. 40,876-7-2 was collected leaving a balance of Rs. 44,942-4-9 to be recovered. The arrears outstanding are heavy. Prompt action should be taken to recover them.

7. *Surrender of Kaval Lands.*—An extent of 1,000 acres of Amrit Mahal Kaval lands in the Tumkur District and 250 acres in the Chitaldrug District were surrendered to the Revenue Department for purposes of cultivation. Five hundred and fifty acres in the latter district were retransferred to the Revenue Department. The total area that was leased out for cultivation was 3,129 acres against 2,809 acres 29 guntas in the previous year.

8. *Aided Cattle Breeding Scheme.*—The total number of aided breeders remained the same as in the last year, *viz.*, 8. The total strength of cattle in their charge at the commencement of the year was 1,202. The percentage of birth and death was 24·2 and 12 respectively against 41·5 and 11·1 in the previous year. The herds were generally found to be well looked after and in good condition. The strength at the close of the year was 1,160.

9. *Cattle Breeding Stations.*—The total strength of Live-stock at all the Stations at the end of the year was 945 against 1,137 at the commencement. The general condition of the cattle was poor and the percentage of births and the average birth-weight of calves was low. This was due to inadequate grazing and the outbreak of foot and mouth disease. One hundred and nine calves were born, of which

52 were from Hallikar bulls. The percentage of deaths over the average strength was 5 against 6 in the previous year. Orders have been recently passed approving the supply of breeding bulls to village panchayets and private agriculturists at a reduced price of Rs. 100 per head for a period of two years.

10. *Dairy Farm.*—The work of the dairy continued on the same lines as in the previous year. The total strength of the herd was 41 at the end of the year against 44 at the beginning. The average number of milking cows was 7·9 or 22·2 per cent of the total herd against 7·08 or 16·1 per cent in the previous year. The total yield of milk for the whole year was 21,418 lbs. against 16,826 lbs. during the last year. The maximum and minimum yield of Hallikar cow per lactation was 2,905 lbs. and 882 lbs. respectively, whereas those of Amrit Mahal cows were 1,694 lbs. and 933·8 lbs., respectively. The lowest lactation period among Hallikar bulls was 411 days and among Amrit Mahal bulls 296 days.

11. *Sheep Farms.*—The work on these farms continued on the same lines as in the previous year. It included some preliminary work on the artificial insemination of sheep and on the improvement of the quality and quantity of wool of local sheep.

12. *Sheep Breeding Extension Work, Kolar.*—The total strength of the association at the close of the year was 213 against 203 in the previous year. The number of breeding rams supplied to the members was 19 against 15 in the previous year. Nine thousand, seven hundred and ninety-three sheep were machine-shorn against 9,606 in the previous year. Some of the cross-bred wool was used in manufacturing carpets, coatings and rugs. The result of sending a few of the woollen goods to Bombay for being milled has shown that their appearance can be greatly improved by this treatment.

13. *Conclusion.*—The work of the Department during the year was satisfactory.

BANGALORE, THURSDAY, DECEMBER 5, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Administration Report of the Revenue Department for the year 1934-35.

READ—

Letter No. C. Per. A. 15—35-36, dated 15th October 1935, from the Revenue Commissioner in Mysore, forwarding the report on the administration of the Revenue Department during the year 1934-35.

(Printed as annexure.)

ORDER NO. R. 3384-438—L. R. 139-35-2, DATED BANGALORE,
THE 26TH NOVEMBER 1935.

Mr. N. Madhava Rau, B.A., B.L., continued to be the Revenue Commissioner throughout the year except for about a month from 2nd January 1935, when he was on privilege leave and Mr. K. V. Anantaraman, B.A., acted for him.

2. *Changes among Deputy Commissioners and Assistant Commissioners.*—Kolar and Tumkur were the only districts in which there was no change of Deputy Commissioners during the year, and Closepet, Dodballapur, Madhugiri, Mandya, Shimoga, Tarikere and Davangere were the only Sub-Divisions in which there was no change of Assistant Commissioners. The two Probationary Assistant Commissioners appointed during the previous year were under training in various branches of revenue work.

3. *Taluk Charges.*—There were no changes of Amildars in 44 Taluks and 2 Sub-Taluks. The Special Deputy Amildar sanctioned for T.-Narsipur Taluk to assist the Amildar in his collection and other work was continued during the year.

The Yelandur Jahgir continued under Government management and an Amildar was in charge of the same. Four Deputy Amildars were appointed during the year for Record of Rights work and for clearing the accumulated arrears of mutation cases in some taluks. The term of the Special Deputy Amildar appointed for clearing the accumulated arrears relating to the Record of Rights in the Bangalore Taluk was ordered to be continued up to the end of March 1936.

4. *Touring of District and Taluk Officers.*—All the Deputy Commissioners and Sub-Division Officers toured for more than the required number of days and inspected almost all the subordinate offices in their charge. To ensure adequate inspection of interior villages by Amildars and Sub-Division Officers, Government passed orders in April 1935, requiring them to make use of bicycles for visiting interior villages and for making inspections and deprecating the tendency on the part of Sub-Division Officers generally to make rapid marches with short halts and returning frequently to headquarters.

5. *Important Measures Sanctioned.*—(1) The question of substituting a stipendiary agency for the hereditary system of village officers now in vogue was considered, and the policy of Government in this matter was announced at the meeting of the Legislative Council held in December 1934. Orders have since issued directing that the hereditary system in respect of the shanbhogi office should be terminated as soon as circumstances permit, and that legislation should be undertaken for the termination of hereditary *haks* after payment of compensation on a voluntary basis. Effect has recently been given to this policy by the appointment of stipendiary shanbhogs in place of hereditary ones who were dismissed for misconduct in one of the taluks of the Mysore District.

(2) A Committee was appointed in July 1934 to advise Government as to any further measures of relief that might be afforded to the raiyats in the present period of depression. The Committee submitted *interim* recommendations in respect of emergent measures of relief required to alleviate the situation and Government passed orders sanctioning their recommendations. Their final recommendations were received in January 1935, and Government have since passed orders on these recommendations also.

(3) The suggestions of the Inam Committee were under consideration during the year and orders have since been passed sanctioning most of their suggestions.

(4) Hissa fees were further reduced from Rs. 1-8-0 to Rs. 1-4-0 per hissa in the case of those taluks in which the Department of Land Records has undertaken to prepare the preliminary record.

(5) The Eighth Quinquennial Census of Agricultural Stock was taken in the State between the 10th and 17th February 1935.

(6) Rules relating to the inspection, maintenance and repair of boundary marks were revised.

(7) Revised and consolidated rules were issued regarding the appointment and training of Revenue Inspectors.

6. *Rainfall, Seasonal Conditions, etc.*—The rainfall in all the districts was much lower than in the preceding year, and was 9 to 10 inches less than the average for the past 35 years. Both mungar and hingar rains were generally insufficient and untimely and agricultural operations were consequently greatly hampered. In some parts, the sowing of dry crops was not possible owing to the late rains. A good many tanks in the maidan did not get any supply of water. Conditions were particularly bad in 11 Taluks in the districts of Tumkur, Kolar, Bangalore and Mysore. The following among other measures, were adopted to relieve distres in the affected areas:—

(1) *Employment of Labour.*—Tank maintenance, tank restoration and village panchayet works were started to provide labour to the raiyats who were in need of it. Works costing about Rs. 85,000 were thus carried out, employing about 3,700 people a day.

(2) *Supply of Fodder and Drinking Water.*—All the State Forests and Amrit Mahal Kavals in the affected areas were thrown open for the free grazing of cattle and permission was also granted for the cutting of date leaves for fodder. Growing of bili-jola, a quick-growing crop yielding grain as well as fodder for cattle, was encouraged. Arrangements were made for stacking forest hay and for its sale to raiyats at a concession rate of Rs. 10 per ton. Four hundred and thirty-five well works were started to provide drinking water to men and cattle and 251 such works were completed before the end of the year.

(3) *Concessions to Raiyats and Special Grants.*—

(*a*) The several concessions in respect of the payment of land revenue assessment sanctioned for the year 1933-34, were extended till the close of the official year.

(*b*) For carrying out the several relief works and for advancing takavi and land improvement loans more liberally, additional grants to the extent of Rs. 2,75,000 were sanctioned.

(*c*) The ordinary rate of interest on takavi loans was reduced to four per cent.

(*d*) The concessions granted during the preceding year for the suspension of instalments of land improvement and the grant of takavi loans were continued with some modifications, and the power of granting such suspensions was vested temporarily in the Amildars.

(*e*) Revenue officers were authorised to suspend execution of old decrees of Co-operative Societies, if interest at five per cent and a portion of the principal were paid, and in all such cases, the Assistant Registrar was authorised to advise the societies concerned regarding the issue of fresh loans. Time till the next harvest season was also ordered to be granted in the case of decrees in respect of fresh loans.

(*f*) The scale of Record of Rights fees was reduced to Rs. 1-4-0 per hissa, as stated above.

(*g*) The rules regarding the remission of kandayam on lands situated under breached tanks were modified directing the levy under certain conditions of only a temporary assessment at the maximum dry rates prevailing in the locality instead of half the wet assessment.

(*h*) Remission of half wet assessment was granted under a large number of tanks under the tari banjar rules to the extent of Rs. 4,65,759. Government also sanctioned the remission of dry assessment of Rs. 4,082 in Bagepalli Taluk, the suspension of (1) recovery of 50 per cent of dry assessment, aggregating to Rs. 1,05,004 in the taluks of Bagepalli, Goribidnur, Malur and Pavagada, and (2) of miscellaneous demands of the aggregate amount of Rs. 2,63,400 in the same taluks as also in the taluks of Nagamangala and the sub-taluk of Gudibanda.

The total extent of relief granted by Government during the year under the various heads amounted Rs. 12,69,218.

7. *Cattle Mortality.*—As compared with the preceding year, there was considerable increase in the total number of deaths among cattle due to failure of pasture and poor outturn of fodder crops. The raiyats were, however, generally able to save the more valuable cattle. The facilities for free grazing provided by Government in State Forests and other measures of relief, such as the supply of forest hay at concession rates were fully utilised by the raiyats. Cattle mortality due to infectious diseases was less than in the preceding year. But the number of cattle killed by wild animals increased in all the districts except Shimoga.

8. *Accidental Fires.*—There were 521 accidental fires resulting in a loss of 12 human lives. Two hundred and thirty-four head of cattle and property valued at Rs. 1,78,156-4-0 as against 514 cases in the preceding year resulting in the loss of 8 human lives, 274 head of cattle and property valued at Rs. 1,85,563-0-8. Building materials and takavi loans were promptly given in deserving cases. A sum of Rs. 1,540 was also granted to the sufferers from the Distress Relief Fund.

9. (1) *Cultivation.*—The total area under occupation during the year was 7,808,982 acres as against 7,931,629 acres in the previous year. The decrease of 122,647 acres is contributed by all the districts except Bangalore. Under cropped area, there was a decrease in all the districts, the extent of decrease for the whole State being 510,928 acres. The percentage of fallows to the area under occupation was 22·4 as against 17·23 in the preceding year. Over one-fourth of the area lay fallow in 22 taluks. The outturn in respect of all the crops showed an appreciable decrease during the year under report. The average yield in terms of annas of the five select crops during the year 1933-34 and 1934-35 is shown below:—

	1934-35.	*1933-34.*
Paddy	7·02	10·28
Ragi	6·25	9·19
Horse gram	5·62	7·72
Cholum	5·83	8·80
Sugarcane	8·27	10·55

(2) *Cultivation under the Vani Vilas Sagara.*—The net area under occupation was 7,745 acres 5 guntas. The area cropped was 4,811 acres 34 guntas during Karthika and 6,054 acres 32 guntas during Vaisakhi, making a total of 10,868 acres 26 guntas as against 9,564 acres 28 guntas in the previous year. The demand for the year under all heads was Rs. 53,257-1-10 as against Rs. 48,224-5-5 in the previous year. Including the arrears of Rs. 12,729-0-8, the total demand came to Rs. 65,986-2-4. Out of this, a sum of Rs. 56,235-1-10 including a remission of

Rs. 3,706-5-6 was collected. Continuous irrigation was allowed in the summer. With a view to conserving the supply of water in the Reservoir and encouraging the growth of garden crops, Government have ordered tentatively for a period of two years that the supply of water for irrigation under the lake should in future be intermittent throughout the year, continuous irrigation being allowed in summer, only in those years in which the level of the lake on the 1st November preceding is not below 120 feet.

(3) *Irrigation under the Irwin Canal.*—The total extent of irrigable area under the canal was 49,895 acres 37 guntas as against 47,281 acres in the previous year. There was a steady development of irrigation during the year due partly to the scanty rainfall which induced the raiyats to avail themselves more largely of the irrigation facilities provided by the canal, and partly to the increased demand for sugarcane from the Sugar Factory at Mandya.

(4) *Cultivation under the Bhadra Right Bank Channel.*—The extent of lands under cultivation during the year was 7,433 acres 24 guntas as against 7,867 acres 18 guntas in the preceding year. Including the arrears of Rs. 22,201-0-5, the total demand under assessment was Rs. 56,579-7-6. Out of this, a sum of Rs. 27,718-6-3 was collected. Out of the demand of Rs. 23,704-15-1 under contribution, a sum of Rs. 7,479-5-4 was collected. A Committee was appointed in August 1934 to investigate the position of the colonists. Its report has been received and is under the consideration of Government.

10. *Darkhasts.*—Including the darkhasts pending at the beginning of the year, there were 15,861 applications for disposal. Out of them, 12,221 were disposed of, 5,659 by grant and 6,562 by rejection. The total extent disposed of for cultivation and the price realised thereby were 20,073 acres 14 guntas and Rs. 80,002-3-1 as against 23,012 acres 7 guntas and Rs. 1,11,704-15-3, respectively during 1933-34. No fresh grant for tea cultivation was made during the year. An extent of 3,210 acres 14 guntas under tank beds was granted for cultivation and an assessment of Rs. 2,839-15-6 was realised by way of assessment. Out of the total of 1,583 applications for grant of lands to depressed classes, 1,135 were disposed of. An extent of 3,870 acres 21 guntas was granted to members of the depressed classes.

11. *Avenue Trees.*—The total number of trees newly planted during the year was 41,119 as against 47,081 in the previous year. The decrease is stated to be due to insufficient rains. Government consider that greater attention should be paid by the Public Works and Revenue Departments to the planting of avenue trees. The Public Works Department should take up the work of planting trees on the main roads and the Revenue Department on other and less important roads.

12. *Jamabandi.—Demand, Collection and Balance.*—The total demand under land revenue including land revenue miscellaneous was Rs. 1,50,47,479. A sum of Rs. 1,14,24,272 was collected, and a sum of Rs. 2,34,944 was either remitted or written off, leaving a balance of Rs. 33,88,213 as against Rs. 23,78,811 in the preceding year. The percentage of total collection to total demand was 77·48 as against 82·43 in the previous year. The decrease is reported to be due to adverse seasonal conditions coming during a period of acute depression in the agricultural industry and reflects the effect of the concessions allowed for the payment of land revenue and other dues.

Coercive Processes.—The total number of processes of all kinds issued during the year was 392,041, and a total sum of Rs. 28,62,782 or 23·55 per cent of the land revenue was realised by the adoption of these processes. Nearly two-thirds of the processes were only notices of demand which had really no coercive character, the notice fee having been remitted in a large number of cases.

13. *Execution of Co-operative Decrees.*—Six thousand, three hundred and five decrees involving Rs. 12,11,975 were dealt with. Of these, 2,854 decrees involving Rs. 5,50,923 were disposed of during the year, leaving a balance of 3,451 decrees involving Rs. 6,61,052. The number of decrees disposed of during the year though slightly larger than the preceding year, did not keep pace with the receipts. This was due to some extent to the grant of concessions in the matter of recovery of decretal amounts.

14. *Loans and Advances.*—In addition to a sum of Rs. 1,85,300 provided in the budget for the grant of takavi, land improvement and fruit culture loans, an additional allotment of Rs. 70,000 was sanctioned for granting takavi loans in the affected areas of the Bangalore, Kolar, Tumkur and Mysore Districts. Loans aggregating Rs. 1,92,204 were actually disbursed to the parties. There was a very large number of applications for takavi advances, the number being 4,805 as against 1,264 in the previous year. Two thousand, four hundred and forty-two applications involving a sum of nearly Rs. 1¼ lakhs were sanctioned. The demand under takavi was Rs. 3,33,344-12-10. Out of this, a sum of Rs. 86,812-7-1 only was recovered. The percentage of collection to the demand was 26·24 as against 37·56 in the preceding year. The poor collection is attributed to the adverse seasonal conditions and to the concessions allowed by Government for the suspension of repayment of loan instalments in certain cases. Under the head of "Land Improvement Loans" also, the applications were comparatively large, the number of applications received being 1,951 as against 929 in the previous year. Of these, 533 applications for an aggregate sum of Rs. 72,110 were sanctioned. The instalments including the arrears which had to be recovered under this head amounted to Rs. 4,38,455-6-7, of which, a sum of Rs. 1,18,262-11-4 was recovered. The average percentage of collection to the demand was 28·97 as against 41·12 in the previous year.

15. *Takrar Taktes.*—Out of a total number of 40,674 cases on the registers, 32,545 cases were disposed of, the percentage of disposal being 80 as against 76·9 in 1933-34, 71·19 in 1932-33 and 65·52 in 1931-32. The number pending in the Krishnarajapet Taluk continues to be very large. The Revenue Commissioner is requested to arrange for their prompt disposal.

16. *Record of Rights.*—The scheme has so far been introduced into 51 taluks and sub-taluks. Final records of rights in respect of 26 taluks were notified up to the end of the year. The total demand so far fixed in respect of 49 taluks and sub-taluks amounted to Rs. 37,40,566. A sum of Rs. 2,51,655 was collected during the year bringing the total collections from the commencement of the scheme to Rs. 16,57,146 inclusive of remissions. The total expenditure incurred on the scheme up to the end of the year came to Rs. 14,35,932. It was brought to notice that the progress of work under the scheme was very much retarded on account of unsatisfactory collection. Government issued orders in April 1935 impressing on Deputy Commissioners of Districts, the importance of devoting greater attention to the collection of Record of Rights fees and directing that the Amildars should devote the same attention to the collection of these fees as they do to that of land revenue.

17. *Tanks and Tank Panchayets.*—Seven hundred and forty-one major tanks and 102 minor tanks were restored or repaired at a cost of Rs. 5,88,112 and Rs. 1,45,688 respectively, while the value of earthwork done by raiyats was Rs. 65,511 in respect of major tanks and Rs. 72,033 in respect of minor tanks. The total number of chowtayi tanks was 232 and the maximum amount of remission admissible in respect of them was Rs. 5,064-14-7. Chowtayi remission to the extent of Rs. 1,448-9-9 was withheld in respect of 86 tanks on account of disrepair or non-execution of maintenance work. There were 127 tank panchayets, but only 7 of them showed evidence of activity. Information as to transferring to the village panchayets, the responsibilities of these tank panchayets in pursuance of the orders issued in the previous year has not been furnished. The Revenue Commissioner is requested to submit a special report in the matter.

18. *Inspections.*—The inspection work done by the officers is satisfactory. The Revenue Commissioner toured for 111 days and inspected all the District Offices (except Bangalore), 5 Sub-Division Offices and 20 Taluk Offices. The Deputy Commissioner, Kolar District spent 222 days on tour. The number of days of touring done by the other Deputy Commissioners ranged from 120 to 180. All the Sub-Division Officers toured more than the required number of 150 days. Two hundred and twenty-two mojar and 122 minor tanks were inspected by the Deputy Commissioners. The Sub-Division Officers inspected 1,058 major and 1,361 minor tanks. All the Trigonometrical Survey Stations were inspected by the local Revenue Officers and they were found to be in good condition.

19. *Provincial Toll-gates.*—There were 45 toll-gates. The revenue derived from the sale of the privilege of collecting tolls amounted to Rs. 2,44,572-5-6 as

against Rs. 2,20,257 in the preceding year. A sum of Rs. 2,32,779-6-2 was collected during the year. The right to collect tolls at the several gates was sold for six months only during the current year with a view to giving effect to the Road Taxes and Traffic Regulation from 1st January 1936.

20. *Conclusion.*—The year was one of short rainfall and poor crops and the agricultural population passed through a period of acute depression. The time and attention of the Revenue Officers were largely taken up by the problems created by such a situation and the anxious vigilance needed to afford prompt relief. In the distressed areas, particularly, the local officers had to devote considerable attention to the administration of relief measures sanctioned by Government. Government are glad to note that the Revenue Officers of all grades performed their duties satisfactorily and while attending promptly to the special measures of the year, did not neglect the usual work of the department.

Government are pleased to record their appreciation of the able and efficient manner in which the Revenue Commissioner, Mr. Madhava Rau, administered the Department during the year under review.

A. V. RAMANATHAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Sanctions the appointment of Rajasevasakta Mr. R. Ranga Rao, B.A., B.L., Retired Chief Secretary to Government, as an additional member of the Board of Visitors for the Victoria and the Minto Ophthalmic Hospitals, Bangalore.

Read—

Government Order No. G. 5917—Med. 154-34-4, dated 13—17th December 1934, reconstituting the personnel of the Board of Visitors for the Victoria and the Minto Ophthalmic Hospitals, Bangalore.

2. Letter No. G. C. 101, dated 18th November 1935, from the Senior Surgeon, recommending that *Rajasevasakta* Mr. R. Ranga Rao, B.A., B.L., Retired Chief Secretary to Government, may be appointed as an additional member of the Board of Visitors for the Victoria and the Minto Ophthalmic Hospitals, Bangalore.

ORDER NO. G. 4419—MED. 142-35-2, DATED BANGALORE,
THE 30TH NOVEMBER—2ND DECEMBER 1935.

Government are pleased to sanction the recommendation of the Senior Surgeon.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

Reviews the Administration Report of the Mysore Health Department for the year 1934.

READ—

The Administration Report of the Health Department for the calendar year 1934, received from the Director of Health in Mysore, with his letter No. Vs. 91, dated the 13th September 1935.

ORDER NO. G. 4300-20—P. H. 29-35-7, DATED BANGALORE,
THE 29TH NOVEMBER 1935.

Recorded.

2. Dr. J. V. Karve, M.B., Ch.B., D.P.H., continued as Director of Health throughout the year. Dr. W. C. Sweet, B.Sc., M.D., Dr. P.H., Consultant in Health of the Rockefeller Foundation, who had proceeded on leave on the 21st February 1934, returned to Bangalore on the 5th November 1934.

3. *Bureau of Epidemiology and Communicable Diseases.*—(*a*) *Malaria Stations.*—Experimental control of malaria by the use of Paris Green was continued in the three Malaria stations at Nagenahalli, Mudigere and Hiriyur. Paris Green manufactured locally was tested with satisfactory results. Special malaria surveys were made of some of the villages under the Nidsala Tank and Boranakanve reservoir in the Tumkur District.

(*b*) *Hookworm Control.*—Hookworm treatment continued to be given in the dispensaries in the districts of Shimoga, Kadur, Hassan and Mysore, the total number of patients treated during the year being 15,911 against 16,894 during the previous year.

(c) *Guinea-worm Control.*—The investigation of the biological control of guinea-worm disease by means of fish was continued in the Chitaldrug District. In all 500 patients suffering from the disease were treated.

The number of deaths from plague and small-pox during 1934, was 5,890 and 4,521 respectively, while fevers accounted for 56,502 deaths, the corresponding figures for the year 1933, being 6,984, 2,801 and 51,370, respectively. The total number of anti-plague inoculations and vaccinations done during the year was 181,584 and 317,073, respectively.

4. *Rural Health Unit, Mandya.*—Free distribution of quinine by the Special Malaria Staff which was started in 1932 continued till the close of the year. A total of 5,501 vaccinations and 6,333 Anti-plague inoculations were done in the Unit area during the year. The two midwives attached to the Unit visited 2,935 Maternity cases in addition to conducting 85 labour cases.

5. *Bureau of Health Education.*—The assistance received from the Rockefeller Foundation towards the Propaganda work of the Bureau having ceased at the close of the year 1933, the whole expenditure of the Bureau has since been borne by Government. Forty-seven articles on health subjects were published in newspapers, while posters and leaflets on plague, small-pox, soil pollution, bore-hole latrines, malaria, filth diseases, hook-worm, water and fly were printed in large numbers and freely distributed. One hundred and twenty Cinema Shows were displayed, the total number of persons that attended these shows being about 75,000.

6. *Bureau of Laboratories.*—(*a*) *Public Health Institute.*—The total number of specimens examined in the Institute during the year was 9,065 in the Bacteriological Section, 676 in the Chemical Section and 657 in the Medico-legal Section against 9,107, 705 and 707 respectively, during the previous year. Orders were issued prescribing the procedure for sending articles for Medico-legal Examination.

(*b*) *Vaccine Institute.*—During the year, both lanoline and glycerine lymphs were prepared and issued, the total quantity issued being enough for 339,104 and 50,315 cases respectively. Investigation is stated to have been undertaken about the occurrence of cases of small-pox among persons, who had been protected by means of vaccination not long before. The result of this investigation should be reported to Government early. The total income and expenditure of the Institute was Rs. 24,692 and Rs. 21,589 against Rs. 24,975 and Rs. 19,769 respectively in the previous year.

7. *Bureau of Vital Statistics.*—The total number of births during the year was 117,302 against 117,920 during the previous year. The computed birth-rate was 17·74 per mille of population against 17·99 in 1933. The highest birth-rate was returned by the Bangalore District (21·27) and the lowest by the Chitaldrug District (13·26).

The total number of deaths reported during the year was 113,591 against 106,009 during the preceding year, showing an increase of 7,582, which is stated to be due to increase in deaths under fevers. The computed death-rate was 17·18 per mille of population against 16·17 in 1933. Deaths exceeded births in the districts of Chitaldrug, Mysore, Shimoga and Tumkur, the excess in the Chitaldrug District being about 6,000. This heavy excess should have been explained. The total number of deaths among children of less than one year of age was 14,226 against 11,733 in the previous year.

8. *Bureau of Sanitary Engineering.*—The activities of the Bureau continued as in the previous year. Thirteen water supply schemes and four drainage works were completed.

9. The work of the Department under the guidance of Dr. Karve was satisfactory.

10. The state of public health was generally good. There was a decline in the incidence of plague and the state was almost entirely free from Cholera. Small-pox showed a tendency to rise but this was anticipated and the steps taken to check the spread of the disease were adequate.

11. The Indian Red Cross Society (Mysore State Branch) and other voluntary organisations continued to do useful work.

M. VENKATESA IYENGAR,

Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Reviews the Statement of Cattle Mortality in the State for the year ending 30th June 1935.

READ—

Letter No. Per. 22—34-35, dated 24th October 1935, from the Director of Agriculture in Mysore, forwarding the statement of cattle mortality in the State for the year ending 30th June 1935, with his review thereon.

(Director's review and statement are printed as annexures).

ORDER No. D. 3362-73—STCS. 16-35-2, DATED BANGALORE, THE 21ST—22ND NOVEMBER 1935.

Recorded.

As compared with the previous year, the total cattle mortality in the State shows an increase of 29,496 (103,777 against 7,428 in the previous year). The increase under non-contagious diseases and other causes works out to 49·7 per cent and that under contagious diseases to 0·6 per cent. The increase in the first case is probably due to the adverse seasonal conditions.

The mortality from Rinderpest was only 410 during the year as against 976 of previous year and it was the lowest recorded for the past ten years, due to the systematic inoculations carried on since 1925 against the spread of this disease. The mortality under parasitic diseases showed an increase of 879 over the figures of last year. The Director of Agriculture proposes to take up the investigation of these diseases in the laboratory as well as on the field. He is requested to submit a report embodying the results of such investigation.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ANNEXURES.

REVIEW ON THE RETURN OF CATTLE MORTALITY FOR THE YEAR ENDING 30TH JUNE 1935.

The mortality under Rinderpest is only 410 during the year as against 976 of previous year and is the lowest recorded for the past one decade. Inoculations conducted systematically since 1925 have produced immune zones and belts which have acted as effective checks against the spread of disease from one area to another.

The mortality due to Hæmorrhagic Septicæmia and Blackquarter has gone down by 636 and 787 respectively during the year. Kadur and Shimoga Districts paid rather a heavy toll under Foot and Mouth diseases which was rather severe during the year under report. There was an increase in mortality by 730 as compared with that of the previous year.

The mortality under parasitic diseases also showed an increase of 879 against the figures of last year. This class of diseases requires investigation in the laboratory as well as in the field, and will be attended to making use of the services of Dr. Naidu who has recently returned from Germany after his training there.

Even under non-contagious diseases, there has been an increase in mortality probably due to adverse seasonal conditions bringing about a scarcity for water and fodder.

There is still scope for improvement in sending cattle mortality returns. Seven taluks have not sent even 60 per cent of the returns.

Figures for mortality are being compared from year to year. It would be interesting to work out the percentage of mortality on the total number of cattle in the State during that particular period. An attempt will be made in this direction so far as figures are available for calculation on that basis.

B. NARASIMHA IYENGAR,
Director of Agriculture.

FINANCIAL SECRETARIAT

Reviews the report on the working of the State Provident Fund for the year 1934-35.

READ—

Letter No. 115—S.P.F., dated 19th November 1935, from the Comptroller to Government, submitting the report on the working of the State Provident Fund for the year 1934-35.

I have the honour to submit the report on the working of the State Provident Fund for the year 1934-35.

2. The progress of the Fund and its membership as compared with the previous year is detailed below:—

	1933-34.		1934-35.	
(*a*) Membership at the end of the previous year		3,982		4,321
Deduct.—Number withdrawn due to death ...	37		41	
Do retirement from service	100		97	
Do resignation ...	3		6	
Do dismissal ...	6		8	
Do inability to subscribe	85	231	153	305
Add.—Number newly admitted—				
Compulsory ...	117		80	
Optional ...	453	570	455	535
Total at the end of the year ...		4,321		4,551

(*b*) Possession of the Fund.—	Rs.	Rs.	Rs.	Rs.
Add.—Opening balance ...		14,78,604		15,97,697(*a*)
Subscriptions received during the year ...		3,17,776		3,18,106
Recovery of Temporary advances ...		1,54,811		1,67,708
Total ...		19,51,191		20,83,511
Deduct Withdrawals.—Permanent ...	2,56,754		1,93,845	
Temporary ...	1,65,314	4,22,068	1,82,801	3,76,646
Balance ...		15,29,123		17,06,865
Add interest ...		72,292		75,010
Closing balance ...		16,01,415		17,81,875

(*a*) The figure now shown is according to the financial account for last year (1933-34). While the figure shown in the last year's report was based on the preliminary account for June 1934.

3. Advances from and repayments to the Fund are as noted below:—

Number of subscribers to whom advances were sanctioned.	No.	1,014	No.	1,224
Amount advanced ...	Rs.	1,65,314	Rs.	1,82,801
Repayments ...	Rs.	1,54,811	Rs.	1,67,708
Amount of advance outstanding at the end of the year.	Rs.	1,50,253	Rs.	1,65,346

4. Nominations during the year ...	No. 10	19
Total registered from the commencement of the year.	No. 1,800	1,819

5. Out of the total number of 4551 accounts at end of June 1935, advices of balances have been already sent for 1369 accounts in which there were transactions throughout the year and the remaining ones will be sent in the course of this month (November 1935). Subscribers' attention will also be drawn to the benefits of nomination.

ORDER NO. FL. 4520-80—G. F. 132-35-2, DATED BANGALORE, THE 30TH NOVEMBER 1935.

1. Recorded.
2. Advices of balances should be issued promptly.

S. SHAMANNA,
Secretary to Government,
Financial Department.

BANGALORE, THURSDAY, DECEMBER 12, 1935.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reviews the Administration Report of the Horticultural Department for the year 1934-35.

READ—

Letter No. 900, dated 1st October 1935, from the Superintendent, Government Gardens, submitting his report on the Administration of the Gardens Department for the year 1934-35.

ORDER NO. E. 1559-1618—G. G. 23-35-3, DATED BANGALORE, THE 5TH DECEMBER 1935.

Recorded.

Mr. H. C. Javaraya was in charge of the department till 24th February 1935, when he was appointed as Senior Marketing Officer with the Government of India. Mr. M. K. Seetharama Chetty was in charge of the Department during the rest of the year.

Economic Work.—The introduction, propagation and acclimatisation of new plants of economic value continued during the year. The work of fruit culture was carried on in the Government Botanical Gardens, the Central Fruit Nursery at the Lal-Bagh and in the Experimental Orchard at Krishnarajasagar. A large number of fruit plants, chiefly apple, orange, grape fruit, lemon and grape-vine were import- d from Australia and were supplied to fruit growers.

Scientific Work.—Numerous plants of botanical and horticultural interest were roduced. The spraying staff visited 127 gardens and treated 34,384 plants for ious pests and diseases, as against 163 and 44,691 during the previous year; ile 190 varieties of flower seeds and 76 varieties of vegetable seeds were tested germination.

Fruit Scheme.—The scheme for opening a Fruit Research Station near Bangalore which had been submitted to the Imperial Council of Agricultural Research, Delhi, for financial aid was passed by the Advisory Board and a sum of Rs. 46,000 was recommended for research work on apples, pineapples and miscellaneous fruit crops. Sanction of the Government of India to the scheme is awaited.

Exhibitions and Shows.—The Department participated as usual in the All-India Dasara Agricultural and Industrial Exhibition held at Mysore. Two Horticultural Shows were held as usual; and a Garden Competition was also held on 31st July 1934. The Horticultural Farm exhibited in the half-yearly Horticultural Shows at Lal-Bagh, a varied collection of vegetables which was much appreciated by the public. The total receipts and expenditure of the shows amounted to Rs. 1,374-12-0 and Rs. 2,578-5-2 as against Rs. 1,552-11-3 and Rs. 2,975-7-11, respectively during the previous year.

Special Schemes.—The wasteland plantation at Tumkur was handed over to the Forest Department and the temporary staff was disbanded.

Nandi Hill Station.—The Hill Station continued to be popular. The electrification of the Station was sanctioned by Government. The provision of additional facilities was also sanctioned for making it more attractive and popular.

Horticultural Farm.—A large number of persons visited the Farm and were given information on the culture of vegetables and fodder crops. The income and expenditure of the Farm was Rs. 10,421-2-2 and Rs. 6,988-0-3, resulting in a net profit of Rs. 3,433-1-11.

Government are glad to note the improvement in the income of the Farm. The Superintendent is requested to expedite submission of the proposals called for in G. O. No. E. 2205-65—G. G. 33-34-2, dated 13th February 1935, for improving the position of the Farm.

Maintenance and Improvement of Gardens.—The Lal-Bagh at Bangalore, the gardens at Krishnarajasagar and the various parks and gardens at Bangalore, Mysore, Seringapatam and on the Nandi Hills were maintained in a satisfactory condition.

Expenditure.—The total expenditure of the Department of Horticulture including the different sections controlled by it during the year was Rs. 1,52,353-13-10.

A. V. RAMANATHAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

Reviews the report on the Administration of the Excise Department for the year 1934-35.

READ—

Letter No. B3-Per. 50-1—34-35, dated 17th October 1935, from the Excise Commissioner in Mysore, submitting the report on the Administration of the Excise Department for the year 1934-35.

ORDER NO. FL. 4689-99—EX. 37-35-5, DATED BANGALORE,
THE 2ND DECEMBER 1935.

Recorded.

2. *Important Changes.*—(1) The Government Central Distillery at Bangalore was closed in May 1935, and the manufacture of spirits was carried on thereafter at the Distillery of the Mysore Sugar Company, Ltd. at Mandya.

(2) The Mysore Sugar Company, Ltd. were authorised to conduct experiments on the possibility of using power alcohol as motor fuel.

3. *Country Spirits.*—The total quantity of spirits manufactured during t year was 237,166 gallons as against 203,203 gallons in 1933-34. Of the quant manufactured, 149,349 gallons (as against 166,296 gallons in the previous ye were issued to Depots and Institutions in the State, and 34,943 gallons (as agai 39,487 gallons) were supplied to the Civil and Military Station, Bangalore.

4. *Arrack.*—There was a further fall of 21,614 gallons in the consumption of rrack during the year, the quantity consumed being 137,006 gallons as against 158,620 gallons in the previous year. The incidence of consumption per head of population was 1·09 drams as against 1·2 drams. The fall is ascribed to adverse economic conditions and the reduced earnings of the drinking classes. The decline must, in some measure be attributed also to illicit distillation which, as the Excise Commissioner points out, is showing a tendency to spread into maidan areas.

5. *Shops.*—There were 529 arrack, 1,956 toddy (date), 251 ganja and 88 opium shops during the year as against 528, 1,959, 248 and 88 shops, respectively during 1933-34.

There was one arrack shop on the average for every 55·7 square miles as against 55·8 square miles in 1933-34.

6. *Toddy.*—The number of trees tapped decreased to 224,974 from 232,846 in the year previous. The total realisations from this source amounted to Rs. 31,60,849 as against Rs. 32,43,051.

7. *Ganja.*—A plot of 30 acres in Goribidnur Taluk was under ganja cultivation, the yield therefrom amounting to 14,932 seers during the year as against 7,791 seers on 20 acres in the year previous. The total revenue under this head amounted to Rs. 4,20,454 as against Rs. 4,19,330 of last year. In view of the decline in the consumption of ganja and the increase of stocks in the Central Ganja Stores, the Excise Commissioner considers that the area under cultivation might be reduced. His proposals in this matter will be awaited.

8. *Excise Offences.*—The excise offences booked during the year showed an increase from 4,328 cases in 1933-34 to 4,714 in the year under review. Out of these, 769 were heinous offences as against 783 in the preceding year. The largest number of illicit distillation cases, *viz.*, 278 occurred in the Shimoga District.

9. *Financial Results.*—The total demand including arrears amounted to Rs. 57,15,959 as against Rs. 59,86,124 in the year 1933-34. A sum of Rs. 55,63,664 was collected, Rs. 12,984 were remitted during the year, leaving a closing balance of Rs. 1,39,311.

10. The administration of the Department during the year was, on the whole, satisfactory.

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

Reviews the Administration Report of the Department of Geology for the year 1934-35.

READ—

Correspondence ending with letter No. 9118-25, dated 3rd October 1935, from the Director of Geology, submitting a detailed report on the working of the Department of Geology during the year 1934-35.

ORDER No. D. 3695-03—GEOL. 40-35-4, DATED BANGALORE,
THE 6TH DECEMBER 1935.

Recorded.

2. Mr. A. M. Sen, M.SC., F.G.S., continued to be in charge of the Department almost the whole year under review.

3. *Mining and Prospecting.*—The following statement shows the number of leases, licenses and certificates of approval current during the year as compared with those in the previous year:—

		1933-34.	*1934-35.*
1.	Mining leases ...	... 36	36
2.	Prospecting licenses ...	... 12	15
3.	Collecting licenses ...	... 5	3
4.	Exploring licenses ...	... Nil	3
5.	Certificates of approval ...	... 11	20
	Total	... 64	77

The total area covered by mining leases and prospecting licenses during th year was 23,690 acres 16 guntas as against 23,099 acres 35 guntas in the previo year. The total rent and cesses recovered in respect of mining and prospectin blocks amounted to Rs. 14,401-3-3 against Rs. 14,392-1-6.

4. *Gold and Silver.*—As in the previous year, 21 mining leases were curren for gold, all of them being in the Bowringpet Taluk, Kolar District. Mining opera-tions were carried on by four companies on the Kolar Gold Field.

5. *Other Minerals.*—The following statement shows the output and other particulars relating to minerals, other than gold and silver produced in the State during the year 1934-35:—

Mineral	Number of mining leases or prospecting licenses current	Output	Removal from blocks	Royalty		
		Tons	Tons	Rs.	a.	p.
1. Chromite ...	10 Mining leases ...	6,354·57	10,551·00 (from stock)	8,051	10	0
2. Kaolin ...	2 Mining leases and 5 Prospecting licenses.	2,757·70	2,757·70	2,261	2	0
3. Kyanite ...	3 Prospecting licenses ...	Nil	Nil	Nil		
4. Magnesite ...	3 Mining leases ...	3,088·82	5,128·0 (from stock)	2,148	15	0
5. Manganese ...	3 Mining leases and 2 Prospecting licenses.	223·6	112·85	70	8	6
6. Quartzite (Green).	2 Prospecting licenses ...	2	2·13 (from stock)	21	5	0
7. Red Earth ...	From M. L. areas held by the Nundydroog Mines., Ltd.	9,464 C. ft.	9,464 C. ft.	41	7	0
8. Slatestone ...	1 Prospecting license ...	31 tons	31 tons	38	12	0
9. Soapstone ...	3 Collecting licenses ...	82 tons	82 tons	111	4	0

6. *Mining work by Departmental Agency.*—Owing to an improvement in the demand for chrome ore, the mining work at Byrapur was carried on briskly and 7,717 tons of chrome ore were won during the year against 5,845 tons during the previous year. A quantity of 8,150 tons (including the balance of the last year's stock) was sold. The collection of pebble ore was continued in the Talur mine, the total quantity collected being 550 tons.

There was no mining of magnesite during the year. 145·15 tons of graphite were mined for supply to the Mysore Iron Works and the Pencil Factories at Bowringpet. Seventy-one tons of refractory clay, 641·83 tons of kaolin, 51 tons of felspar and 34 tons of white quartz were mined and supplied to the Government Porcelain Factory. The Mysore Iron Works mined 34,642 tons of iron ore, 729 tons of manganese ore and 3,501 tons of limestone during the year for use in the Blast Furnace.

7. *Geological Survey.*—The following areas comprising about 470 square miles were examined:—

(1) Sixty square miles in parts of the Hole-Narsipur Taluk, to ascertain the mode of origin and extent of the Kyanite-Staurolite schists and the asbestos bearing rocks.

(2) One hundred and seventy square miles in parts of Harihar, Honnali, Shikarpur and Shimoga Taluks, to classify and correlate the iron ores and limestone formations.

(3) Twenty square miles near Sivapur, Tarikere Taluk, to determine the nature and origin of the conglomerates.

(4) Twenty square miles in the vicinity of Closepet, to ascertain the causes for and the extent of variations in the granitic rocks of the area.

(5) Two hundred square miles in parts of Hoskote, Chikballapur, Sidlagha and Devanhalli Taluks to study the mode of occurrence and origin of the later masses of the areas.

8. *Mineral Survey and Prospecting.*—Investigations were conducted in re to—

Building and Ornamental Stones.

(1) the possibility of utilising—

(*a*) slaty schist available near Guyilal, Hiriyur Taluk and other si deposits as ordinary paving slabs, and

(b) the use of green fuchsite quartzites located near Bikonhalli and Saulanga in the Shimoga District, for ornamental stoneware.

In connection with the investigations for purposes of setting up stoneware and ceramic industries in the State, some of the clay deposits near Bangalore and Hoskote Taluks were examined. Clays.

9. *Geological and Chemical Laboratories.*—One hundred and eighty-four samples were analysed and 766 constituents determined for the Department and the public during the year.

Three hundred and forty-five micro sections were prepared in the Geological Laboratory for the Department and the public and 60 enquiries were attended to.

10. *Special Schemes.*—A special programme has been prepared for the investigation and location of suitable raw materials for developing ornamental building stones, ceramic and stoneware industries in the State and sanction has since been accorded to the entertainment of two temporary Field Assistants to cope with the additional work.

11. *Mining Revenue.*—The total demand in respect of the revenue of the Department under mining revenue (other than Royalty on Gold) and Geological receipts was Rs. 1,65,635-8-8 and practically the whole amount was collected.

12. *Conclusion.*—The work of the Department during the year under review was satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Administration Report of the Department of Mines and Explosives for the year 1934-35.

READ—

Letter No. 536, dated 14th September 1935, from the Chief Inspector of Mines and Explosives in Mysore, submitting the Administration Report of the Department of Mines and Explosives for the year 1934-35.

ORDER NO. D. 3724-38—GEOL. 39-35-3, DATED BANGALORE,
THE 7TH DECEMBER 1935.

Recorded.

2. *Constitution of the Department.*—Mr. C. E. Suryanarayana Rao continued to be in charge of the Department throughout the year.

3. *Gold Mining.*—The four companies, *viz.*, (1) Mysore, (2) Champion Reef, (3) Oorgaum, and (4) Nundydroog, continued to carry on mining operations on the Kolar Gold Field. The total quantity of fine gold and silver produced during the year was 321,133·184 ozs. and 25,491·22 ozs. respectively, against 335,773·929 ozs. and 26,172·05 ozs. during the previous year. Their total value amounted to £ 2,211,289-19-8 against £ 2,087,416-13-8 during the previous year, the increase in value being due to the higher price obtaining for gold. The total amount paid in dividends during the year was £ 504,621-10-0 against £ 492,338-12-0 in 1933, showing an increase of £ 12,282-18-0. The total dividends paid during the year by all the companies amounted to 33·34 per cent of their paid-up capital, the corresponding figure for 1933 being 32·52 per cent. The royalty payable to Government on gold and silver won and on the dividends or "adjusted profits" during the year amounted to £ 188,377-1-11 against £ 116,108-15-4 (revised) in 1933, the increase being due to the revised terms of the lease which came into force from 1st January 1934. The total demand for the year under royalty on gold and silver was Rs. 19,64,201-8-0 (including the previous year's balance of Rs. 3,47,184-6-0) against Rs. 18,60,854-10-0 in the previous year and the collections during the year amounted to Rs. 15,84,752-12-0 leaving a balance of Rs. 3,79,448-12-0. The total quantity of fine gold produced from the commencement of mining operations in amounted to 17,909,069·895 ozs. of the total value of £ 79,512,815-12-3, the ends paid to share-holders and the amount of royalty paid to Government were 3,930,100-1-2 and £ 4,277,478-17-0 respectively.

4. *Position of the Mines.*—The estimated total tonnage of ore reserves in all the s at the end of the year 1934, was 1,411,096 as against 1,344,225 in the previous Two of the mines have reached vertical depths of over 7,600 feet below field n as against 7,400 feet in the previous year. It is reported that all possible autions are being taken to maintain an adequate quantity of fresh air in circula-

tion throughout the underground workings. The Central Mine Rescue Station consisting of 145 persons is having regular practice in rescue work in case of fire accidents and the units are maintained in an efficient condition to meet emergencies. The organisation to train the workmen to render "First Aid" is also making satisfactory progress.

5. *Inspection of Mines.*—All the mines on the Kolar Gold Field were systematically inspected by the Department during the year. No serious defects or lapses of the mining rules were reported. The annual inspection of the accounts of one of the Gold Mining Companies, *viz.*, the Nundydroog Mine, was carried out by the Comptroller to Government in association with the Chief Inspector of Mines and Explosives. Some of the mines outside the Kolar Gold Field were also inspected during the year.

6. *Mining Labour.*—The total number of persons employed in the mining industry in the year 1934, was 22,640 as against 21,340 in the previous year. Of these, 21,514 were employed in Gold Mining against 20,263 in 1933.

7. *Welfare Work.*—The welfare work on all the four mines is said to be making steady progress. The most important items of work undertaken during the year were the laying out of concrete or brick-lined drains in the cooly lines, provision of special maternity houses for expectant mothers to provide for confinements under hygienic conditions and the planting of shade trees in Workmen's Lines.

8. *Mining Accidents.*—The total number of accidents that occurred during the year was 336 against 284 in the preceding year. Of these, 46 were fatal, 280 serious and 10 non-mining. The total number of fatal and serious accidents was therefore 326, which works out at the rate of 14·40 per 1,000 persons employed, against 275 accidents or 12·89 per 1,000 persons during the previous year. Enquiries were instituted by the Department into all these accidents. In the 46 fatal accidents, 56 persons were either killed or died from the result of injuries received, giving a mortality of 2·47 per 1,000 persons employed, against 2·53 during the previous year. There were 10 accidents due to rockbursts resulting in 15 deaths and 18 accidents due to falling in shafts, stopes, etc. It is seen that the total number of accidents during the year was greater than in 1933. All possible action is being taken by the Mining Companies to minimise the number of accidents as far as possible.

9. *Compensation for Accidents.*—During the year, 126 claims for compensation comprising 47 fatalities, 3 permanent total disablement and 76 permanent partial disablement, arose from accidents in the mines on the Kolar Gold Field, and the compensation awarded under all the above heads amounted to Rs. 62,895-11-0 against Rs. 56,892-12-0 paid in the previous year. Compensation amounting to Rs. 22,762-5-0 was also paid in cases of temporary disablement against Rs. 22,562 in the previous year.

10. *Prosecutions.*—There were 24 prosecutions during the year in respect of theft and illegal possession of mining material, involving 31 persons, of whom 26 were convicted against 44, 69 and 56, respectively during the previous year. Thirty-six prosecutions were also launched for breaches of the Mysore Mines Regulations. Seven persons were prosecuted in connection with the accidents during the year and all of them were convicted.

11. *Explosives Section.*—Seven hundred and forty-two licenses (8 by Government and 734 by District Magistrates) were issued under the Mysore Explosives Rules during the year, against 612 during 1933. All the main and subsidiary magazines covered by licenses granted by Government were inspected by the Officers of the Department and their condition was found to be satisfactory. The total number of inspections of explosives premises carried out during the year by the magisterial and police officers was 572 against 487 during the previous y showing an increase of 85 inspections. There were 57 accidents due to explo involving the death of 22 persons and injuries to 65 others against 35; 13 an respectively during the previous year.

12. *Petroleum.*—Under the Mysore Petroleum Rules, 153 licenses were is during the year against 157 during the previous year. The total quantit dangerous petroleum and kerosene imported into the State during the calendar 1934, were 1,588,205 and 3,907,794 gallons, respectively, against 1,541,712

4,137,703 gallons during 1933. No accident from petroleum was reported during the year.

13. *Carbide of Calcium Rules.*—Five licenses under the Carbide of Calcium Rules were granted during the year.

14. *Conclusion.*—The working of the Department continued to be satisfactory during the year.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Sanctions sale of Patta Books on requisitions accompanied by Treasury Chellans at the Government Book Depot, and accepts the recommendation of the Revenue Commissioner, for sale of Patta Books at District and Taluk Treasuries.

READ—

Government Order No. G. 5811-14—P. & S. 24-34-2, dated 12—13th December 1934, passing orders on the stocking and sale of Patta Books by Shanbhogs, Stamp Vendors and Agents for the sale of Government publications.

2. Government Order No. G. 9408-11—P. & S. 24-34-4, dated 18th April 1935, approving of the proposal to transfer the stock of Patta Books to the Government Book Depôt and to send all requisitions for them to the Book Depôt for disposal.

3. Letter No. F. 3949, dated 27th April 1935, from the Superintendent, Government Book Depôt, stating that it is inconvenient to sell the Patta Books on credit system and proposing that he may be permitted to comply only with the requisitions received from the agencies referred to in the Government Order dated 13th December 1934 read above, when they are accompanied by treasury chellans in support of the credit of the cost of Patta Books to the Treasury.

4. Un-official Notes Nos. D(1) Dis. 2202—34-35 and Dl. Dis. 577—35-36, dated 28th June and 4th October 1935 of the Revenue Commissioner agreeing with the Deputy Commissioners of Districts in their opinion that the Patta Books may be stocked in the District and Taluk Treasuries in addition to the Government Book Depôt for supply on indents for cash to the several agencies referred to above, the treasuries being required to maintain accounts similar to those maintained in respect of stamps.

ORDER NO. G. 4142-53—P. & S. 24-34-6, DATED BANGALORE, THE 26TH NOVEMBER 1935.

The proposal of the Superintendent, Government Book Depôt, to sell Revenue Patta Books to the several agencies for the sale of Government publications on requisitions accompanied by treasury chellans is approved.

In addition to the agencies for the sale of Revenue Patta Books noted in the first of the Government Orders read above, the District and Taluk Treasuries are also authorised to stock and sell them to the parties direct, as recommended by the Revenue Commissioner, the accounts in this behalf to be maintained by the treasuries being as in the case of stamps and stamp papers.

ORDER NO. G. 4563-4—P. & S. 21-35-4, DATED BANGALORE, THE 5—6TH DECEMBER 1935.

Recorded.

2. *Superintendence.*—Mr. B. Srinivasa Iyengar was in charge of the Stationery Depot throughout the year.

3. *Value of Stock.*—The year opened with a stock of the value of Rs. 1,23,078 and new stock valued at Rs. 1,34,039 was either purchased or received from the Press and other offices, bringing the total value of the materials to Rs. 2,57,117; supplies of the value of Rs. 1,42,877 were made during the year to the several offices in the State, as against Rs. 1,30,714 in the year previous.

4. *Purchases.*—The total value of the articles purchased during the year was Rs. 1,22,413 as against Rs. 1,16,087 in the previous year. Out of the total purchases, articles worth Rs. 4,550 were manufactured in Mysore, while the value of articles of Indian manufacture amounted to Rs. 75,057 as against Rs. 3,894 and Rs. 72,974, respectively in the previous year.

5. *Expenditure.*—The expenditure of the Stationery Depot on establishment and contingencies amounted to Rs. 7,668 against Rs. 7,795 in the previous year.

6. *Supply of Stationery Articles and Forms.*—There were large number of indents for increased supply of stationery from several offices, which were complied with, and in addition, forms and registers required for work connected with the Record of Rights were printed without exceeding the grant. To reduce the inconvenience caused by the restricted supply of stationery articles under the operation of the economy rules, orders were passed increasing the supply of essential articles of stationery from 50 per cent to 75 per cent with effect from 1935-36.

7. *Inspection.*—The inspection of the stock of forms and stationery articles in Government offices by the Superintendent, Government Printing, was revived during the year. The Superintendent inspected 57 offices during the year as a result of which it was possible to effect several economies and to remove certain defects in the maintenance of accounts of stationery in the offices.

8. The working of the Department was satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

FINANCIAL SECRETARIAT

Passes orders in the matter of preserving Savings Bank Pass Books of closed accounts.

READ—

Correspondence ending with letter No. S. B. 232, dated 14th November 1935, from the Comptroller to Government, in the matter of preserving of Savings Bank Pass Books of closed accounts and suggesting that, in future, the used up books may be tacked on to the continuation ones in use for a period of two years.

ORDER No. FL. 4710-70—G. F. 98-35-4, DATED BANGALORE,
THE 3RD DECEMBER 1935.

1. Approved. The used up book should show clearly that it is completed and carried over to a new book so that there may be no risk of its being used independently.

2. The Comptroller is requested to amend Rule 32 of the Savings Bank Rules suitably.

PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Orders the discontinuance of the scheme of Collection and Storage of Fodder by the Forest Department every year for sale to raiyats at cost price in seasons of distress.

READ—

Government Order No. R. 4467-70—R. M. 20-29-51, dated 11th February 1931, directing the collection and storage of fodder by the Forest Department every year for sale to raiyats at cost price in seasons of distress and placing an advance of Rs. 5,000 at the disposal of the Department for the purpose.

2. The marginally noted orders directing the wiping off and adjustment of the deficits incurred in the collection and supply of hay to raiyats in affected parts during seasons of distress.

1. G. O. No. R. 5500-02—R. M. 47-31-2, dated 19th May 1932.
2. G. O. No. G. 7206-8—Ft. 94-32-4, dated 3rd April 1933.
3. G. O. No. R 6451-3—R. M. 78-33-2, dated 30th June 1935.

3. Government Order No. R. 4214-16—R. M. 47-34-4, dated 27th February 1935, sanctioning an advance of Rs. 10,700 to the Forest Department for the collection of hay and also the purchase of a Power Press for Rs. 3,000 for pressing the hay into bales.

4. Extract from the proceedings of the meeting of officers held at Mysore in October 1935 on the subject.

ORDER No. R. 3769-80—R. M. 19-35-4, DATED BANGALORE, THE 10—11TH DECEMBER 1935.

With a view to afford relief to the raiyats in seasons of distress when there is fodder scarcity, Government directed in their Order of 11th February 1931 read above, that the collection and storage of hay should be a normal feature of the Forest Department every year so that the fodder so collected and stored may be made available to the raiyats at cost price when they felt the need for the same. A sum of Rs. 5,000 was sanctioned as an advance for the purpose and action was taken by the Forest Department to collect and store the hay. The hay so collected was made available to the raiyats in the affected tracts during the distress of 1931-32 and a further sum of Rs. 2,000 was also sanctioned for wiping out the loss incurred by the transaction.

A similar need was felt during the year 1934-35 and a sum of Rs. 10,700 was placed at the disposal of the Forest Department for the purpose of collection and storage of hay and a further sum of Rs. 3,000 for the purchase of a Power Press for pressing the hay into bales. The hay so collected was ordered to be sold to the raiyats in the distress areas at concession rates. Fodder depots were accordingly opened in some of the localities, but the results achieved have not been encouraging.

This was brought to notice by the Revenue Commissioner at the Officesr' meeting held at Mysore on 7th October 1935 and it was generally agreed that the scheme of collecting and storing fodder every year had not proved successful and there was therefore no necessity to keep it in operation. Government agree with the Revenue Commissioner and direct in modification of the orders read above that no action need be taken every year for the collection and storage of hay in future. The stock now on hand should be disposed of to the best advantage and the proceeds credited to the Treasury. Such action as may be called for will be taken when there is fodder scarcity during seasons of distress.

A. V. RAMANATHAN,
Chief Secretary to Government.

DEVELOPMENT SECRETARIAT

Appointment of Non-Official Members of the Stores Purchase Committee.

READ—

Government Order No. G. 6919-27—G. M. 108-34-2, dated 21st January 1935, nominating *Rao Bahadur* B. K. Garudachar and *Rao Saheb* A. M. Thangavelu Mudaliar as non-official members of the Stores Purchase Committee.

ORDER NO. G. 4872-82—G. M. 102-35-2, DATED BANGALORE,
THE 7—13TH DECEMBER 1935.

Government are pleased to renominate *Rao Bahadur* B. K. Garudachar and *Rao Saheb* A. M. Thangavelu Mudaliar, as non-official members of the Stores Purchase Committee for a further period of one year from 1st December 1935.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

Reviews the Report on the working of the Government Presses and allied Offices, the Mysore Gazette Office and the Office of the Registrar of Authorised Publications for the year 1934-35.

READ—

Report on the working of the Government Presses at Bangalore and Mysore, the *Mysore Gazette* Office, the Government Central Book Depôt, and the Office of the Registrar of Authorised Publications in Mysore for the year 1934-35, received from the Superintendent, Government Printing, with his letter No. P. 510, dated 15th August 1935.

ORDER NO. G. 4931-3—P. & S. 22-35-4, DATED BANGALORE,
THE 13—16TH DECEMBER 1935.

Recorded.

2. *Superintendence.*—Mr. B. Srinivasa Iyengar was confirmed as Superintendent, Government Printing and Stationery and other allied offices, with effect from

1st June 1934 and he continued to be in charge throughout the year. Mr. B. Krishnaswamy Chetty, Sub-Assistant Superintendent, was appointed Assistant Superintendent from 2nd October 1934 and he was in charge of the Government Branch Press at Mysore during the year.

3. *Plant and Stores.*—The total value of plant in the Central Press at Bangalore was Rs. 2,32,103 at the close of the year after allowing for depreciation and Rs. 56,240 in the Branch Press at Mysore. The total value of stores of a miscellaneous nature was Rs. 16,823 in the Central Press, and out of this, articles worth Rs. 9,688 were consumed during the year. The cost of paper supplied for printing by the Stationery Depôt was Rs. 64,261 as against Rs. 60,927 in the previous year.

4. *Expenditure*—The expenditure on the Central Press and on the Branch Press during the year amounted to Rs. 1,35,099 and Rs. 30,676 as against Rs. 1,56,392 and Rs. 31,097 respectively, in the previous year.

5. *Outturn of Work.*—The outturn of work in the two Presses was 73,993 pica foolscap pages composed, 29,277,842 impressions printed, and 896,121 books bound as against 73,947 pica foolscap pages composed, 29,185,597 impressions printed, and 937,308 books bound in the previous year. The Branch Press at Mysore executed works for the Mysore University, the Railways, the Electrical and other Departments of the value of Rs. 49,342 and printed school books for the Education Department of the value of Rs. 9,830.

6. *The Mysore Gazette.*—There was considerable reduction both in the cost of paper and charges for printing the Gazette. The cost was reduced from Rs. 51,000 in the previous year to Rs. 43,842 in the year under review, while there was a slight increase in the total receipts from various sources, *viz.*, from Rs. 10,020 in the previous year to Rs. 11,852 in the year under report, due to larger realisations under subscriptions and publication charges. The receipts work up to 27·03 per cent of the outlay, against 19·65 per cent in the year previous.

7. *Registration of Books.*—The number of books and periodicals registered during the year was 322 against 303 in the previous year. Of these, 133 were in Kannada. Copy-right was secured on 74 books as against 75 books in the year previous.

8. *The Government Central Book Depôt.*—The retail sales of the Departmental publications were made through 77 Agencies and 76 Branch Depôts as against 88 Agencies and 84 Branch Depôts in the previous year. The official publications were continued to be sold in retail in the Central Book Depôt and through 16 Agencies at the District Headquarters. The net amount realised at the Depôt—the Agencies and the Branch Depôts was Rs. 34,171 against Rs. 35,791, in the year previous. The establishment charges and the contingencies amounted to Rs. 4,835 against Rs. 5,163 in the previous year.

9. *General.*—The scales of pay of the Sub-Assistant Superintendent of the Government Press and the Stationery Depôt were revised during the year. Vocational classes in printing and book-binding for the High School classes in Bangalore and Mysore, the Printing School for imparting technical instruction to the employees of the Press and the General Education School conducted by the Education Department for the younger employees of the Press, continued to do satisfactory work during the year.

10. *Revision of the Hours of Work in the Presses.*—For the convenience of the employees of the Press, the working hours of the Presses at Bangalore and Mysore were revised as a tentative measure for a period of one year. The revised hours of work are: on week days other than Saturday from 10 A.M. to 5-45 P.M.; on Saturdays from 10 A.M. to 5-15 P.M.; with half hour's interval from 2 to 2-30 P.M.

11. The work of the Presses and the allied offices continued to be satisfactory.

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

PART II

APPOINTMENTS, POSTINGS, TRANSFERS, LEAVE, POWERS AND OTHER PERSONAL NOTICES

CIVIL APPOINTMENTS

CHIEF SECRETARIAT

No. P. 2431—*Cts.* 28-35-18, *dated* 8—10*th October* 1935.

Under Article 171 of the Mysore Service Regulations, Mr. V. Venugopal Mudaliar, B.A., LL.B., Second Grade Munsiff, doing duty as Second City Magistrate, Bangalore, is granted privilege leave of absence for two months from the 9th October 1935 or from the date of availing.

Mr. D. Srinivasachar, B.A., B.L., Clerk, High Court, acting as Second Munsiff, Mysore, is appointed to act as Second Grade Munsiff and posted to the charge of the Second City Magistrate's Court, Bangalore, *vice* Mr. V. Venugopal Mudaliar.

No. P. 2604—*Cts.* 83-35-2, *dated* 9—15*th October* 1935.

Under Sections 4A and 4B of the Mysore Civil Courts Regulation, 1883, as amended by Regulation VII of 1926, it is hereby ordered that from the 1st day of November 1935, there shall be two Munsiffs of the Court of the Munsiff of Kolar. From the said date, Mr. M. Sadasivayya, acting Munsiff, shall act as Principal Munsiff of the Court and the Second Magistrate of Kolar shall be *Ex-officio* Additional Munsiff of the Court.

No. 787—*C. B.* 61-35-2, *dated* (*Camp*) *Mysore*, 10*th October* 1935.

Mr. G. Sundara Rao, B.A., Acting Senior Assistant Commissioner, doing duty as Temporary Additional First Class Magistrate, Kolar Gold Fields, is, in addition to his present duties, posted to the charge of the Special First Class Magistrate's Court, Kolar Gold Fields, *vice* Mr. M. Abdul Hukh, B.A., appointed Acting Deputy Commissioner.

No. L. 5—*Ml.* 12-35, *dated* (*Camp*) *Mysore*, 11*th October* 1935.

Under Article 171 of the Mysore Service Regulations, Mr. M. A. Ramanujam, B.A., C.E., Assistant Engineer, Bangalore City Municipality, is granted privilege leave of absence from the date of availment to the 23rd December 1935 inclusive, with permission to utilise the succeeding Christmas and New Year Holidays.

No. R. 45—*L. R.* 11-35, *dated* (*Camp*) *Mysore*, 13*th October* 1935.

The following officers are appointed Special Deputy Amildars for attending to the work relating to mutation cases in the Bangalore, Tumkur and Mysore Districts, in accordance with Government Order No. R. 1616-7—L. S. 18-34-34, dated 13th September 1935 :—

(1) Mr. M. Chinna Reddi, Clerk, District Judge's Court, Bangalore.

(2) Mr. H. K. Hanumantha Rao, Revenue Head Accountant, Bangalore District Office.

(3) Mr. B. K. Seshagiri Rao, First Division Clerk, Revenue Commissioner's Office.

This cancels the appointment of Mr. H. K. Hanumantha Rao, as Assessing Officer already ordered in Government Notification No. L. 2299—Ml. 173-34-12, dated 30th September 1935.

No. 848—*C. B.* 21-35-6, *dated* (*Camp*) *Mysore*, 14*th October* 1935.

The following correction may be made in Government Notification No. 766—C. B. 21-35-5, dated the 6th October 1935, sanctioning certain promotions and confirmations in the cadre of District Judges :—

Against Mr. C. Abdul Ghani, in column 3—

For—

"(*b*) District Judge, II Class Provisionally Permanent and I Class, Acting. ... From 18th June 1935, *vice* Mr. M. Rama Rao, O.O.D."

Substitute—

"(*b*) District Judge, III Class Permanent, II Class Provisionally Permanent, and I Class Acting. ... From 18th June 1935, *vice* Mr. M. Rama Rao, confirmed in II Class and on other duty."

No. 856—*C. B.* 48-35-4, *dated* (*Camp*) *Mysore*, 14*th October* 1935.

Mr. Abdulla Hussein Sheriff, B.A., acting Assistant Commissioner doing duty as District Survey Officer, Tumkur, is granted privilege leave of absence for two months and fifteen days with effect from the date of relief.

Mr. B. Siddaraj Urs, Amildar, Gundlupet Taluk, is appointed to act as Assistant Commissioner and posted to the Department of Land Records, Survey and Settlement, *vice* Mr. Abdulla Hussein Sheriff. [The posting of Mr. B. Siddaraj Urs to Bangalore Sub-Division ordered in Government Notification No. 607—C. B. 52-35-2, dated 19th September 1935, is cancelled.]

No. R. 2323—*L. R.* 11-35-63, *dated* 15*th October* 1935.

The leave granted to Mr. B. P. Saraf, B.A., LL.B., Amildar, in Government Notification No. R. 970—L. R. 11-35-24, dated 9th August 1935, is further extended by furlough on full average salary till 2nd November 1935 with permission to utilise Sunday the 3rd November 1935.

No. P. 2625—*Cts.* 28-35-20, *dated* 15—16*th October* 1935.

Under Article 171, Mysore Service Regulations, Mr. V. Kandaswamy Pillai, Munsiff, First Grade, under orders of transfer from the First Magistrate's Court, Shimoga, to the Munsiff-Magistrate's Court, Hunsur, is granted privilege leave on full pay for one month in continuation of joining and preparation time from the date of relief by Mr. C. B. Nagabhushana Rao, *i.e.*, from 10th October 1935.

Messrs. K. V. Nanjappa and T. Kempiah whose transfers have been notified in Notification No. P. 1759—Cts. 38-35-5, dated 10th September 1935 will continue at Hunsur and Tarikere respectively until Mr. V. Kandaswamy Pillai returns from leave.

Mr. R. P. Vasudeo is re-appointed to act as Munsiff, Second Grade, *vice* Mr. Kandaswamy Pillai on leave and posted to the charge of the Munsiff-Magistrate's Court, Hole-Narsipur. This will supersede the arrangement ordered in the 2nd para of Notification No. P. 2013—Cts. 28-35-14, dated 20th—23rd September 1935.

By Order,
K. V. ANANTARAMAN,
Chief Secretary to Government.

GENERAL SECRETARIAT

No. 841—*C. B.* 63-35-2, *dated* (*Camp*) *Mysore*, 14*th October* 1935.

Under Articles 147 (*b*) and 182 (*b*) of the Mysore Service Regulations, Mr. D. Srinivasa Char, M.A., Professor of Sanskrit, Maharaja's College, Mysore, and Curator, Government Oriental Library, Mysore, was granted privilege leave on half pay for six days with effect from 19th September 1935.

By Order,
H. V. RAMASVAMI,
Secretary to Government,
General Department.

PART II

CHIEF SECRETARIAT

No. 919—*C. B.* 57-35-3, *dated* 21*st October* 1935.

In permitting *Rajamantrapravina Diwan Bahadur* K. Matthan, B.A., First Member of Council, to retire from service on the expiry of the privilege leave for two months and twenty-seven days granted to him with effect from 21st October 1935, His Highness the Maharaja wishes to place on record his high appreciation of the valuable services rendered by him to the State during an official career extending over 38 years. Joining the Mysore Civil Service in October 1897, Mr. Matthan served in various capacities as Assistant Commissioner, Under Secretary to Government, Deputy Commissioner, Food Controller, Chief Secretary to Government and Director of Public Instruction, and finally rose to the high office of Member of Council in 1928. He has also rendered valuable service as Chairman of the Board of Management of the Mysore Iron Works since September 1933. His work in all the offices held by him was characterised by great ability, thoroughness, a high sense of duty and a clear grasp of details. In appreciation of his services, His Highness the Maharaja was pleased to confer on him the distinction of "*Rajamantrapravina*" in the Dasara Durbar of 1928 and the Government of India awarded him the title of "*Diwan Bahadur*" in June 1933.

In his retirement from active service, Mr. Matthan carries with him the best wishes of His Highness the Maharaja and His Highness hopes that he may long be spared to enjoy the leisure to which he is so well entitled and to render further service to the State.

By Order,
K. V. ANANTARAMAN,
Chief Secretary to Government.

GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE.

Simla, the 20*th October* 1934.

RESOLUTION—TARIFFS.

The Government of India have received representations from certain woollen mills in India requesting that protection may be extended to the woollen industry. In pursuance of paragraph 3 of the Resolution of the Government of India, Department of Commerce, No. 3748, dated the 10th July 1923, the Government of India have decided that the claims of the industry should be the subject of an enquiry by the Tariff Board.

2. In making its enquiry the Tariff Board will be guided by the principles laid down in the Resolution adopted by the Legislative Assembly on February 16th, 1923, and will consider—

(*a*) whether the conditions laid down in paragraph 97 of the Report of the Indian Fiscal Commission are satisfied in the case of the woollen textile industry in India ; and

(*b*) in what form, to what extent and in respect of what articles or class or description of articles protection should be given.

3. The Board will also take into account other relevant considerations including those stated in parts (*b*) and (*c*) of the Resolution adopted by the Legislative Assembly on the 16th February 1923, and, further, will consider how its recommendations, if any, will affect industries using woollen yarn or any other article made of wool.

4. Firms or persons interested who desire that their views should be considered by the Tariff Board should address their representations to the Secretary to the Board, Town Hall, Bombay.

No. D. 4129—*I. & C.* 68-34-9, *dated* 21*st December* 1934.

The undermentioned Notification by the Government of India, Department of Commerce, is republished for general information.

DEPARTMENT OF COMMERCE.

Notification.

TARIFFS.

TARIFF VALUATIONS.

New Delhi, the 3rd November 1934, No. 73-T. (24)—34.—In exercise of the powers conferred by Section 3 of the Indian Tariff Act, 1894 (VIII of 1894), the Governor-General in Council is pleased to direct that the following further amendment shall be made in the Notification of the Government of India in the Department of Commerce, No. 73-T. (9)—33, dated the 16th December 1933, namely :—

In the Import Tariff Schedule appended to the said notification, the heading " Metals, Iron and Steel " and the entries thereunder, shall be omitted.

PART III-Section 1

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

Notification No. G. 6239—*Ft.* 166-34-2, *dated* 27*th*—31*st December* 1934.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 35 of the Mysore Forest Regulation, (XI of 1900), that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a minor forest under the name of Devarahosahalli minor forest in the Channapatna Taluk for the purposes of the rules for the management of minor forests issued with Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

Schedule.

District	Taluk	Hobli	Villages	Survey numbers and class	Area	Name of block	Situation
Bangalore	Channapatna	Kasaba	Komanhalli ...	Gomal 55 part ...	A. g. 144 0	Devarahosahalli Minor Forest.	This block is situated at a distance of about four miles north of Channapatna Town.
			Rampur ...	Gomal 31 part ...	200 0		
			Devarahosahalli ...	Kharab 14 part ...	75 0		
			......	Gomal 18 part ...	204 0		
				Total ...	623 0		

Boundaries.

North.—Starting from the junction gadi bandh of Sarva Inam Abbur and Sarva Inam Kannamangala Villages, the line runs south-west along the western boundary of Survey No. 14 of Devarahosahalli for about 10 chains; then south-east through Survey No. 14 for about 45 chains to a point on the common boundary of Survey No. 14 and 18 of Devarahosahalli about 46 chains south-west from the south-east bandh of Survey No. 14 of Devarahosahalli then north-east along the southern boundary of the Survey No. 14 of Devarahosahalli to its south east corner.

East.—Then south-east along the western boundary of Jodi Inam Cholamanhalli to a point about 16 chains south from the south-east gadi bandh of Survey No. 14 of Devarahosahalli.

No. 537-40—*K. S. S.* 3177-80, *dated 9th January* 1935.

Whereas it appears to the Government of His Highness the Maharaja of Mysore that the undermentioned lands situated in Keelara Village, Mandya Taluk, Mysore District, are needed for a public purpose, for the 19th Distributary of Maddur Branch; notice to that effect is hereby given to all whom it may concern, in accordance with the provisions of Section 4 (i) of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927 and the Government hereby authorise the Sub-Division Officer, Mandya, to exercise the powers conferred by Section 4 (2) of the Regulation. Under sub-section (4) of Section 17 of the Land Acquisition Regulation of 1894, as amended by Regulation No. I of 1927, the Government direct that, in view of the urgency of the case, the provisions of Section 5-A of the Regulation shall not apply to the acquisition of the lands noted below.

No. 541-44—*K. S. S.* 3181-84, *dated* 9*th January* 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the lands measuring 2 acres and 24 guntas be the same, a little more or less, are needed for a public purpose for the 16th Distributary of Kergod Branch and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of the Mandya Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under sub-section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Sub-Division Officer, Mandya, and may be inspected at any time during office hours.

It is hereby notified for general information that the name of Gundigere Village in the Nelamangala Taluk is changed into "Lakshmipura."

By Order,
S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

No. L. 4803—*V. P.* 27-34-18, *dated* 12—16*th January* 1935,

The following draft of the additions to the rules for the disposal of the carcasses of animals dying in Village Panchayet Areas, which the Government of His Highness the Maharaja propose to make, in exercise of the powers vested in them by and under the provisions of Section 65 (2) (t) of the Mysore Village Panchayet Regulation and all other powers in this behalf, are published for the information of persons likely to be affected thereby and notice is hereby given that these draft rules will be taken into consideration on or after 1st March 1935. Any objection or suggestion which may be received from any person with respect to the proposed rules before the aforesaid date will be taken into consideration:—

Draft Additional Rules.

"The following shall be inserted as rules 14 and 15 in the rules issued with Notification No. L. 3125—L.B. 26-26-88, dated 12th November 1926, the existing rules 14, 15, &c., being renumbered as rules 16, 17, &c.

"14. Every person within whose premises any animal may die shall, within 12 hours after its death, remove the carcass and bury it beyond a radius of a furlong from the outskirts of the village.

"15. Every person who becomes aware that the carcass a dead animal is lying in any place within the Panchayet area uncared for shall forthwith report the fact to the Chairman."

No. D. 4473—*I. & C.* 47-34-13, *dated* 17*th January* 1935.

Sir Martin Forster, KT., F.R.S., is nominated a member on the Board of Industries and Commerce.

No. D. 4500—*I. & C.* 145-32-2, *dated* 18*th January* 1935.

The Oil Mill run by Messrs. M. R. Scindia and Company and situated in New Tharagupet, Bangalore City, is hereby declared to be a Factory under Section 2 (3) b of the Mysore Factories Regulation No. VI of 1925.

No. D. 4590—*J. S.* 18-34, *dated* 21*st January* 1935.

It is notified for general information that in accordance with the rules under Section 144 of the Mysore Companies Regulation VIII of 1917, the Government of His Highness the Maharaja are pleased to sanction the grant of a temporary auditor's certificate to—

1. Name—Mr. D. Mahabala Rao, M.A.

No. D. 4624—*A. & E.* 103-34-4, *dated* 22*nd January* 1935.

The following Press Communique of the Imperial Council of Agricultural Research extending the time for sending up a design of a medal to be awarded for improvements in the Science and Art of Agriculture and Animal Husbandry, is published for general information:—

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

PRESS COMMUNIQUE.

On the 18th October 1934, the Imperial Council of Agricultural Research announced that, in order to obtain a suitable design for the medals to be awarded for improvements of distinct merit and all-India importance in the Science and Art of Agriculture and Animal Husbandry, the Council had decided to offer a cash prize of Rs. 100 for competition for the best design. It was also announced that the medal will be approximately 1¾" in diameter, that the design should bear as close a relation as possible to the object for which the medals are to be awarded and that the entries should reach the Council by 1st December 1934.

2. As it appears that the time allowed was inadequate, a further period of two months has been allowed. Applications and designs will be accepted for competition provided that they reach the Council by 31st January 1935. Necessary forms and conditions of prize can be obtained from the Secretary, Imperial Council of Agricultural Research, New Delhi.

CHARAN DAS,
Secretary,
Imperial Council of Agricultural Research.

New Delhi,
the 18*th December* 1934.

CHIEF SECRETARIAT

MYSORE CITY IMPROVEMENT TRUST BOARD.

No. L. 4622—*Ml.* 37-34-16, *dated* 4*th January* 1935.

Under Section 18 (1) of the City of Mysore Improvement Regulation III of 1903, it is hereby declared that the properties detailed in the undermentioned schedule are required for a public purpose, *i.e.*, for Constructing Additional Quarters for Police Inspectors. The estimate for the acquisition of the said properties has been sanctioned in Government Order No. L. 4618-21—Ml. 37-34-15, dated 4th January 1935.

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

Notification No. G. 7116—*Ft.* 174-34-2, *dated* 22*nd*—28*th Januaay* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 35 of the Mysore Forest Regulation (XI of 1900), that the area specifiedin the schedule noted below which forms a portion of the Bommasettihalli Minor Forest in the Goribidnur Taluk constituted as such, in Government Notification No. G. 3556—Ft. 33-30-32, dated 24th September 1930, shall cease to be a Minor Forest with effect from the date of this Notification. The revised boundary of the said Bommasettihalli Minor Forest, after dis-afforestation is also published in the annexed schedule for general information.

Schedule.

District	Taluk	Area proposed to be dis-afforested	Extent		Name of Minor Forest	Remarks
			A.	g.		
Kolar ...	Goribidnur ..	Bommasettihalli village Gomal Survey No. 96.	26	16	Bommasetti Minor Forest	The area has been given over to Adikarnatakas for cultivation.

Boundaries of the area Dis-afforested.

North.—Starting from the south-west corner of Survey No. 95 of Bommasettihalli village, the line runs along the southern boundary of the said survey number to its south-east corner.

East.—The line then runs south along the western boundries of Survey Nos. 91 and 89 of the said village to the south-west corner of Survey No. 89.

South.—The line then runs west along Goribidnur-Madhugiri road to the south-west corner of Survey No. 99 of Bommesettihalli village.

West.—The line then runs north along the eastern boundaries of Survey Nos. 99 and 100 of the said village and joins the starting point.

Boundaries of the Minor Forest after Dis-afforestation.

North.—Starting from the common junction bandhs of Survey Nos. 21 and 209, Dronakunte and Survey Nos. 24 and 28 of Kadaranahalli, the line runs north-east and east along the southern boundary of Survey Nos. 28 and 27 of Kadaranahalli to the tri-junction bandh of Survey Nos. 27, 26 and 24 of the same village, then south along the western boundary of Survey No. 26 to the tri-junction bandh of Survey Nos. 26, 25 and 24 of the same village; then west along the northern boundary of Survey No. 25 to its north-west corner; then south along its western boundary to its south-west corner, then east along its southern boundary to the tri-junction bondh of Survey Nos. 25, 23 and 24 of the same village, then south along the western boundary of Survey No. 23 to the tri-junction bondh of Survey Nos. 23, 22 and 24 of the same village, then east along the southern boundary of Survey Nos. 23 and 18 to the tri-junction bondh of Survey Nos. 20, 18 and 19 of the same village, then north along the eastern boundary of Survey No. 18 to its north-east corner, then west along its northern boundary to the common junction bondh of Survey Nos. 19, 18, 12 and 11 of the same village, then north along the eastern boundary of Survey No. 12 to the tri-junction bondh of Survey Nos. 19, 12 and 11, then north-east along the Southern boundary of Survey Nos. 11 and 10 of Kadaranahalli, to the tri-junction bondh of Kadaranahalli, Papaganahalli and Bommasettihalli villages, then in the same direction along the southern boundary of Survey Nos. 64 and 62 of Papaganahalli to the tri-junction bondh of Survey Nos. 102, 103 and 105 of Bommasettihalli and Survey No. 62 of Papaganahalli.

East.—Then the line turns south-west and runs along the western boundary of Survey No. 103 of Bommasettihalli to the tri-junction bandh of Survey Nos. 101, 102 and 103 of the same village, then south-east along the southern boundary of Survey No. 103 to the common junction bondh of Survey Nos. 100, 101, 103 and 95, then in the same direction along the western boundary of Survey No. 95 to the tri-junction bondhs of Survey Nos. 95, 96 and 100, then south along the western boundary of Survey No. 96 to the south-west corner of the same Survey No. 96 where it meets the Goribidnur-Madhugiri road.

South.—Then the line turns west and south-west and runs along the Goribidnur-Madhugiri road side to the common junction bondh of Survey Nos. 79 and 78 of Bhaktarahalli village.

West.—Then the line turns north-east and runs along the eastern boundary of Survey No. 78 of Bhaktarahalli to the tri-junction bondh of Bhaktarahalli village, then north-west along the eastern boundary of Survey No. 77 of Bhakatarahalli to the common junction bondh of Bhakatarahalli, Kurudi, Dronakunte and Kadaranahalli villages, then in the same direction along the eastern boundary of Survey No. 23 of Dronakunte to the common junction bondh of Survey Nos. 23, 22 and 21 of Dronakunte and Survey No. 24 of Kadaranahalli, then north along the western boundary of Survey No. 21 till it meets the starting point.

Rights and privileges enjoyed by the villagers within the block.

A. Right of Way.—

(1) Cart-track from Auddi to Goribidnur-Madhugiri Roads.

B. Rights of Pasture.—

The raiyats of Kadaranahalli, Bommasettihalli and Bhaktarahalli villages are entitled to graze their cattle in the said block on payment of lumpsum grazing fees.

Area remaining after dis-afforestation—Acres 404 and Guntas 10.

By Order,
R. RANGA RAO,
Chief Secretary to Government.

GENERAL SECRETARIAT

No. R. 3674—*L. S.* 4-34-24, *dated* 26—28*th January* 1935.

Under Section 236 of the Mysore Land Revenue Code, Regulation No. IV of 1888, the Government of His Highness the Maharaja of Mysore are pleased to authorise the extension of the provisions of Chapters VIII to X of the said Code to the village of Jodi Handinakere in the Taluk of Hassan.

No. G. 7084—*P. H.* 28-34-16, *dated* 26*th January* 1935.

The accompanying Notification No. 3, dated 15th January 1935, issued by the Secretary to the Chief Commissioner of Coorg prohibiting the assemblage of persons from infected areas on the occasion of Mahasivaratri festival at Kurchi in South Coorg, is hereby published for general information:—

THE CHIEF COMMISSIONER OF COORG.

Notification dated Bangalore, the 15*th January* 1935.

No. 3. Whereas the Chief Commissioner of Coorg is satisfied that there is danger of an outbreak of plague or cholera at Kurchi, a village in Srimanglanad in South Coorg, if persons from plague or cholera infected areas either in the Mysore State or elsewhere are permitted to assemble at that place on the occasion of the ensuing *Irpu jatra* during the Mahasivaratri festival.

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Chief Commissioner prohibits the attendance at the said *jatra* of persons from plague or cholera infected areas on the 3rd and 4th March 1935.

All persons proceeding to the *jatra* in contravention of this notification will be turned back.

A. J. COURTNEY,
for *Secretary to the Chief Commissioner.*

By Order,
S. ABDUL WAJID,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

No. D. 4771—*A. & E.* 160-34-7, *dated* 24—25*th January* 1935.

Dr. B. Narasimha Iyengar, B.A., Ph.D., Offg. Director of Agriculture is nominated a Government Director of the Mysore Sugar Company, Limited, *vice* Mr. A. K. Yegnanarayana Iyer, resigned.

No. G. 6995—*G. M.* 115-34-2, *dated* 24*th January* 1935.

Whereas by the Notification of the Government of India in the Foreign Department No. 176, dated the 31st December 1875, the Indian Christian Marriage Act, 1872, was, with certain modifications, declared to apply to the territories of Mysore so far as regards marriages between persons one of whom is an Indian Christian subject of Mysore State and neither of whom is a Christian British subject:

In exercise of the powers conferred by Sections 6 and 9, respectively, of the said Act, the Government of His Highness the Maharaja of Mysore are pleased (a) to grant license to Mr. M. William and Rev. Jonathan Abel of the Christian Missions in many lands and South India Church respectively to solemnize marriages within the territories of Mysore and outside the limits of the Civil and Military Station, Bangalore, and (b) to license the said Mr. M. William and Rev. Jonathan Abel to grant certificates of marriage within the said territories between Indian Christians.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

ABSTRACT OF THE PROCEEDINGS OF THE 29TH MEETING OF THE MYSORE LEGISLATIVE COUNCIL.

No. 2814—*L. C., dated* 28*th January* 1935.

DECEMBER SESSION—1934.

17th to 20th December 1934.

The December Session of the Legislative Council commenced on the 17th December 1934 and lasted for four days. *Amin-ul-mulk* Sir Mirza M. Ismail, Kt., C.I.E., O.B.E., Dewan, presided. All the members were present.

New Members sworn in.

Messrs. B. V. Ramiengar and F. A. Hamilton took their seats after being duly sworn in.

Secretary's Report.

The Secretary informed the House that the following Regulations had received the assent of His Highness the Maharaja on the dates specified against them :—

1.	The Sugar (Excise Duty) Regulation, II of 1934 ...	10th July 1934.
2.	The Matches (Excise Duty) Regulation, III of 1934 ...	10th July 1934.

Questions and Answers.

Answers to 146 questions out of 172 on the agenda were printed and furnished. Supplementary questions of fifty-four (54) questions were put and answered.

Election of four members to the Committee on Public Accounts for the year 1934-35.

Out of the ten candidates that stood for election to the Committee on Public Accounts for the year 1934-35 which was conducted under the system of proportional representation by means of the single transferable vote, the following four were declared duly elected :—

1. Mr. K. T. Bhashyam Aiyangar, B.A., B.L.
2. „ V. Venkatappa.
3. „ D. H. Chandrasekharaiya, B.A., LL.B.
4. „ J. Mahomed Imam, B.A., B.L.

Bills.

There were seven bills on the agenda and of these, five were Government measures and two were private Bills. The Sugar Industries Safeguarding Bill and the Bill further to amend the Mysore Land Revenue Code were finally passed after consideration of the reports of the Select Committees thereon. The Report of the Select Committee on the Mysore Extradition Bill was also considered and the motion to pass the amended Bill at a subsequent meeting of the Council was adopted by the House. Motions in respect of the Bill further to amend the Mysore Co-operative Societies Regulation, VII, of 1918, and the Mysore Road Traffic and Taxes Bill, to refer them to Select Committees were also passed.

In regard to the two private Bills, *viz.*, the Bill to restrain the solemnisation of Child Marriages in the State and the Bill for the suppression of Immoral Traffic in the State in respect of which notices of motion for leave to introduce had been given, a point of order was raised by a member as to the procedure to be followed in the case of private Bills. The President was of the opinion that it was advisable that a private Bill is circulated amongst the members before the motion for leave to introduce is discussed in the Council and advised the movers of the two Bills to bring them up at the next session of the Council.

Demands for Additional and Supplementary Grants for 1934-35.

There was 16 demands for additional and supplementary grants aggregating Rs. 35,57,326. These were taken up on the first two days along with the 36 cut motions that had been tabled. Only 13 motions were moved and withdrawn after the explanations offered by the Government. The rest were not moved. All the demands were passed.

Adjournment Motions

Notice of four adjournment motions were given on the first, third and fourth days of the Session. The object of the first motion was to consider the measures to be undertaken immediately to relieve the present anxious situation caused by the prevalence of acute and widespread distress in different parts of the State due to adverse seasonal conditions and the same was disallowed by the President on the ground that it was not a matter of urgent or recent occurrence and that there was a resolution to the same effect tabled for discussion. The second motion which was intended to raise a discussion on the Report of the Joint Parliamentary Committee on Indian Constitutional Reforms in so far as their recommendations relating to the Indian States were concerned, was disallowed for the reason that the matter related to the relations of the State with the Paramount Power. Permission was granted to move an adjournment motion in respect of Government Order, dated 21st—26th September 1934, directing the recovery of the cost of *samprokshana* from one Mr. Sangappa, belonging to the *mochi* community and two other teachers of the Government Middle School Nelamangala. This motion was withdrawn after discussion. The fourth adjournment motion, the object of which was to discuss the reaction of the labour laws that come into force in British India from 1st January 1935 on labour in the State was disallowed by the President as it was not a matter of urgency.

Resolutions.

There were 62 resolutions on the agenda and five were taken up on the last day and discussed. The resolution recommending the continuance of the relief works that had been started in view of the failure of rains was withdrawn, after discussion, the Government having stated that they accepted the general principles of the resolution. The abolition of the system of hereditary shanbhogs formed the subject matter of the second and third resolutions which were discussed together. It was stated on behalf of the Government that it was their intention to introduce legislation for the termination of hereditary *haks* on a voluntary basis, more or less on the lines of the Bombay Watan Act and the movers withdrew the resolutions. The fourth resolution that was moved had as its object the desirability of reviving all the three Boards of Education, Agriculture and Industries and Commerce. After explanation by the Government that these Boards had been abolished on account of financial stringency, that the Board of Industries and Commerce had been revived and that Government had for the present no idea of reviving the other two Boards of Agriculture and Education, the mover withdrew the resolution. The last resolution, the object of which was to provide for the establishment and regulation of Reformatory and Borstal Schools for the detention and training of youthful offenders, was also withdrawn after discussion on the assurance of Government that they accepted the principle underlying the resolution, and they hoped that they would be able to find the necessary funds in the near future to establish such an institution.

The Session concluded at 5-30 P.M., on the 20th December 1934 and thereupon, the Council adjourned *sine die*.

C. SUBRAHMANYA AIYAR,
Secretary,
Mysore Legislative Council.

DEVELOPMENT SECRETARIAT

No. L. 4944—*Ml.* 41-34-42, *dated* 23*rd January* 1935.

Under Section 4 of the Land Acquisition Regulation, 1894, as amended from time to time, it is hereby notified that the property described hereunder is required for a public purpose, *viz.*, to form Jayachamarajendra Circle in M. C. Road.

Under Section 5-A, it is directed that any person interested in the said property may, within 30 days after the issue of this notification, prefer objections, if any thereto, to the Assistant Commissioner, Mandya Sub-Division, in writing, after which no objections will be heard.

A plan of the property will be available for inspection in the Office of the Revenue Sub-Division, Mandya.

PUBLIC WORKS SECRETARIAT

No. L. 1369—*S., dated* 22*nd January* 1935.

Under Section 4 of the Land Acquisition Regulation, 1894, as amended from time to time, it is hereby notified that the properties described hereunder are required for a public purpose, *viz.*, for the formation of a square and deviations of Ayanur-Honnali Road at Sowlanga.

Under Section 5-A, it is directed that any person interested in the undermentioned properties may, within 30 days after the issue of this notification, prefer objections, if any thereto, to the Deputy Commissioner, in writing, after which no objections will be heard.

A plan of the properties will be available for inspection in the Office of the Assistant Commissioner, in charge of the Shimoga Sub-Division.

No. 587-90—*K. S. S.* 3391-94, *dated 22nd January* 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the land measuring 5 acres and 22¼ guntas be the same a little more or less, are needed for a public purpose, for the 12th Distributary and its Branches of Maddur Branch, and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of Mandya Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under sub-section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Sub-Division Officer, Mandya, and may be inspected at any time during office hours.

No. 599-602—*K. S. S.* 3410-13, *dated* 23*rd January* 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the lands measuring 34¼ guntas be the same, a little more or less, are needed for a public purpose, for the 20th mile Distributary of Irwin Canal and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of the Mandya Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under Sub-Section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Sub-Division Officer, Mandya, and may be inspected at any time during office hours.

PART III–Section 1

NOTIFICATIONS BY GOVERNMENT

GENERAL SECRETARIAT

No. G. 7084—*P. H.* 28-34-16, *dated* 26*th January* 1935.

The accompanying Notification No. 3, dated 15th January 1935, issued by the Secretary to the Chief Commissioner of Coorg prohibiting the assemblage of persons from infected areas on the occasion of Mahasivaratri festival at Kurchi in South Coorg, is hereby published for general information:—

THE CHIEF COMMISSIONER OF COORG.

Notification dated Bangalore, the 15*th January* 1935.

No. 3. Whereas the Chief Commissioner of Coorg is satisfied that there is danger of an outbreak of plague or cholera at Kurchi, a village in Srimanglanad in South Coorg, if persons from plague or cholera infected areas either in the Mysore State or elsewhere are permitted to assemble at that place on the occasion of the ensuing *Irpu jatra* during the Mahasivaratri festival.

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Chief Commissioner prohibits the attendance, at the said *jatra* of persons from plague or cholera infected areas on the 3rd and 4th March 1935.

All persons proceeding to the *jatra* in contravention of this notification will be turned back.

A. J. Courtney,
for *Secretary to the Chief Commissioner.*

No. E. 2040—*Uni.* 32-32-27, *dated 30th January* 1935.

Under Section 3 (3) of the Ancient Monuments Preservation Regulation of 1925, the Government of His Highness the Maharaja of Mysore are pleased to confirm their Notification No. E. 823—Uni. 32-32-25, dated 27th September 1934, declaring the undermentioned temples at Grama (Shantigrama), Hassan Taluk, as protected monuments within the meaning of the said Regulation.

(1) Sri Sowmyakeshavaswami Temple. | (2) Sri Yoganarasimhaswami Temple

By Order,
S. ABDUL WAJID,
Secretary to Government,
General Department.

No. Fl. 6514—*Ex.* 38-34, *dated 4th—5th February* 1935.

In exercise of the powers conferred by Section 7 of the Matches (Excise Duty) Regulation, 1934, the Government of His Highness the Maharaja of Mysore are pleased to direct that the following amendment shall be made in the Notification No. D. 2044—I. & C. 265-33-54, dated 18th September 1934, namely :—

In the list of States set forth in the said Notification the entry "Manavadar" shall be omitted.

No. Fl. 6516—*St.* 16-34, *dated 4th—5th February* 1935.

In exercise of the power conferred by Clause (a) of Section 9 of the Mysore Stamp Regulation II of 1900, as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to remit the Stamp duty chargeable in respect of bonds executed by District Boards in the State in favour of Government.

By Order,
A. SUBBA RAO,
For *Secretary to Government,*
General Department.
(on leave.)

DEVELOPMENT SECRETARIAT

No. L. 5089—*Ml.* 41-34-49, *dated 22nd—31st January* 1935.

S. Nos. 189, 195 to 198, 261 and 263.

Under Section 48 (1) of the Land Acquisition Regulation of 1894, as amended from time to time, Government are pleased to withdraw from the acquisition of the marginally noted properties in the Vijayapura Village of Gundlupet Taluk, notified in Government Notification No. L. 1605—Ml. 41-34-8, dated 1st September 1934, as the proposed acquisition is no longer considered necessary.

Notification No. L. 5097—*L. B.* 79-34-2, *dated 23rd—31st January* 1935.

In exercise of the powers conferred by Section 100 (2) (d) of the Mysore District Boards' Regulation, 1926, and all other powers in this behalf, Government are pleased to direct that the following be added as proviso (4) under Rule 34 of the rules issued with Notification No L. 5470—L. B. 25-26-55, dated 5th February 1927, as amended in Notification No. L. 2382—L. B. 207-26-6, dated 31st October 1927, and Notification No. L. 645—L. B. 31-30-1, dated 25th July 1931.

"4. The President, Vice-President or the members shall be entitled to only daily allowance for road marches of less than twenty miles, but not to mileage in excess of and in lieu of daily allowance."

No. L. 5104—*V. P.* 10-34-60, *dated 31st January* 1935.

Under Section 48 (1) of the Land Acquisition Regulation of 1894 as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to withdraw from the acquisition of the properties in Dodkurgod Village, Goribidnur Taluk, mentioned as items Nos. 10 and 11 in Notification No. L. 1985—V. P. 10-30-33, dated the 4th September 1930, as it is reported that the properties are not required for the purpose intended.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

FINANCIAL SECRETARIAT

No. Fl. 6435—*G. F.* 246-34-1, *dated* 31*st January* 1935.

In exercise of the powers reserved under Rule 5 of the State Provident Fund Rules and in supersession of Notification No. Fl. 6229—G. F. 180-32-1, dated 30th May 1933, the Government of His Highness the Maharaja are pleased to direct that after the expiry of six months from 1st February 1935, *i.e.*, from 1st August 1935 the rate of interest on subscriptions to the State Provident Fund be reduced from 4½ per cent to 4 per cent per annum.

This order will apply to the undermentioned Provident Funds also the subscriptions to which now carry interest at 4½ per cent per annum.

1. State Railway Provident Fund.
2. Electrical Department Provident Fund.
3. Military Provident Fund.
4. Education Department Provident Fund.
5. Industries Department Provident Fund.
6. Sandal Oil Factory Provident Fund.
7. Water Supply Work Establishment Provident Fund.

By Order,
S. SHAMANNA,
Financial Secretary to Government.

PUBLIC WORKS DEPARTMENT

(KRISHNARAJASAGARA WORKS.)

No. 640-42—*K.S.S.* 3669-71, *dated* 5*th February* 1935.

Under Section 17 (4) of the Mysore Land Acquisition Regulation of 1894 as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to declare hereby that the full extents in Survey Nos. 18, 5, 2, 4, 3, 1, 46, 48, 53, 138 and 137 and portions of the declared extents in Survey Nos. 25, 49, 51, 55 in S. I. Goravale Village, Mandya Taluk, declared in G.O. No. 1645-48—K.S.S. 7053-56, dated 14th June 1933, (published in the *Mysore Gazette,* dated 29th June 1933, pages 617-624) as required permanently for the 7th distributary of the Maddur Branch, will be acquired only temporarily as the distributary in question has been since deviated.

No. 637-39—*K.S.S.*, 3666-68, *dated* 5*th February* 1935.

Under Section 48 (1) of the Mysore Land Acquisition Regulation of 1894 as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to withdraw from acquisition of the lands proposed to be acquired out of Survey Nos. 18, 5, 2, 4, 3, 1, 46, 48, 53, 138 and 137 of S. I. Goravale Village, Mandya Taluk, sanctioned in G.O. No. 1645-48—K.S S. 7053-56, dated 14th June 1933 and published in the *Mysore Gazette,* dated 29th June 1933, pages 617-624, as required for the 7th Distributary of the Maddur Branch, since the above said distributary has been deviated from its original alignment.

By Order,
N. N. AYYANGAR,
Secretary to Government,
Public Works Department,
(Krishnarajasagara Works).

BANGALORE, THURSDAY, FEBRUARY 14, 1935.

PART III–Section 1

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

No. P. 4010—*Pol.* 99-34-3, *dated 2nd—6th February* 1935.

Notification No. P. 5168—Pol. 68-32-5, dated 6th January 1934, appointing the Amildar in charge of the Yelandur Jaghir as an Assistant Superintendent of Police in respect of the area comprised in the said Jaghir is hereby cancelled.

No. G. 7456—*Ft.* 51-34-4, *dated 5th February* 1935.

In supersession of Notification No. G. 6120—Ft. 177-31-3, dated 28th January 1932, the Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the schedule below, a State Forest, under the provisions of the said Regulation.

2. The Government of Highness the Maharaja of Mysore are further pleased, under clause (c) of the said section to appoint the Sub-Division Officer, Dodballapur Sub-Division to be the Forest Settlement Officer, who shall inquire into and determine the existance, nature and extent of any rights claimed by, or alleged to exist in favour of, any person in or over land comprised within such limits, or to any forest produce of such land, and to deal with the same as provided in Chapter II of the said Regulation, and the District Forest Officer of the Bangalore District, for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore, are further pleased, under the authority vested in them by Section 15 of the said Regulation, to appoint the Deputy Commissioner of the Bangalore District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer under Sections 10, 11, 12, 13, or 14 of the Regulation.

Schedule.

District	Taluk	Hobli	Village	Survey Number and Class	Area	Name of Block	Situation
					A. g.		
Bangalore...	Devanhalli	Kasaba ...	Rayasandra...	Gomal 44 part.	87 0	Rayasandra Plantation.	This block is situated at a distance of about 2½ miles south-east of Devanhalli Town.
				Gomal 45 part.	230 0		
				Total ...	317 0		

Boundaries.

North.—Starting from the north-east corner of Survey No. 40 of Rayasandra Village, the line runs east along the southern boundary of Kasaba Devanhalli to the junction gadi bandh of Kasaba Devanhalli and Jodi Inam Budihal; then east and south-east along the southern boundary of latter Jodi village to the junction gadi bandh of Jodi Inam Budihal and Kayamgutta Agalakote.

East.—Then south-west along the western boundary of Kayamgutta Agalakote for about 50 chains to a point about 5 chains north from the north-east corner of Survey No. 46 of Rayasandra

South.—Then north-west through Survey No. 45 to the north-east corner of Survey No. 49 then in the same direction along the northern boundary of Survey Nos. 49 and 54 to the north-west corner of latter survey number; then in the same direction for about 3 chains through Survey No. 45 to a point about 7 chains north from the north-west corner of Survey No. 55 of Rayasandra village; then north along the common boundary of Survey Nos. 45 and 44 in a straight line for about 30 chains; then north-west through Survey No. 44 for about 23 chains to the north-east corner of Survey No. 43; then in the same direction along the northern boundary of Survey Nos. 43 and 42 to the north-west corner of Survey No. 42.

West.—Then north-east along the eastern boundary of Survey No. 40 of Rayasandra to the starting point.

No. G. 7475—Ft. 168-34-2, dated 6th February 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 35 (iii) of the Mysore Forest Regulation (XI of 1900), that the area the boundaries of which are set forth in the schedule annexed hereto, shall be constituted a Reserve Land under the name of the Kengal Reserve in Sompur Hobli in the Nelamangala Taluk, under the provisions of the said Regulation.

Schedule.

District	Taluk	Hobli	Village	Survey No. and Class	Area	Name of block	Situation
					A. g.		
Bangalore ...	Nelamangala ...	Sompura...	Kengal ...	Kharab 114	124 12	Kengal Reserve	This block is situated at a distance of about 16 miles south-west of Nelamangala Town and 2½ miles south-west of Dobbspet and abuts the eastern boundary of Nijagal Block III State Forest.
				Total ...	124 12		

Boundaries.

North.—Survey No. 118 of Kengal Village
East.—Survey Nos. 117 and 116 of Kengal village
South.—Survey Nos 133, 115, 112 and 113 of Kengal village
West.—Eastern demarcation line of Nijagal State Forest Block III.

No.G. 7482—*Ft.* 167-31-3, *dated 6th February* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Mysore Forest Regulation, that from 1st March 1935, the area the boundaries of which are set forth in the schedule annexed shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

SCHEDULE.

District	Taluk	Hobli	Name of Villages	Approximate Area	Name of Block	Situation
Bangalore	Hoskote	Sulibele	(1) Thammanaikanhalli, (2) Dodaralagere, (3) Bhuvanahalli, (4) Sathyavara, (5) Bagalur, (6) Muthagadahalli, (7) Gullahalli, (8) Chikkoliga, (9) Nagarenahalli and (10) Venkatesapura.	A. g. 1,598 3 or 2½ square miles.	Gullahalli Blocks—I, II and III.	This block is situated about six miles to the North-east of Hoskote and east of Hoskote-Sidlaghatta Road on one side (west) and to the west of Hoskote-Kadapa High Road (east) on the other.

BOUNDARIES.

Block No. 1.

North.—The line starts from the south-west corner of Survey No. 25 of Thammarasanahalli village and runs north-east along the southern side of Survey Nos. 25 and 23 of the said village and 46 of Dodaralagere till it meets the south-east corner of the latter survey number; then proceeds in the south-eastern direction in a slightly inclining position to a distance of about 123½ chains through Survey No. 45 of Dodaralagere village and joins the trijunction bandhs of the latter survey number, south-west corner of Survey No. 29 of Seshimakanahalli and western corner of Jodi Pulmanchi; then turns to the south and proceeds along the western boundary of the latter Jodi village till it meets the south-west corner of the same Jodi village; then turns south-east and runs along the southern boundary of the said Jodi Pulmanchi till it meets the south-east corner of the same Jodi village: then, turns north and runs along the east side of Jodi Pulmanchi till it meets the gadi bandhs of Jodi Pulmanchi, Jodi Thammarayasandra and south-west corner of Survey No. 45 of Bhoovanahalli; then runs in a south-east direction along the southern boundary or Survey No. 45 of Bhoovanahalli and meets its south-east corner, then runs in the same direction along the western boundary of Survey No. 96 of Satyavara till it meets its south-west corner, then turns east and runs along the southern boundary of the same survey number and meets the north-west corner of Survey No. 88.

East.—From the said point, the line turns to the south and west and runs along the west side of Survey No. 88 of Satyavara and south side of Survey Nos. 88, 89 and 90 and meets the south-east corner of the last named survey number; then turns south-east and runs along the left side of the halla to a distance of about 13 chains and crosses the halla and meets its right bank at the south-west corner of Survey No. 18 of the said village, then runs along the southern sides of Survey Nos. 18, 19 and 21 of the said village and meets the Bangalore-Kadapa Road at the south-east corner of Survey No. 21 of the said village, then turns south and runs along the left side of the said road till it meets the limit of Survey No. 2 of Settihalli; then turns west and runs along the northern boundary of Survey No. 2 of Settihalli till it meets the north-west corner of the said number; then turns south-west and runs along the western boundary of the said survey number and meets the south-west corner of the said survey number.

South.—From the said point, the line runs in the north-west direction along the northern boundary of Survey No. 32 of Bagalur village and meets the north-west corner of the said survey number (*i.e.*, north-east corner of Survey No. 31 of Bagalur), then turns west and runs along the northern boundary of Survey No. 31 of Bagalur and reaches its north-west corner; then turns north-west and runs along the eastern boundary of Survey Nos. 14 and 12 of Gullahalli till it meets the north-west corner of the latter survey number, then turns south-west and runs along the western boundary of the said survey number and meets the north-west corner of Survey No. 29 (*i.e.*, north-east corner of Survey No. 30) of the said village, thence turns west and runs along the northern boundaries of Survey Nos. 30, 31 and 37 of Gullahalli and meets the north-west corner of Survey No. 37 of the said village, then turns north-west and runs along the eastern boundary of Survey No. 8 of the said village to its north east corner, thence turns north and runs along the eastern boundary of Survey Nos. 9. 10, 3 and 2 of the said village and meets the north-east corner of the last-named survey number, then turns west and runs along the northern boundary of Survey No. 2 and meets its north-west corner, from thence the line runs in the south-west direction through Survey No. 1 of Gullahalli to a distance of about 91½ chains till it meets the north-east corner of Survey No. 87 of the said village, then runs due west along the northern boundary of the said Survey No. 87 and meets its north-west corner and then runs in the same direction through Survey No. 1 of Gullahalli for a distance of about 15 chains and meets a point on the eastern boundary of Jodi Vanamanahalli about 14 chains north-east from the south-east corner of the said Jodi village boundary.

West.—From the said point the line turns north and runs along the eastern boundary of of Jodi Vanamanahalli till it meets its north-east corner; then turns west ane runs along the northern boundary of the said Jodi village till it meets the Hoskote-Jangamkote high road, then turns north and runs along the east side of the road till it meets the starting point.

Remarks.—The kunte in Survey No. 45 of Dodaralagere is reserved for cattle and a passage of 60 chains in length and one chain in breadth from the halla which cuts the northern boundary line of the State Forest is reserved for the use of public.

N. B.—One chain is equal to 33 feet. The right of taking cattle to kunte in Survey No. 87 of Satyavara is admitted.

Block No. 2.

North.—The line starts from the south-west corner of Survey No. 14 of Gullahalli (*i.e.*, north-east corner of Survey No. 41 of Doddakolliga) and runs north-east along the southern boundary of Survey No. 14 of Gullahalli and meets the south-east corner of the said survey number.

East.—From the said point the line runs south-west along the western boundary of Survey No. 31 of Bagalur and meets the north-east corner of Survey No. 39 of the same village.

South.—From the said point the line turns west and runs along the northern boundary of Survey Nos. 39, 29, 28 and 27 of Bagalur and meets the north-west corner of the last mentioned survey number, then proceeds in the same direction till it meets the western side of Bagalur village, then turns south and runs to a distance of about 24½ chains along the western boundary of Survey No. 30 of Bagalur and meets the north-west corner of Survey No. 22 of Bagalur; then runs south along the western boundary of the said Survey No. 22; then turns west and runs to a distance of about 3 chains through Survey No. 18 of Muthugadahalli and meets the north-east corner of Survey No. 19 of the said village; then runs along the northern boundary of the said survey number to its north-west corner; thence it proceeds through Survey No. 18 to a distance of about 3 chains and reaches a point on the eastern boundary of Survey No. 20 of the said village at a distance of about 3 chains South from the north-east corner of the said survey number.

West.—From the said point, the line turns north and runs along the eastern boundary of Survey No. 20 of Muthagadahalli and meets the north-east corner of the said survey number, then along the eastern and northern boundaries of Survey No. 21 of the said village and reaches its north-west corner, then turns north and proceeds along the eastern boundary of Survey No. 22 and meets its north-east corner, then crosses the halla, turns west and runs along the bank of the halla to the north of Survey No. 23 and joins the eastern boundary of of Survey No. 16 near the cart-track. Then the line turns north and runs along the east side of Survey Nos. 16 and 17 and reaches the north-east corner of the latter survey number, then turns west and runs along the northern boundary of the said survey number and reaches its north-west corner; thence it runs in the north-west direction along the eastern boundary of Survey No. 42 of Dodkolliga and reaches the starting point.

Remarks.—A cart track that runs north in continuation of the one in the village site to Survey No. 14 of Gullahalli is reserved for the people along with a Gokatte in the south-west corner of Survey Nos. 18 and 2 acres of land all round is also reserved for the cattle. The cart-track that runs from the west to east in the northern portion of Survey No. 30 of Bagalur is also reserved for the use of the people.

Block No. 3.

North.—Starting from the south-west corner of survey No. 1 of Venkatesapura, the line runs east and reaches the south-east corner of the said survey number; thence turns south and runs along the western boundary of Survey No. 6 of the said village and reaches its south-west corner, then turns east and runs along the southern boundaries of Survey Nos. 6, 7, 8, 9, 10 and 19 af Venkatesapura and reaches the south-east corner of the last named survey number.

East.—From the said point, the line turns south-west and runs for a distance of 49 chains along the western boundary of 49 chains of Survey No. 67 of Nagarenahalli, then turns south-east and runs through Survey No. 67 for a distance of about 52 chains and reaches the Sidlaghatta-Hoskote road at a point about 42 chains south from the south-east corner of Survey No. 65 of Chavadasandra; then runs along the road side and meets the boundary of Kayamgutta Yekarajapura.

South.—From the said point the line runs in the north-west direction along the northern boundary of Kayamgutta Yekarajapura, and runs along the northern boundary of Survey No. 79 of Muthsandra till it meets the gadi bandhs of Venkatesapura, Nagarenahalli and Muthsandra, then runs in the south-west direction along the northern side of Survey No. 79 of Muthsandra and reaches its north-west corner.

West.—From the said point, the line runs north along the eastern boundary of Survey Nos. 38 and 36 of Giddappanahalli and also for a distance of two chains along the east side of Survey No. 35 of the said village and joins the starting point.

Remarks.—The kunte situated in the centre of the boundary between Venkatesapura and Nagarenahalli near the "Hotte Bandhs" is reserved for the use of men and cattle together with a passage of 1½ furlongs long and one chain broad. This passage cuts the newly settled boundary line about 3/4 of a furlong from Venkatesapura limit.

No. P. 4169—*Cts.* 68-34-18, *dated* 7—*9th February* 1935.

Under Section 14 of the Code of Criminal Procedure, 1904, the Government of His Highness the Maharaja are pleased to appoint Mr. D. Venkataramanappa as Special Magistrate for the Bench Court at Bangalore with the powers of a Magistrate of the Second Class for a period of two years.

No. G. 7569—*Ft.* 176-34-2, *dated 9th February* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 35 of the Mysore Forest Regulation XI of 1900, that the areas specified in the two schedules annexed, which form a portion of Ingladi Minor Forest in the Tirthahalli Taluk, constituted as such in Government Notification No. G. 1926 Ft. 27-33-16, dated 16th September 1933, shall cease to be a Minor Forest from the date of this Notification. The revised boundary of the said Ingladi Minor Forest, after disafforestation is also published in the annexed Schedule (No. 3) for general information.

Schedule.

Boundaries.

North.—Starting from the junction bondhs of Malagi and Devangi villages, the line runs south-east for a distance of 9 gunters chains along the common boundary of the said 2 villages, thence north-east for 26 gunters chains along the common boundary between Malagi and Nambala villages to the south-east corner of Survey No. 55 of the latter village; then south-east through Survey No. 54 for 16 chains to the north corner of Survey No. 52, thence south-west through Survey No. 54, 19 chains to a point 2 chains west from the north-west corner of Survey No. 53; thence south-east through Survey No. 54 for a distance of 12 chains, touching the westernmost corner of Survey No. 53, to a point on the south side of Survey No. 54, 3 chains south-west from the south-west corner of Survey No. 53, thence south-east through Survey No. 48 for a distance of 12 chains to the westernmost corner of Survey No. 51, thence south-west for 14 chains through Survey No. 48 to the south-west corner of Survey No. 49, thence south-east through Survey No. 48 for 10 chains to the south-west corner of Survey No. 97, thence east along the south side of Survey No. 97 to its south-east corner, thence north-east through Survey Nos. 48 and 47 for 23 chains to the south-east corner of Survey No. 52; thence north-west through Survey Nos. 47 and 46 for 16 chains to a corner on the south side of Survey No. 59, 8 chains north-east from the north-east corner of Survey No. 52, thence slightly north-east through Survey No. 46 for 7 chains to a corner on the south side of Survey No. 59, 14½ chains north-east from the north-east corner of Survey No. 52; thence north-east for 4 chains along the south side of same survey number to its south-east corner; thence north-east through Survey No. 46 for 3 chains to the trijunction bondhs of Survey Nos. 44, 45 and 46; thence south-east along the south side of Survey No. 45 to its south-east corner; thence south-east along the south side of Survey No. 11 to its southernmost corner; thence north-east along the common boundary between Survey Nos. 11 and 10 for 38 chains; thence south-east through Survey No. 10 for 2½ chains to the north-west corner of Survey No. 3; thence south-west through Survey No. 10 for 22 chains to the south-west corner of Survey No. 4; thence along the south side of the same survey number to its south-east corner; thence east through Survey No. 10 for 9 chains to the south-west corner of Survey No. 6; thence south through Survey No. 10 for 11 chains to the westernmost corner of Survey No. 9; thence south-east for 6 chains through Survey No. 10 to the south-west corner of Survey No. 9; thence east along its south side to its south-east corner; thence slightly north-east through Survey No. 10 for 11 chains to the easternmost corner of Survey No. 8; thence north through Survey No 10 for a distance of 13 chains to the north-east corner of Survey No. 5, thence north-east through Survey No. 10 for 12 chains to the south-east corner of Survey No. 2, thence north-east along the east side of Survey No. 2 for 4 chains and meets the left bank of Tunga river.

East.—Then the line runs south for 8 chains and then east for 4 chains along the right bank of Tunga river and meets the common bondhs of Nambala and Kullur villages, thence south-east for 18 chains along the right bank of the said river and meets the north-west corner of Survey No. 26 of Kullur; thence south along its west side and meets the north-east corner of Survey No. 25, thence west through Survey No. 19 for a distance of 9 chains and meets north-west corner of Survey No. 25; thence south for 2 chains along its west side and meets the western corner of the same survey number; thence south-east through Survey No. 19 for a distance of 10 chains and meets the south-east corner of Survey No. 25; thence along its south side to its south-east corner; thence south-west along the Kullur halla for a distance of 6 chains and then turns south-west and runs through Survey No. 19 of Kullur and 18 of Ingladi for 12 chains to the north-western corner of Survey No. 21, thence south-west for 4 chains and meets the western corner of Survey No. 21 of Ingladi village, thence south-west through Survey No. 18 for a distance of 17 chains and meets the north-east corner of Survey No. 20, thence north-west for 16 chains through Survey No. 18 and meets the north-west corner of Survey No. 19; thence south-west for 2 chains along its west side to its south-west corner; thence south-east through Survey No. 18 for 12 chains and meets the south-west corner of Survey No. 20; thence south-east for 2 chains along its south side and meets the southern corner of Survey No. 20; thence in the same direction for 13 chains through Survey No 18 and meets the southernmost corner of Survey No. 22; thence south-west through Survey No. 18 for a distance of 16 chains and meets the northern corner of Survey No. 17; thence south-west through Survey No. 18 for 14 chains and meets the northern corner of Survey No. 16; thence south through Survey No. 18 for 4 chains and meets the south-west corner of Survey No. 16; then runs south-east through Survey No. 18 for 13 chains and meets the cart-track leading to Kullur, thence south-west for 36 chains along the said cart-track through Survey No. 13 and meets a point 2 chains north-west from the north-west corner of Survey No. 14; then runs south-east for 5 chains through Survey No. 13 and meets the south-west corner of Survey No. 14; thence south-east through Survey No. 13 for a distance of 27 chains and meets the north-west corner of Survey No. 30, thence south-west along the west side of Survey No. 30 to its south-west corner.

South.—Then the line runs west through Survey Nos. 13 and 12 of Ingladi for a distance of 33 chains and meets the northern corner of Survey No. 10: thence north-west through Survey No. 12 for a distance of 12 chains and meets the north-east corner of Survey No. 9; thence along its north side for 4 chains to its northern corner of Survey No. 91; thence north-west through Survey No. 12 for a distance of 7 chains and meets the common bondhs of Ingladi and Devangi villages near Devangihalla.

West.--Then the line runs north-east for 4 chains along the Devangihalla and then turns north-west and runs for 12 chains along the said halla, thence west for 5 chains and then north-west for 8 chains along the said halla and meets the south-west corner of Survey No. 44 of Devangi village, then runs east through Survey No. 34 for 15 chains and meets the southern corner of Survey No. 45; thence north-east through Survey No. 34 for a distance of 14 chains and meets the foot-path leading to Devangi village; then runs north-west through Survey No. 34 for 22 chains to the south-east corner of Survey No. 43; thence along its east side to its north-east corner; thence west through Survey No. 34 for 18 chains to the south-east corner of Survey No. 35; thence north-east through Survey No. 34 for 12 chains and meets the eastern corner of Survey No. 30; thence in the same direction through Survey No. 34 for 17 chains and meets the eastern corner, of Survey No 32; thence north along the east side of the same Survey No. to its north-east corner thence south-west through Survey No. 33 for 20 chains and meets the northern corner of Survey No. 32; thence along its north side to its north-west corner; thence south-west through Survey No. 33 for 17 chains to the western corner of Survey No. 28, thence north-west through Survey Nos. 33 and 23 for 8 chains to the north-east corner or Survey No. 24; then turns north-west and runs through Survey Nos. 23 and 22 for 6 chains to the south-east corner of Survey No. 1; thence north-east through Survey No. 22 for 27 chains to the south-east corner of Survey No. 21, then turns north and runs along the east side of Survey No. 21 tank to its north-east corner, thence south-west along the halla in Survey No. 22 for 21 chains to the north-west corner of Survey No. 22 for 21 chains to the north-west corner of Survey No. 10; then south-west for 17 chains along the said halla and meets the north-west corner of Survey No. 90; thence north, north-east and north-west along the common boundary between Survey Nos. 89 and 22 to the northernmost corner of Survey No. 89, thence north-east along the common boundary between Malagi and Devangi to the starting point.

Enclosures.—Survey Nos. 48 and 49 of Devangi village are treated as enclosures in the block.

Remarks.—Rights and privileges enjoyed by the villagers within the block.

(*a*) *Right of Way.*—(1) Cart-tracks from Devangi to Malagi, (2) from Ingladi to Kullur, (3) from Vambala village site to Kullur, and (4) branching No. 3 cart-track to Kullur are open to cattle and carts all the year round, (5) foot-paths from Devangi to Nambala village site, (6) from Ingladi to cart-track No. 3, (7) from Devangi to cart-track No. 2, (8) branching from cart-track No. 2 to Almani and paths from hamlet to hamlet are open to men and cattle all the year round.

(*b*) *Right of Grazing.*—The raiyats of the undermentioned villages are entitled to graze their cattle free in gomal survey numbers included in the block and on payment of hulbanni in other kharab lands :—

(1) Nambala	...	Gomal Survey Nos. 47, 46 and 10
(2) Devangi	...	Do 23
(3) Kullur	...	Do 19

Ingladi villagers can have grazing in Kharab lands on payment of Hulbanni.

(*c*) *Right to Forest Produce.*—All the Malnad raiyats' privileges to forest produce may be exercised by the raiyats of all the affected villages in accordance with Government Order No. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

(*d*) The raiyats of Nambala, Devangi, Kullur and Ingladi villages may extract green and dry leaf for manure free from the Minor Forest adjoining the cultivation.

(*e*) Since unoccupied and occupied kans are clubbed and not defined either on the ground or on the maps, kan-holders may exercise all privileges attached to occupied kans in the portions included in the block, if under occupancy, till they are demarcated.

No. P. 4167—*Cts.* 68-34-17, *dated* 8—9*th February* 1935.

The resignation of Mr. M. Muniswamy, Honorary Special Magistrate, Bangalore, is accepted and under Section 41 of the Code of Criminal Procedure, 1904, the Second Class Powers conferred on him in Notification No. P. 3206—Cts. 68-34-10, dated 26th December 1934, are hereby withdrawn.

No. G. 7573—*Ft.* 169-34-2, *dated* 9*th February* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 35 of the Mysore Forest Regulation XI of 1900, that the area specified in the Schedule annexed which forms a portion of the Kaginelli Minor Forest in the Shikarpur Taluk, constituted as such in Government Notification No. G. 2809—Ft. 20-28-20, dated 4th September 1929, shall cease to be a Minor Forest from the date of this Notification. The revised boundary of the said Kaginelli Minor Forest, after disafforestation is also published in the annexed schedule (No. 2) for general information.

No. 663-66—*K. S. S.* 3829-32, *dated* 11*th February* 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the lands measuring 15½ guntas, be the same a little more or less, are needed for a public purpose, for opening a road from M. C. Road to Ganadal Farm, and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of Mandya Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under Sub-Section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Sub-Division Officer, Mandya, and may be inspected at any time during office hours.

PART III-Section 1

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

No. G. 7792—*Ft.* 175-34-3, *dated* 11*th*—14*th February* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Mysore Forest Regulation XI of 1900 that, from 1st March 1935, the area, the boundaries of which are set forth in the schedule annexed shall be deemed to be a "State Forest" subject to exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Village	Area	Name of forest	Situation
				A. g.		
Bangalore	Channa-patna.	Virupakshi-pura.	Virupakshipura ... Mangadahalli ... Ballapatna ... Kodamballi ... Shanbhoganahalli ... Bhairsettihalli ...	1,226 32 or 1·915 sq. miles.	Narikalgudda State Forest.	This block is situated at a distance of about 5 miles south of Channapatna. Turns on the N. W. side of Kabbal State Forest.

Boundaries.

North.—Starting from a point about 5 chains slightly south-east of south-east corner of Survey No. 496 of Virupakshipura village, the line runs east through Survey No. 497 for about 60 chains in a straight line to a point about 6 chains south-west of south-east corner of Survey No. 357 (Tank) of Virupakshipura.

East.—Then south-east through Survey No. 497 of Virupakshipura and 234 of Mangadahalli in a straight line for about 58 chains to a point about 5 chains S. W. of S. W. gadi bandh of Swadohalli village, then N.E. for about 5 chains along the common boundary of Survey Nos. 234 and 21 of Mangadahalli to the south-west gadi bandh of Swadohalli village; then slightly north-east along its southern boundary to a point about 8 chains west of north-west bandh of Survey No. 104 of Bhairsettihalli village, then south-west for about 38 chains in a straight line to a point about 5 chains west of north-west corner of Survey No. 74 of Bhairsettihalli village; then south-west through Survey No, 76 of Bhairsettihalli for about 39 chains to a point about 5 chains west of south-west corner of Survey No. 74 of Bhairsettihalli; then south-east through Survey No. 75 of the same village for about 44 chains in a straight line to a point about 5 chains slightly north-east of north-west corner of Survey No. 24 of Shanbhoganahalli.

South.—Then south-west through Survey No. 46 of Shanbhoganahalli for about 70 chains in a straight line to a point about 13 chains north-west of north-west corner of Survey No. 16 of the same village; then north-west through Survey No. 40 of Kodamballi for about 40 chains in a straight line to a point on the common boundary of Survey Nos. 40 of Kodamballi and 70 of Ballapatna about 73 chains north-east of north-east corner of Survey No. 39 of Kodamballi, then south-west along the common boundary of Survey No. 40 of Kodamballi and 70 of Ballapatna for about 40 chains to a point about 33 chains north-east of north-east corner of Survey No. 39 of Kodamballi.

West.—Then north through Survey No. 70 of Ballapatna for about 35 chains in a straight line to a point about 28 chains east of south-east corner of Survey No. 22 of Mangadahalli, then north-east through Survey Nos. 21 and 234 of Mangadahalli for about 88 chains in a straight line to a point about 30 chains south-east of north-east corner of Survey No. 233 of Mangadahalli, then in the same direction through Survey No. 497 of Virupakshipura for about 24 chains to the starting point.

Remarks.

Right of way over the undermentioned paths is admitted. Nos. 1, 2 and 3 for men and cattle for water throughout the year; No. 4 for men for worship throughout the year.

(1) Foot-path from Virupakshipura to the Kunte in Survey No. 497 of Virupakshipura 6 feet wide and 14 chains long open for men and cattle for water throughout the year. It enters the forest in its western boundary at a point about 7 chains south of south-east corner of Survey No. 496 of Virupakshipura, runs south-east through Survey No. 497 to the Kunte.

(2) Foot-path from Kodamballi to the Kunte in Survey No. 40 of the same village 6 feet wide and 20 chains long open for men and cattle for water throughout the year. It enters the forest in its southern boundary at a point about 30 chains north-west of north-west corner of Survey No. 16 of Shanbhoganahalli, runs north-east through Survey No. 40 of Kodamballi to the Kunte.

(3) Foot-path from Shanbhoganahalli to Kunte in Survey No. 40 of Kodamballi village 6 feet wide and 32 chains long open for men and cattle for water throughout the year. It enters the forest in its southern boundary at a point about 10 chains north-west of north-west corner of Survey No. 17 of Shanbhoganahalli, runs north-west through Survey Nos. 46 of Shanbhoganahalli and 40 of Kodamballi to the Kunte.

(4) The marginally noted villagers are permitted to go to Channappana Gaddige or the top of the Survey No. 40 of Kodamballi for worship throughout the year by a foot-path 6 feet wide from their respective villages.

1. Virupakshipura	4. Kodamballi
2. Mangadahalli	5. Shanbhoganahalli
3. Ballapatna	6. Bhairsettihalli

(i) Foot-path from Virupakshipura to Channappana Gaddige in Survey No. 40 of Kodamballi—2 yards wide and 120 chains long, open for men for worship throughout the year. It enters the forest in its western boundary at a point about 6 chains south of south-eastern corner of Survey No. 496 of Virupakshipura, runs south-east through Survey Nos. 497 of Virupakshipura, 234 and 21 of Mangadahalli, 70 of Ballapatna, and 40 of Kodamballi to the said Gaddige.

(ii) Foot-path from Mangadahalli to Channappana Gaddige in Survey No. 40 of Kodamballi—2 yards wide and 58 chains long, open for men for worship throughout the year. It enters the forest in its west boundary at a point about 20 chains east of north-eastern corner of Survey No. 17 of Mangadahalli, runs south-east through Survey Nos. 21 of Mangadahalli, 70 of Ballapatna, and 40 of Kodamballi to the said Gaddige.

(iii) Foot-path from Ballapatna to Channappana Gaddige in Survey No. 40 of Kodamballi—2 yards wide and 55 chains long open for men for worship throughout the year. It enters the forest in its western boundary at a point about 22½ chains east from the south-eastern corner of survey No. 68 of Ballapatna, runs north-east through survey No. 70 of Ballapatna and 40 of Kodamballi to the Channappana Gaddige.

(iv) Foot-path from Kodamballi to Channappana Gaddige in Survey No. 40 of the same village—2 yards wide and 39 chains long open for men for worship throughout the year. It enters the Forest in its southern boundary at a point about 30 chains north-west of north-west corner of Survey No. 16 of Shanbhoganahalli, runs north-east through Survey No. 40 of Kodamballi to the said Gaddige.

(v) Foot-path from Shanbhoganahalli to Channappana Gaddige in Survey No. 40 of Kodamballi—2 yards wide and 46 chains long open for men for worship throughout the year. It enters the forest in its southern boundary at a point about 10 chains north-west of north-west corner of Survey No. 17 of Shanbhoganahalli, runs north through survey No. 46 of Shanbhoganahalli and 40 of Kodamballi to the said Gaddige.

(vi) Foot-path from Bhairsettihalli to Channappana Gaddige in Survey No. 40 of Kodamballi—2 yards wide and 45 chains long open for men for worship throughout the year. It enters the forest in its eastern boundary at a point about 27½ chains north-west of north-west corner of Survey No 95 of Bhairsettihalli, 46 of Shanbhoganahalli and 40 of Kodamballi to the Channappana Gaddige.

No. G. 7726—Ft. 178-34-3, dated 13th February 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation, XI of 1900, that from 1st March 1935, the area, the boundaries of which are setforth in the schedule annexed, shall be deemed to be a " State Forest " subject to the exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Village	Area	Name of forest	Situation
				A. g.		
Bangalore...	Magadi ...	Madabal-Tavarekere.	Madapatna Huluvenhalli Sulavara Chikkanahalli Manchanbele Averhalli	1417-0 or 2·21 Sq. miles.	Basavantar State Forest.	This block is situated at a distance of about 3 miles east of Savandurga State Forest.

Boundaries.

North.—Starting from the tri-junction bandh of Jodi Inam Thippagondanhalli, Kayamgutta Kempegondanahalli and Madapatna villages, the line runs south-east for about 30 chains along the southern boundary of Kayamgutta Kempegondanahalli to the tri-junction bandh Kayamgutta Kempegondanahalli, Cholanayakanahalli and Madapatna villages; then east along the southern boundary of Cholanayakanahalli to a point about 4 chains east of the tri-junction bandh of Kayamgutta Kempegondanahalli, Cholanayakanahalli and Madapatna villages.

East.—Then the line turns south in a straight line and runs through Survey No. 20 of Madapatna for about 72½ chains to a point about 50 chains north-west of south-west corner of Survey No. 19 of Madapatna; then south in a straight line through Survey No. 29 of Huluvenhalli for about 72½ chains to a point about 50 chains west of south-west corner of Survey No. 28 of Huluvenhalli; then south-east in a straight line through Survey No. 60 of Sulavara for about 51 chains to a point about 24 chains west of north-west corner of Survey No. 2 of Sulavar-Rampura; then south-east in a straight line through Survey No. 59 of Sulavara for about 67 chains to a point about 28 chains north-west of south-west corner of Survey No. 45 of Sulavara; then south-west through Survey No. 81 of Chikkanahalli for about 25 chains to a point about 5 chains north-west of north-west corner of Survey No. 85 of Chikkanahalli: then south through Survey No 81 of Chikkanahalli to a point about 5 chains south-west of south-west corner of Survey No. 85 Chikkanahalli; then south through Survey No. 81 of Chikkanahalli to a point about 5 chains north-west of north-west corner of Survey No. 80; then south through Survey No. 81 to a point about 5 chains south-west of south-west corner of Survey No. 80; then south through Survey No. 81 to a point about 5 chains west of north-west corner of Survey No. 74 of Chikkanahalli; then south through Survey No. 81 to a point about 5 chains south-west of junction gadi bandh of Survey No. 74 and 73; then south-east through Survey No. 81 to a point about 5 chains west of south-west corner of Survey No. 73 of Chikkanahalli; then north-west along the northern boundary of Kempadevanhalli to its north-west gadi bandh; then south-east along its western boundary to the quadra-junction bandh of Manchanbele, Kempadevanahalli, Ganakallu and Hagalahalli villages.

South.—Then the line turns west and runs in a straight line along the northern boundary of Hagalahalli for about 38 chains to a point about 5 chains east of south-east corner of Survey No. 48 of Manchanbele.

West.—Then the line turns north-east through Survey No. 46 of Manchanbele for about 20 chains to a point 5 chains south-east of south-east corner of Survey No. 47 of Manchanbele; then north-west through Survey No. 46 of Manchanbele in a straight line to a point 5 chains east of junction gadi bandh of Survey Nos. 44 and 45; then north-east through Survey No. 46 in a straight line for about 16 chains to a point 7 chains south-east of south-east corner of the new cultivation lands; then north in a straight line through Survey No. 46 of Manchanbele to a point about 10 chains west of south-east gadi bandh of Kayamgutta Vadathahalli; then east along the southern boundary of Kayamgutta Vadathahalli to the south-east gadi bandh of the said village; then north-west along the eastern boundary of Kayamgutta Vadathahalli to its north-east gadi bandh; then south-west along its northern boundary to a point about 5 chains east of south-east corner of Survey No. 17 of Averhalli; then north through Survey No. 15 of Averhalli to a point about 5 chains east of junction gadi bandh of Survey Nos. 2 and 62 of the said village; then north-west through Survey No. 15 to a point about 5 chains east of junction gadi bandh of Survey Nos. 61 and 60; then north through Survey No. 15 to a point about 5 chains east of junction gadi bandh of Survey Nos. 55 and 54; then slightly north-west through Survey No. 15 of Averhalli to a point about 5 chains east of north-east corner of Survey No. 53 of Averhalli; then north-east along the Maskalla halla to the south-east gadi bandh of Chickmaskallu village; then north in a straight line along the eastern boundary of Chickmaskallu and Kalluru viilages to the junction bandh of Kallur and Jodi Inam Thippagondanahalli villages; then slightly north-east along the eastern boundary of Jodi Thippagondanahalli village to the starting point.

Remarks.—The following rights of way are admitted within the block; 1, 2, 3, 5, and 7 for men and cattle only; 4, 6 and 8 for men, cattle and carts through out the year.

(1) Footh-path from Madapatna village to Arkavati river (6 ft. wide and 34 chains long open for men and cattle) for water throughout the year. It enters the Forest in its eastern boundary at a point 15 chains suth-east of junction gadi bandh of Kayamgutta Kempegondanahalli and Cholanayakanahalli villages, runs west through Survey No. 20 of Madapatna village and quits the Forest in its western boundary at a point about 16 chains south of tri-junction bandh of Jodi Inam Thippagondanahalli, Kayamgutta Kempegondanahalli and Madapatna villages.

(2) Foot-path from Huluvanahalli to Arkavati River (6 ft. wide and 33 chains long) open for men and cattle for water throughout the year. It enters the Forest in its eastern boundary at a point about 50 chains west of north-west corner of Survey No. 28 of Huluvanahalli, runs south-west through Survey No. 29 of Huluvanahalli and quits the Forest in its western boundary at a point about 6 chains north of south-eastern gadi bandh of Chickmaskallu village.

(3) Foot-path from Averahalli to Gokatte in Survey No. 84 of Chikkanahalli (6 ft. wide and 50 chains long) open for men and cattle for water throughout the year. It enters the Forest in its western boundary at a point about 5 chains east of north-eastern corner of Survey No. 8 of Averahalli, runs south-east through Survey Nos 15 and 16 of Averahalli and 81 of Chikkanahalli and quits the Forest in its eastern boundary at a point about 12½ chains east of north-east gadi bandh of Kayumgutta Vadathahalli.

(4) Cart-track from Averahalli to Chikkanahalli (12 ft. wide and 33 chains long) open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 5 chains east of north-east corner of Survey No. 8 of Averahalli, runs south-east through Survey Nos. 15 and 16 of Averahalli and quits the Forest at a point about 12 chains west from the north-east gadi bandh of Kayumgutta Vadathahalli, runs through the lands of the said Kayamgutta village, again enters the Forest at a point about 15 chains south of north-east corner of said Kayumgutta village, runs through Survey No. 81 of Chikkanahalli and quits the Forest in its eastern boundary at a point about 12 chains north-west of north-west corner of Survey No. 80 of Chikkanahalli.

(5) Foot-path from Manchanabele to Mutharayaswami temple and Katte situated in south-eastern corner of Kayumgutta Vadathahalli (6 ft. wide and 16 chains long) open for men and cattle throughout the year. It enters the Forest in its western boundary at a point about 20 chains east of north-east corner of Survey No. 23 of Manchanabele, runs north-east through Survey No. 46 and quits the Forest in its western boundary at a point about 6 chains west of south-east gadi bandh of Kayumgutta Vadathahalli.

(6) Cart-track from Manchanabele to Chikkanahalli (12 ft. wide and 45 chains long) open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 20 chains east of south-eastern corner of Survey No. 23 of Manchanabele runs north-east through Survey No. 46 of Manchanabele and 81 of Chikkanahalli and quits the Forest in its eastern boundary at a point about 2 chains west of north-western corner of Survey No. 101 of the latter village.

(7) Foot-path from Anekempaindoddi to Gokatte in Survey No. 46 of Manchanabele (6 ft. wide and 15 chains long) open for men and cattle for water throughout the year. It

enters the Forest in its western boundary at a point about 5 chains north-east of north-east corner of Survey No. 47 of Manchanabele till it meets the Gokatte.

(8) Cart-track from Anekempaindoddi to Bidadi (12 ft. wide and 25 chains long) open for men, cattle and carts throughout the year. It enters the Forest in its western boundary at a point about 5 chains south-east from south-eastern corner of Survey No. 47 of Manchanabele, runs south-east through Survey No. 46 of Manchanabele and quits the Forest in its southern boundary at a point about 7½ chains west of tri-junction bandh of Kempadevanhalli, Ganakallu and Hagalhalli.

No. G. 7731—*Ft.* 170-34-3, *dated* 13*th February* 1935.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Mysore Forest Regulation XI of 1900, that from 1st March 1935, the area, the boundaries of which are set forth in the annexed schedule shall be deemed to be a 'State Forest' subject to the exercise of rights specified at foot thereof.

SCHEDULE.

District	Taluk	Hobli	Village	Area	Name of block	Situation
Bangalore	Kankanhalli	Maralwadi	Arrikuppe, Godur Bilaganakuppe.	A. g. 1'951 13 or 3·048 Sq. Mls.	Karadikal Street Forest.	This block is situated at a distance of about 12 miles north-east of Kankanhalli Town and lies between the Southern and western boundaries of Gulhatti and Mahadeswara State Forests.

Boundaries.

North.—Starting from a point about 6 chains north of north-east corner of Survey No. 74 of Attikuppe, the line runs north-east, east and north-west along the southern boundary of Gulhatti State Forest to the junction gadi bandh of Gulhatti State Forest and jodi Sivanahalli village; then South-east and north-east and along the Southern boundary of Jodi Sivanahalli to the junction gadi bandh of Jodi Sivanahalli and Mahadeswar State Forest.

East.—Then south-west along the right side of the Hebbahalla, the western boundary of Mahadeswara State Forest for about 176 chains to a point about 46 chains north-east of south-east bandh of Survey No. 22 Bilaganakuppe Village.

South.—Then west through Survey Nos. 22 and 21 of Bilagankuppe for about 96 chains in a straight line to a point on the common boundary of Survey Nos. 21 and 44 of Bilaganakuppe, about 22 chains north-west of north-west corner of Survey No. 58 of Bilaganakuppe then south for a distance about 15 chains along the common boundary of Survey Nos. 21 and 44 of Bilaganakuppe to a point about 20 chains west of North-west corner of Survey No. 58 of Bilaganakuppe; then south-west through Survey No. 44 of Bilaganakuppe and 163 of Godur in a straight line for about 60 chains to a point about 8 chains north-east of north-east corner of Survey No. 165 of Godur; Then west through Survey No. 163 of Godur for about 15 chains to a point 10 chains north-west of north-east corner of Survey No. 165 of Godur.

West.—Then north-west along the northern boundary of Survey No. 169 of Godur for about 53 chains to the junction gadi bandh of Survey No. 169 of Godur and 77 of Attikuppe; then slightly north-west along the northern boundary of Survey No. 77 of Attikuppe for about 51 chains to the starting point.

Remarks.

I. Right of way over the undermentioned paths is admitted No. 1 for men and cattle only to a width of 6 feet for water throughout the year and No. 2, 12 feet wide for men, cattle and carts throughout the year.

(1) Foot-path from Chikkannavalse to Kunte *via* Naripurdoddi in Survey No. 163 of Godur 6 feet wide and 16 chains long open for men and cattle for water throughout the year. It enters the Forest in its southern boundary at a point about 5 chains north of north-east corner of Survey No. 165 runs north through Survey No. 163 of Godur to the Kunte.

(2) Cart-track from Bilaganakuppe to Jodi Sivanahalli, 2 yards wide and 35 chains long open for men, cattle and carts throughout the year. It enters the Forest in its southern

boundary at a point about 20 chains north of north-west corner of Survey No. 57 of Bilagankuppe, runs north through Survey No. 21 and quits the Forest in its northern boundary at the South-west gadi bandh of Jodi Sivanahalli.

II. Patta rights over the following Hiduvali lands are admitted. The lands will be demarcated out free from Reservation and be retained as enclosures :—

Village	Survey extent		Remarks
	No.	Ac. g.	
Godur	159 160 161 162	5 0 4 10 3 5 25 5	Access is allowed for men and cultivating cattle for cultivation to a width of 12 feet by a cart-track entering the State Forest at the junction gadi bandh of Survey No. 77 of Attikuppe and 169 of of Godur and running north-east for about 11 chains to the lands.

No. L. 5592—Ml. 37-34-21, dated 12th February 1935.

Whereas it appears to the Government of His Highness the Maharaja of Mysore that the undermentioned lands, situated in Belavatta village, Mysore Taluk, Mysore District, are needed for a public purpose, for a new Motor Loop Road; notice to that effect is hereby given to all whom it may concern, in accordance with the provisions of Section 4 (1) of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927 and the Government hereby authorise the Deputy Commissioner, Mysore District and his subordinates to exercise the powers conferred by Section 4 (2) of the Regulation. Under Sub-Section (4) of Section 17 of the Land Acquisition Regulation of 1894, as amended by Regulation No. I of 1927, the Government direct that, in view of the urgency of the case, the provisions of Section 5-A of the Regulation shall not apply to the acquisition of the lands noted below:

No. 651-54—*K. S. S.* 3817-20, *dated* 11*th February* 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the lands measuring 4 acres 28 guntas be the same, a little more or less, are needed for a public purpose for the 18th Distributary of Maddur Branch, and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of the Mandya Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under Sub-Section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Mandya Sub-Division Officer, and may be inspected at any time during office hours.

No. 659-62—*K. S. S.* 3825-28, *dated* 11*th February* 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the lands measuring 2 acres and 3½ guntas be the same, a little more or less, are needed for a public purpose, for the 20th Distributary of Maddur Branch and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of Mandya Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under sub-section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Sub-Division Officer, Mandya, and may be inspected at any time during the office hours.

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

No. P. 4561—*Pol.* 49-34-12, *dated* 23*rd*—26*th February* 1935.

The Government of His Highness the Maharaja are pleased to designate under Rule 23(4) of the Mysore Arms Rules (1926), the Land Records Supervisors as persons to whom no fee is chargeable for a license in Form IX of the Mysore Arms Rules in respect of a gun and a revolver or a pistol with a reasonable quantity of ammunition for the same.

By Order,
R. Ranga Rao,
Chief Secretary to Government.

GENERAL SECRETARIAT

No. G. 7902—*Med.* 28-34-25, *dated* 20*th*—21*st February* 1935.

Whereas the Government of His Highness the Maharaja of Mysore are satisfied that there is danger of outbreak of Small-pox at Basarikatte in the Koppa Taluk, Kadur District, if persons from Small-pox infected areas in the Mysore State or elsewhere are permitted to assemble in the place on the occasion of the Jatra from 23rd February 1935 to 26th February 1935.

In exercise of powers vested in them under the Mysore Epidemic Diseases Regulation II of 1897, Government are pleased to prohibit the holding of the Jatra and the assemblage of persons thereat from infected areas.

All persons proceeding to Jatra in contravention of this notification will be sent back.

By Order,
S. Abdul Wajid,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

DEVELOPMENT SECRETARIAT

Notification No. D. 5779—*I. & C.* 53-34-8, *dated* 28*th February* 1935.

In exercise of the powers vested in them by Section 30 (2) of the Mysore Factories Regulation III of 1914 as amended by Regulation VI of 1925, the Government of His Highness the Maharaja of Mysore are pleased to exempt the Bangalore Woollen, Cotton and Silk Mills Co., Ltd., Bangalore, from the operation of the provisions of Section 27 of the said Regulation in respect of 20 men working in Woollen, Card and Mule Department for a period of three months from the 25th February 1935, subject to the conditions specified under rules, 59a, 67 and 68 of the Rules framed under the said Regulation.

No. L. 6092—*Ml.* 87-34-10, *dated* 1*st*—4*th March* 1935.

Under Section 7 (1) of the Mysore Town Municipalities Regulation, 1933, it is hereby notified that it is proposed to alter the limits of the Mandya Municipality as noted below. All persons who entertain any objection to this proposal may submit the same, with the reasons therefor, in writing, to the Deputy Commissioner, Mysore District, within two months from the date of the publication of this notification. Objections preferred thereafter will not be considered.

The altered boundaries of the Municipality will be as follows :—

East.—Commencing from north-east corner of Survey No. 617 of Mandya turning towards the south crosses Madras-Cannanore road near the south-east corner of Survey No. 620. Then starting from that crossing, passing along the eastern boundary of Survey No. 811, then crossing the Railway line near the south-eastern corner of the same Survey No. 811 meets the north-eastern corner of Survey No. 889. Starting from the north-eastern corner of Survey No. 889 passing along the boundaries of Survey Nos. 812 and 813 meets the deviation road. Again starting from that point, passing along the south and east of Survey of 813 southern boundary of Survey No. 814 and eastern boundaries of Survey Nos. 818, 820, 822, 821 meets the south-east corner of Survey No. 821. Then starting from the south-east corner of Survey No. 821, going towards the west passing along the southern boundaries of Survey Nos. 821, 822, 824, 826 and 860 meets the extension Road. Then starting from the extension road towards the south and passing through the Survey Nos. 15 and 16, then turning towards the west of Survey No. 14 reaches the south-east corner of Survey No. 5. Then starting from the south-east corner of Survey No. 5 going to the west, passing along its southern boundary, reaches the north-east corner of Survey No. 7 and again passing along the eastern boundary of the same survey number reaches the south-east corner of Survey No. 6.

South.—Starting from south-east corner of Survey No. 6 passing along the southern limits of Survey Nos. 6 and 88 and through the middle of Survey No. 91 and passing the southern boundaries of Survey Nos. 92, 93, 141, crosses the Bannur road and reaches the south-east corner of Survey No. 158. Again passing along the southern boundary of the same survey number reaches the south-west corner of the same survey number. Again turning to the south then passing along the northern boundary of Survey No. 163 and the southern and western boundary of Survey No. 154, reaches the north-west corner of the same survey number. Again starting from this point, going to the west and passing the southern boundaries of Survey Nos. 170, 171 reaches the south-west corner of Survey No. 171.

West.—Starting from south-west corner of Survey No. 171, going to the north, passing along the western boundaries of Survey Nos. 171 and 172, crossing the deviation road and passing the western boundaries of Survey Nos. 173, 174, 175, 176, 177 and 178, crosses the

Railway line. Then starting from here, passing in the middle of Survey No. 888 and reaching the north-west corner of Survey No. 199, crosses the M-C road. Again starting from this place reaching the south-west corner of Survey No. 195 and then passing along the western boundaries of Survey Nos. 195, 196, 192 and 191, reaches the north-west corner of Survey No. 190 near Shivahalli road.

North.—Starting from the north-west corner of Survey No. 190, turning to the east and passing along Shivahalli road, reaches the tank bund at the north-east corner of Survey No. 184. Turning to the north passing along the tank bund and the western boundaries of Survey Nos. 880, 879 and 878 takes a turn to the east, reaches the waste weir of the tank, crosses the halla and Basaral road near the south-east corner of Survey No. 784. Starting from this place, passing along the northern boundary of Survey No. 787, turning to the south near the north-east corner of Survey No. 787 then crossing a halla, again turning to the east, passing along the northern boundaries of Survey Nos. 786, 789, 793, 792, 840 and 839, turning to the north, passing along the western boundaries of Survey Nos. 837, 802, 722 and 720, again turning to the east and passing along the northern boundaries of Survey Nos. 720, 625, 624, 623, 622, 621, 620 and 617 meets the north-east corner of Survey No. 617 which is the original starting point.

No. D. 5888—J. S. 25-34-4, dated 2nd March 1935.

No. D. 5918—I. & C. 175-34-2, dated 5th March 1935.

In modification of Para 1 of Government Notification No. D. 1863—I. & C. 10-29-24, dated the 3rd—5th October 1931, appointing the Superintendents of Industries and Inspectors of Factories of Mysore and Shimoga Divisions as *Ex officio* Inspectors of Cotton Ginning and Cotton Pressing Factories within their respective jurisdictions for purposes of Rules 13, 14 and 15 of the rules under the Cotton Ginning and Pressing Factories Regulation, VI of 1929, Mr. C. R. Rama Rao, Superintendent of Industries, is appointed as *Ex officio* Inspector of Cotton Ginning and Cotton Pressing Factories in the Districts of Mysore and Hassan, and Mr. S. M. Ramaswami, Acting Superintendent of Industries, as *Ex officio* Inspector of Cotton Ginning and Cotton Pressing Factories in Chitaldrug District, for purposes of Rules 13, 14 and 15 of the rules under the Cotton Ginnning and Pressing Factories Regulation, VI of 1929.

By Order,

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

OFFICE OF THE SECRETARY, MYSORE REPRESENTATIVE ASSEMBLY, BANGALORE.

No. 2866—R. A., dated 5th March 1935.

Official Memorandum.

In pursuance of Rules 24, 34 and 46 of the Rules published with Notification No. P. 3039—Legis. 12-23-9, dated 8th December 1923 and Rule 32A published with Notification No. Rel. 231—R. A. 26-30-1, dated 7th January 1931, the following instructions are issued in connection with the ensuing budget session of the Representative Assembly which commences on the 13th June 1935:—

(i) *On or before 5th April* 1935 (*Friday*).—The members of the Representative Assembly, elected or nominated, should give notice to the Deputy Commissioners of their

Districts of the Representations which they wish to make, Questions which they wish to ask and Resolutions which they wish to move. Copies of these Representations, Questions and Resolutions with explanatory memoranda should be sent to the Deputy Commissioners.

(ii) *On or before* 26*th April* 1935 (*Friday*).—Deputy Commissioners should hold a meeting at the District Headquarters, of the members residing in the district and select the Representations, Questions and Resolutions to be sent up by the district in accordance with rules 24, 32A, 34 and 46 of the Rules referred to above.

(iii) The number of Questions, Resolutions and Representations selected shall not exceed the limit fixed by Government in Rules 23, 33 and 45 of the Rules referred to above. They should be confined to a single subject, should not be of a controversial nature and should be briefly worded. The attention of the Deputy Commissioners is invited in this connection to this office Circular No. 4750-7, dated 14th May 1930. Resolutions, Representations and Questions, as selected, will be compiled by the Deputy Commissioners and *five* typed copies thereof sent with their remarks to the Secretary, Representative Assembly, not later than the 8th May 1935 (Wednesday), in the form prescribed in Official Memorandum No. 8-16, dated 4th March 1924.

(iv) Additional Questions, Resolutions and Representations, if any, on behalf of Minorities and Special Interests under Rules 24A, 34A and 47 should be sent to the Office of the Secretary, Representative Assembly, not later than the 8th May 1935 (Wednesday).

The Questions, Resolutions and Representations proposed by the member of the Representative Assembly representing the Mysore University Special Interest should also reach the Secretary, Representative Assembly, through the Registrar, Mysore University, not later than the 8th May 1935 (Wednesday).

By Order,
C. SUBRAHMANYA AIYAR,
Secretary,
Representative Assembly.

No. 737-40—*K.S.S.* 4229-32, *dated* 6*th March* 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the lands measuring 11 acres and 5 guntas be the same, a little more or less, are needed for a public purpose, *viz.*, for the 20th Distributary and its Branches of Maddur Branch and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of Mandya Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under Sub-Section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Sub-Division Officer, Mandya, and may be inspected at any time during office hours.

No. R. S. 1737-38, dated 4th March 1935.

Whereas it appears to the Government of His Highness the Maharaja of Mysore that the undermentioned lands, situated in Yedehalli village, Sagar Taluk, Shimoga District are needed for a public purpose, to wit, for Ananthapur railway construction, notice to that effect is hereby given to all whom it may concern, in accordance with the provisions of Section 4 (1) of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927 and the Government hereby authorise the Deputy Commissioner and his subordinates and also the Assistant Commissioner, Sagar Sub-Division, to exercise the powers conferred by Section 4 (2) of the Regulation. Under Sub-Section (4) of Section 17 of the Land Acquisition Regulation of 1894 as amended by Regulation No. I of 1927, the Government direct that, in view of the urgency of the case, the provisions of Section 5-A of the Regulation shall not apply to the acquisition of the lands noted below.

No. R. S. 1737-38, dated 4th March 1935.

Under Section 6 of the Land Acquisition Regulation of 1894, as amended by the Land Acquisition Amendment Regulation No. I of 1927, the Government of His Highness the Maharaja of Mysore declares that the lands measuring—dry 32½ guntas, and wet 2 acres 15 guntas, be the same a little more or less, are needed for a public purpose, to wit, for Ananthapur railway construction, and under Sections 4 and 7 of the same Regulation, the Assistant Commissioner in charge of Sagar Sub-Division is appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said lands. Under Sub-Section (1) of Section 17 of the Regulation, the Government further directs that the possession of the said lands may be taken on the expiry of fifteen days from the date of publication of the notice mentioned in Section 9 (1) of the Regulation. A plan of the lands is kept in the Office of the Assistant Commissioner, Sagar Sub-Division, and may be inspected at any time during office hours.

PRESS COMMUNIQUE.

RESERVE BANK OF INDIA.

The following Press Communique relating to the Reserve Bank is published for general information:—

ISSUE OF SHARES.

" At a meeting of the Central Board of the Reserve Bank of India held in Delhi on the 23rd February 1935 in consultation with the Committee of the Legislature to discuss the issue of shares, it was decided that the lists should be opened on the 22nd March and closed on the 25th. The minimum dividend on the shares has been fixed by the Governor-General in Council at 3½ per cent cumulative and the issue price will be Rs. 100 for each Rs. 100 share (nominal). Applications will be received at all branches of the Imperial Bank of India doing Government business in India, at all treasuries at places at which there is no such branch of the Imperial Bank, and at Head Post Offices in India. The detailed terms of the issue, together with information as to the manner in which applicants should apply, will be published at these places and widely advertised in the press throughout India well in advance of the date of opening of the lists, and copies of the Prospectus and application forms will be made available at these places as soon as possible. In the meantime, it is notified for public information that advance applications or requests for information will not be received at such places or at the Central Office of the Reserve Bank and that any money or cheque sent prematurely will be returned to the sender at his risk. The Reserve Bank will take no responsibility for failure to acknowledge such irregular applications or for any loss or inconvenience which may occur to applicants therewith. The public may be rest assured that full opportunity will be given for applications to be received at all these centres in the regular course.

" In order to secure the widest holding of the shares by genuine investors, it has also been decided that applications must be accompanied by payment in full. Owing to the possibility of over-subscription and the consequential necessity of balloting, there may be some delay in refunding subscriptions to applicants who are wholly or partially unsuccessful. On this point, it is to be noted that the Reserve Bank Act prescribes that applications for five or more shares are to be given preference to the extent of five shares each and that the surplus, if any, is to be divided into two portions; one for those for less than five and the other for more than five shares. Every endeavour has been made by the Board to devise a procedure which will ensure that early refunds will be made to subscribers of the latter categories if the whole allotment in a particular register is to be divided into groups of five, but no responsibility will be taken by the Board for any delay.

" It has also been decided that, to ensure as far as possible that applications are only received from persons who are qualified to be shareholders under the Act, applications must be made direct by the applicants and on the proper form, except of course in the case of banks and corporations who will be entitled to make their applications either in the manner prescribed by their Articles of Association or by certified power of attorney."

V. VEDAVYASACHARYA,
Publicity Officer to Government.
